

NFO Plans Control Of Crops

IDAHO FALLS (UPI)—Idaho members of the National Farmers Organization say they are going after control of 65 per cent of the crop next year in hopes of wresting control of the market from processors.

Del Ray Holm, Roberts, NFO potato committee member, said the group was "appealing to every potato farmer in Idaho threatened by the processor—and that means every one of us—to join with us whether they are NFO members or not."

Holm urged potato farmers not to sign contracts being offered by the processors. He called them "false security for the Idaho potato farmers."

He said he believed in contracts for the potato farmers if the farmer is the one who writes them.

"If we can write a contract that guarantees us the cost of production plus a reasonable profit, then we'll sign," Holm said. "But we feel we'll do better on the open market, banding together to control the flow of potatoes, and thus control the price we get."

Holm said the farmers were "sick and tired of signing cheap contracts for potatoes, delivering them to the processor and then having those potatoes put in storage to be used as a bargaining weapon against us to keep our price down."

Location Of Wounds Questioned

By RABUN MATTHEWS AUGUSTA, Ga. (UPI)—Two hospital examining physicians took issue today with a coroner's autopsy report stating all six men allegedly killed by police in racial violence Monday night were shot in the back.

The doctors, at separate hospitals, said they examined five of the men immediately after the shootings and four of them had chest wounds.

An unsigned preliminary report released by the office of Richmond County Coroner Nathan Widener Wednesday said autopsies showed the men, all Negroes, had been shot in the back. One man had nine wounds, another seven and a third five, the report said.

The FBI refused comment but confirmed it was conducting its own investigation of the slayings and the rioting that also injured more than 80 persons, about 25 by gunfire.

The city of 70,000, patrolled by National Guardsmen enforcing a dark-to-dawn curfew, was quiet for a second straight night Wednesday. But two other Georgia cities experienced racial unrest.

Gov. Lester G. Maddox sent 200 soldiers to Athens, Wednesday, where Negroes Tuesday night were protesting a desegregation plan that downgraded a formerly all-black high school. Police used tear gas to disperse demonstrators and arrested 72 persons. A rash of incendiary fires broke out.

Hundreds of blacks marched on the school board offices in Perry to protest the suspension of a black teacher, who allegedly urged students to boycott classes.

AN UNIDENTIFIED white man fires a shot into the air during an attempt by National Guardsmen to break up a large group of Blacks that gathered around a major auto accident in Augusta. Six lives have been claimed in racial violence in the Georgia city and tensions are still high today. (UPI telephoto)

Nixon Tells Agnew He Will Be On The Ticket

WASHINGTON (UPI)—President Nixon has personally assured Vice President Spiro T. Agnew that he will be on the Republican ticket in 1972. Scripps-Howard newspapers said today.

A Scripps-Howard reporter, Dan Thomason, wrote that the President talked with Agnew last week on the heels of criticism within the administration of some of the vice president's outspoken rhetoric.

"You're my vice president, not theirs," Nixon was said to have told Agnew.

Thomason said that the President did suggest that Agnew temper his public statements. Nixon added, however, that this was not an order for the vice president to keep silent but rather it was a suggestion that he tone down his rhetoric for the time being.

Thomason wrote that Nixon said he personally agreed with Agnew's assessments of those who precipitate violence on the nation's campuses and that he believes a majority of Americans share the vice president's feelings.

Burglary Ring Is Broken

WASHINGTON (UPI)—The FBI said today it had broken up a 14-state burglary ring responsible for 40 bank thefts, principally in the Southeast.

FBI Director J. Edgar Hoover announced the arrest of eight persons by FBI agents on charges ranging from burglary to conspiracy—in addition, one other person is being sought. Six persons already in jail were also charged.

Hoover said the 15 were indicted secretly by grand juries Tuesday in Atlanta and Knoxville, Tenn., after an extensive investigation by 20 FBI agents. He said the burglaries dated back to 1968.

Water Supply For West Is Adequate

WASHINGTON (UPI)—Water supplies in Western states this year will be mostly good to excellent with only a few areas of shortage, the Soil Conservation Service (SCS) reported today.

The SCS, in its final snow survey report of the season, said above-average streamflow from melting snow is expected for parts of Colorado, Montana, Wyoming and Idaho.

High-water damage may take place along the South Platte River in Colorado and several Montana rivers. Some snow depth in Montana were record high, the report said.

Below-normal streamflow was forecast for some parts of Arizona, New Mexico, Washington and California, and farmers and others depending on streamflow may face late-season shortages. But most areas served by large storage reservoirs will have ample irrigation water, the report added.

Highlights of the forecasts included: Colorado—Overall outlook good to excellent, but possible minor late-season shortages.

12 Heroes Get Medal Of Honor

WASHINGTON (UPI)—Twelve heroes of the Vietnam War were surronned to the White House today to receive the Medal of Honor from President Nixon.

The five soldiers, three sailors, two airmen and two Marines were cited for bravery "above and beyond the call of duty." All but one suffered serious wounds, and some were wounded three or four times.

These honored men: Army Hospital Chaplain SC David E. Ballard (Kansas City), Army Capt. Paul W. Bucha, Highland Falls, N.Y., Air Force Capt. James P. Fleming, Longview, Wash., Army Spec. 4 Frank A. Herd, Parma, Ohio; Navy Lt. Cmdr. Thomas G. Kelley, Kansas, Hawaii; Navy Lt. (jg.) Joseph R. Karrey, Lincoln, Neb.; Air Force Sgt. John L. Lawton, Highland, Calif.; Marine Capt. James E. Livingston, Tallahassee, Fla.; Marine Maj. M. Santo Vargas Jr., Coronado, Calif.; Army Sgt. Allen J. Lynch, Riverside, Ill.; Army Capt. Ronald E. Sawyer, Bowling Green, Ohio; Army Lt. Col. Charles C. Rogers, Dale City, Va.

U.S. Gets Tougher Over Peace Talks

PARIS (UPI)—The United States adopted a tougher stand at the Paris peace talks today, telling the Communists their attitude had become "intolerable."

U.S. Ambassador Philip G. Habib told the Communist negotiators the United States would be conciliatory at the negotiating table but "shall react accordingly" if Communist intransigence continues in Paris and if the Communists increase their attacks in Vietnam.

The Viet Cong and Hanoi negotiators, ending a one-week boycott of the talks, had told Habib that any more American bombing of North Vietnam territory would threaten the conference. Reported U.S. bombings led the Communist delegations to stay away from the talks last week.

Habib reminded the Hanoi and Viet Cong delegates that President Nixon declared on April 30 he was ready to work patiently for peace. Then he told them:

"We will be conciliatory at the conference table. But if you respond to our efforts for peaceful negotiations continues to be intransigence in negotiation and an increase in your military attacks, we shall react accordingly."

Habib said that instead of responding to allied overtures, the Communist "answer has been intransigence at the conference table, belligerence in Hanoi, massive military aggression in Laos and Cambodia, and stepped up attacks in South Vietnam, designed to increase American casualties."

"This attitude has become intolerable," he said.

U.S. Ambassador Philip G. Habib told the Communist negotiators the United States would be conciliatory at the negotiating table but "shall react accordingly" if Communist intransigence continues in Paris and if the Communists increase their attacks in Vietnam.

Cambodian Casualties Climb, Fight Continues

SAIGON (UPI)—South Vietnamese troops attempting to open Highway 1 between Saigon and Phnom Penh reported today they killed 100 guerrilla soldiers in capturing the Cambodian village of Kompong Trabek, about midway between the two capitals.

Government casualties in the battle Wednesday were put at 18 dead and 63 wounded.

The fighting brought to at least 5,700 Viet Cong and North Vietnamese reported dead in the Allies' two-week-old Cambodia offensive.

American losses have been put at 104 dead and 466 wounded with government units having lost an estimated 300 killed and 1,500 wounded.

The South Vietnamese who took Kompong Trabek pushed westward this morning in an attempt to link up with other Saigon troops pushing eastward down Highway 1 from Neak Luong, the river crossing 50 miles inside Cambodia captured by government marines Sunday.

The Kompong Trabek fight was the heaviest reported in the morning communique. Field reports said three Allied aircraft were used to maintain order at some college campuses today as students continued their second week of protesting the Indochina War and deaths of four Kent State University students.

About 40 students were arrested at Northwestern University in Evanston, Ill., for invading a campus ROTC Building and smashing windows. Four Molotov cocktails were thrown into the administrative offices of Northern Michigan University in Marquette.

Southern Illinois University was ordered closed early Wednesday after more than 3,000 students marched to the Foreign Legion and House members they should vote against the proposal.

Three million people of Senegal, Okla. American Legion commander, and Ray Gallagher of Redfield, S.D., the VFW commander, told a news conference they came to Washington to impress the views of their membership on legislators and news media, and to pledge their support to President Nixon.

"We are going to let the silent majority speak out against these proposals to pull out of Vietnam," Patrick said.

Washington (UPI)—The national commander of the American Legion and Veterans of Foreign Wars criticized legislation Wednesday that would cut off funds for U.S. operations in Cambodia as "a stab in the back for our boys in combat."

They called for a nationwide campaign by the organizations more than 6 million members to "sway senators and House members they should vote against the proposal."

Three million people of Senegal, Okla. American Legion commander, and Ray Gallagher of Redfield, S.D., the VFW commander, told a news conference they came to Washington to impress the views of their membership on legislators and news media, and to pledge their support to President Nixon.

"We are going to let the silent majority speak out against these proposals to pull out of Vietnam," Patrick said.

Official Hit When Cream Pie Appears

WASHINGTON (UPI)—A young man expressed his distaste for the establishment Wednesday by hurling a cream pie in the face of Gov. M. Larsen, a member of the U.S. Commission on Obscenity and Pornography.

Larsen, a gray-haired professor of sociology from the University of Washington at Seattle, took it with a grin.

"What he wanted was outrage," he said later. "I refused to engage in physical interaction with him."

Thomas Forcade, 27, dressed in the black robe and white collar of a clergyman, hurled the 10-inch pie at Larsen after reading a 1,000-word statement, containing language usually considered obscene, at a hearing by the commission in the Senate Office Building.

"Engaged in Witch Hunt!" He denounced "this unconstitutional, illegitimate, unlawful, prehistoric, obscene, absurd keystone committee," which, he said, has been "engaged in a blatant McCarthyesque witch hunt."

The committee heard Forcade out and even listened to his tape recording of folksinger Bob Dylan singing, "You Don't Know What's Happening, Do You, Dr. Jones?" while he read off a list of 15 underground newspapers he said "have been victims of censorship in the last three years."

Then Larsen asked him why he called the hearing "McCarthyesque" and "Inquisition."

Forcade, who is projects coordinator for Underground Press Syndicate, an organization of underground newspapers, advanced to the commissioners with a cardboard box. He pulled out and distributed a mimeographed sheet labeled "pie power," reached into the box and produced the pie and splattered it against the right

side of Larsen's head. Two policemen in the room tensed but did nothing, awaiting instructions.

A 3-year-old blonde girl, the daughter of one of the dozen people in Forcade's entourage, called out, "—off."

WASHINGTON (UPI)—A phase research effort has been aimed at finding the cause of a serious potato disease outbreak in Idaho that presents a potential threat to the potato industry.

Idaho State University and the Aberdeen branch experiment station of the University of Idaho are jointly fighting the problem with the help of ISU's \$11,000 tuber admittation center for radiolabeling.

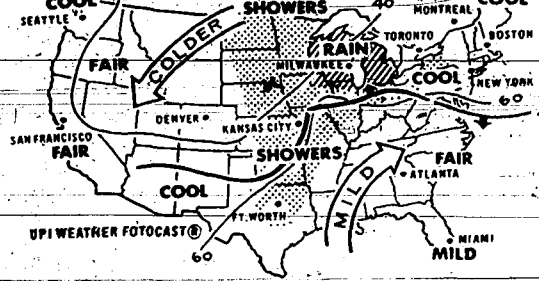

Members of the cooperative research team are Dr. J.R. Davis, assistant research professor of plant pathology at the Aberdeen station, and Dr. Gyaneanwar P. Khare, assistant professor of microbiology at ISU.

