VOL. 66, NO. 272

TWIN FALLS, IDAHO, THURSDAY, FEBRUARY 12, 1970

TEN CENTS

CARRYING KNAPSACKS, sleeping bags, and boxes of cookies, about 130 youths from throughout the nation board chartered buses at Boston, headed for Canada. In St. John,

New Brunswick, they plan to board a Cuban cattle vessel for a trip to Cuba to help harvest sugar cane. (UPI telephoto)

Weary Students Head Toward Cuba To Harvest Sugar Cane

ST. STEPHEN, N.B. (UPI)—Hundreds of weary Americans rolled across the Canadian border today, headed for rendezvous with cattle boat taking them to Cuba to help Fidel Castro harvest sugar cane.

A group of 50 spectators chattering "peace, peace" watched as the eight buses carrying about 300 persons passed through the border area from Maine to New Brunswick. Most of the men and women in the buses were young, but some were older.

Canadian border officials would not let the passengers leave the buses nor would they allow journalists to talk to the passengers during the two hours it took for the proceed-

ings.

Canadian officials at Windsor, across from Detroit, had refused to allow part of the group to enter Canada Monday because they had lied about their destination, saying they were on a ski holiday.

They are expected to go directly to St. John, 90 miles away, where the Cuban cattle boat Luis Arcos Bernex was expected sometime today. The boat, bringing back 212 Americans who have been in Cuba cutting sugar cane, was due Wednesday but 60 mph winds and high seas slowed it down.

Bruce Jacobs, 28, a former mathematics instructor at City College of New York, who said he was one of the organizers of the group, arrived in St. John

Amalgamated, Rogers Bros. Plan Merger

OGDEN — A proposal has been made by Amalgamated Sugar Co. to merge with Rogers Brothers Co., A. E. Benning, president of the sugar firm, and Rogers K. Rose, president of Rogers Brothers, announced today.

Mr. Benning and Mr. Rose said the proposal was made in a letter to Rogers Brothers to acquire the outstanding shares of Rogers and to merge Rogers into Amalgamated.

Amalgamated is a leading manufacturer of sugar from beets, which sells sugar under the trade name of "White Satin." Its plants are located in Utah, Idaho and Oregon, with corporate headquarters in Ogden.

The firm has factories in Twin Falls, Paulina, Nampa, and Jerome.

Rogers is an Idaho-based corporation in a diversified agricultural business with facilities located in Idaho, Washington, California and North Dakota. It was a pioneer in the burgeoning potato processing industry and also dehydrates raw vegetables into convenient fast foods.

Rogers is a major factor in the pea, bean and sweet corn seed industry, supplying the United States and may foreign markets.

The proposed merger would be accomplished by the exchange of one share of a new Amalgamated convertible preferred stock paying a cumulative annual dividend of 11.20 per share for each share of Rogers Brothers common. The preferred shares will be convertible into 625 shares of Amalgamated common and will be callable after five years at \$25 per share.

The consummation of the merger would be subject to a favorable ruling by the Commissioner of Internal Revenue as to the tax status of the proposed transaction, the execution of an agreement of merger and the approval by the board of directors and the stockholders of each corporation.

Egypt Claims Israelis Kill 50 Men In Air Raid

By United Press International
Egypt said 50 civilian factories were killed and 50 wounded at their jobs today in an Israeli air raid into Cairo's northern suburbs, Tel Aviv said.

bombs could have hit the plant accidentally.

The losses were the heaviest reported by Egypt since the 1967 Middle East War.

Two Cairo-area strikes were announced by the Israeli command one against the air force supply base at El Khanka 13 miles north of the city and the second against the Dahshur army base 20 miles to the south.

Israeli said all its planes returned home safely after scoring "accurate hits."

Egyptian government spokesmen said the warplanes left El Khanka untouched and instead went after the metal works factory 13 miles north of Cairo. It carried 1,000 persons.

"Israeli planes this morning hit the national metal works factory, a civilian factory, killing 50 and wounding 60," Cairo's announcement said. The factory turns scrap iron into metal for the construction industry.

From Tel Aviv, the Israeli spokesman replied: "There has been no change in Israel's position to attack only military targets," but acknowledged the possibility that some bombs went astray.

The 60 wounded were taken to hospitals immediately after the raid, Cairo said. According to the Israeli, the raids into the Egyptian heartland were made separately at 8:15 a.m. and then 10:15 a.m.

Sugar Mill Plans To Curb Pollution Of Rock Creek

Amalgamated Sugar Co. officials Thursday released plans for construction of a clarification system at the Twin Falls factory, expected to be under construction in "a few weeks" and designed to remove silt from the plant's discharge into Rock Creek.

Engineering plans are now nearly finished and construction will begin on their completion, officials said.

Company engineer, Bob West, Ogden, told the Times-News this week the system will include a 230-foot diameter earth filled wall clarifier working in conjunction with a battery of cyclones to remove silt and sludge to remove large particles of silt from waste water by centrifugal force and gravity, then discharge the flow into the 230-foot clarifier for final settling and cleaning.

Mud removed in this manner will be pumped into holding ponds and can be used as excellent top soil, hauled back to fields or utilized in reclaiming poorer soil areas.

Organic matter from the sugar beets in the form of pulp also will be removed with the silt.

Company officials emphasized none of the waste water discharged into Rock Creek from the factory contains domestic sewage.

Mr. West said Amalgamated, like a number of other industries in Twin Falls, presently is engaged in a feasibility study along with the city of Twin Falls to determine if a city-wide sewer treatment facility can be developed to serve all collection and treatment needs.

This study is now nearing completion, city officials say, and is being conducted by the consulting engineering firm of Cornwell, Howland, Hayes and Merryfield, Boise.

Mr. West said the local system, if developed, would be similar to one in Nampa in which Amalgamated has cooperated. The Nampa sewage system has received national acclaim as a model of cooperation between industry and municipalities in solving pollution problems.

County Trims Final Budget By \$10,682

Twin Falls County Commissioners, in a continued session Wednesday afternoon, adopted a final 1970 county budget in the amount of \$4,403,051, cutting \$10,682 from the tentative figure established a month ago.

This final budget figure compares to \$3,904,620 adopted a year ago.

Approved by law, the commissioners may trim, but not increase, the budget during the one month hearing period between the time the tentative

budget is adopted and the final figure accepted in February.

Changes within the budget included increasing the county commissioners budget by \$7,000 to cover the food stamp program adopted last year and expected to be put into effect here within the next few weeks, and to cover civil defense needs.

Another increase within the budget is in the raising of the county sanitation figures from \$23,000 to \$25,000 because of the growing need in meeting solid waste problems including old car bodies and other pollution.

Decreases are largely in the general budget. Here the county had budgeted \$31,000 for retirement. This was cut by \$12,600 which eliminates possibilities of a state retirement program but assures continuation of the present county retirement plan.

Another cut was in the county treasurer's budget. Here the additional help, budgeted at \$10,000 was cut to \$6,000. Other minor adjustments also were made within the overall budget to bring about the total reduction of \$10,682.

The county fair budget remained the same as provided in the tentative budget with \$367,950 compared to \$314,100 in 1969. This will cover construction costs of a new grandstand to replace the one which burned last fall.

Karate Expert Plans Marriage

SACRAMENTO, Calif. (UPI)—Joseph Estepa will gingerly take the hand of Rosalie Gonzalez in marriage Saturday.

He'll take it gingerly because it's the same hand she uses to smash bricks and boards.

A long-haired brunette beauty, Rosalie holds a black belt in karate, the top rank. Her husband-to-be only knows what he learned when Rosalie once threw him to ground.

Who will be the boss in the family?

"Not me," said Rosalie, 30, before their Valentine's Day wedding. "He'll be the boss. I'll just protect him."

Murder Trial Continues At Burley

BURLEY — The first degree murder trial for Baldemar Gomez, Parma, accused of shooting to death a 28-year-old man fell in downtown Burley, wound up its second day Wednesday with 13 witnesses appearing for the state.

Judge Sherman Bellwood is conducting the trial which is expected to continue throughout the week.

Gomez is accused of murdering Leo Hood.

Mr. Hood's brother, Jimmy, told the 12-member jury he got to the East Side Bar at 10 p.m. and heard a shot and saw his brother fall against a pool table and heard his brother shout "I've been shot."

The witness said only that he heard the shot. There was no testimony on whether he saw the person who shot the deceased.

He told the jury he last saw his brother alive as he was taken to the hospital in an ambulance.

Three Cassia County Schools Are Not Approved In Accreditation Rating

BURLEY — Only one of four high schools in Cassia County school district has received an approved rating, Supt. Dale Nelson reports.

The accreditation report of the Northwest Association of Secondary and Higher Schools, presented at the trustee meeting this week, places Declo on an advised status, and Oakley and Raft River High Schools both on a warning status. Only Burley High School received an approved rating.

Mr. Nelson points out in theory a school can lose its accreditation after being on the warned status three years. This is the second year of such status for Raft River, but the official

noted a school may stay on the warning list longer if improvement is shown toward meeting the minimum accreditation requirements.

Raft River was the only school in the county district to be cited for having an adequate library, while Declo high school is 2,500 volumes short. Oakley High School was given three years to upgrade its library.

Burley High School was listed as having adequate plant facilities, but Declo has 47 units offered instead of the minimum 52, teacher turnover is excessive and there is excessive teaching of some Oakley teachers and the administrator are overloaded, the report shows, with four de-

Rogers Meets Selassie For Long Talk

ADDIS ABABA (UPI)—Secretary of State William P. Rogers told U.S. Embassy staffers today the Middle East situation could well be deteriorating and then met for a long talk with Emperor Haile Selassie.

Rogers conferred formally with Selassie as part of a 15-day 10-nation tour of Africa in an effort to get information for a reassessment of the Nixon administration policy toward Africa.

Beforehand, he held a gathering of 100 American and Ethiopian Embassy staff members before the Middle East situation was very much on his mind after a talk with Yugoslav President Tito on the subject Wednesday night.

"Ethiopia is a key spot in Africa," Rogers said. "It has very important relationships with the whole Middle East situation, which as you know is at the moment very serious."

"It could well be that it is deteriorating."

Rogers and Tito agreed on the need for a limitation on delivery of arms to both the Arab nations and to Israel to cool the Middle East situation.

U.S. officials did not say whether the two leaders discussed how such a thing could be implemented.

Tito concluded his three-day visit to Addis Ababa today and will see Egyptian President Gamal Abdel Nasser Feb. 23. Rogers' objectives hoped to influence Tito to present the U.S. Middle East policy to Nasser in a favorable light.

Defense Aide Says Suspects Sought Peace

CHICAGO (UPI)—The defense in the Chicago riot conspiracy trial opened its final arguments with a charge the defendants are trying to make "scapegoats" of "seven men who worked most of their lives for peace."

Defense attorney Leonard I. Weinglass Wednesday told the jury the government "ripped" the words of the defendants out of context to make them appear violent.

Weinglass began his presentation after Assistant U.S. Attorney Richard G. Schultz concluded the bulk of the prosecution's final argument charging the defendants "wanted to fight."

He said they wanted to "start a Vietnam in the United States."

The case of the seven men charged with conspiring, state laws to incite riots during the 1968 Democratic National Convention will go to the jury after the defense makes its presentation. U.S. Attorney Thomas A. Foran finishes for the government and U.S. District Judge James J. Hoffman instructs the panel of two men and 10 women.

Kimberly Schools Emptied By Threat

KIMBERLY — A threat against schools in Kimberly was made early Thursday morning by an adult male who called the high school and told Robert (Dutch) Sherman, "If you don't want those kids to burn up, get them out of those buildings."

Mr. Sherman, superintendent of schools, said the caller was definitely not as young as any of his students. He could have been anywhere between 25 and 45, Mr. Sherman said.

The call was received at Mr. Sherman's office 8:10 a.m. and within minutes Twin Falls County Sheriff's officers and a fire truck were on the scene. Other fire equipment was on hand and ready in the event the call was not actually a hoax.

The three buildings operated by the Kimberly School District, the grade school, high school and junior high school, all were emptied of students and officers and school personnel conducted a thorough search. Younger students were moved into the new round high school as soon as that building was declared safe shortly before 9 a.m. All students were in class by about 9:30 a.m.

The caller did not specify by what means the buildings were to be burned. Mr. Sherman said about 740 students attend the three schools in Kimberly.

Jerome Sets 5-Mill Levy For Schools

JEROME — Jerome school trustees have decided to ask voters to approve a five-mill plant facilities levy, Supt. John Campbell reports.

Approximately \$55,000 would be raised per year if the levy is approved. The money will be used to remodel the junior high school auditorium, replace sidewalk in front of the high school and repair roofs on Jefferson and Washington grade school buildings.

Trustees at first considered a four mill levy, but it was learned this would not cover the remodeling planned. Estimated cost of the junior high auditorium remodeling would be \$40,000.

Supt. Campbell said the school day may be changed to seven periods and the board is considering changes in the opening and closing time of class sessions.

Calley's Defense Attorney Claims Fair Trial Impossible Due To Publicity

FT. BENNING, Ga. (UPI)—Lt. William L. Calley's defense asserted today that overwhelming pretrial publicity in his case had been "detrimental, horrendous and convicting of a miscarriage."

Defense attorney George W. Latimer, in argument on a motion to dismiss charges against the 26-year-old lieutenant of murdering 102 Vietnamese civilians, said it was impossible for him to get a fair trial because of the publicity in the press, and on television and radio.

"The articles fed into him to a point where it's now Calley's bloodbath and Calley's massacre," Latimer told the military judge Lt. Col. Reid W. Kennedy.

For "Lieutenant Calley, as the newspaper and seeing and hearing public is concerned, the burden has shifted over to him now to prove he is not guilty."

Latimer quoted the statement of President Nixon that the alleged massacre at My Lai village on March 16, 1968 was "abhorrent to conscience of the American people."

He added: "The commander in chief has indicated that out of this case must come a decision that will not tarnish the image of America. Every man in this country is subject to the direction and order of the United States."

Civil War Erupts In Amman City

AMMAN (UPI)—Gunfire resounded through Amman during the night and unconfirmed reports this morning said six Arab guerrillas had been killed in a street clash with Jordanian army troops.

The commando victims in the first reported fatal flareup of the latest government-crisis were said to include the son of Maj. Gen. Ali al-Hayari, the army chief of staff. No army losses were reported.

Two patrol cars belonging to Jordanian police were set afire in the incident, the reports said. It began when the police tried to break up a gathering of people, mostly guerrillas.

Guerrilla sources reported some progress in talks with high government officials in trying to cool the crisis, triggered by a government crackdown aimed at guerrilla operations in the cities.

Laird Confers With Viet Aides

SAIGON (UPI)—Defense Secretary Melvin R. Laird talked with President Nguyen Van Thieu and other top South Vietnamese officials today about the progress of Vietnamization, reemphasizing the Nixon administration's "irreversible" plans to continue U.S. troop withdrawal.

Laird and Gen. Earle G. Wheeler, chairman of the Joint Chiefs of Staff, began the day meeting with Prime Minister Tran Thien Kham, U.S. Ambassador Ellsworth Bunker and Gen. Creighton W. Abrams, head of U.S. forces in Vietnam.

Grandpa

Idaho's Lieutenant Governor Jack Murphy became a grandfather Wednesday night.

A son was born to Mr. and Mrs. Michael Hagen, Twin Falls, at 8:34 p.m. at Magic Valley Memorial Hospital. Mrs. Hagen is the former Sheila Murphy. It is the first grandchild for Mr. Murphy, who is serving as governor while Don Samuelson is attending an out-of-state meeting.

Hospital officials report both mother and son are doing well.

LT. WILLIAM L. CALLEY, JR., accused of murder involving Vietnamese civilians, trial hearing after a short process. (UPI)

Drug Hearing Is Continued Here

A preliminary hearing into the case of Clifford Wiseman, 60, Twin Falls, charged with illegal sale of a legend drug by an unauthorized person has been continued until Friday.

The hearing, started Wednesday in Twin Falls Police court before Judge Harry Turner, saw several witnesses called on behalf of the prosecution, directed by Robert Galley, prosecuting attorney.

Mr. Wiseman was arrested last September on the charge. His court-appointed attorney, Lloyd Walker, requested the continuance Wednesday morning.

3 Principals Retained At Glens Ferry

GLENS FERRY—The three Glens Ferry school principals have been retained by trustees. They include Gordon Brown, high school; Lindell Penner, junior high; and Cecil Watson, elementary.

Each administrator received a \$200 annual increase in salary. A special meeting is planned for Feb. 25 when trustees will consider teacher contracts.

Trustees have accepted bids for a new school 60-passenger school bus, reports Mrs. Rebecca Montague, clerk.

Low bid among the many received was that of Boyd Larsen Dodge Co., Boise, with \$2,848.37 on the chassis and Clark Motors, Rupert, \$2,397.91 for the body. A 1959 bus was traded for the new vehicle.

Mr. and Mrs. James Carpenter and Mrs. Erwin Hoagland met with the board to discuss possibility of resumption of the special bus but no action was taken. The district is trying to work out a cooperative plan with the Mountain Home school district.

A dress code for high school students, worked out in cooperative with class representatives, was adopted. It stipulates skirt length shall not be shorter than mid-thigh, allows full-length dress slacks and pant dresses requires socks or hose but bans tights, off or Bermuda shorts. Skirts and pant dresses are now allowed for boys.

Trustees approved an adult driver education course with adults to pay the expenses of \$30 per student.

Pursuant to Section 60-108 Idaho Code, Thursday is hereby designated as the day of the week on which legal notices will be published.

Published daily and Sunday, except Saturday, at 130 Second Street, Twin Falls, Idaho, 83401, by Magic Valley Newspapers, Inc.

