## Lottery For Draft Sets Callup Dates

**BY DONALD R. FINLEY WASHINGTON (UPI)**—Nineteen-year-olds born on July 9, 1951, were assigned the No. 1 call-up for induction next year in the national draft lottery held today.

The birthdate was the 11th picked in the fateful drawing to decide the military future of 600,000 19-year-olds, and a capsule drawing from a separate drum gave July 9 the No. 1 position in the priority order of Selective Service call up.

Thus under the two-capsule system, Sept. 16 was the first birthdate drawn, but youths born on that date were assigned an induction priority of 139.

The 10 birthdates drawn prior to July 9 ranged in priority order from 3 to Oct. 21 to 257 for July 12 through the luck of the draw.

After a momentary mechanical hitch which delayed the drawing 15 minutes, the second national lottery began smoothly under a scientifically devised system aimed at making the order of selection as truly random as possible.

Two capsules were drawn from two separate drums, one bearing a date of birth, the other determining the priority of a youth born on that day who would be called for induction.

Last year, when the priorities for about 600,000 army eligible men aged 19 to 26 were established, Selective Service put 360 capsules containing a month and date in a jar. The first birthdate drawn was Sept. 14, and young men born on that day between 1949 and 1950 were first in order to be drafted this year.

This year, it was impossible to know when draft No. 1 would be drawn. Using two rotating clear plastic drums, members of Selective Service's Youth Advisory Board drew capsules containing birthdates and draft numbers in pairs. In that way, the first birthdate drawn in the Tarr system lottery could be draft number 365 or any other number up to it.

Trying to leave everything to chance, the Selective Service even loaded the birthdate and number capsules into the drums in random order.

In a brief opening statement, Tarr told those in the Commerce Department Auditorium and a national television and radio audience that "intensive planning has gone into this event because we feel it important to assure those men whose lives are being affected that we sought a truly impartial method of determining the order for induction for 1971."

All the safeguards in the name of random selection were of prime interest to 140,198 young men who registered for the draft when they reached 18 last year and were classified: 1-A (eligible for induction) or 1-AO (eligible for noncombatant service because of conscientious

objections).

Also affected by the drawing were an estimated 450,000 young men reaching 19 this year but holding 2-S college student deferments. Unless Congress agrees to President Nixon's request for an end to

college student deferments, this group is immune from induction next year. But the draft numbers they got in this drawing would determine their eligibility for induction, in whatever year they leave the shelter of the 2-S classification.

## Total Nixon Talk Scheduled Tonight

**WASHINGTON (UPI)**—The Defense Department called today for an August draft call of 10,000 men, 5,000 fewer than in July and the lowest August quota since the Vietnam buildup began in 1965.

Defense spokesman Jerry W. Friedman said one or two months of "zero draft" later this year can be considered "a possibility."

Defense Secretary Melvin R. Laird revealed in a broadcast Tuesday night that the August draft would be less than half of the August 1969 quota, when 20,500 were drafted. It turned out to be approximately a third.

**LOS ANGELES (UPI)**—Confident his controversial Cambodian operations have disrupted Hanoi's plans for conquest, President Nixon today prepared to defend his Southeast Asia policies in an hour-long television appearance.

The President's participation tonight in this unique examination of his policies was seen as another of the steps he is taking to build public support he believes necessary to convince North Vietnam he must negotiate an end to the conflict.

There were indications he might use the occasion to name a new chief negotiator at Paris as a concession toward moving the peace talks which have not been stalled for more than two years.

The President flew here Tuesday afternoon by helicopter from the Western White House at San Clemente shortly after welcoming Mrs. Nixon back from her three-day trip to Zaire. The First Lady carried relief supplies and demoralized American concern for the earthquake victims there.

Nixon arranged a series of conferences with his aides at the Century Plaza Hotel here today to prepare for the program, titled "A Conversation with the President on Foreign Policy."

Howard K. Smith of ABC, John Chancellor of CBS and Eric Sevareid of NBC will question Nixon. The live, unchoreographed program will cover the whole range of foreign policy but was expected to center on Southeast Asia.

A SLIGHT DELAY was encountered in the start of the 1970 draft lottery this morning in Washington when a handle came off one of the drums containing the induction order capsules and had to be repaired. Dr. Curtis Tarr, selective service director, right, looks on anxiously as other officials try to fix the damage. (UPI telephoto)

## Auto Plant Building Underway

Construction began Wednesday morning on a 30-acre site in north Twin Falls for a \$300,392 building which will house the Bill Workman Ford Co., Inc.

The site, Mr. Workman said, is just north of the new Farm and City building on Blue Lakes Blvd. North. Seven of the 30 acres in the property will be utilized at this time in the new automobile agency headquarters with the contract signed Tuesday afternoon with Nelsen and Miller Construction Co., Twin Falls.

Ray Nelsen, of Nelsen and Miller, said the new building will be completed within three to four months.

It will be of cinder block wall construction with trust joist ceilings, and was designed by Robert Bush of the architect firm of Bush, Wilson and Co., Boise.

The building will cover about 28,000 square feet of space. Mr. Workman said, and will include new and used car sales offices, a complete body shop, service department and parts all under one roof. In addition to the building, the seven acres will be devoted to landscaping, parking spaces and used and new car sales lots.

No plans have been announced at this time for further development on the total 30 acres. (See picture, Page 2)

## Officials Here For Opening

The Idaho First National Bank, largest in the state, officially opened for business in this area today with completion of a merger with Fidelity National Bank, a pioneer Twin Falls institution with branches at Filer and Hazelton.

Banking officials from Boise and other parts of the state were on hand for the opening this morning. Among officials from Twin Falls was Lyle A. Frazier, former president of Fidelity who will be executive vice-president of the Twin Falls Bank and who will also be charged with overseeing the branches at Filer and Hazelton.

Among those attending from Boise was Wm. E. Irvin, chairman of the board of Idaho First National.

Mr. Irvin said that the merger of the two banks brings together two of Idaho's foremost financial institutions. The strong position occupied by Fidelity in the Magic Valley area, he said, will add significantly to the statewide services offered by the Idaho First National Bank. The merged institutions have assets of over half a billion dollars. Idaho First now has 54 offices in the state.

The Idaho First executive said that full banking facilities will be offered through the new Twin Falls, Filer and Hazelton institutions and that there will be no employee changes.

Two officials of the former Fidelity National Bank, however, are retiring.

## Sanitation Contract In On Bid

Specifications have been prepared for a new Twin Falls city sanitation contract with bids to be opened July 16.

City Manager Jean Milar said Wednesday the present contract does not expire until the end of September but bid opening is being set for July to give a new contractor should one be designated, time to prepare equipment and personnel for the work and be ready to take over at the close of the existing contract.

Advertising for the bids begins Thursday and specification changes for the new contract include elimination of the sanitary fill operation. Under new plans, Mr. Milar said, the city will operate the sanitary land fill with the contractor required only to pick up and haul the garbage and trash from the city.

Under newly revised Idaho Department of health standards, sanitary land fill operations have become more restrictive and Mr. Milar said it will be easier for the city to operate the fill to meet these regulations.

Depending on the amount of the successful bid residents of Twin Falls may be forced to pay more than \$1.25 per month for services in the future. These fees were set in 1955 and have been maintained since that time, Mr. Milar said. The amount meets present cost requirements of the contract of \$75,405 per year in addition to other sanitation items such as weed control, sanitation inspections and removal of old car bodies.

## Loan Goal Is Behind Hopes

**WASHINGTON (UPI)**—The Nixon administration's plan to create special loan companies to pump money into businesses owned and operated by Negroes and members of other minority groups is lagging far behind its ambitious goal.

The government licensed the nation's 11th Minority Enterprise—Small Business Investment Co. (MESBIC) Tuesday. Commerce Secretary Maurice D. Stans had hoped to have 100 of them in operation by now.

The Commerce Department insisted, however, the plan is not a failure. A spokesman said 17 other proposed MESBICs have applied for licenses and the government has "commitments" for 80 more.

But no one knows when or if the additional 97 firms will begin operating.

When Stans announced the MESBIC program in November, he set the goal of 100 companies by June 30. He said if the target was hit, the program could provide as much as \$225 million in loans to minority-owned small businesses.

The potential venture capital available to minority businessmen eventually can run into a billion or more dollars when the MESBIC program is fully implemented," Stans said at that time. "I hope we can eventually have more than 500 of them in operation."

## Fire Does Damage To Stock

An estimated \$4,000 of damage was done to stock at Farm and City Distributing's new store in a fire which struck about 4:40 p.m. Tuesday.

Max Casperson, manager, said damage to the building is negligible, although some water damage was done to office areas. The fire itself was held in a storeroom where it began.

Firemen and two trucks from the downtown station and a truck and crew from the Falls Avenue station responded to the call and had the fire out at 5:45 p.m.

Mr. Casperson said sparks from a trash fire burning in the rear of the building apparently blew through an open doorway into boxes of stock.

He reported items burned or damaged were mostly canvases, fall coats and bicycles.

"I'm real pleased with the job the firemen did—they got here quickly and held damage to a minimum," Mr. Casperson said.

The firm moved a month ago from a downtown location into the new steel constructed building at 1115 Blue Lakes Blvd. N.

Insurance adjusters were on the scene Wednesday morning assessing damage.

## Senators Deserting President

**BY STEVE GERSTEL WASHINGTON (UPI)**—Evangelical Republican senator seeking re-election but one deserted President Nixon Tuesday when Congress overrode a veto for the first time in 10 years.

The GOP lawmakers helped produce the easy two-thirds majority by which the Senate joined the House in enacting a \$2.7 billion hospital construction program over Nixon's adamant opposition.

The House last week overrode the veto 270 to 98. The Senate, with unanimous Democratic support, assured enactment of the three-year bill, 70 to 10.

Republican senators seeking re-election in the fall were among 25 GOP lawmakers who broke with the President on the politically touchy issue of hospital construction and modernization.

The only Republican senator up for election who voted to sustain the veto was Sen. Roman L. Hruska of Nebraska. Those who did not were Senate Republican Leader Hugh Scott of Pennsylvania and Sens. Ted Stevens, of Alaska, Hiram L. Fong, of Hawaii, Charles E. Goodell, of New York, George Murphy of California, Winston L. Prouty of Vermont and Ralph T. Smith of Illinois.

## 4 Stores Bombed In N.Y.C.

**NEW YORK (UPI)**—Three F. W. Woolworth department stores and a Grand Union supermarket were firebombed Tuesday night in Manhattan.

About half of the 23 incendiary devices found had ignited, several while police and firemen were at the scene. There was only light damage and no injuries.

All the stores were closed at the time, although several employees were just leaving one of the Woolworth stores when the first device ignited.

Police said the incendiary devices were similar to those that started fires in several New York department stores in December. They were found wrapped in matchbox-size plastic packages hidden in clothing, under rugs and in books.

The two devices at the supermarket were hidden in paper napkins on the stock shelves, causing a small fire after the store had closed. None of the fires had been controlled quickly through water control.

## Discards Discussed By Agnew

**LONDON (UPI)**—Vice President Spiro T. Agnew says some people in the United States should be "separated and discarded" from society.

Agnew made the comment in a pre-recorded interview broadcast Tuesday night over British independent television with journalist Bernard Levin. It was Agnew's first major interview for European audiences.

Commenting on dissent and dissenters in his country, Agnew said:

"There are people in our society who should be separated and discarded. I think it's one of the tendencies of the liberal community to feel that every person in a nation of over 200 million people can be made into a productive citizen."

"I'm realistic enough to believe this can't be. We're always going to have our prisons, we're always going to have our places of preventive detention for psychopaths."

## Change In P.O. Called

**WASHINGTON (UPI)**—Landmark legislation to overhaul the Post Office Department for the first time in its 167-year history was passed by the Senate early today to cap a marathon, 15-hour, 22-minute session.

The bill to create an independent postal service and grant postal workers an 8 percent pay raise now goes to a House-Senate conference committee. It marked a victory for the Nixon administration.

