

Premier, senator confer

HONG KONG (UPI) — Chinese Vice Premier Teng Hsiao-ping met in Peking Thursday with U.S. Democratic Sen. Henry M. Jackson of Washington and his wife and members of his party. The New China News Agency reported.

The agency said Teng had a frank conversation with Jackson, who is chairman of the senate committee on interior and insular affairs.

The vice premier also gave a banquet in honor of the senator and Mrs. Helen Eugenia Jackson and all members of Senator Jackson's party.

Condominium industry probed

WASHINGTON (UPI) — The Federal Trade Commission says its staff has begun an investigation on whether unfair or deceptive trade practices exist in the fast-growing condominium industry.

"In making this announcement, the commission takes no position as to whether violations of law exist," the FTC said Thursday.

The inquiry will pertain to companies involved in the development, sale, management, conversion or operation of residential condominiums. The FTC staff will recommend corrective action if evidence of law violations is uncovered, the agency said.

Control over opium poppies

WASHINGTON (UPI) — U.S. Ambassador to Turkey William Macomber has been ordered home for consultations in connection with the Turkish government's decision to resume the growing of opium poppies, the State Department said today.

The department earlier this week branded the Turkish decision a breach of both Istanbul and Ankara-London-Canada 1971 agreements between the two countries. The agreement provided that Turkey in return for \$15.7 million in U.S. economic aid to help its opium farmers over the transition, would prohibit the growing of opium in that country.

Macomber had only recently gone back to his post in Ankara after discussions with officials over the approaching Turkish elections.

The United States had turned over to Turkey about \$16 million of the promised funds for helping farmers to convert to other crops.

Officials said that the approximately \$20 million remaining in the fund would naturally be held back.

Deplores conditions

NEW YORK (UPI) — Former Attorney General Ramsey Clark Thursday deplored the conditions of 4,500 Jews living in Syria, saying they are reminiscent of the first days of Nazi Germany.

Clark, a candidate for the democratic nomination for Senator in New York, spoke at a meeting on a one-day Boston meeting of the International Conference for the Deliverance of Jews in the Middle East.

World famine run under way

CHICAGO (UPI) — Comedian Ike Gregory jogged through Chicago's South Side Thursday en route to Washington, D.C., as part of his world famine run.

Gregory plans to make the two-mile Chicago to Washington trip to help make known the approaching worldwide famine that could possibly be averted if local, state, nation-and world-wide leadership would take positive preventive action, a spokesman said.

Gregory plans to drink only juices during his travels. He was expected to stop the night in Gary, Ind.

Lutheran head retained

BALTIMORE (UPI) — The Rev. Dr. Robert J. Marshall of New York City was re-elected Thursday as president of the Lutheran Church in America, the nation's largest Lutheran denomination.

His election came on the second presidential ballot cast by the almost 700 delegates attending the church's July 3-10 biennial convention.

No conspiracy found

WASHINGTON (UPI) — The Justice Department has investigated the fatal shooting of Mrs. Martin Luther King, Jr., and concluded no conspiracy was involved, Deputy Assistant Attorney General William French Smith said today.

O'Connor, a member of the Civil Rights Division, said he ordered the FBI to investigate as soon as he heard on Sunday of the "extraordinary" incident in which Mrs. King, 40, the mother of the slain civil rights Dr. Martin Luther King, Jr., had been shot by a black man while fring a gun during worship services in a Memphis church in Memphis in Atlanta. A deacon, was killed and another woman injured.

Marcus Wayne Chenail, 32, of Dayton, Ohio, was arrested and charged in the killing.

Ancestors studied

NEW YORK (UPI) — A team of Soviet and American scientists happily removed from the day-to-day fluctuations of political detente, left New York Friday for Alaska to study mutual ancestors — the ancient "Inuit" of the Alaskan Islands.

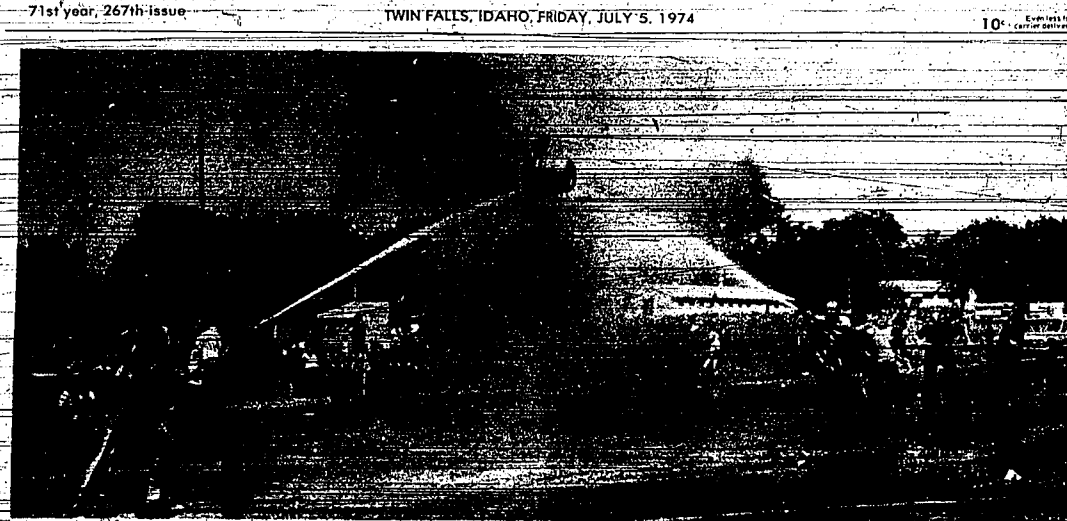

The group of five Russian archaeologists and anthropologists plan to spend a month with their U.S. colleagues in joint research on Umanik Island, the site where thousands of years ago Siberian hunter-gatherers first peopled what is now the American continent.

"Scientific collaboration between Soviets and Americans dates back through the years of the Cold War, and the current project is believed to be the first time Soviets have ever been permitted to come to the United States for original research."

Fair Details, p. 8

Holiday fun — Jerome County Fairgoers will enjoy a parade of floats during the fourth of July activities at the Jerome County Fairgrounds. The floats are attempting to move an empty beer keg along the cable.