Entered as second class mail matter April 8, 1918, at the post office at Twin Falls, Idaho, 83401, under the act of March 8, 1879.

Forecast

Partly cloudy today; cloudy with chance of showers to night and Friday. High today and Friday in the 50s; low tonight in the 30s. Chance of precipitation 10 per cent today, 20 per cent tonight and 30 per cent Friday. Outlook for Saturday generally fair. In the Camas Valley high today and Friday 55 to 65; low tonight and Friday 35 to 45. Low today and Friday 35 to 45. Low today and Friday 35 to 45. Low today and Friday 35 to 45.

Weather Synopsis

Pacific weather disturbances moving onto the West Coast and then northward are weakening the high pressure system which has been over the northern intermountain region during the past few days. The changed wind flow and these disturbances has already begun to bring surges of moist air inland for inland as Eastern Idaho. Partly cloudy skies are expected over most of Southern Idaho and East-Central Oregon today but showers will increase tonight and there is chance of some shower activity over these valleys late tonight or Friday.

Surface winds today will be mostly less than 12 miles per hour but may increase at times on Friday to 15 to 25 miles per hour.

The extended weather outlook through Monday indicates a chance of a few showers Friday and again Monday. A cooling trend will continue into the first of next week with temperatures lowering to near normal. Normal high and low temperatures are Boise, 42, and 26; Pocatello, 40, and 18; Idaho Falls, 34 and 14, and Twin Falls, 42 and 23.

High temperatures through Friday will be about the same as yesterday with high readings both days in the upper 40s and the 50s. Lows tonight will be mostly in the upper 20s and the 30s.

Skies over these valleys yesterday were partly cloudy to cloudy. The only measurable precipitation reported was .04 inch at Idaho Falls and .02 at Mountain Home while Burley, Boise, Kuna and Pocatello all received traces.

High temperatures over Southern Idaho yesterday were about the same to 5 degrees lower than the previous day in the Magic and Western valleys while in the east, maximum readings were 1 to 5 degrees higher than the day before.

Tryouts Set For Pro-Am At Sun Valley

SUN VALLEY—Amateur tryouts for the Sun Valley Pro-Am race will be Friday and the race is scheduled for Sunday.

In an effort to include as many skiers as possible, the Sun Valley Ski Club makes up teams which include one instructor, a guest at the village, resident of the village or Ketchikan and a Sun Valley employee. All must be members of the club.

The ski instructors already have tried out with Rainer Kolt, whose team won the event last year, in first place. Tommy Gunderson, whose team won in 1967, in second place; Martin Kerscher, third, and Ad Erber, fourth.

There were 60 pros qualified for the race. Their times will be carefully balanced with the amateurs to make the teams as even as possible. It is expected that enough amateurs will qualify to make up at least 30 teams.

COMPROMISE ONLY IF YOU GET WHAT YOU WANT

Police Probe Theft From Home In T.F.

Several hundred dollars worth of jewelry and clothing were reported stolen from a residence in Twin Falls, city police officers report.

The theft was reported to officers about noon Wednesday by Kenneth Stanger, whose family occupies a home at 741 E. Burn Ave. E. The burglary reportedly took place sometime in the past week.

Entry to the home was made through a rear door by breaking a window on the side.

Papers were scattered in the living room and a file box containing \$239 in cash was taken from a closet in the master bedroom. A slide projector, a polaroid camera and a set of wadding rings valued at \$400 also were taken, officers said.

Hansen Cites Inflation As Most Serious

RUPERT — Cong. Orval Hansen, R-Idaho, described inflation as the most serious domestic problem facing the nation during a visit to the Minidoka County Courthouse here Thursday.

He met with Minidoka county residents during a swing throughout the district which includes appearances in Twin Falls Tuesday evening and Lincoln and Jerome counties Friday.

"We are now paying the price for the huge federal budget deficits during most of the sixties," Hansen said. "The inflation under control it is essential that we maintain a balanced federal budget and that we have the support and cooperation of business and labor in relieving the pressure on prices."

The solon said that in his visit to all parts of the second congressional district during the past several weeks, the problems most frequently mentioned are inflation, hard money and high interest. Hansen hit the farmers, small business, and persons on fixed and low incomes, he said.

Rep. Hansen will return to Washington this weekend for the reconvening of Congress after

Volunteer Workers Sought For Salvation Army Center

Volunteer workers are badly needed for the Day Care Center located in the Salvation Army annex.

Mrs. Jean Barchas, teacher at the center, said the center is required to have a certain amount of community participation and this should total to two persons volunteering their assistance for eight hours per day. She said, however, that a good many other services to the center are applicable to the required number of hours. Persons can donate their time by mending clothes given for the center.

The big need is for people to work with the children. She said they especially welcome volunteers who have ideas for things for the children to do. Some of the local Scout groups have presented programs which have been very helpful to the center.

The center instructor said she is making a special appeal to high school and college service groups to help. She said people this age seem to have more rapport with the children. There is a real need for male volunteers, she said, since the children see mainly women during the day.

Mrs. Barchas invites anyone interested to visit the center. She said volunteers do not have to commit themselves and if they do want to help they can choose their own hours according to their free time. She also said she can arrange for a volunteer to work with the size group he or she wishes.

Garage Burns

RUPERT — A garage on the Jack Wall place, 224 Second St., Rupert, was destroyed by fire Sunday night. Estimated loss of the frame building and equipment stored inside was estimated at \$1,600.

A neighbor called the Walls at 10:30 p.m. to tell them the building, which was used for storage, was on fire. With the help of neighbors and the fire department, a pickup truck and two other vehicles were salvaged, but about \$250 worth of tools were destroyed in the fire, as well as two pairs of new skis, a rototiller and various household items.

Magic Valley Obituaries

Logan B. Hack — JEROME — Logan B. Hack, 64, died Wednesday morning at St. Benedict's Hospital of a brief illness.

He was born July 12, 1905, in Nebo, Ill., moving to Idaho with his parents in 1916 and settling in Ellettsville, Ind., where he served with the U.S. Army in Europe during the European War. In 1921 he moved to Jerome and had lived here since.

Mr. Hack was a construction laborer. He attended the Methodist church.

Survivors include one son, Logan B. Hack Jr., with the U.S. Army in Heidelberg, Germany; one daughter, Mrs. Jennie Daniels, Pomona, Calif.; one brother, Ted Hack, Jerome; three sons, Mr. A. Steven Thomas, Lee, Portland, Ore.; Mr. S. M. (Ipa) Weeks, Jerome, and Mrs. Ed (Evelyn) Hardwick, San Bernardino, Calif., and seven grandchildren.

Funeral services will be conducted at 2 p.m. Saturday in the Hope Funeral Chapel in Bishop-Donald-L-Weeks. Final rites will be held in the Jerome Cemetery. The flag ceremony will be conducted by American Legion Post 48. Friends may call at the chapel Friday afternoon and evening and Saturday until time of service.

Funeral Services

Mrs. Alice M. Peterson, 1 p.m. Friday; Oakley LDS Stake House.

Melvin Magnell, 10 a.m. Friday, St. Jerome's Catholic Church.

Walter Bonning — GOODING — Walter Joseph Bonning, 80, died early Tuesday morning in Gooding Memorial Hospital of an extended illness.

He was born April 23, 1889, at Ketchikan and attended schools there. He owned and operated his own butcher shop in Halley, On Aug. 20, 1913, he married Sally E. Rader in Halley. They lived there until 1919 when they moved to Shoshone, where he was in his own business.

In 1934 they moved to Gooding where Mr. Bonning owned and operated "Walt's Place" until his death. Mr. Bonning belonged to the Odd Fellows Lodge.

His wife, preceded him in death.

Survivors include one daughter, Mrs. Maurice (Bonnette) Walworth, Troutdale, Ore.; one sister, Mrs. Ollie Shepherd, Halley; six grandchildren and four great-grandchildren.

Funeral services will be conducted at 10 a.m. Friday at Thompson Chapel by Rev. Edmond Stanton, United Methodist Church. Grave side rites will be held in Elmwood Cemetery by OOD, Lodge, Friends may call at Thompson Chapel Thursday and Friday until time of service.

Thompson Infant

JEROME — Meredith Dora Thompson, infant daughter of Mr. and Mrs. A. Steven Thomas, died Tuesday night in St. Benedict's Hospital where she was born earlier in the day.

Survivors include, in addition to her parents, one sister, Cheryl Ann Thompson, paternal grandparents, Mr. and Mrs. Arthur S. Thompson, Jerome; maternal grandparents, Mr. and Mrs. Aubrey Fulkerson, Jerome; paternal great-grandparents, Mrs. Stella Thompson, Jerome, and Mrs. Martina Jensen, Pocatello; maternal great-grandfather, David Fulkerson, Jerome.

Private services will be conducted at the Jerome Cemetery with Rev. Bernard McBride officiating.

Street Repair

The State Department of Highway will have a patching crew in Twin Falls next week, according to Jean Milar, city manager.

He said the crew will concentrate on repairing Main Avenue. The street crews are now scattered over Southern Idaho, but will return to this area next week.

Mr. Milar said the city crews are now patching and doing crack sealing in many areas throughout the city.

'Bit Of Wit' Is Theme Of Burley Meet

BURLEY — "A Bit of Wit" was the general theme for the Burley Toastmistress Club meeting Tuesday evening in the conference room of Unity Light and Power Co.

The blue pencil was presented to Mrs. David Stoker for the best speech, and Mrs. Lurie McCuiston was the table topic winner. Mrs. Spencer Black directed the table topics using the theme "A Humbling Thing Which Happened to Me."

Toastmistress was Mrs. McCuiston. Five to seven minute humorous speeches were given by Mrs. Jack Box using the title "Out of Mouths of Babes"; Mrs. Norman King spoke on "Double Trouble" and Mrs. Stoker selected the title "A Bit of Humor."

Evaluators were Mrs. Guiles, Mrs. Walter Povlsen and Mrs. Wallace Sharpless; timer was Mrs. LePue Layton.

Mrs. Manning, president, announced the club speech contest for the month of February in the conference room of the Unity Light and Power. Mrs. Clarence Barks is chairman of the speech contest.

Name Petition

PITTSFIELD, Mass. (UPI) — A petition urging a change in this city's name from Pittsfield to Rip Van Winkle City was presented to the City Council Tuesday because of its allegedly lethargic housing policies.

"In the field of housing, the city has been sleeping for the past 20 years, recently woke up, yawned, and came out of its then went back to sleep," the petition from a group of citizens said.

Founder's Day Forum Lauds Education In Europe, U.S.

In Europe as well as the United States there is a break-off in the educational program where students begin leaning either toward vocational or academic training or where they attend an eight-grade level.

Programs, speakers revealed during a Founder's Day program of the O'Leary Junior High School.

The break-off point, speakers said, is at what would be the seventh and eighth grades of the United States schools. The panel discussed comparisons in schools in this country and Europe.

Speakers were Mrs. JAMES HAWLEY, formerly of India; Mrs. Gertrude, the Netherlands; and a Mrs. A. D. Dausen, Germany, and Carl Snow, principal of the O'Leary Junior High School, representing the local of the school.

Construction Soars For Gem State

Total construction value for authorized building permit construction in 34 major Idaho cities and the two unincorporated areas surrounding Boise was \$45.8 per cent above January, 1969, according to the First Security Idaho construction report.

Residential construction during January totaled \$1,577,000 for 168 new dwelling units. This was an increase of 68 per cent over the number of units as well as a gain of 60.8 per cent in value compared with January of last year.

Other construction including new nonresidential (commercial and industrial) construction totaling \$1,534,843 was a 287.6 per cent above the January level of last year. The major portion was represented by large construction projects in Boise.

Alterations and repairs totaling \$1,072,705, 12.3 per cent above January, 1969.

Locally it was reported by Kenneth J. Newman, vice president and manager, total permits issued in the 11-city area of Southwestern Idaho during January numbered 270 for a value of \$13,086,957. This area includes Boise and its surrounding unincorporated area of Ada County, Caldwell, Emmet, Gooding, Jerome, Mountain Home, Payetta, Shoshone, Twin Falls and Weiser. Sixteen permits were issued in Twin Falls for a value of \$95,400.

T.F. Man Is Transferred To Las Vegas

Officials of the A. C. Houston Lumber Co. with general offices in Wichita, Kans., have announced the transfer of George D. LaGrange from Twin Falls to Las Vegas, Nev., and the appointment of a new manager for their local operation.

Succeeding Mr. LaGrange will be Harry W. Brown, who has moved here from Wichita to take over the management of the A. C. Houston Lumber Co., 201 2nd St. S., in Twin Falls.

Mr. LaGrange has been managing the operation since May, 1967, and will join his new position in Las Vegas.

Mr. Brown and his wife are the parents of two sons and a daughter. One son is in the U. S. Army in Vietnam and another has just returned from service there, and is now stationed in San Francisco. A daughter is in training as a supervisor in the Pizza-Hut Corp. He has been engaged in the lumber business for the past 25 years in Iowa, Illinois and Kansas. He served as district manager for the Rock Island Lumber Co. the past seven years in Kansas and Oklahoma.

Trial

(Continued From Page 1)

bulance. A police officer, Don Nielson, testified about answering a call to the bar and finding the wounded man on the floor.

Bruce Young, the Cassin County Coroner, said he examined the body at the hospital the night of the shooting and ordered an autopsy at that time.

Dr. Hayden Edgington, great-grandfather-in-law of the coroner, he told the jury. He also operated on Mr. Hood, he said. He told the jury Mr. Hood died shortly after surgery.

Dr. Robert Maier, pathologist of Twin Falls, said the cause of death was of internal bleeding in the chest.

Chief tender at the East Side Bar, Ernest Yabarra, said he saw Gomez with a gun and that he heard the shot and Mr. Yabarra said he shouted at Gomez as the defendant ran outside.

Other testimony revealed that a .22 caliber pistol was found in a car owned by Gomez, but it was not determined if the bullet from the body had been fired from the gun found in Gomez's car.

New Carrier To Be Named After Eisenhower

WASHINGTON (UPI) — President Nixon announced Wednesday that the Navy's third nuclear powered aircraft carrier will be named the U.S.S. Dwight D. Eisenhower.

The \$510 million ship will be built at Newport News, Va., starting later this year, the White House said. It was authorized under the Navy's 1970 shipbuilding and conversion program.

Construction is expected to take about five years. It will be 1,562 feet long.

The nation's first nuclear carrier was the U.S.S. Enterprise. The second, the U.S.S. Nimitz, is still under construction.

YES!

Frequently we are asked if the deceased can be moved from the first mortuary called to our establishment.

We realize that a hasty decision is often made during the shock which follows the notification of the death of a loved one — or upon someone else's recommendation — which does not reflect your true feelings when considered a few hours later.

Yes, at any time prior to the completion of the final arrangements a change of funeral establishment may be made.

TWIN FALLS MORTUARY
"THE NAME TO REMEMBER"

Country Music 'Stomp' Here Said 'Tremendous Success'

Nearly 500 had to be turned away before the Ninth Annual Country Music Jamboree got under way Tuesday night. It was the second night of the show, held at the College of Southern Idaho's Fine Arts Center, and the crowd broke nearly all attendance records for the huge auditorium. Master of Ceremonies Holly Houtburg said, "This great audience shows that country music is not dead. Isn't that right folks?" And there was a roar of applause.

People had to be seated on stage behind the performers. Six local country music groups took part in the Tuesday show: The Walden Brothers and Carlton Cox; Jerome Fliscus and the Melody Masters; The Young Uns; The Rondevos; The Muffs; and Ray Crumbliss and the Saints, featuring Miss Lida Hopperstad, with the King's Harvesters.

Dick Shaffer, jamboree director, said, "The performance got off to a start with a bang. Someone dropped his guitar."

A surprise portion of the show featured an awards presentation

to three people who helped make the jamboree possible. Getting the awards were Norma Herzinger, Times-News Society Editor; Al Lee, manager of radio KART in Jerome; and Mr. Houtburg, manager of KLIK radio. The awards were for service in promoting country-western music and allows each recipient honorary membership in the Magic Valley Country Music Association.

Junior Walden accepted the plaque on behalf of Mr. Lee, who was not able to attend.

Proceeds of the event will go to Harbor House in Twin Falls, a temporary home for juveniles.

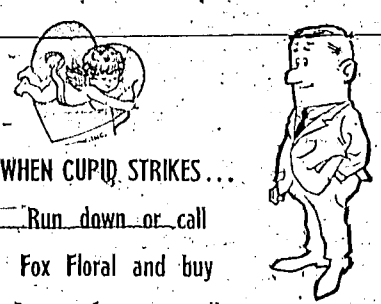

Jamboree officials said: "It is hard to praise one group and not mention another, all are outstanding musicians, but one group will remain in the minds of the viewers for some time. The Young Uns, Candy Freeman, Doug Freeman, Jeff Walden and Wayne Haffner, stole the show as they tore into a real tricky guitar instrumental. Performing in front of more than 1,000 persons; these youngsters were more calm than most of the real professionals."

ACCEPTING AWARDS DURING a surprise presentation at the Tuesday night performance of the Country Music Jamboree are from left, Norma Herzinger, Times-News society editor; Junior Walden, KART Radio Station, and Holly Houtburg, KLIK Radio Station. Presenting the awards for out-

standing service in promoting country-western music and honorary membership in the Magic Valley Country Music Association is Dick Shaffer, jamboree program director. Mr. Walden accepted the plaque on behalf of Al Lee who was unable to attend.

MARCH'S INSPIRATION
Chopin's famous funeral march, "Sonata, Opus 35," does more than express grief over the death of an individual, but expresses the Polish composer's feelings over the loss of the independence of his native land.

Student Hurt In High School Car Accident

Sixteen-year-old Karen Crumbliss, Route 3, Twin Falls, suffered head cuts and was treated at a physician's office Wednesday afternoon after a two-car collision on the high school parking lot.

