TEN CENTS

State Department Aides Explain Foreign Policy At Forum In T.F.

With brief opening statements of four officials from the U.S. State Department managed to tell 200 people at the College of Southern Idaho Fine Arts Center what the trouble in the world is about.

The four men were the first in a two-day series of talks with area people on problems around the world. Called a foreign affairs forum, it was sponsored jointly by the college and the State Department.

The four men are Lewis W. Bowen, chief of Soviet Multilateral Affairs; Lawrence H. Berlin, deputy director of Ecuador and Peruvian Affairs; Robert P. Paganelli, officer in the Bureau of Near Eastern and South Asian Affairs; and George R. Marotta, coordinator for Vietnam and East Asian Policy Direction.

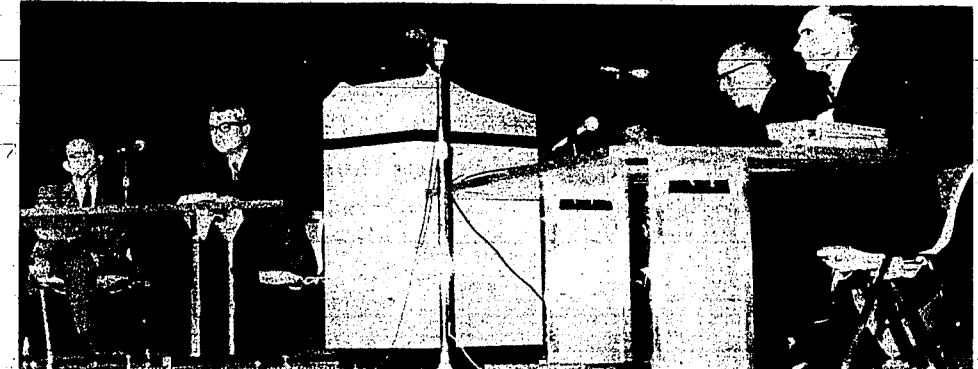

Today, the men spoke at various area service clubs and to students at the college and at Twin Falls High School. They are slated to speak on other Idaho campuses later this week.

Mr. Marotta said he has been concerned with Vietnamese affairs for the past year and a half and added the United States operates one of its largest economic aid programs in that country.

"Most of our aid, nearly \$500,000 a year, is through the import of goods the people need for civilian purposes," he said. He predicted Vietnam would be self-sufficient in rice by the end of 1971, a situation that country has not had since 1963.

He also commented that the United States has been able to control inflation a great deal during the course of the war. "As compared with the Korean conflict, we have held inflation down a great deal."

America is giving the Vietnamese technical assistance in farming and administration, he added. "This is a new country. They have never really had a government of their own. We are training their young men and women in government administration and right now some very good changes are taking place there," he said.

FOUR MEN, ALL OF THEM specialists in foreign affairs, talked at the College of Southern Idaho's Fine Arts Center Monday night on various situations around the world today. The men are, from the background forward, Robert P. Paganelli, officer in the Bureau of Near Eastern and South Asian Affairs; Lawrence H. Berlin, deputy director of Ecuador and Peruvian Affairs; Lewis W. Bowen, chief of Soviet Multilateral Affairs, and George R. Marotta, coordinator for Vietnam and East Asian Policy Direction. About 200 people attended. The men appeared today at several area service clubs and spoke before students at CSI and the Twin Falls High School.

Blasts Hit Beirut As U.S. Embassy Comes Under Siege

By United Press International
A series of explosions rocked Beirut today and a group of armed men tried to attack the U.S. Embassy but were driven away by Lebanese security officers who opened fire on them. Fighting also flared again in the Lebanese cities and near the Israeli border.

The Middle East News Agency in Cairo said the men hurled a stick of dynamite toward the embassy as they fled in a car but the explosion caused neither injuries nor damage. The guerrillas have accused the United States of backing Lebanese efforts to crush the guerrilla movement.

The new round of violence came as Maj. Gen. Emile Bustani and former Premier Rashid Karame met with President Charles Helou to discuss the Lebanese security situation requested. The guerrillas who had used bases in southern Lebanon for attacks on Israel, thus making Lebanon subject to heavy Israeli retaliation.

Air Service To Hailey Assured

There is now little doubt but that a daily round-trip air service between the Hailey-Sun Valley area and Twin Falls will be available in the immediate future — it's just a matter of which applicant will get the nod from the Idaho Public Utilities Commission.

The commission members met in special day-long session at the Holiday Inn Monday to hear testimony from officials and backers of Sun Valley Airlines and Trans Magic Airline in the proposal. Both seek a certificate of convenience and necessity from the PUC which would permit them to begin operations.

Right now Air West, the major carrier, is trying to get permission to eliminate the same route located at airport in Twin Falls. That is, Air West is forced to continue the flights.

At the hearing here Monday, however, it developed that apparently Hailey would be the lone protester. Winton Gray, mayor of Sun Valley, said he would sign a telegram to the CAB in which he would urge that Air West be permitted to drop the flights they want to drop and that the area could be served adequately either by Trans Magic or Sun Valley. Mr. Gray, however, testified at the local hearing that

Ketchum was backing Sun Valley Airlines in its application for the Hailey-Twin Falls certificate. Likewise, Russell T. Werry, mayor of Ketchum, indicated he would back such a proposal. He also testified at the hearing and urged that Sun Valley Airlines gain permission requested. Other's offering testimony which backed the application of See-AIR SERVICE, Pg. 2, C. 4

"Tourist Mecca" Promotion Eyed

By O. A. (GUS) KELKER
Times-News Editor
Twin Falls, Burley, Sun Valley and Jackpot facilities — including outdoor recreation and gambling — soon may be offered to residents of the Pacific Coast other portions of the United States in a "package" setup designed to make this area a tourist mecca.

The package promotion would utilize the skiing and other outdoor opportunities found in the Sun Valley section, the skill, golf and like recreational opportunities available through the Ponderosa Inn in Burley and nearby ski areas; the gambling and top entertainment found at the Jackpot resorts and the centrally located airport in Twin Falls through a third-level air carrier like Trans-Magic Airlines.

Fact that such a program was even in the talking stage or contemplated in the future came to light Monday during an airline hearing of the Idaho Public Utilities Commission held at the Holiday Inn in Twin Falls.

The hearing was called to hear testimony relative to application of Sun Valley Airlines and Trans-Magic Airline for a certificate of convenience and necessity to operate between Twin Falls and Hailey-Sun Valley.

Application of Sun Valley Airlines had previously been denied, but the PUC members had decided to reconsider in the case. Air West has petitioned the Civil Aeronautics Board to eliminate service between Twin Falls and Hailey.

Police Guard Polls During Israeli Vote

JERUSALEM (UPI)—Israeli voters went to the polls today to elect a new parliament, some casting their ballots in bulletproof booths. Polls forecast a sweep for the Likud party, the coalition government and its "no retreat" policy toward the Arabs.

About 1.5 million persons were eligible to vote in the first national election since the 1967 Middle East War and the seventh in the nation's 21-year history.

Sixteen parties covering the entire spectrum of Israeli politics were contesting the 120 seats in the Knesset, or parliament. Members are elected for a four-year term.

Heavy security precautions were in effect as the voting got under way at 7 a.m. Police and the entire Israeli armed forces were on alert for possible sabotage and terrorist attempts.

A Jerusalem police spokesman disclosed Monday night that agents for Arab guerrilla organizations have been canvassing homes in recent days, threatening reprisals against Arabs who vote.

Those threatened reportedly included Arabs holding Israeli citizenship, as well as about 200,000 Arab residents of Jerusalem who can only vote in Jerusalem's City Council race.

Mr. Anderson's testimony before the Public Utilities Commission members, but he said a central organization was being discussed to handle sales of such as TOURISTS, Page 2, Col. 3

No Calls Terrorists Hurl Grenade Into Market

NEW YORK (UPI)—Telephone trouble, which has prompted some businesses to take out newspaper ads to warn customers trying to reach them, is now ringing in the city's parks department.

And ring in all the telephones will do, according to park department officials. They cannot make outgoing calls.

Space Expert Resigns Post In Houston

SPACE CENTER, Houston (UPI)—A key space center scientist, relieved of his duties as chief of lunar and earth sciences, quit the moon program saying he wants to go back to the "peace and quiet" of an atomic research laboratory.

Dr. E. R. Bell, who also managed the moon rock laboratory where the Apollo 11 astronauts and their lunar suggests were quarantined, declined the third key scientist to leave the Houston Space Center staff in recent months because of personal dissatisfaction.

Relief sources at the center said Bell resigned because he was relieved of his post as laboratory manager and lunar earth sciences chief, and was made instead a special assistant to science and applications director, Anthony J. Cain.

LWV Meet-The-Candidates Session Slated Wednesday

Twin Falls voters will have a chance Wednesday evening to meet the seven candidates for city council.

The Twin Falls League of Women Voters is sponsoring a Meet-The-Candidates session at 8 p.m. in the YM-YWCA building.

Toy Ban

WASHINGTON (UPI)—The Senate has given final congressional approval to a bill to allow the government to ban any toy with electrical, mechanical or thermal hazards.

Two Injured As Taxicab Crashes Here

An unidentified male passenger was placed in the wreckage of a yellow cab Tuesday morning after the cab went out of control and crashed into an apple tree on the airport road, east of Twin Falls.

Police Report Idaho Road Toll

COEUR D'ALENE (UPI)—The latest Idaho traffic death toll to be recorded by the Idaho State Police is Almer A. Snyder, 63, Spirit Lake, Idaho.

Quadruplets Join Celebration

BEAUMONT, Tex. (UPI)—Anthony and Bernard and Carl and Donald and their 20 sons and daughters and their five brothers and their mother and their father and Dr. John will get together Halloween for an old-fashioned family reunion.

Recruitment Policy Is Pressed By Governor's Health Council

In an attempt to bring Idaho into the latter part of the 20th Century as far as health needs are concerned, the Governor's Advisory Council on Comprehensive Health Planning came up with eight recommendations Monday.

Soviets Hope Arms Talks Successful

GENEVA (UPI)—The Soviet Union said today it hopes the forthcoming strategic arms limitation negotiations with the United States will lead to an end of the nuclear arms race.

Tito Surveys Site Of 'Quake Damage

BANJA LUKA, Yugoslavia (UPI)—President Tito returned today to the devastation of where he fought against overwhelming Nazi forces in World War II.

Police Report

Police told him 20 bodies had either been pulled from the rubble of a city 80 per cent destroyed or had died in nearby hospitals. They said 60 persons were injured, 69 seriously.

Recruitment Policy Is Pressed

The council met at the Holiday Inn, it concluded its two-day confab today with special reports on environmental health.

Recruitment Policy Is Pressed

The council will continue to hold public meetings on this subject in other parts of Idaho.

Recruitment Policy Is Pressed

The council also approved a recommendation that the Legislature enact a law providing professional status to nursing home administrators.

Recruitment Policy Is Pressed

During the morning session, the council was advised that \$32,897 federal training grant to economically deprived people has been approved. The grant, applied for by Boise State College, will provide 24 training hours to people from West Montana, East Oregon, North Utah and East Washington, in addition to Idaho.

Forecast

Variable cloudiness today with a chance of showers; clearing tonight and generally fair Wednesday. Cooler today and tonight, winds of 10 to 20 miles per hour, and gusty at times. High today and Wednesday in the 50s; low tonight 25 to 35. Chance of measurable precipitation 20 per cent today, 10 per cent tonight and Wednesday. Outlook for Thursday — generally fair and a little warmer. High in the 50s; low tonight and Wednesday 41 to 52.