Warrants expected in desert fatality case — Sheriff's office is expected to be issued warrants for the arrest of eight state officials involved in the fatal desert hike of Jeff Hodgson.

Warrants expected in desert fatality case

HAILUO Warrants for the arrest of eight state officials involved in the fatal desert hike of Jeff Hodgson are expected to be signed today.

Blaine County Coroner Jay Butler said today he will sign the warrants Monday and turn them over to prosecuting attorney Stephen Hoiler.

State sponsored defense attorney Stephen Hoiler, Hoiler said, "If those individuals that did not act properly in the death of Hodgson is uncertain."

Dr. James Box, administrator of the Department of Health and Welfare, HAW, formerly LEXS, said this morning that the matter of defense will have to be considered by the state attorney general.

Hodgson, H. Poetzelle, was found dead June 20 after he became separated from a desert survival trip, conducted by HAW's mental health unit.

Box said he will be listening to "hundreds of pages of transcripts and tapes of the investigation on the trip" primarily to insure that a tragedy like this does not happen again, and also to see that those individuals that did not act are treated in an appropriate manner.

Jerry Harris, regional HAW director, said the department has canceled its survival program and that individuals contracted to run it are no longer employed by the department.

Permanent HAW employees involved with the program — Lynn Cameron, Nigel Bybee and Joe Brunson — will each be considered individually as to whether the department will keep them as employees, he said.

Harris said any civil cases involving the employees would be covered by the department's insurance. But, he said the insurance would not cover criminal cases. He would not say whether the department would help in the defense of its employees in a criminal case.

"Personally directed training programs which place children under stress in any situation," Box said.

In addition to the survival training program,

Nixon risked life by taking jaunt

KEY BISCAYNE, Fla. (UPI) — President Nixon, who knowingly risked his life by traveling to the Middle East with a permanent blood clot in his leg, says he is in "good shape" and feeling no pain, his chief spokesman said today.

White House press secretary James Brady said Nixon's left leg still is "a little swollen" but his doctors insist there is "no finger any danger" from thrombophlebitis, an inflammation and clotting in the veins.

Nixon also told Giegler that he "feels good and is catching up on his rest" since his return Wednesday night from Moscow where he held a week of summit talks with Communist leader Leonid I. Brezhnev.

According to Dr. Walter Traach, the White House physician, Nixon was warned that there

was an outside chance the condition could take his life "when he was examined June 10 in Salzburg, Austria, a rest stop before his Middle East peace mission."

Tkach told reporters that Nixon "took a cautious rest" because he could have killed him.

But Nixon, Traach said, "felt he had an obligation" to make the trip to the Middle East. Traach and his assistant, Dr. William Lukash, agree the clot now has attached itself, permanently to the wall of the vein, in a "fixed position" — therefore, no longer a "menace" to break loose and lodge itself in the heart or lungs, which could be fatal.

Nixon now is receiving medication, Traach said, but "must always suffer some swelling in the leg."

Kissinger goes to Rome under heavy security

ROME (UPI) — Secretary of State Henry Kissinger arrived in Rome today under a brilliant summer sun and heavy security for his first trip to European leaders about the Moscow summit meeting.

National police with submachine guns stood on the roof of Ciampino airport as Kissinger's Boeing 707 jetliner arrived at 1:31 p.m. (7:33 a.m. EDT) from Paris.

Italian Foreign Minister Aldo Moro, U.S. Ambassador John Volpe and representative to the Vatican Henry Cabot Lodge met Kissinger at Ciampino.

All concerned smiled, shook hands and drove to the Quirinale palace for lunch with President Giovanni Leone. Police helicopters flew over the motorcade.

During his 22-hour stay, Kissinger will also meet with Pope Paul VI to talk about the Moscow summit and also about the status of Jerusalem.

In Paris, Kissinger and French President Valéry Giscard d'Estaing, chattered on the results of the Soviet-American summit and Europe's rocky relations with the United States.

The secretary of state emerged from the Elysee Palace after a one-hour 45-minute talk with the newly elected French president, conferring over a breakfast of grapefruit and coffee in the palace garden.

He said that "once cool Franco-American relations were becoming warmer" but "our new men has talk with Giscard d'Estaing was "friendly and constructive."

At airport Kissinger emphasized "the warm reception the French government gave the

Old spell

YOKOSUKA, Japan (UPI) — Frank Sinatra cast his spell today over 4,000 U.S. sailors and their families aboard the aircraft carrier Midway and claimed he hadn't sung so early in his life since he was a choir boy.

Wearing a gold-studded faded denim suit, Sinatra sang an old and new songs, including "Bad, Bad Leroy Brown" and "My Way," to a cheering crowd in the ship's hangar bay.

He made the special benefit performance on the eve of his departure for Australia. During a 10-day visit to Japan, he made three concert appearances for a reported \$158,000.

Valley celebrates 4th with many events

TWIN FALLS — The Magic Valley celebrated the fourth of July yesterday with parades, picnics, barbecues and beer ... and lots of fireworks.

Built around the Sagebrush 100 celebration Thursday, beginning with a morning parade which stretched down the main street of town. Hundreds of people lined the street to catch a glimpse of waving young candidates, old-timers and scenic liners, floats and precision riders. Packed cars and trucks made grandstand seats for families watching the parade.

The new Sagebrush 100 queen was crowned at the night rodeo performance. Betty Schmitt, 19, Rogerson, took top honors, winning, among many other girls, a saddle, courtesy of Mr. and Mrs. Ken Jones, Western Auto Supply.

Theresa Junior princess is Kathleen Wilson, 15, BJH, Runners-up for queen were Angie Robinson, Tuttle, first runner-up, and Lucinda Schaff, Twin Falls, second in the runner-up.

For junior princess, Tamme Finney, Filer, was first runner-up, and Camille Blotzek, Butte, was second runner-up. The Miss Congeniality award was shared by two girls — Robin Ford, Twin Falls, and Terri Kivimaki.