Most of the session that began at 9 a.m. Tuesday and ended at 12:22 a.m. today was consumed by debate over the Cooper-Church Amendment to limit U.S. military activities in Cambodia.

The major difference between the two postal bills is that the House measure outlaws compulsory unionism while the Senate bill grants permission to negotiate for a union shop.

## Abortion Law Now In Effect

**NEW YORK (UPI)**—New York state's controversial abortion law, the most liberal in the nation, went into effect today. A host of legal, administrative and religious questions were still to be answered.

Hailed by planned parenthood advocates and condemned by opponents who called it the beginning of "a most tragic chapter in the history of our state," the law became operative at 12:01 a.m.

## Business Slump Bottomed Out

**WASHINGTON (UPI)**—The business slump which the nation has suffered for the past 18 months has "bottomed out" according to the Commerce Department's official spokesman.

Assistant Commerce Secretary Harold Pesser predicted the nation's total output of goods and services would show an increase of 1.5% in the second quarter of 1970 which ended Tuesday. The actual figures will not be available until later this month.

"The real significance of this is that it means a bottoming out," Pesser told UPI Tuesday.

"We would see a little more of a gain in the third and fourth quarters."

## List

The complete list of the draft lottery will be printed in the Times-News Thursday.

The drawing in Washington was not completed in time to publish the entire list in today's newspaper and it was decided that rather than print a partial list, the publication would be held until Thursday at which time the entire drawing would be shown.

It is suggested those eligible for the draft clip the list for future reference.

OFFICIALS OF THE Idaho First National Bank, including the five shown, were on hand this morning as the merger of the Idaho First and the Fidelity National Bank became official. From the left are Jack F. Ramsey, vice-president and manager in Twin Falls; James S. Khaney, vice-president in Twin Falls; Fred Collins, executive vice-president from Boise; Lyle A. Frazier, speaker vice-president in Twin Falls who will also be charged with operation of branches at Filer and Hazelton; William E. Irvin, Boise, chairman of the board of Idaho First. The Idaho First National Bank, with home offices at Boise and with branches throughout the state, is the largest bank in Idaho.

## Truck Hits Two Girls In T.F.

Two girls who were struck by a pickup truck as they ran across Falls Avenue East Tuesday night were listed in fairly good condition today at Magic Valley Memorial Hospital.

Twin Falls County Sheriff's officers said the accident occurred about 8:45 p. m. about five miles east of Twin Falls.

They said the girls were among nine who were in a west-bound car which stopped in the lane of traffic when one of the girls became ill. Joan Dickson, 18, got out of the car and lay down in a ditch on the north side of the road.

Two of the other girls, Susan Mayne, 17, and Mary Cooke, 18, ran across the road to go to a nearby house for help.

As they ran behind the vehicle and into the east-bound lane of traffic, they were struck by the truck, driven by Vador Elmo Brown, 57, Kimberly.

Miss Cooke was struck by the left front fender and rolled away, falling to the pavement about 20 feet to the rear of the parked vehicle. Miss Mayne was struck by the center of the truck hood and carried 74 feet, falling off when the truck stopped.

Other girls in the car were Pennie Farmer, 18; Laura Darrington, 18; Kathy Darrington, 18; Wendy Pariah, 17; Lydia Arrington, 18; and Vonda Lou Henderson, 24, all of Twin Falls.

Speedy Trial

A nation based on the concept of law rather than strong leaders will survive only so long as its laws are respected and observed by its citizens.

Sixth Amendment guarantee of a speedy trial stands on its own merits. Courts throughout the nation are overloaded with work.

Double Negative

Anyone who belongs to a book or record club knows the principle of "negative option."

Nobody should have to pay for something he didn't order. But unlike unsolicited merchandise which comes in the mail out of the blue, and which is another practice the FTC is also considering banning, it can be argued that membership in most mail-order clubs is voluntary and that by the act of joining a member consents to a particular club's "by-laws."

WASHINGTON — There is one all-important uncertainty in Congress' voting on the Social Security increase.

While it is definite a new across-the-board hike in Social Security payments will be approved, still very much up in the air is how much it will be.

Called for. Arguing Hartke, "American workers are paying more than is necessary for the benefits of the present Social Security program."

Dr. Robert J. Myers, former long-time chief actuary of the Social Security Administration, is cited by Tower as authority for his position.

Voting Age

WASHINGTON — Even before the bill giving 18-year-olds the right to vote reached President Nixon's desk, Supreme Court insiders were predicting without reservation that the Supreme Court would strike it down as unconstitutional.

Constitution is absolute as it was written and permits no tinkering by the Supreme Court.

Court, with a direct appeal from its decision to the Supreme Court. Since district judges are instructed "to cause the case to be in every way expedited," a final Supreme Court ruling could be reached before next Jan. 1, effective date of the legislation.

Difficulties

WASHINGTON (NEA) — While the Indochina war gets the headlines, messages from this reporter's contacts in Tokyo, Hong Kong and South Asia outline in some detail the very serious difficulties the Communists are having in the rest of free Asia.

# Nation Bids To Compete

LUXEMBOURG (UPI)—Britain made its third bid in nine years Tuesday to become a member of the European Common Market, but told the six present members that unless conditions were fair, it would not join.

Also seeking membership with Britain in the prosperous economic club were Ireland, Norway and Denmark.

All four countries officially launched their membership bids at a two-hour ceremony in Luxembourg's 22-story European Center.

The formal opening of membership talks between the four applicants and six existing members—France, West Germany, Italy, Belgium, the Netherlands and Luxembourg—produced no surprises.

"We were not taken aback by anything said today," said Belgian Foreign Minister Pierre Harmel, president of the market's ruling Council of Ministers.

The 10 European nations must now "get on the job," Harmel said, of expanding Europe's economic and political boundaries.

The next round of talks between the six Common Market nations and Britain takes place at the market's Brussels headquarters July 21. These will be followed by talks between "The Six" and the three other applicants in September. The talks may take from 18 months to two years to complete.

The talks were followed by rounds of bilateral conversations between the 10 foreign ministers attending the meeting.

Speaking at the formal opening of the talks the chief British negotiator, Anthony Barber, said a solution must be found during the forthcoming negotiations for sharing the burden of financing the Common Market.

## Sukarno Protests Exile

JAKARTA (UPI)—"I feel like a man who is neither alive nor dead."

With those words former President Sukarno, who died 10 days ago at the age of 69, described to his daughter the conditions of his life as a political exile within the nation he founded.

"Both of us broke down in tears when he said that," Sukarno's daughter Rachmawati

told UPI in an exclusive Jakarta suburban mansion which served him as a prison.

The pretty 18-year-old favorite daughter of the late Indonesian revolutionary talked mostly about Sukarno's last two years of life—which were lived out under heavy guard and severe restrictions imposed by the government which ousted him from power in 1967.

Sukarno had no measure of personal freedom within the

city of Jakarta. "Sometimes I took him for a walk around the garden. A guard always came along and others watched from the fence," Rachmawati said.

"He was allowed to read newspapers which were selected by the guards. He had a radio and television set but he did not like them."

**'Box' To Control Our Life**

By MARGUERITE DAVIS WASHINGTON (UPI)

Someday, no home may be complete without Dr. George E. Mueller's little magic box. It would play waxes to music in the morning and report the news while preparing the family breakfast and delivering it to the table.

It also would telephone for a taxi to get the man of the house to work, do the family grocery shopping, handle the family finances and give advice on the stock market, among other things.

So far, the box only exists in the imagination of Dr. Mueller, vice-president of General Dynamics and former head of manned space operations for the National Aeronautics and Space Administration (NASA). But he predicts it might be ready by the year 2000.

The heart of the wonder gadget, estimated by Mueller to cost about \$1,000 each, would be a small control processor, perhaps an inch wide, an inch deep and two inches long.

Mueller said the idea occurred to him while he was preparing a series of lectures on space to be delivered at an international seminar in Australia in August.

He concluded there was no reason why technical developments already known and used by NASA shouldn't be wedded to other concepts to produce a drawing board to make life easier for housewives.

He acknowledged his dream might not be wholly pleasing to everyone. A neighbor whose advice ran counter to that of the magic box might be misled. But Mueller was certain this would be offset by the housewife's pleasure with the cube.

Embedded in a display console no bigger than a television set, it would have a high-speed memory of about 100,000 words, a memory for voice commands, a circuit for recorded messages, and a tape recorder that could store several days of designated programs.

That would be only the beginning.

The housewife could tell the computer what music she wants to hear and TV programs she wants to watch during the day, and store the information for delivery when requested.

When her husband is ready to leave for work, the computer would order a taxi, and stay on the job until there was assurance that the cab was en route.

Grocery shopping would be revolutionized. The hard-working housewife would dial her supermarket and, with the aid of the computer's compressed information and a remote TV unit, select the food she wants and log it on an automatic shopping cart label with her name and address.

An automatically computed bill would be submitted on the TV screen for her approval. Then checked for accuracy and credited to the grocery's at the local bank.

After ordering the groceries, the housewife could dial her favorite shop and select a new dress from those shown on the TV screen. It would be charged to her account and delivered before sundown.

The electronic cube would provide the man of the house with a running account of his personal finances, and with current and past information about his stocks. Their performance would be analyzed and forecast, and orders to buy or sell would be honored.

The computer could keep a current account of his tax situation, advise him how to avoid tax liability and pay his taxes as it would be due on his grocery bill when he comes due. The magic box could even evaluate the market and predict the action of his competition.

# Senators Override Nixon Veto

WASHINGTON (UPI) — With final action by the Senate, Congress overrode a Presidential veto Tuesday for the first time in 10 years, passing again a \$2.7 billion hospital construction bill over President Nixon's objections.

Senators voted 76 to 19 for approval of the politically popular measure to join the House, which voted 274 to 98 last Thursday to override Nixon's veto.

The bill authorizes a three-year extension of the expiring Hill-Burton Hospital Construction Act which had previously sailed through both chambers by unanimous votes. It called for the largest expenditure in the program's 24-year history.

Nixon objected to the bill because it authorized \$350 million more than he had requested. But more importantly, it would require that he spend not only all the funds to be appropriated under the bill as specified but also whatever else Congress might decide later to authorize for other health-related programs, including the vast research of the national Institutes of Health.

In his first veto of the session, Nixon called the bill a "long step down the road to fiscal irresponsibility."

Some senators doubted Congress could require Nixon to spend the money. Sen. Jacob K. Javits, R-N.Y., said the bill served notice on the President that any funds subsequently appropriated under the measure would be exempt from any federal spending ceiling Congress might impose.

# Body Of Young Climber Found Frozen In Ice

GLACIERNATIONAL PARK, Mont. (UPI) — The body of a young mountain climber has been found frozen in a huge chunk of ice, six months after he and four companions tried to climb the unconquered north face of Glacier Park's highest peak.

The body was identified as that of Ray Martin, 22, of Butte, Mont.

Martin and four others set out Dec. 27, 1969, to attempt an unprecedented winter time ascent of Mt. Cleveland, which rises 10,448 feet near the Canadian border. They never returned.

An intensive search was started early in January, but was called off after six days because of approaching storms and increasing danger of avalanches.

The search had begun with hopes the five were still alive, but soon became a grimly determined hunt for their remains.

Tracks in the snow indicated the party had started up the north face, but approach never climbed before winter or summer.

All that was found were a backpack, a parka and a camera. It was assumed the five had been killed in an avalanche.

The search was resumed a few weeks ago when spring weather allowed recovery crews to probe the melting ice and snow.

Early Monday, a five-man team spotted what they thought were two forms frozen in the ice. After hours of chipping away at the frozen mass, however, they found just one body.

It was Martin.

# Calendar Is Given In Blaine

HAILEY — The calendar for the 1970-71 school year for the Blaine county school District No. 61 has been released by Supt. Vernon Exner.