Weather Synopsis

A cool front which moved rapidly across East-Central Oregon and Southwest Idaho last night was located in Eastern Idaho by early morning. Light rain was reported in agricultural valleys of Southern Idaho, ranging from 1/8 inch at Salmon to 1/2 inch at Pocatello. Clearing will begin in the western valleys today, spreading into Eastern Idaho tonight as pressures continue to rise. Drying conditions to the agricultural valleys. Fair weather is expected to return to the valleys Wednesday and Thursday with temperatures returning to near seasonal. There is a chance for some increase in cloudiness in the western valleys late Thursday. Cooler temperatures will be experienced throughout the valleys today, with highs in the 40s and 50s. Little change in temperatures is expected Wednesday, with some warming anticipated by Thursday. Winds of 10 to 15 miles per hour, with local gusts, are predicted today in Magic Valley and Eastern Idaho. Cooler nighttime lows are also expected tonight, with clearing and highs ranging in the 20s and 30s. Eastern Idaho valleys will feel the cooling trend by Wednesday night. Yesterday was mostly clear during the afternoon, with light variable winds. Afternoon highs ranging from about the same as Sunday to five degrees cooler. The highest was 85 at Pocatello. Morning lows under partly cloudy skies ranged through the lower 40s.

Twin Falls News In Brief Mrs. Kenneth Montgomery has entered Mason City Hospital, Seattle, Wash., for surgery. Carol Jones, Twin Falls, and Mrs. Vera Allen, Hanson, were admitted to Twin Falls Clinic Hospital for treatment. There will be training classes for new Camp Fire guardians Wednesday at 2 p.m. and Friday at 9:30 a.m. at the Camp Fire office in the old hospital building. Leaders may come at either time. Edgar Hampton of Twin Falls has been admitted to the Twin Falls Clinic and Hospital for treatment. Triple Link Club will meet at 8 p.m. Tuesday with Mrs. Dale Bowman. All Rebekahs are asked to be present. William Zihl, Rupert, has been admitted to Twin Falls Clinic and Hospital for medical treatment. The Organization for Retarded Children (TORC) is holding a rummage sale Nov. 7-8 at the Junior Achievement building. Anyone interested in contributing rummage or white elephant items should contact Mrs. John Ruppert, 733-1489 afternoons or 733-7544, evenings.

Permit Issued Wils, Inc., has been issued a building permit at Twin Falls City Hall for the construction of an addition to Trov Auto Laundry, 201 Second Ave. W. The 30-foot by 12-foot structure will be constructed in the parking lot area behind the present laundry facilities. The building will be of concrete, masonry and wood. Estimated cost is \$25,000.

Godine Memorial Admitted Darlene Matthews, Gooding, died Oct. 26. Florence, wife of Gordon Shelton, Mrs. Reed Vestal and son, and Dan Fredericks, all of Gooding.

Astronauts Given Rousing Welcome BANGKOK (UPI)—America's Apollo II astronauts received a rousing welcome from an estimated 100,000 persons in Bangkok today. Neil A. Armstrong said it was the most exciting reception of their current world tour. Perspiring freely in the tropical heat, Armstrong, the mission's commander, was greeted by loud huzzas along with astronaut Edwin E. "Buzz" Aldrin, Michael Collins and their families, waved and cheered along the motorcade route from the airport. "The friendliness and greeting we received here this afternoon has not been exceeded anywhere," Armstrong said at a welcoming ceremony in the city's center.

176 Register Mrs. Constance Leiser, City Clerk, said Tuesday some 176 new voter registrations have been made since the election program was issued. She said there have also been numerous inquiries about registration. Mrs. Leiser said she had not expected a large number of new registrations since the city still has a high registration from the last municipal election.

Girl, 4, Left By Parents On Freeway

BAKERSFIELD, Calif. (UPI)—Hundreds of calls from persons in several western states alerted the Sheriff's Office about a little girl abandoned by her parents on a freeway. But so far authorities have been unable to locate the parents of the girl who says she is Jody Smith. A spokesman said most of the callers want to express their sympathy for the 4-year-old and ask if they can be of assistance. A woman from Nevada said she wanted to adopt the child," he said. "Meanwhile little Jody's own description of her parents and the way they left her beside Highway 99 last Friday night remain the only clues to the puzzle of the girl's disappearance. The alert, pretty child said she was riding with her parents in their car when they stopped at the freeway and she was taken to hang onto a chain-link fence by the freeway near Wheeler Road until a policeman came. She said she didn't know why she was left but did say she was told. Jody was found and could not tell anything about her parents. Saturday morning by a passing highway patrol officer. "I was waiting for my mom but she didn't ever get home," she said. She said her father's name was Ronnie Smith and he had a brother named Betty and that she had an older brother, Timmy, a little sister, Rhonda, a baby brother, Jason, and another brother named Tom. Deputies said she had bruises on her arms and body and two front teeth were missing. She lived in Buhl and Twin Falls prior to moving to Boise in 1948. She was married to Wayne C. Atkinson, a chairman of the Blaine County Commission and a member of the Blaine County Committee, and Roland Smith, president of Sun Valley Airlines. Under questioning, however, Mrs. Smith could not be identified as the girl's mother. She said she was interested in the Holy-Twin Falls operation if any other carrier was given permission to operate in Buhl and Twin Falls in addition to Twin Falls, on street fronts in the city. He added that he was seeking the certificate on the assumption that Air West would withdraw its flight certificate in the old commission matters he would operate daily on a year-around basis between Hallett and Boise, Hallett and Salt Lake City and Hallett and Reno with base operations at the Hallett field. On the other hand, Ross E. present of Trans Magic told the commissioners he planned daily operations, if he was given the certificate, regardless of the Air West certificate. He also said he would terminate Hallett-Twin Falls flights at Bury, and would operate a separate plane from Twin Falls airport so that through passengers would be able to make the jog to Hallett if they did not want to. All offering testimony pointed to the fact that a passenger period is during the winter season, but that any airline operation into the area should be on a year-around basis. Aside from Mr. Lee and his son, James R. Lee, TMA operations manager, Wes McDorman, Sun Valley, also was willing to call for a flight certificate. He operates the Sun Valley Travel Bureau. Three witnesses from Twin Falls said they had not seen a ward to the certificate to Trans Magic, a Twin Falls based airline. A coalition of 13 unions representing 147,000 employees, about half GE's work force, struck at midnight Monday when their contract with the nation's fourth largest production corporation expired. Union negotiators rejected GE's Oct. 7 offer of wage increases averaging 20 to 45 cents an hour in a three-year contract. The unions have argued for a 20-month contract with higher wages and a living increase. GE has made no other offer, saying its first was the best in history.

Mrs. Griffith Funeral Services Mrs. Lauvissa Crist, 2 p.m. Wednesday, Buhl LDS church. Mrs. Murray Mrs. Mary Lucille Wallace Murray, 69, Kimberville, died of a short illness early Tuesday at her home. She was born Aug. 24, 1900, at Fulton, Mo., and came to Idaho with her parents in 1914. She was married to Asabel P. Murray Oct. 29, 1924, at Bury. They farmed at Rock Creek for a number of years before moving to the Pleasant Valley area. They had just retired and moved to Kimberville. Surviving, besides her husband, are four sons, Mrs. Arnie Steene, Leavenworth, Wash.; Mrs. Elizabeth Fricke, Caldwell; Charles H. Chicketts, 84, of a stroke at 11 a.m. Sunday. Funeral services will be Wednesday at 11 a.m. at the DeLoe church, near Logan, Utah.

Air Service Sun Valley Airlines were C. E. Atkinson, chairman of the Blaine County Commission and a member of the Blaine County Committee, and Roland Smith, president of Sun Valley Airlines. Under questioning, however, Mrs. Smith could not be identified as the girl's mother.

Minidoka Memorial Admitted Mrs. Lester Johnson, Heyburn, and William Patterson, Robert Halverson, Amanda Ramirez and Floyd Myers, all Rupert. Dismissed Lydia Larsen, Rupert. Births A daughter was born to Mr. and Mrs. Lester Johnson, Heyburn.

Tourists (Continued From Page One) tours and that the envisioned program was "vast. The area which draws from the immediate vicinity, the Sun Valley-Burley-Twin Falls-Jackpot area, is the largest area of customers from other sections of the nation. And travel by "customized" small airliners capable of whisking the tour purchaser in and out the "front door" of each airport would make the proposal work. On another man attending the hearing, who asked that his name not be used, said that some plans were under active discussion at the present time, and that utilization of a third-carrier airline — like Trans Magic — was the key point. Miss Lee, president of Trans Magic, said she had not been personally approached on such a setup, but that he would be interested. In time, such a promotional program could be enlarged to include fishing and hunting, in season, with a rounded program of the tour purchaser in and out the "front door" of each airport. A visitor would contemplate.

Idaho Artist Represented In Collection HAILEY — A painting by Idaho artist Ralph Harris of Hallett is one of a group of canvases which will be on work tour this coming year. The paintings will also appear in numerous publications and eventually be placed in the Pentagon and the Air Force Museum for permanent exhibition. The paintings record his work as an aerial artist in the Air Force. Mr. Harris' two foot by four foot acrylic depicts an F-86 Sabre in support of a C-47 transport dunk reconnaissance patrol during the Korean conflict. Mr. Harris and 48 illustrators from San Francisco, Mrs. Art Peterson were guests of the Air Force for a flight to Washington, D.C., to meet New York illustrators, and present the country's best paintings to the Air Force. During the three days they were in the Nation's Capitol they were met by officials, officers and quilters and given a tour of the city. At a formal banquet at Bolling Air Force Base Oct. 24, Mrs. Harris presented a collection of 20 paintings with an estimated value of \$160,000 were on exhibit. The event was a ceremonial for the banquet was the Director of Information H. L. Hogan III, who introduced secretary of the Air Force, the Hon. Robert C. S. Mans, Jr., and chief of staff of the Air Force General John D. Ryan, who were guest speakers.

THE GOVERNOR'S ADVISORY COUNCIL on health planning in Idaho met in Twin Falls Monday and will end its special confab today after hearing a report on environmental health. Shown here at the meeting are: from left, Mrs. Irene Oliver, administrator of Magic Valley Memorial Hospital; Joseph Karpooh, Boise, chairman of the council; Gladys Swank, Lewiston, and Dr. Howard Toews, Rupert.

Magic Valley Obituaries County Public Defender Cost Growing Twin Falls County's public defense program is growing and public officials are groaning in equal proportion. Two years ago the county allotted \$15,000 for the defense of indigent people accused of crimes. Last year this figure rose to \$20,000 and the 1959 hike was \$5,000 more, making it \$25,000. And this might not be enough. It was learned Monday that an indigent accused of a crime has the right to court-appointed attorney, the county has no choice but to provide the services.

Mr. Chicketts SHOSHONE — Mr. and Mrs. D. H. Hansen have been called to Preston by the death of her father, Charles H. Chicketts, 84, of a stroke at 11 a.m. Sunday. Funeral services will be Wednesday at 11 a.m. at the DeLoe church, near Logan, Utah.

Carl W. Bunn DECEO — Carl Walter Bunn, 66, died Monday morning in Gastonia Memorial Hospital of a brief illness. Born July 8, 1903, in Basin, in Lassa County, he moved to DeLoe, Idaho, as a child with his parents and had resided here since. He was a farmer and a member of the LDS Church. Surviving are a brother, Eugene E. Bunn, Declo; two sisters, Mrs. Vandelita Wolfe, Bury, and Mrs. John (Coray) Slides, Castle Rock, Wash.; and several nieces and nephews. Funeral services will be conducted at 2 p.m. Wednesday in the DeLoe LDS Ward Chapel with Bishop Joe Preston officiating. Burial will be in the DeLoe cemetery. Friends may call at McCulloch Funeral Home Tuesday afternoon and evening and until noon Wednesday, and at the DeLoe church one hour prior to services.

Violence Is Reported In G. E. Strike NEW YORK (UPI)—Seventeen violence and several arrests were reported Monday as General Electric Co. employees walked off their jobs at plants throughout the nation in demand for higher wages. GE officials said they would try to keep their 280 plants in production with non-union personnel. A GE spokesman at Daytona Beach, Fla., said the strike would not hamper the nation's space program. Apollo 12 is scheduled to begin its moon voyage Nov. 14. A coalition of 13 unions representing 147,000 employees, about half GE's work force, struck at midnight Monday when their contract with the nation's fourth largest production corporation expired. Union negotiators rejected GE's Oct. 7 offer of wage increases averaging 20 to 45 cents an hour in a three-year contract. The unions have argued for a 20-month contract with higher wages and a living increase. GE has made no other offer, saying its first was the best in history.

