Blackout slows Britain economy

LONDON (UPI) — Millions of Britons shivered today in dark, unheated homes and offices. Industry, blacked out and disrupted by crippling power cuts, laid off tens of thousands of workers.

London city authorities ordered most street lights, already knocked askew by hours-long power cuts, switched off altogether until the present crisis ends.

That meant a virtual wartime blackout, similar to that in World War II, for this capital city of eight million.

Even Buckingham Palace was dark and chilly. But Queen

Elizabeth II was not affected. She is currently on a state visit to Scotland with her husband Prince Philip and her daughter Princess Anne.

With a six-week-old nationwide strike of 280,000 coal miners biting deep into fuel supplies, Britain was gripped by its grimiest industrial crisis in a quarter-century and perhaps since the 1926 general strike.

British newspapers called it "Black Monday." Government officials predicted millions would be laid off by midweek.

The automotive industry was hit hardest. British Leyland,

Jaguar, Triumph, Rover, Ford of Britain, Vauxhall—General Motors' British subsidiary—

Chrysler and the Joseph Lucas automobile components plant laid off or put nearly 50,000 workers on part time.

Thousands of Yorkshire and Lancashire steel and textile workers were sent home.

The state-run British railroad system canceled 1,000 trains and stopped heating those still running in order to save electric power. Commuters shivered as they jammed into the trains still running.

On the London stock market nearly \$3 billion was knocked off share prices in the first few minutes of trading.

some parts of the country milk bottling plants closed and milk was rationed.

Bread and egg supplies also were threatened because bakeries and packing plants were without power.

Rotating power cuts blacked out 10 to 15 per cent of the country in turn for the fifth successive day.

Street traffic lights went out in blacked out areas, causing immense jams.

On the London stock market nearly \$3 billion was knocked off share prices in the first few minutes of trading.

Crash claims woman

TWIN FALLS — A Twin Falls woman was killed and three persons hospitalized with serious injuries late Sunday in a three-car accident west of Twin Falls.

Sheriff Paul Corder said Mrs. Betty M. Mullinx, 46, was dead at the scene.

Injured and in fair condition in Magic Valley Memorial Hospital were Mrs. Jean Thompson, 33, Filer, and Albert Schroeder, 70, Twin Falls. His wife, Olive Schroeder, 63, is listed in good condition.

Hospital attendants said the full extent of injuries of the three had not been determined.

Mrs. Thompson, a registered nurse, is employed in Buell and also works with the CSI nurses training program.

Sheriff Corder said Mrs. Mullinx's car was eastbound on U.S. Highway 30 one half mile east of Curry, when ice apparently caused it to skid and crash into the rear of the eastbound Schroeder vehicle. The Schroeder car left the highway, crashing into two trees and overturned.

Sheriff Corder said the Mullinx vehicle traveled into the inside westbound lane where it collided head on with Mrs. Thompson's vehicle.

The body of Mrs. Mullinx was taken to White Mortuary where funeral services are pending.

Maurice Neggen, Irving's attorney, said in a statement on the *Time* article: "My client asserts that it contains a plethora of lies and half truths. Because of its recklessness, I cannot imagine that it is not prompted by malice. It is a gloating, prancing, distorting piece that is irresponsible to the extreme."

Time said Phelan completed his manuscript in April, just about the time Irving began claiming to have had his first interviews with Hughes.

Stanley Meyer, a West Coast entertainment operator, tried to sell the Phelan manuscript and eventually went to New York literary agent Paul Gitlin. Gitlin showed it to a Simon & Schuster editor but it was fraud charges and forgery rejected. Gitlin said he suggested to Irving's wife, Edith, if Irving cooperates with investigators and "someone goes to jail."

Meyer said he offered the rewriting job to several writers, including Irving, but Irving rejected the offer. Meyer said the offer was made to Irving in June in Cathedral City, Calif., near Palm Springs.

The Los Angeles Times quoted Meyer today as saying promoting a rock festival.

Irving turned down the offer, Gray said. Gray said the jump over the Snake River Canyon will "probably" be postponed until July, 1973, according to Mike Gray, a hacker of the event.

At the same time, Gray said there was "no connection" between the planned jump and a proposed rock festival announced over the weekend by Willard Teeter, Twin Falls.

Teeter said he was "toying with the idea" of promoting a rock festival to coincide with the motorcycle jump, which had been planned for Labor Day.

Gray said he wanted to clear it up from us," Gray said. "I don't want people to get the idea that the Snake River

Busing plan draws boycott

AUGUSTA, Ga. (UPI) — Implementation of Phase I of a federally-ordered school desegregation plan involving massive busing met with a widespread student boycott today in Richmond (Augusta) County, Ga.