Housing WASHINGTON (UPI)—The chairman of the Federal Home Loan Bank Board today urged quick House approval of President Nixon's emergency housing legislation.

Preston Martin said in a prepared speech at a meeting of the Producers Council that speedy passage of the legislation is necessary if the nation is to meet its 1970 goal of starting construction on 1.4 million housing units.

# Daily Weather Report

PREVIEW OF ESSA WEATHER BUREAU FORECAST FOR 7:00 A.M. EST 5-15-70

**DURING THURSDAY NIGHT,** showers will occur along with thunderstorms over the Northern and Central Plains, and from upper Texas through the Mississippi Valley and across into the Ohio Valley. Rain and shower activity will be noted in the Lakes Area. Clear to partly cloudy skies should prevail elsewhere. No major temperature change is expected from last night, with the exception of cooler weather in the Northern Plains and the Rockies.

## Phoenix Girl Wins Miss Title

**MOBILE, Ala.**—(UPI)—A slender blonde teenager from Phoenix, Ariz., who wants to represent "the better side of youth," began her reign today as America's 1970 Junior Miss. Karen Stenwall, 19, composed after the excitement of winning the title over high school seniors from the other 49 states Wednesday night, said she considered it "a great honor and responsibility."

"I'm going to try to represent youth in a positive way. There have been so many demonstrations. I would like to represent the better side of youth."

Karen, one of six blond sisters in a family that has no boys, accepted the crown from 1969 title Jackie Benington of Huntington Beach, Calif.

The pageant finals, hosted by singer Jimmie Rodgers, was nationally televised.

"I wasn't nervous when they were naming the winners because I didn't think it would be me," she said.

"I was shocked when they picked me. I don't think I realize it even now."

Miss Connecticut, Carol Elizabeth Buckland, 17, of Farmington, was first runner-up; and Laura Elaine Boyette, 18, of Jackson, Miss., second runner-up.

The other finalists were Rhoda Kay Martin, 17, of Huntington Beach, Calif., and Debbie Ann Steiner, 17, of Elm Grove, Wis.

## Miss Chadwick Is Club Guest

**FILER** — Lila Chadwick, Filer High School "Girl of the Month," was introduced to Kiwanis Club members at the luncheon meeting in the United Methodist Church—fellowship hall.

Robert Bankhead, program chairman, presented State Sen. John Barker and State Rep. William Roberts. Mr. Barker spoke on the proposed changes for the state constitution, pointing out outmoded laws which need changing.

**Funeral Services Is Studied**  
Edward Joseph Eagan-Rosaty, 7:30 p.m. today, Our Lady of the Snows Catholic Church, Sun Valley; Requiem Mass, 10 a.m. Friday, Our Lady of the Snows Church.

William Moore, 10 a.m. Saturday, Joseph Payne Memorial Chapel, Rupert.

**Formation of a Twin Falls branch of the Greater Sawtooth Preservation Council** was discussed here Wednesday night, to try and solidify efforts throughout the state to protect the Central Idaho mountain regions.

About 30 persons attended a meeting at the Idaho Power Auditorium to see a series of slides taken in the area and to hear Dick Meyer, president of the Ketchum chapter of the council, outline the group's plans.

The prime problem, Mr. Meyer pointed out, is to find another meeting during the last week of this month, if possible, to hear council officers and forest and park service representatives discuss the proposal. Arrangements will be announced.

## Private Rites Set Friday For Dr. Theophilus

**MOSCOW, (UPI)** — Private funeral services are scheduled here Friday for Dr. Donald R. Theophilus, president emeritus of the University of Idaho, who died at his home Monday of an apparent heart attack. He was 71.

A memorial service was scheduled this afternoon on the University of Idaho campus where Theophilus served as president from 1955-65.

## Bridge Results Are Reported

The Magic Valley Duplicate Bridge Club met Wednesday afternoon. North and south winners were Mrs. B. E. Stande and Mrs. Harmon Munday first; Mrs. C. R. Tucker and Mrs. Roy Hill, second; Mrs. V. L. Keltley and Mrs. J. T. Shelby, third.

East and west winners were Mrs. M. V. Cook, and Mrs. H. E. Burgess first; Mrs. J. P. Pettinussen and Mrs. A. M. Russell second; Mrs. A. M. Kingsbury and Mrs. A. J. Meeks, third. Next week the club will hold tournament play.

# Survey Notes Cost Of Bridge Closure

Load restrictions on the Perrine Bridge are costing 23 Twin Falls firms an estimated \$226,000 per year in additional operating expenses, according to testimony of the Chamber of Commerce, which will be presented to the Senate Public Works Subcommittee on Roads.

The subcommittee will begin hearings in Washington, D. C. next Monday on Senate Bill 3242, which could provide funds for replacement of the Perrine Bridge. Ray Rostron, manager of the Chamber of Commerce, said today.

A letter of statistics supporting the bill and emphasizing the need for the new Perrine Bridge will be submitted at the hearing, along with letters of endorsement from Twin Falls Mayor Frank Feldman, the Twin Falls County Board of

JOHN BLAYIE

Others elected are Doug Bland, vice president; Carolyn Rhodes, secretary; Karen Schow, treasurer; Phyllis Champlin, Pep Club president, and Sue Johnson, Girls League president.

## Computer Has Medic Alert Data

In as little as 10 seconds, an Idaho doctor now can obtain the medical background of any of the state's 1,500 residents who are registered with the Medic Alert Foundation.

The California-based organization serves people with hidden health problems. More than 250 Idaho residents have recently joined Medic Alert during a promotion started by the Life Underwriters Association.

To provide speedy service a computerized central answering file has been installed in the foundation's headquarters at Turlock, Calif. Seconds after a call is received, vital information can be given authorized personnel anywhere in the world.

Medical records of nearly 400,000 people wearing Medic Alert emblems because of diabetes, heart condition, epilepsy or other such non-obvious medical conditions, are contained in the computerized file.

The recent surge by Idaho residents joining the foundation is one of the highest percentage gains in the nation, according to Dr. Marion C. Collins, founder and president of the foundation.

## Hearing Asked

Wayne Walker, Twin Falls, requested a preliminary hearing Wednesday afternoon when he was arraigned in Probate Court on a charge of grand larceny.

He was arrested by Twin Falls County Sheriff's officers and charged in connection with the theft of an electric head pulley, valued at about \$1,000.

Commissioners and the city Highway Advisory Commission.

A survey of the 23 major firms which utilize trucks in their operations determined the estimated additional costs of \$226,000 per year, in additional miles traveled and time of employees, Mr. Rostron said.

In addition, it was reported that one firm, which was not named, had considered placing a terminal in Twin Falls, but has decided against the project, due to the load restrictions on the bridge.

Highway 93, which passes through Twin Falls and across the Perrine Bridge, is one of only three north-south highway routes in Idaho, and is the longest north-south highway route in the nation, running from Mexico through the United States and north to Alaska. A traffic count of the Idaho Highway Department listed 6,500 vehicles crossing the bridge per day, and 2,872,500 vehicles per year, Mr. Rostron said.

LAURENCE VINCENT, of Filer, Twin Falls and Idaho Junior Miss, is in the spotlight on the big stage during the Junior Miss Pageant at Mobile, Ala., during her creative and performing arts presentation. Though Miss Vincent was not named national Junior Miss, her parents, Mr. and Mrs. Roger D. Vincent, were commended as the "most congenial parents," it was reported today. Miss Karen Stenwall of Phoenix, Ariz., was named Junior Miss at the pageant.

Cost of educating students in the nation's public schools has more than doubled in the past decade.

## Bee n Feeling Like Eskimo?

Think it's cold for this time of year? You're right - it's colder in Twin Falls than in Juneau or Fairbanks or even Anchorage, Alaska!

And it's much colder than it was a year ago, according to the Weather Bureau.

In an unusual twist of figures here Wednesday's highest reading of 50 chilly degrees was exactly the same as the lowest reading a year ago, on May 13, 1960. An d, twisting things around even more, Wednesday morning's lowest of 38 neatly reversed the figures of the high on May 13, 1959 - 83.

And in Chulym Alaska, Juneau recorded a nifty 67. Fairbanks a warm 74 and even Anchorage, with 57, was warmer than chilly Twin Falls on Wednesday, May 13, 1960.

Twin Falls - Buhl - Burley - Rupert

NEW YORK (UPI)—Excelsior and careless use of hair spray, bleaches, permanent wave lotion and other hair cosmetics preparations contribute to scaling and dryness of the scalp, warns Dr. I. Lubow, a New York dermatologist. He recommends shampooing regularly, once a week if the scalp tends to be normal or dry, and twice a week if hair is over-medicated. Shampoo if the "popular brands" prove unsatisfactory.

Consumer Guard?

According to Ralph Nader, the nation's No. 1 consumer crusader, "corporate crime" is in some respects a far greater problem in this country than street crime.

Yet 10 years before, the Ford Motor Company tried plugging safety in its advertising, touting such items as a deepdish steering wheel designed to cushion an impact.

BRUCE BLOSSAT

WASHINGTON (NEA) — In Florida, the St. Petersburg Times' countywide (Pinellas) poll giving Rep. William Cramer a 61 to 11 edge over G. Harold Carswell for the U.S. Senate in strongly Republican territory indicates a big batch by President Nixon's political operatives here.

Washington (NEA) — In Florida, the St. Petersburg Times' countywide (Pinellas) poll giving Rep. William Cramer a 61 to 11 edge over G. Harold Carswell for the U.S. Senate in strongly Republican territory indicates a big batch by President Nixon's political operatives here.

The Goof On Carswell

On the other hand, that sympathy might now be at its peak. And his entry into the race has infuriated many established GOP figures who see him as Kirk's prize lever in the governor's long feud with Cramer over political power in Florida.

THE CORN IS AS HIGH AS AN ELEPHANT'S EYE

GEORGE C. THOSTESON, M.D. Swelling Eyes

Dear Dr. Thosteson: I am 34 and have six children. Every time I get my period my eyes swell nearly shut. I don't need a calendar — the day period is due, my eyes are swollen, and by the fourth day I look terrible.

His Pitch

Willie (the Actor) Sutton has indeed reformed. The convicted bank robber who became something of an underworld legend and was paroled last Christmas Eve after spending 17 years in prison, has a new calling; unofficial spokesman for the men he left behind in prison.

Pay prisoners a living wage, he said, so they can pay their own way and help support their families. "My idea," Sutton said, "is that they should get a living wage, be able to pay for their own food, laundry and clothing and be able to send money home."

ROBERT ALLEN AND JOHN GOLDSMITH Orbit Agnew?

WASHINGTON — While the Chinese Communists have been proudly touting their new space satellite, some experts here have been wondering whether Peking's first space launch would entirely go as planned.

WASHINGTON — Postmaster General Winton Blount is a nice man, with an easy, eye-licking smile, and he sounds like what he is — a highly successful and efficient businessman.

MR. SPECTATOR

No Simplicity

The movie industry has classified its product from "G" for General to "X" for Verboten but it hasn't been able to classify the customers of that product.

How many potential ticket-buyers are roaming around looking for a nice "G" picture, asks the writer of an article in Film Bulletin, suggesting some sort of census of movie-goers or potential movie-goers.

ANDREW TULLY A Nice Man

WASHINGTON — Postmaster General Winton Blount is a nice man, with an easy, eye-licking smile, and he sounds like what he is — a highly successful and efficient businessman.

ex-senior vice president of Texas Eastern, finance and administration.

Blount also talks modern, board-room sense. He tells of cancelling the new \$130 million post office planned for downtown New York City.

BERRY'S WORLD

"I don't know why you continue with tobacco after having seen all those Tony Curtis TV spots!"