Students in the district will return to school Aug. 27, taking a break Sept. 7 for Labor Day. Another vacation will be in effect for the students during the regional teachers' conference Oct. 8 and 9. The first quarter ends Oct. 30 after 44 days of school.

November 26 and 27 school will be dismissed for Thanksgiving vacation, and for Christmas Vacation Dec. 23 through January 3. The first semester ends Jan. 15 after 89 days of school.

School is out for spring vacation March 1 and 2, with the third quarter ending March 19 after 132 days of school. April 9 through 12 has been set aside as Easter vacation, with the school term ending May 28 after 180 days of school.

A year on the planet Saturn is 29½ earth years long.

Two of the men are rangers from Waterton Park in Canada. Healden, Martin, the five experienced and well-equipped climbers included Jerry Kasper, William Briggie said both Canadian and U.S. personnel conducted the searches this spring and last winter.

# Paper Planes Break Records

COLUMBUS, Ohio (UPI) — Two world records were broken Tuesday in the initial flights of the International Paper Airplane Contest here.

Arthur Geofrion of Willowick, Ohio, bested the world record for duration in the adult division by keeping his paper craft aloft for 10 seconds. The

previous record was 9.9 seconds.

In the youth division, Gary Harris of Columbus, Ohio, set a new distance record of 64 feet 2 inches, exceeding the former mark of 58 feet 2 inches.

Trumpeter Harry James' entry, "The Flying Horn," was disqualified when it was deter-

mined he used a small amount of metal in construction. Contest rules dictate only paper, glue, tape and paint may be used in construction.

Rock singer James Brown's "soul" entry flew a respectable nine feet, but the Four Saints' plane flew a whopping 23 feet.

Douglas Pitcairn of Bavaria, West Germany, entered a

Luftwaffe craft, complete with all the appropriate German insignia. His entry took an early lead in the adult originality division but fell behind in distance to an entry from Gov. Robert Docking of Kansas which flew 45 feet.

Cartoonist Milt Caniff's "Steve Canyon Special" flew less than 11 feet.

# Traffic Detoured In Area

All traffic into the upper Rock Creek Canyon area south of Twin Falls is now being detoured via Shoshone Basin, accessible either past Nat-Soo-Pah or from U. S. 93 near Rogerson.

Twin Falls Ranger Lewis Munson, of the Sawtooth National Forest, said Tuesday that traffic, especially on week-ends, has been heavy and he urged motorists to take into consideration the fact that this road is not designed for heavy traffic.

For the most part, Mr. Munson said, the road is only wide enough for one-way traffic with turn-outs. There are a number of blind curves and sharp curves which add to the accident potential.

One serious accident has already occurred and there have been many more "near accidents", the ranger added. Drivers using the road for access to recreation areas should keep in mind the heavy traffic, especially during the coming holiday week-end, the ranger added, and should drive with extreme caution.

Mr. Munson said a speed of 20 to 25 miles per hour is recommended for the road.

In addition to five miles of construction in the Rock Creek canyon which has necessitated closing of that road, there is a one-mile construction project in the vicinity of the Magie Mountain Ski area and Rock Creek Ranger Station. Hourged motorists entering the upper construction area, which is not closed, to watch for equipment and other construction hazards.

SCENIC BUT NARROW and filled with blind curves is the present detour road into the Rock Creek Canyon recreational area southeast of Twin Falls. Because of major construction which has closed the canyon road south of Hansen, persons using upper-canyon recreation facilities must travel through

Shoshone Basin, District Ranger Lewis Munson has asked cooperation of the driving public, especially during weekend traffic peak times, to use extreme caution as the road now in use is not designed for heavy traffic. Above photograph shows narrow one-way section of road leading into blind curve.

## Aged Men Give Vote To Youth

WASHINGTON (UPI)—The 10 million striplings who may get to vote starting next year can thank three legislative relics so far over the hill they hardly can be expected to remember ever having been under 30.

In descending order of perannation, Rep. Emanuel Celler, D-N.Y., 82, House Speaker John W. McCormack, D-Mass., 78, and Senate Democratic Leader Mike Mansfield, D-Mont., 67, emerge as undisputed heroes of the recent battle to put the stamp of youth on the ballot box.

In the end, of course, the law to lower the voting age to 18 in federal, state and local elections was approved by a heavy majority of House and Senate members who run to an average age in the mid-50s and obviously are not a group to be trusted. Although the congressional battle is over, and President Nixon (age 57) has run up his white flag of surrender, the final outcome still is not certain.

## 'Quality' Of Life Is Key To Survival

NEW YORK (UPI)—The prize in the current ecological sweepstakes is not merely survival—it is the quality of survival.

According to National Audubon Society President Dr. Elvis J. Stahr, Jr., "too many ecologists are shouting only that 'mankind may not survive 15 years more.'"

They may be right, Stahr said, "But if you're going to have to live in filth and poison, what's the point of surviving? Survival alone is not enough."

"It is vital," Stahr continued, that man "apply his scientific and technological skill to repairing the damage and the filth."

"But it is even more vital that there be an understanding that these things shouldn't have been done in the first place, rather than just going ahead and cleaning up after ourselves."

Man, he continued, "must use his foresight — he should have used it long ago. We can't keep polluting our water and air in the name of progress."

"Mankind will always feel a need for progress—but some say you can't have progress without dirty water or air. And that raises questions about what is progress."

"What good is progress if you have a houseful of gadgets—but you can't get out in the air?" Stahr, president of the 100,000 member "conservation" group

since 1968, said, "This question of ecological survival isn't just a matter of what people would like. Nature doesn't care what people would like. She's going to exact a price for all the damage we do to her—and that price may be far higher than some of the sacrifices man now seems to be willing to make."

Stahr, a noted educator and former secretary of the Army in the John F. Kennedy administration, says the Audubon Society's biggest role in the conservation-ecology field is "environmental education."

"You must have education and you must have conservation," he said. "Through education we must change defensive action into affirmative actions. And by conservation, we must try to stop the current damage and save that which is threatened. Otherwise, by the time we educate people, there won't be any heritage for the education generation."

## MAGICIAN DIES

SAN ANTONIO, Tex. (UPI)—Harry Francis Willard, a magician who once claimed he was the only person in the world who could catch a "speeding bullet in his teeth," will be buried Wednesday.

Willard, a longtime friend of escape artist Harry Houdini and magician "The Great Blackstone," died in a local hospital Sunday at the age of 74.

# Jerome Schedules Horse Racing For July 23-26

JEROME — Jerome county's four days of pari-mutuel horse racing will be held July 23, 24, 25 and 26, according to the Jerome County Race Association. Racing will start at 6:30 p. m. with post time on Sunday, July 26, at 1:30 p. m. The local program is being presented under the auspices of the Jerome County Fair Board. Three special races are scheduled, the 33rd annual Intermountain Quarter Horse Derby, \$400 added, the third annual Eagle Valley Futurity, \$500 added, and the Intermountain Maturity, \$400 added.

Racing Commissioners are Bob Walton, Wilson B. Churman and Tom Prescott. Mr. Prescott said that a "new approach" will be used for the July program. "We're going to make it a family affair with special events between races as they do in Eastern Idaho and in other areas," Prescott said. He explained that events may include 4-H girls modeling gowns, 4-Hers displaying animals, baton races, relay races and a performance by the sheriff's posse. Prescott said appointments made thus far include the Muir, in charge of stewards; Chuck Andrus, placing judges; John Van Orman, clerk of scales; Eyle Crozier, starter; Lew Jensen, in charge of pari-mutuel employees; Ted Peterson, in charge of out riders; Chuck Hoeman chairman of special events between races and Bill Priest, in charge of 4-H events.

## Dealer Is Named For Jerome

JEROME — Weldon K. Weigle, Jerome, has been named dealer for Kingsbury Farms, a subsidiary of Boise-Cascade. He will be in charge of selling in Jerome, Blaine, Lincoln and Chama and Coalinga counties. He has opened an office in his home, 313 East Third Ave., Jerome. The company sells pre-manufactured homes produced in Meridian with 17 different floor plans, plus duplexes and office buildings. Mr. Weigle and his family recently moved to Jerome from Boise where he spent four years as state engineer with the Farmers Home Administration. He is the son of Mr. and Mrs. W. W. (Bill) Weigle, Jerome, and is married to the former Caroline Yingst, daughter of Mr. and Mrs. Clarence Yingst. The couple has three children.

## Younger Haircuts Take The Time

SAN FRANCISCO (UPI)—Haircuts for the younger generation are less frequent, a union leader says, but they take a lot longer. One previously lasted about 15 minutes, but now take an hour because of long hair, said Everett Hedrick, president of the union's Local 148. He suggested changes made according to the trim's difficulty. Hedrick spoke after more than 200 barbers from all parts of California spent one day in a seminar aimed at restraining them to clip long locks.

The structure is now about 90 per cent completed and crews are painting and doing the finish work, surfacing the driveway and seal-coating the parking lot. All equipment is installed except for the X-ray equipment which includes an X-O-Mat, which is a rapid-developer of X-rays. Flooring and carpeting will be laid in the next two weeks.

## Commission To Meet As Tax Board

SHOSHONE — Lincoln County Commissioners will meet July 6 as a Board of Equalization on the personal property tax rolls of the county, which list personal property, not attached to real estate. This 1970 personal roll will list machinery and equipment, showing only 25 percent of merchandise, livestock and forest products, due to the phase-out of those items by the legislature of 1967. The Board already has acted as a board of equalization for the real property roll and to examine requests for tax exemptions by widows and war veterans.

## BLM Aide Honored For Winder

SHOSHONE — Don Williams, engineering equipment with the Shoshone District, Bureau of Land Management, was recently given a \$300 incentive award. This award, presented by District Manager William Mabbitt at a meeting of all district personnel, was granted to Williams for the development of a wire winder. The winder is used for winding barbed wire from fences that are no longer needed. This unit can retrieve a one-fourth mile strand of barbed wire in about 15 minutes compared to nearly two hours required for hand rolling. The Bureau has published pictures and specifications for this unit in a technical note that is distributed to all BLM offices in the United States.

## WORKS ON COAST

RICHFIELD — Mario Priestad, Idaho State University junior, has summer employment in San Diego. She accompanied her brother, Fred Anderson, and family there after vacationing with her mother, Mrs. Frances Priestad, Richfield, and her aunt, Mrs. Edna Bell Hagerman.

# Governor Talks In Jerome Thursday

JEROME — Gov. Don Samuelson will be guest speaker at noon Thursday at Woods Cafe at a public meeting announced by Mrs. Bill McCoy, chairman of the Committee to Re-Elect Gov. Samuelson. He ended his "take" the government to the people" campaign in Jerome several months ago. "My purpose then was to seek suggestions from residents of the area on ways to increase efficiency in state government and to move Idaho ahead," the governor said. "I will return July 2 as a candidate for re-election, and I look forward to renewing many friendships and acquaintances," he added.

## Landfill Discussed In Blaine

HAILEY — Blaine county commissioners met with representatives of the State Health Department and cities within the county recently to discuss the county's Sanitary Landfill. During the meeting, Charles Wright, Blaine mayor, was retained as full-time manager for the fill. His duties will include keeping the fill operating according to state standards. Commissioners determined to hire a manager after improper burning and dumping at the site north of Hailey became a problem.

## Wrong Honey Got The Honey

CINCINNATI (UPI)—A jealous wife who dumped a container filled with honey over the head of a woman she suspected of being her husband's sweetheart, was convicted on a disorderly conduct charge Monday. Common Pleas Court Judge Rupert A. Dear handed down a suspended 10-day sentence and \$100 fine to Mrs. Wanda Morganthal, Sandra McArthur, a receptionist at a local radio station, testified Mrs. Morganthal walked into her office May 18, said "Here's some honey from your honey," and dumped a plastic bowl of honey over her head.

# Bid Opening Set For Hospital Equipment

BURLEY — Cassia County Commissioners announced that bids on heating and air conditioning equipment for the new additions at Cassia Memorial Hospital are now being accepted. Bid forms and specification forms are available free of charge to prospective bidders at the county clerk's office, reports John Clark, chairman of Cassia County Commissioners.