An old-fashioned Fourth of July was celebrated in Jerome. A day-long schedule of activities began with a parade through downtown Jerome. Taking first place was the Appleton 4-H Club for its float of the American flag and the band. Second place went to Fred and June Kohntopp for their portrayal of prospects complete with a burr. Third place went to Cliff Graham for his pig, complete with hat, shirt and pants.

Following the parade special games and races were held at the Jerome County Fairgrounds for the youngsters. "Tidbitting" the activities, which included the traditional potato sack race, three-legged race and egg toss, was a circus pole climb for 50. Fireman's scurry was also held minus the firemen. Teams competed using fire hoses to move an empty beer keg across a cable.

A baseball game was held, pitting Jerome against Teton Falls. Jerome winning 11 to 2. The Valley, Richfield, Shoshone, Jerome posse and Jerome recreation club and the Bud Rosberry riders put on a display of riding at the fairgrounds. The gala festivities ended with a fireworks display.

Minico plans eyed

By ED MITCHELL
Times-News Staff
MINDOKA County residents living along State Highway 24 may have to be included in the Minico High School sewer project.

TF club leaders

NEW PRESIDENT of the Twin Falls Civic Club, Jim Winkle, second from left, accepts the award from Mayor DuRall, outgoing president, Pat Vecera, left, president-elect and Dave Barber, right, is secretary-treasurer. Civic Club member H. E. (Bud) Cheney is governor for the intermountain district for the 1974-75 year.

Jerome pool service criticized

JEROME — Services and operation of the Jerome swimming pool were criticized Tuesday night at the City Council meeting.

She requested she be permitted to assist in planning a program for the pool next year. Mayor Charles Hancock told Mrs. Towle that the council would be willing to listen to her suggestions. He recommended she draw up a specific list of suggestions and present them to the council in the fall. He said the budget for the year has already been completed and any change in the pool operation would have to be incorporated in next year's budget.

TF man requests hearing

TWIN FALLS — William Roger Carlock, 30, requested a preliminary hearing when arraigned in Magistrate Court Wednesday on an arson charge.

Paul Carder, 40, was arrested in Tuesday by Twin Falls city police following an investigation lasting several months. The complaint against Carder charges him with starting the April 21 fire which burned the Frontier Field bleachers and killed 10 horses.

Subpoena request dropped

WASHINGTON (UPI) — John D. Ehrlichman's lawyer said today that he has dropped his request for subpoena White House chief of staff Alexander M. Haig to testify in the Watergate trial.

At Key Biscayne, Fla., Ehrlichman's attorneys John J. Chester and Gene A. Staudt said their client could not appear because he is holding official meetings. Ehrlichman's lawyer said he is unable to appear in court because of his official duties.

Jury pick end set

SAN ANTONIO, Tex. (UPI) — Defense and prosecuting attorneys will try to pick the final five jurors today in the trial of Elmer Wayne Henley. He is charged with killing the 27 youths whose bodies were unearthed last year near Houston.

TF crews spray trees

TWIN FALLS — Twin Falls City crews Tuesday did their "little bit to help" keep the downtown area healthy.

Injuries, death mar holiday

By United Press International
The country celebrated the story of its independence Thursday with celebration and a share of death and injury.

Washington, hundreds of veterans and their friends staged a peaceful march through the capital for better benefits for themselves and unconditional amnesty for those who fled service.

Camas lots soon offered

FAIRFIELD — Fairfield residents seeking building lots soon will have some available. Mayor Henry Durall said Wednesday.

The mayor will donate seven and one-half acres of a 30-acre tract to the city for use as a park field, baseball field and tennis courts. The Camas High School has a football field, but there is no room for a track field.

The remaining two and one-half acres of the Durall tract will be divided into 10 building lots.

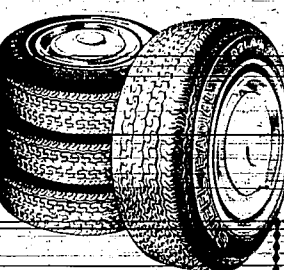

Kiwanians view slides

BUTTE — Lucille Conrad, Castleford, showed slides of Hawaii at the Kiwanis Kiwanis Club meeting Wednesday noon.

Mrs. Conrad is a former Butte school teacher. She now lives in Castleford.

District 4-H winners listed

GOODING — The district 4-H horse judging contest winners were announced Thursday by Ed Koester, Gooding County agent.

First place — team winners from Twin Falls County were Paula Depew, Connie Swensen, Susan Jesser, Sylvia Molynex.

Second place winners also from Twin Falls County were Lynn Elin, Gerald Hays, Debbie Grandjean and Marilynne Carson.

Third place went to Gooding County team members Robin Lynn Jewett, Julie Bunker, Ron Jewett, Pam Lurie.

Fourth place team, Gooding County, consisted of Kelly Schroeder, Susan Haniline, and Barbara Hobley and Leslie Beye, Carla Mathers, Marilee Hill, Barbara Crosby and Carol Hobley, Gooding County, took fifth place.

Sixth place went to Gooding County team members Lynn Osborne, Linda Glauner, Lisa Childs, and Amy Patterson. Mike Cutler, Kyrin Bedke

Justin Kenney, Marilee Khink, Cassia County team, placed seventh.

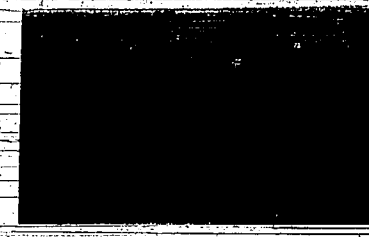

Gooding County team Nolan Daley, Bill Johnson, Clifford Daley and Elvye Cunningham took eighth place. Gayleen Ruhler, Kay Lermanns, Darla Morrison and Kelly Walden, Twin Falls County, placed ninth.

Tenth place team was Kathy Baker, Jenny Skinner and Phyllida Gose, Twin Falls County.

In the junior division Handi Welch placed first; Bill Johnson, second, and Sandra Hill, third. All are from Gooding.

Intermediate winners were Clyde Cunningham, first, and Cathy James, second, both from Gooding County, and Sylvia Molynex, Twin Falls County, placed third.

In the senior division Carol Hobley, Gooding County, placed first; Cathy Elin, second, and Susan Jesser, third, both Twin Falls County.