Near-empty buses arrived at many of the county's 82 public schools and school superintendent Roy Rollins, said the boycott appeared to be "right

The integration plan for the county was ordered by U.S. District Judge Alexander A. Lawrence of Savannah, and is to be carried out in three phases. The initial phase today involved the clustering of seven schools, with the busing of an additional 5,681 students.

The plan has triggered a furor and has brought about a call for a statewide boycott.

No pickets appeared at any of the schools but white parents milled around on sidewalks and drove past the schools with their children in their cars.

Lynwood plans covered mall

BY DAVID ESPIONAGE
Times-News writer

TWIN FALLS — Plans for a \$150,000 expansion of the Lynwood Shopping Center were unveiled today by John C. Bishop, spokesman for the mall's owners, the Lynwood Development Co.

Bishop said the plans called for an enclosed, temperature-controlled pedestrian mall, expansion of two existing businesses and construction of two new businesses off the mall.

He said the construction, which was started today, would be completed by May.

Bishop also announced plans to remodel existing parking facilities to provide an estimated 1,000 parking spaces. There are currently 700 spaces in the lot.

In a related development, Bishop also announced the provide expansion space for other businesses.

Gray said the moving of smaller businesses would never double the present space and the moving of Sullivan's Music.

Weldon Haskins, bank branch manager, said today the bank would expand its business.

King's Lynwood Store, said his business would be expanded on two floors. He put the amount of additional space at 5,500 square feet.

Bishop said parking facilities would be provided in back of the mall as well as in the front.

The official also said the addition of two new businesses in the complex would bring to 50 the number of retail and professional firms in the shopping center.

Bishop said plans for the enclosed mall had been considered for three years and we're getting around to it," he named "convenience" as a prime reason for the construction.

The parking facilities are expected to be complete in August.

Bishop also announced the expansion of the Twin Falls Bank and Trust, which will nearly double its present space and the moving of Sullivan's Music.

Weidson's Allied Stores Corp. will expand its business.

SAN FRANCISCO (UPI) — Red China is preparing a new look for President Nixon's visit and some new thought as well.

Anti-American slogans are being removed from streets and buildings and a 30-foot statue of Chairman Mao has been removed from the lobby of the Peking Hotel, an American businessman returning from a month's tour of China said Sunday.

Robert E. Gomperts, 44, Atherton, Calif., travelled 3,000 miles in China as a member of the U.S. Committee for a New China Committee.

He said when the 12-member group arrived during January, a common poster in the street read, "We must defeat the U.S. aggressors and all their running

dogs wherever they may be." In recent weeks, he said, all references to the United States have been removed from posters. The Chinese people have also been politically prepared for Nixon's visit through special education in their communities, factories and cadre schools which train bureaucrats.

Mao's message is: When it is to your benefit, you will form a united front even with those with whom you disagree, Gomperts reported.

A major topic of debate among the Chinese people is whether Chairman Mao will greet President Nixon at the airport when he arrives in China Feb. 21, said the San Francisco businessman.

"The odds are very heavily

against Mao going to the airport for Nixon, but the possibility that he may be staggering," said Gomperts. "It is an honor that has not been accorded a head of state in years."

Gomperts' group was the first from the United States to be invited to the Mainland by the Chinese People's Institute for Foreign Affairs, a non-official body under the Chinese government.

They were also the first American group since the Communist takeover in 1949 to visit the interior cities of Nanchang, Ping-Hsiang and Anyuan in Kuangsi Province. Gomperts said the group included scholars who spoke and read Chinese.

NEW ORLEANS (UPI) — Glittering carnival balls vied with piles of beer cans and wine bottles from America's parades, each put on by a group or "krewe" of the city's wealthier and socially prominent families. The carnival has been overshadowed in the past decade by the youngsters who arrive from across the country.

In the past few years, the young people have been called "the undesirable element" or "the unproductive visitors" by officials complaining that they spend little or no money. This year, Police Chief Clarence Giarrusso has dubbed them "the unwholesome."

Pope Paul presides at rite

VATICAN CITY (UPI) — From 18 countries around the world, from the South Pacific and from South Bend, Ind., bishops of the Roman Catholic Church came to receive consecration from Pope Paul VI.

The 18 prelates lay prostrate before the Pope in a sign of obedience and humility, then kneeled for the laying on of hands representing a line of apostolic succession which Catholics believe goes back to St. Peter.

The ceremony Sunday in St. Peter's Basilica came at a time of increasing dissent in the church. It was the first of its kind in the Vatican for more than two years. Vatican sources saw it as a call to unity.

Vatican sources said the Pope asked Cardinal Bernard J. Alfrink of the Netherlands to join him in the consecration both to emphasize the unity of the Dutch and the Roman Catholic Church, and to head off accusations the pontiff was arbitrarily ordaining a new Dutch bishop.