Miss Crumbliss was a passenger in a car driven by Donna Brownfield, 17, Route 3, Twin Falls.

Police officers said Miss Brownfield's car and a car driven by Vickie Ulrich, 15, Route 1, Twin Falls, collided at the school.

Richard Reed, a member of the Harbor House board of directors, addressed the crowd pointing out the functions of the newly organized home, noting the jamboree proceeds will be put to very good use. The funds will be donated to the Harbor House in memory of the late Everett Mann. Exact amount of the proceeds have not been calculated.

Participating on the Monday night show were Ray Crumbliss and the Saints, featuring Miss Hopperstad, and representatives of the band performing Tuesday night, Floyd Brown and the Travelers, Country Cousins, Last Resorts, the Sinners and the Outcasts. Assisting the Harbor House officials with ticket sales and ushering were members of the local Altrusa Club, the Civitan Club and the Twin Falls High School Key Club.

"The ninth annual Country Music Jamboree was an outstanding success," noted Harbor House officials, "and the tremendous response given by Magic Valley residents is overwhelming."

Dilettantes Award Grant

A second scholarship of the year has been awarded by the Dilettante Group of Magic Valley, according to Fran Tanner, associate professor of drama at the College of Southern Idaho.

The latest recipient is Mary Ann Justesen, Carey, a drama major at CSI, who receives \$75 from the Dilettantes. Earlier in the year Dave Bolster, Twin Falls, also a drama student at CSI, received \$100.

Each year the Dilettantes award approximately 12 scholarships amounting to about \$2,000 to students in the fields of music, dance and theater.

In His Time

A couple of years ago, a magazine article by noted black historian and journalist Lerone Bennett, Jr. created quite a stir. Bennett posed the question, "Was Lincoln a White Supremacist?" and went on to answer it affirmatively with Lincoln's own words, particularly some of his statements made during the heated debates with Stephen Douglas in the 1858 senatorial race.

is manifestly superior to that of other people at other times." "If those who have never believed in white supremacy are morally superior to Judge Carswell, he asked, is Carswell, who never defended slavery, therefore the moral superior of St. Paul, who took slavery for granted?"

MR. SPECTATOR

Take A Deep Breath

- Do you sit at a desk most of the day? Is the biggest part of your daily exercise walking from the car to the office, walking from the office to the car or walking across the street for the coffee break? If this is your trouble then Mr. Spectator has some ideas he will pass along for your edification. But we must warn you that if you collapse then it is your own fault and you cannot hold Mr. Spectator responsible.

THE PILL AND MAN

There may be more perils to the Pill than the claims of bloodclotting and cancer which occupied the attention of recent Senate subcommittee hearings. A London doctor warns that some women taking birth control pills, freed from the fear of unwanted pregnancy, are killing their husbands with love.

STATUS SYMBOL

Is a new status symbol in the making? Most old ones are severely shapeworn. The Denver Zoological Foundation, to spur donations of animals, will name a gorilla in honor of a donor who will invest \$4,900 in this new status symbol. A chimpanzee will be named for \$850, a baboon for \$190.

UNCOMMON LANGUAGE

One of the problems writers always have had was trying to write in a language that could be related to by people who use it. Even the starkly realistic modern novel often exaggerates rather than duplicates the language as it is spoken.

DATE IN HISTORY

It was back in 1809 that Abraham Lincoln was born on this date. We can remember as a kid that the observance of A. Lincoln's birthday was a highlight of the year. Now the Republican banquets are about the only activity planned up and down this land of ours.

OCCUPATIONAL HAZARD

If you are a trustful soul who puts his faith in weather forecasts, you do so at your own risk. The weather man merely interprets the weather; he doesn't guarantee it. His prognostications are based on trends and probabilities.

Whether he is making a long-range forecast or only scouting the weekend, he is dependent upon natural phenomena whose vagaries are sometimes past finding out. He does the best he can with what he has to work on. If you don't like his work, you always have an alternative.

BACK WHERE WE STARTED.

A mall-order house offers it lamp that gives "a gracious, intimate glow to your dinner table." It comes complete with a windproof glass globe that keeps it lit indoors or out.

"Fills with kerosene on the base — just like those of the earlier era! No need for outlets — no cords to trip over!"

WASHINGTON (NEA)—A vital part of President Nixon's Vietnam strategy has never been told in public. Vietnamization has been announced with some fanfare. No secret has been made of the continued heavy bombing of the Ho Chi Minh Falls. Weekly American battle-death reports attest to the pressure U.S. troops are bringing on the Communist forces.

knowledgeable strategist now believes these pressures by themselves will bring Hanoi to negotiations, or force the North Vietnamese expeditionary armies to go home. The secret is tied up in some unreported aspects of American operations in Laos and in certain "relations" being developed with Prince Sihanouk of Cambodia.

ings, logistical support and advisors for an army — aren't what the operation is all about. For security reasons, certain Lao and Cambodian operations cannot be reported in detail. Their purpose can be they are aimed at doing to Hanoi in Laos what the Viet Cong have been doing to us in South Vietnam.

hug the underpinnings of that North Vietnamese base. The job is made easier because a strong antipathy has developed between many of the tribesmen and the North Vietnamese along racial lines. A former political officer of the North Vietnamese forces, responsible for working with the Lao, complained bitterly to this reporter he was finding it more and more difficult to get cooperation.

The Cambodian program (while quite different) has the same objectives—to make the North Vietnamese invaders quite uncomfortable and uncertain, thus making that country less usable as a base of operations against South Vietnam. A second tenet of guerrilla war is that you must never allow a possible enemy to have a potential guerrilla base close to your own border, for then he can do to you what you have been doing to him: That is, he can use the territory to set up guerrilla operations in your homeland.

Let Us Strive To Finish The Work We Are In

ROWLAND EVANS AND ROBERT NOVAK

Return Of Arthur Goldberg

NEW YORK — Arthur Goldberg is being quietly propelled back into contention for Governor of New York as a combined effect of his own private willingness and a new determination by regular Democrats to regain control over the party's course from reformers.

The presence of a Democratic Governor in Albany for the first time in 12 years would be a tonic for a party now paralyzed by nationwide defeatism. Even more important, Goldberg's nomination and election would mark a victory by practical politics against the ideologues of the Democratic left — a triumph with national implications.

For instance, the venerable Jacob Potofsky, president of the Amalgamated Clothing Workers, and an old comrade of Goldberg's, made it clear he would not oppose Rockefeller. But these disappointments could have been sustained by Goldberg had it not been for poisonous criticism from the party's more fanatic reformers.

GEORGE C. THOSTESON, M.D.

A Fat Diet?

Dear Dr. Thosteson: Why do people who eat the same foods in the same amounts have different results weight-wise? I refer to the familiar pattern of one person gaining slowly while another remains the same weight?

There can be other and more technical differences in the rate at which different people absorb food, chiefly sugars and fats. But one of the biggest differences involves the rate at which people expend their energy. Dr. Jean Mayer, of Harvard, made an enlightening study of college girls. It showed that the lean ones showed around much more energetically in such pursuits as tennis, swimming, and games than the stout ones did.

These regulars regard Goldberg as by far the strongest challenger against Rockefeller. Only Goldberg, they believe, can return a Democratic legislature to Albany and perhaps even carry a Democratic U.S. Senator to victory.

BRUCE BLOSSAT

Futile Fight

WASHINGTON (NEA) — A group of parents in suburban Maryland, on the outskirts of the nation's capital, organizes to keep marijuana from their children at school and in neighborhood hangouts.

equally difficult. It is true that LSD is on the decline, reportedly because of publicity on what the drug seems to do to men's minds. But because of arguments over the effects of marijuana, authorities think it will be difficult to educate away the use of marijuana.

These parents are not optimistic that much can be done. But neither are experts in the field. Though the official announcements of the strengthened federal Bureau of Narcotics and Dangerous Drugs sound confident, the data available in this report does not back up a rosy outlook.

Administration men believe the only way marijuana can be stopped now is by halting production at the source. Thus the well-publicized clampdown on the Mexican border. This has caused shortages and upped the price here considerably. But no one thinks it has really dented the use of marijuana in this country.

Similar groups are being organized in other communities. The parents pressure school authorities, local police and other officials to step up their efforts in cracking down on the sellers. They get together to educate themselves and their children on marijuana and other drugs.

The real hope here is that through negotiations with Mexico, Lebanon and other countries in the Middle East, and with the South Vietnamese government that these countries will facilitate such tight controls that their production of marijuana can be reduced to a trickle. There is evidence this will not be easy. Pound for pound, the poor Mexican farmer can make six to 12 times as much on marijuana as an corn. And he can grow five crops of marijuana a year.

The federal men have kept records which show that 20 percent of the salesmen they've caught are college men, 35 percent skilled labor and 10 to 15 percent unskilled labor. Something around 5 percent may be men in the professions. It has become a way for some college men to "work their way through school."

In the poverty areas of Mexico and other lands where marijuana is grown, local officials are friends or relatives of the farmers and are themselves so poorly paid that bribery is accepted as a matter of course.

This type (and variety) of organization and the numbers of operators involved make the task of destroying the marijuana distribution and sales organizations in the United States next to impossible.

The problem of education is

BERRY'S WORLD

Ketchum Smelter Used First Light Bulb

A smelter at Ketchum was first in Idaho to use electric lights, turning "night into day" back in 1881 or 1882, according to T. R. Helkes, superintendent of power for Idaho Power Co.

Mr. Helkes, in observance of the 81st anniversary of the invention of the electric light by Thomas Alva Edison in 1879, noted that "Idaho was one of the first areas to benefit from the wonders put at man's disposal by Edison's development of a practical incandescent electric lamp."

A 45-year veteran with Idaho Power, Mr. Helkes said power for the lights at Ketchum was generated by the first hydroelectric development in Idaho, and possibly the first in the entire Pacific Northwest. It consisted of one of the first generators perfected by Edison and powered the smelter's machinery in addition to its electric lights.

Halley was next in line with electric lights, building the state's first hydroelectric plant for service to the public in 1885,

serving 250 bulbs at a rate of \$5 per light per month.

Helkes' first electric lights came on two years after the Halley hydroelectric installation was completed, with a 500-lamp capacity power plant built on the Ridenbaugh Canal.

"New uses for electricity have required widespread improvements in power systems since those early-day plants which ranged from 25 to 50 horsepower and produced current only for local use," Mr. Helkes said.

"By comparison, the T. E.

Roach Hells Canyon complex of three dams, including the two largest hydroelectric plants in the state, has developed 18-million horsepower — equivalent to approximately 1.12 million kilowatts," he added.

These three dams, Brownlee, Oxbow and Helix Canyon, are just three of the 17 hydroelectric plants that Idaho Power is operating today to supply the electrical needs of its service area. Such strides of progress in our own area remind us of Edison's great contribution to an ever-better way of living for the entire world," Mr. Helkes concluded.

Teen-Agers Head For Cuba To Help

BOSTON (UPI)—More than 600 youths, including 400 gathered in Boston, headed for Canada Wednesday where they hope to board a small cattle freighter to go to Cuba to help harvest sugar cane.

The more than 400 in Boston planned to bus to St. John, N.B., to meet the other volunteers. There they will board the freighter Luis Arce Bergnon. The freighter, carrying 212 Americans returning from cutting sugar cane in

Cuba, was due to dock Wednesday and women already has run into trouble. A husband of 44 days' leave for Cuba again claiming they were going skiing 2 1/2 months in the sugar fields, was held up at the Canadian border near Detroit, Tuesday.

House Republicans Seek To Force Vote On New Tax Bill

By RICHARD CHARNOCK

BOISE (UPI) — Their eyes on the calendar, House Republicans tried to speed up this legislative session Wednesday by forcing introduction of a tax limitation bill after the House voted to amend the proposal. After the amended proposal was introduced in the House, Democrats tried to have it yanked back into the Revenue and Taxation Committee but were defeated, 29-33, on a party-line vote.

Then, to nobody's surprise, the Printing Committee — which is dominated by Republicans — considered the bill printed. This, too, was done on a party-line vote.

'Pork Barrel' Vetoed By Senate Bill

By PAUL M. QUINN

HOUSTON (UPI) — The House Senate, with a surprising 29-1 vote, passed a bill Wednesday to "eliminate the political pork barrel" by requiring the governor to fill vacancies in the legislative branch with persons from the same political party in which the vacancy occurs.

Majority Leader Terry Crapo, R-Idaho Falls, told the House the committee had not asked the bill to be returned to it and recommended the measure take its "regular course" in the legislative process.

Under the present system, the governor normally appoints persons from his own political party to fill the vacancies.

Rep. Robert Hankenson, D-Coeur d'Alene, who first blew the whistle on the GOP action after an early-morning tax committee meeting from which he and two other Democrats were absent suggested Republicans did some arm-twisting Tuesday night.

Nothing amuck more of political pork barrel, Sen. Ray Rible, D-Rexburg, said describing the present political system of appointments.

Chairman Allan F. Larsen, R-Blackfoot, had offered at the House a second committee meeting to "back up" and possibly rescind the action taken earlier.

She said it was time for more than "just lip service" in the choice of a form of government by the people.

As introduced, the bill raises to 5.5 per cent from the present 4 per cent the ceiling on annual revenue increases by local taxing districts. It exempts from that base new property and certain school levies.

Sen. John Barker, R-Buhl, another who opposed the proposal said he thought "the governor ought to have the choice on this."

House defense appropriations subcommittee and a principal backer of Safeguard, confirmed in general terms existence of the difficulty.

Ramada Inn Sets Opening On Saturday

BURLEY — The Ramada Inn, Burley, will hold its formal opening and ribbon cutting ceremony at 2 p.m. Saturday, with Gov. Don Samuelson cutting the ribbon.

Rep. Robert L. F. Sikes, D-Fla., a ranking member of the House defense appropriations subcommittee and a principal backer of Safeguard, confirmed in general terms existence of the difficulty.

Boisean Killed In Viet War

WASHINGTON (UPI) — The Defense Department Wednesday killed the Viet-Viet recruitment effort in Viet Nam, they included three Westerners.

Rep. Karl Koch, D-Hammett, who, with Rep. R. Dee Merrill, D-Elk River, also was absent from the earlier meeting, called the committee amendment a "major policy change." He said he did not consider this action in the best interests of the committee or the state — pointing out the committee had voted on this issue on Tuesday.

Boisean Killed In Viet War

WASHINGTON (UPI) — The Defense Department Wednesday killed the Viet-Viet recruitment effort in Viet Nam, they included three Westerners.

Gov. Samuelson will drive to Burley that morning from Idaho Falls, have lunch and then cut the ribbon, announced James Tozier, one of the owners of Ramada Inn.

Did not as a result of hostile action: Army Spec. 4 Morris E. Williams, son of Mr. and Mrs. Morris D. Williams, Boise, Idaho.

She said, "a complete overhaul is needed."

PANTING WITH THE EFFORT of it all, a Boxer named Champion Arrhla's Prima Donna seems uninterested with the blue ribbon captured as best-in-show at Westminster Kennel Club's dog show in Madison Square Garden recently. Mrs. Jane Forsyth, on left, handled the champion during the judging. (UPI telephoto)

ABM Radar Reported Powerful Enough To Cripple Missiles, Endanger Launch Crews

WASHINGTON (UPI) — The Safeguard Antiballistic Missile (ABM) radars emit such powerful radiation at present that it could cripple the long-range missiles it is supposed to protect and endanger the health of their launch crews, it was learned Wednesday.

House defense appropriations subcommittee and a principal backer of Safeguard, confirmed in general terms existence of the difficulty.

Sen. Evans Cites Vote Of Governor

NOISE (UPI) — Senate Minority leader John Evans, D-Madlad, said on the floor of the upper chamber Wednesday "the credibility gap of the present Republican state administration is getting very wide."

Rep. Oton Pike, D.N.Y., an ABM opponent, said he had not heard about the radar radiation problem but said he intended to ask about it when Army witnesses appear before the House Armed Services Committee in March seeking continued authorization for the Army program.

Filer School Board Sets Senior Dates

FILER — Michele Velly, senior class secretary, presented a letter requesting permission to hold baccalaureate on May 17 and commencement on May 19, to trustee of School District 413 at a meeting this week in the high school. The request was granted and the dates will be set.

The administration is asking Congress for \$1.4 billion for Safeguard during the fiscal year starting July 1. President Nixon has announced his intention to expand the system of 12th around Washington to protect the National Command Center.

The City of Filer was granted permission by the trustees to install and maintain stop signs at the entrance to the Filer Elementary School.

LOS ANGELES (UPI) — The son of actor Edward G. Robinson was arrested Wednesday on suspicion of drunken driving after policemen saw him run a traffic light and driving erratically.

Permitting for acting on the bill without actually seeing it in final form and sending it straight to the floor for introduction from the bill routing service.

NOTICE TO CREDITORS IN THE PROBATE COURT OF TWIN FALLS COUNTY, STATE OF IDAHO. In the Matter of the Estate of WOODY T. SEAL, Deceased.

Pointing out there was no change, for instance, for the committee to look for errors he suggested this was a poor practice.

Evans said a check of the senate journal during that period while Samuelson was a state senator indicated that the local option sales tax measure.

BOISE (UPI) — A measure to allow a study of Idaho probate laws with the eventual goal of abolition of the probate courts for Idaho was brought onto the Senate floor for final debate Wednesday but hastily withdrawn and sent to the finance committee for study.

Evans said if the governor is serious in his desire to help local governments in their financial crisis, "then I would hope that he would have the necessary legislation drafted for our consideration immediately."

Sen. Ed Miller, Klamath Falls, said that the Senate concurrent resolution on the study — "no area in the state has provisions so confused."