Bales of hay form pattern

Poor nations may fight to get food

SPOKANE (UPI) — A South Dakota researcher has warned that poor nations may want to fight to get enough food.

Dr. Max Meyers, director of the South Dakota University Institute of Social Sciences for Rural and Urban Research, told the concluding session of the Expo '74 agriculture on a small planet symposium when people do not have what they want, they often take it.

Meyers said poor nations may just that in the future if they are unable to obtain necessary food supplies for starving populations.

Meyers said wars over world food supplies can be avoided if the developed nations of the world join in actions to ensure food supplies are sufficient to meet world demands.

He said in order to do this nations must be able to control world population growth, international grain reserves must be established and food production must be increased through the use of new energy sources.

Meyers also said persons in developed nations can make more efficient use of protein consumption by eating less beef and more vegetables.

He said steps in this direction are urgently needed because the world is already facing a chronic hunger and malnutrition, in addition to increasing unemployment.

Meyers said the world food supply is often susceptible to rapid changes "due to vulnerability of the world's agricultural and distribution systems."

Some snakes have been known to live for up to two years without food by absorbing the fat of their own bodies.

Smoking study

NEW YORK (UPI) — Scare commercials threatening smokers with death sooner or later "apparently, have little impact on more educated persons, according to a study made by Alan A. Bernan of the American University in Washington, D. C.

The magazine Psychology Today reported that Bernan had five questionnaires administered to 300 students (average age, 22) in an effort to determine their smoking habits and attitudes toward death.

Bernan found that the more educated smokers died more often than those with less schooling and rationalized their habit as "an act of defiance."

Bernan contended that scare commercials "threatening people with death at some indefinite future time wasn't the way to stop people from smoking."

Psychology Today noted, "Fear of cancer made many try to quit, but wasn't enough to keep them off cigarettes permanently. Any program to stop smoking, he believes, must expect some backsliding, and allow for it."

Tram planned

CASCADE LOCKS, Ore. (UPI) — A spectacular aerial tramway may be constructed in Oregon's scenic Columbia River Gorge near this small community east of Portland.

The tramway would rise from a terminal south of Interstate-Highway-80-N toward for one and one-quarter miles to a \$120-foot ridge. The Federal Office of Economic Development has approved a \$1.25 million grant to the Port of Cascade Locks to aid construction of the tramway. The port is providing \$71 million for the project, final design plans of which must receive port and U.S. Forest Service approval.

(C) New York Times Service — NEW YORK — Retail meat prices for beef and pork probably will rise appreciably by the middle of next week, according to analysts who follow the trend of futures prices.

After hitting a low point around mid-June, cattle futures have risen about six cents a pound. Today on the Chicago Mercantile Exchange, August delivery cattle closed at 43.37 cents a pound, up from a low of 42.52 cents a pound. At first the recent rise in futures prices was attributed to a technical rebound after low levels were reached, and more recently there has been a lot of farmers withholding of cattle supplies from market for higher prices. Also, the current favorable prices at retail levels, probably inspired some new consumer interest in meat.

Beef futures prices dropped the daily limit on the commodity exchange, with September closing at \$4.28-30 an ounce, down from \$4.38-40. This contract sold as high as \$4.80-82 in February. The reason for the sharp decline in recent sessions is the drop in gold prices in London, along with the fact that current high interest rates make carrying contracts more expensive for speculators.

Analysts warned that volatility is expected to continue in the near future, with September delivery closing at \$4.49-51 on their charts. It had

Church to protest streams decision

CHIALEIS, Idaho (UPI) — The Frank Church, D-Idaho, said Wednesday he will protest an apparent decision which prohibits the state's Agricultural Department funds for stream protection on the Salmon River.

Church viewed erosion damage on a helicopter flight over the Salmon River near Chialeis and later filed with a group of concerned ranchers.

Lambs sell lower

IDAHO PALMS — An estimated 1,075 sheep, 189 hogs and 240 cattle were sold at the Idaho Livestock Auction in Idaho Falls Monday.

Spring lambs went for \$1 to \$2 lower while ewes went \$1 higher.

Prices for choice spring lambs were \$10 to \$11.50; good to choice spring lambs, \$7 to \$9; spring feeder lambs, \$5 to \$7; and fall feeder lambs, \$3 to \$5.

Prices for choice spring hogs were \$10 to \$11.50; good to choice spring hogs, \$7 to \$9; spring feeder hogs, \$5 to \$7; and fall feeder hogs, \$3 to \$5.

Prices for choice spring calves were \$10 to \$11.50; good to choice spring calves, \$7 to \$9; spring feeder calves, \$5 to \$7; and fall feeder calves, \$3 to \$5.

Prices for choice spring steers were \$10 to \$11.50; good to choice spring steers, \$7 to \$9; spring feeder steers, \$5 to \$7; and fall feeder steers, \$3 to \$5.

Prices reported on beans

TWIN FALLS — Dealer's selling prices for beans, carlot and trucklot in 100-lb. bags, have been released by US Department of Agriculture for the week ending June 25.

The week's price on pinto as compared to last week for northern Colorado is 36-37 nominal; western slope, 38-40 nominal; southwest corner, 36-40 nominal; and northern Idaho, 37-40.50, nominal.

Prices for great northern as compared to last week were: western Nebraska, no quotes; 22.75-25; eastern Wyoming, no quotes; 22.75-26; southern Idaho, no quotes; 24.75-26.

No quotes were given in all areas on small red and pink.

Other classes of beans were listed for California: baby limas, no quotes; 35-38; large limas, no quotes; 36.50-37; blackeyes, no quotes; 22.50-25; and supplies for pink or small whites; light red kidneys, no quotes; 42.50-46.

Lebanon rejects troops to help refugee camps

By United Press International
Lebanon has rejected immediate offers of troops and weapons from other Arab states to help it fight against Israeli reprisal raids. Beirut press reports said today.

Conference sources said today the delegates adopted secret resolutions calling for military, political and financial support to Lebanon, but rejected sending Arab troops or warplanes to Egypt, Syria and Algeria proposed.