THE DRIVER of this sedan, Mrs. Betty Mullinx of Twin Falls, died instantly, apparently in the second of several impacts in a three-car collision west of Twin Falls on Highway 30 Sunday night. Three persons were injured in the collision. Officers blamed icy highways. (Details, Pg. 1)

Lindsay assails Nixon 'nonsense'

WASHINGTON (UPI) — New York Mayor John V. Lindsay said Sunday President Nixon's appeal to his opponents to refrain from criticizing his Vietnam policy is "nonsense" and an infringement of their constitutional rights.

In a television interview (NBC "Meet the Press"), Lindsay said Nixon's appeal will not deter him from speaking on the war issue.

In his foreign policy statement Wednesday, the President asked other contenders for the presidential nomination to "say nothing that might give [them] an incentive to prolong the war until after the election."

"I say it's nonsense on its merits and on first amendment rights (of free speech) ... Lindsay said. "If I am elected president I'll end it (the war) by fixing a date for (troop) withdrawal immediately within a matter of weeks."

"I don't think the (South Vietnamese President Nguyen

Van) Thieu government is worth one more drop of American blood."

The mayor declined to speculate on the consequences of an immediate withdrawal of U.S. troops from Vietnam.

Berrigan trial nears start; jury selected

SAIGON (UPI) — Withdrawal of American troops from Vietnam slowed last week and the 2,000 soldiers who did go home was the smallest number this year, the U.S. Command reported today.

Command figures showed that as of last Thursday 131,200 GIs were in the war zone, down 2,500 from 133,700 a week before. The drop was the smallest since the week ended Dec. 30 last year when the military rolls were cut by 1,300.

Speaking on the war issue,

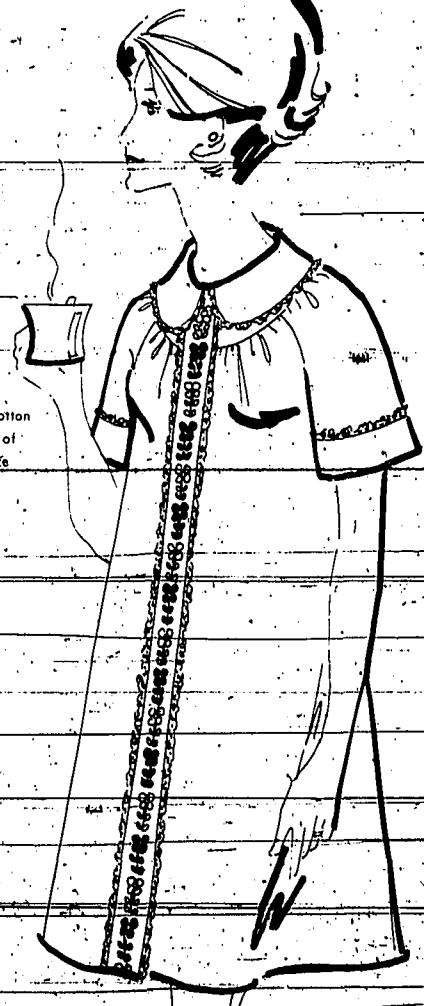

In his foreign policy statement Wednesday, the President asked other contenders for the presidential nomination to "say nothing that might give [them]

nothing that might give [them] an incentive to prolong the six.

After three days of constant questioning last week, they had agreed on only nine prospects.

Gooding writer finds budget sound

Editor's note: Today taxpayers in every Magic Valley county get their say on county budgets. One taxpayer, Robert E. (Bob) Montgomery, Gooding, took two days to examine the Gooding County budget. He began as a critic, but became convinced that the county's increased expenditure for several operations was justified. Few citizens take so much time to inspect the budget. Excerpts from his remarks are reprinted here. Montgomery is the former manager of the Gooding Employment office.

By ROBERT E. (BOB) MONTGOMERY

On Feb. 2, 1972, after reading a Jan. 19 article in the Times-News regarding an increase of 26.3 per cent in Gooding County's budget, I decided I was going to do everything I possibly could to get this increase stopped or at least lowered.

I spent almost the entire days of Feb. 3-4 at the courthouse discussing present salaries, requested increases — not only in salaries, but for other expenses.

I became convinced that, in most cases, the increases were not only justified but should be allowed.

With only minor exceptions, every department of our county government employees were cooperative.

The following figures were furnished by each department in my request:

County Clerk: Present salary \$550 per month. Requested increase 5.5 percent while Phase II is in effect, to \$580.25. Requested increase if allowed, 8 per cent to \$625.

This office has three full-time deputies, recorder, auditor, payroll officer.

Their present salaries are \$325.

Requested increases under phase two 5.5 per cent to \$342.88.

Again, requested increase to 8 per cent if allowed to \$350 per month.

At certain times of the year this office has a great deal of extra work that entails overtime or extra help. A request has been made for \$2400 for part-time help. The feeling of the county clerk was that this would be cheaper than hiring another full-time deputy.

The other increases requested by this office are \$800 for postage and \$470 for publications, both increases necessary because of increased costs.