Evans said a check of the senate journal during that period while Samuelson was a state senator indicated that the local option sales tax measure.

THEISEN MOYORS BILL ROEMER SERVICE MANAGER

Jacqueline Onassis Said 'Very Upset' Over Reported Theft Of Personal Letters

NEW YORK (UPI) — Jacqueline Kennedy Onassis was described Wednesday as "very upset" over the theft of her personal letters from her apartment in October. And he was a very good friend of President Kennedy.

spokesman said. "They are very close friends." He was at the Onassis' first anniversary party at their apartment in October. And he was a very good friend of President Kennedy too.

member of her party on a trip to the Yucatan in their friend ship dates in her days in the White House and his in the Defense Department during the administration of John F. Kennedy.

A spokesman for the former First Lady said Mrs. Onassis, no stranger to public curiosity herself, was concerned over the distress the case must be causing her "very good friend" Gilpatrick.

Gilpatrick's wife, the former Madeline Thayer, was quoted Wednesday as saying her husband and Mrs. Onassis were "very close."

Hamilton, head of the auto-graph firm, said the letters were brought to him by a lawyer formerly associated with Cravath, Swaine & Moore, where Gilpatrick is a partner. The lawyer said he had received the letters in the mail and was acting as an agent for the owner, Hamilton said.

The four letters, written by Mrs. Onassis to Gilpatrick between 1963 and 1968, disappeared from his law office files and reappeared for sale at the autograph firm of Charles Hamilton.

Each is a "thank you note" for a letter about the baby she was expecting, for the presentation of papers in state Supreme Court — leading to speculation about just how friendly Gilpatrick and Mrs. Onassis had been.

"All along I thought the person he was talking about was Mr. Gilpatrick and for reasons of delicacy I didn't want to push him for the name. I thought he might be selling them because he was in financial trouble," Hamilton said.

Mrs. Onassis' spokesman firmly opposed any innuendo about the marriage to the breakup of the couple.

Gilpatrick, 64, was a frequent escort of the widowed Jacqueline Kennedy and was a

member of her party on a trip to the Yucatan in their friend ship dates in her days in the White House and his in the Defense Department during the administration of John F. Kennedy.

Negro Group Endorses Carswell As Court Nominee

WASHINGTON (UPI) — The head of a Negro self-help organization whose income tax conviction was set aside by President Nixon has endorsed Judge G. Harrold Carswell for the Supreme Court.

Matthew's letter said, "Unless you have information not available to the general public regarding statements or behavior of Judge Carswell since his public recantation of racist views, we must find your opposition to him ill-considered and detrimental to the welfare of black America," the letter added.

Matthew never disputed the government's charge that he had failed to pay taxes but said he spent all his money to help blacks. He told a news conference in last spring that "starting 11 years ago, I have taken the risk of using all my personal resources, including taxes due the federal government, to establish the first national Negro philanthropic agency to promote economic development of hard-core ghetto dwellers."

Dr. Thomas W. Matthew, a neurosurgeon and president of the National Economic Growth and Reconstruction Organization (NEGRO) of Washington, D.C., was convicted of willful failure to file personal income tax returns for 1961, 1962 and 1963. Last Nov. 19, he was given a year's prison sentence, with six months suspended.

Clarence Mitchell, Washington director of the NAACP, has asked the Senate to reject Carswell's nomination because of a 1948 white supremacy speech given by Carswell's partner in converting a public golf course under desegregation orders in Tallahassee, Fla., to a private club, and several judicial opinions Mitchell said were anti-Negro.

Matthew never disputed the government's charge that he had failed to pay taxes but said he spent all his money to help blacks. He told a news conference in last spring that "starting 11 years ago, I have taken the risk of using all my personal resources, including taxes due the federal government, to establish the first national Negro philanthropic agency to promote economic development of hard-core ghetto dwellers."

'Hoop Shoot' Finals Set At High School

Final competition in the Twin Falls Recreation Department Hoop Shoot Championship will be held Monday in the Twin Falls High School gymnasium beginning at 8:30 p.m.

The contest will be a preliminary event before the CSI-Treasure Valley basketball game. Participants and their parents will be admitted at no cost.

Champions from each of the schools in District 411 in grades four through eight will be competing for the all school championships. Trophies will be

awarded a city champion in each age group along with a special trophy to the boy making the highest score in the shoot-off. Chad Browning, city recreation director said. Winners of each division also receive a trip with the CSI basketball team when they play Idaho State University at Pocatello Feb. 21. Each grade school has held preliminary contests and has selected Hoop Shoot winners for the Monday night final.

Hoop shoot winners for 1970 who will be competing for the trophies Monday night include: Toby Williams, Barney Florence, Don Gutknecht, Tim Tickner, Bob Latham, Vernon Weisman, 10-years-old; Gary Whitehead, Greg Lyons, Rindy Barbour, Tom Shinnahan, Rudy DeLeon, Jeff Ghek, 11 years of age; Rick Murray, Jerry Bolton, Lynn Kramer, Randy Givens, Gilbert Sanchez, Edward Fuchs, David Anderson, Brian Burgess, Russell Shaner, Tony Slane and David Ruhter, 12 years of age.

Others are David Lang, Eric Lowry, Kevin Packard, Ron Malone, Bruce Bird, Kerry Tequin, Mike North, Miles Ellsworth and Jim Dillon, 13 years of age; and Gary Duncan, Santos Salinas, Mel Harder and Lon Thaele, 14 years of age.

HOOP SHOOT TROPHIES donated by Ray Sherwood, left, of Sherwood's Sports Center are presented city recreation director Chad Browning. The trophies will go to the champion of grade school competition in School District 411. Each of some 38 finalists will shoot 25 shots in the event Monday at 8:30 p.m. in the high school gymnasium. Parents and other interested persons are invited to attend.

'Civil Turmoil' Charge Is Levelled At Rights Panel

BOISE (UPI) — The Senate State Affairs Committee Tuesday heard a member of the Ada County Human Rights Commission accuse the chairman of the Citizens for Civic Unity of creating incidents that in turn create "civic turmoil."

The statement was made by Earl Manchester. He said the Rev. James Hubbard, civic unity chairman, was creating conditions leading to a "Messianic complex."

Manchester said, "It would be better if you would really try to have civic unity instead of civic turmoil."

The State Affairs Committee is considering amendments to the 1969 Idaho Human Rights Commission Act.

Manchester spoke after Hullo Perez, Caldwell, and Max Vargas, also of Caldwell, said they believed a full-time director or coordinator for the Idaho commission "would be helpful."

Perez and Vargas are representatives of the Mexican-American community in Canyon County.

Meanwhile, Tony Solix, Parma, told the committee, "There ought to be three or four coordinators. The black man can communicate with Mexican-Americans. He doesn't know our problems and we don't know the black man's problems."

Elaine Waller, Boise, who

said she represented non-reservation Indians, said there was need for the Human Rights Commission to have subpoena powers.

She also said if Indians had any complaints in Ada County under Manchester's representation "we would have no hope."

Perez said neither the state commission nor the Canyon County Human Rights Committee had contacted the Mexican-American community.

He said neither of the groups "have been effective."

When Vargas was asked of the Mexican-American leaders were not contacted by the Canyon County committee perhaps because of trouble they might have had with the board of county commissioners, he replied:

"Well, if we have to be apple polishers, or as we say 'polish coconuts', then a lot of us do not qualify."

Skiing Lessons Set At Rotarun

HAILEY — A new five-week series of skiing lessons will begin Saturday at Rotarun-Ski Area west of Hailey in preliminary event before the CSI-Treasure Valley basketball game. Participants and their parents will be admitted at no cost.

Champions from each of the schools in District 411 in grades four through eight will be competing for the all school championships. Trophies will be

Fund Drive Of League Set Feb. 16

The annual finance drive of the League of Women Voters is scheduled the week of Feb. 16, according to Mrs. Loren Wheeler, chairman.

"In this general election year we are contacting friends in the community to seek support of our community services," Mrs. Wheeler said.

Part of the League's program, Voters' Service, provides non-partisan information about candidates and issues prior to elections. The League is dedicated to promoting informed citizen participation in government.

Mrs. Roy Sloten, league president, announced plans for wide community distribution of a county political directory.

"A public solicitation to provide information, we have compiled a directory listing all elected officials and included salary levels," Mrs. Sloten said.

Assisting Mrs. Wheeler as finance drive co-chairmen are Mrs. Harold Gorber and Mrs. Charles Graves. The league has a local membership of 55.

The "Year of the Voter, 1970" is the theme of League activities this year. The League was founded on Feb. 13, 1920, as a result of the fight for women's suffrage.

MAKING PLANS FOR the annual League of Women Voters finance drive, are Mrs. Charles Graves, left, and Mrs. Harold Gorber. Mrs. Loren Wheeler is chairman of the drive which will be held next week.

Honor Students Listed For Paul

PAUL — Honor roll for the Paul Junior High School is announced for the second grading period.

Seventh graders on the B honor roll were Mary Nelson, Patricia McClellan, Kelly Sealey, Jerry Tominga, Mitzi Young and Sandra Skeen. Eighth graders were Keren Glorborg, Peggy Merrill, Joyce Aho, Debra Merrill, Alene West, Tia Collett, Lucille King, Deanne Scott and Lora Hasselstrom.

Contradictions Between Age-Old Beliefs, Modern Progress Torment Ethiopians

By PHIL NEWSOM

It was in 1930 that Emperor Haile Selassie of Ethiopia, a small figure of enormous dignity, stood before the League of Nations to make a plea that fell on deaf ears.

Italy's 1935 invasion of Ethiopia had brought the world to a turning point in history and when the great powers turned their backs to him he became the supreme symbol of the world's failure to enforce peace through collective action.

It was the beginning of the end for the League of Nations but not for Haile Selassie who returned to his throne five years later to make Addis Ababa, his capital, the collec-

tive capital of Africa and himself to emerge as the pre-eminent African leader.

When he visited Washington last July, President Nixon greeted him with:

"No visit to this house has greater historic significance."

Ethiopian troops went to South Korea to support United Nations action there. He proposed, and Washington welcomed his proposal, in 1967 that a small group of nonaligned nations attempt to set up peace talks between the combatants in Vietnam.

He tried valiantly but without success to bring an early end to the civil war in Nigeria.

It was natural then, in fact

necessary, that Addis Ababa should become a stop on Secretary of State William P. Rogers' assignment to demonstrate a new United States interest in Africa.

Haile Selassie's Ethiopia is a nation of contradictions.

Its development has been described as an attempt to bring a country from the 15th Century into the 20th.

A small but dissident student group admits the emperor has done more for his ancient kingdom than any other man.

But they describe him as an anachronism which they compare to Spain's Generalissimo Francisco Franco. Both, they say, should go.

Young Couple Finds Virtue Not Simply A 'Private Affair'

By JOHN KAYE

I met Rena Michaels while I was a junior at a university in Philadelphia. She was a sophomore. From the moment we were introduced, I was attracted to her. Her red-blond hair fell to her shoulders. It delicately offset the deep blue in her eyes. Each September day began to take on worth only if I was with Rena.

There was a sincerity and integrity about Rena that I admired. She was mildly rebellious and glad to be young. In a short time we grew very dependent on one another.

In October, I thought I had failed an important exam and I was depressed. I went to Rena's apartment that afternoon. I didn't tell her I was coming, but I needed her comfort.

anyone. You really can't love me as I am — pregnant." I did not know if what she said was true. I was confused. Day after day indecision and fear churned in my mind. I panicked at the thought of being found out.

Rena left school in February, but did not tell her aunt and uncle. I helped her make arrangements to go to maternity home the second week in June. She would give up the baby for adoption.

Early in June while we were eating dinner, Rena said almost solemnly, "When I go to the home, John, I don't want to see you again."

"You don't even want me to see the baby?" I asked as numbness crept over me.

"I want it, this way."

I promised reluctantly.

The door buzzed open, and there she was — more beautiful than ever, waiting for me midway on the landing. I went to her and she lifted my chin with her hand and said softly, "I love you."

That day we began living together. Nobody need know, we decided. I kept my room at the dorm, made vague excuses to teasing questions from friends. I was relieved when my parents couldn't come for homecoming weekend. I just wanted to be with Rena.

"I'm sorry," she said with that intensity I had always liked so much. "For all the hurt I've caused people during these months. And for all the lies and deceit. Everything was just going to be between you and me. But I've learned, John, that there isn't one simple action you can do that doesn't in some way affect people. We only thought of ourselves."

Five weeks later I received a letter from Rena. "The baby was born yesterday, and it was a healthy little boy. Already the home tells me a young family wants him. I promise you he will be loved." I have never heard from her since.

The period of emptiness that followed nearly overwhelmed me. For the first time I looked deep into my own soul and convicted by my blind self-centeredness, came to the same conclusion Rena had. We can't be happy living on our own terms. We will always have a responsibility to other people — and to God.

One evening in early December Rena said to me simply, "John, I'm pregnant. Two months already." At that moment our carefree life came to an end.

That night I started to tell her about a doctor who would — but before I could finish Rena shouted, "No, I can't do that. I won't let the life inside of me die."

We were silent for a long time. The reality of a family was beyond me. I didn't know what to do.

"All right, I'll marry you," I said.

Rena knew they were empty words. After a long pause, she turned and said with every word measured, "I won't marry you, John. You don't love me."

"I do love you."

"You're in love with a carefree schoolgirl. But I'm not that

As we drove to the maternity home a few days later, Rena talked freely. But as soon as we entered the parking area the silence of the place overwhelmed us. Rena walked inside as I waited by the car. Minutes later she returned. As she approached I could see that she was crying.

"I'm sorry," she said with that intensity I had always liked so much. "For all the hurt I've caused people during these months. And for all the lies and deceit. Everything was just going to be between you and me. But I've learned, John, that there isn't one simple action you can do that doesn't in some way affect people. We only thought of ourselves."

Five weeks later I received a letter from Rena. "The baby was born yesterday, and it was a healthy little boy. Already the home tells me a young family wants him. I promise you he will be loved." I have never heard from her since.

The period of emptiness that followed nearly overwhelmed me. For the first time I looked deep into my own soul and convicted by my blind self-centeredness, came to the same conclusion Rena had. We can't be happy living on our own terms. We will always have a responsibility to other people — and to God.

Next — Katherine Hetherlov, a Texas nurse, tells how she learned that no day would ever be just for herself alone, how she had to help others.

JOHN CROCKETT has been awarded his Eagle Scout Badge, the highest rank in Scouting. He is a member of Troop 42, sponsored by the LDS Church Fifth Ward. Earl Goed, scout executive in the area, presented the award. John is the son of Mr. and Mrs. Gordon L. Crockett and is a sophomore at Twin Falls High School. He also received the Duty To God Award.

School Fund Plans Noted At Richfield

RICHFIELD—The hot lunch program, budget changes and proposed study of individualized learning school, were discussed at the Richfield School Board meeting Monday night.

Wages of the two hot lunch cooks were raised to \$1.46 and \$1.55 per hour to conform to the minimum wage law. The trustees considered ways to promote more student interest in the hot lunch program.

Structure of the budget will be changed by Supt. Anderson to itemize need for a given amount of money, instead of the present way of listing the total sum needed in a given department. The budget hearing will be held in May.

Supt. Anderson, Mrs. Udell Robinson, a school board member, and Mrs. W. T. Flavel, elementary school principal and eighth grade teacher, were named to tour the Riverside Elementary School at Blackfoot Feb. 26 to view the individualized learning school.

Supt. Anderson reviewed some legislative bills. He was granted permission to attend a superintendent's meeting in Gooding Wednesday.

Area Junior Riding Club Sets Season

Twin Falls Junior Riding Club members are planning an active season including a horse show participating in area jamborees and the Snake River Stampede parade at Nampa.

New officers for the club were elected in the February meeting with Sherie Qualls reelected president; Diane Fender, vice president; Karen Koenig, secretary-treasurer and Shawna May, reporter.

Tim Qualls was elected chief drillmaster and assistants were Edith Kuykendall and Keith Qualls. New board of directors members are Dick Messersmith and Mrs. Art Koenig. Gifts were presented Mr. Qualls and Mrs. Kuykendall for serving as drillmasters during the past year and to Miss Koenig who was 1969 riding club queen.

Members elected Evelyn Hain horse show secretary and Andy Baird as horse show chairman. Plans are being made for a show similar to the one sponsored by the Junior Riding Club last year.

A jamboree team is being organized to meet with other clubs during the summer. Robert Fender, Keith Qualls and Mr. Gotchl are jamboree committee members.

The club will meet next month for a potluck dinner and membership drive.

Three adults and five junior members were named to a committee to plan for new riding club equipment.

These include Mrs. Dick Messersmith, Robert Fender and Mrs. Keith Qualls, Nicki Baird, Downey Qualls, Dusty Qualls, Tink Jones and Sherie Qualls.

Duplicate Bridge Results Reported

The Monday Afternoon Duplicate Bridge Club met at the Episcopal Church for the fourth game of a six-week series.

North and south winners Mrs. H. M. Wycoff and Mrs. L. M. Hall, first; Mrs. Jessie Husted and Mrs. B. E. Standley, second; Mrs. Harmon Munyon and Mrs. Claude Detweiler, third, and Mrs. R. R. Williams and Mrs. A. C. Victor, fourth.

East and west winners were Mrs. L. J. Robertson and Mrs. A. V. Williams, first; Mrs. C. C. Weaver and Mrs. J. M. Kingsbury, second; Mrs. M. Hogg and Mrs. O. H. Weirich, third, and Mrs. R. J. Soren and Mrs. Dudley Driscoll, fourth.

Legislative Log

BY UNITED PRESS INTERNATIONAL

Introduced in House

H.R. 1016 (State Affairs) — Calls for interim study and review of possibility of including certain police work retirement funds within Public Employee Retirement System.