JOHN CATO, LEFT, residential marketing representative for the Idaho Power Company in the Buhl district, receives the Wall Street Journal award as the outstanding 1969-70 business graduate of Boise State College from Dr. Robert E. Rose, dean of the BSC business and administration school.

### Wall Street Journal Honors Buhl Man As "Outstanding Graduate"

**BOISE** John Cato, residential marketing representative for Idaho Power Company's Buhl district, last week was honored with the Wall Street Journal award as the outstanding 1969-70 business graduate of Boise State College.

Cato, who graduated in December and joined the utility earlier this year, received the honor at the annual awards assembly of Boise State's school of business, and public administration.

The award was presented to Cato by Dr. Robert E. Rose, business administration school dean.

It consists of a plaque bearing Cato's name that will hang permanently in the business administration school building, an engraved desk paperweight and a year's subscription to the national business publication.

Cato, who entered Boise State after service with the U.S. Air Force that included 15 months on the island of Taiwan, graduated with a 3.86 grade point average out of a possible 4.

He also won listing, on nomination by Boise State officials, in "Who's Who in American Colleges and Universities."

Cato, interviewed following the award presentation, said he was "proudest" of the fact that he completed the business school's four-year program in only 2 1/2 years. To do so, he attended regular sessions, summer school and evening classes.

While at Boise State, he was a charter member and vice-president of Alpha Kappa Psi, national professional business fraternity.

Cato is of the Esquires, service organization composed of men who are veterans of duty with the armed forces.

### Passes Bills

WASHINGTON (UPI)—The House passed and sent to the White House Tuesday legislation to rename the Kaysinger Bluff Dam and Reservoir on the Sage River in Missouri the Harry S. Truman Dam and Reservoir.

Truman may not take kindly to it, however. The bill puts a period after the "S" in his name. He never has, taken the position the S didn't stand for anything and therefore was not an initial.

### News Of Servicemen

**LT. Col. Richard L. Barth**, son of Mr. and Mrs. Cleo H. Barth, 1155 11th Ave. E., Twin Falls, has been awarded a safe-driving citation while serving with the Second Armored Division at Ft. Hood, Tex. Col. Barth received the award for driving military vehicles for six months with no accidents or traffic violations. He is commanding officer of the division's 502nd Supply and Transport Battalion.

Col. Barth entered the Army in February, 1952, and has also received the Legion of Merit, the Air Medal, two awards of the Purple Heart, four awards of the Army Commendation Medal and the Bronze Star for heroism.

Airman Dana A. Samples, son of Mr. and Mrs. Ted Samples, Twin Falls, has been graduated at Sheppard Air Force Base, Tex., from the U. S. Air Force pharmacy specialist course.

He finished the course with honors and is being assigned to San Vito Air Station, Italy, for duty with the U. S. Air Force in Europe.

He is a 1965 graduate of Twin Falls High School and received his B. S. degree in 1969 from the Oregon College of Education.

Sgt. Larry A. Mickelsen, 28, son of Mrs. Ruby M. Mickelsen, Rupert, has re-enlisted in the Army for six years. His re-enlistment was made while serving with the Third Infantry Division near Schweinfurt, Germany.

He is a radio team chief with Headquarters Co., 1st Battalion of the division's 30th Infantry and has been in the Army since 1958.

**Mothers Honored At Burley**

BURLEY—All mothers were honored with a special Mother's Day program and luncheon at Burley Elks Hall. The annual event was sponsored by Burley Elks Lodge No. 1384. Each mother was presented a carnation upon arriving at the lodge hall.

The Mother's Day program was opened by W. Benny Sprague, exalted ruler. Karlhagen Buckley, Oakley senior, sang "Granny" and "My Mother's Prayer." Mrs. Charles Peugh was the accompanist at the piano. "A Tribute to Mother" was given by Mr. Sprague.

The Mother's Day ritual was conducted by Mr. Sprague, exalted ruler, Charles Shaduck, leading knight, James Skiles, loyal knight, Jerry Anderson, lecturing knight George Korb, esquire, William Howard, chaplain, Kirk Pickett, inner guard, and Frank Langer, tiler.

A buffet luncheon was served under the direction of Warren Mohrlang, secretary-manager of the lodge, in the dining room with about 200 attending.

**News Of Servicemen**

Sgt. James Braun, son of Mr. and Mrs. Herman Braun, north Shoshone, arrived home this week after his discharge from the Army Forces. He took basic training in Texas, spent time at Lowery Air Force Base in Denver, Hill Air Force base in Ogden, was stationed in the Philippines, was in London two years, and had temporary duty in Italy, Germany, France, Denmark, Spain and Libya in North Africa. He was able to tour Switzerland, Austria, Belgium, Ireland, Norway, and Scotland. He was a weapons technician.

Enroute home from New York, he purchased a car in Detroit, visited in Hastings, Neb., where he picked up his grandmother, Mrs. Frances Mangers, who is now visiting the Kemera in north Shoshone.

Sgt. Edward R. Clements, Idaho Falls, son of Mr. and Mrs. Ed Clements, Jr., Idaho Falls, and his grandmother, Mr. and Mrs. Ralph Larsen, Glens Ferry, is in Vietnam, in air tower control at Cameron Bay. He left from McCord Field May 3. The Clements formerly resided in Glens Ferry.

**Man Feted Upon His Retirement**

HAGERMAN—Randall ("Tut") Fruit was honored at a dinner held recently at the Sportman Lodge by fellow employees at the Federal Fish Hatchery. Mr. Fruit was recognized for his long years of service having spent the entire 26 years in service at the Hagerman station.

Mr. Fruit was presented a commendable service medal award from the Portland office. Mr. and Mrs. Fruit are making their home in Hagerman.

CHILL THE BURN EVAPORATOR (UPI)—Ice or cold compresses kept continually on a burn for 30 minutes are the preferred first-aid treatment, says Dr. Harvey Krawitz, pediatrician at the Northwestern University Medical School.

OAKLEY—New officers were installed for the Oakley PTA and two school employees announced their retirement. Students presented a musical program.

Mrs. Ken Rosecrans was installed as the new president for 1970-71 school year. Other officers include: Mrs. Vaughn Woodhouse vice president; Mrs. La-Tanner, secretary and Mrs. Betty Jane Fairchild, treasurer.

Mrs. Ann Woodhouse was installing officer. Retiring officers were Kent Hale, president; Francis Simmons, vice president; Sandy Napier, secretary; and Verla Adams, treasurer.

Mrs. Althera Hardy, a teacher in the Oakley Elementary School for the past 38 years, who is retiring, received a tribute and a gift from the PTA. Mrs. Nellie Hale, a hot lunch cook for the past 18 years, who is retiring, also was presented a gift from the PTA. Musical entertainment was presented by the fourth grade students under the direction of Mrs. Hilton Matthews. Mrs. Nell Swan was the accompanist. The C. B. Webs, a sophomore singing group, sang two selections.

**News Of Record**

LINCOLN COUNTY Clerk's Office

Warranty Deeds were filed by Mr. and Mrs. Roy S. Bate, to Mr. and Mrs. Hazel B. Paulsen, George W. Fallon to Edward Haak, Mr. and Mrs. James Pale to Mr. and Mrs. Vern Spencer, Mr. and Mrs. Richard G. Saville to Mr. and Mrs. Kenneth Thayer.

Quit Claim Deed was filed by Dorothy Luce to Dorothy E. Johnson; William Towns, Jr. to Helen Thiel; Walter E. Baker to Arnold Bridge.

Decree of divorce was granted Mrs. Gloria G. Connelly from John W. Compeley.

**Valley Traffic Courts**

Twenty persons were fined by the Bliss Justice of the Peace Ruth Parsons for speeding. They are Raymond Schlemmer, Twin Falls, \$17; Dale Durham, Pocatello, \$10; James King, Meridian, \$17; Allen Stanton, Twin Falls, \$25; Jones N. Pratt, Boise, \$17; Brett E. Staples, Twin Falls, \$10; Jeffrey C. Crumbrine, Nampa, \$20; William J. Long, New York, \$20; Dale Hamilton-Lorenzo, \$10; Dennis D. Abo, Hayden, \$25; James E. Reddy, Howe, \$17; Leland Cluff, Hagerman, \$10; Tom A. Lopez, Elgin, \$17; Ray Muir, Idaho Falls, \$10.

Others fined for speeding were: Norman Baepler, Twin Falls, \$15; Joseph Sagera, Gooding, \$20; John M. Swan, Boise, \$20; Carl H. Hulse, Boise, \$22; Leland Francis, Boise, \$10; and Larry B. Barnes, \$21.

Others fined by the Bliss Justice were Dale Durham, Pocatello, \$5, failure to carry drivers license and James W. Mechem, Bliss, \$5, expired safety inspection sticker.

HEAVY TIERS (UPI)—Three steel alloy ball weighing 500 pounds from a 17th Century chapel by lowering it down a 4-foot tower, police said.

# Police in Columbia, S.C., Site of University - Arrested at Least 104 Persons on Charges

At Northwestern University, police took the names of those arrested, then released them to avoid a possible clash with a larger group milling around the area. The 33 had been charged with criminal trespass and criminal damage to property.

# Attention: All Potato Growers in Central Idaho

The J. R. Simplot Company has been unsuccessful after continuous negotiations in good faith, in negotiating a potato growing contract with the Potato Growers of Idaho, Inc. for the 1970 crop season for Russet potatoes. It can announce, however, that it has successfully concluded such an agreement with the Matheur Potato Bargaining Association for the 1970 season.

Because the company must at this time insure a part of its raw product requirements, it is now offering a contract and taking applications from potato growers who are able to contract with the company. The company recognizes that it cannot contract individually with growers who are members of the Potato Growers of Idaho, Inc., and it will not do so. As to all other Idaho growers, we will be pleased to receive applications.

The contract we are offering this year in your area calls for a payment of \$2.35 cwt. for U. S. No. 1 potatoes; and \$1.05 per cwt. for U. S. No. 2 processing grade making 20-23% 10-oz. and 55% No. 1. This is an increase of 8 cents for U. S. No. 1 and 5 cents for U. S. No. 2 processing grade.

Our records indicate that growers in your area last year who contracted with us received from \$1.17 to \$2.20 and averaged \$1.78+ per cwt. for U. S. No. 2 processing grade and better. We feel this year's contract should return the average grower \$1.85 per cwt. for the same average delivery. In addition, we pay haul allowances on your deliveries up to 12.8 cents per cwt. for all potatoes meeting the requirements of U. S. No. 2 processing grade or better.

Once these potatoes are delivered to our designated receiving points, you have no further costs involved in your crop. Our company incurs the additional costs of fieldmen's expenses, labor at storage points, storage equipment costs, storage costs, shrink, and final delivery to production lines.

Those of you who contract on an out-of-storage basis receive consideration for these costs.

Additional contract changes have to do with our rejection clauses, your responsibility in harvesting procedures, and the use of peeling to determine damage from bruises. Contact our fieldmen for contract details.

We continue to pay premiums for size and quality and penalize for below-average size and quality. Poor potatoes cost you money, and cost us money. We can't use dirt, bruised potatoes, rot, green, or internal defects.

As always, good growing and harvesting practices will produce a better crop and better cash yield to you.

J. R. Simplot Co.

Food Processing Division, Heyburn, Idaho

Phone 678-2272

# Highway Board Is Charged In Suit

BOISE (UPI) — The widow and children of a man killed in a Caribou County traffic accident filed suit Wednesday against the state highway board and Caribou County commissioners.

Mrs. Sims, widow of Charles L. Sims and guardian of his three surviving daughters, alleged the defendants brought about her husband's death through negligence in highway maintenance.

Her complaint contends Sims was fatally hurt last July 15 when the pickup truck he was driving hit an oil slick on the asphalt paving eight miles east of Lava Hot Springs on highway 30N.

Filed in Fourth District Court, the suit was the first brought against the state and one of its agencies since the supreme court knocked out sovereign immunity in proprietary functions April 27.