No other increases are requested over the 1971 budget. Their total budget request for 1972-\$27,639, compared with \$24,071 in 1971. This is approximately a 12.4 percent requested increase.

Sheriff: To me the pay scale in the sheriff's office, especially for the sheriff and his deputies, is a disgrace.

They are on-call 24 hours a day. They estimate that out of 100 calls, five of them can be hazardous, to the point where a

magistrate can be at work

consider when their budget.

1971
Earl V Brown \$350
Bill Bunn \$475
James Burke \$350
Pat Jeffries \$340
Wynona Slane \$300
Office of deputies Linda Hutchenson and Carmine Davidson \$300
Extra help for the year 1971 \$1,000
Total budget for the year 1971 \$34,180
Proposed budget for 1972 Earl V Brown \$600
Bill Bunn \$350
James Burke \$350
Pat Jeffries \$400
Wynona Slane \$350
Linda Hutchenson \$315
Carmine Davidson \$315
Alleta Gridley \$300
Extra help for the year 1972 \$300
Total proposed budget for the year 1972 - \$46,700.

Of this total the city of Gooding pays - \$4,500, and the Federal government pays \$4,180.

With the 5.5 per cent Phase II increases here is the way the budget would look - \$45,351.

County Agent:

The county extension agent's budget, with the exception of a few items, remains nearly the same for 1972.

The extension junior agent, if appointed, 1971, \$1250, 1972, \$1500.

The \$1,250 budgeted for 1971 was returned to the county.

Stenographer 1971 - \$395 per month. 1972 - \$415 per month.

I would point out, the requested increase for the stenographer is less than Phase II's 5.5 per cent.

Two other increases in total budget are the requested \$1,000 difference in trade-in of a 1969 car for a new one.

Home agent's supplies 1971 - \$50; 1972, \$100.

Can give no explanation for this increase, however, as their total expense budget for 1971 was \$3,650, compared with \$4,700 for 1972, an increase of \$1,050 which includes trade for a new car. I think it is of minor importance.

Magistrate: The case for the 1972 magistrate division's budget was presented so much better than I could have done by Mary Boddy, deputy clerk, that I present it as received.

"Salary for clerk, 1971, \$4,740; 1972, \$5,000.76."

"1971 salary for reporter, \$1200. 1972, no change."

"Expenses, \$6,200 including salaries 1972; witness and jury fees, telephone and postage, office supplies, machine maintenance, law library and capital outlay, \$1,000 in 1971, and \$3,900 in 1972."

"It would be well to consider that the magistrate division replaced four justices of the peace and one probate judge, which cost the county in 1970 the sum of \$17,350."

"This figure does not include two city courts which have also been replaced by the

magistrate division.

"The county has set aside in the budget, the sum of \$3,600 for 1972. This is because of recent law requiring a public defender for misdemeanors."

"If I am assigned a case I would like to point out, this is one of the least understood departments of county government, and probably the most abused by some people, which makes it very expensive for the taxpayer."

"Public Defender, 1970, \$3,300; 1971, \$3,300; 1972, \$3,600."

"Secretary, 1970, \$800; 1971, \$600; 1972, \$120."

"The county has set aside in the budget, the sum of \$3,600 for 1972. This is because of recent law requiring a public defender for misdemeanors."

"Without doubt, the county keep a record of my hours and expenses, and bill the county for this extra

work."

Two pay less taxes than I

(Editor's Note: Two can often pay less tax than one. If they take advantage of the joint return, this is the second in a five-part series that will help make preparing your 1971 tax return as painless as possible.)

WASHINGTON (UPI) — Marriage is an honorable estate, not least in the eyes of the nation's tax writers. Tradition ally, husband-and-wife have enjoyed a special privilege at tax time—denied the single person, the joint return.

This concept gives couples the choice of filing two separate returns, just like unmarried folks, or a single joint return. In most cases, the latter approach will save money. Those savings used to run as high as 40 per cent, but the 1969 Tax Reform Act cut the maximum rate for a single taxpayer to no more than 20 per cent above what he would pay on a joint return. That provision takes effect on 1971 income.

The advantage of the joint return stems from the "progressive" nature of the tax schedule. Tax rates range from 15 per cent to 70 per cent, depending on your income bracket. The more you make, the bigger Uncle Sam's bite. A joint return in effect splits the family income 50-50 between husband and wife, even though one may actually have had no income. You pay tax on smaller amounts...and at a lower rate, than if just one had to pay the total amount.

In order to file a joint return, both husband and wife must have been U.S. citizens or resident aliens for the entire year 1971. Each must enter his own Social Security number and sign the return.

If you decide to file the separate returns, both husband and wife must take the same kinds of deductions. Figure out the method of deductions that will save you the most money as a unit. Then both are bound to use the same method on each return. If the husband itemizes his deductions, or takes the 13 per cent standard deduction, his wife must do the same.