H.R. 1017 (State Affairs) — Gives Public Utilities Commission authority to regulate cable television companies.

H.R. 1018 (State Affairs) — Eliminates units of local government from exemption to "covered employment" under Employment Security law.

Passed by House

H.R. 1013 (Public Health & Welfare) — Amends State Board of Health to establish and enforce minimum sanitary standards for solid waste disposal.

H.R. 1019 (Transportation & Defense) — Eliminates requirement that must be furnished by motor vehicle dealers.

H.R. 1020 (Agriculture & Livestock) — Allows counties to form public case districts upon petition by two-thirds of the resident real property holders within district.

H.R. 1021 (Fish & Game) — Gives fish and game director additional authority to issue, suspend, amend and regulate of permit vendors.

H.R. 1014 (State Affairs) — Authorizing state with policemen's retirement fund to require all policemen to participate in the program.

H.R. 1015 (Public Health & Welfare) — Providing that State Health Department Laboratory shall charge fee for standard serological tests for syphilis.

H.R. 1016 (Public Health & Welfare) — Providing for the State Health Department Laboratory to charge a fee for serological tests for pregnant women.

H.R. 1017 (Williams) — Permitting persons 18 or under to donate blood without parental permission.

H.R. 1018 (Williams) — exempting employees of motion picture theaters from protection for showmen of obscene movies.

H.R. 1019 (Cammack) — Raising the salary of fair district managers from \$3 to \$3.5 a day.

Voted by Governor

S. 1014 (Local Government & Taxation) — Repealing 1968 law limiting property tax revenue increases of local units of government to four per cent annually. Attempt to reconsider failed in Senate.

S. 1015 (Public Health & Welfare) — Providing that State Health Department Laboratory shall charge fee for standard serological tests for syphilis.

S. 1016 (Public Health & Welfare) — Providing for the State Health Department Laboratory to charge a fee for serological tests for pregnant women.

S. 1017 (Williams) — Permitting persons 18 or under to donate blood without parental permission.

S. 1018 (Williams) — exempting employees of motion picture theaters from protection for showmen of obscene movies.

S. 1019 (Cammack) — Raising the salary of fair district managers from \$3 to \$3.5 a day.

Construction Of Sportsman's Plaza Is Started On Blue Lakes Boulevard North

Construction is under way in Twin Falls for a new sportsman's plaza to feature the new Sports Center and a number of adjoining shops that will serve the interests and needs for all outdoor activity in the local area.

James E. Newton, Salt Lake City, and formerly of Pocatello, will move to Twin Falls to operate the facility. He is president of Newton Inc., a new concern formed to establish the local sporting goods center and an organization owned completely by the Newton family.

The sports center is located on Blue Lakes Boulevard North, on property purchased from Eugene Connors, who will assist in the additional development which will include such businesses as an all-night grocery store, a camera shop, bicycle shop and other related businesses.

Mr. Newton said two-thirds of his property, 300 feet of frontage along Blue Lakes Boulevard by 200 feet in depth, will be devoted to parking with all shops fronting on the boulevard.

Mr. Newton will handle all major equipment brands in skiing, fishing, hunting, camping, tennis, team sports and other outdoor activities. He will employ a gunsmith, Brian Munro, who is now associated with Gerri's Sporting Goods. Mr. Newton has purchased Mr. Gerri's inventory.

He said he hopes his building can be completed and open for business in May. Before the end of the present year it is anticipated the additional business firms will also be ready for operation.

This is one of the few operations of this type in Idaho, the businessman said.

It will be a complete sporting

JAMES NEWTON

goods complex designed from the ground up to provide the most modern and complete facilities for sales of this type of merchandise.

Mr. Newton, his wife, Erma, and family will be moving to Twin Falls as soon as they are able to locate a home.

An outdoor enthusiast, Mr. Newton said he has enjoyed the hunting and recreational facilities of this area for some time and has always planned on making his home here.

"I was just waiting to find a business Twin Falls needed and it seems there is a need for complete sporting goods lines at this time," he commented.

He and members of his family enjoy hunting, skiing, golfing, tennis and other outdoor activities.

A daughter, Linda, is a ski

Instructor at Alta, Utah, and a ski coach, Bob, who will join him in the business here, is active in swimming competition in Utah. Mrs. Newton is an ardent golfer.

Mr. Newton has been engaged in the wholesale business in Pocatello and is currently associated with Alta Credit Corp., Salt Lake City.

Firemen's Ball Set At Hansen

HANSEN — The annual Firemen's Ball will be held at 8 p.m. Saturday. The Saints will provide the music. The event is sponsored by the Volunteer Fire Department members.

This is the only fund-raising project and the funds netted will be used to maintain the volunteer fire department and purchase new materials as needed. Tickets are available from members of the fire department at 17.00 minutes at a speed of 17.00 miles per hour.

New Satellite

UCHINOURA, Japan (UPI) — After four years of trying, Japan put a satellite in earth orbit Wednesday and became the fourth nation in space.

A 16-foot Lambda rocket lifted off the launching pad at 1:25 p.m. with an 84-pound payload, shaped like a basketball, and within 20 minutes radar trackers reported the satellite on target.

The instrument satellite went into an orbit ranging from 265 to 1,500 miles above the earth, on a path that takes it over South America, Africa, Communist China and Japan.

CIRCUMNAVIGATIONS

First plane to fly around the world was the single-engine Douglas biplane, New Orleans, which carried a crew of two when it made its 1924 flight in 175 days at an average speed of 75 miles an hour. The Gemini 8 astronauts made the trip in 89 minutes at a speed of 17,000 miles per hour.

Angus Bull Sale Scheduled Saturday At Fairgrounds

PILER — The big Idaho Angus Bull Sale gets under way Saturday at noon at the Twin Falls County Fairgrounds in Piler, according to Louis Robinson, Boise, president of the Idaho Angus Association, sponsor of the sale.

Big, rugged Angus range bulls from throughout the Northwest are consigned for this annual sale, one of the top Angus sales of the nation. Bulls will be brought from Washington, Oregon and Idaho.

The annual meeting of the Idaho Angus Association will be held Thursday at 7:30 p.m. in the Rogerson Hotel Room and up Room. Officers will be elected.

Friday, at 10 a.m., the 100 registered bulls will be graded. Graders will be Roy Brackett, Hagerman; Clyde McAllister, Arco; and Larry E. Mohr, Idaho Falls.

Friday evening there will be a "for fun" night dinner at the Rogerson Hotel Room and up Room, arranged by the auxiliary.

Saturday the auxiliary will have a "Come As You Are" breakfast at 8 a.m. at the Rogerson Hotel.

The Idaho Junior Angus Association will have a meeting Saturday at the fairgrounds. The sale gets underway at noon Saturday with Ken Trout, Emmett, and Clay Tschirgi, Fruitland, as auctioneers.

The Idaho Angus Auxiliary will auction off a registered Angus heifer that has been donated by Mr. and Mrs. Roscoe Mills, Malad City, during the sale Saturday. Proceeds from this heifer sale will be used for the auxiliary's 1970 youth program and trophies, awards and scholarships.

LOST STAR

Best-known example of a lost star, once visible but which has now disappeared, is the one called the Lost Pleiad. In ancient times, there were seven stars visible in the Pleiades without optical aid, where only six can now be seen. The seventh star is now below naked-eye visibility.

Scout Pack Is Honored At Wendell

WENDELL — A blue and gold banquet was held by Cub Scout Pack 73 at the LDS Church.

The program consisted of musical numbers by the Wendell den on their band instruments, under the direction of Mrs. Gwen Rost, leader. Dan Hinckley played a piano solo.

Galen Dance, cubmaster, served as master of ceremonies.

Den one, led by Mrs. Paula Peterson, presented a play while den 2, assisted by Mrs. Phyllis Bunn, sang songs and gave a play.

Ray Hensley received his Bear badge; Dallas Jenks and Robert Gibson received the Wolf badge, and Russel Hulet, Billy Bunn and Tracy Handyside, Bobcat pins.

Den mother awards were presented to Mrs. Peterson, Mrs. Bunn and Mrs. Rost.

The pack will sponsor a cooked food sale Feb. 21, at 10 a.m. at Marlow's Meat Market.

Custer County, Neb., is twice the size of the state of Rhode Island.

We don't know for sure how dumb our customers are, but we were pretty sure none of them were dumb enough to put out good food money for membership cards just for the privilege of buying groceries at our store (on second thought there are probably three that would). Naturally Swensen's Markets would like to make a reasonable profit, but if they can't make it on what they charge for their merchandise, they don't expect anyone to make a contribution, poorly disguised in the form of a high priced membership card fee!

OTHER FEATURES: Swensen's Markets use all their empty boxes to pack groceries in just like all the other grocery stores, this saves a lot of money, but if you'd rather have a 1¢ paper bag, we won't quibble. Most of Swensen's customers carry out their own groceries, but if you're pregnant, recovering from an operation, on social security or if you're allergic to heavy objects, we won't leave you at the front door holding the bag... or box.

MEMBERSHIP CARD

ENTITLES BEARER: To shop at SWENSEN'S MARKETS. Must be counter validated with driver's license, library card, 3 credit cards, birth certificate and current life insurance policy. If all this sounds like a bunch of baloney... just throw it in the nearest waste basket, and come on down to Swensen's anyway... it won't cost you any more.

Yes, back in '56, we did buy one roll car full of merchandise... that was the only one, and we're not pretending we got our groceries unloaded off railroad cars even if Swensen's Markets are close to the tracks. We trust we've made our point.

EARLIEST INSURANCE
History's earliest recorded insurance transaction occurred in 1583, when a number of London merchants insured the ship of William Gubbens, a citizen and salter, according to Encyclopedia Britannica.

Agnew Rakes Deserters As 'Worthless'

ST. LOUIS (UPI)—An entire "zoo" of deserters, Yippies and such are not worth one American who is serving his country in Vietnam, Vice President Spiro T. Agnew says. In an address at a Republican dinner Tuesday night Agnew referred to a statement by Sen. William Fulbright, D-Ark., that the "beat of our young people" would be in Canada if the Vietnamese conflict went on much longer. Agnew said the Democrats can very well seek their leaders among the deserters who have fled to Canada and Sweden but "we Republicans shall look elsewhere." "As for these deserters, malcontents, radicals, incendiaries, the civil and uncivil dissidents among our young SDS, PLP, Weatherman I and Weatherman II, the Revolutionary Action Movement, Yippies, Hippies, Yahoos, Black Panthers, lions and tigers alike—I would swap the whole damn zoo for a single platoon of the kind of young Americans I saw in Vietnam." His statement drew cheers and a standing ovation. Agnew said Fulbright "hasn't said anything new or interesting or clever in five years." Fulbright's "intellectual well dried up the day after Walter Linneman stopped writing his daily column," Agnew said. The vice president said that

Homebound

CINCINNATI (UPI)—Overcrowded conditions in the Hamilton County jail has forced Judge David B. Porter to permit a man to serve the initial portion of a five-year prison sentence at home. Judge Porter, of U.S. District Court, told Wayne Wykoff, 33, that he must be in contact with the U. S. marshal's office by telephone each day until he is transported to federal prison. Wykoff was convicted of embezzling \$75,706 from the Fifth Third Bank where he had been employed.

Licenses Needed

RICHFIELD—Unlicensed dogs at Richfield are to be impounded for a 24 hour period and destroyed if not claimed, it is announced by city clerk, Mrs. Ruth Swainston. City Marshal Lester Johansen has been told to check the dogs and pick up those without licenses. Dogs may be redeemed by paying a two dollar fine and purchasing the necessary license. Mrs. Swainston reported selling 21 licenses this year. Last year 47 were sold.

Lincoln County Commissioners Okay Budget After Cutting Health Plans

SHOSHONE—The 1970 Lincoln County Budget has been approved by County Commissioners as tentatively set in January, with the exception of cutting the Public Health Budget by \$1,000. This cut was made, according to Mrs. Luella L. Kinsey, clerk, in keeping with the per cent limit increase in budget, which Commissioners felt should apply to the Public Health part of the budget as well as other phases. This makes the official budget at \$239,875. The amount includes \$140,285 in current expense, wherein all county office expense falls according to department; \$500 in the post control fund; \$600 in the memorial fund; \$20,000 in indigent fund; \$9,200 in public health; \$12,000 convalescent center facility; \$20,000 junior college fund and \$45,000 weed control. Within the current expense section of the budget is a fund of \$20,000 designated commissioners special. Mrs. Kinsey explains this is for such things as one-half the weed control of Picer's salary, and the audit expense; insurance costs; publishing requirements; prisoner's board, Civil Defense, Social Security, Blue Cross and other such miscellaneous things necessary to handle county business. There is a fund of \$5,000 to cover election expenses of this year and \$7,500 for re-evaluation in the assessor's department. Another addition this year is \$5,000 for the court reform expense anticipated within the county this year. The County's share for public defender is \$2,000. Other parts of the current expense budget are \$15,200, sheriff's budget; \$13,000, clerk; \$14,500, assessor; \$12,400, treasurer; \$2,300, probate judge; \$9,600, prosecuting attorney; \$3,200, district court; \$5,800, county commissioners; \$11,000, building and grounds; \$675, coroner; \$8,450, county agent; \$5,000 capitol outlay. Commissioners have designated voting precinct places as the Legion hall, for Shoshone; Lincoln school, Shoshone; Wood River Center Grange, north Shoshone; Legion hall, Richfield, for Precinct 4, and Dietrich Grange hall, for Precinct 5. The Klamath place will be listed later; Mrs. Kinsey said. Volunteer workers for Heart Week, which begins next Monday and ends Sunday with the Heart Sunday drive, are being sought by Twin Falls County captains for the drive. Donations will go to aid in heart disease research. Volunteers may contact any of the following drive captains: Mrs. John Riley, Mrs. James Deal, Mrs. William Woodson, Mrs. Don Brown, Mrs. Bonnie Gurley, Mrs. Karen Roaholt, Mrs. Harvey Cook, Mrs. Robert Musser, Mrs. James Spafford, Mrs. Ray Shultz, Mrs. Cleo Millroney, Mrs. Fred Horder, Mrs. Rex Ulrich and Mrs. Erna Scott. USE TIMES-NEWS WANT ADS FOR FAST SELLING RESULTS

Registrars are Frank Stearns, Harry Eden, Ada Sandy and John Lemmon. Ed Messinger has been hired to begin re-evaluation work Monday. He will work through the assessor's office. Lincoln County was designated as a weed eradication area.

Super Tuna

Chicken of the Sea TUNA

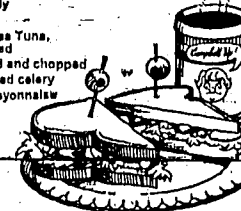

Campbell's CONDENSED CREAM OF MUSHROOM SOUP

Campbell's Soups and Chicken of the Sea Tuna ...great go-togethers anytime!

Lunchtime

Yankee Tuna Dandy

1 can (7 oz.) Chicken of the Sea Tuna, drained and flaked
1 egg, hard cooked and chopped
1/2 cup finely chopped celery
2-4 tablespoons mayonnaise
1 teaspoon seasoned salt
2 tablespoons chopped pickle
8-12 slices bread
Lettuce

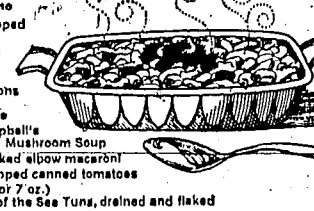

Combine everything but bread and lettuce. Spread on 4-6 slices. Top with crisp lettuce and bread. Yield 4-6 sandwiches. Serve with Campbell's Vegetarian Vegetable Soup.

Dinnertime

Tuna Italiano

1/2 cup chopped onion
1/4 teaspoon oregano, crushed
2 tablespoons butter or margarine
1 can Campbell's Cream of Mushroom Soup
1/2 cup cooked elbow macaroni
1/2 cup chopped canned tomatoes
1 (1/4 of 7 oz.) Chicken of the Sea Tuna, drained and flaked

In sauce pan, cook onion with oregano in butter until tender. Blend in soup; add remaining ingredients. Heat; stir now and then. Serve with grated Parmesan cheese. Three servings.

Diet-time

Tuna Veronique

2 cans (7 oz. each) Chicken of the Sea Solid Tuna
1 cup chopped celery
1 cup green or red grapes, halved and seeded
1/4 cup toasted, sliced almonds
1/2 teaspoon salt (optional)
1/4 teaspoon curry powder (optional)
1/2 cup mayonnaise

Drain and flake tuna. Combine with other ingredients. Chill at least 2 hours. Yield: 4-6 servings. Serve with Campbell's Chicken Gumbo Soup—only 49 calories in a 7 oz. serving!

Today's Market And Financial Report

Stocks

NEW YORK (UPI)—Stocks wandered aimlessly through mid-session Thursday in moderate turnover.

Chrysler, the biggest mover in the automotive group, was off about a point. On Wednesday, it sliced its quarterly dividend from 25 cents a share to 15 cents. Ford added 1/4, and General Motors slipped 1/8.

Oil suffered from concern over Middle East tensions. Heavily traded Atlantic Richfield and Superior were off more than 2 apiece, while Jersey Standard and Standard of California fell more than a point.

Shortly before 1:15 p.m., the NY 11 marketwide indicator showed a gain of 0.01 per cent on 1,456 issues, crossing the tape. Advances topped declines, 613 to 472.

NEW YORK (UPI)—The Dow Jones Industrial average, the blue chip barometer, was off 2.12 at 755.21.

A three-hour turnover of around 614-million shares was in line with Wednesday's pace.