Dorothy Morris Dorothy Mae Morris, 58, 587 Highland Ave., died of a short illness at Magic Valley Memorial Hospital. She was born May 1, 1911, at Sparta, Wis., and moved to Fargo, N.D., and later to Twin Falls with her parents, settling in Twin Falls. Surviving are a sister, Naomi Brown, Twin Falls; three sons, Betty Middelman, Sparta, Wis.; Anna Swenson, Columbus, Ohio; and Mrs. Arthur Mueske, Twin Falls and several cousins. Graveyard services will be conducted at 2 p.m. Thursday at Twin Falls Cemetery by Rev. Dr. Harold Nye. Friends may call all Wednesday and until 10:30 a.m. Thursday at White Mortuary.

Speakers (Continued From Page One) problems that will have to be solved in a common way." He mentioned pollution as one, saying, "The ocean link us all and even today the oceans are getting polluted. We all have common problems." Mr. Berlin said social reform is not rapid in Latin America; industrial growth is slow, and there has been a demise of Democratic government and a rise of military governments in recent years. "There is also this latent hostility toward the United States," he said. "But changing slightly, he said, "We have cooperation, and there are no Fidel Castros coming into power there. There is a real growing interest to the idea of progress in Latin America." Mr. Paganelli outlined the history of the Israeli-Arab conflict, and said, "It is really a struggle from the 19th Century. It is a struggle for territory." He said both sides will not sit down and negotiate and there is a real growing hostility toward the Union entering into the matter on the Arab side.

Synod Mulls Pope's Vow To Bishops VATICAN CITY (UPI)—With the World Synod of Bishops official and delegates to the conference held a final unofficial session today to discuss Pope Paul's promise to discuss a greater say in running the Roman Catholic Church but would not at any time yield his own supreme authority. Paul virtually agreed with three of the 13 proposals presented to the Vatican by the bishops. He said he would have to give further study to the other recommendations but promised he would not take long in responding. The rising costs for public defense of defendants was predicted several years ago, when it was determined more and more accused would seek the advice of an attorney. This followed several Supreme Court rulings on the rights of individuals accused of crimes. Heber Loughmiller, chairman of the Twin Falls County commission, said, "We are wrestling with this problem. Of course we want everyone to get justice in this country, but it is expensive."

SEVEN THOUSAND CARDS are a lot of cards, but 50 of the top young typists of the O'Leary Junior High School typed statistical information on all 7,000 in one day's typing session to help the office staff. Some of the volunteer typists

Students Fill Out Report Cards, But Not With Grades

Fifty typists, even if they aren't the most experienced in the field, can put out more work than one or two, officials of the O'Leary Junior High School have found. Because of the elaborate grading system, in which each student now has seven report cards, one for each period of the day, the school is faced with typing statistics on some 7,000 report cards at the beginning of each school year. On Friday of last week, typing instructor Dennis Johnson came to the aid of the administration office. He selected his 50 best typing students. They were dismissed from all other classes for the entire day and, as fast and efficiently as they could, the students turned out the 7,000 report cards.

include from left, Raquel Heuston, Twig Scholl and Jean Marshall. Under present grading systems each of the 1,000 students in the school has seven report cards and each must be filled out before the first grading period.

Janet Mink, School Secretary, Said by the End of the Day There were Only About 15 Cards Yet to be Completed.

Each card must carry the name of the student, the name of the teacher, the subject, roll room, period and date. There are approximately 1,000 students in the school at this time. All of the young typists are members of the ninth grade, but most have had only seven to eight weeks of typing. Miss Mink, who notes the plan is a lifesaver for the office staff including herself, said the work was exceptionally well done.

Public Hearing Is Planned Nov. 25 On State Highway Projects In Twin Falls

Under the state's proposal for rebuilding the west five points intersection, Main Avenue in Twin Falls would no longer be a one-way street, but would be open to two-way traffic with Second Avenue North and East carrying major westbound traffic through the city. Acting City Manager Jean Mink explained the proposal will be covered thoroughly in a public hearing Nov. 25 at 2 p.m. in the Twin Falls American Legion Hall. The Idaho Department of Highways has announced plans for the hearing. Other phases of the reconstruction, Mr. Mink said, would include halting all westbound traffic on Main Avenue at the intersection and leaving one-lane eastbound entrance way into Main Avenue at West Five Points.

Additional right-of-way would be acquired for a loop turn for traffic moving west and unable to proceed to Addison Avenue West. Westbound traffic on Main Avenue otherwise would leave on Second Avenue and join westbound lanes of Addison Avenue. The Department of Highways is proposing widening of Washington Street North and South to four lanes with a median divider and right turn lanes. This and the future widening of Addison Avenue proper between West Five Points and the intersection with Buchanan St., will be covered in detail during the Nov. 25 hearing, Mr. Mink said.

T.F. Harbor House Plans Discussed

Possibilities of including Harbor House as a United Fund agency in Twin Falls and plans for the Nov. 30 open house program at the foster home were discussed Monday afternoon in a meeting of directors of Harbor House of Magic Valley.

Cub Scouts To Get Attention At Valley Meet

The Snake River Area Council, Boy Scouts of America, is sponsoring its first annual Cub Scout Leaders Pow Wow Nov. 6 at Valley High School. Cub Scout leaders from Magic Valley and the Wood River Valley will attend the meeting to exchange ideas. Gene Sorenson, Burley, chairman of the Pow Wow, said the purpose of Cub Scouting is to help parents help their boys. Dea mothers and Welochea leaders will receive instructions in games and songs, crafts, puppets and conducting blue and gold banquets. Cub Scout leaders wishing to make reservations or desiring further information may contact the Scout Service Center in Twin Falls.

Missionary To Speak At Area Church Service

SIOSHONE — Margaret Carlow, missionary for the Assembly of God Church since 1947, will speak at 8 p.m. Thursday at the local church, reports Rev. Wesley Johnson, pastor. Before 1902 she pioneered four churches in Japan and from 1908 she has been in South Korea. In South Korea she worked with the school system of the city of Jeonju, about 100 miles South of Seoul. She also helped build an Assembly of God Church at Tri, a city of 200 miles from Seoul. She will show slides of the work done there and also will have pictures and items of Korean dress for exhibit.

Big Diamond Draws Crowd In New York

NEW YORK (UPI) — Elizabeth Taylor's 69.42 carat diamond is the best show in town this week, playing to packed houses.

The flawless, pear-shaped gem purchased at auction for \$1,050,000 by Cartier Inc., the Fifth Avenue jeweler, last Thursday, was resold to Richard Burton for his actress wife on Friday, and went on public display at Cartier's on Saturday, attracting 10,000 persons. It is being shown in a breakproof glass case flanked by two armed guards.

The story of Miss Taylor's getting the stone as a gift from Burton after she had failed to get it for \$1 million bid of a cool \$1 million was well known to everyone who went up outside Cartier's to glimpse the "Cartier diamond." The line formed before opening time and continued unbroken throughout the day, numbering 200 to 300 at any one time.

"I missed lunch to see this after seeing the diamond on Ed Sullivan's television show last night," said Mary Jane Milender, a clerk-typist. "If I had a couple of million I'd spend one of them on a diamond like that, too." Few had ever been in Cartier's before and most seemed a little ill at ease in the heavily carpeted, marble-columned rooms with their glittering jewelry displays. Women outnumbered men six to one. There were few young people.

TRESSA LEWIS

... and the Jim Brown Trio who open a two-week engagement tonight at the Horse Shoe Club, will provide the program for the Rotary Club meeting Wednesday noon at the American Legion Hall. Miss Lewis has appeared at such top entertainment spots in Las Vegas as the Flamingo Hotel, in San Francisco at the Hungry I and Basin Street West, and at the Algiers Lounge in Chicago, among other appearances.

Almost everyone questioned said they had come out of "curiosity." "I came just to see how extravagant Elizabeth Taylor can be," said Bob DeMarco, a copywriter for a department store chain.

Nevada Hearings Held After Six-Day State Prison Strike

CARSON CITY, Nev. (UPI) — Warden Carl Hocker began hearings Monday for 33 inmates who were isolated as instigators of the recent six-day strike at the Nevada maximum security prison. Hocker and prison officials reviewed recommendations about what to do about each of the men. Hocker said there was a choice of absolving them, or finding them guilty with resulting punishment ranging from loss of privileges to loss of "good time" credits affecting chances for parole. Meanwhile, inmates were nominating a new inmate committee to replace the one which Hocker disbanded after the strike ended. He said a new committee would provide a fresh start for the prisoners after the strike which began Oct. 18 when inmates went through some facilities and destroyed equipment. Hocker said the men had finished cleaning up most of the debris.

I'M AT MY WIT'S END!

These words may have a familiar ring to many of the housewives. Some days just push us too hard, but beware of overdoing it, this can cause a health hazard. Try to organize your time and keep proper diet which includes a good vitamin program. Remember, see your doctor and bring his prescription to us!

Rhodesia—Is It Another Vietnam?

WASHINGTON — Occasional-ly a big and sometimes terrify- ing news story gets meager headlines because so much other bad news is happening.

ment, and that it has "kept in touch with some of the representatives of the Rhodesian national liberation groups."

ment, Rep. Charles C. Diggs Jr., D-Mich., was right on the money when he warned that the Rhodesian situation "may turn out to be another Vietnam."

Both of these essentials are being supplied certain Rhodesian black fronts by the Central Intelligence Agency and the Defense Intelligence Agency.

Czechoslovakia. Like the old Bourbons, our bureaucratic diplomats seem incapable of learning. Our national government has been battered and bruised from sticking it into too many foreign brambles.

Firsts In Space

Russia shocked the United States out of complacency with its first Sputnik which put the first man into orbit. As a result, the U.S. launched a massive catch-up effort, leading eventually to the first manned landing on the moon.

Russia was a bit scornful of that effort and the risks but learned that their own unmanned probe was no match for the drama of man's first steps on the moon.

Now, the Russians have won another first in space by placing three space craft, carrying seven men, into near-terrestrial orbit. They apparently have three objectives, to test the complex systems controlling three flights at once, to move closer to a manned station in space, and to compile geological maps of earth with emphasis upon Russia's own vast and little-known reaches of Siberia.

In space, as in any new developing science, there are bound to be numerous firsts as one frontier after another is crossed.

Shock waves no longer follow each successive first but it seems obvious that Russia now is playing the catch-up game and may be giving the American government second thoughts about its decision, earlier this year, to scratch the projected

MOL—Manned Orbital Laboratory—as too costly for the current budget.

As long as U.S.S.R. U.S.A. disarmament talks are delayed, there is bound to be some anxiety about permanent orbital stations and the possibility of their becoming space fortresses commanding vast areas of earth.

Therefore, fresh impetus should be given to the effort to reach substantial agreement upon keeping nuclear weaponry out of space and to peaceful pursuits of greater knowledge of man and his universe.

Russia took a step toward America's policy of openness in space flights by giving delayed television coverage of the triple venture into orbit. They apparently are not sure enough of themselves to allow live television coverage of the blastoffs as they occur.

Russia's caution in permitting only delayed coverage may be attributable to the old habit of secretiveness, characteristic of Soviet tactics and strategy.

While Mars' sought the imagination of some Americans after the moon success, the Russian attention to more immediate problems closer to home should call for a new assessment of American goals and priorities.

Not His Master's Voice?

LOU GRANT Copyright 1969 Los Angeles Times Syndicate

Westward Ho!

One of the interesting aspects of the decennial U.S. census is the updating of records, reapportionments and other official catching up which follows. The population trend for this decade has been set. All that remains is official recognition, which must await the census.

For 30 years, the population center of the United States has been located in Illinois, although with each head count it has been moving farther westward. Now located near Centuria, there is at least an even chance it will cross the Mississippi

River into Missouri when the 1970 figures are in.

The physical site of the center does not attract many visitors, although an official marker identifies the spot. The reason is evident, since it is located in the middle of a farm field.