Even if you were married on Dec. 31, the IRS considers you married for the entire year and you may file a joint return. Likewise, if your spouse died at any time of the year, you are taxable as a couple for the full 12 months.

If you were divorced or legally separated, however, you are considered single and may not file a joint return. (Tomorrow: How the tax exemption works.)

Altrusa Club honors six TFHS girls

DEAR ABBY: Lately you have fallen into a terrible rut. You tell everyone who has a problem to see a psychiatrist or some kind of counselor.

Abby, if these people could afford to go to psychiatrists they wouldn't be writing to you. I know what I'm talking about because my husband would never go anywhere if he had a problem, but if he saw something in your column that really shook him up he'd pay attention to it.

As a matter-of-fact, a couple of years back you had something in your column about how unpleasant it was to go to bed with a husband who didn't shower regularly. Right after that, my husband took to showering nearly every day, which made me very happy. And I'm sure his coworkers were a lot happier, too. Now, if you will just print some real sharp stuff about husbands who are under 50 and aren't interested in sex. — **SEPARATE BEDS.**

DEAR SEPARATE: Sorry, but I send all men under seventy who aren't interested in sex to their family doctors. And if they're physically sound, then I send them to psychiatrists.

DEAR ABBY: A girl (I'll call her "Mary") wrote to you. She said her sister was a nun, and a few years ago nuns couldn't participate in weddings, so Mary promised her girl friend that she could be her maid of honor when she got married.

Well, when it came time for Mary's wedding, the church had changed its rules and nuns were allowed to be in weddings, so Mary told her girl friend that she wanted her sister to be maid of honor. The girl friend got mad, and I don't blame her.

But you went along with Mary! Abby, how could you? A promise is a promise, no matter what. It wasn't the girl friend's fault that the Catholic church finally got smart.

I usually agree with you, but this time I think you were wrong.

BUFFALO READER:

DEAR READER: I still feel that since the circumstances changed, Mary was justified in asking her sister. The girl friend should have been more understanding, and accepted the role of "bridesmaid," which Mary offered her on bended knee. But she declined instead, saying "she couldn't be maid of honor she wouldn't even come to the wedding." I'm still with Mary.

DEAR ABBY: My husband and I are soon to celebrate our 25th wedding anniversary, and we're making plans. We would like to get married again in church with my daughter and her husband as our only attendants. It wouldn't be a very large wedding. Just our relatives and some close friends.

I want to wear my daughter's wedding gown and veil, which fits me perfectly. Would that be proper? When I was married, my husband and I didn't have much of a wedding. We just went to the minister's house and wore regular street clothes.

I have always wanted to be married in a church with a gown and veil. Do you think I'm foolish? Also, would it be necessary for my husband and me to have blood tests and apply for a license all over again? Let me know, and I'll do as you say.

SILVER WEDDING

DEAR SILVER: Go ahead and have the church rededicated in your daughter's gown and veil and God bless you. And, you do not need blood tests or another license. The ceremony is merely symbolic. You are already married.

CONFIDENTIAL TO: SICK OF UNINVITED GUESTS IN ORLANDO: There is only one way to deal with an uninvited and unwanted guest, and that is to tell him you are not able to accommodate him. And if all your friends in Orlando are having the same problem, and, if, as you say, all the motels are filled up, you should consider going into the motel business.

What's your problem? You'll feel better if you get it off your chest. Write to ABBY, Box 4070, Los Angeles, Calif. 90040. For a personal reply enclose stamped, addressed envelope.

HEARTS AND FLOWERS

By Mary Sue Miller

Remember that famous writers come first. The following article is one of the greatest institutions in Twin Falls and can be attributed to Artemus Ward.

A good deal of it is a pretty girl who plays her cards as carefully as if she were plain — F Scott Fitzgerald.

It is one of the greatest blessings that so many women are so full of tact. Sir William Osler.

A perfect woman probably planned to write to comfort and comfort. And yet a spirit still and bright with something of angelic light. William Wordsworth.

Now you supply the words.

You might wear one on vining sleeve, the sleeve of a white shirt. How about on your navy, sweater, right over your heart? Just to show your garments in the right place. Or, maybe, you wish to warm the feelings of a male heart by scattering hearts later and small, on a neckerchief.

This is less of a "dip" than you might guess. All you need is a summer iron-on applique material. This comes in hand-painted batik-like applique kit, that offers a choice of colors, besides red, and easy-to-follow instructions. You simply trace and cut out your design. Then, you baste or sew your iron on. In case you won't, it stays on through many washings.

But why be so practical? This is the day to wear ribbons and hearts, hearts and flowers.

Sun Valley sets contest

SUN VALLEY A contest area to determine the "hottest" area skier will be staged March 14, 15 and 16 at Sun Valley, according to Valley officials.