## H.O.P.E. To Stay Open Two Evenings Each Week To Serve Jerome Migrants

BY CHARLOTTE BELL, Times-News Correspondent  
**JEROME**—The building which houses H.O.P.E. will be open from 7 to 9 p.m. Monday and Friday nights, reports officials of the organization, whose initials stand for Help Other People Everywhere.  
 Mrs. James Sloat, a leader of the volunteer group, said the request to open evenings was made to her by a delegation of farm workers who favor the work the volunteers are doing. The group is composed of Jerome area women who have

hours in the fields with little economic security, is one of the major purposes of the H.O.P.E. volunteer organization in Jerome. Currently there is a need for bedsprads and extra bedding at the labor camp.

solicited residents of Magic Valley in past months for contributions of items they no longer are using which can be utilized by the migrant workers. These items then are purchased by the migrants for a small amount.  
 The workers are able to bring only limited household goods with them in their travels, Mrs. Sloat explained, and this project is to try to provide the extra things they need.  
 Having the building, which is housed in a former service station in the 300 block of West Main Street in Jerome, open two nights a week will enable the workers who must stay in the fields until late afternoon to stop there, she said.  
 H.O.P.E. at this time needs bedsprads and other bedding and household goods. Anyone who can spare such items is asked to bring them to the building on West Main.  
 Some of the other projects the volunteer women have done include taking children from the labor camp into Jerome to the swimming pool and furnishing toys for them as well as assisting with housing problems. They provided furniture in the labor camp, hanging curtains in the cabins before the workers arrived.  
 The group also provided housing in a local hotel for one family for several days. The organization operates on funds received from the sale of the donated household items.  
 Plans are being discussed for a child day care center, similar to the one operated in Twin Falls, Mrs. Sloat added.

## Rupert Jaycees Told Of Ranch Hot Line

**RUPERT**—Members of the Rupert Jaycees were briefed on the "Hot Line" project by Leo Childs, superintendent of the Idaho Youth Ranch.  
 The project, proposed to provide a source of confident conversation via telephone to persons in this area, especially youth, will go into effect in early July.  
 Personnel operating the telephone service and its headquarters location will remain a secret, but the telephone number will be highly advertised, Mr. Childs said. The project is designed to provide anyone a confidential source to discuss private matters with, in event the need arises.  
 The building for headquarters is provided by a local merchant, and telephones are made available by the Project Mutual Telephone Co., Rupert. The service won't be in operation 24 hours a day, but officials hope to have it available seven days a week, with hours announced later.

# Special 'Olympics' Medals Awarded

Fifty-five medals were awarded to 36 Twin Falls children who participated in the State-wide Special Olympics June 26-27, in Pocatello, according to Penny Stevens, supervisor of training for the children.

Approximately 600 medals were awarded to mentally and physically handicapped Idaho children for their achievements in track and field competition. The competition included five different age groups in at least three divisions in standing long jump, 50 yard dash, softball throw, high jump, 300 yard dash and swimming for both boys and girls.

Only 20 children in the entire state will be chosen for the national Olympics and 5 of those children will be chosen from Twin Falls. Mrs. Stevens said Henry Fabella, 20, is the only participant who has been picked for this trip, at the present time. Accompanying the children were 24 Twelvet members who had worked with the children since they first began training for competition. The transportation to Pocatello was supplied by School District 311.

Softball team winners were as follows: age group B and D; Marcus Handelman, division 3, silver medal; and Julie Olson, division 2, gold medal; age group 10 through 12; Darrell Jones, gold medal and Kathy Brown, bronze medal, both in division 2; Bonnie Brown, division 1, bronze; and John Jones, division 3, gold medal; age group 13 through 15; Ruth Chonby, gold medal; Erysl Brito, bronze medal; Mary A. Groves, silver medal; all in division 1; Jerrie Snow, bronze medal; and Elaine Cardwell, silver medal, both in division 2; and Douglas Maguhn, division 4, bronze medal; age group 16 through 18; Russell McMurdo, bronze medal and Simon Ballos, gold medal, both in division 2; and Gwen Schreckenborg, division 1, gold medal; and age group 19 and over; Gayla Maddox, silver medal and Alan Elsenbee, gold medal, both in division 1.

Winners of the 50 yard dash were as follows: age group B and D; Gordon Davis, division 1, gold medal; age group 10 through 12; Jonny Parsons, gold medal and Albert Ballos, silver medal, both in division 2; Kathy Brown, division 3, silver medal; and Inula Ed Harrington, gold medal; age group 13 through 15; Archie Thompson, division 1, silver medal; Dobra Gollay, division 2, silver medal; Glenn Bjorn, division 3, gold medal; and LaMar Henley; division 4, Elsie Brito, division 4, gold medal; age group 16 through 18; Ruth Altaute, gold medal; Pam Taylor, silver medal and Louise Hughes, silver medal, all in division 9; Tom Pont, bronze medal and Gwen Schreckenborg, bronze medal, both in division 2; and Simon Ballos, division 4, gold medal; and age group 19 and over; Henry Fabella, division 1, silver medal and Terry Peters, bronze medal, both in division 2; and Ed Harrington, bronze medal and Bonnie Brown, gold medal; both in division 2; age group 13 through 15; Elaine Cardwell, gold medal and Dobra Gollay, gold medal, both in division 2; age group 16 through 18; Elaine Cardwell, division 2, gold medal and Earl Casper, division 1, gold medal; and age group 19 and over; Junita Knutsen, division 2, bronze medal and Terry Peters, division 1, bronze medal.

Glenn Bjorn won a silver medal for the age group 13 through 15 in free style swimming; and Merlene Allread won a participant medal in softball throw for the age group 19 and over.

The participants arrived in Pocatello Friday, in order to compete in free style swimming competition and attend a dance in the Idaho State University Hall Room.

The official grand opening started Saturday morning with a telegram from Don Santisteban welcoming the children to the Special Olympics. Following the recitation of the Olympic pledge and the lighting of an Olympic torch, track and field events began and lasted until 4 p. m.

## Hope Avers Teens Won't Stir Fuss

WASHINGTON (UPI) —Entertainer Bob Hope predicted Monday about 400,000 people would attend a pro-American rally July 4 at the Washington Monument; and that he expected no trouble from young antiwar protesters.

Here to look over the site for the Honor America Day program, Hope challenged critics who have said its entertainers were heavily weighted in favor of those supporting Nixon administration policies.

"We're not trying to sell any political message here," Hope told a news conference. "We are just trying to observe July 4 like we used to."

He said he had invited black comedian Dick Gregory and the Snethers Brothers—all quipped in their opposition to the Vietnam War—to appear on the program, but would not permit political speeches by anyone.

Hope and evangelist Billy Graham are honorary co-chairmen of the all-day rally designed to counter demonstrations which they felt were anti-American. A Willard Marriott close friend and supporter of President Nixon and a hotel and food chain executive, is executive director.

Hope was asked about the announced plans of Chicago 7 defendant Rennie Davis to hold a marijuana "smoke-in" on the monument grounds Saturday to counter the Hope-Graham program.

"After this is all over, I may smoke some of that myself," Hope quipped. Greeting serious, he added, "I don't expect any trouble."

Asked why the program did not include more personalities who appeal to the young, Hope said all the event's entertainers have wide audience appeal. "Red Skelton, Jack Benny, they are young enough."

Hope said he believed the Snethers Brothers would appear. "They've asked me for a couple of favors," he said. "I don't think Gregory could make it."

"The New Left can come in if they have some entertainers to present," Hope said. "I'd be happy to audition them if they have any talent."

The advisory committee for the show includes politicians ranging in sentiment on Vietnam from Sen. John G. Tower, R-Tex., to Sen. George S. McGovern, D-S.D. Hope said but he said "there was way" they or other politicians would be permitted on stage. Political jokes will be allowed provided they do not get too serious, the comedian said.

A new queen will be crowned at the Fair Grounds the night of July 4.

# Three Children Drown When Auto Goes Into Declo Canal

BURLEY — Three children, two sisters and their cousin, drowned early this morning when the car, which was taking their family to work in the beet fields, plunged into a canal of Highway 30 two miles east of Declo.

The victims were Erma Manriquez, 10, and Anita Manriquez, daughters of Mr. and Mrs. Edwiges M. Manriquez, 726 Hansen Ave., Burley, and their cousin, Joe Hernandez, 12.

The girls' parents and four sisters all managed to escape from the swift water unharmed. The "Third Lift" canal is estimated to be about eight feet deep and 30 feet wide at the point where it goes under highway 30, according to State Patrolman Gordon Mills, who investigated.

He said Mr. Manriquez, 45, was driving a 1965 Pontiac station wagon and was attempting to pass Lynn Taylor, 23, Star Route, Declo, who was turning his 1967 Ford pickup truck left onto the canal bank.

The Manriquez station wagon did not strike the truck, but plunged into the full canal. There is no railing over the short bridge. The swiftness of the water washed the bodies of the drowned children some distance from the submerged auto, which itself was moved several feet from the spot where it hit the water.

The tragedy occurred about 6:15 and at 7 a.m. water was turned out of the canal. Two divers, Kenneth Wells and Douglas Schell, were called and used an aluminum boat and oxygen tanks to search for the bodies.

The youngest girl was found about one-eighth of a mile from the car, and her cousin was about a half mile downstream. The 10-year-old girl's body was the last to be recovered and was nearly a mile from the site.

Patrolman Mills said the three victims were in the back portion of the station wagon.

In addition to their parents, the girls are survived by four sisters, Rose, 14, Martha, 8, Mary 17, and Beatrice, 7.

## Marshal Takes Post At Hansen

HANSEN — Delbert Mothershead has assumed duties as marshal-watermaster of Hansen, after his official appointment at special meeting of councilmen. He replaced Arthur Mitchell, who resigned, and has accepted a position with Kregels.

A new lawn mower was purchased for the city parks. An ordinance pertaining to licenses and control measures for dogs will be further studied. An ordinance drawn up in 1937 is still on the records. It is amended at a later date. It is planned to rewrite and submit a new ordinance for further study.

Residents who are keeping stock of any kind, even rabbits and chickens, must obtain a stock permit from the city office.

Residents are also urged to help keep the irrigation ditches free of debris during the summer irrigating season and to help keep garbage, toys and the boards provided for headgates from going on down the ditches, and causing plugging and in some cases flooding over into the streets.

## Fireworks

FAIRFIELD — Bigger and better fireworks for the 44th of July is being planned this year, according to Lyle Hupfer, Commander of the Elmer Miller Post of the American Legion.

The display is being co-sponsored by the Chamber of Commerce. Hupfer stated that the display will have between 70 and 75 pieces and that the show will start at about 9:45 p. m. Saturday in the big city park in Fairfield.

The event is free and anyone in the vicinity is invited to attend and enjoy the colorful display of rockets, fountains and other aerial fireworks.

## Homes Sold

HANSEN — Recent sales of homes in Hansen include the home on Second Street West belonging to Mrs. Charlie Smith, which was sold to Mr. and Mrs. Donald Coats, who have moved in during June.

The home belonging to Mrs. Frances E. Lister was sold to Mr. and Mrs. Emanuel Will, who plan to take possession July 1. Another sale of property involved five lots on main street which belonged to Mr. and Mrs. H.L. Gosselt, Twin Falls, which were sold to Mr. and Mrs. Keith Pollard, Hansen.

## Commission Will Work Fulltime

Beginning Wednesday the Twin Falls County Commissioners assumed a full-time status and announced they will be meeting at the courthouse, office three, and one half day per week rather than two in the future.

There will also be a county commissioner on county business everyday throughout the work week although they may not be in the office at all times.

Huber Loughmiller, commission chairman, and William Chaney said plans are being made for establishing a work schedule to include a designated day or days when indigent cases will be handled.