However, in handing down that ruling Justice Charles R. Donaldson said the opinion would affect all future actions of the state 60 days after remittitur is filed with the district court. That remittitur cannot be

LOCAL JUNIOR HIGH school youngsters who received recognition during a recent industrial arts fair in Boise Valley were, from left, Mark Morrow, second; Bruce Bird, first, and Dan Sears, fourth. They are all students and Robert Stuart Junior High School. Several Twin Falls High School students also were awarded top places in the competition with industrial arts students from throughout the state.

## Students At Twin Falls Schools Win State Industrial Arts Fair Awards

Students from Twin Falls High School and Robert Stuart Junior High School walked away from the first annual industrial arts fair held recently at Karcher Mall near Nampa with prizes, ribbons and certificates of achievement.

The students, instructed by Bill Jacobson at the high school and Keith Farnsworth at Robert Stuart, entered projects ranging from drafting and design, to metal work and woodworking.

First place winners from Twin Falls were Tom Bulmer, first in the 10th grade division of drafting and design, and Bruce Bird, first in the seventh grade wood carving. Mark Morrow and Dan Sears, also seventh graders at Robert Stuart, received second and fourth, respectively.

Other winners from the high school were Curtis Nelson, second and third place, 10th grade division, metal work; Don Zuck, third, 12th grade division, metal work; Doug Seckoff, third in 10th grade drafting and design; Bill Rogers, fourth place, 10th grade metal work, and Mark Poulton, fourth place, 12th grade metals division.

First place winners received watches and second place winners received transistor radios.

The local projects submitted were among more than 100 in the contest, which was judged by professional individuals from related trades.

## Benefit Auction Slated For Day Care Center

Generous Twin Falls merchants who promised to donate a wide range of items to a planned drawing for the Twin Falls Day Care Center have spurred plans for a major professional auction instead, according to Mrs. Marcia Adams.

Mrs. Adams, who is spearheading the auction drive to raise funds to keep the child-care center open until fall, said the auction will be held at the Lynnwood shopping center.

Originally, a drawing was contemplated, with tickets sold to raise the funds, but local merchants agreed to donate such a wide range of merchandise that the auction plans developed, Mrs. Adams said.

Merchandise is needed from anyone wishing to get rid of a "white elephant," in addition to the items already promised, Mrs. Adams said. She can be reached through the Tropicarium, telephone 733-8070.

# State Track Meet To Open Here Friday

## Wendell, Glens Ferry, Wood River And T.F. Are Rated Contenders

Four Magic Valley teams will be shooting for state championships in the three-day Idaho track and field meet Friday evening and all-day Saturday at Twin Falls' Bruin Stadium.

Twin Falls will be battling Highland and Nampa for A-1 honors. Wood River takes on Payette and Bishop Kelly in the A-2 field and Glens Ferry and Wendell will be chasing Homedale for the A-2 events.

The meet, first state held in Twin Falls in many years, opens with four Class A-1 finals Friday evening along with 24 running preliminaries in the A-1 and A-2 sprints and hurdles. Action resumes at 8:30 a.m. Saturday with A-2 and A-3 field events, plus all three classes in the three-long distance events. The final nine races will start at 1 p.m. In each case, A-2 and A-1.

All three classes will be light. In the A-1 event, it appears the SIC format is pretty closely followed although Twin Falls and Highland will be bringing more men to this one. Undeclared, Twin Falls will have its sternest test of the year against Highland which now boasts a healthy Steve Gerwick, who could get two individual titles. Nampa will be strong but it would appear that Twin Falls and Highland hold the place as they did in the SIC. Nampa's best shot will be third place. But it is tight enough that a dropped baton or a faulty individual effort by either of the two could hoist the Bulldogs into strong contention.

Twin Falls' first major test comes Friday night and Tuesday when Billy Miller and Jack Robertson against Nampans' Larry Warren and Mark Miller can go at least two-three in the 100-yard dash with a good possibility of going one-two as they did in the SIC. But the short dash is too tickle to predict.

Except for Twin Falls' pole vault punch, the Bruins and Highland will be battling almost exclusively on the track. Nampa has two more men in the field events and is depending on distance running and the hurdles to fulfill its title hopes.

Should things go the way they easily could, the 800-yard run could be the biggest race of the day as it comes late in the program and will pit the three chief contenders. In the SIC meet, Nampa's Huling won in a tight race with Highland's Dave Cleaves two yards back and Twin Falls' Jack Cooper a half-chest beyond in third. None of the three is ready to call it

convincing. Cooper and Cleaves have split four races.

The other individual bright spot on the track from this area is Minico's Randy Hubsmith who will be battling Gertsch in the 220 and 440-yard dashes. Hubsmith looks like a paper thin favorite in the furlong with Gertsch holding the quarter edge.

Minico's Bernard Schell is the big favorite in the high jump and another Spartans, Sam Hoskins, could take the broadjump honors but that event is about as predictable as the 100-yard dash. Jackson of Burley could get points there and Burley's Johnson could place in the discus.

Not all the reports have been available from the six A-2 regions but with five of them, comparative times and distances make it appear that Wood River and the one-two third district teams have the best depth. A strong showing below the A-1 totals. Wood River looks solid in the hurdles with Darlyle James having the best times in the highs and lows. The Wolverine medley quartet, comparable to everyone last week, may get some additional help and the 800-yard relay quartet should get points.

James looks like a point winner in the broadjump, too.

Filer's Randy Shank has the best times in the two sprints and the Wildcats have slightly the best of it in the quarter-mile relay — which Shank eyes.

Mike Capps of Jerome anchors the pole-vault title and teammate Suter had the best time in the two-mile run of those seen.

Ben Allen of Burd will be seeking his second state half-mile championship and Gary Gorell of Gooding will be battling Myler of Marsh Valley in the high jump. Both have been in the 6-4 and 6-4 areas. Bowen of Shelley cleared 6-2 last week.

The A-3 division will have Glens Ferry and Wendell fighting out of a home against Homedale. Homedale's strength in the field events appears unchallenged and neither of the local teams can hurt the Trojans there.

Homevale's Paul Pearsoy appears a double weight winner but the big event will be the shotput where Uranga appears capable of claiming second place. The area teams get help in the pole vault where Mike Hamilton of Kendrick has cleared 19-9 and should reduce the point take by Homedale's Haylett.

But Wendell will need the same type performance it got from junior Kirk Dennis in last week's regional. Dennis defeated Carey's Zane Briggs in the two sprints after losing both to Briggs in district. He won the low hurdle with a fine 19.5 and is untested there. The difference in Dennis winning or losing will be four points. Briggs is efforting to become the third brother to win the state 100-yard dash crown.

Dennis also must jump well in a good high jump duel and Wendell could get some help if Ralph King gets back to his usual times in the high hurdles. He lost in regional last week to Justice although he has had better times on three occasions.

Glens Ferry's big point winners will be the 440 and 800-yard relays plus Brown in the discus and Schwager in the 440-yard dash.

Kimberly's Rod Rudolph has the chance to become the state's first A-3 sub-50-second quarter miler. He hit 50-flat last week. Terry Shake of Fruitland will be after his second mile crown.

Dave Johnson of Valley, who turned in a solid 1:59.3 last week, is the halfmile favorite and Clayton Gunter of Hansen

## Host T.F. Favored To Retain State Golf Crown On Friday

Headed by four-time entrant and defending medalist Jim Packard, the Twin Falls Bruins go after their second straight Idaho high school golf championship Friday over the Twin Falls municipal golf course.

While Twin Falls is expected to battle Borah and perhaps Highland for the crown, it appears that Bishop Kelly and Jerome might be the most likely to succeed in the B division.

The Class B field will begin teeing off at 9 a.m. Friday and the A squads should start leaving the field about 11:15 a.m. A total of 21 schools, including 16 Class A and 15 Class B, will send full teams while Sandpoint and Donnelly-McCall will send one individual each to seek medalist honors.

Twin Falls has not lost a golf match since the state finals two years ago and that was the only match it lost that season. Packard, who shot an even par round last year at Plantation, has participated in the last three state meets. But the rest of the team has formed a nucleus of those clubs, too.

Going with Packard with the Thomsons brothers, Curt, a senior, and Jeff, a junior, and junior Jim Blandford. Luckless Larry Malone, who played on the winning team last year, was ousted in team qualifications.

Twin Falls has seen each of its top five men wind up medalist at one time or another during the year, losing the honors only once at Idaho, Nev., last. The Bruins shot a rather poor 293 to win the Southern Idaho Conference championship but in their last two outings on the many-course had turned in 276 and 278 — 272 being par.

All four Bruins will have to be considered medalist candidates along with Jeff Jarman of Highland; Paul Lodge, Caldwell, and Mike Thomas, Borah. In the Class B division, Bishop Kelly brings along three low handicappers in Dave Mollitor (3), Randy Barbee (4) and Jerry Folger (6). Jerome's last appearance on the Twin Falls course made it a contender, the tiger quartet turning in a 304.

That is the second lowest posted there this year by a prep team. Making up the Jerome squad are Rod Stepien, Randy Stone, Ray Baker and Mike Last.

The individuals coming for medalist possibilities only are Dick Remaklus, with an eight

handicap, from McCall, Donnelly and Bob Nieman of Sandpoint, carrying a five handicap.

The entered teams are Class A — Rigby, Twin Falls, Sandpoint, Blackfoot, Idaho Falls, Kellogg, Boise, Bonneville, Lewiston, Borah, Minico, Caldwell, Mountain Home, Pocatello, Capital, Highland, Nampa and Burley.

## Minico Rips Valley, Gains Meet Finals

BURLEY — Led by Tony Saras and Ron Bair, the Minico Spartans overwhelped the Valley Vikings 20-0 Wednesday to gain the finals of the district basketball tournament.

The Spartans, who got a two-hit performance from John Fennell against the Vikings, advance against Twin Falls Thursday needing two victories to claim the crown.

The Spartans turned loose a 13-hit barrage against Don Clark with the "distance" for Valley. Although the Vikings made only two errors, walks, wild pitches and passed balls, punctuated by the Spartan hitting, accounted for the lopsided score.

Saras was four-for-four with a pair of singles, a triple and a double, all of them accounting for six runs batted in. Bair, who hit a three-run triple in the second inning, drove in five runs and Allen Smith was two-for-two with three RBIs.

But Wendell will need the same type performance it got from junior Kirk Dennis in last week's regional. Dennis defeated Carey's Zane Briggs in the two sprints after losing both to Briggs in district. He won the low hurdle with a fine 19.5 and is untested there. The difference in Dennis winning or losing will be four points. Briggs is efforting to become the third brother to win the state 100-yard dash crown.

Dennis also must jump well in a good high jump duel and Wendell could get some help if Ralph King gets back to his usual times in the high hurdles. He lost in regional last week to Justice although he has had better times on three occasions.

Glens Ferry's big point winners will be the 440 and 800-yard relays plus Brown in the discus and Schwager in the 440-yard dash.

Kimberly's Rod Rudolph has the chance to become the state's first A-3 sub-50-second quarter miler. He hit 50-flat last week. Terry Shake of Fruitland will be after his second mile crown.

Dave Johnson of Valley, who turned in a solid 1:59.3 last week, is the halfmile favorite and Clayton Gunter of Hansen

**Track Meet Time Schedule**

Following is the time schedule for the state track and field championships at Twin Falls Bruin Stadium Friday and Saturday.