Illinois officials still take pride in their possession and hope they can keep it another 10 years. But the relentless tide to the West continues, and if not next year certainly by 1980 the marker will have jumped the Mississippi barrier.

ROBERT ALLEN AND JOHN GOLDSMITH.

Deferment On Point Of Order

WASHINGTON — A move to abolish student draft deferment was defeated 22 to 11 in the House Armed Services Committee, and it will be just as decisively rejected in the full House when the issue is raised there.

As in the showdown at a closed-door meeting of the committee, the House test will come on a point of order against the anti-deferment motion.

The controversy arose after the subcommittee unanimously approved empowering President Nixon to use a lottery for selection of draftees.

Rep. Leonard B. Bland, D-Mo., a self-designated "hawk" and chairman of the Internal Security Committee, proposed an amendment "to abolish college deferments except for students in the ROTC programs."

"Changing to a lottery system for draft selection," contended Bland, "will not defuse the present existing on college campuses throughout the country. In my opinion, one of the greatest mistakes we made in fighting the Vietnam war was continuing a policy of student deferments during a shooting war. It had never been done in any country before, and it hasn't worked and it can't work."

Hebert immediately made a point of order on the ground Bland's proposal "is not germane to the bill before us."

This challenge touched off a tense clash among the committee members. Leonard Bland, D-Mo., Richard Leggett, D-Calif., Charles Wilson, D-Calif., and Otis Pike, D-N.Y.

Leggett brushed aside the contention that President Nixon had requested legislation only on a lottery system and had said nothing about student deferment.

Leggett brushed aside the contention that President Nixon had requested legislation only on a lottery system and had said nothing about student deferment.

"Therefore, in accordance with the rules of the House, I sustain (Hebert's) point of order," Hebert demanded a roll call on Hebert's ruling. It was sustained 22 to 11.

The dissenters are making it clear they will carry their fight to the full House. And Hebert is making it equally clear he will again make his point of order and confidently expects to be decisively sustained as he was in the Armed Services Committee.

Leggett brushed aside the contention that President Nixon had requested legislation only on a lottery system and had said nothing about student deferment.

Leggett brushed aside the contention that President Nixon had requested legislation only on a lottery system and had said nothing about student deferment.

GEORGE C. THOSTESON, M.D.

Leg Stroke?

Dear Dr. Thosteson: Do Charleyhorses cause slight strokes in the leg? I had one and the doctor said it was a slight stroke. Another lady said she also had one and she had a leg stroke also. — Mrs. F.S.K.

You are under misapprehension as to where and what a stroke is. You have a lot of company.

A stroke occurs in the brain.

A blood vessel ruptures or is plugged. Either way, circulation to some part of the brain is disrupted.

If a large part of the brain is involved, a major stroke can be very serious; general paralysis, or even death.

However, not all strokes are large. Many are small, so small at times that the patient doesn't realize it has happened.

In your case, it was a slight one, but in your case and your friend's this is what evidently happened: a part of the brain that controls muscles in your leg was involved.

There is no way a charleyhorse (a strained leg muscle) could cause a stroke, but a stroke could cause some paralysis in the leg. It wasn't enough to prevent you from walking. It was bad, obviously, affect all of the leg muscles, so did, however, interfere with some particular muscles. The result was your "charleyhorse."

Dear Dr. Thosteson: I am 18, and weigh 134. I had rheumatic fever and the last time I visited my doctor two weeks ago he said, "Take it easy," but didn't outline any form of diet for me. I have tried counting calories, but I scribble on some things and load up on others. I am five-foot-two and 35-27-33. — L.B.

Maybe you are scribbling on the lists of low-calorie foods that provide nutrients, and on the list of "diet-wrecker" snacks. You can get the booklet by mail — send 35 cents in the form of a self-addressed stamped envelope to Dr. Thosteson, care of Times-News.

MR. SPECTATOR

Reflecting On Contrast

With automobiles being what they are, and travelers being what they are, lots of people never have the opportunity to pilot a hotel and a motel together for size.

So much travel is by auto that these travelers usually stay at a motel where they have a spot to place their auto near where they place themselves.

But people who fly get an opportunity to try something else. Take Mr. Spectator, for instance. Last weekend he made a one-day stand in Salt Lake City, And, because he flew from Twin Falls to Salt Lake City, on Air West and had no auto and really didn't have the need to rent one, he decided to stay at the stately Hotel Utah, right downtown in the middle of things. So that's what happened. And you know what? It was a real rewarding experience. Mr. Spectator had actually forgotten what a hotel with class could mean.

First there was the room. Entirely adequate and on the seventh floor front, where you could see far from a motel.

Now in Salt Lake, for instance, Mr. Spectator (looking out of that seventh floor window) noted that the site of the old Bamberger Railroad station is now a big parking lot. A few blocks down the street — west, that is — was the Union Pacific Railroad Depot, a monarch in it's day but it's day is gone and on to the right and a few miles out was the modern airport with all the big jets and the small private planes coming and going at all hours. This setup is what has spelled "flims" to railroad passenger service. In the old days it was three days and two nights from Salt Lake to Chicago by train. Now it is less than four hours by jet.

And do people ride trains? Not often. Mr. Spectator remembered the last time he was on one through Salt Lake City was 18 years ago.

Across the street from the Hotel Utah, was the L.D.S. Temple and Tabernacle and grounds and from the high window the view was open.

And on one of the Temple and the Angel Moroni in dazzling gold, stands with trumpet point poised to lips.

To the south, and visible, was the brand, new Salt Palace.

All this — and at night a fairyland of twinkling lights — from a hotel window.

Mr. Spectator had forgotten how interesting a stint in a hotel could be.

And then the next day a flight home by jet to Boise and another short hop by prop-jet to Twin Falls. A hundred years ago it would have taken a month or more to get from Twin Falls (had it existed then) to Salt Lake City, to Boise and back to Twin Falls. Last weekend the flight time on Air West was only three hours.

And that's what makes the world go round. A change of pace every now and then. A change of pattern every now and then.

In this case a hotel instead of a motel and a plane instead of an auto.

The contrast was startling.

VOICE LIKE A BELL

William Jennings Bryan, Democratic presidential candidate in 1890, 1896 and 1908, was not called "the silver-tongued orator" for nothing.

In a letter accompanying recent gifts of Bryan memorabilia to the University of Arizona Library, William Jennings Bryan Jr. tells of an analysis that was made of some of his father's recordings years after his death in 1925.

Engineers were astonished to discover that Bryan's voice had no bass tones whatever, giving it the resonance and carrying power of a clear-toned bell.

Indeed, during a speech in Lincoln, Neb., Bryan's voice was said to have been audible to motorists on a streetcar a quarter of a mile away from the fairgrounds.

We will not see Bryan's like again, if only because in this day of commercially packaged and electronically amplified candidates, a man with a voice like that would crack every transistor in 60 million television sets across the country.

In the early days of the Twin Falls tract, Mr. Bryan was often a visitor here and a speaker here. He would stay at the then new Perrine Hotel or at the home of his friend, I. B. Perrine, founder of Twin Falls.

IF THIS HANDSOME horned owl was after some of the wisdom that legend attributes to its species, it turned up at the right place — Idaho State University. The owl was found one night a week or two ago near the Student Union Bookstore. Dr. Charles H. Trost, holding the owl here, took charge of the badly bruised bird and is nursing it back to health. He reports the owl is doing well on a diet which includes samples of duck his keeper brings back from hunting expeditions. Dr. Trost is an assistant professor of biology who specializes in bird study. His master's thesis at the University of Florida concerned variations in the body temperatures of owls.

Former Jerome Teacher Is Now ISU Dean Of Women

IDAHO STATE UNIVERSITY, Pocatello — Mrs. Janell Seitz Burke, former teacher in the Jerome school system, is the youngest dean of women at any college or university in Idaho.

She came to ISU in 1965 as assistant dean of women, was later named associate dean of women and last summer was promoted to dean of women.

Dean Burke holds a Master of Science Degree in education with a major in student personnel services. Before completing her graduate work, she served one year as director of choral music in Jerome.

She was graduated from the College of Idaho in 1962 and later had begun work on her Master's Degree in music at Indiana University. Through work as a graduate assistant in residence halls, she became interested in the guidance field and changed her graduate field of study.

MRS. JANELL SEITZ BURKE

"A personal interest of mine," she said, "has been encouraging women students to go on to graduate school." She also actively encourages mature women to go to school.

Dean Burke is a member of the Governor's Commission on the Status of Women and the Defense Advisory Committee on Women in the Services.

"Nationwide," she said, "the general trend for the Dean of Women's office is changing from the administrative and disciplinary role to a counseling role."

"Students should have a major role in setting standards," she said. "Recent studies indicate students exercise responsible and mature judgment in decision making when all sides of an issue are considered."

The ISU dean of women serves as an advisor to women students and is responsible for their welfare. Dean Burke serves as an advisor to the Associated Women Students, Panhellenic Council and SPURS, sophomore women's organization.

She also represents women students on various faculty committees.

Spilled Milk

QUINCY, Mass. (UPI) — Officials were crying over spilled milk today.

A milk truck spilled some 2,000 cartons of milk out a back door early today as it went around a rotary and headed up the Fore River Bridge.

Neighborhood cats had a field day but it took the city highway department about an hour to clean up the spilled milk.

N. Korean's Determination Prompts Park To Run Again

By PHIL NEWSOM
UPI Foreign News Analyst

Kim Il Sung, stocky, hard-lining Communist leader of North Korea, has declared his intention of spending his 60th birthday in 1971 in Seoul, capital of the South.

Kim's unyielding determination to unify Korea under Communist rule and his continuing efforts to undermine the South Korean government through terrorist infiltration and propaganda were announced recently by South Korean President Park Chung-hee to seek a third term beginning in 1971.

It took a constitutional change to do it, something Park had said in his 1967 campaign he would not do, and it created something of a political crisis in South Korea.

But when the returns were in, a national referendum had given Park a two-to-one majority and what appeared to be a clear mandate to stay on the job.

His Democratic Republican Party had not emerged with entirely clean hands.

He had closed about one-third of the country's universities to still student opposition and the opposition New Democrats accused the government of buying votes with free drinks and movie tickets — while denying them access to public meeting places for political rallies.

Both sides dipped into American history to support their positions.

Government forces recalled the four successive terms won by President Franklin D. Roosevelt in a time of national emergency.

The opposition cited George Washington's refusal to serve more than two.

Stirring Koreans most was the constitutional issue since not even the opposition could accuse Park of doing anything but a good job.

Nor could an issue be made of the presence of some 50,000 U.S. troops in South Korea 16 years after the signing of the Korean armistice. The Koreans want more rather than fewer American troops there.

Problems already on the horizon also dictate a need for strong leadership.

The Koreans have taken such talk in their stride because they believe the United States will regard them as a special case.

There remains also the aggressive intent from the North.

Mrs. Nixon Will Make GOP Trip

WASHINGTON (UPI) — President Nixon's wife Pat will accompany him on his political forays into Virginia and New Jersey this week.

The White House said today the Nixons plan to leave the White House at 8:45 p.m. EST Tuesday and fly by Air Force jet to Ranokke, where the President is scheduled to speak at about 8 p.m. on behalf of Virginia's GOP gubernatorial candidate, Linwood Holton.

On Wednesday, they will fly to Newark, N.J., leaving at 6:15 p.m. and attend rallies in Morristown and Hackensack, N.J., and a campaign stop in New Jersey at the home of Republican Rep. William T. Cahill, running for governor of New Jersey against Democrat Robert B. Meyner.

Bear Mauls Park Workers In Their Car

GARDINER, Mont. (UPI) — A large black bear plunged through the window of an auto in Yellowstone National Park Saturday and badly mauled two park employees in the car.

A National Park Service spokesman said Mr. and Mrs. Richard Gwin of Gardiner, Mont., near the park's north entrance, suffered extensive bites, scratches and bruises before they could escape from the car.

Both were reported in good condition at a Livingston, Mont., hospital.