Under the new system, commissioners say, they will be able to spend more time checking out county business, projects and problem areas by allowing two-and-a-half days outside of office schedule.

Under the new system, commissioners will receive \$7,000 per year as compared to \$4,800 earned as part-time officials.

Mr. Loughmiller said commissioners will continue to meet in official session Monday, Tuesday and a half day on Wednesday but will be available for special county sessions when needed.

## Leaves In Style

ST. LOUIS, Mo. (UPI) — Police said Tuesday they are still looking for Dr. Fred Rose, who escaped from the city workhouse Saturday by cutting a taxi and riding away.

The cab took him to a tavern.

# Tour Visits Immigrant Trails

BURLEY — About 100 Magic Valley residents toured some 300 miles of immigrant trails in Cassia County by bus and heard Mr. and Mrs. Max Bruce give historical facts of the various sites.

The two school buses traveled for nine hours, leaving the Burley Junior High School parking lot at 7 a. m. and returning at 5 p. m. to Burley. The tour was sponsored by the 100 Years Progress in Cassia County Committee.

The route the buses traveled would have taken the early day pioneers some 20 days to cover in their covered wagons. It was noted.

Mr. and Mrs. Bruce used amplified equipment for pointing out the historical sites and described location and facts of the various immigrant routes. All of the crossing of the five major pioneer trails that are exclusively found in Cassia County were visited.

Included was the site of the Indian Massacre of 300 immigrants about 1850 near present-day Armo. Mrs. Wallace Taylor, Armo, gave a dramatic account of the alleged Indian Massacre.

Another stop was the Silent City of Rocks where an extensive viewing of the rock formations and their history was reported.

The final stop of the day was in Albion, the first county seat of Cassia County and the place where the gallows were built to hang Diamondfield Jack, but the hanging never took place. Diamondfield was charged with shooting two sheep herders during the days of the battles between the cattlemen and the sheepmen.

Members will hold a silent auction with each member to furnish three items for the sale during the annual summer picnic scheduled for 7:30 p.m. July 26 at the home of Mrs. Bailey.

Members will continue to accept antique items through this week and will open the display Monday in the basement of Van Engelen. Contents of two hot banks, holding money paid by members for "infractious" of club rules, were given Mrs. Konrad for a trip to the International Sororist convention Sunday through July 10 at St. Louis, Mo.

# Data Given — Rupert Jamboree Success Is On Prizes Barometer For July 4 Event

SHOSHONE — Prizes for the July 4 parade will be provided by the Lincolnettes, instead of the Chamber of Commerce as was previously announced.

Mrs. Clarence Magoffin, in office in the Lincolnettes reported the parade will begin at 11 a. m. and there will be three prizes for participants: \$10 first, \$7.50 second, and \$5 for third place. All must be on the independence theme. Individual prizes will be \$3.00, \$2.00 and \$1.00 in three categories also the patriotic theme.

However, anyone may enter the parade and not follow the theme, but will not be considered for the prizes. Entries of all kinds are solicited in order to make a more interesting parade, Mrs. Magoffin said.

RUPERT — If the Rupert Jamboree is any indication of how successful the July 4 celebration is going to be, said a visitor, "then it should be the greatest ever."

Don Reed, general chairman for the Jamboree, reported this year's event was the biggest in the history of the city. Entertainment was considered outstanding and the Old Time Fiddlers answered encouragements from the enthusiastic crowd. The old western atmosphere was nearly complete by the authentic Indian hoop dance by Ralph Wallace, Minidoka.

Ralph, an Eagle Scout and a member of the Order of the Arrow, learned the dance through Scouting at the Brigham Young University six years ago. He is one of 12 persons in the world who can do the hoop dance using 15 hoops. The average Indian uses only eight. He was assisted by Arlyn Richards, Acaquila, on the tom-tom; and the dance was by black lights.

A contract in entertainment was provided by the Hawaiian dancers of Sally Smithoe. A public dance was held after 8:30 to music provided by the Melody Masters, Twin Falls. Happy Holly Houghburg, was the enjoyable master of ceremonies and presented surprises to each of queen candidates and Vicki Kent, this year's queen. About 350 in 1967 prizes were presented to persons attending.

The public event will be the annual parade, which starts at 11 a. m. in the Idaho Empire Carnival Co., has arrived and will feature family night tonight. Kids Night will be held at the rodeo Thursday night.

# Suit Against T.F. County Dismissed

A memorandum decision has been filed in Fifth District Court granting dismissal of charges brought by a local law firm against the Twin Falls County Commissioners.

Several months ago the firm of Kramer, Plankey and Meehl filed suit against the county to collect about \$3,000 from the commissioners for the firm's defense of former Probate Judge Richard Reed and the expenses incurred during the defense.

The firm defended the former judge in a dispute with Frank Barnett, Twin Falls, Chief of Police. Mr. Reed, who was probate judge during the case of the State of Idaho versus Edward Heath, then charged in connection with an evidence-planting case.

Chief Barnett filed to produce notes during the case and was found in contempt of court for his action. Barnett had been a city police officer and he presented to persons attending the annual parade, which starts at 11 a. m. in the Idaho Empire Carnival Co., has arrived and will feature family night tonight. Kids Night will be held at the rodeo Thursday night.

However, Chief Barnett took the contempt ruling to district court and the state supreme court, both which refused to override Mr. Reed's contempt charge against him.

The county commissioners, when billed by the law firm, refused to acknowledge liability for the claim and maintained they did not have to make payment because they did not engage the firm to represent the then county official.

The decision upholding the commissioners' contention was handed down by Judge Henry S. Martin, District Judge from Idaho Falls.

He told investigating officer, City Marshal Dana Gilmore, that a sudden gust of wind caused him to lose control of the car on the curve and overturning.

# Woman Is Critical From Crash Windstorm Demolishes Boise Car

RUPERT — A Burley woman is listed in critical condition this morning after a two-vehicle accident at 8:15 p. m. Tuesday at 350 East and 400 South of Burley.

Mrs. Norma Ward, 44, was taken to Cassia Memorial Hospital after the 1967 Oldsmobile she was driving collided with a 1969 GMC gas truck operated by Deward M. Perkins, Jr., 19, Burley.

The truck is owned by Oscar G. Robertson, Burley. State Patrolman Roy Holloway, said the vehicles met at the rural intersection. The car rolled about 100 feet into an abandoned gravel pit, coming to rest on its top.

The gas tank separated from the cab of the truck. The tank, partially full of gas and diesel, did not ignite.

Mr. Perkins was not reported as injured. Investigation is continuing.

City Police are investigating destruction which took place Tuesday night at the fireworks stand at the Blue Lakes Shopping Center.

Officers said nothing was taken as the stand is emptied of merchandise when it is closed.

# 2 Arrested

Two Boise residents were arrested about 8 p.m. Tuesday at the Blue Lakes Shopping Center and charged with forgery.

Glenn Booth, 18, remains in custody at the Twin Falls City Jail and Kathryn Booth, 21, was transferred to the county jail.

The pair is charged in connection with incidents at the shopping center on Monday.

AWAITS ORDERS — Sgt. Brian Mull of the 75th Ranger is home awaiting orders for further service after serving in Vietnam. He will go to St. Louis, Wash., after his leave. Mrs. Mull is the former Terry Turner, daughter of Mr. and Mrs. Gene Turner, and the couple have a son, Cory.

# Book Fair Scheduled In Ketchum

KETCHUM — The Book Fair, sponsored by the Ketchum-Sub Valley Community Library, is scheduled for July 11 and 12 in the Ketchum Library, according to Mrs. Robert Ackerman, chairman of the sale.

Flours set for the fair are from 10 a.m. until 6 p.m. Saturday, and from 10 a.m. until 3 p.m. Sunday. The hard cover books, ranging in price from five cents to \$2.50, are duplicates of those already on the library shelves.

A varied selection, many in excellent condition, includes contemporary reference works, classics, juvenile books, best sellers, adult fiction, and non-fiction.

"The modest prices represent a considerable savings to those interested in enlarging their personal libraries," Mrs. Ackerman said. "Good best sellers, most of which are practically untouched, would also make excellent gifts."

# Ex-Albion Woman Is Honored

ALBION — Mrs. Vivian J. Holmes, former resident and daughter of Mrs. Bernice Brewerton, Albion, has been chosen Outstanding Science Teacher of Utah by directors of the Greater Utah Science Fair.

A volume of the Lincoln Library of Essential Information was awarded Mrs. Holmes at the annual United High School awards assembly in Vernal, Utah, where she has taught biology the past four years. The award is a token of her continuous participation in science fairs where her students always rate high.

Mrs. Holmes was graduated from Declo High School and was the recipient of a Teacher Education Scholarship awarded by the Cassia County PTA Council.

BUHL — Mildred J. Schmeckpeper, 739 North Broadway, Buhl, attended the Eastern Mutual Life Insurance Co. three-day Western regional meeting in Burlingame, Calif.

Agents attended from Arizona, California, Idaho, Montana, Oregon and Washington. New developments in sales techniques were discussed.

### Ballet Celeste Appearance Set July 12 In Twin Falls

Marina Egilevsky and Salvatore Aiello, two European dance stars, will be the featured guest artists with San Francisco's Ballet Celeste when it comes to the stage of the Fine Arts Auditorium of the College of Southern Idaho at 8 p.m. July 12.

At present they are in Monte Carlo, Monaco, the home of Princess Grace Kelly Rainier, and they are flying to California to join the company prior to its departure for this tour of six states.

They will dance the leading roles in "Coppelia," the two act ballet which is the feature of the evening. They will also be presented in the excellent pas de deux from "Le Corsaire," "The Snow Scene" from "The Nutcracker" will also be on the program.

Ballet Celeste has toured the United States many times as well as Western Canada and Hawaii. It is now the only company in the nation to be officially invited to perform at EXPO '70 in Osaka, Japan. Members of the company who have been selected to fulfill that engagement will depart in August, first for Hong Kong, the Philippine Islands and finally Japan. One of the soloists who will appear locally will be one of the soloists for that tour. She is Holly Hamblom.

Tickets are on sale in advance at Helen's Record Shop. The

shop which is selling tickets as a public service, is located at 221 Main Ave. E.

### Honor America Day Urged By Women's Leader

Mrs. Earle A. Brown, president of the General Federation of Women's Clubs today issued a call to the members of the Federation to help celebrate Honor America Day with an old-fashioned Fourth of July celebration.

"We are in one of the most prosperous decades of our history," said Mrs. Brown, "and today, in the space age, many people are forgetting the fundamental principles which guided our forefathers."

"Few homes display the flag, even on national holidays. Love of country is an innate duty. We are born with it but we have a tendency to smother it and those who would destroy our freedom begin by mocking its symbols. It is my hope that all clubwomen will fly Old Glory on the Fourth of July."

"The future of America depends upon the character of its people. Let us all join together to celebrate Honor America Day."

### Bridge Played

SHOSHONE - OK Bridge Club met at Kay's Supper Club for dinner, then returned to play curds at the home of Mrs. Robert Haddock.

Prizes were won by Mrs. Roger Freeman, Mrs. James Baranica, Mrs. Thomas Bellin, Mrs. Joe Pagoga and Mrs. Domingo-Solanga.

Wednesday Bridge Club met at the home of Mrs. Frank Carothers, with Mrs. R. L. Baumann as hostess. Prizes were won by Mrs. Baumann, Mrs. Violet Oneida and Mrs. Delbert Gehrig.

Best man was Steven Kenison, friend of the bridegroom.

Guests were registered by Saundra Grimmett, sister of the bridegroom. The gifts were arranged by Renee Harrison, sister of the bridegroom; Ginger Harrison, cousin of the bridegroom; Mrs. Larry Krulze, Mrs. Blaine Tegan, Ronda Wrigley and Ja Nan Stokert. They were carried by Kent Winward, Karol Winward, Janet Titonson, Todd Payne, Kurt Payne, Angela Anderson, Brad Anderson and Teresa Lenz, all nieces and nephews of the bride.