PLANNING FOR THE membership drive for the Burley Chamber of Commerce are seated, from left, Mrs. Gerald Bryan, chairman, and Mrs. Walter Povlsen, with Mrs. Ralph Fink standing. This year the distal members of the chamber were appointed to conduct the drive which will conclude Feb. 19, date of the group's annual dinner.

Women Conduct Member Drive For Burley Chamber

BURLEY — The membership drive among the professional people in the city. Deadline for the drive is Feb. 19, the date of the chamber's annual dinner meeting.

Mrs. Bryan points out the advantages to all businesses and professions in the city with the opening of just one industry which creates 100 new jobs. This means 200 more people, 112 more households, 61 more school children, \$600,000 more in personal income, \$270,000 in bank deposits.

For example, the chairman points out, garages would sell 111 more passenger cars, with an increase of thousands of gallons of gasoline and countless associated services.

Four new retail establishments would be needed to care for the increase which would represent about \$360,000 more in retail sales. The area would realize about \$450,000 more in market farm products, and \$3,000,000 more in taxable income valuations.

The ladies pointed out the work of the chamber in bringing new industry to the area and urged all businessmen, professional men, and farmers to support the local chamber of commerce with membership dollars, as well as attendance at chamber meetings.

Assisting on the committee are Mrs. Georgia Okberry, Mrs. Ralph Fink, Mrs. Sergio Sorenson, Mrs. Dorothy Elanson,

Piano Class Offered At YMCA Here

The YMCA is offering a new class in group piano instruction which will begin on Feb. 20 with Jay Hill as instructor.

This class is designed for beginning adults who wish to learn to play for fun. The chord method of popular and folk music will be followed with students using practice key boards and taking turns at the piano.

The classes will meet at 1:30 p.m. on Fridays for six weeks, for an hour and a half. Classes will be limited in number.

Persons wishing to register may call the office at 733-4384.

Burley Jaycees Select Forschler As Boss Of Year

BURLEY — George Forschler was named "Boss of the Year" by the Burley Jaycees during a banquet held by the local organization at Ponderosa Inn.

The award is presented each year to the boss who members feel has contributed the most to the Burley Jaycees and the community. Each member of the Jaycees, if he so desires, submits his employer along with a sketch of what he has done to help the Jaycees, as well as a short sketch of his boss and his community activities.

Then the Jaycees by secret ballot select the Boss of the Year.

Larry Stephenson was master of ceremonies. Steve Porch, Jaycee president, presented the Boss-of-the-Year award to Dale Neheker, on behalf of his employer, Mr. Forschler, who was unable to attend the banquet.

Featured speaker during the banquet was Mr. Neheker, the Eighth District Jaycee president.

Jaycee members and their wives were accompanied by their bosses and their wives at the banquet is also a tribute to the employers for the time and help that they give the individual Jaycees.

GEORGE FORSCHLER

NOT BEEFEATERS
The cow has a special place in Hindu religion, mainly because it was the chief source of milk and bullocks for ploughing the fields when the Hindu Scriptures were written. Killing a cow is considered a sin.

Course Offered

A course in driver education, Education 208, will be offered at the College of Southern Idaho through the Idaho Continuing Education program.

The course will begin Tuesday in room 117, Shields Hall, Dr. Ivan Hilton, will teach the course. Anyone interested in taking the course should contact Marvin Glascock at 733-9554, extension 63, by next Tuesday.

Minico, Declo Near Mat Titles; T.F. Has Second, B Runner-up Race Tight

BOULDER—The Minico Spartans and Declo Hornets traded blows to district wrestling championships Wednesday night while Twin Falls rolled up a perfect record in the Class A second place and Valley and Raft River were lined out in a tie for the Class B runner-up title.

The champions will be decided at the Buhl gymnasium at 7 p.m. Thursday after the third- and fourth-place wrestle-offs. The top three individuals in each weight class advance to the state tournaments, the A's going to Moscow, the B's to Rexburg.

Twin Falls, putting up a stronger showing than was expected, burst away from Jerome and Burley in the battle for second place. Jerome still could overhaul the Bruins for second but Twin Falls would have to be shutout in the two rounds Monday.

Twin Falls surprised by moving into a tie with Minico just before the heavyweight division, where the Spartans' Torix won by a pin to establish a 74-0 lead. Jerome had 45, Burley 41, Filer 28, Buhl 24 and Wood River 12.

Minico, eyeing its 12th title in 13 years, moved seven men into the championship round while Twin Falls had six. Jerome four, Burley three, Filer two and Buhl and Wood River one each. It marked perhaps the first time all the Class A entries had a representative in the finals.

In the Class B division, Declo posted 80 points and kept seven men alive while Raft River and Valley were tied at 53 with Valley holding the edge in finals

Minico Tops Bonneville 49-38 In Ragged Battle

IDAHO FALLS—The Minico Spartans broke away in the final quarter Wednesday night to top the Bonneville Bees 49-38 in a rugged non-conference basketball game.

During the first three quarters Minico was protecting meager leads as the game was marked by a lot of contact. The Spartans led 12-10 at the end of the first quarter, Minico started taking some of the scrap but of the bees. From that point on Minico pulled easily away.

Jim Burlewright wound up with 20 points to top Minico while Terry Kotterling had 14. Darrell Diez had eight, Mike O'Donnell, Warburton and John Powell two each and Randy Hubbsmith one. Bodily topped Bonneville with 11 while Perry remond had eight.

Minico had some trouble getting to the game, its bus breaking down near Raft River. Sophomore Coach Larry Norby and his five starters piled in a private car and arrived in time to play the preliminary. However, the subs didn't show up until halftime. Compounding the discomfort, the ride was caught for speeding by the Idaho State patrol.

Maravich Is Seeking New Horizons

NEW YORK (UPI)—Breaking records amounts to one sweet tune after another for Pete Maravich.

The most prolific scorer in major college basketball history and the only one to exceed 2,000 points, Maravich is shooting faster than ever in an attempt to smash every all-time season and career scoring record for all divisions.

Four games since breaking Oregon Robertson's major college scoring record, the Louisiana State senior has averaged an amazing 54.8 points, including a 69-point effort in a losing cause against Alabama last Saturday.

This salvo boosted Maravich's points total to 871 for the season, according to official statistics released today by the National Collegiate Sports Service, and a 48.4 average in 18 games. The big goal for Maravich now is to surpass the four-year career record of 3,759 points set by Grambling's Bob Hopkins in 1955-56, and to do this Pistol Pete probably will have to participate in a post-season tournament.

Austin Carr of Notre Dame was a distant second in the scoring race with a 323 average through last Saturday's games, followed by Rick Mount of Purdue (33.0), Dan Issel of Kentucky (32.8) and Calvin Murphy of Niagara (31.5).

Vic Bartolomeo of Oregon State enjoyed a big lead in field goal percentage with a .687 mark. Jim England of Tennessee was the free-throw leader with .904 and Artis Gilmore of Jacksonville was first in rebounds with a 25.2 average.

Jacksonville led the nation in three team categories—offense (104.4 points per game), field goal percentage (.510) and rebounds (60.4). Army remained first in team defense with a 57.1 mark and Ohio State led in free throw percentage with .821.

St. Bonaventure Tops Seton Hall

SOUTH ORANGE, N.J. (UPI)—Bob Lanier, the St. Bonaventure big man, came to life midway through the first half Wednesday night and led the fourth-ranked Bonnies to a 103-83 victory over Seton Hall.

Trailing 23-18 midway through the first half, Lanier drove his team on a nine-point surge to set up the Bonnies 16th win in 17 starts. Lanier earned 37 points for the half, and 37 before the night was over.

St. Bonaventure led at the half 45-30, then drew away, despite the efforts of Seton's Frank Cortes, who wound up with 23 points, and Mel Knight, who had 22.

A somewhat similar proposal also was rejected by John-involving Milwaukee. It would have grossed Arthur \$13 million and the Milwaukee investors would have permitted the White Sox to stay in Chicago until such time as they could arrange a trade for another franchise, a trade which would have gone to Milwaukee, Arthur said.

Shaw Is First In Pro-Am Meet

TUCSON, Ariz. (UPI)—Tom Shaw shot a seven-under-par 65 Wednesday for low individual score in the pro-amateur prologue to the \$100,000 Tucson Open.

Shaw won \$500 for his individual total and another \$100 for a 15-under-par best ball 38 tallied with his amateur team.

The low amateur team was headed by pro-Dob-Charles and had a 55. Charles received \$400. In the individual scoring Lee Trevino, defending champion in the 72-hole open which starts Thursday, had a three-under-par 69.

Duke Wins Winston-Salem, N.C.

(UPI)—Dick Davenport and Rick Katerman fired six perfect strikes from the foul line with less than three minutes to play for a 67-65 triumph over Wake Forest Wednesday night.

WAC Studies Situation Around BYU

PHOENIX, Ariz. (UPI)—Ruchel problems concerning Brigham Young University were discussed Wednesday by the Western Athletic Conference, but officials released no details about the discussion.

G. David Price, director of information for the league, said the athletic directors and faculty representatives, who compose the council, exchanged general information about the situation.

They discussed "disturbances" that occurred in recent weeks when the BYU basketball team traveled to Colorado State and the University of Arizona, Price said. Protest demonstrations on both campuses broke into violence and resulted in several arrests.

Council officials declined to say if they adopted any recommendations to forward to the Presidents' Council, which meets in June, and would have final say on any action that was taken.

In other action, the council approved changing the conference basketball schedule, beginning next season, so most games will be played on Fridays and Saturdays instead of on Thursdays and Saturdays as has been done for two seasons. The only exceptions will be that teams scheduled to meet Saturday afternoon for the weekly television game will have their previous games on Thursday night instead of Friday.

The Council also passed resolutions commending BYU faculty representative Dean Milton Harrison for six years' service on the National Collegiate Athletic Association Council, and congratulating Arizona's faculty representative, Louis A. Myers Jr., for his recent appointment to the council.

five to four. Kimberly had 20 and two, Oakley 24 and two, Blaine Jerry 20 and two and Wendell 14 and zero and Castleford seven and zero.

The third-fourth place wrestle-offs could prove essential in the Class B runner-up spot with both Valley and Raft River having three men on their roster.

The teams will not have much of an opportunity to decide places for themselves as there is very little head-to-head competition. Twin Falls and Minico meet only twice in the finals, the first time all the Class A entries had a representative in the finals.

In the Class B division, Declo posted 80 points and kept seven men alive while Raft River and Valley were tied at 53 with Valley holding the edge in finals

Allyn Had Big Play To Swap Teams, Cities

CHICAGO (UPI)—The Chicago White Sox revealed today the deal which would have sent the Chicago White Sox to Oakland, and brought the Oakland Athletics to Chicago.

The news, quoting former White Sox owner Arthur Allyn Saratoga, Ill., said in an exchange would have put the Athletics and their owner, Charles O. Finley, in Chicago's Comiskey Park and left Allyn with a check for \$15 million.

As outlined by Allyn, the deal, if successful, would have worked this way:

—Allyn would have sold all White Sox personnel, major and minor, to an Oakland group for \$15 million and in turn hand over to Finley the Chicago franchise including the home field at Comiskey Park.

—Finley would have given the Oakland franchise to the Oakland group which would then field the White Sox as the Athletics.

—The deal, and another one with Milwaukee, were still on the fire into June of last year, Allyn was quoted as saying.

The proposed exchange fell through when Allyn's brother, John, who is the current owner of the White Sox, refused to sell his share, Allyn was quoted as saying.

John, attending an American League meeting in Chicago, confirmed his brother's story Wednesday and also his refusal to take part in the deal.

"He did us a real disservice," John said. "It was as much as saying to White Sox fans: 'Look at what you could have had—a contender.' I don't think it's fair to our players either, since it implies that they would not be contenders."

A somewhat similar proposal also was rejected by John-involving Milwaukee. It would have grossed Arthur \$13 million and the Milwaukee investors would have permitted the White Sox to stay in Chicago until such time as they could arrange a trade for another franchise, a trade which would have gone to Milwaukee, Arthur said.

Hawks Set Mark For One Quarter

SAN DIEGO, Calif. (UPI)—Way Hazzard poured in 38 points, 24 of them in the third quarter, as the Atlanta Hawks outscored San Diego 54-28 in the period while on their way to a 155-131 win Wednesday night.

The 54 points in a period was a National Basketball Association record.

Joe Caldwell and Lou Hudson added 22 and 20, respectively, as the Hawks set the last place Rockets to their fifth straight loss and 12th in their last 13 contests.

The Rockets were in contention for slightly more than a half before Atlanta's third quarter spurt decided the game. In a seessaw battle which saw 13 ties and 23 lead changes before intermission, the Rockets took a 46-44 advantage on 15-footer by Elvin Hayes with three minutes left in the half.

Temple Tops Pitt

PITTSBURGH (UPI)—Temple defeated an early B-9 lead over Pitt Wednesday night and went on to defeat the Panthers, 101-77.

Davidson Drops South Carolina

COLUMBIA, S. C. (UPI)—Davidson staged a second-half comeback against cold-shooting South Carolina Wednesday night to hand the second-ranked Gamecocks their first defeat in 18 games 68-62.

With sophomore Brian Adelman, who had 22 points in the second half, hitting from outside, the Wildcats erased a 20-10 South Carolina halftime lead and moved in front with 11:32 to play. South Carolina went seven minutes without scoring.

Carolina backcourt ace John Rooks came in with a scoring spree in the final minutes and ended with 34 points, but could not bring his team from behind.

AL Owners Maintain Team In Seattle, Loan Club \$650,000

CHICAGO (UPI)—American League owners decided Wednesday night to maintain the Seattle Pilots franchise in Seattle under its present ownership.

The league will loan the present owners, chiefly William Daley and Dewey and Max Soriano, \$650,000 immediately and league president Joe Cronin said the other owners had agreed to aid the Pilots franchise "materially," and "passionately."

Cronin said the league, which earlier rejected a bid from a group headed by Edward Carlson to buy the franchise for Seattle, could not accept the philosophy that eventually the team would be owned by a nonprofit corporation with any profits that might be derived assigned to charity.

Cronin said he believed the \$650,000 loan would enable the Pilots to complete spring training and get into the season, and Daley, largest stockholder, agreed.

"We have bonus arrangements which are coming due and we have spring training expenses which that money will cover," Daley said. "I am not unhappy that the league decided we should retain the team, although I don't believe we will make money in 1970 or 1971."

"But when we have the domed stadium in 1972, I am confident we will show a profit."

The decision to force Daley and the Soriano brothers to retain the team required barely two hours of discussion by the owners, once they had rejected the bid by Carlson. Another alternative would have been for

the league to take over the franchise and operate it as a trust, but the owners favored the plan to help the current ownership rather than take the responsibility as a group.

Daley said he had been anxious to sell the team until the local interest developed in losing the franchise developed.

"Now I think we are going to get a lot of help from the people of Seattle," he said. "We're pleased with the decision to keep the club in Seattle and we told them we would do our best as individuals to support the club," Carlson said following the decision of the owners to grant the franchise to his group.

The owners were to hold a news conference later in the evening to announce how the club would operate in 1970.

"Our group met all the commitments asked of us at the meeting of owners in Oakland," Carlson said, "but

Weber Faces Must Tilts At Idaho State

BY JAMES BAPIS

OGDEN, Utah (UPI)—Phil Johnson, Weber State's young basketball coach, is picking up wrinkles this week as he prepares his Wildcats for their Big Sky Conference showdown with Idaho State.

He's got reason to be worried.

The Wildcats will be putting their two-game Big Sky lead on the line Friday and Saturday nights at Pocatello against the second place Bengals, who need a pair of victories to remain in contention.

Johnson, in his second year at the Weber helm, suffered his first Big Sky defeat in 25 starts last Saturday against Gonzaga.

But that's not his concern now. "You've got to get about the game at hand," the handsome, dark-haired Weber coach said. He warns against looking past the Bengals to the NCAA playoffs "as many fans in the Ogden area are already doing."

Johnson knows that Idaho State has one of the finest guard combinations in the nation in Willie Humes and O'Neil Simmons, and they are an explosive unit.

But if Weber State can emerge from the weekend action with at least one victory, the Big Sky title will be all but conceded to the Wildcats.

It is easy to understand the anxious state of Weber State athletic officials and fans alike, who would like to make it to the NCAA's Western Regionals for the second year in a row.

Weber finished third in last year's NCAA Regionals at Los Angeles, and that exposure to post-season tournament play on the national level was an enormous success in lifting the Wildcats out of national obscurity.

Celtics Topple Knicks 125-118

NEW YORK (UPI)—John Havlicek scored 30 points and rookie Jo Jo White netted 20 for Boston Wednesday night as the Celtics defeated the New York Knicks, 125-118, in overtime.

White's basket with seven seconds remaining in regulation time enabled Boston to tie the game at 111-111 and the Celtics then ran off a 7-2 surge in the final three minutes of the overtime session to hand the Knicks their 13th loss of the season but only the second in the last 13 New York games.

Boston, the only team to beat New York three times this season, enhanced its chance for a second straight NBA title by moving to within 4 1/2 games of fourth-place Philadelphia in the Eastern Division of the National Basketball Association.

Beats Kings Inglewood, Calif.

INGLEWOOD, Calif. (UPI)—Rod Gilbert became the third leading scorer in New York City Wednesday night by scoring twice to lead a five-point surge to lead a five-point period as the Eastern Division leaders came from behind to beat the Los Angeles Kings 62-59.

About 78,000 fans are engaged in farming and fishing in Hong Kong.

this was not satisfactory. "It was more a difference in philosophy on how a club should be operated than over the content of the package," Carlson said.

ABRAHAM LINCOLN is symbolic of the hopes and ideals which Americans hold dear. He personifies the spirit of the country, with unwavering honesty and steadfast purpose. On his birthday month, we honor and remember some of his famous truths which are everlasting.