The spokesman said Gwin, 36, an employe at Old Faithful, had reached into the back seat of the car for a camera when the bear went through the window, apparently after food that was exposed on the front seat.

The couple finally got a door open and jumped out, drew the bear away from the car, then got back in and drove to the Mammoth Clinic near Gardiner.

The Park Service spokesman said the bear was shot and taken to Bozeman for a rabies check. He said that no bears involved in similar occurrences have ever been found to have rabies.

Farmer Has Legs Removed After Mishap

MOSCOW (UPI) — Mark Cromer, 36, Deary farmer, remained in "generally satisfactory" condition at a Doan Memorial Hospital here today after having his legs amputated following a farm accident last Saturday.

Cromer was injured when a tractor he was attempting to back off a flatbed truck went over the side and pinned him beneath.

Latah County sheriff's officers said Cromer's brother, Rex, went to neighbor's home and called for help. He then returned to his brother with another tractor and pulled the vehicle off the injured man's legs.

However, the legs were too badly mangled to be saved and doctors removed them Saturday afternoon.

Man Pleads Guilty To Kidnaping

NEW ORLEANS (UPI) — Frank Willis Castle, a Fresno, Calif., truck driver, pleaded guilty Monday to the Nov. 30, 1968 kidnaping of 4-year-old Brenda Ann Maquar.

Castle was arrested in Needles, Calif., three days after the child was taken from a stroller outside a neighborhood grocery store near her New Orleans home.

The arrest followed a traffic accident in which Castle was slightly injured.

Young Brenda, unharmed, had been taken care of in a California hospital where she told attendants Castle was not her father as he claimed.

Castle was to stand trial in U.S. District Court Monday, but entered the guilty plea instead. He will be held in a "hospital type" institution for up to 90 days or until his sentence is set by U.S. District Judge Edward J. Boyle Sr.

He had been adjudged mentally incompetent to stand trial last June and was being represented by court-appointed attorneys.

Psychiatrists had examined Castle after it was learned he had undergone psychiatric care while an inmate of the Washington State Penitentiary at Walla Walla.

Romney Warns

WASHINGTON (UPI) — Housing Secretary George Romney told Congress Monday the housing and urban crisis would "destroy us" if left unchecked.

"To wake up the people," Romney suggested to the house urban growth subcommittee that "maybe" Congress should cut out the tax deductions for interest.

"It'll shock men," replied Rep. Thomas Rees, D-Calif., who volunteered his biggest income tax deduction was interest payments.

Valuable Homes Lost In Fissure

SAN PEDRO, Calif. (UPI) — A 200-foot-long, crescent-shaped fissure, believed caused by two recent earthquakes in Southern California, split one expensive home in two, slowly cut through another, and knocked two others off their foundations Sunday night.

All of the homes, valued at from \$50,000 to \$75,000, were slowly sliding toward the sea today from their cliff perch, 200 feet above a rocky beach on the Pacific.

The mammoth crack, two feet wide and nearly 100 feet deep, dumped a small guest house from one of the homes down the cliff to the beach.

There were no injuries. The homes had been evacuated earlier in the day.

The crack, which widened at a rate of about one inch an hour, was slowly splitting one of the four homes on the cliff in two. Loud creaking sounds were heard as plasters and boards separated — making the house look like a slightly flattened cardboard box.

Two earthquakes Friday jolted a 100-mile section of Southern California radiating from a submerged fault in the Pacific near San Nicholas Island, about 75 miles south-west of here.

Tour Planned

WASHINGTON (UPI) — Navy Secretary John H. Chafee will make his first official visit to Europe Tuesday when he leaves on a 10-day tour. Stops will include Iceland, Scotland, England, Italy, Spain, Germany and the U.S. 6th Fleet in the Mediterranean.

Members may initiate action when a unit of government exceeded the 4 per cent limitation over the previous year's revenue.

He said 11 units applied to the State Tax Commission for authority to exceed the limitation, and four applicants were granted permission.

In one school district Yost said, an election authorized the district to exceed the limitation.

Yost Counts Units Over Taxing Limit

BOISE (UPI) — Mah Yost, executive manager of the Associated Taxpayers of Idaho, said less than a dozen taxing units had exceeded the 4 per cent limitation on property tax levies established by the legislature.

In his weekly newsletter, Yost said, "This is somewhat less than was indicated as a possibility, judging by controversy in the period between the time the law was passed by the legislature and the time that official certification of levies was due."

Yost said these units had gone to court, and two cases resulted in rulings that county commissioners should certify the budgets.

Yost also said property tax-

Moss Asks Changes In Smoking Act

WASHINGTON (UPI) — Sen. Frank E. Moss, D-Utah Monday announced two amendments he will bring to the House-passed Public Health Cigarette Smoking Act of 1969.

Moss said he would offer the amendments when the Senate Commerce Committee considers the bill Oct. 30.

He said his amendments would —

Grant antitrust exemption to cigarette advertising in any media. This would allow scheduled withdrawal from broadcast advertising and allow cigarette manufacturers to agree upon a formula to limit volume of advertising in print media.

Remove the House-passed six-year pre-emption of Federal Trade Commission authority to require warning in cigarette advertising.

DAY DESIGNATED

BOISE (UPI) — Gov. Don Samuelson has proclaimed Oct. 28 in Idaho as the official "day of bread" and the last week in October as a period of "harvest festival."

Brandt Shuns Recognition Of Red Rule

BOON (UPI) — Chancellor Willy Brandt said today West German recognition of East Germany is "out of the question" but proposed negotiations with the neighboring Communist regime on establishing closer ties.

In his first policy address to the Bundestag, or lower house of parliament, Brandt said his government was prepared to begin talks with Russia on the mutual renunciation of the use of force.

The Bundestag was jammed when the republic's first Social Democratic head of government since 1930 strode to the rostrum, put on a pair of horn-rimmed glasses and began to read his text.

"We must prevent any further alienation of the two parts of the German nation, that is, we must arrive at a regular modus vivendi and from there proceed to cooperation," Brandt said.

The federal government again offers the council of ministers of the (East) German Democratic Republic negotiations at a government level without discrimination on either side, and which should lead to contractually agreed cooperation."

Nixon Meets GOP Leaders On Campaign

WASHINGTON (UPI) — President Nixon was to confer today with House and Senate Republican leaders before the campaign trail for the first time this year to support GOP gubernatorial candidates in Virginia and New Jersey.

Among the topics likely to come under discussion during Nixon's weekly White House meeting with his party's congressional lieutenants were the Vietnam speech he will deliver to the nation on the eve of next Tuesday's elections and nomination of Clement F. Haynsworth Jr. to the Supreme Court.

The President spent the weekend working on the speech at Camp David but his conferees were kept closely guarded secret. Senate confirmation of Haynsworth remained in doubt, with debate over the nomination expected to begin this week.

Nixon, accompanied by his wife Pat and his 23-year-old daughter Tricia, planned to fly early this evening to Knoxville, Ga., to appear at a rally for GOP gubernatorial nominee Linwood Holton, who served as one of his regional campaign managers last year. Holton is opposing Democrat William C. Battle, a former U. S. ambassador to Australia.

Tribunal Backs One Judgment, Vetoes Second

BOISE (UPI) — In an opinion written by Justice Charles R. Donelson, the State Supreme Court Monday affirmed a verdict and judgment and reversed a summary judgment in an automobile negligence suit.

The action stemmed from an accident Feb. 3, 1967, south of Pocatello between a gasoline tanker and a vehicle belonging to Monty Edwards, in which Linda Hansen was a passenger.

The High Court held that since plaintiff Linda Hansen failed to prove her injuries were caused by the negligence of the tanker driver, Donald Blosser or tanker owner Howard G. Miller, the jury's verdict in favor of the defendants should be affirmed.

However, the court also held that since genuine issues of fact existed with regard to whether the conduct of Edwards constituted gross negligence, it was error for the trial court to have granted him a summary judgment.

North Viets Will Send Mail Home From U. S. Prisoners

CHICAGO (UPI) — The North Vietnamese will soon begin channeling mail from American prisoners of war to their families through the peace movement in the United States, the chief defense lawyer for the Chicago Eight said today.

The attorney, William Kunstler of New York, returned Monday from a meeting with North Vietnamese representatives in Paris.

RUSSIAN COSMONAUT Maj. Gen. Georgiy Beregovoy, left, shakes the hand of U. S. astronaut Eugene Cernan at the hatchway of the Apollo spacecraft command module for the Apollo 16 moon mission. Beregovoy, who flew the Russian Soyuz 3 mission in 1968, toured North American Rockwell's space division plant at Downey, Calif., on Monday, (UPI telephone photo)

Wrong Tip

MILAN, Italy (UPI) — Swiss and Italian border police, acting on a telephoned tip that there were illegal German marks in a sealed car, were out in force to meet the train arriving from Bremen, West Germany, at the border town of Chiasso.

They carefully separated the sealed car from the rest of the train, broke open the door and found a carefully wrapped package — with 50 rolls of toilet paper inside.

Soviet Spacemen Enjoy Visit To U. S.; Beregovoy 'Tames' Bull At Rodeo Grounds

SAN FRANCISCO (UPI) — A square-shouldered Soviet spaceman who has ridden sophisticated "vehicles" into the void of space looked right at home in a 10-gallon hat riding a friendly bull named Charlie, too.

Cosmonauts Maj. Gen. Georgiy Beregovoy and Konstantin Feoktistov climaxed their visit in San Francisco Monday night with a trip to the Grand National Rodeo, horse-show and livestock

exposition at the Cow Palace. Both Russians were given cowboy hats and the general climbed aboard Charlie for a few relaxed moments as photographers happily snapped his picture.

The Cow Palace trip climaxed an afternoon for the Russians spent in San Francisco doing just about what every other tourist does in the Bay City.

The only protest during the cosmonauts' San Francisco visit came when 50 pickets outside the restaurant tried to give the Russians a letter protesting Soviet treatment of the Jews. They were not permitted to do so, but there were no incidents.

But the cold was seemed far away as both hosts and guests repeatedly expressed wishes for peace.

Conspiracy Trial Witness Relates Fire-Bombing Plan

CHICAGO (UPI) — An undercover police agent says antiwar protest leaders wanted to lure young people to the 1968 Democratic National Convention

with "music and sex," and one of the "Chicago Eight" proposed fire-bombing the garage, and also suggested spilling butyric acid in conventional hotels "because it smells like vomit."

Frapoly, who said he infiltrated both the Students For a Democratic Society and the National Mobilization Committee to End the War in Vietnam, testified "Rennie" Davis, a "Yokel" leader, proposed a rock festival for young people during the August, 1968 convention.

Farmers Welding Classes Slated Nov. 5 At CSI

A "Welding for Farmers" class will be conducted at the Vocational School of the College of Vocations, Idaho beginning Nov. 5.

The class is scheduled for two, three-hour sessions, to be conducted on Tuesday and Thursday from 7 to 9 p.m. for a total of 30 hours time.

Interested persons may sign up for either oxyacetylene or arc welding. The oxyacetylene course will consist of training in welding safety, setup of equipment and welding in four positions on sheet metal and stainless steel. The arc welding course consists of basic instruction in the use of manual arc on mild steel, four position welding.

An organizational meeting will be held at 7 p.m. Nov. 4, at the Vocational Building, 1300 Kimberly Road. Prospective students may call 733-9534 for further information.

Cites Opposition

WASHINGTON (UPI) — Rep. Ray Blanton, D-Tenn., and Monday he opposed giving persons under 21 years old the right to vote unless the special treatment they are given because of age is taken away.

He cited special court protection in cases involving crime, contract law and domestic relations.

Agas Khan Weds Blonde In Paris Rites

PARIS (UPI) — Prince Karim Aga Khan married a blonde model today who once posed for a fashion layout entitled "How to Catch a Sheikh."

The ceremony brought together Arab chieftains and jet-setters. Priests chanted Koranic verse in the religious ceremony held in Karim's mansion on the Ile de la Cite in the Seine River.