Part of a nation-wide series of contests sponsored by Skiing Magazine and Chevrolet, the Western Division Championships at Sun Valley will feature three events — on-snow stunts, aerial acrobatics and hot dog (freestyle) skiing.

Doug Pfeiffer of Skiing Magazine said the contest is intended to determine the best overall skier who is master of

the mountain and of skis.

Any skier, male or female, who is older than 18 years of age at the time of the performance is eligible to compete. Contestants may use any length skis in all events. Prizes for the Western Division Championships at Sun Valley will include a 1972 Chevrolet Vega Kamruck and \$7,000 in cash.

The Chocolate Information Council says chocolate flower is another name for the wild geranium.

Fire destroys

Ketchum Caboose

By TERRY CAMPBELL
Times-News writer

KETCHUM — Firemen and owners today were attempting to determine the cause of an early Sunday morning fire which destroyed the Caboose Inc., a Ketchum restaurant.

Only the timber supports remained today. The building

was converted from the old Ketchum water tower and caboose to form a dining area and kitchen. Strong winds toppled the charred skeleton of the tower Sunday afternoon.

Ketchum Fire Chief Charles Atterbury said today he has not ruled out the possibility of arson in the 5 a.m. blaze but said "I cannot venture a guess as to the cause of the fire at this time."

Steve Byzek and Doug Kolstead, owners of the 40-seat restaurant, housed in a turn-of-the-century railroad water tower and the adjacent kitchen located in a caboose, said Sunday they could not estimate the value of the buildings.

They said the loss is partly covered by insurance. Fire escapes for the restaurant came

under discussion just a week ago at a Ketchum City Council meeting.

John Jacoby, city building inspector, said he ordered the structure closed to the public Feb. 1 because it lacked a conforming fire escape.

The council granted owners 60 days in which to construct a fire escape or close the business.

Chris DuPont, Sun Valley,

said he was driving through the

area about 5 a.m. Sunday and saw flames through the window of the caboose.

Unable to find a telephone, he went to the city hall and rang the fire alarm himself. Two Ketchum fire trucks and 13 volunteer firemen responded.

Residents of the apartment building, abounding just south of the Caboose, attacked their belongings in the street.

Ted Werry, owner of the Casino Bar, arrived soon after the alarm sounded and used his own fire equipment to hose down the apartment house. Afterbury said he credits Werry with saving the whole block could have been lost in the fire.

The fire chief said the timbers and siding of the water tower were believed to have been treated with creosote, causing it to burn easily.

Two Ketchum police officers and one Sun Valley police unit blocked the Sun Valley road from Main Street to Third Street. Water from the fire hoses coated the streets with ice in the 15-degree weather, and also caused ice to cover the fire fighters.

The blaze was brought under control about 7 a.m. One fire truck was called back to the scene about 10 a.m. to extinguish a flare up.

The water tower which was located near the Ketchum Union Pacific Depot, and the Caboose were moved to the present site about five years ago. Byzek and Kolstead have owned the business for about three years.

Market Review

NEW YORK (UPI) — Re- strained by a continuation of profit taking, the stock market headed lower Monday. Trading was moderately active.

The profit-taking evident was a carryover from Friday. It had been a major drag on the list last week.

Robert Johnson of Paline, Webber, Jackson and Curtis said there may be concern among foreigners, who hold nearly \$5 billion American dollars, that the United States is not making enough headway in combating inflation. This has caused anxiety among institu-

tions, Johnson said.

Around 1:15 p.m., the Dow Jones industrial average of 30 selected blue chip stocks fell more than 4 points to 912.86. Standard & Poor's 500 stock index dropped .30 to 104.78. Of the more than 1,600 issues

crossing the tape, 751 declined and 577 advanced. The three-hour volume amounted to 9,440,000 shares, compared with 11,030,000 during Friday's per-

iod.

Steels were mixed. Republic Steel gained 1 1/2, U.S. Steel lost 1 1/2.

Chrysler gained 1 1/2 in the motors. Ford lost 1, White Motor 1 1/2.

Chemicals pointed lower.

Dow Chemical slipped 2, Dow Chemi-

cal 2.

Superior Oil gained 2 in the oils. Getty Oil (ex-dividend) added 1 1/2. The rest of the oil issues were mixed.

Rails were lower. Burlington Northern dropped 1, Southern Pacific 1.

Airlines mostly were lower. KLM Royal Dutch eased 1 1/2 and Northwest 3 1/2.

Burroughs was a strong feature in the electronics and computer issues, gaining 4 1/2. Motorola gained 1 1/2. But IBM lost 3 1/2. Honeywell 2 1/2.

Polaroid added 1 1/2 in its group. Walt Disney tacked on 1 1/2. Corning Glass and Wrigley lost a point each. Levitz Furniture climbed 5 1/2. Handelman dropped 2 1/2.

Work begins on education budget today

BOISE (UPI) — The Joint Finance Appropriations Committee was scheduled to begin work today on the massive public education budget, but health, welfare and higher education may be delayed.