1. You cannot bring about prosperity by discouraging thrift.
2. You cannot strengthen the weak by weakening the strong.
3. You cannot help strong men by tearing down big men.
4. You cannot help the wage earner by pulling down the wage payer.
5. You cannot further the brotherhood of man by encouraging class hatred.
6. You cannot help the poor by destroying the rich.
7. You cannot establish sound security on borrowed money.
8. You cannot keep out of trouble by spending more than you earn.
9. You cannot build character and courage by taking away man's initiative and independence.
10. You cannot help men permanently by doing for them what they could and should do for themselves.

HOLDING LONG-STEMMED red roses during recent installation ceremonies for the Benevolent and Patriotic Order of DOES No. 206 is Mrs. Wayne Rogers, new president, Mrs. B. Simmons, Ogden, deputy supreme president, left, was installing officer during the open ceremonies held at the Burley Elks Lodge Hall. Prior to the ceremony, a social hour was held and a smorgasbord dinner served in the dining room.

Officers For Burley DOES Are Installed

BURLEY — New officers of the Benevolent and Patriotic Order of DOES No. 206 were installed during an open ceremony recently at Burley Elks Lodge Hall.

Wearing floor-length white formal, officers installed were Mrs. Wayne Rogers, president; Mrs. Pat Miller, first counselor; Mrs. Darrell Butcher, senior counselor; Mrs. Norma Morrison, junior counselor; Mrs. Gene Doman, secretary; Mrs. Jal Taylor, treasurer; Mrs. Grant-Saxton, conductor; Mrs. Jim Easton, inner guard; Mrs. Sam Hamilton, outer guard; Mrs. Virgil Temple, one year trustee; Mrs. Helene Coffey, two year trustee, and Mrs. Rodney Murphy, three year trustee.

Appointed officers installed included Mrs. Victoria Hubbard, chaplain; Mrs. Evelyn Phillips, assistant conductor; Mrs. Wilbur Roberts, first flag bearer; Mrs. Joan Kroigh, first attendant; Mrs. Leon Doman, second attendant; Mrs. George Korb, second flag bearer; Mrs. Irene Bellefeuille, senior attendant; Mrs. Haven Gierlich, senior flag bearer; Mrs. James Fox, junior flag bearer; Mrs. LePage Layton, junior attendant; Mrs. Everett Johnson, musician, and Mrs. Walter Povison, assistant musician.

Mrs. B. Simmons, Ogden, deputy supreme president, was installing officer, assisted by Mrs. Reta Bachman, Ogden, conductor.

Members of the Ogden DOES Lodge filled the chairs and opened the session.

Men's Night Program Set

The Magic Valley Christian Women's Club will host its Men's Night program at 7 p.m. Monday at the Turf Club, with Paul Bright, Boise, Ada County sheriff, as featured speaker.

"Step Into Fashion" is the special feature to be presented by the PonderTree and Shirley and Wyatt, and the Madrigal Singers of Twin Falls High School, under the direction of Richard Smack, will present the music.

All reservations must be in by Saturday by calling Twin Falls, 324-4332 or 323-9011; Filer, 326-5180; Buhl, 543-4062, or Jerome, 324-5256.

The Magic Valley Christian Women's Club has no membership dues and anyone is welcome to attend.

Special guests were Mrs. Olive Tillotson, Ogden, national supreme president of the Grand Lodge of DOES; Chall Allred, exalted ruler of Burley Elks Lodge No. 1394.

Dick Pullman, past exalted ruler, Burley Lodge; Ben Sprague, leading knight, and Warren Mohrling, secretary of Burley Elks Lodge; Mark L. Tillotson, director of Utah BPOE and past exalted ruler of Ogden Elks Lodge, and Mrs. Barbara Gawan, president of the Ogden DOES Lodge.

Mr. Allred presented Mrs. Rogers a bouquet of long-stemmed red roses, and she received her president's pin from Mrs. Rodney Murphy, retiring president. Mrs. Helen Coffey presented Mrs. Murphy a past president's pin.

Mrs. Gawan spoke briefly to the group, and extended best wishes for a successful year in all activities undertaken by the Burley DOES No. 206.

The newly installed officers conducted the closing ceremony.

Prior to the open installation, a social hour was held and a smorgasbord dinner served in the dining room. A Valentine theme was carried out in table decorations with hearts and flowers.

Mr. Allred served as master of ceremonies during the dinner. Invocation was given by Mrs. Ben Sprague, chaplain of Burley DOES. Special honored guests were introduced by Mr. Pullman, past exalted ruler.

Denny Sprague sang "Impossible Dream," which he dedicated to the incoming officers of Burley DOES, with Mrs. Delia Johnson as accompanist.

Anniversary Open House Set

SHOSHONE — Mr. and Mrs. Louis Couch will be honored by their children at an Open House at 1:30 p.m. Feb. 28 at the Shoshone Methodist Church fellowship hall. All friends of the couple are invited to attend. They request no gifts.

Both Mr. and Mrs. Couch, who observe their 50th wedding anniversary on Feb. 25, were born in Golden, Mo. They were married in 1920 at Glona, Mo., and came by train to Twin Falls that year where he was employed in Eden. They resided in Jerome until 1942 when they moved to North Shoshone where they have since resided. He has been a farmer all of his life.

Their children are Robert Couch, Jerome; Carl Couch, Twin Falls; Mrs. Kenneth (Mary) Koepfen, Caldwell, and Roy Couch, Shoshone. They have 11 grandchildren and three great-grandchildren.

MR. AND MRS. LOUIS COUCH

Special Guests Introduced At OES Meeting

FILER — Mrs. Clinton Dougherty, worthy matron, introduced and welcomed a number of special members and guests at the February meeting of the Order of the Eastern Star at the Masonic Temple.

Introduced were Mrs. Don Albin, grand representative of the grand jurisdiction of Texas in Idaho; Mrs. Rex Reed, grand soloist of grand chapter of Idaho; Mrs. B. J. Hawkins, grand page to the grand conductress; Mrs. Duane Ramseyer, chairman of Future Stars; and Mr. Ramseyer, appeals and grievances committee.

Mrs. Donald Sontag, Twin Falls chairman of District No. 7 ESTARL committee; Mrs. Raymond Reichert, information committee; Mrs. Dougherty, chairman of assistant grand wardens; Mr. Dougherty, chairman of assistant grand sentinels, and Mrs. Edward Brown, Mrs. Ramseyer and Mrs. Reed, trio for Grand Chapter.

Friendship Night Feb. 24; Twin Falls Magic Chapter No. 28 Friendship Night March 2

Reports of special and standing committees were given. Mrs. J. H. Sharp and Mrs. Ray Williams, co-chairmen of the exchange program with Magic Chapter No. 82 on Feb. 16, announced practice will be held from 7 to 4 p.m. Sunday.

The group discussed holding a rummage sale, with date and place to be announced. Committees were appointed for the junior-senior banquet April 11. Star Social Club members announced the club has purchased dishes for use in the hall. Star Social Club will meet Feb. 28 at the home of Mrs. J. H. Sharp.

Past Matron's Club will meet Feb. 20 at the home of Mrs. L. W. Hawkins. The ESTARL and Home Fund luncheon will be held at 12:30 p.m. Guests are invited to attend.

The Eastern Star heritage committee chairman, Mrs. Luther Pierce, spoke on the station of March, and the worthy matron presented gifts to 10 past Matrons.

Mrs. A. C. Leeper and Mrs. Milton Hansen were members of the greeting committee. Mrs. Tempo Ellenwood and Mrs. Stanley Walters were serving co-chairmen, assisted by Mrs. Florence Melton, Mrs. Iva Shaeffer, Mrs. Maudo Cartney and Mrs. Hazel Bucklin.

Speaker Slated

WENDELL — Roy Roper, Twin Falls, owner of the new Cinema Theatre in Twin Falls, will be guest speaker at the Sunday meeting of the Couples Club of the United Presbyterian Church, Wendell.

Mr. Roper will show a film regarding movie censorship and will attempt to illustrate and relate to the group some of the criteria that is used in arriving at a rating for a film.

The meeting will be held at 6:30 p.m. at the home of Mr. and Mrs. Lawrence LaRue at 500 East Ave. B, Wendell.

50th Year Observance Set

PAUL — Mr. and Mrs. Roy Schneider, Paul, will be honored Sunday in observance of their Golden Wedding Anniversary. Open house will be held between 2 and 5 p.m. at their home—114 Lincoln St.—hosted by their children. The couple requests no gifts.

Pink and white was the color scheme for their Feb. 12, 1920 marriage at the home of her parents in Blair, Neb.

Following their marriage, the couple eluded would-be-charivariers and made their "get-away" on a train destined for Mindoka.

They settled on an 80 acre farm in the Empire district, south of Rupert, which they rented from the parents of Mr. Schneider. Apparently charivari was the real "sport" in those days because the couple was caught by a crowd soon after arriving here.

"We just about escaped from them," remembers Mrs. Schneider, "but we got the giggles and they found us." The couple had suspected the plan and prepared refreshments for the people for a celebration that evening in the Schneider home.

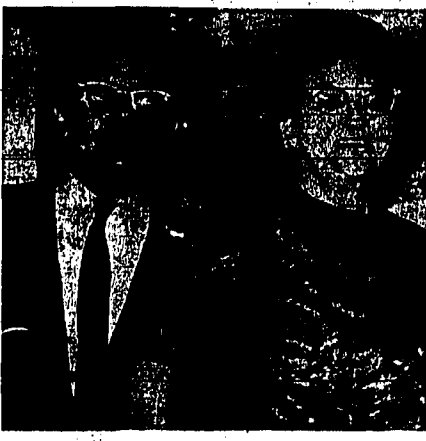

Mrs. Schneider, who was born July 21, 1895, to Mr. and Mrs. Mads C. Jensen at Blair, Neb., received her education in Nebraska. She was graduated from Fremont Hospital as a registered nurse. In the early days she assisted doctors deliver new babies in homes and later did private nursing for Mindoka County hospitals in area homes in the 1940's.

Mr. Schneider was born Sept. 4, 1894, in Fremont, Neb., the son of Mr. and Mrs. Charles Schneider. He came with his parents to Mindoka in 1914 and they homesteaded 120 acres of dry farm. After the homestead was proved, Schneiders purchased the Empire farm and Roy operated it until entering the Army in 1918 during World War I.

After his discharge, he returned to Nebraska to get his bride. They settled on the Empire district farm and used a team and buggy for transportation until 1930 when they purchased their first car. Roy previously had owned a five-passenger Rio but sold it when he entered the Army.

They didn't have a telephone for many years and Mrs. Schneider was contacted by neighbors for first-aid treatment. She served as lecturer for the Empire Grange four years and the couple was active in the Baptist Church. She currently serves as white cross chairman, a position she has held the past four years.

After his retirement in 1960, they sold the farm and moved to their present location at

MR. AND MRS. ROY SCHNEIDER

Paul. The couple has three children, Ralph Schneider and Howard Schneider, both Paul, and Mrs. Dennis (Joyce) Anderson, Halley. They have 11 grandchildren and two great-grandchildren.

Mrs. Hays is Hostess For Hobby Club

WENDELL—Mrs. Mary Hays hosted the bi-monthly meeting of the Hobby Club. The roll call topic was "The First Marriage I Lived in After Marriage." Guests were Mrs. Beulah Johnson and Diane Kuper.

Plans were made for a potluck dinner for club members and their husbands.

Mrs. Mabel Tolman was reported ill. She has been transferred from St. Benedict's Hospital in Boise.

Craft items displayed were roosters made from art foam and tulips constructed from egg cartons and styro-foam balls.

Hobby time was spent making yarn flowers.

After the meeting, refreshments were served and a social hour held. Mrs. Keith Wert will host the Feb. 20 meeting at her home. Project work will be done on Easter baskets.

Grasshoppers and other large insects are the main diet of the sparrow hawk.

Pinocle Club

Hosts Buffet

Supper, Meet

CASTLEFORD — The Castleford Pinocle Club met at the West-End-Gun-Club for a regular meeting and buffet supper. Eleven tables were in play.

The tables were decorated in a Valentine theme. A candle floral arrangement was used for the buffet counter.

Host couples were Mr. and Mrs. B. P. Johnson, Mr. and Mrs. Dudley Watson and Mr. and Mrs. Frank Dolana.

Mrs. Darrel Calhoun won the high prize for the ladies and Glen Denny was the high prize winner for the men. Kelly Carhill won the shoot-the-moon prize. Mrs. Rolly Sonten won low prize and Wilbur Trout was the men's low prize winner. Charles Mori won the traveling prize.

The next meeting is Feb. 21, with Mr. and Mrs. Bob Kinyon, Mr. and Mrs. Kelly Hogg and Mr. and Mrs. Dell Hudson hosts.

MR. AND MRS. CHARLES E. MILLER

Meeting Slatel

GLENNIS BERRY — Mrs. Floyd Wise's home will be the meeting place for the 8 p.m. Feb. 10 meeting of Xi Alpha Alpha Chapter, Beta Sigma Phi. Mrs. Larry Crane will be hostess and Mrs. Paul Shrum will present the program.

Unusual views of Hdwall were shown in slides by Mrs. Wise at the recent meeting at the James E. Williams home. These pictures were taken by Mrs. Wise's brother, Clyde Winters, who resides on the islands, and brought home by Mr. and Mrs. Jesse Winters, last fall when they visited their son, Mrs. K. Clark is the newly-appointed publicity chairman.

An April wedding is planned at the Idaho Falls LDS Temple.

Brenda Baxter, Kimber Plan April Wedding

MALTA — Mr. and Mrs. Gene Baxter, Malta, announce the engagement and forthcoming marriage of their daughter, Brenda, to Randy Kimber, son of Mr. and Mrs. Oren Kimber, Brigham City, Utah.

Miss Baxter was graduated from Raft River High School. She attended Ricks College, Rexburg, for one year and LDS Business College, Salt Lake City, for one year. She is employed as a secretary in Salt Lake City.

Mr. Kimber was graduated from Box Elder High School and attended Weber College, Ogden. He recently returned from an LDS mission to England.

Area Couple Will Observe 50th Wedding Anniversary

JEROME — Mr. and Mrs. Charles E. Miller, longtime residents of Jerome, will celebrate their 50th Wedding Anniversary Saturday from 2 to 5 p.m. at the First Baptist Church in Jerome.

The couple's sons, daughter and their families, Mr. and Mrs. Chet (Helen) Humphries, Mr. and Mrs. Elmer Miller and Charles Miller, all Jerome, are hosting the event. The couple has six grandchildren and one great-grandson.

Mr. and Mrs. Miller were married Feb. 14, 1920, in Jerome and have resided here most of their married years. Mr. Miller is a carpenter by

trade and Mrs. Miller worked for a number of years at Wood Cafe. She presently works with the hot lunch program at Jefferson school.

She is a member of the Women-of-the-Moose and Mr. Miller is a member of the Loyal Order of Moose.

All friends and neighbors of the couple are invited to greet them on this special occasion. They request no gifts.

Creek bottoms and ditches are favorite hangouts for bobwhite quail in bad weather.

Magic Valley Favorites

MRS. A. M. SWAINSTON
Route 4 Box 205, Jerome

1/2 lb. Barbecued Pork Chops
4 to 6 pork chops, 2 pounds
1 tablespoon vegetable oil
1/2 cup chopped celery
2 tablespoons brown sugar
2 tablespoons lemon juice
1/2 teaspoon dry mustard
1/2 teaspoon salt
1/2 teaspoon pepper
2 (8-ounce) cans tomato sauce

In a large skillet with a tight-fitting lid, brown chops in vegetable oil over medium heat, about five minutes on each side.

The Times-News will pay \$5 each week for the best recipe submitted for Magic Valley Favorites. If you have a favorite recipe, just mail it to the Recipe Department, Women's Page Editor. The recipe becomes the property of the Times-News and cannot be returned.

Events

Addison Avenue Club members and their husbands will meet at 7 p.m. Saturday at the home of Mr. and Mrs. Al Peters for a "PULLUCK Valentine's party."

An old time round dance will be held from 8 p.m. to midnight Saturday at the Twin Falls Moose Hall. Live music will be by Lancaster's Band. A lunch will be served.

FILER — Peace Lutheran Women's Missionary League will meet at 2 p.m. Friday at the church. Mrs. Werner Kramer is hostess.

The MS and S Club will meet at 2 p.m. Wednesday at the home of Mrs. Linsy Grubb. Co-hostesses are Mrs. Rodney Requa and Mrs. Derj Mason.

The Single Men Club will have its Valentine dance Saturday night at the IOOF Hall in Twin Falls. There will be live music for dancing from 9 p.m. to 1 a.m. All single persons between the ages of 30 and 60 are welcome.

DOUBLE FAME
Cooperstown, N. Y., where Abner Doubleday is said to have devised the modern game of baseball in 1839, is the home of Erastus F. Beadle, who originated the dime novel, according to Encyclopaedia Britannica.

Melanie Fowler Is Engaged To William Bubak

JEROME — Mr. and Mrs. Sam Fowler, Orange, Calif., announce the engagement of their daughter, Melanie Coleen, to William Griff Bubak, son of Mr. and Mrs. W. J. Bubak, Jerome. Miss Fowler is a 1967 graduate of Orange High School and is now attending the College of Idaho, Caldwell, where she is majoring in physical education. Mr. Bubak is a 1967 graduate of Jerome High School and is also attending College of Idaho, majoring in social studies. The couple will be graduated in May, 1971. A June 4 wedding is planned at First Presbyterian Church, Orange.

MELANIE COLEEN FOWLER

War Mother Members Hear State Report

BURNEY — Members of Burley Chapter of the American War Mothers heard a report from Mrs. Katie Schmidt, state first vice president, during a meeting at home of Mrs. Hattie Boyd.