The handsome 32-year-old Karim and Lady Sarah Chrichton-Stuart, a divorcee called one of the world's 10 most beautiful women by Harper's Bazaar magazine, were married in civil ceremony last Tuesday. The ceremony today was according to tenets of the Islamic sect of the Muslim religion over which Karim presides. It set off celebrations in the 23 nations where the world's 15 million Ismaili Muslims live.

The willowy, 5-foot-8 princess, who has taken the name Sallma for her role as the Begum Khan, wore a white silk sari that reflected her love of India, where she was born 28 years ago when her father was there as a Bengal lancer.

Karim wore a white Nehru jacket, black trousers and a flowing caftan, or ankle-length robe tied with a sash.

WASHINGTON (UPI) — Rep. James McClure, R-Idaho, joined with more than 60 other congressmen Monday to call on the House of Representatives to reaffirm the sovereignty of the United States over the Panama Canal.

House To Vote On 'Toughest' Mine Safety Law In History

WASHINGTON (UPI) — The House prepared today to act on the toughest coal mine safety bill in the industry's history, a measure spawned by a disaster in Mannington, W. Va. nearly a year ago that buried 78 miners.

All sides involved in the measure conceded in open debate Monday that the bill was born in the smoke and flames that struck the Consolidated Coal Co. mine at Mannington Nov. 20, 1967. The first body of the 78 victims was recovered Thursday.

WASHINGTON (UPI) — Seven Salt Lake City residents and Sen. Frank E. Moss, D-Utah, Monday opposed the discontinuance of the Western Pacific California Zephyr passenger train.

Witnesses testified at Interstate Commerce Commission hearings on the proposed discontinuance and Southern Pacific Railroad's application to reduce service on its City of San Francisco.

Jeanne Davis, Gannon Recite Nuptial Vows

BUHL — The First Congregational Church of Mountain Home was the setting for the marriage of Jeanne Davis, daughter of Mr. and Mrs. Eugene C. Davis, Bruneau, and Ens. Thomas C. Gannon, son of Lt. Col. (Ret.) and Mrs. Wendell C. Gannon, Buhl, Sept. 27. Rev. Leland Shetter performed the double ring ceremony.

The nuptial marriage by her father, the bride wore a waistline silhouette of imported organza with pearly and bugle beaded Chantilly lace which matched the sapphire necklace and applied on the A-line skirt that swept into a chapel train. A tiara of lace and pearls topped the bride's dress held her bouquet of yellow roses with green ribbon on the same white fabric as her mother and sister carried at their weddings.

Carla Lucuson, sister of the bride, was honored by other bridesmaids were Marcia McGuire, Honolulu, Hawaii; Suzanne Nelson, San Bruno, Calif.; and Mary Ann, Buhl. The bridesmaid's sorority sisters of the bride, Steve Woods, Anacortes, Wash., was best man. Ushers were Wallace Keon, Buhl, Craig Storti, San Francisco, and Eric Davis, Bruneau, brother of the bride.

Carla Lucuson served as soloist.

Mrs. John Cristobal, Mrs. Chet Selman, Mrs. Bill Love, Mrs. Wallace Keon, Mrs. Beverly Roberts and Mrs. David Morgan served at the reception which was held after the ceremony in Bruneau. Gifts were displayed by Judy Davis, cousin of the bride, Toni Downing, Mrs. Gene Tindall and Sherry Buckman. Kathy Eastman, cousin of the bridegroom, was in charge of the best book.

The couple took a trip to Sun Valley. They will reside in Long Beach, Calif. while the bridegroom is stationed in the Navy.

The bridegroom recently was graduated from the Navy Supply Corps School in Athens, Ga. Special guests at the wedding were Mr. and Mrs. Davis, Bruneau, grandparents of the bride, and Mr. and Mrs. Ken Curtis, Buhl, grandparents of the bridegroom.

Parents of the bridegroom hosted an open house at their home in honor of the newlyweds. Serving during the afternoon were Mrs. John Barker, Mrs. Henry Hatfield, Mrs. Bill Watt, Mrs. Eve Walker, Mrs. Gordon Van Ostran and Ada Huston. Becky Eastman, cousin of the bridegroom, was in charge of the gifts.

Senior Citizens Honored At Golden Age Club Party

Senior citizens, 80 years of age or more, were honored by other senior citizens of the Golden Age Club at a recent meeting at the DAY Hall.

Tables were decorated with streams of black and orange crepe paper, bunches of orange berries and small pumpkins.

Out-of-town guests were Kathleen Black, Donald, Ore.; John Beckstead, Buhl; Charles Olson, Sugar City; Henry Wurst, Bellevue; Ella Drake, Oscar Lee and John Blessing.

The birthday song was sung for Mr. Mitchell and Mrs. May Anderson, and the anniversary song for Mr. and Mrs. Ehlers.

Dancing and cards completed the evening's activities. Mrs. Laine Melness played the records for dancing.

John Henderson is president of the club. Mrs. Lora Doss, Mrs. Edna Drake, and the Optimist Club, was in attendance.

During the program, Clyde Cotts served as master of ceremonies.

The bride's refreshment tables

Ellen Aldridge, Necham Exchange Nuptial Promise

RUPERT—A double ring ceremony in the Salt Lake City LDS Temple solemnized the wedding of Ellen Vaneal Aldridge, Rupert, and Gary D. Mecham, Tropic, Utah.

The bride is the daughter of Mr. and Mrs. W. E. Aldridge, Rupert, and the bridegroom's parents are Mr. and Mrs. John Mecham, Tropic. President Selroy J. Boyer performed the ceremony.

The bride's floor-length gown was her own creation and was designed in peau de soie with a crescent waistline. Her bodice of iridescent lace was trimmed at the neckline and wristline with ruffled white lace. The long sleeves were gathered and caught at the wrists with self-covered buttons.

A loped bow in back secured her chapel train at the waistline, and her elbow-length, English silk illusion veil was caught by a peau de soie rose pearl headpiece.

The bride carried a cascading bouquet of saecurush and yellow roses with red ribbon streamers.

Mrs. Faye Egli, sister of the bride, was matron of honor, and bridesmaids were Mrs. Barbara Gieve and Linda Gieve, Conic, Paoli, Gostle, Teton, Ruth Braeager and Dina Culley.

The couple took a wedding trip to Southern Utah and will reside at 673 E. 350 N., Provo.

The couple was also honored with a reception in Tropic.

A pre-nuptial shower was given for the bride by Fern Oen-slager and Mary Jane Ramsey. Out-of-town guests attended from Teton, Lakeview, Ore.; Rexburg, Fla.; Twin Falls, Idaho; Blackfoot and California.

MR. AND MRS. GARY D. MECHAM (Noble's photo)

Mrs. Coval Is Club Guest

HANSEN — Mrs. Harry Coval, a former resident of Hansen and school teacher at Kimberly, was a guest at the 31st and 32nd Trim TOPS Club meeting at the home of Mrs. Thomas Steel-smith. She was a guest of Mrs. Lewis Morris. Mrs. Ann Ad-mire, a former member, was transferred back into the group. Mrs. Admire was named as best loser of the week.

Those gaining weight formed a committee to work out the next contest which will end Dec. 15, the night of the Christmas party. The present contest ended tonight. The winners will be listed at next Monday night's meeting by the losers.

As a penalty, a report was given on "Quick Weight Plan," and an article on weight control from the "Time" magazine was given.

Mrs. Marie Pressnell was program chairman and hostess. A game was played with a cash member participating. Mrs. Coval, Mrs. Glenn and Mrs. Royal Harris were prize winners.

DEAR ABBY: I wish you would print this on other housewives won't get stuck the way I did.

I began with a telephone call from a lady who said, "Congratulations! You have just won a free carpet cleaning! Don't move or get up and move, we'll do everything. We will be out at 8:30 this evening to clean your carpet like new — with absolutely no cost or obligation to you."

Well, at 8:30 ONE man came with a vacuum cleaner and a shampoo attachment. He talked to me for two full hours, trying to sell me the vacuum cleaner. I told him I couldn't afford to buy anything, and meanwhile he did not make one move to solve my problem. I was home alone, and kept telling him I wasn't in the market to BUY anything, but he kept talking and trying to sell this thing.

Abby, I finally got rid of him at ELEVEN o'clock, and a didn't get my carpet cleaned.

I was so nervous and angry by the time he left I could have screamed. Have you any suggestion besides a seven-foot watchdog and an unlisted telephone number to prevent such practices? CAL HOUSEWIFE

DEAR HOUSEWIFE: Yes. If anyone calls you to "congratulate" you on having "won" something, say thank you but I don't have an instant word. And don't let anyone in your home without first checking them out with the BETTER BUSINESS BUREAU.

DEAR ABBY: I love my husband and always will. He is an outstanding handsome and charming man — the kind who could never belong to only one woman. I knew this when I married him 20 years ago.

Here is my problem: My neighbor tells me that my husband steps out. (I already know that.) I have always considered myself an intelligent woman, but this neighbor says I am crazy — that my husband is making a "damned fool" out of me. Well, I know he really loves me and he is not "in love" with any of these women whom he uses occasionally. He is an intelligent, wonderful father and I get as much loving from him as I want, on my question is, "HOW, in your opinion, is the "damned fool" SATISFIED?

DEAR SATISFIED: Your neighbor.

DEAR ABBY: I'm too embarrassed to ask for a personal

Magic Valley Favorites

KATHLEEN PERKINS
1099 Pinewood Circle, Twin Falls

Chinese Treat — Western Style
1 pound ground beef
1 cup celery
1/2 cup onions, chopped
1 tablespoon soy sauce
1 small can water chestnuts, sliced
1 can cream of mushroom soup
1 can water
Salt and pepper
Small bay leaf

Brown hamburger in frying pan. Sauté celery and onions in cooking oil, then add to meat. Add remaining ingredients and simmer about 20 minutes, or until celery is tender. Serve over Chinese-noodles or cooked rice.

(The Times-News will pay \$5 each week for the best recipe submitted for Magic Valley Favorites. If you have a favorite recipe, just mail it to the Recipe Department, Women's Page Editor. The recipe becomes the property of the Times-News and cannot be returned.)

Particularly rugged... the PR-516 Visodate tells both the day and date

Designed for men on the go... the Tissot PR-516 is self-winding, super-accurate and fully protected against jars, jolts and the hazards of water and moisture. Day-name and date-memorals change every midnight.

GAS DOES THE BIG JOBS BETTER FOR LESS!

TEST DRIVE A CONVERSION BURNER THIS WINTER

Now you can lease a gas conversion burner for your oil or coal furnace, completely installed, for only \$1.95 per month!

You'll start enjoying low cost care-free comfort immediately. You can forget about having to order fuel; we make continuous delivery as you need it. And you pay after you use it, not before.

Best part of it is that we'll take care of the maintenance free. How does that grab you?

\$1.95 A MONTH
is all it costs
Call today for action!

NO NEED TO DIG THAT DEEP, HARRY...

THE EXPERT DRY CLEANING AND LAUNDRY SERVICE IS INEXPENSIVE AT—

Troy National LAUNDRY CLEANERS

Members of the Goodwill Club held their Halloween (hobo party) at the home of Mrs. Jack Atkinson recently.

The flag salute was led by Mrs. Walter Carr and the prayer by Mrs. Ed Orndorff. Christmas candles for a fund raising project were distributed to the members.

It was announced Mrs. Charles Mattice would represent the Goodwill Club as home-maker of the Year. The honor for the day was given by Mrs. Bill Hamilton.

Secret pal gifts were received by Mrs. Gene Viter, Mrs. Bertroll Nelson and Mrs. Holmgren. The next meeting is at the home of Mrs. Hamilton.

NEW CONVERSION BURNER FOR UNDER-THE-FLOOR FURNACE

In the past, certain types of oil furnaces could not be converted to gas because of their design and location. This was particularly true of horizontal furnaces under single story houses with no basements. A new type of conversion burner now makes it possible to convert these under-the-floor furnaces to gas! Call your gas company now if you have this type of furnace. You can rent a conversion burner for \$1.95 a month.