The Beirut newspaper Al-Akhar said Lebanon's Foreign Minister Said Natif also called at the meeting for a suspension of all general activities pending the outcome of the Middle East peace conference, expected to reconvene in October.

The leader of the Syrian-backed Al-Sunna guerrilla organization, Zuhair Mohsen, who was a Palestine Liberation Organization delegate at the Cairo conference, criticized the Lebanese rejection.

The conference of Arab defense and foreign ministers has failed because the party for whose sake the meeting was convened (Lebanon) did not want assistance from the Arab states.

Tornado force hits

New-England

BRIDGTON, Maine (UPI) — Rain and high winds packing "the force of a tornado" swept across southern Maine Thursday, injuring at least 10 persons as it toppled trees and tore down power lines in a local area.

Prison violence grows

SAN QUENTIN, Calif. (UPI) — Prison violence is escalating at such a rapid pace that penitentiaries will be unmanageable in 10 years, according to the retired warden at San Quentin Prison.

Louis S. Nelson, who ended his long penal career last month after rising from guard to chief of the state's toughest prison, blamed lawyers and judges for much of the trouble.

Many of the violent incidents resulted from gang warfare and disputes over narcotics. Several times general lockups were ordered to stop the trouble.

Some of their decisions border on lunacy," he said.

During the first six months of this year, there have been 28 stabbings, four fatal, at the 122-year-old San Quentin.

Prison violence has risen to the point that in the next decade, prisons will be unmanageable, Nelson said.

Abby

Abigail Van Buren

DEAR ABBY: Regarding that "Double Ugly" guy who says ugliness is a curse because no one wants to associate with physically ugly people, you said, "Ugliness is like beauty, lies in the eye of the beholder. The qualities that make one loved and wanted have nothing to do with the way one's face is formed. Honesty, patience, kindness, generosity—all the virtues—can be developed. A beautiful character counts for more with people who count than physical beauty."

Inner beauty

MR. AND MRS. RICHARD E. GRIFF

Abby, you missed the whole point. This ugly person should seek out the blind for friends. He should volunteer to help in a school for the blind, or get a job there. They say if a deaf lion roars in the desert, there is no sound. Nothing looks ugly to those who cannot see, so forget all that rot about developing honesty, kindness and a beautiful character, and give the poor guy some practical character counts for more with people who count than physical beauty.

TF couple recites nuptial promises

TWIN FALLS — Shonie Marie Fenstermaker and Richard Eugene Griff were married June 31 in the Christian Center Church. The bride is the daughter of Mr. and Mrs. L. Dean Fenstermaker and the bridegroom is the son of Mr. and Mrs. Eugene Griff, all Twin Falls. Rev. Sheldon Sjogel performed the double ring ceremony before an altar of bougainvillea, white gladioli and chandelabras with blue streamers. The bride wore a white tulle gown with lace bodice overlay, collar, sleeves and train. Her veil was shoulder length. She carried a bouquet of white baby roses, stephanotis and white peonies in the center. The groom wore a blue tuxedo. The young man is the bride's grandnephew, Mrs. Marshall Mendel. Attending the bride was Patricia May Fenstermaker, the bride's honor sister at the wedding. Bridesmaids were Terri Bell, Twin Falls, and Trudy Summers, Caldwell. Her Griff, brother of the bridegroom, was best man.

Magic Valley Favorites

MRS. P. FISHER 246 Fourth Ave. E., Twin Falls. Form into balls about one inch around. Reserve 12 cherries and cut into quarters. Press lightly on top of cookies. Place on ungreased cookie sheet and bake for 10-20 minutes. Cool cookies in powdered sugar while still warm. The Times-News will pay \$1 each week for Magic Valley Favorites. If you have a recipe, send it to the Editor, Women's Page Editor. The recipe becomes the property of the Times-News and cannot be returned.

Bridge

Jacoby Club suit holds contract key. Lead and note that he would be sure of his contract unless West held the king of clubs. He would study a little bit of the bidding sequence also make it if West held the singleton king. Then he would lay down his ace of clubs and ask for the 10 spot. He would have to lose tricks to both the king and jack of clubs and would wind up with two club tricks. Since he was sure of one under two hearts and four diamonds, those two club tricks would be enough for his contract. (WAPAFIA ENTREPRENEUR ASSN.)

Mini Reviews

TWIN FALLS — Twin Falls Public Library officials recently released "the mini-reviews" on books at the library. "London" by Richard Howard. The first full account published since his death of a Mexican boy on the make of a free wheeling scholar of a president at the peak of triumph and in the pit of tragedy. "New Gods in America" by Peter Rowley. All of the exotic, mystical and arcane beliefs and practices are explained without flin.

MISS STUTZMAN plans rites

"Odyssey: Journey Through Black America" by Earl and Miriam Selby. Deeply disturbed by the widening racial rift between black and white, the authors find what the blacks really think and want. "The Denial of Death" by Ernest Becker. Once we understand that the struggle is not toward each other, but their behavior fails to communicate these feelings. Here is a common sense guide to daily living.

August wedding planned

TWIN FALLS — Mr and Mrs. Carl L. Stutzman Twin Falls, announce the engagement of their daughter, Carleen, to Jerry Wayne Gage. Gage is the son of Mr. and Mrs. Russell W. Gage, Twin Falls. Miss Stutzman is a 1972 graduate of Twin Falls High School. She is employed by the law firm of Parry, Robertson, Dale and Larson, Twin Falls. Gage graduated from Twin Falls High School in 1969 and is a 1973 graduate of Boise State University. He is presently employed by Mountain Bell Telephone, Twin Falls. An Aug. 2 wedding is planned.

4-H's convene in TF

TWIN FALLS — The Happy Go Lucky 4-H Club met Wednesday at the home of Christine Britt. Miss Britt, leader, started the sewing books, Mrs. Fred Britt, assistant leader, instructed the girls on how to make a quilt. During the day, was discussed and the planned outline was given. Judging categories for junior and senior divisions were read. Demonstrations were given by Susan Swafford on how to pin a pattern to the fabric, and Christine Britt on how to do an invisible stitch. The next meeting will be held July 17 at the Britt home.