Background organ music was recordings of Mrs. Le Roy McBride, friend of the family.

The bride's table was centered with a three-tiered wedding cake, enhanced with pale blue and white buds, sugar

SAN FRANCISCO'S BALLET Celeste will have two top European dance stars head its cast for the one evening engagement that the company will present at the CSI Fine Arts Auditorium at 8 p.m. July 12. They have just completed a special engagement in Monte Carlo, Monaco, and are flying to California for this tour. They will dance the leads in "Coppelia." Tickets are on sale at Helen's Record Shop.

balls and orange blossoms topped with a fresh floral arrangement matching the multi-colored colonial bouquets of the bridemaids. The white fruit cake was made by the bride's mother and friends and was decorated by her aunt, Mrs. David Lenz. It was out and served by the bride's aunts, Mrs. Lenz, Nampa; Mrs. Eldon Jenks, Mesa, Wash., and Mrs. Jess Coulam, Kaysville, Utah.

The refreshment area was fenced in by white posts, yellow satin ribbons and bows. The quartet tables were covered with pink linen, centered with snifters with floating pink carnations, tied with multi-colored satin ribbons. Assisting with the refreshments were Mrs. David Moffett, Mrs. Eward Gibby, Mrs. Ray West, Mrs. Glen Searle, Mrs. John Koyle, Mrs. Raymond

Searle, Mrs. Milton Payne and Mrs. Gerald D. Anderson.

Serving were the bride's nieces, Laura Titonson and Sharon Titonson, and her Sunday School Students, Gayla Anderson, Kafma Wrigley, Diana Christensen and Cindy Warren.

Gladie Hatch, brother of the bride, was master of ceremonies for the musical program.

Prayers were given by Dr. Roxford Harrison, father of the bridegroom, and Raymond Searle, a friend.

The couple honeymooned in Southern Idaho and are now in South Lake Tahoe, Nev., where the bridegroom will be employed by the U.S. forestry for the summer. In September he will report to Fort Sill, Okla., Army Base as a commissioned officer.

### California Miss, Ramsey Wed

FILER - A double ring ceremony June 7 in the Boone Memorial Church, Caldwell, united in marriage Joni Nadene Lawrence, San Jose, Calif., daughter of Mrs. Bernice Lawrence, San Jose, and John Lawrence, Sneyford, Calif., and Thomas Earl Ramsey, Filer, son of Mr. and Mrs. Jack F. Ramsey.

The afternoon wedding rites were performed before background decorations of pandalabra and arrangements of daisies and white chrysanthemums. Officiating at the rites were Rev. James Meise, pastor of the Caldwell Presbyterian Church, and Rev. Allen W. Reesor, pastor of St. Paul's Methodist Church, Idaho Falls.

The bride, given in marriage by her brother, Ed Cooke, San Jose, wore a gown of embroidered cotton which she designed and made. It featured an empire waistline, long sleeves and a long full skirt. Her long veil was held by a Juliet cap. Her bouquet was of white daisies and a chrysanthemum, and she carried a handkerchief which the bridegroom's grandmother carried at her wedding.

Gail Jongs, Caldwell, was maid of honor, and bridesmaids were Mrs. Rich Marone, Caldwell, and Kathy Caynor, San Jose.

Jack K. Ramsey, Boise, was best man, and Guy Ramsey and Kirk Ramsey, Filer, were ushers. All are brothers of the bridegroom.

Mrs. Gerald Jensen, aunt of the bridegroom, was organist. A reception was held at the Pioneer Room of Jewett Auditorium at the College of Idaho.

The couple took a honeymoon trip to Jackson Hole, Wyo. Special out-of-town guests at the wedding were Mrs. Bette Taylor, Sacramento, Calif., grandmother of the bride, and Mrs. Ruth Ramsey, Filer, grandmother of the bridegroom.

BIRTHDAY OBSERVED - Art Tyler was honored on his 70th birthday anniversary at a dinner party at his home in Deale. The dinner was arranged by his wife and friends and relatives attended.

### Elma Hatch, Harrison Say Nuptial Vows

VIEW - The Idaho Falls LDS Temple was the setting for the June 3 wedding of Elma Hatch, daughter of Mr. and Mrs. Elton G. Hatch, View, and Roxford Le Roy Harrison, son of Dr. and Mrs. Rexford W. Harrison, Pocatello.

Accompanying the couple to the temple were the parents of the bride and bridegroom; the bride's grandmother, Mrs. W. H. Humphreys, Nampa; her brother, Gladie Hatch, View; her sisters and their husbands, Mr. and Mrs. Kay Titonson, Preston; Mr. and Mrs. Emer Winward, Kaysville, Utah; Mr. and Mrs. Eldon Payne, Pocatello; Mr. and Mrs. Richard Anderson, San Gabriel, Calif.; her uncles and aunts, Mr. and Mrs. Wilder Hatch, Mr. and Mrs. Asa Hatch, Bancroft, and Mr. and Mrs. Anson Hegginton, Pingree; Dr. and Mrs. Jay S. Broadbent, Provo, uncle and aunt of the bridegroom; Bishop and Mrs. Deloss Stoker, Mr. and Mrs. John Koyle, Mr. and Mrs. David Moffett, and Mrs. Theima Taylor, View.

A luncheon dinner was served for the wedding party after the ceremony at the home of the bridegroom's parents in Pocatello. Special guest was Mrs. Russel Barr Williamson, grandmother of the bridegroom.

A reception was held the following evening at the View LDS Cultural Hall.

The wedding party greeted guests before a white backdrop with columns on each side, skirted with tall beauty baskets of yellow chrysanthemums, blue carnations, pink gladioli enhanced with yellow satin bows and streamers.

The bride designed and made her floor-length gown of white peau-de-se. The empire-styled gown was enhanced with a rounded neck, Juliet-styled lace sleeves with wide cuffs trimmed with lace and buttons. Three rows of Venise lace formed three panels down the front of the floor-length skirt. Her floor-length veil of organza, enhanced with matching lace all around, fell into a train and was secured by a tiera of lace and satin, accented with pearls. She carried a cascading bouquet of pink roses, white and blue carnations, white stephanotis enhanced with white satin bows and streamers.

Bridesmaids, five sisters and college roommate of the bride, were Kay Titonson, Karma Winward, Marcia Payne, Nada Anderson, Karol Hatch and Betsy Murdoch.

REUNION HELD - KING HILL - A family reunion was held recently at the home of Mr. and Mrs. Donald Carnahan, with Mrs. and Mrs. Everett Peterson and family, Santa Maria, Calif.; Mr. and Mrs. Merle Maxwell and family, Boise; and Mrs. Mildred Carnahan, Glenn, Ferry. This is the first time in several years that all of Mrs. Mildred Carnahan's family has been together.

Dear Abby

DEAR ABBY: Tonight was the Senior Prom and a lot of nice girls and home wondering why they didn't get asked...

My girl already had tickets to the prom and she said, 'It won't cost much—let's go.' So I said, 'Sure.' At first she said she would wear her old formal and I could wear my suit...

Abby, that evening cost me two-week's wages. And for what? SADDEN BUT WISER, BREMERTON, WASH.

DEAR SADDEN: The way I see it, you could have gone to the prom without all the fads and saved a few bucks. Your mistake was getting roped into a more costly deal than you originally bargained for...

DEAR ABBY: I have a friend who interrupts me every time I start to say something. I get about two words said, and she cuts me off, and I never do get to finish what I started to say.

I think this is just plain rude. Is there some way I can let her know how much I dislike this about her? BUGGED

DEAR BUGGED: If you can't get more than two words said before she interrupts you, maybe you'd better write HER a letter instead of me.

DEAR ABBY: I need your assistance. When your son's wife calls you up and says, 'My family is looking to dinner to celebrate Andrea's birthday. Come if you want to.' Should I refuse or accept?

Andrea is my little grandchild, and I love her dearly, but what kind of an invitation do you call that? And what should I do? HURT

DEAR HURT: I call it a pretty shabby invitation. But don't stay away in order to punish your daughter-in-law. You would only be punishing yourself.

DEAR ABBY: I want to tell that 14-year-old, signed 'NOT CONCEITED,' that I am a woman past 80 years old, I live alone and have a full length mirror near my front door. There I always pause before going out, to take a good look at myself. How else would I know if my petticoat was hanging? Of course endless primping is a waste of time, but a little last minute glimpse is reassuring.

NOT CONCEITED, JUST CONCERNED

What's your problem? You'll feel better if you get it off your chest. Write to ABBY, Box 69760, Los Angeles, Cal. 90069. For a personal reply enclose stamped, addressed envelope.

ROBERT — Mr. and Mrs. Harold Thompson, 401 1st St. Rupert, will be honored July 5 at an open house celebrating their 50th Wedding Anniversary.

The couple will receive relative and friends Sunday afternoon at their home and they request no gifts.

They were married May 18, 1920, at Eden, and their marriage was later solemnized in the Salt Lake City LDS Temple.

They resided in Eden until 1934, when they moved to Rupert where they have since resided.

Both Mr. and Mrs. Thompson have been and are still active in the LDS Church. Their hobbies are keeping their yard and garden and visiting friends.

Mr. Thompson was employed by the Union Pacific Railroad until his retirement.

The 50th Wedding Anniversary open house will be hosted by the couple's children including Mrs. J. W. (Ruth) Miller, Burtley, Walter H. Thompson, Orangevale, Calif.; Mrs. Floyd (Marjorie) Morrill, Caldwell; Mrs. Dale (Glenia) Whitaker, Malta; and Mrs. Melvin (Genna) Stanger, Twin Falls.

There are 24 grandchildren and 7 great-grandchildren.

Goodwill Club Has No-Host Picnic Meet

The Goodwill Club met at the Idaho Power Co. Park for the annual no-host picnic with Mrs. Ed Orndorff giving the prayer.

Mrs. Gene Tyner, president, was in charge of the business meeting. The high salute was led by Mrs. Ed Orndorff and the Lord's Prayer by Mrs. Emory Treat.

Roll call was "Favorite Toast" and the thought for the day was given by Mrs. Charles Mattice. The white elephant gift was won by Mrs. Boyd Smith.

Guests were Mr. Lillian Brownsfield and Mrs. Bob Engleman from Alaska. Mrs. Engleman is a former member of the Goodwill Club and past treasurer.

Mrs. Walker, Carr, presented the members the new yearbooks for 1970-1971.

The next meeting is at the home of Mrs. George McGinnis.

Women Conduct Formal Meeting

The Academy of Friendship members conducted the regular formal meeting of the Women of the Moose at the Moose Home.

Mrs. Gene Tyner, senior regent, opened the meeting, and Mrs. May Meader, Friendship chairman, conducted the meeting. Officers were Mrs. Virgil Malone, junior graduate regent; Ruby Murphy, junior regent; Mrs. Clyde Greenup, chaplain; Mrs. Claude Severt, recorder; Mrs. Paul McCollum, guide; Mrs. George Long, assistant guide; Mrs. Foy Fenton, sentinel, and Mrs. Marion Murray, argus.

Mrs. Clyde Greenup, a new member of the Academy of Friendship, received her friendship ring.

A new member, Mrs. Cagie Rasmussen, was enrolled and presented the bylaws of the chapter. Her sponsor was Judy McGinnis.

Glenns Ferry Girls Attend Academy Sessions At Ricks

GLENN'S FERRY — For the past two weeks, Rebby Messerly and Karen Thompson have been attending the Ricks Academy of Fine Arts at Ricks College, Rexburg.

Mrs. Leonard Thompson, Karen's mother, drove them there on June 14, and on June 28 they returned with their parents, the Leonard Thompsons and Glenns Ferry Mayor and Mrs. Daylo Messerly.

They were engaged on the Ricks campus in many activities, climaxed at a final concert where the girls sang in the mixed chorus. Miss Thompson also played first chair flute including a number of solos, with the symphony orchestra.

The Hebrew name, Ruth, means "Identity."