Mrs. Schmidt discussed the organization's Nurse's Fund and how it is used. The money in the fund is made available interest free to any worthy girl to help defray expenses of nurse's training and is to be paid back by the nurse when she begins work after completing her training.

The business session was conducted by Mrs. Irma Quannstrom, president of the chapter. Mrs. Rhubie McGinnis was appointed American Red Cross chairman, and Mrs. Myrtle Higley was appointed refreshment chairman. Both appointments were made by Mrs. Quannstrom.

Mrs. May Tanner gave a report of her recent trip to New York, and members presented her a book, "Golden Nuggets of Thought," for her years of service as chapter secretary. Contributing to the birthday fund included Mrs. Higley, Mrs. Tanner, Mrs. Inzel White and Mrs. Barbara Rogstad.

Refreshments were served by Mrs. Emma Ashcraft and Mrs. Higley.

EVELYN JEAN SILVA

Evelyn Silva, Kiler Disclose Wedding Plans

SHOSHONE — Mr. and Mrs. Corwin M. Silva, North Shoshone, announce the engagement and forthcoming marriage of their daughter, Evelyn Jean, to Keith Joseph Kiler, son of Mr. and Mrs. Alvard Kiler, Boise.

Miss Silva is a 1968 graduate of Shoshone High School and is a sophomore at Boise, State College, majoring in business. Mr. Kiler is a 1963 graduate

Newlyweds Are Honored At Reception

DEULO — Newlyweds, Mr. and Mrs. Dan Corin, were honored at a reception Jan. 10 at the home of the bride's parents, Mr. and Mrs. Alvord Anderson, Deulo.

The bride, the former Phyllis Anderson, Boise, and Dan Corin, Jordan Valley, Ore., were married in Winnemucca, Nev. They were accompanied by the bridegroom's parents, Mr. and Mrs. S. Corin, Jordan Valley, Lolise Scott and Gary Acordgotia.

The newlyweds greeted guests before a background of two tall white pedestal baskets of coral chrysanthemums, yellow carnations and fern, complemented by large yellow bows.

The bride wore a street-length, sheer floral dress with full pleated sleeves. Mrs. Shirley Dennis, sister of the bride, hosted the guests. Gifts were carried by Rny Anderson, brother of the bride, and arranged by Sheryl Anderson.

son, sister of the bride, and Jean Matthews. A white linen cloth edged with lace covered the bride's table that was centered with a three-tiered white wedding cake. Yellow and coral flowers and green leaves accented the cake which was displayed on a mirror. A miniature bridegroom and bride, with a dainty heart background, topped the cake which was baked and decorated by Mrs. Austin Walker.

The newlyweds cut the cake and were assisted in serving by Carmo Saxton, Patty Kild and Diane Gillette. They are presently residing in Boise, where both have completed their courses at Idaho Business College. The bride was graduated from Deulo High School and the bridegroom was graduated from Jordan Valley High School.

COUNCIL MEETS
WENDELL — Mrs. Ruth Lower hosted the recent Health Council meeting at her home. Mrs. Maito Lorain, president, introduced Mrs. Veronica Maus, Gooding County Health Nurse. Mrs. Maus presented the lesson using as her topic "Home Safety." The next meeting is scheduled for March 9 at the country home of Mrs. Howard Niccum.

Petal Pals Host Party

CASTLEFORD — The Castleford Petal Pals held its annual husbands party at the home of Mr. and Mrs. Marvin Cox featuring a smorgasbord supper. Guests were Mr. and Mrs. Carmelo Zamora, Mr. and Mrs. Jake Prutek and Mr. and Mrs. Jake Houspland. The yearbooks were distributed and after the dinner, the evening was spent visiting. The next meeting is March 13 at the home of Mrs. Jim Wheeler, with Mrs. Don Krafer as program chairman, presenting the program and conducting a workshop on "Terrariums."

Queen Named

WENDELL — Mrs. Irene Loosli has been named "Queen of the Year" by members of the Slipknot T.O.P.S. Club, with Mrs. Glenn Ruffing as runner-up.

Other business included plans for a Valentine's party to be held at the home of Mrs. Barbara Harley Friday. The "Queen of the Year" will be crowned at this time.

Quarterly queens named included Mrs. Midge Jasper, Mrs. Irene Loosli and Mrs. Glenn Ruffing.

Members received an invitation to attend the February meeting of the Home Improvement Club.

DEAR ABBY: My daughter is very much in love with an older man. He is very well-to-do and is known to everyone for his generosity and kindness. He has children by his deceased wife and is extremely considerate of them. He is constantly giving them expensive gifts. This man professes to love my daughter. He calls her and sees her often. He has told her that she is the only person in the world he truly loves, yet he has never given her any kind of gift. Not even at Christmas time. (She gave HIM a gift.) My daughter thinks that this man can do no wrong, and she idolizes him anyway. I am apprehensive. What do you think?
APPREHENSIVE MOTHER

prehensive" had this man given your daughter a costly "bauble" for Christmas. Perhaps he declined to do so at this point because of his reputation for his generosity. He didn't want her to feel that he was "buying" her love. Since your daughter "idolizes" him anyway, don't be so quick to point out his clay feet. They may be gold.

DEAR ABBY: Just a word to that mother who was lamenting the fact that her daughter was pregnant and unmarried. She agonized that she would never be able to hold her first grandchild in her arms.

Well, Abby, if that mother would just pull herself together and face facts, she COULD hold her first grandchild in her arms. She should welcome her daughter back, accept the child, and help bring it up, and help her daughter to make something of herself.

May I say that I will never hold a grandchild in MY arms, but not for the same reason as this lady. You see, my ONLY child is a homosexual.

Tell that lady I would rather be in HER shoes any day. She doesn't know what trouble is.
NAME WITHHELD

DEAR NAME: If you would face your situation realistically, you may come to the conclusion that while you do not want to accept it is not the most tragic in the world.

Many homosexuals live useful, happy lives. It is possible that a mother who has lost her child in death could conceivably be happy to change shoes with you.

DEAR ABBY: I have long been an admirer of yours, but I never thought I'd be writing to you. Perhaps I can help "Desperate," the middle-aged woman who felt that she was close to insanity because her husband was having an affair. May I try? I know how she feels because I have been there. You have some good years left. Use them. If you have an education, use it. If you haven't, get one, and get it in something marketable and suitable for an older person. Hospitals and social services are begging for qualified help, and you don't have to be a cutie in a miniskirt to get a job either. Help people in mental institutions. Don't end up in one.

Stiffen your backbone. Confront yourself: not to care too much about what your husband is doing, you can't do anything about it anyway. But learn to care for yourself. YOU can change. Yourself. Hate him if you must. Sometimes hate provides the push that love cannot. And while I have your ear, Abby, I want to tell you that you once gave the best advice I ever had. "If you act like a doorman, expect people to walk on you."

Well, I was, and they did. But not anymore. (sign me) "MAKING IT"

CONFIDENTIAL. TO A READER IN ORMOND BEACH, FLA.: Thank you for your intelligent though critical letter. You are right. I was wrong. I can learn more from thoughtful criticism than flattering praise.

What's your problem? You'll feel better if you get it off your chest. Write to ABBY, Box 8700, Los Angeles, Cal. 90089. For a personal reply enclose stamped, addressed envelope.

Cupid Makes World Go-Round

Constant reminders surround us these days that we exist in the new age of science, the age of technology, and test we had not heard, are on the brink of the "Dawning of the age of Aquarius."

In the midst of the impersonal scientific progress and technical sophistication of our era, and in spite of its confusion, inflation, and generation gaps, one warren really has endured to reassure us of our human individuality... LOVE!

Some sources refer to a Third Century cleric in Rome named Valentine who composed a kind note to his father's daughter after being imprisoned by the emperor. Thus, the first "Valentine's" Others say he was executed for performing marriage rites in defiance of the law. The emperor at that time wanted only his children in his army. Indeed, what present day challenge of the "Establishment" could resist this martyr for love?

Another theory places its origin in an old Roman festival. At the feast, honoring the god Lupercus, sweethearts were matched by chance as young people drew names of partners for the coming year.

FTD florists note that love makes the world go round, and in tribute they've designed a special Valentine arrangement for lovers everywhere.

Their design, called Love-Bundle, features pompoms, carnations, daisies, garnet roses and beecher. This charming "Love-Bundle" can be selected in any of the 12,000 FTD shops and an identical one will be sent to carry its message anywhere in the country.

In contrast to this Inter-city love-service is the story of the Indies in the days of King Charles II who, in participating in Valentine lotteries, would receive gifts from the men whose names they drew. Later, the romantic French made Valentine writing an art, but it was the ever-practical English who published a guide for the composers of these verses.

Encampment Has Gooding Social
The Southern Idaho Encampment Association of the IOOF held the annual social evening in Gooding at the IOOF Hall.

Ellis' TAMALES
GOOD! BETTER! BEST!
As long as love lingers, a special day dedicated to it will be praised by poets and plain people all over the world. Still, while computers emerge to give us the answers to almost everything, Valentine's Day remains a mystery, for nobody knows who really started it.

As long as love lingers, a special day dedicated to it will be praised by poets and plain people all over the world. Still, while computers emerge to give us the answers to almost everything, Valentine's Day remains a mystery, for nobody knows who really started it.

Another theory places its origin in an old Roman festival. At the feast, honoring the god Lupercus, sweethearts were matched by chance as young people drew names of partners for the coming year.

From earliest times, florists also played a part in Cupid's work. The Romans tried to honor the goddess of love many times during the year, and when chivalry reigned, flowers and poems were the only gifts exchanged by lovers.

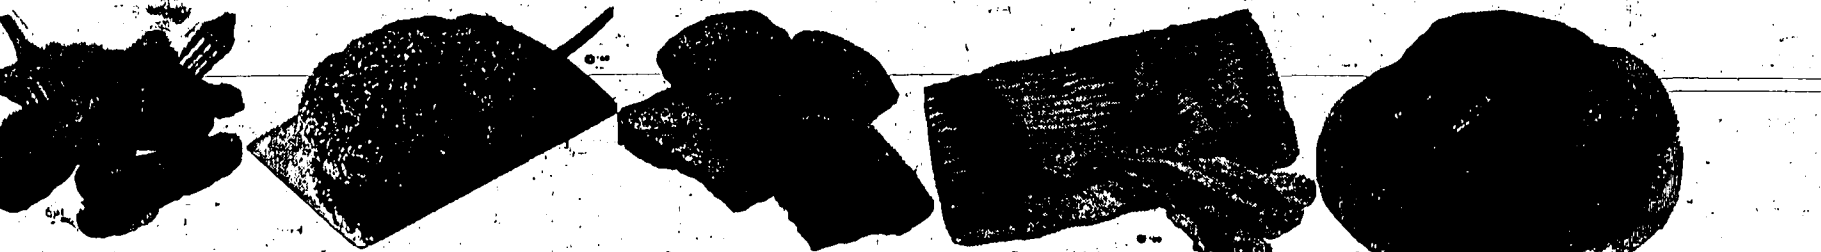

Today, even Florists' Transworld Delivery plays a major role in the chubby cherub's act. Electronic computers assist in the writing of the ever-practical English who published a guide for the composers of these verses.

DRAISED MUSHROOMS
Drain liquid from a 4-ounce can of mushrooms; thicken liquid with a bit of cornstarch and season with lemon juice and orange bitter. Add mushrooms and heat. Pour over hot baked Idaho potato and sprinkle with parsley.

A potluck dinner was held with vocal numbers by Edna and Ruth Harrison, Kgrfield, accompanied by Mrs. Goldie Ridgeway, Kimberly, Frank Markman and family. Mountain Home, played guitars and Boyd Harrison, the mouth organ.

Refreshments were served by the hostess, Mrs. Charles Hobbley. Mrs. Leo Hobbley is hostess for the Feb. 19 meeting. Members attended from Boise, Grand View, Bellevue, Jerome, Ketchum, Bellevue, Gooding, Filer and Rupert.

A NO-RISK PLAY FOR GRAND SLAM

Back in 1935, the Indianapolis team of Larry Welch, Rolly Buck, Joe Cain and Edson Wood played. He called for dummy's queen hearts at trick one. There was nothing to gain by not playing it.

One reason for their success was that they used the new-fangled Blackwood Convention as invented by their fellow townsman, Easley Blackwood.

Joe Cain was going to some slam the moment his partner gave him a positive response to his two-diamond opening. If Ed Wood, sitting North, had shown two kings, Joe would have counted to 13 tricks at no-trump; when he showed just the king, Joe settled for the diamond grand slam.

West North East South			
Pass 3 Pass 4 N.T.			
Pass 5 Pass 3 N.T.			
Pass 6 Pass 7			
Pass Pass			
Opening lead—♥10			

At the worst, either grand slam would depend on a club finesse. In diamonds, Joe felt that there might be some extra play.

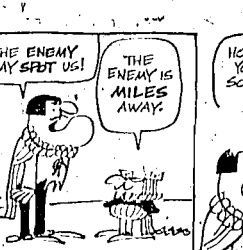

Then he played his ace of diamonds and noted that this drew both the adverse trumps. Then he cashed the ace of clubs and, when both opponents followed, he had found a way to make all the tricks without the club finesse. He simply cashed the king of clubs and ace of spades, entered dummy with the seven-of-trumps, discarded the jack of clubs on the king-of-spades, ruffed a club, entered dummy with the nine of trumps, ruffed another club, entered dummy with the jack of trumps and discarded his six of hearts on dummy's last club.

CARD SENSE

Q—The bidding has been: West North East South
Pass 2 Pass 1
Pass 3 Pass 2
Pass 4 Pass 3 N.T.
You, South, hold:
AKQ8 ♠43 ♦752 ♣A73
What do you do now?
A—Bid five clubs. Your hand is minimum but you have value.

TODAY'S QUESTION
Instead of bidding four clubs, your partner has jumped to five clubs over your three no-trump. What do you do now?

Australians Bait Rabbit Traps With Cans Of Rum

RUM AND RABBITS — That rabbits do a lot of damage to crops in Australia is not news. What's news is how trappers there catch those rabbits. Traps are baited with cans of rum. Rightly like rum, they are frequently seen to jostle one another at the trap doors to get inside, in and pass. They drink the rum and fall out. The trappers then go around with great gunny-sacks to collect the inebriate bunnies. Look, believe what you want, but I'm telling it like it is.

IF YOU WANT to keep the neighborhood dogs off your lawn, contends a veterinarian, sprinkle a thin line of tobacco all the way around your yard.

THE SLIDE-ROULE BOYS figure a 65-year-old man in his lifetime has devoted a total of 12 eight-hour workdays to the winding of his watch, if he has a watch.

GUNSHOT WOUND — Writes an Army medic, recently returned from Vietnam: "Did you know most any bullet wound doesn't hurt much, not right away? I've worked with a lot of guys who have been shot, and none of them seemed to get as much pain as, say, a man with a bad earache. Being shot usually is like getting hit with a whip, at least at first, and then there's some numbness before it starts to sting."

CUSTOMER SERVICE — "How long is my goldfish supposed to live?" A. About 25 years. That's not as long as your ostrich which is expected to go 50 years. But it's longer than your boa constrictor which is only good for 23 years.

Q. "WHEN WAS THE WORD 'Jitterbug' introduced into our language?" A. I can tell you sometime in the '30s.

SUPPOSE IT'S just nature's way, but fingernails grow fastest on people who bite their fingernails.

GILES HAIR STYLIST insists skin milk makes an excellent bribe — bodies. Look, believe what you want, but I'm telling it like it is.

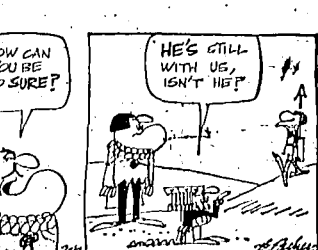

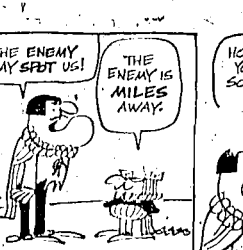

YOU CAN FIGURE just about three out of four of the men who go to jail today have been there before.

AM INFORMED THAT peanut butter originally was made with up on the warbling health foods. THE FLOWER EXPERTS say there's no such thing as a black blossom.

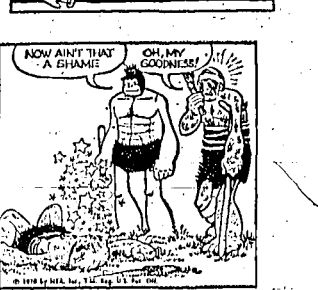

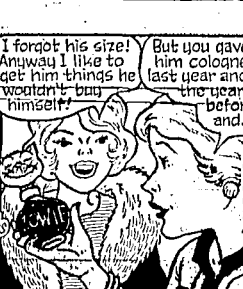

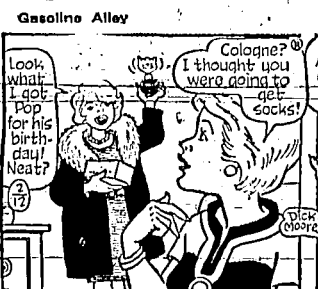

ODORS — Young lady, if you go with a fellow who works in a service station, you might as well give up on the wearing of perfume. He can't smell it. The gasoline fumes he breathes every day denude his sniffer. Or so it is claimed by a man of science. This handicap is temporary, it should be noted.

RAID REPLY — Yes, sir, it's true one out of every four babies born in Chinese, but, no, sir, that has nothing to do with the fact that most American couples want no more than three children.

Your questions and comments are welcomed and will be used wherever possible in "Checking Up." Please address your mail to L. M. Boyd, McNaught Syndicate, Inc., 60 E. 42nd St., New York, N.Y. 10017.