Valley Briefs

JEROME — The Buttons and Bowtie Dance Club will dance at the Jerome post office parking lot Saturday at 8:30 p.m. All square dancers are welcome.

Metric sizes eyed

WASHINGTON (UPI) — A government proposal to switch wine bottles to metric sizes could stir controversy in everything from Russian champagne to British "Perry." Importers warned recently they told the Bureau of Alcohol, Tobacco and Firearms that its switcher proposal should be broadened to include other metric sizes for such things as imitation bottles or other alcoholic British "Perry," a sparkling fruit wine — which have long been turned out in odd sizes.

Reggan talks

SAN FRANCISCO (UPI) — California Gov. Ronald Reagan attracted businessmen and government Wednesday in an address to the 57th annual Lone Club convention.

Noting that volunteer action to solve problems is an American tradition, Reagan said that method was now being challenged by government bureaucracy.

He said that if he discovered today in doubt it would get approved, he said.

Hints

Comisole sport tops are a big summer item. New doll jewelry equal and beach ponchos sew one end of one towel to the side of the other to make an L shape. It's as easy as that.

Ballpoint machine needles are best for sewing knits. They push the yarn aside instead of piercing (and sometimes breaking) it. A water repellent finish makes a fabric resist wetting but does not waterproof it.

(C) Chicago Daily News

LONDON — British Methodists have abolished their long ban on drinking alcohol, despite a warning that among other things, alcohol contributes to the kind of bloody violence plaguing Northern Ireland.

CHURCHES

Adventist Church stresses health

TWIN FALLS — Methodist missionary work will come under discussion at the Twin Falls Seventh Day Adventist Church this Saturday. Adventists give a strong emphasis to health and the importance of providing healing for the body in their mission work while attempting to point people to Christ, explains Pastor Kenneth Rhoades. "In all our missions," the minister says, "we have established either clinics or hospitals — along with nutritional and spiritual outreach. We believe that we are following Christ's example in this care for the physical needs of the people." The pastor will take time prior to the church service Saturday to remind his parishioners of their involvement with the church's medical programs. "Our greatest need," he says, "is young people who have been trained in the medical professions who are willing to take overseas assignments."

New Bible Baptist Church

KENNETH RHOADES

Bible Baptists observe anniversary

TWIN FALLS — Members of the Bible Baptist Church will celebrate the fifth anniversary of their pastor's leadership of the church Sunday. Pastor Kenneth G. Rhoades came to Twin Falls in 1969 from Kansas City, Mo. During his five-year tenure he has been instrumental in the church's purchase of five acres of land at 315 Shoup Ave., and the construction of a new \$120,000 church which is now in use by the congregation.

to Twin Falls he delivered his first sermon before 19 church members. Since then the membership has grown to over 100. Sunday services will feature special services attracting 200. There have been 40 persons baptized into the church. Plans for the coming year include a number of special events including an annual picnic and Sunday evening the public is invited to attend services beginning at 7:30 p.m. featuring special music and a message from Pastor Rhoades.

Filer student selected

FILER — Ronald Wright, son of Mr. and Mrs. Clyde Wright Filer, has been selected one of four Monthly Nazarene College students to represent the college at the summer, European and Holy Land tour.

Mass rule changed by decree

VATICAN CITY (UPI) — Canon of Roman Catholic cathedrals will no longer have to say daily Mass for the souls of the dead because those grants have been whittled into nothingness by Pope Paul VI's decree.

Priest shortage in USSR

(C) New York Times Service ZAGORSK, U.S.S.R. — A shortage of clergy and a lifting of theological correspondence courses — in the Soviet Orthodox Church has led to a shortage of priests. In many, Zagorsk is the only priest in the Soviet Orthodox Church to which Russian parishes, foreign churches and thousands of tourists make the pilgrimage. He is the only priest in the country who has been trained in the Soviet Union. He is the only priest in the country who has been trained in the Soviet Union. He is the only priest in the country who has been trained in the Soviet Union.

Episcopal services dedicated

TWIN FALLS — An Episcopal church will dedicate its Sunday services to the commemoration of the National Birthday with the celebration of Holy Communion at both the 8 a.m. and 10 a.m. services.

Court crowd expected

WASHINGTON (UPI)—The Supreme Court is preparing for a swarming crowd Monday for arguments on President Nixon's rights in the Watergate cover-up trial.

The high-ceilinged room with its deep-red velvet draperies normally seats about 300 persons, but chairs will be placed in every corner space to cope with the avalanche of reporters attending the historic proceedings, which begin at 10 a.m. EDT.

Eight Justices are being asked to decide whether a grand jury had authority to name President Nixon an unindicted Watergate conspirator, and whether he must produce tapes and records of 43 conversations for use at the cover-up trial set for September.

Justice William H. Rehnquist has disqualified himself.

About 100 seats will be available to the general public on a first-come, first-served basis.

If the post is any guide, at some uncertainty he'll hear the news first in a line will form in front of the huge bronze doors facing the Capitol. The 100 lucky

ones will be let inside at 9 a.m.

The tight security will be in effect.

Another 27 seats are set aside for the public on a five-minute rotation. These people may get a feeling for the occasion, if not for the words delivered by special prosecutor Leon Jaworski and President Nixon's lawyer, James D. St. Clair.

Even if the event is kept to the scheduled two hours, about 650 persons will have had a chance to see history being made.

About 250 members of the Supreme Court bar are expected to sit in the space usually reserved for lawyers inside the railing at the front of the chamber, and 50 of them, whose names were drawn by lot, will be there.

A court spokesman said there will also be about 20 members of the House and Senate in attendance, along with the young lawyers who have clerked for the Justices.

Retired Justices Tom C. Clark and Stanley F. Reed are expected to be there, but not retired Chief Justice Fred Warren, who is in the hospital with a heart condition.

Live life to fullest

BRISTOL, England (UPI)—Sydney Hart, 75, and Eleanor Langford, 75, left today for a 4,000-mile European tour by motorized bicycle.

The couple will live in a tent on the long road to Istanbul and back.

"I live life to the full and I always have," said Hart. "I feel like a young man and this type of thing keeps you young."