Sen. Richard S. High, R-Twin Falls, co-chairman of the joint committee, said it will be difficult to study the \$15.4 million general fund request from the department of public health or the \$14.3 million request from the Department of Public Assistance until some action is taken on bills to transfer various functions from health to DPA.

The intent of the proposed legislation is to place children and youth services under one umbrella "agency" — in this case, the DPA — to give coordination to state-supported services.

Some of the moves under discussion include transferring to the DPA responsibility for licensing of shelter homes, the child development centers, responsibility for operating Idaho State School and Hospital at Nampa, responsibility for youth committed under the Youth Rehabilitation.

Gem roads, icy spots and snow

BOISE (UPI) — Snow and icy spots were reported on many of the state roads today.

From the Idaho Department of Highways, here was the road-by-road report:

U.S. 95 — Mica Hill, Bonners Ferry, icy spots. Whitebird Hill, Craigmont, Grangeville, snow door. Culdesac Hill, Moscow to Genesee, broken snow floor.

Marsing to the Oregon line, icy spots and rolling rock.

U. S. 95A — Harvard Hill, St. Maries to Santa, broken snow floor.

U. S. 93 — Galena to Stanley, broken snow floor, Shoshone, Twin Falls to the Nevada line, icy spots. Lost Trail Pass, snow door.

State Highway 16 and 88 — Fairfield, icy spots. Mountain Home area, snow floor.

U. S. 83A — Challis to Willow Creek summit, Mackay, to Craters of the Moon, icy spots.

State Highway 21 — Boise area, icy. Idaho City to Lowman, broken snow floor and chains advised: Mores Creek to Idaho City, icy spots.

Mrs. Hale was living alone in her home. Police officers did not identify the persons who found the body. An autopsy was scheduled for today.

Youth killed

NYSSA (UPI) — A 16-year-old youth was killed Sunday when he was struck by the blast of a shotgun inside a service station.

Raymond Kanning, 16, son of Mr. and Mrs. George Kanning, died instantly after he was struck at close range, Malheur County District Attorney Frank Yrquen said.

"Yrquen said the shotgun was fired during what he described as a robbery."

He declined to identify two other youths present during the shooting. He said one of the youths plucked up the gun and fired the fatal shot.

High said the proposals have a great deal of support and indications are that we can get a great deal of administrative efficiency, a savings in administrative costs, and improve the programs at the same time.

The idea of one agency is not a new one. The interim budget and fiscal committee studied the possibility two years ago and at that time recommended creating one "department of social and rehabilitative services" to manage the child and youth programs.

The ranking Democrat on the joint committee, Sen. Richard Egbert, D-Teton, said he had favored the single agency approach for some time.

He said it appeared to be the most practical way to go and that it seemed "rather logical" to put the programs in the Department of Public Assistance.

Kennedy begins Bangladesh tour

DACCA (UPI) — Sen. Edward M. Kennedy began a tour of left Dacca for New Delhi, burned-out villages, mass graves and refugee resettlement centers of Bangladesh.

The Massachusetts Democrat, chairman of the Senate subcommittee on refugees, will be a guest of the government of Prime Minister Sheikh Mujibur Rahman—the first American so honored by Bangladesh.

The United States sided with Pakistan in the civil war for the independence of the East Pakistan territory. The U.S. government has said it had no present plan to extend formal diplomatic recognition to Bangladesh.

Sources in the Bangladeshi army said Sunday that about 75 per cent of the military's total strength was committed to the protection of the Dacca suburb of Mirpur, an enclave housing 200,000 Biharis.

The Biharis are non-Bengali Moslems who supported the Pakistani army during the Bangladesh fight for independence. The Biharis now fear bloody reprisals from the Bengalis and have refused to surrender their weapons.

Probable stamp increase aired

WASHINGTON (UPI) — With the current \$108 basic monthly food stamping this year, the amount which was raised from \$108 last summer, comes under the mandate of a July 1 "cost of living" increase in food stamp benefits to about 11.5 million needy Americans.

Department sources said they could not speculate on the precise size of the probable increase in stamp allocations. It appeared at least possible, however, that the boost for a family of four would be \$4 per month, bringing the family's monthly stamp allocation up to \$112.

To get the stamps, needy people who qualify for the aid program pay cash amounts varying with their income. A family of four with income of \$30 or less monthly, for example, currently gets \$108 worth of stamps completely free. A family with cash income of \$120 monthly pays \$31 for \$108 worth of stamps. A family earning \$370 monthly must pay \$84 for the \$108 stamp allocation.

All of the stamps can be used like cash to buy food—but not items like beer, cigarettes, soap and paper—at supermarkets. The forthcoming increase in

Sunken mountains rising in Pacific

WASHINGTON (UPI) — Scientists Saturday reported signs that two submerged mountains in the northeast Pacific are slowly rising and may eventually lift their summits above the water as channels more complex than

the Mississippi-Missouri River watershed.