Kansas State Vaults To 10th Spot In UPI Poll After Rout Of Sooners

NEW YORK (UPI)—Kansas State guaranteed its first 500 season in 15 years by upsetting Oklahoma Saturday, made a spectacular entrance into the elite of college football Monday.

The Wildcats, now 5-1, topped Oklahoma 59-21, the first time they have beaten the Sooners in 35 years. The victory, which gave Kansas State undisputed possession of first place in the Big Eight.

Missouri's Devine Says K-State Outshines Texas

KANSAS CITY, Mo. (UPI)—Missouri coach Dan Devine had no time Monday saying unranked Kansas State was a better football team than No. 2-ranked Texas.

Devine's got reason to be high on the Wildcats: They visit Missouri Saturday in an important Big Eight Conference game.

Ingles Given Lineman Nod In Big Eight

KANSAS CITY, Mo. (UPI)—Guy Ingles, Nebraska split end, supplied the offensive punch to a defense football game last Saturday.

Reflecting on Kansas State's 59-21 victory over Oklahoma and Texas' 27-17 win over the Sooners, Devine said, "Kansas State did things to Oklahoma. Texas didn't even think about doing that. That leads me to believe Kansas State is better than Texas still."

Anderson Had Big Day, Still Sub

GREEN BAY (UPI)—Green Bay Packers coach Phil Anderson said he is "very pleased" with the play of Donny Anderson Sunday but added it did not necessarily mean the \$500,000 halfback had reached his starting job.

LOS ANGELES (UPI)—For coaches whose teams had won and tied to remain undefeated, John McKay and Tommy Prothro were in a sparring mood Monday as they reviewed weekend games of the University of Southern California and UCLA football units.

Cowboys Dump Giants 25-3 On Field Goals, Stout Pass Rush

DALLAS (UPI)—Mike Clark's three field goals and a swarming defense that smothered Frank Taranton and the New York Giants offense carried the Dallas Cowboys to their sixth straight National Football League victory 25-3 Monday night.

The two coaches spoke out sharply at the regular Monday meeting of the Southern California Football Writers.

McKay Blasts Critics Of 'Unimaginative' Offense

LOS ANGELES (UPI)—For coaches whose teams had won and tied to remain undefeated, John McKay and Tommy Prothro were in a sparring mood Monday as they reviewed weekend games of the University of Southern California and UCLA football units.

Anderson—who led the Packers in rushing a year ago when he played in four professional seasons with 114 yards rushing in leading the Packers to a 28-10 win over the Atlanta Braves last Sunday, had been their string behind regular Travis Williams and rookie Dave Hampton.

Utah Lineman Given Weekly WAC Award

DENVER (UPI)—Utah linebacker Larry Stone made 31 tackles last week, earning the weekly award from the Western Athletic Conference.

Anderson—whose led the Packers in rushing a year ago when he played in four professional seasons with 114 yards rushing in leading the Packers to a 28-10 win over the Atlanta Braves last Sunday, had been their string behind regular Travis Williams and rookie Dave Hampton.

Cowboys Dump Giants 25-3 On Field Goals, Stout Pass Rush

DALLAS (UPI)—Mike Clark's three field goals and a swarming defense that smothered Frank Taranton and the New York Giants offense carried the Dallas Cowboys to their sixth straight National Football League victory 25-3 Monday night.

three-pointers and the quarter-back-smashing tactics of Larry Cole, George Andrie and Jethro Pugh were about all a partisan crowd of 58,314 had to cheer about until the Cowboys finally broke loose in the final minutes to pull away.

Morton and Taranton both suffered their first interceptions of the season and it was Giants' corner back Willie Williams who proved the slightest threat to Morton's side with a pair of thefts, one of them in the end zone. Williams also snuffed out another Dallas threat with a fumble recovery on the Dallas six-yard line.

Anderson Had Big Day, Still Sub

GREEN BAY (UPI)—Green Bay Packers coach Phil Anderson said he is "very pleased" with the play of Donny Anderson Sunday but added it did not necessarily mean the \$500,000 halfback had reached his starting job.

Anderson—who led the Packers in rushing a year ago when he played in four professional seasons with 114 yards rushing in leading the Packers to a 28-10 win over the Atlanta Braves last Sunday, had been their string behind regular Travis Williams and rookie Dave Hampton.

Utah linebacker Larry Stone made 31 tackles last week, earning the weekly award from the Western Athletic Conference.

McKay Blasts Critics Of 'Unimaginative' Offense

LOS ANGELES (UPI)—For coaches whose teams had won and tied to remain undefeated, John McKay and Tommy Prothro were in a sparring mood Monday as they reviewed weekend games of the University of Southern California and UCLA football units.

The two coaches spoke out sharply at the regular Monday meeting of the Southern California Football Writers.

Utah linebacker Larry Stone made 31 tackles last week, earning the weekly award from the Western Athletic Conference.

Anderson Had Big Day, Still Sub

GREEN BAY (UPI)—Green Bay Packers coach Phil Anderson said he is "very pleased" with the play of Donny Anderson Sunday but added it did not necessarily mean the \$500,000 halfback had reached his starting job.

Utah linebacker Larry Stone made 31 tackles last week, earning the weekly award from the Western Athletic Conference.

'Unforgivable' Error Cost MSU 19-18 Setback

EAST LANSING, Mich. (UPI)—An angry Duffy Daugherty said Monday an "unforgivable" error by game officials cost Michigan State its football game with Iowa at Iowa City Saturday.

quarter of the game when a 38-yard touchdown pass to Steve Kough was called back.

Utah Lineman Given Weekly WAC Award

DENVER (UPI)—Utah linebacker Larry Stone made 31 tackles last week, earning the weekly award from the Western Athletic Conference.

The pass was called back because an official ruled the Spartans had an ineligible receiver, tackle Dave Van Eist, downfield.

Anderson Had Big Day, Still Sub

BRIDGE

By Jacoby

BIG MOUTH EATS HIS HEART OUT

"Silence is golden" might well have been written for bridge players. Somehow or other the quiet player who restricts his bidding to the numbers from one to seven and the words pass, double, redouble, no trump, spades, hearts, clubs and diamonds and his comments to an occasional "Well played," has more time to think than the man who has something to say after every play.

South was one of those talkative players. He looked over dummy happily and remarked, "We may not have bid enough. I'm going to start with a free finesse." Then he played the jack of hearts from the dummy.

East's queen lost to South's king. The nine of diamonds was led and allowed to ride to East's jack. Back came the nine of hearts. West put his 10 on his

partner's nine, just in case East had started with only two hearts.

South had quieted down for once. He let the 10 of hearts hold and third heart knocked out dummy's ace.

South came back to his hand with a spade, led a diamond and desperately finessed dummy's queen only to see it lose to East's king.

Eventually, South wound up down three tricks at three no-trump, since he never brought home even one diamond trick.

He found his voice to complain about losing every finesse but, if he had just thought quietly at trick one, he would have played a low heart from dummy and made at least 10 tricks in spite of losing all finesse.

His king of hearts would still win the first trick, he would lose the second trick to the jack of diamonds, but East would have no way of killing the dummy and South would be sure of four diamonds, plus the aces and kings of the other three suits.

CARD SENSE

Q-The bidding has been:

West	North	East	South
1♥	2♠	Pass	1♠
Pass	3♥	Pass	3♦

You, South, hold:

AK876 ♠A2 ♠KQ ♠J853

What do you do now?

A-Bid three no-trump. It looks as if your partner is asking you if you can stop the heart suit.

TODAY'S QUESTION

Your partner continues to four diamonds. What do you do now?

Answer Next Issue

"I know your daddy is in the Air Force, Tommy, but you're supposed to say 'Amen'—Not 'Over and Out!'"

Checking Up

By L. M. BOYD
Most 'Henpecked' Men Are Only 25 Years Of Age

The comic strip artists tend to portray the typical henpecked husband as middle-aged—that's not right. The age at which a husband is most apt to be henpecked is 25. The matrimonial researchers found that out. When husbands grow older, they either get sufficient control to put a stop to that thing called nagging or they get out. Those are the hard facts in our Love and War man's file on the matter.

JUST TRY ordering an English muffin in England. Just try it. It is a rare Englishman who has ever heard of an English muffin. IN THE MANHATTAN telephone directory, the Outlaws outnumber the Cops by 10 to 2. OUR LANGUAGE MAN is still trying to figure out where we got the word "rams" for a girl's legs. IF YOUR HOUSE is white, contents the department of agriculture, it will need repainting at least every five years.

PLANTS need light, that you know. But so do rabbits, evidently. At least, a man of science says so. Dr. N. A. Kerovny reports his experiments indicate light affects a rabbit's growth glands. This leads straightway to the theory that light also influences a baby's glands. And the medical fellows therefore are seriously considering the notion that newborn babies do much better in brightly lighted rooms. Nothing to it—I suppose. Still, you know those monks who lock themselves for life in darkened cells? They always come out littler.

YOUR questions and comments are welcomed and will be used wherever possible in "Checking Up." Address mail to L. M. Boyd, in care of P. O. Box 99187, Seattle, Wash. 98189.

Add as much as \$9,600.00 to your health protection for only 25¢

★ Pays you extra cash at the rate of \$400.00 a month for as long as 24 months...for each hospital stay. ★ Guaranteed renewable for life. At last—a hospital plan that guarantees never to cancel your protection no matter how old you get or how many claims you make ★ Pays all cash direct to you (not to the doctor or hospital) ★ Pays in addition to any other companies' coverage you have—including Medicare ★ No age limit—no medical examination required ★ No salesman will call

Just 25¢ enrolls your entire family for the first month

ACT NOW—YOUR ENROLLMENT FORM MUST BE MAILED BY MIDNIGHT THURSDAY, OCTOBER 30, OR IT CANNOT BE ACCEPTED

ONE out of two families will have someone in the hospital this year! It could be you—or some beloved member of your family tomorrow... next week... next month. And to say, very few families have anywhere near enough coverage to meet today's soaring hospital costs. These costs have doubled in just a few short years. They are expected to double again in the few years ahead.

Stop for a moment. Think how much a long stay in the hospital will cost you or loved one. How many times you ever pay for that necessary X-ray, doctor bills, drugs, and medicines? What would you do if your pay check stopped, but living expenses kept going on the same as ever? The same rent, phone, food, all the day-to-day expenses that never stop.

What is the average breadwinner to do? We believe we have the answer in the famous Extra-Cash Plan that...

Pays you \$400.00-a-month tax-free cash whenever you are hospitalized.

What a blessing it is when you know you have an extra \$100.00 cash coming in every month—beginning the very first day you enter the hospital.

Now, National Health Plan enables you to enjoy this protection at once. Your special low rate is just 25¢ for the first month's coverage for your entire family. Then you may continue at regular National Health Plan rates.

The added protection you NEED!

All benefits of this \$400.00-A-MONTH Hospital Plan are paid directly to you, in tax-free cash, in addition to whatever you may receive from your insurance with any other company! Spend the money as you see fit—for hospital or doctor bills, mortgage payments to replace savings—or any necessary but costly extras not covered fully by usual hospital policies.

Everything costs more these days (need we tell you?) and hospital care is certainly no exception! While 7 out of 10 Americans have some hospital insurance, most have found it does not cover all bills that pile up when sickness or accident strikes. That's why National Health Plan developed low-cost Extra-Cash Protection that helps you pay hospital costs or other expenses.

You get your \$400.00 per month—TAX-FREE—from your first day in the hospital and as long as you are confined thereafter—for 24 months, if necessary. And, when you and your insured spouse are hospitalized at the same time for an accidental injury, National Health Plan pays out an EXTRAORDINARY DOUBLE-CASH BENEFIT. You receive not \$400.00, but \$800.00 a month. That's \$1,600.00 in cash payments to you every month while you both remain in the hospital... even for as long as 2 whole years!