India annexes Sikkim

NEW DELHI (UPI)—India has completed a virtual annexation of the tiny Himalayan mountain kingdom of Sikkim, with the monarch signing away his authority to an all-powerful official appointed by the New Delhi government.

Chogyal (King) Jigme Dorjee Wang, 52, signed Sikkim's first written constitution Thursday at his palace in the capital of Gangtok, the Indian Foreign Ministry announced in New Delhi.

The constitution reduces the once-powerful Chogyal to a figurehead and provides for an Indian chief executive officer who will be responsible to New Delhi and will wield most administrative powers.

Attorneys hear Jaworski

SAN ANTONIO, Tex. (UPI)—Special prosecutor Leon Jaworski Thursday called Watergate "a dark and tragic episode" and urged the legal profession to be on guard to prevent the resurgence of similar scandals.

He also indicated that he would like to be able to respond to criticism of how he has handled his job, but he could not comment on specifics of cases for fear of prejudicing court cases.

Addressing a group of young Texas attorneys, he quoted former White House aide Charles Colson as saying, "We cannot accept the principle that free men in government office can act in disregard of the rights of even one individual citizen."

"What he said at the time is more meaningful than any proportion," he added.

"Let us hope on this day we so proudly observe that there will never be another such calamitous burden to be placed on our affairs of government."

Jaworski said he had not had "a constructive interest" from the public in the Watergate issue, but noted "in failure in some of the communications as well as in the observations of columnists, to understand the nature of our problems."

"It is not the first ignominy our nation has had to bear, although its dimensions are of particularity."

Dairy sanitarians of the Oregon Department of Agriculture made a total of 4,245 inspections during 1973.

National death toll low

By United Press International

Less than 100 persons lost their lives on the nation's highways during the first 24 hours of this Fourth of July weekend, when traffic is usually at its heaviest, a United Press International spokesman said.

The coast-to-coast fatality count indicated the National Safety Council may have been right in issuing its low estimate of traffic deaths for the four-day holiday period.

The council, which has estimated between 350 and 500 persons will be killed in traffic mishaps between 6 p.m. local time Wednesday and midnight Sunday, credited slower driving motorists for the reduced estimate.

The record traffic death toll for a four-day Fourth of July period was 300 in 1962, when the council had estimated an all-time high of 300 to 350 fatalities.

The lifesaving trend in traffic accidents that appeared last winter at the onset of the energy crisis still seems to be with us, council president Vincent Tufano said. He estimated that fewer than 300 lives during the holiday period.

BARBS

By PHIL PASTORET

At 20, you'd stay dragons for your girl. At 40, you'd rather get an asbestos bikini so she wouldn't get toasted.

Nothing is impossible, but our office boy keeps trying to do it.

A faulty parachute is like bad coffee: good till the first drop.

Why look for trouble when the boss knows just where to find it?

The council also urged motorists to observe posted speed limits and use seat belts, suggesting the belts could prevent up to 125 projected fatalities.

A United Press International count at 3 a.m. EDT showed that 115 persons had died in auto accidents since the start of the holiday period.

Rollicking July 4th

Variety offered July 4

Application withdrawn

BOISE (UPI) — With annexations that annexed 25 acres by the city was a political move. Harry Daum has withdrawn his application from the Boise City Council for the development of a shopping center.

Daum said the annexation of 25 acres he had planned for the west Boise shopping center was "strictly a political move to try and stop the center."

But the developer said he still wants to build the center and is submitting another application for a site farther west in his proposed development along Franklin Road, west of Cole Road.

Caldwell accepts responsibility

CALDWELL, Idaho (UPI) — Caldwell city government has accepted responsibility for an escape of chlorine gas into the community swimming pool last month which affected five girls.

Mayer R. E. Pasley told the city council that human error was involved in the escape of the gas and that the facility was faulty.

The pool was closed for a week after the incident in June while equipment was installed to prevent a recurrence.

Pasley invited families of the five girls, who were treated overnight at Caldwell Memorial Hospital, to present claims against the city. The city council Tuesday referred the claims to the city insurance adjuster.

Plane used to patrol

MURPHY, Idaho (UPI) — Custer County Sheriff Tim Nettleton is using a light plane to patrol the rugged, open areas of his county and crack down on cattle rustling.

The sheriff told Idaho Statesman Reporter Bill Hargrove that improved roads and better vehicles have brought an increase in rustling activities in the county.

County rangers, patrolling about 63,000 head of cattle, until this year estimated their annual losses at \$50,000 to \$100,000. But last winter a survey showed that almost 800 cattle worth \$278,000 were lost.

Boise man faces charge

BOISE (UPI) — A Boise man was arrested on a charge of assault with intent to commit murder and armed robbery after a shooting incident that injured a Moscow man.

Ronald Derrling, 27, Moscow, was listed in satisfactory condition at St. Alphonsus hospital with a fractured wrist. He was injured in a shooting incident that police said developed from a disagreement at the home of Frank Goddard, 20, 1407 Euclid St.

Officers said Goddard fled from police after the shooting about 11:20 p.m. and eluded searchers until about 1:20 a.m. today. He was scheduled for arraignment later today.

Boise meet set

BOISE (UPI) — The Legislative Council will meet July 19 with vendors who do business with state agencies and have complaints about the Idaho purchasing laws.

Rep. Steve Antone, R-Rupert, chairman of the committee on purchasing laws, said vendors and those doing business with Idaho could testify at the meeting in the statehouse.

Boise man arrested

BOISE (UPI) — Boise police arrested one man on a charge of armed robbery after tracing a vehicle used in an armed robbery early today at a Boise convenience store.

Officers said the 7-11 store on Vista Avenue was robbed about 11:30 a.m.

After locating a vehicle that had been identified as one used by the robber, officers arrested Gerald Poust, 24, Boise.

Escapee caught

CALDWELL, Idaho (UPI) — A hulking convicted rapist who escaped from jail after overpowering a deputy sheriff, was recaptured about 12 hours later after a high-speed chase in which he ran a yellow block, ran two police cars off the road, and shot a car while on the loose.

Bernard Hawke, 24, a convicted rapist and robber serving three life prison terms, refused to tell arresting officers what he did with a .45-magnum revolver he stole when he escaped from Jefferson County jail Thursday.