The ship traveled 33,000 miles in the course of surveying a 300,000-square-mile area of the Pacific floor west of Oregon and Washington. In one region, perhaps larger than the central United States, the geologists found meandering deep sea

A NOAA geophysicist, Douglas J. Elvers of Leesburg, Va., the expedition's chief scientist, reported that the rises are in a definite stage of uplift similar to the western coast of Canada and southern Alaska.

The evidence suggests, he said, that Cobb and Bear may eventually emerge from the sea as new islands "either through volcanic growth or general uplift of the rises."

At least five faults or fracture zones, massive breaks in the sea bottom, converge in the areas surveyed. Their proximity to California's earthquake zones make them of specific interest.

"This is an area," Elvers said, "where most of the earthquakes off the shores of the conterminous United States and Canada occur. The *undersea crustal movements* along the fracture zones need to be studied in close association with the San Andreas Fault (in California), and the other geological weaknesses in the earth's crust which are to be found along this section of the Pacific coast."

He attended Point Loma High School, San Diego, Calif. His wife, Leora, lives in Meeker, Kent.

Money back in full if not 100% satisfied. No age limit. Join NOW—This Introductory Offer lasts only 3 more days.

NOW... you and your family can join this Tax-Free Extra Cash Plan with no red tape, no health questions to answer, no medical examination, no age limit, without having to see a salesman and without any qualifications whatsoever. But you must mail your Application Form no later than Thursday, February 17, 1972.

The Graph Below Shows Why You Need This Tax-Free Extra Cash Plan in Addition To Regular Hospital Insurance and Medicare.

MEDICAL COSTS RISING DRAMATICALLY!

Government statistics indicate your present coverage may be inadequate to meet today's rising costs. That's why you can't afford to be without this low cost, high benefits Tax-Free Extra Cash Plan.

PAYS YOU CASH
\$1,000.00 a month tax-free cash
paid at the hospital
\$500.00 a month when
you're home
up to \$40,000.00 when
you're in the hospital
up to \$30,000.00 when
you leave the hospital
money mailed direct to
you, not to the doctor or
hospital
in addition to hospitalization,
Medicare and work
men's compensation.

EVEN IF YOU'RE OVER 65

You get cash in addition to
Medicare and any other insurance.

The Social Security Administration estimates that Medicare covers an average of less than half of your medical expenses. But, with this Plan, people over 65 collect \$500.00-a-month for the first 2 months in the hospital... then \$1,000.00-a-month for the rest of their confinement up to a total of 60 full months. Then, in addition, while recovering at home, they get \$250.00-a-month for the first 2 months, plus \$500.00-a-month... to match the rest of their covered hospital stay, up to a total of 60 more full months. That's 120 full months of protection for each separate accident or sickness.

You Can Join Regardless of Your Age
You're welcome to join no matter what your age is and without any red tape (you don't even have to answer any health questions). Even if you're over 70 you're still eligible... provided, of course, that you fill in and mail the Application Form with just ONE DOLLAR during this limited enrollment period.

Here's How You Collect

This new Union Fidelity Tax-Free Extra Cash Plan pays you both while you're in the hospital and after you leave the hospital. You get \$1,000.00 a month while in the hospital and then when you're released you collect \$500.00 a month for the same length of time that you were in the hospital. And, remember, you get the after-hospital benefits even if you go back to work immediately... or take a vacation. Plus, the money is sent directly to you as you wish.

Special \$1 Offer Expires Midnight of Date Shown On Coupon Below!

To introduce you to this remarkable new Tax-Free Extra Cash Plan, Form #1054, we make this unusual offer with a Money Back Guarantee. Just fill in the Application Form on this page and mail it with just \$1 before midnight of the expiration date. A full month's protection will go into effect on the very same day we issue your policy... generally the day we receive your Application Form.

When you receive your policy, take your time to examine it carefully. It's written in plain language with NO LINE PRINT! Show it to an trusted advisor, your doctor, your lawyer, your stepmom. In fact, show it to your own insurance man... even though he probably works for another insurance company! If he is a personal friend, he wants what is best for you. So you can believe him when he tells you there is no better value available.

Even then, if you're not completely satisfied, return the policy within 30 days and your money will be cheerfully refunded with no questions asked. However, if you decide to continue this worthwhile protection, you may do so at the low rates shown at right.

NOTE: The regular Monthly Premium shown here (for your age at time of enrollment) will increase because you pass from one age bracket to the next. It won't change because of frequent claims or the amount of money you collect. It can change only if there is a general rate adjustment... up or down... on all policies of this type in your state. Covered members, when they reach age 19, may obtain their own policy, regardless of their health, at the rate then in effect for their age group. What's more they receive full credit for continuous coverage.