**Friday**

7:30 p.m. — 100 yd. dash, Class A-1 pole vault, long jump, high jump and shotput (2 heats each)

8:30 p.m. — A-1 and A-2 high hurdles preliminaries (2 heats each)

9:30 p.m. — A-1 and A-2 100 yd. dash preliminaries (2 heats each)

10:30 p.m. — A-1 and A-2 400 yd. dash preliminaries (2 heats each)

11:30 p.m. — A-1 and A-2 800 yd. dash preliminaries (2 heats each)

**Saturday**

8 a.m. — A-3 pole vault and A-3 discus and high jump

9 a.m. — A-1 mile walk and A-1 100 yd. dash

10 a.m. — A-2 discus and A-3 shotput

11 a.m. — Running 8-1/2 and 1 mile run (run on final order)

12 p.m. — Class A-2 and A-1 1/2 mile run

1 p.m. — Class A-2 and A-1 400 yd. dash

2 p.m. — Class A-2 and A-1 800 yd. dash

3 p.m. — Class A-2 and A-1 100 yd. dash

4 p.m. — 400 yd. dash relay, 400 yd. dash, and mile relay

# Olympic Group Okays Skiing, Hockey For '72 But '76 Still In Doubt

By MIKE HUGHES  
**AMSTERDAM (UPI)**—The International Olympic Committee (IOC) confirmed Wednesday that alpine skiing and ice hockey will form part of the 1972 games program but a decision is still pending as to their inclusion at Denver in 1976.

# Twins Snap Orioles' Win Streak At Eight

**MINNEAPOLIS-St. Paul (UPI)**—Rich Reese doubled home Tony Oliva with the winning run in the 10th inning Wednesday to give the Minnesota Twins a 5-4 victory over Baltimore and snap the Orioles' eight-game winning streak.

# Brewers 3, Yanks 1

**MILWAUKEE (UPI)**—Ted Savage's three-run homer in the sixth inning and the three-hit pitching of Johnny Morris carried the Milwaukee Brewers to a 3-1 victory over the New York Yankees Wednesday night.

# Royals 1, Indians 0

**CLEVELAND (UPI)**—Bob Taylor's pinch-hit double in the 12th inning off reliever Phil Hennigan drove in Joe Kocogh from second with the winning run to give the Kansas City Royals a 1-0 victory over the Cleveland Indians Wednesday night.

# A's 8, Senators 1

**OAKLAND (UPI)**—Don Mincher drove in three runs and Rick Monday and Sal Bando two each Wednesday night as the Oakland A's rolled to an 8-1 victory over Washington and extended the Senators' losing streak to seven games.

# Angels 5, Boston 3

**ANAHEIM (UPI)**—Jim Spencer walked with the bases loaded and one out in the bottom of the eighth to force in the go-ahead run as the California Angels scored two unearned runs to beat the slumping Boston Red Sox 5-3 Wednesday night.

Kilianin, however, said discussion on the sports inclusion at Denver will be open here but it would be realistic to assume "no decision can be reached in such a short time."

"When Denver won the nomination to play host to the 1976 Winter Games on Tuesday, it was on the strict understanding that alpine skiing and hockey may not be included in the program."

The IOC Congress got through a lot of routine questions leading up to the "eligibility rules" which will be discussed Thursday when Alexandru Sperco of Romania and Australia's Keith Waller present their findings for discussion.

If the congress can agree on the eligibility rule, they may move toward solving the problem of professionalism in certain sports. President Avery Brundage named soccer and basketball as well as the two winter sports in his address to the federations last week.

The IOC approved the use of Angkor, Germany as a base for the canoe slalom at the 1972 games in Munich, provided athletes live in the Olympic village which is 60 kilometers distant.

The question of gold medals awarded teams in gymnastics was also raised and it was decided only one would be awarded in the future instead of each individual as now.

The request that the swimming program be extended from 10 days at Munich, was rejected in deference to the wishes of the organizers.

The IOC congress agreed to the introduction of two further judo categories—there were four at Tokyo—but rejected a request that each country be allowed to field two men because this could open the flood gates to other sports of similar nature like boxing and wrestling.

The IOC elected three new voting members to bring the number up to 74. Elected were Maurice Herzog of France, a former minister of youth and sports under Gen. Charles de Gaulle; Gen. Sven Thofeld of Sweden.

# Wrestlers Meet

Organization of an Idaho Wrestling Federation will be discussed at 8:30 a.m. Saturday in the Twin Falls High School cafeteria, announces Bill Bowman, Boise, state chairman.

# Loose Weight This Week

Oedines can help you become the trim slim person you want to be. Oedines is a tiny tablet and is easily swallowed. Contains no dangerous drugs, no starving. No special exercise. **Players Veto Latest Offer By Owners**

**NEW YORK (UPI)**—The major-league baseball players have overwhelmingly rejected the owners' latest offer of a three-year basic contract by a 50-38 vote, Marvin Miller said Wednesday.

Miller, the executive director of the Major League Baseball Players Assn., said he hoped the matter could still be solved by negotiations but admitted there is "strong sentiment" for a strike among the players.

"There have been many reports the players favor a strike or 'moratorium' of one day, but Miller said most of the players support action of 'more than one day.' Miller said he hoped to meet with the owners soon but said they haven't contacted him to set up a meeting.

Miller said the Philadelphia Phillies were the only team to approve the basic contract. They gave it an OK by a 19-6 count.

# SPORTS

## Gentry Gambled, Lost No-Hitter To Banks

**CHICAGO (UPI)**—Slender Gary Gentry of the New York Mets pitched no-hit ball for 7-2 innings against the Chicago Cubs Wednesday and then he decided to "take a chance" on throwing a fast ball to Ernie Banks.

The line drive single that the 39-year-old Banks slammed to left field, bounced off the glove of outfielder Dave Marshall, wound up the only hit Gentry gave up in hurling the Mets to a 4-1 triumph over the East-leading Cubs.

"I know that Banks likes to hit fast balls," explained Gentry after the game. "But because the wind was blowing in, I took my chance on throwing it inside and low; if he doesn't hit it good, he's out—and if he does get a hold of it, I probably wouldn't get out of the ballpark."

"So I simply took my chances and let it go at that," said Gentry, who emerged with his fourth victory of the year.

**NEW YORK (UPI)**—The major-league baseball players have overwhelmingly rejected the owners' latest offer of a three-year basic contract by a 50-38 vote, Marvin Miller said Wednesday.

Miller, the executive director of the Major League Baseball Players Assn., said he hoped the matter could still be solved by negotiations but admitted there is "strong sentiment" for a strike among the players.

"There have been many reports the players favor a strike or 'moratorium' of one day, but Miller said most of the players support action of 'more than one day.' Miller said he hoped to meet with the owners soon but said they haven't contacted him to set up a meeting.

Miller said the Philadelphia Phillies were the only team to approve the basic contract. They gave it an OK by a 19-6 count.

## Giants 5, Padres 1

**SAN DIEGO (UPI)**—Tito Fuentes drove in all San Francisco's runs on a homer and triple Wednesday night and Rich Robertson pitched a three-hitter as the Giants defeated the San Diego Padres 5-1.

## Grandslam Lets Pirates Top Cards

**ST. LOUIS (UPI)**—Al Oliver's second career grand slam home run powered the Pittsburgh Pirates to a 5-1 victory over Bob Gibson and the St. Louis Cardinals Wednesday night.

### Stanley Gets New Ranger

**CHALLIS** — Transfer of Ranger Thomas J. Kovalicky from the Bridger National Forest to the Stanley Ranger District, Challis National Forest, was announced today by Wes Carlson, Challis Forest supervisor.

Ranger Kovalicky will succeed Lee Pressley as Stanley District Ranger. Ranger Pressley recently was promoted and transferred to the Toiyabe National Forest headquarters in Reno Nev., as timber and fire staff officer.

Ranger Pressley had been Stanley District ranger for three years. Prior to that he had been in the real estate business in Twin Falls with Harry Lehmann.

The new Stanley ranger comes here from Rock Springs, Wyo., where he was on the Jim Bridger Ranger District. He began his Forest Service career at the Gasp River Ranger District at Pinedale, Wyo., remaining there as forester until the newly established Jim Bridger District came into being. He took charge as district ranger in January, 1969, and served in that capacity until the present.

He attended Montana State University and spent several summers working for the Forest Service, including some employment as a smoke jumper. His education was interrupted by a two-year period in the Army.

While at Rock Springs, he served as an instructor at Western Wyoming Community College. He will be leaving Rock Springs for Stanley Friday.

### News Of Record

**CASSIA COUNTY**

### Rep. Orval Hansen Urges Senior Citizens To Attend Gem Seminars

Three senior citizen seminars have been scheduled in Idaho's second congressional district this month, and Second District Congressman Orval Hansen has urged all residents in the senior citizens category to attend one of the meetings.

Congressman Hansen said the

three seminars, held in conjunction with senior Citizens Month are planned in Pocatello, Idaho Falls, and Twin Falls, with the Twin Falls event scheduled for May 28 from 2 to 4 p.m. in the College of Southern Idaho Academic Building.

"The national policy and commitment to provide adequate service and op-

portunity for older people have been lacking in our country, too long. The percentage of senior citizens in the total population is increasing at a tremendous rate," Congressman Hansen said.

"As a result, we must not only be aware of the problems and potentials of aging, but must become sensitive to them and develop programs or solutions to cope with the problems and make use of their potentials."

Issues covered in the seminars will include social security, medical care, employment, housing, inflation and financial security, the congressman said. Mr. Hansen will moderate each session with others participating including Fred Garrett, former director of Idaho Department of Employment and two senior citizens from each area.

Other seminars are in Pocatello May 18 from 10 a.m. to noon and Idaho Falls May 18 from 2 to 4 p.m.

ORVAL HANSEN

### Vacation Jobs For Youths Set

The Neighborhood Youth Corps will provide summer work opportunities for 7,700 boys and girls from needy families in four states of the Pacific Northwest, including approximately 650 from Idaho.

Jess C. Ramaker, regional manpower administrator of the Department of Labor, Seattle, said that the number of opportunities represents an increase of 1,500 over the 1969 summer program.

In addition to Idaho's 650 enrollees, Alaska will assist 1,100; Oregon, 2,300, and Washington, 3,650.

Nationally, the Labor Department has allocated \$38,112,000 for the program. Idaho's share will be \$28,000; Alaska will be granted \$583,000; Oregon, \$1,053,000; and Washington will get \$1,832,000. Remedial education will be included in the summer time program this year for the first time. Mr. Ramaker said: "Enrollees who need assistance with their studies to encourage them to continue in school until high school graduation may spend up to 10 hours of each week's compensated time in educational programs. The goal of the summer program is to provide earnings, work experience, and supportive services to needy youths, to encourage them to stay in school. The average cost of the program has been estimated at about \$445 per enrollee. Though the average may vary between individual projects and between states.

### Reminder Given On Licenses

Vehicle owners who have license plates ending in six must renew registration before July 1.

New validation stickers for plates ending in six, seven, eight, nine and zero, are now being sold at the Twin Falls County Assessor's office license bureau. New validation stickers will be sold for 12-month periods instead of the varying periods on which sales were made last year.

New stickers sold for plates ending in six will be effective July 1, 1970, through June 30, 1971, according to Mrs. Creath Wilkison, deputy assessor.

Those ending in seven expire July 31; in eight, August 31; in nine, September 30, and zero, October 31, and will be effective for 12 months.

### Hospital Has Brochure On Intensive Care Unit

An informative brochure on the operation of the intensive care unit (ICU) at Magic Valley Memorial Hospital has been published and is being made available to families who have relatives in the ICU.

It lists the reasons for placing an ICU, why patients are placed in ICU, why they are discharged and placed in other areas of the hospital, visiting and other restrictions in the ICU and telephone information.

The brochure also points out that patients in ICU receive care by a specially trained staff of nurses, day and night, eliminating the need for and the cost of private duty nurses.

Because of the many highly sophisticated and sensitive monitoring devices in ICU, radios, televisions and electric razors are not permitted.

Flowers and gifts are not permitted in the special section of the hospital and visiting is limited to immediate family members and clergymen. Only one visitor may be with ICU patients for five minutes every two hours between 8 a.m. and 8 p.m.

The intensive care unit is new to Magic Valley Memorial Hospital, having been added in the last remodeling and updating project there.