Couple Honors Parents

Mr. and Mrs. William L. Arriga, Meridian, honored their parents, Mr. and Mrs. William C. Arriga for their Golden Wedding Anniversary at a recent meeting of the Golden Age Club.

The DAV Hall was decorated with garland flowers provided by their many friends.

A gold and white arrangement of chrysanthemums on the refreshment table with the gold cake, baked and decorated by Mrs. David Lohr, Fliter, candies and napkins were part of the golden arrangement.

Mrs. Lara Doss provided the lace cloth over gold for the table. The cake was cut and served by Mrs. William Arriga Jr. and her daughter, Mrs. David Woods, Boise. They were assisted by their husbands, Mrs. Wayne Wheeler, Rupert, and her daughters, Kathleen and Diane Polindexter, Mrs. Helen Miller and Mrs. Nellie Connerly assisted.

A gold arrangement of gladiolus from the couple's niece and nephew, Waupun, Wis., was also a highlight of the decor. Mrs. Emma Stone was in charge of the guest book at a table covered with lace. The couple's gifts and many cards were displayed.

The business session was conducted by John Henderson, president. The meeting was presided with good singing accompanied by Mrs. Ed Oison, Louise Harra, secretary, Mrs. Dorothy Bryson, Be Loxler and Jack Stewart provided the old-time music for dancing. Cards were played. The honoree, Mrs. Arriga, wore a white double knit ensemble accented with a pink and white carnation corsage.

### 9 Girls Seeking Title Of Buhl Sagebrush Days Queen

BUHL — Nine girls are seeking the title of queen of the Buhl Sagebrush Days rodeo who will be crowned during the July 4 performance.

Contestants include Arlene Garrison, Joyce Novak, Lynn Sherrell and Mary Van Zante, all Buhl; Sue Billington of Twin Falls; Lynn Brackenbury, Janie Fife and Deanne Ricketts, all Jerome; and Kate Pence, Mackay.

All the girls will be competing according to the Miss Rodeo Idaho rules and will be judged on personality, horsemanship and appearance. The new queen will be eligible to compete in the Miss Rodeo Idaho contest.

A junior princess will also be crowned. Buhl girls competing for the title are Kay Blizwell, Jackie Cramer, Kay Freeman, Janice Novak, Jusline Novak, Kathy Ruyts and Linda Severs. The new junior princess will represent the West End of the Twin Falls county fair.

The agenda for the girls during the three days of judging will begin Thursday with a caravan leaving the Buhl rodeo grounds at 10 a.m. and traveling through Magic Valley.

On Friday there will be a tea at the R and R cafe at which time the girls will be judged on personality and appearance.

### Chancey Is Full-Time County Aide

William Chancey, resident of Twin Falls since 1938, officially became a full time county commissioner Tuesday, one day ahead of the legal deadline.

After some 17 years in business in the same location on Kimberly Road where he has owned and operated the Phillips service station, Mr. Chancey has sold his business and will devote full time to the county position in which he is now serving.

Mr. Chancey and Tuesday he has sold the business to Del Crane, Footello, and the new owner has now assumed full operation. Mr. Chancey operated a service station on Shoshone Street at 9th Ave. E. for five years and then entered law enforcement working for the city and as a state officer until working for Stapken Auto Parts for eight years before purchasing the Kimberly Road business.

### Burley Exchange Club Seats Aides

BURLEY — The Burley Exchange Club elected and installed new officers during their luncheon meeting at Bryan's Cafe.

Ray Bound was installed as new president. Other officers are: Gordon Nielson, vice president; Durrall Holmen, secretary-treasurer; Blane Jones, Francis German, Harry Workman and Loren Joslyn, all members of the board of directors.

Leo Henschel, retiring president, installed the new officers.

The Exchange Club will again sponsor the Country-Western Jamboree in August during the Cassia County Fair. Scheduled to appear on this year's program are Lynn Anderson, Morle Haggard, and the Strangers and Bonnie Owens.

Presently the club members are building 150 benches which will be used for additional seating for the Country-Western Jamboree.

Warrants were sent Monday night from Burley to Caldwell where two suspects were reportedly in Canyon County custody.

Local officers are asking for the arrest of the two men in connection with the beating and robbing of Fred Silva, Burley, Saturday night in Cassia County. Officers reported the man allegedly lost \$120 when beaten by the two men in the rural area of the county.

### Lessons To Filer Adds Books

#### Start Soon At Gooding

SHOSHONE — Red Cross swimming lessons for local children will begin July 6, and last through July 17, reports Mrs. Claude Chess, city clerk. Lessons this year will be given at the pool in Gooding.

The children must register with the city clerk, with a \$2 fee for the series, while children outside the city limits will be asked to pay an additional \$1.25. This is due to the fact that the city participation part of the project is paid for from city taxes, and the accommodation of lesser price goes to the city citizens.

Buses will leave at 8:30 a.m. each morning with the lessons to start at the pool at 9 a.m.

FILER — A number of new books have been placed on the shelves of the Filer Public Library, states Mrs. F. E. Albion, librarian.

They include the "American Legion Story" by Raymond Morley Jr., placed as a memorial to Eric Harsbarber by the Filer American Legion Auxiliary.

Other books include "Every Wall Shall Fall," non-fiction by G. L. Gullek; "The House on the Strand," DuMaurier; "The Liveliest Town in the West," Gullek; "An Awful Name to Live Up To," Hofsford; "The

High King," Alexander; "Newberry Award for 1969," Hofsford; "Armstrong Newberry Award for 1970," Hofsford; "Stranger at the Door," Lyon; "Polett," Mystery; "Award," "Ministrat Boy," Smith; "Stoars the Lion," Ellis; "Run, Run, Run," Ellis; "Gentle Ben," Morey; "No Time for Glory," "Stories of World War II," collected by Fenner; "Theodore Roosevelt, Statesman and Naturalist," Blackburn; "America, America," selected by Glinger, and "Patriotism, Patriotism, Patriotism," selected by Hoke.

# Mrs. Samuelson To Visit Area

Residents of Magic Valley are being invited to a showing of the Idaho Heritage at Wheels on July 12 at the Twin Falls County Historical Society museum at Curry.

Mrs. Don Samuelson, wife of Idaho's governor, will accompany the special historical display and will give a talk at 2 p.m. that day in the museum to explain the display. Mrs. H. J. Waggoner, director of the museum, said all society members must have their membership cards for admission to the museum.

This is one of several displays planned around the state by Mrs. Samuelson, who is the founder of the Idaho Heritage Committee, which is responsible for the display.

Featured are photographs of all of the wives of Idaho governors—framed in special small golden frames and mounted on red velvet. In ad-

dition, items of the first permanent silverware, crystal and china of the Idaho governor's house are shown in the display.

This collection was also started by Mrs. Samuelson and will remain a permanent part of the governor's home in Boise to be used by future first families of the state.

The Idaho Historical Society Auxiliary, Boise, collected the photographs of the 23 Idaho "first ladies" and under direction of the Heritage Committee, funds have been collected for the purchase of the crystal, silver, linens and other items. The Historical Auxiliary contributed \$275 with which dresses made of the state seal to be used on the crystal and silver.

All interested area residents are invited to attend the special July 12 display and hear Mrs. Samuelson explain the project. While there, Mrs. Waggoner

said, residents will want to visit the many historical displays collected in the old Union School building and grounds now converted to a county museum.

Twin Falls Historical Society members will be selling cold drinks on the grounds during the special event.

**WILL SETTLE FEUD**  
SCHENECTADY, N.Y. (UPI)—A 150-year-old feud will be settled Sunday when the strongest residents of the suburban towns of Rotterdam and Glenville line up on opposite sides of the Mohawk River for a tug-of-war.

The giant tug—with 150 men on each side—will determine which town is the older. Both are celebrating their sesquicentennial this year.

Both communities were incorporated on April 14, 1820. There is no record of a specific

# Governors To Peruse Gem State

**BOISE (UPI)**—An agricultural national policy position paper submitted by Idaho Gov. Don Samuelson, will be subject for action at the August National Governor's Conference.

Gov. Samuelson said he was notified of the action Monday, and said that his paper has been basically incorporated into the committee's report to the full conference which meets in Lake of the Ozarks, Mo., late this summer.

Samuelson said "Governors of both urban and rural states know that a strong and healthy agricultural economy is mandatory not only for Idaho but for the country as a whole."

# Braves Spoil Reds' Debut In New Park 8-2

By United Press International  
 Hank Aaron hit a two-run homer in the first inning and Rico Carty added a three-run homer in the third Tuesday night as the Atlanta Braves beat Cincinnati 8-2 to spoil the Reds' debut in their new Riverfront Stadium.

## Vandals Meet 26 Foes Over Next 9 Years

MOSCOW (UPI)—The University of Idaho Vandal football team will meet 26 different opponents in the next nine seasons with the possibility that one or two could be added to the list.

The schedules through 1979 are: Tuesday through 1979: Eastern Washington, Washington State, Montana, Montana State, Weber State and Idaho State—nine times each.

The Vandals also have two open dates—Oct. 14, 1972 and Oct. 7, 1973.

Outside of conference opponents the Vandals play neighboring Washington State the most—eight times—missing only the 1971 season against their traditional rival.

Idaho also has games scheduled against such opponents as Rice, Tulsa, Texas Christian and Bowling Green in the coming years.

The Vandals will host the University of the Pacific six times and Utah State five times in non-conference play.

## Chualvo Gets 7th Straight Knockout

SEATTLE, Wash. (UPI)—Third-ranked heavyweight George Chualvo floored Seattle's moonlighting school teacher Charlie Reno four times in the third round Tuesday night to score his seventh straight knockout in trying for another shot at the world title.

Chualvo, a 213-pound Canadian, gave up 31 pounds to his shorter but heavier opponent who made the fight interesting for the first two rounds.

Chualvo continuously jabbed to the head and piled heavy blows in Reno's blind midriff.

In the third round, Chualvo caught Reno with a solid combination and followed through with a straight right to deck his opponent.

Reno went down from another combination in the same round, although he was slipping and sliding along the ropes. He was dropped again from a solid left hook and a right and was counted out after taking a crunching right followed by a left hook.

Ordinarily three knockdowns in a round signal a TKO, but apparently the referee, Pat McCormury, forgot the knockdown he signaled along the ropes.

The knockout came at 2:40 of the third round.

This was the trimmest weight of Reno's career. He wore an Afro-American hairdo and a afroette.

Watching at ringside was undefeated former Olympic heavyweight champion George Foreman, who is slated to fight Chualvo Aug. 3 in Madison Square Garden.

## Ogden Gets Second Win Over Angels

IDAHO FALLS (UPI)—The Ogden Dodgers, after two rough first games with Idaho Falls, bounced back to down the Angels, 6-1, Tuesday night behind the strong pitching of Bruce Rabla.

Rabla scattered six hits never more than one in any inning, walked only one and struck out 12 as he defeated the Angels for the second time this season.

Idaho Falls scored first in the bottom of the fourth when Ron Franks drew the only base on balls that Rabla issued. He went to second on a single by Gary Granville and scored on a sacrifice fly.

The lead was short-lived, however, as Ogden scored a single run in the top of the fifth inning when Rabla singled home Tom Corcor.

Ogden scored two more runs in the top of the sixth when Jimmy Rich doubled. Corcor then hit a ball to first base that was bobbed for an error to allow Rich to score.

## Blandford Wins Local Junior Meet

Jim Blandford carved out a one-under par 67 Tuesday to win the title in the Twin Falls area pro-proxy junior tournament.

The event, sponsored by area insurance agents, qualified five men for the state tournament in Boise next week due to a tie between two fresh-to-be youngsters at 77. The low four scorers in the state will advance to nationals in Oklahoma City next month.

Blandford posts a five-shot lead over runner-up Jeff Thomson, who won this a year ago and placed sixth in the national meet. Dave Warner, who will be a junior at Twin Falls this fall, was third at 76 while young Kevin Packard and Gary Duncan, the two 14-year-olds, tied at 77 and earned their trip to state.