- PAYS** up to \$9,600.00 CASH for each accident or illness, starting the very first day in the hospital.
- PAYS** up to \$9,240.00 CASH if you're 65 or over—at the rate of \$280.00 A MONTH for first 3 months, and a full \$400.00 monthly while you remain in the hospital thereafter, (for 21 more months if necessary)... in addition to whatever you receive from Medicare.
- PAYS** up to \$38,400.00 CASH when both husband and wife are hospitalized at the same time for accidental injury, for as long as both remain in the hospital—at the rate of \$1,600.00 A MONTH.
- PAYS** up to \$2,000.00 CASH for complete accidental loss of limbs or eyesight.
- PAYS** \$400.00-A-MONTH CASH for each pregnancy requiring a hospital stay, when both husband and wife are insured for the entire pregnancy and have Coverage for Children and Maternity Benefits.
- PAYS** up to \$5,760.00 at the rate of \$240.00 A MONTH when a child goes to the hospital for any accident or illness (when Coverage for Children has been added to the basic Plan).

65 OR OVER? YOU COLLECT UP TO \$9,240.00 CASH IN ADDITION TO MEDICARE BENEFITS

We have designed this plan as the important addition to whatever is paid by Medicare—or health insurance you may have with any other company. Remember, all checks will be sent directly to you (not to the doctor or hospital), to give you that "extra" help just when you need it most. Use the tax-free cash any way you see fit. And you will be glad to know the checks will be big ones! In addition to any benefits you may receive from Medicare, National Health Plan pays you \$280.00 a month for the first 3 months, and a full \$400.00 monthly while hospitalized thereafter... for an additional 21 months if necessary. You can receive as much as \$9,240.00 for each new illness or injury when hospitalized!

We can never cancel your Policy!

You can count on this wonderful protection no matter how old you get or how many times you collect from us. It is written into your Policy that we cannot cancel your protection after you make a lot of claims, or become ill—or for any other reason whatsoever. It is GUARANTEED RENEWABLE FOR LIFE!

Pays you \$400.00-a-month cash Maternity Benefits!

Ordinary hospital insurance may take care of part of your expenses when you go to the hospital to have a baby. But what policy can you think of that gives you cash to help pay all the things you need for the new baby? Now, if both husband and wife are insured for the entire pregnancy and have added Coverage for Children and Maternity Benefits, you get extra cash to use any way you want. If a pregnancy, childbirth or even miscarriage puts you in the hospital for one day, five days, 10 days—as long as necessary—you are paid for every day of your confinement at the rate of \$400.00 a month.

All these added cash benefits.

Added cash benefit: Up to \$2,000.00 cash for accidental loss of limbs or eyesight, when the loss occurs any time within 90 days of the accident. The loss of a limb or eyesight is a terrible thing. Nothing can replace the loss, but a check for \$1,000.00 or \$2,000.00 brings peace of mind during the period of adjustment.

Added cash benefit: Choose Coverage for Children (with or without Maternity Benefits) and all your dependent, unmarried children from age one month through 18 years will be covered. Total National Health Plan pays up to \$5,760.00, at the rate of \$240.00 a month, when your youngster is hospitalized... for removal of tonsils, appendix—or any other illness or injury. Yes, you will receive \$240.00 a month each month after month while the child is in the hospital, even for as many as 24 months!

We pay your premiums when you are not able.

If you—the person to whom the basic Policy is issued—are hospitalized just 8 weeks or more, all premiums for you and all Covered Members that come due while you are still in the hospital after this period will be paid by National Health Plan. And your protection continues as if you were paying the premiums yourself! Then if you leave the hospital and must return for the same condition before you have resumed full normal activities for 180 days, we will again PAY ALL PREMIUMS WHILE YOU ARE IN THE HOSPITAL—for as long as 24 months—for the total confinement! This means you pay no premiums, yet your full protection remains in force—you collect a maximum of \$9,000.00 for the confinement!

These are the ONLY exclusions!

Your National Health Plan Policy covers every conceivable kind of sickness or accident conditions caused by: war or any act of war; infectious or narcotic; any mental disease or disorder; insanity, except as provided under the Maternity Benefit provision; and expenses resulting from any sickness or injury you had before the Effective Date of your Policy... except the last 3 months only.

Grateful Policyowners Write...

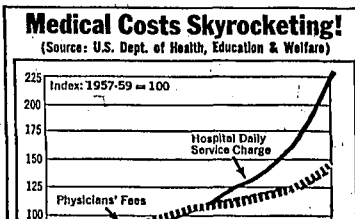

"Received your check for \$880.00. I appreciate having the money sent directly to me so I could decide how to use it."
NICHOLAS CRIST, Green Bay, Wis.
"I was wonderful to receive your check for \$655.00. I'm very pleased. It paid real well."
Mrs. BESSIE GEISINGER, Kansas City, Mo.
"Everyone should have your coverage. I know I would not be without it."
WALTER TUCKER, Fayetteville, N.C.

Make your decision carefully.

Think how costly a hospital confinement will be. Imagine paying for those indispensable doctor, surgical and nursing services that are not covered by your present insurance. Would you be able to afford the quiet and privacy of a private room and a private nurse, should you so desire? Or a telephone to keep in touch with loved ones? Or the rental of a TV set to help pass the lonely hours? Who would pay your bills that keep on coming in at home? Many folks have lost their life savings, their cars, even their homes trying to meet such expenses. And no one knows whose turn it will be next.

Why you must act before the date shown on your Enrollment Form—just a few days from today.

Why do we give you so little time to enroll in this Plan—only a few days? Because this is a limited Enrollment Period—and we must receive your Enrollment Form at the same time as all the others in order to pass on to you the savings that come from processing many policies at one time. This highly efficient Mass Enrollment method cuts costs to the bone—and the savings are passed on to you.

Medical Costs Skyrocketing!
(Source: U.S. Dept. of Health, Education & Welfare)

The following rate chart shows how little it costs after the first month to cover yourself, your spouse, and any adult dependents. Naturally, at these low rates, we can insure only one policy of this type per person. Each adult, 18 or over, pays the rate shown for his or her age.

HERE ARE YOUR LOW RATES.

Age at Enrollment	Monthly Renewal Premium
16-44	only \$3.30
45-49	only \$3.75
50-64	only \$4.25
65-69	only \$4.75
70-74	only \$5.70
75 and over	only \$8.50

Only \$1.90 more covers all your dependents...

From the age of one month through 18 years. And then, if you wish, just add the more to that, and you're covered for Maternity Benefits, too! Newborn children are covered automatically at the age of one month—at no additional cost!

NOTE: The regular monthly premium shown here for age at time of enrollment is the same low premium you will continue to pay if you will not voluntarily increase as you pass from one age bracket to another. Once you have enrolled in the National Health Plan, your rate can never be lowered because the more you collect from us, the more our cause of advanced age—but only if there is a general rate adjustment, up or down, on all policies in your area.

ACT NOW—'Later' May Be Too Late!

Just 25¢ covers you and your family for the first month. TIME IS PRECIOUS! Act quickly. (No salesman will call.) Get your Enrollment Form into the mail today—because once you suffer an accident or sickness, it's TOO LATE to buy protection at any cost. That's why we urge you to act today—before anything unexpected happens.

THESE 14 QUESTIONS AND ANSWERS

- Tell us how National Home's EXTRA CASH HOSPITAL Plan gives you the protection you need — at amazingly low cost!
- How much will my Policy pay me when I go to the hospital?**
\$400.00 per month—to the full maximum of \$9,600.00 cash. If you're over 65, you collect to a maximum of \$9,240.00 cash benefits on top of any Medicare benefits. \$280.00 a month for the first 3 months, and a full \$400.00 monthly while you are hospitalized thereafter, for a maximum of 21 additional months. You collect cash not just for yourself, but for all covered members of your family when they are hospitalized! And you collect cash even if you're in the hospital for only one day!
 - When do I collect \$400.00-a-month extra cash for accidents?**
We pay you \$400.00-a-month extra cash for complete accidental loss of one and/or two feet or sight of one eye, and \$2,000.00 extra cash for loss of both hands and/or both feet or sight of both eyes—even if the loss occurs as long as 3 months after the accident.
 - What if I am hospitalized by the same illness—again?**
You still collect your \$400.00-a-month extra cash to the full maximum of \$9,600.00. You need only to have resumed full normal activities for just 180 days—then if you are hospitalized for the same illness again you begin to collect all over again.
 - Will you pay me \$400.00-a-month cash—even for pregnancy?**
Yes. Many health plans don't cover pregnancy. But we do, when Coverage for Children and Maternity Benefits are added to the basic Plan. You collect maximum cash benefits of \$9,600.00 for pregnancy and \$5,760.00 for delivery. Both parents have to be enrolled in this Plan for entire pregnancy period.
 - Do you pay me cash even for my children, too? And... for my future children?**
You collect \$240.00-a-month cash any time your child goes to the hospital, when you are insured. Children are added to the basic Plan. A maximum of \$5,760.00 each time your dependent, unmarried child goes to the hospital through your growing family. For sickness or accident, if you have a growing family as soon as your newborn child is one month old, he too is covered—automatically—at no additional cost to you.
 - Are there times I might collect as much as \$19,200.00... as much as \$38,400.00?**
There are! Remember, we pay cash not just for you, but for every covered member of your family. So if you or your spouse are hospitalized more than once... or even both of you are hospitalized more than once... or if a child gets... or even if you have an accident—you could end up collecting \$19,200.00 or more! And your covered whole family. The National Health Plan gives you an EXTRAORDINARY DOUBLE-CASH BENEFIT. If you and your covered spouse are both in the hospital and go to the hospital at the same time you receive \$1,600.00-a-month tax-free cash. That amount is paid to you as long as both of you remain in the hospital. Even for as long as 24 months! You receive up to a maximum of \$38,400.00 during hospital confinement—paid for doctor and hospital bills and other expenses resulting from the accident.
 - Am I ever allowed to stop paying premiums during a long stay in the hospital—yet still remain fully covered?**
Yes, you are! All premiums that come due after you—the person to whom the basic Policy is issued—are hospitalized just 8 weeks or more... do not have to be paid by you! Yes, even if you are in the hospital a year or longer we will pay all premiums for you, and for all covered members of your family, too, while you remain hospitalized. You aren't expected to pay us back either.
 - How do I go about submitting a claim?**
We invite you to contact Cash Benefits Headquarters direct. Whether you want to submit a claim or just a question, don't hesitate to contact us. As a National Health Plan policyowner, you are entitled to prompt, courteous and direct attention at all times... and you will get it.
 - Does this Plan pay in any hospital?**
You will be covered in any hospital of your choice except a U.S. Government hospital, or a nursing or convalescent facility.
 - Now tell me what's the "catch"—what doesn't my Policy cover?**
Just ready for a welcome surprise. Your Policy covers everything except conditions caused by war or act of war; mental disease or disorder; pregnancy except as provided under the Maternity Benefit provision; and any sickness or injury you had before the Effective Date of your Policy... except the last 3 months "exclusion" is done away with after you've been a policyowner for only two years.
 - If I'm hospitalized less than a month—do you still pay in full?**
Yes! We pay you full benefits for every day you're in the hospital. There's no "waiting period" before you start collecting.
 - What are the requirements to enroll in this Extra-Cash Hospital Plan?**
You must not have been refused or had cancelled any health, hospital or life insurance due to reasons of health and, to qualify during the Enrollment Period—you must enroll before midnight of the date shown on the Enrollment Form.
 - Besides saving money, are there any other advantages of joining the National Health Plan during this Enrollment Period?**
Yes. A very important one is that you don't need to complete a lengthy, detailed application—just the brief Enrollment Form in the corner of this advertisement. For any reason, if you do not wish there are no extra requirements for eligibility, and no "waiting" or "trial" periods that can be put on your Policy!
 - How do I enroll?**
Fill out this Brief Enrollment Form and mail it with just 25¢ for the first month's protection for your entire family. Mail to: National Health Plan, Valley Forge, Pa. 19481.

MONEY-BACK GUARANTEE

We will send your National Home Policy by mail. Examine it carefully in the privacy of your own home. Show it, if you wish, to your own insurance agent, doctor, lawyer or other trusted adviser. If you decide, for any reason, that you don't want to continue as a member of this Plan, return the Policy within 15 days, and we will promptly refund your money. Meanwhile, you will be fully protected while making your decision!