Additional work, including installation of non-combustible ceiling tile and special equipment in patient rooms also was done at that time.

This year's modernization project at Magic Valley Memorial will be installation of air conditioning. Plans are now being drawn for the project.

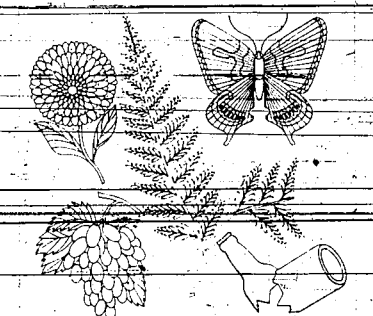

### Forest Region Aide Is Named

**LOGDEN, UTAH** — Adrian B. Dalton has been named chief of the land adjustment branch of the division of recreation and lands in the U.S. Forest Service regional office here.

Mr. Dalton will be responsible for land acquisition and exchange and Forest boundary adjustments in the Intermountain Region. He is formerly from California where he served as supervisor of the Lassen National Forest of Susanville. He formerly served with the Intermountain Region on forests in both Utah and Wyoming.

LITERARY ART GUILD officers installed during a recent meeting include from left, Mrs. Leonard Mauss, first vice president; Mrs. Bernell Skinner, president, and Mrs. William Jones, treasurer. Other officers include Mrs. Roy Babbel, second vice president; Mrs. Oscar Hellewell, secretary; Mrs. Glen Leggett, historian and publicity; and Mrs. Vern Harmer, hospitality. "Dandelion Wine," a CSI Readers

Theater Guild production, directed by Mrs. Fran Tanner, was viewed by members and their husbands. Mrs. Vaughn Poud introduced the program and the cast of players. After the production, a buffet was held at the home of Mrs. Larry Christensen, hosted by the board members. Mrs. George Haney Jr. is retiring president of the guild.

## Slim And Trim Welcomes

### New Member, Lists Winner

HANSEN — "Life Doesn't Begin at 40, but the day you become slim," was the opening thought given by the leader, Mrs. James Wright, at the Slim and Trim TOPS Club meeting at the home of Mrs. Thomas Steelgirth. Mrs. J. O. Cox was best loser for the week and her daughter, Mary Ann, was welcomed as a new member. The contest with the TOPS Measure-Ups, Twin Falls, began with this meeting and will run four consecutive weeks. The winners will be entertained by the losers in June. The leader announced that a leader's meeting will be held Friday. A KOPS club has been organized and meets Monday nights in Twin Falls. Since the Slim and Trim meet on Monday night also, the KOPS in the local group decided they are

not interested at this time. It was decided to pay the expenses of the program chairman this year. Mrs. Cox, for attending State Recognition Day with the chapter's queen. The chapter will consider paying expenses each year for at least two persons to attend. Mrs. Wright gave highlights of SR Day, stressing points which the national and state officers feel are necessary for good clubs and to make them uniform. Mrs. Cox resigned as program chairman. A new program chairman will be named at the next meeting. Mrs. Cox was program chairman and hostess, and gave points stressed by speakers at the SR Day. Texas plans to spend \$240,000 on tourist advertising this year.

## Miss Burroughs,

### Babbitt Plan June Wedding

Mr. and Mrs. E. Burroughs announce the engagement and forthcoming marriage of their daughter, Diana, to Dale Babbitt, son of Mr. and Mrs. A. L. Babbitt, Ruhl. Miss Burroughs is a graduate of Idaho Falls High School and the University of Idaho. She is currently teaching the second grade at Harrison Elementary School, Twin Falls. Mr. Babbitt is a graduate of Camas County High School. He served a two-year mission in Texas for the LDS Church and completed his military obligation in April, 1969. He is currently attending the College of Southern Idaho and is serving as president of the LDSA Club on campus. A June 28 wedding is planned at the Idaho Falls LDS Temple.

DIANA BURROUGHS An open house will be held after the ceremony at the LDS Institute building, Twin Falls.

## Women Seek Equal Rights

BEVERLY HILLS, Calif. (UPI)—The upsurge of women seeking equal job rights gets the full support of one man, especially so far as equality of their office decor and space are concerned. Ernest Jackson knows well the status of women in business. He should. He designs the buildings and the offices in which they spend their working days. "There definitely is a woman's revolution coming about," said Jackson in an interview. "I even feel it at

home. My wife is suddenly giving me a lot of static. In fact, she wants to know how come I know so much about the entire subject (of the Women's Liberation Movement)." But Jackson consults with the women whose firm serves them. He is chairman of the board at Latt, Jackson & Associates, Inc., a 13-year-old architectural services business which grossed \$1.5 million last year. Should be Consulted Jackson feels that the female office worker uses her office

more than her male counterpart—and should be consulted on its decoration. But she usually is not. She is an afterthought in planning if she is thought of at all, says Jackson. Some of Jackson's other observations: "This condition exists in spite of the fact that women are vital to the successful operation of business, both as backup for executives and as emerging executives themselves. Their offices are in halls, corridors, et al, which are, for the most part, poorly lighted, cramped and lacking in privacy. Women have a great deal of merit in their request for equal rights," Jackson said. "I know in our office we have requests from time to time for female draftsmen. Becomes Matter of Sex "The question always becomes a matter of sex first. Do we want a female draftsman? It's a situation that is difficult to overcome and I imagine most businesses greet the idea of a competent employe by sex only when the idea of a female appears on the scene." Jackson has discovered too that women executives generally feel the need to submerge their femininity. Jackson is black, but he says the fact he is a member of a minority doesn't have anything to do with the way he feels about the new feminism. "Minority empathy never occurred to me," he said. "All I can think of is that I feel an empathy for anyone who feels that they are being misused and abused."

**DEAR ABBY:** I have been engaged to a wonderful girl for over a year. A week ago I called on her unexpectedly, and to my surprise, she refused to see me, and told me to come back in half an hour. She explained later that she wanted time to put her make-up on. We plan to get married soon. Abby, I love her with or without make-up. Why won't she let me see her like she really is? **ROME, ITALY**

**DEAR ROME:** Before the honeymoon, mist girls "make-up" and kiss. After the honeymoon they kiss and make up. Don't pout. You'll see her "like she really is" soon enough.

**DEAR ABBY:** My husband had a birthday last week and the children and I spent the afternoon baking and decorating a birthday cake for him. When he came home that evening he told us he had already had a birthday "party" at the office. The children looked so hurt, and I was mad! It seems the "girls" in his office took it upon themselves to give him a birthday party with cake and ice cream and all the trimmings. If they want their boss to know they "remembered" him on his birthday, why don't they just buy him a nice card and have everybody sign it? I told my husband I was going to call his office and tell his "girls" how I felt about this, but he wouldn't let me. However, he didn't say I couldn't write to you because I didn't ask him. Do you think I am making too much of this? And is there some way to stop this obscene practice? **HURT WIFE**

**DEAR HURT:** Yes, I think you are making "too much" of it, and there is NO way to stop this practice. (I wouldn't call it "obscene." Your husband's "girls" weren't eating his cake and having it, too, it was his lack of judgment. Knowing that you're the kind of woman who might become upset over something like this, he should have kept his mouth shut and spared you the anguish.

**DEAR "CAN'T SLEEP":** It is not too late to profit by your mistake in not being more thoughtful to your mother while she still lived. She does not need you now, but there are homes filled with old folks who would thrill to be paid a little regular attention. Drop in with a few flowers from your garden, magazines, etc., etc. Devote at least one day a week to take one or two or as many as you can manage in your car for a little sight-seeing. Old folks love children. Bring the children along on occasion. Old folks love children. Do this, at first, in repayment, and in time it will become a labor of love. True, of course, we can only have one mother, but, in the family of God we are all one. He loves us, He forgives us. Cheer up by cheering others up. It is a beautiful formula for sleep and peace. **J. E. B., NEWTON, MASS.**

**DEAR J. E. B.:** And yours is a beautiful letter. Thanks for writing.

**CONFIDENTIAL TO "SWINGING IN THE TOWERS":** Your suggested 11th commandment, "Thou shalt not get caught," is very catchy, but if you obey the first 10, you wouldn't need an 11th.

**What's your problem?** You'll feel better if you get it off your chest. Write to ABBY, Box 6918, Los Angeles, Cal. 90060. For a personal reply enclose stamped, addressed envelope.

## Friendship Circle Hosts Spring Dinner

The annual spring dinner for the Friendship Circle of the Women of the Moose was held at the home of Mrs. Paul Carlson. Hostesses were Mrs. Paul Carlson, Mrs. Wally Holmgren, Mrs. Paul Welch and Mrs. Eileen McCollum. Nancy Carlson presented several selections on the buffet and piano. After the dinner, a business meeting was held with Mrs. May Meader, friendship chairman, presiding. Mrs. Lloyd Kelley gave the prayer and the flag salute was led by Mrs. George Long. Mrs. George Long, secretary gave the highlights of the previous meeting. Hostess gifts were presented to Mrs. Louis Hoffman, Mrs. Ivan Waring and Mrs. George Long. An announcement was made concerning the election of officers at the June 1 Friendship meeting.

**Lingerie Hint**  
There is no need to put lingerie in the dryer. Instead, take it directly from the washer and fold lengthwise, laying lint on the top of the dryer or some other flat surface. They'll dry quickly and look smooth, crisp, and new.

**Burley Pink Ladies Host Hospital Party**

**BURLEY** — A Mother's Day party was held at Cassin Memorial Hospital, hosted by the Pink Ladies. Honored guests were patients of the extended care wing.

Mrs. William Barkdull served as mistress of ceremonies. Musical entertainment was in observance of National Music Week, sponsored by the Burley Music Club.

Musical numbers included a duet by Kevin Allred and Ross Jones, with guitar accompaniment played by Allred. A flute solo was presented by Vicky Barkdull, with Karen McQuiston as accompanist. Wayne Blauer played a saxophone solo, accompanied by Kathryn Coltrin, Marilee Coltrin and Ann Luke played a piano duet.

Refreshments were served, furnished by the Pink Ladies organization.

**Social Events**

**SHOSHONE** — North Shoshone Home Improvement Club will meet at 2 p. m. May 21 at the home of Mrs. Ladore Jones, Gooding. Mrs. John Stutznegger is co-hostess.

Wheeling Stars Square and Round Dance Club will dance at 9 p. m. Saturday at the DAV Hall. Bill Coffield is the caller. Those attending are asked to bring sandwiches or desserts. All square dancers are welcome.

Emanuel Club members will meet at 1:30 p. m. Friday at the home of Mrs. Beulah Sweet. Members are asked to bring a favorite recipe and material to make tap robes for the nursing home.

**BLISS** — The Bliss Ladies Aid will meet at the home of Mrs. Ruth Allen, May 21. Mrs. Mervin Ledig was hostess for the recent meeting held in the Community Church.

**Idaho Sorority Concludes Annual Benefit Candy Sale**

Mrs. Goodwin Taylor, 2800 Woody Drive, Boise, Epsilon Sigma Alpha State Project Director for 1969-70, announced the successful conclusion of the sorority's 10th annual Easter Seal Benefit Candy Sale. Twenty-one chapters of ESA throughout the state participated in this annual event.

This year a check for net receipts of \$2,745 was presented to Ray E. Larson, executive director for the Idaho Easter Seal Society for crippled children and adults. In the 10 years that Epsilon Sigma Alpha has conducted this sale, a total of \$22,859 has been contributed to the society.

Mrs. Taylor announced that Alpha Omicron Chapter, Mountain Home, sold the most boxes of candy per member. Rowena Hawley, Alpha Omicron, was high individual saleswoman, and Audrey Anderson, Alpha Rho Chapter, Boise, was runner-up. Awards for these achievements will be presented at Epsilon Sigma Alpha's annual state convention which will be held in Burley, May 15 and 16.