## Turf Club Stays Atop Standings

League-leading Turf Club dropped Royal Lounge 8-1 on the strength of a four-run fourth inning that started with two out Tuesday night in city league play.

Blitz, with Milt Horton going three-for-four with a three-run homer, dropped Olympia-Ford 8-1 and Culligan belted Oscar Buttrey 2-1 despite a homer by Nussbaum.

Hazen and Thompson went three-for-four in leading Coors past Shirley-Wyatt 14-3. Bill Parenteau was three-for-three for the losers.

Malone and Galley hit homers and Higgenbotham was four-for-four as Varsity Barbershop dropped Krefl Janitorial Supply 10-8. Keeler Cookies dropped John's Husky Service 15-6.

In women's action, First Security Bank overpowered Stutzman construction 25-5 with Telford leading the way at three-for-three. Post was four-for-five as Kim-Lanes belted Happy Seed 24-2.

## Orioles Snap Losing Streak By Edging Past Cleveland 4-2

By United Press International  
 Bog Powell drove in three runs with two homers and Dan Buford added a solo homer Tuesday night as the Baltimore Orioles snapped a nine-game losing streak with a 4-2 victory over the Cleveland Indians.

Powell's first homer in the third inning after Buford walked gave the Orioles a 2-1 lead. Buford and Powell then added solo homers in the fifth inning to complete the Oriole scoring. It was the 19th and 20th homers of the season for Powell. Dave McNally scattered nine hits to earn his 12th victory against five defeats.

Winning pitcher Les Cain hit his first major league homer with two out in the third inning to trigger a five-run rally that included homers by Mickey Stanley and Al Kaline as the Detroit Tigers beat the New York Yankees, 5-3. Cain won his sixth straight to boost his record to 7-2, but needed relief help in the fifth when a two-run homer by Thurman's RBI single completed the scoring in that inning. Don Woods hit his sixth homer for the Yankees.

Danny Walton belted a pair of homers that pulled the Milwaukee Brewers from behind to a 5-1 victory over the California Angels. Walton tied the score at 3-3 in the third with his 14th homer of the season and slammed a two-run blast in the bottom for what proved to be the winning runs.

Alex Johnson cracked a two-run homer for the Angels. Lew Krauskon won his sixth game of the year with relief help.

Bert Campaneris belted a three-run homer in the third inning to pace the Oakland Athletics to a 4-3 victory over the Chicago White Sox and help rightlander Jim Hunter to his 12th triumph of the season.

Campaneris' homer, his 10th of the season, came off Tommy John following singles by Dave Dunagan and Dick Green and helped tag the southpaw with his 12th loss in 17 decisions. Hunter, who now has won seven of his last eight decisions, needed relief help in the eighth after he was belted for a two-run homer by Carlos May.

Ed Brinkman and Paul Casanova delivered run-scoring singles in the seventh inning to give the Washington Senators a 6-5 victory over the Boston Red Sox. Two walks off Sonny

Sierra after two were out in the seventh set the stage for the winning rally. Brinkman singled in the tying run and Casanova greeted reliever Vicente Romo with a single to score the go-ahead run. Romo will pitch the third run home. Dick Bosman won his seventh game in 14 decisions.

# Pierce, Galendez Power Undefeated Cowboys Past Cubs

DAVIDWELL (UPI)—Luis Galendez crashed a 380-foot homer in the eighth inning here Tuesday night to spark the Magic Valley Cowboys to a 7-5 win over the Caldwell Cubs and maintain the visitor's lead in the Pioneer League race.

His homer broke a 5-5 tie and then Calvin Kelly's single and three walks gave Twin Falls an insurance run. The victor was Domingo Figueroa while the loser was Gary Hogan.

Seven pitchers saw action in the game, four by Caldwell, Magic Valley a 6-4 lead but the Cubs led the game in the sixth on Cal Wilho's single and two on Cal Wilho's single and sixth on Phil Twrthy hit a solo homer for Caldwell in the third inning as the Cubs took early command, 2-2.

The Cowboys will return to Magic Valley for a six-game away while their host billings Thursday through Saturday and Idaho Falls Sunday through Tuesday. Highlight will be the Fourth of July fireworks Saturday.

# Two Australians Move Into Semi-Finals Of Wimbledon Net Tournery

WIMBLEDON, England (UPI) — Australians John Newcombe and Ken Rosewall gained the semi-finals of the \$100,000 Wimbledon Open tennis

championships Tuesday while the United States was only one game away from losing its last men's representative when rain forced a temporary respite.

## Southern Texas Cans Coach

HOUSTON (UPI) — Clifford Paul, the football coach at Texas Southern University the last five years, was fired Tuesday by the school's president, Dr. Granville Sawyer.

Paul's dismissal comes less than two months before the start of fall practice. Aug. 26, no successor was named. Paul, 37, had a 27-10-4 record, including a 4-3-2 mark last fall. Sawyer said Paul was relieved of his duties because of a disciplinary problem with a star player last spring, the loss of a staff assistant and an increased concern by the administration for upgrading the football program.

The disciplinary problem involved star flanker Isaac Jefferson of Dallas, who got in a fight with another student during the spring semester. Jefferson, 6-2, 190-pound sophomore, was placed on probation.

"They wanted to expel him and I stood up for him and this I think has a lot to do with it," Paul said. "I would stand up for him tomorrow. He was a kid from the ghetto and to throw him back in the ghetto well, I felt the school has a responsibility to him."

"You just don't kick a kid out and throw him in the gutter," Paul said. "I told them, 'if you put him on probation, I'll put my job on the line for him.' This is how strongly I felt about the kid."

## Yachts Gathering For America Cup

NEWPORT, R.I. (UPI) — Two veterans of the America's Cup races joined three American yachts and a French 12-meter vessel off Newport Tuesday as the contenders prepared for trials to pick a defender and challenger for the coveted trophy.

The Weatherly and the Constellation worked as pacers for two of the challengers, the Weatherly with Vallant and the Constellation with the France.

Weatherly won the race in 1962 and Constellation defeated Australia's Dame Pattie in 1964. The three American yachts—Intrepid, Heritage and Vallant—begin preliminary trials next Wednesday to determine the defender of the "Ole Mug," which France has yet to lose. The France and Australia's Greta II, which has not yet arrived in Newport, will race a best-of-seven series in August to determine the challenger.

## Pugh Joins In Hitting Dallas Over Salaries

DALLAS (UPI) — Jethro Pugh, the Dallas Cowboys' big defensive tackle, Tuesday joined the growing list of the club's players voicing dissatisfaction with their financial relationship with the Cowboys front office.

But, unlike wide receiver Bob Hayes and defensive back Mel Renfro, Pugh is not in any position—at the moment—to do anything about it. He already has signed a new contract for next season.

Hayes broke into print first with his threat that the Cowboys would have to meet his salary demands, which are believed to be in the \$75,000-\$80,000 neighborhood—although he describes it simply as "X number of dollars," trade him or he would play out his option.

Renfro, a stellar free safety who is expected to plug up the centerback sore spot in the Dallas secondary this season, wasn't quite as volatile, but said that he "was unhappy about would be on the move about"

his contract. Hayes and his agent, Steven Palk of Miami, Fla., have had one negotiating session with Al Ward, the Cowboys' assistant general manager, and wound up "very far apart" on terms.

Pugh, asked how his sessions went with Ward, replied: "We had our troubles, it took quite a while."

## Experimental Racer Ruined In Road Wreck

STE. AGATHE, Quebec (UPI) — "One of the most fantastic racing cars in the world, and we got done in by a 1952 Chevy," moaned Kent Telford Tuesday.

Telford was not a happy man. The AVS Shadow, a \$250,000 experiment in radical race car design, was seriously battered—perhaps irreparably—by a highway crash on its way back to the United States after Sunday's Cap-Am. race at St. Jovite, Que.

Telford, of Costa Mesa, Calif., business manager for the Shadow project, said the other car rammed into the Shadow team's truck, which was pulling the race car on a trailer, near Ste. Agathe Monday.

"This guy was coming the other way," he said. "He slid into the side of the truck and then into the left front of the trailer. The impact ripped off the rear of the truck side sheared off the truck's axle attachment bolts, smashed into the trailer and tore it off the truck."

# McLain Will Make First Start After Waiting Out Suspension

DETROIT (UPI) — Denny McLain, the pitcher whose "gullibility" and "avarice" cost him a half-season suspension, but whose uncanny ability to throw a big ball made him the major league's first 30-game winner in 30 years, returns to baseball Wednesday night.

The Detroit Tiger star will make his 1970 season debut at Tiger Stadium in a night game against the New York Yankees and pitcher Gary Wastlewski. Almost all the roughly 50,000 seats already are sold out for the game, and the contingent of writers expected to cover it will be almost as many as covered the Tigers' 1968 World Series.

On March 31, McLain was suspended by baseball Commissioner Bowie Kuhn for associating with gamblers in 1967. Kuhn said McLain's "own gullibility

and avarice had permitted him to become a dupe of the gamblers with whom he was associated."

For the Tigers, McLain's return may be the make-or-buy work-in-progress for the team in the American League's East Division, seven games behind Baltimore and five behind the Yankees.

"Maybe it'll wake us up," said one teammate. "There's a lot of pressure on him," said Al Kaline of McLain's starting assignment on his first day back. "Let's wait till he gets here to see how he'll do."

McLain was announced Tuesday that he plans to fly into Detroit with his wife Wednesday morning. McLain said he did not feel nervous yet. "In fact, if I could start my first start thinking about this thing right now I would be a total wreck by Wednesday. So I have just put it out of my mind as much as possible until the day of the game."

One of McLain's major concerns is how the fans will greet him. "I wonder what their reaction will be," he has told sportswriters who have talked to him recently.

"I'm throwing good, my control is sharp," said McLain, who won 31 games in 1968. "There'll be no problem unless I get so nervous I can't see home plate."

because after North bid three hearts, South should simply have gone to four hearts. South had nice distribution but only 12 high-card points.

North's bid of four diamonds had nothing to commend it. He was not going to play in diamonds, so there was no point in bidding a queen-high suit at that time. A mere four-heart call would have been better.

South's jump to five hearts must be described as wild slamomania. He still had that same 12 high-card points—he was dead!

Then, North had no reason except optimism for continuing to six. He had very good spades—but his weakness in diamonds was the outstanding feature of his hand.

Finally, it wasn't the worst slam ever bid. If West didn't have a natural diamond lead, he would have opened some other suit, and South would have romped home and there would have been no fight.

A plaintive letter from Florida read in part: "West played ace-king and eight of diamonds. East ruffed with the 10, which established his partner's Jack to set me two tricks. In order to establish peace in our family, will you please tell us which partner was at fault in the bidding?"

We doubt if our answer endeared us to either North or South, because we said that they both might but it may have restored family peace.

The first poor bid was South's two no-trump. He should have bid three clubs because, if the hand were to play in three no-trump, South knew he could stand a lead through either of his suits. That bid did no harm.

# Demolition Crews Move Up Main Avenue As Mall Work Progresses

THE ROAD is closed along Main Avenue these days but it will lead to new growth and progress. Main may look like a battlefield after the battle, as these photos by Times-News photographer Dan Johnson indicate, but it's all for a good cause. Motor pads are being laid out of the way, (center) and there's lots of dumping going on (right). The project is scheduled for completion this fall, resulting in a unique pedestrian mall that may well be the first in the state.

Anybody can make a hard liquor.  
 A soft whiskey is something else.

The difference between hard liquor and soft whiskey is more than just a matter of taste.  
 What makes Calvert Extra soft is the way it is distilled and blended.  
 So while soft whiskey has a unique taste, it is also as smooth and mellow as the best imported Scotch and Canadian.  
 It took us thirty years and thousands of experiments to develop the unique taste of soft whiskey.  
 It wasn't easy.  
 But we think you'll agree it was worth it.