Funds contributed are used by the Easter Seal Society to further its program to aid and rehabilitate Idaho's handicapped. The society operates speech and hearing centers in Coeur d'Alene, Lewiston, Boise,

**Valley Lodge Drapes Charter**

**RICHFIELD** — Richfield Alta Rebekah Lodge draped the charter in memory of Mrs. C. O. (Mary) Chatfield at the May meeting at the home of Mrs. Myrtle Riley, noble grand. Mrs. Lester Johnson officiated at the special ceremony.

Mrs. Chatfield was a 42-year member of the Richfield lodge. She received the degree of Chivalry Oct. 18, 1959, at Kellogg.

Mrs. Retta Powell was refreshment hostess. The June 3 meeting is at the Riley home. Richfield Lodge members voted to consolidate with Opal Rebekah Lodge No. 74 at Shoshone.

**Magic Valley Favorites**

**MRS. R. B. SPARKS**  
Route 2, Twin Falls

**RHUBARB JAM**  
4 cups rhubarb, cut fine.  
4 cups sugar

Mix together and let stand overnight. Next morning, add one SMELL can crushed pineapple and boil for 20 minutes. Add one package strawberry gelatin. Stir well and seal.

The Times-News will pay \$5 each week for Magic Valley Favorites. If you have a favorite recipe, just mail it to the Recipe Department, Women's Page Editor. The recipe becomes the property of the Times-News and cannot be returned.

**Psychologists Agree Little League Creates Pressure**

**NEW YORK (UPI)** — When a little league game heats up, mothers scream, fathers grow purple, the family dog strains at his leash and yelps.

Little brothers of the stars, confined to the spectator section, cry they "wanna play, too."

And down on the field, sweaty in their suits, the pine-straw players give it all they have — lest the family be ashamed of their performance.

This great American outdoor game, baseball, is open to tykes on an organized basis when they reach the great big age of seven. That's the magic age for eligibility for a little league farm team.

While the kids are taking swipes at the ball with their bats and the normally serene parents' loss temper tantrums over the umpire, psychologists would like to call little league out.

Donald F. Schwertley, assistant principal of THOMAS Jefferson High School, Council Bluffs, Iowa, makes that point in a report in today's education journal of the National Education Association.

He agrees with psychologists who say little league creates too much pressure and tension for participating youngsters.

Jay Critchfield Program "Former Major League Pitcher, Joey Jay, the first little league graduate to reach the major leagues, says he feels the program is too ambitious, with far too much parental activity and supervision," Schwertley said.

What Jay said about little league goes like this:

"I am certainly not in sympathy with the little league program the way it has developed. Perhaps it was not intended to be this way but it is not serving the purposes it claims to be and I don't think it is helping baseball."

Jay is particularly critical of the parents' role in the program.

"Others agree," Schwertley said. "It is frightening to watch a normally serene parent transformed into a raging wild man while watching his 10 year old son compete in a little league game."

"The amazing thing is that this same parent seems to be a wholesome, if somewhat vocal fan when cheering his 16 year old on the local high school team."

"What causes this transformation. The answer seems to be in the organization, supervision and purpose of the little league program. While education question organized interschool competition below the seventh grade the little league program has farm teams for the first grade."

Students First

"And even though school coaches and physical education instructors are often overly ambitious with their programs, they are educators first and coaches second. Also, their programs are under the watchful eye of professional supervisors... who are careful to see that intra-school athletics remain a part of the total education program."

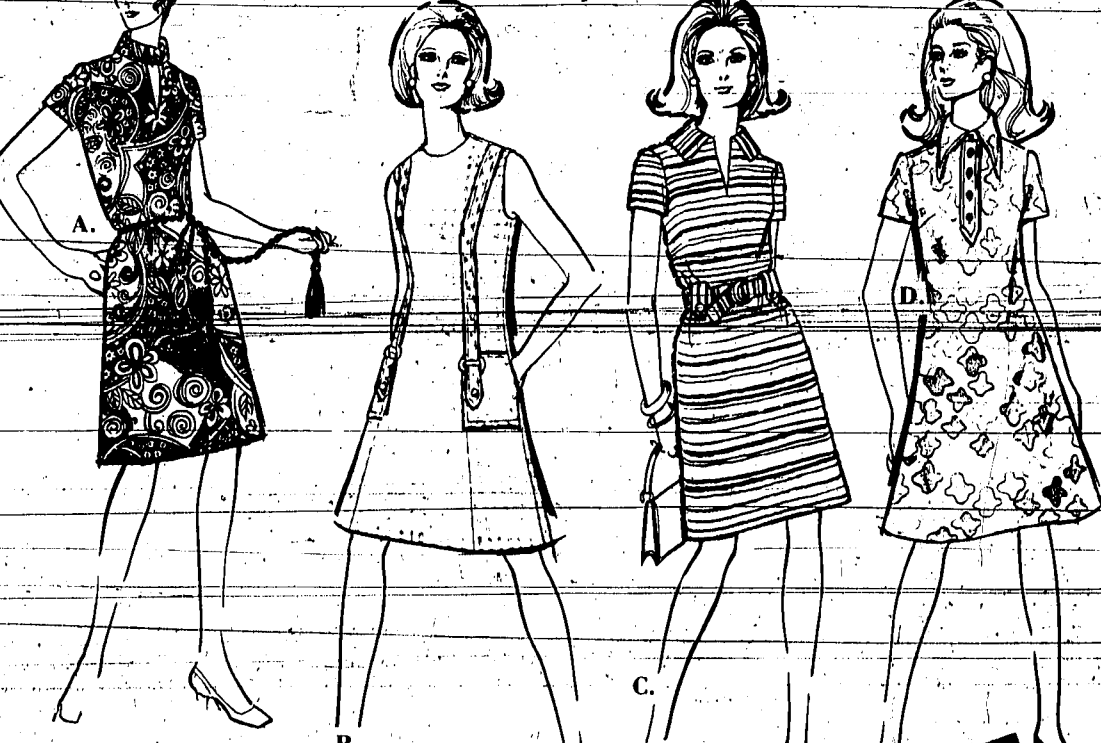

"Consequently, while children in a school athletic program may not seem aware of it, they are usually conscious of the fact that they are students first and athletes second."

Schwertley suggests that little league organizers examine the results of the program in the light of the expressed purpose.

"They need only to observe the actions of the spectator parent to realize that little league activities are not developing healthy values," he said.

**DRESSES... FASHIONED BY Patty**

for leading the good life this summer!

Today's mood calls for dresses soft and fluid... with a basic ease no right for leading the good life all around the clock. Here... some of the best from our summer collections fashioned by Patty... in some of the spirited shapes and colors you'll love.

Today's Market And Financial Report

Stocks

NEW YORK (UPI)—Stocks continued to fall sharply as trading ranged the halfway mark Thursday. Turnover was moderate.

President Nixon met with his top economic advisers, but Press Secretary Ronald Ziegler said he did not believe the Wall Street situation was the reason for the meeting.

The Dow Jones industrial average tumbled more than 11 points to 681.96, its lowest level since March 26, 1963 when it closed at 680.25.

The UPI marketwide indicator was off 2.04 per cent on 1,470 issues on the tape. Of these, 1,111 declined and 152 gained.

A three-hour turnover of around 7,000,000 shares was about in line with Wednesday's at comparable period.

Among the day's most active stocks were Lum's Inc. down 1 5/8 to 122.00 shares, Texel Corp. 1/4 lower on 111,700 shares.

Occidental Petroleum 1/8 lower on 100,200 shares, and American Telephone off 1/4 on 94,400 shares.

Less active, but among the day's biggest losers, were IBM down 3/4, Burroughs 3/4, and Midwest Oil 3/4. Down a point or more, were DuPont, U.S. Steel, General Motors, Merck, Control Data, Polaroid and Xerox.

NEW YORK (UPI) — As recently as 10 years ago it was considered it was doing a good job if it lured an occasional plant or two from another state.

To keep on the economic pace today states must compete aggressively with countries for foreign investment capital which spawns jobs and taxes.

CHICAGO (UPI) — Livestock Thursday

12,300 head of hogs to 50 lower. heavy active 10 to 200 25 to 24 25.00. 240 to 260 25 to 24 25.00.

1 P.M. PRICES

Table listing 1 P.M. prices for various commodities like wheat, corn, and soybeans.

PORTLAND (UPI) — Cash

grain, coal delivery basis: Soft white 1.57 1/2. White club no bid. Hard red winter 1.68.

DENVER (UPI) — Livestock:

Hogs, 6,000. Barrows and gilts under 220 lbs steady. heavier weights 25-50 lower.

monds a couple of times but that play would have been a loser if West held the spade ace.

South thought a better chance would be to win the first diamond, enter dummy with a heart and lead a spade. If West held the spade ace, everything would be fine and if East held the ace and ducked South would have nine tricks. South tried that but East jumped on that first spade and led a diamond and another no-trump game contract had missed.

South did have a rebidding problem over one heart but only a victim of notrumpitis would have solved it by bidding three no-trump. An old fashioned easy going bidder would have jumped to three clubs. A superstitious modernist would have bid one spade. Either way the chances are that the final contract would have been six clubs and in our lexicon of bridge it is always better to play a lay-down six clubs than to struggle with three no-trump. After all, there is a nice bonus for a slam bid and made.

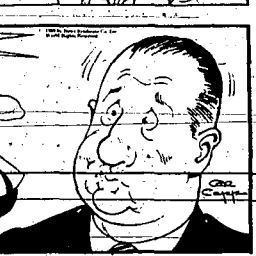

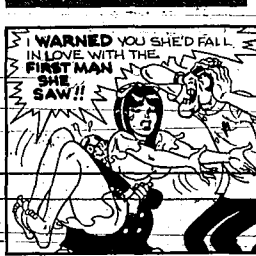

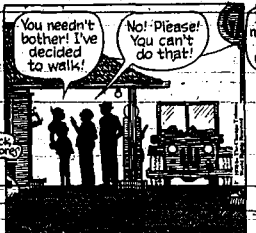

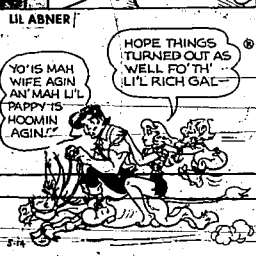

(Newspaper-Enterprise Assn.)

Q-The bidding has been: West North East South  
1 ♠ 2 ♥ 2 ♠ 2 ♠  
Pass 2 ♥ Pass 2 ♠  
You, South, hold:  
♠ W A K 5 4 ♣ Q 8 4 2 ♠ K J 9 7

What do you do now?  
A-Bid three hearts. Your partner just might have four hearts.

TODAY'S QUESTION  
You do bid three hearts and he goes to three spades! What do you do now?  
Answer Tomorrow.

## PASS IT ON

by L.M. Boyd

THE FIRST TIME a man marries, the honeymoon lasts nine days. The second time he marries, if such be the case, the honeymoon lasts six days. These are the averages. A NEW YORK hospital doctor says his studies indicate that an extraordinarily high percentage of children who suffer from leukemia grow up to demonstrate marked deficiencies of leadership. THIS INSURANCE TABLE took the newspaper reporter and waiter about equally in longevity, and neither is expected to live as long as the average man.

LOVE AND WAR - It is the contention of a matrimonial expert that women who weigh between 136 and 158 pounds make the best wives. Girls less weighty than that, he says, tend to become irritable. They are apt to pick fights and heavier girls, says he, do not generally move fast enough to get the day's work done. Our Love and War Man has not heretofore bumped into this odd claim. He is analyzing it.

OPEN QUESTION - How did the first chickens get here from Asia?

HEALTH NOTE - Librarians rarely get buritis, did you know that? It's because they are frequently called upon to raise their arms above their shoulders to put books on high shelves.

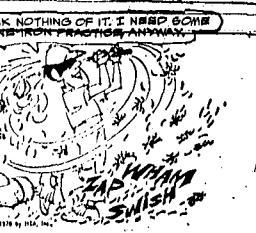

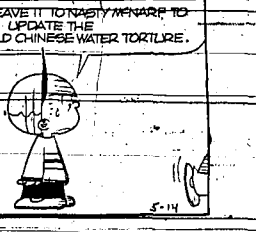

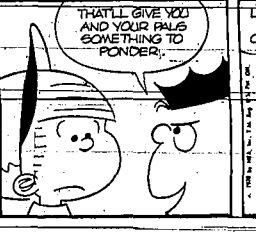

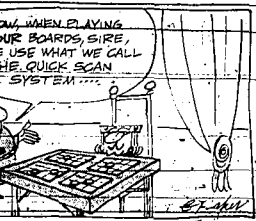

AM ASKED to name the nation with the largest percentage of drug addicts. That would be Denmark. As to the top percentage of fair-size diving tees throughout one summer now, I'm told, takes about 40,000 golf balls. NOW A SCIENTIST says his studies prove conclusively that cigarette smokers who give up the habit acquire increased romantic appetites.

CASE HISTORY - An unmarried woman in Stuttgart, Germany, gave birth to twins. She named two men as their fathers and asked the court to make those men pay. After reviewing the blood tests and medical examinations, the court declined to force the men to pony up the funds. But it officially decreed that both men were the parents of the twins, and even stipulated which was which.

CUSTOMER SERVICE - Q-What's your stand on engagement rings for men? A-Opposed. As you know, that suggestion that engaged bachelors wear special rings is always accompanied by the contention that their girlfriends should pay for said rings. The practice would lead to profiteering. Too many swiving bachelors would start ring collectors. That would be bad. Very bad.

ALL ABOUT BRAS - It's reported the 10-year-old girls in this country spend approximately \$2 billion on brassieres. During World War II, the Maidenform people, makers of bras, manufactured little vests with pockets that were worn by carrier pigeons on message assignments. Do you feel you are learning more about bras that you need to know? Just one more fact. The average woman nationwide buys five a year.

Your questions and comments are welcomed and will be used in PASS IT ON wherever possible. Address your letters to L. M. Boyd, P.O. Box 3760, Santa Monica, Calif. 90403.

# Wendell Man Seeks Legislative Post

WENDELL — Kenneth Bradshaw, 58, manager of Bradshaw's honey plant here the past 25 years, has filed for the Republican nomination for District 22-A state representative in the Aug. 4 primary.

A Gooding county resident for 45 years, he was educated in Idaho and is past president of

the National Honey Packers and Dealers Association and past chairman of the Honey Industry Council of America, serving on the board of directors of the two national organizations.

He also has served four years on the Wendell City council. For the past seven years and his son, Gary, have owned and operated a ranch in Gooding county near Tuttle.

The candidate promises to take a "conservative approach to the problems facing business and agriculture and, if elected, any decisions made will be based upon sound business principles and judgement."

District 22-A includes Gooding and Camas counties.

KEN BRADSHAW

# Man Put On Probation For Checks

RUPERT — Gary Warren Kyle, 28, Pocatello, received a suspended three-year prison sentence from Fifth District Judge Sherman Bellwood, and was placed on probation for 18 months. He was charged with passing a forged check.

Harley Allen, Idaho Falls, pleaded innocent before Judge Bellwood to a felony charge of non-support. Date for trial wasn't set.

Clarence Saunders, 32, Washington, pleaded guilty before Judge Bellwood to a felony charge of non support and the Judge ordered presentence investigation. Saunders is free on \$500 bond.

# Budget For Blaine Is Approved

HAILEY — With no protests registered during the public hearing this week, Blaine county school district trustees adopted the proposed 1970-71 operating budget of \$388,835.

The figure reflects an increase of \$18,457 over the 1969-70 figure of \$370,378, with the increase mostly for teacher pay raises. Budget figures include administration, \$30,990; instructional, \$605,355; transportation, \$44,000; plant operation, \$66,990; maintenance, \$20,300; fixed charges, \$15,200; food and student activity, \$4,200; capital outlay, \$27,100; and tuition paid out, \$2,500.

The board of trustees this week also discussed plans for the May 19 school trustee election during which five trustees will be seated. The election was called after trustee zone boundaries were changed in a special election in March.

Polls will be open from noon until 8 p. m. Tuesday, with the existing board to meet at 8 p. m. to canvass the ballots.

# Magic Valley

## Blaine Asks Bids On Appraisal Work

HAILEY — Blaine county commissioners have agreed to call for bids for appraisers for the county to work with the assessors office in determining tax assessments on property in the county.

The decision followed a discussion this week with representatives of the State Tax Commission who explained that, according to a new law, it is necessary to review all property in the county at least every five years. The process is separate from the assessing and maintenance now carried on by the county assessor's office.

The law also provides a means for budgeting for the work, with up to two months allowed to be leveled. Representatives meeting with the commissioners this week recommended that the county hire enough crew members to appraise one-fifth of all the property each year, creating a continuous appraisal program.

## Session Set

GLENNES-PERRY — Mrs. Loren Wheeler, Twin Falls, will give the Elmore County Fair Queen candidates more information on May 23 at the Glennes Ferry High School reports Marilyn Jordan, extension home economics agent.

All girls who are candidates are urged to attend this valuable session, and Mrs. Jordan said she hoped that parents will accompany their daughters to this meeting.

## DRIVER FINED

WENDELL — Tracy Simons-Wendell, was fined \$25 in Wendell Police Court for failure to drive reasonably and prudently.

impossible to complete all of the necessary appraising and assessing in the county, according to assessor W. D. Marlinde, who noted he may have to have an extension of time this year for preparing the tax rolls.

The minimum work expected of the added appraisers would be to appraise residential, commercial and farm properties. The tax commission offers training for personnel hired by the county for the appraising, and district seminars are also established wherein area appraisers meet to discuss the work.

No date was set for the opening of bids from appraising firms.

Commissioners accepted plans for approved roads in the county. They were submitted by Russ Horn and it was noted the standards will be used mainly in platting subdivisions.

Pros. Atty. V. K. Jeppesen was authorized to notify area subdividers that a plat must be submitted to the county or no further land sale will be permitted.

A low bid of \$900 from Bill Uhrig for a pit at the county sanitary land fill was accepted.

Other bids were submitted by Jack Meyer for \$50 and by Ivie Construction Co. for \$140.

A county-owned lot in Kelchum, near the Warm Springs area, will be sold during the June 8 commission meeting at the courthouse.

Commissioners agreed to submit names of three nominees for the seven-member South-Central District Health Board, which will be selected from nominations from each of the seven counties included in the health district.

## School Plan Approved At Richfield

RICHFIELD — Richfield School District No. 216 budget of \$145,869 has been adopted after the public budget hearing had no protests.

Trustee election votes were canvassed at this week's meeting with Ralph Kiley, Jr. declared re-elected for a three year term in Zone 6.

Insurance was re-newed for the coming year from Maxwell Insurance Company for \$1,901.00.

Non-professional school personnel was rehired with LaRae Brown as bus mechanic; Wendell King, custodian; Mrs. Sterling King, head cook, and Mrs. Neil Anderson, assistant cook.

A report was given on the bus route change to operation of two buses which started Monday with no problems. No further action was taken on the Kimama school situation.

Capt. Anderson and Mrs. Udell Robinson, school board member, reported on attendance at the drug symposium in Twin Falls.

Summer work program was outlined with painting to be done in the high school halls, office, lavatories, and three classrooms, and general cleaning in the rest of the two school areas.

The 1970-71 calendar was adopted, with school to open Aug. 24 and close May 21, 1971. Holidays will be Labor Day, Sept. 7, Oct. 8-9, Teachers Institute, Nov. 26-27, Thanksgiving, Dec. 23-Jan. 3, Christmas vacation, and April 8-10, Easter vacation.

## Car Damaged

SHOSHONE — Damage to a 1959 Mercury amounted to \$500 when the driver lost control and the vehicle left the road four miles south of Shoshone on Highway 33.

The frame, radiator and grill were damaged, officers reported; James L. Haddock, Shoshone, driver and owner of the vehicle, was not injured.

## Wendell Observes Arbor Day

WENDELL — The sixth grade classes of the Wendell schools under the direction of Mrs. Opal Dixon and Tom Vaughn commemorated Arbor Day with the program and ceremony of tree planting

1970 WITHERING HEIGHTS' HOLLYWOOD (UPI) — England's Timothy Dalton and Anna Calder-Marshall will star in the roles of Heathcliff and Catherine in American International's 1970 version of "Wuthering Heights."

# Concert Is Presented At Wendell

WENDELL — Annual spring concert was presented in the high school gymnasium under the direction of Thomas J. Haggerty, band director, and Doris Lovett, church instructor.

Participating were the Wendell High School and Elementary bands and the junior high school and high school choruses. Sandra Freeman was saxophone soloist.

After the concert Mr. Haggerty, who is retiring after four years in the Wendell school system, was presented a gift by Jeri Eaton, on behalf of the band. Mr. Haggerty will work in the Boise area as a certified public accountant.

# Man Cited For Failure To Yield

BURLEY — D. Arlen Taylor, 32, 330 Hansen Drive, Burley, was cited for failure to yield the right of way following a two car accident at 7:10 a. m. Monday at the intersection of Main Street and Overland Ave.

Mr. Taylor told officers he had stopped for the flashing red light and was traveling north on Overland Avenue. The sun was in his eyes and he did not see the vehicle approaching from the east.

Harry M. Warcham, 66, 1221 Maple Ave., Burley, was traveling west on Main Street driving a 1959 Buick. Taylor was driving a 1969 Pontiac which collided with the Buick.

Damage was \$350 to the Taylor vehicle and \$200 to the Warcham car. Mrs. Warcham was crossing the intersection on a flashing yellow traffic light, police said.

## Son Graduates

SHOSHONE — Mr. and Mrs. Kevin Terry will move from Pocatello to Salt Lake City this weekend. He is graduating from Idaho State University.

He will begin work on May 18 for the Arnold Machinery Co. in the Granger area, as a diesel mechanic, specializing in diesel fuel injection.

He is the son of Mr. and Mrs. E. I. Terry and she is daughter of Mr. and Mrs. Don Simpson.

## Forest Fire

CHALLIS — Although much of the forest area still is under snow, the Challis National Forest has already reported its first fire of the season.

On May 4, near Terry's cabins on the Salmon River, fire spread over about 15 acres of Challis forest land. The fire started from an irrigation ditch burning on private ground and spread to forest lands.

Key deer winter range was involved in the fire. Studies indicate approximately 62 deer days were lost in the vicinity in winter and loss of winter coverage for the deer herd is serious.

# SWENSEN'S MARKETS DR. SPOCK STINKS SALE

SWENSEN'S MARKETS announce that DR. SPOCK is the Undisputed winner of the SWENSEN'S MARKETS DING-A-LING DOCTOR OF THE YEAR AWARD.

Anyone we just wanted to say NIX to and the public opinion sensitivity staff to know that there are a few people who aren't one damn bit impressed by what Dr. Spock says about anything—including babies.

Whatever credentials he has as a doctor or fame as an author doesn't make his opinion about war, peace, and the world situation any more important or valid than Charlie Brown's, Grocer Swensen's or anybody else's. In fact, they (Spock's) ideas stink. . . . Spock Stinks. Spock and his theories smell as bad as the long-haired, unwashed, unshaven, yuppies he associates with who don't think there's anything in the world worth fighting for. Liberty and justice have always had to be fought for and defended, simply because greed is always in the world. Young people have always acted a little bit nutty when they were in college, even before pot, pills etc. BUT there's no excuse for Dr. Spock. He is acting as deluded and childish in his old age as Bertrand Russell.

COME ON C.B.S., N.B.C., & A.B.C., give Grocer Swensen a chance to talk about war, peace, and Dr. Spock on T.V.

Whether or not you like Doc Spock and his new hobby, we know you'll like Grocer Swensen and his money saving prices—PLEASE READ BELOW!!