He threatened to escape again, telling officers he had nothing to lose and the revolver would remain where he could find it and no one else could.

Candidate at Grangeville

GRANGEVILLE, Idaho (UPI) — A Democratic candidate for state superintendent of public instruction attacked "an artificial separationism" which he said separates academic and vocational courses.

Toy Lewy, Boise, said Thursday Idaho has for years maintained an artificial separationism between those courses which are vocational and those courses which are academic.

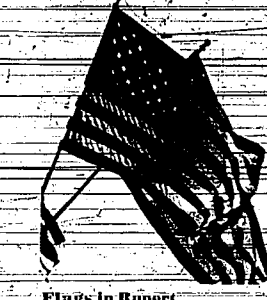

Campaigning at the Fourth of July celebration in Grangeville, Lewy said "This separationism has limited the opportunities of students. Career education as it is emerging in Idaho will eliminate this separationism which has existed for so long."

(Continued from p. 1)

Rupert had one of the biggest fourth of July celebrations in the area. The day began with a parade through town which included floats by churches, civic clubs and businesses, marching bands and riding stunts.

Following the parade, the Burley and Minco high school bands joined to play a concert in the Rupert Civic Square for the enjoyment of about 200 people who gathered in picnic and hear the music.

Paraded horse races were run in the afternoon at the county fairgrounds, and the third night of the rodeo was presented. Some of the nation's top cowboys, including Dean Oliver, four stars, Arthur Wray and Larry Wray, performed in this year's event. The Inland Empire, Caralyn continued in downtown Rupert.

Diane Bailey was chosen rodeo queen for 1974 from a field of eight local candidates.

Two days of parades, shootouts, a rodeo and a huge lamb and beef barbecue ended the Days of the Old West activities Thursday in Holey.

A Wednesday afternoon children's parade started the activities, followed by a Halley Heller's shootout and later by a rodeo.

The adult parade started at 7 p.m. on the Fourth of July, followed by the rodeo. Claudia Pence, Mackay, was chosen queen with Susan Simpson, Rupert, and Carol Swisher, Twin Falls, as attendants.

The barbecue ended the holiday's events Thursday night, as hundreds of people formed a 200-yard line to eat lamb, beef, potato salad and beans.

Fourth of July celebrations at Sun Valley were highlighted with an impressive fireworks display and an evening ice show.

Skaters from around the Pacific Northwest performed to popular music for a capacity crowd at the Sun Valley Ice Center.

Skaters will be performing every Saturday night through Aug. 24.

At Jarbridge, Nev., about 300 people ate big barbecue suppers of beef, lamb, buckaroo beans and corn on the cob. The barbecue people were warming up for the dance held in the city hall.

Jump site issue eyed

TWIN FALLS — Residents in the neighborhood of Evel Knievel's jump site are planning a meeting to consider problems the jump involves.

At the meeting, residents may discuss the possibility of requesting some protection from the governor, according to Bob Bankhead, one resident of the Skyline Drive and Falls Avenue neighborhood.

No date has been set for the meeting, Bankhead said, but some time in the next week is under consideration. "It's just in the talking stages," he said. "The idea is to just get together and discuss the problems that will be involved," he said.

Another neighbor said the concern of the neighbors is the congestion caused by cars in the area.

Bankhead said "We don't even have a concept of what is going to happen" when Knievel jumps.

Bankhead emphasized the meeting was not an organized incident, but simply an attempt to get neighborhood residents together to talk.

Union vote draws regret

HEYBURN — J. R. Simplot officials say they are "disappointed" by the rejection of their recent settlement offer by union members.

The offer was presented to the union negotiating committee last Friday in Boise and put to an American Embroidery of Carlin, Millers meeting last evening Sunday. The offer was overwhelmingly rejected by the local unions at both the Heyburn and Caldwell processing plants.

The company proposal included a clause calling for an "open shop," allowing employees the option of belonging to a union. The clause was unacceptable to the union.

Simplot public relations official William Maxwell said, "It is unfortunate that less than 40 per cent of the members of the bargaining unit participated in the vote."

Maxwell called recent negotiations "not productive" but said the company is still hoping for a settlement. He said, however, that the union has not moved from the basic economic demands which were made before the strike started May 1.

Maxwell said the company had been notified that a petition has been filed with the National Labor Relations Board by the American Processing Workers Union, Burley, Local No. 1, for a certification election at the Heyburn plant but no date has been set.

The new union was formed in February among CIO-affiliated members reportedly dissatisfied with the union. The new union had to wait for the end of the three-year contract before it could ask for an election.

The Heyburn plant will close for one month for summer maintenance about the end of next week, Maxwell said. The Caldwell plant will carry on production through the summer to finish its potato inventory. Maintenance was done during the month the plant was shut down by the strike. The Heyburn plant resumed limited operation May 6, less than a week after the strike was called.

TF boy injured in hunting mishap

TWIN FALLS — Jeff Bequard, 14, Twin Falls, suffered a flesh wound in the foot Wednesday in a hunting accident.

Sheriff Paul Corder said the boy and a friend, Jim Crumbliss, 13, were hunting along Snake River Canyon when the young boy accidentally discharged the gun into his foot. He was taken to the Twin Falls Clinic for treatment and was released.

Bequard's parents have recently moved to Boise and he has been living with the Rex Hansen family. Hansen took the boy to the hospital following the accident.

NFL players try to march on camp

SAN DIEGO (UPI)—Action in the National Football League player strike got much heavier Thursday as veterans attempted to march to the San Diego Chargers' rookie camp. The march failed, but a meeting was permitted later.

Three players' representatives had been given permission to go to the camp to discuss with franchise officials player demands. When the time came to go to the closed meeting about 10 veterans walked through the entrance to the Villages in Escondido University rookie camp site.

They walked about 100 yards before being stopped by security guards, who also carried police. The players spoke with Chargers' players Steve Slaton for several minutes and then disbanded at the urging of their executive director, Ed Garvey.

While the representatives met with the rookies, veteran Chargers' tight end Pat Williams said the "stopping illustrated what the strike was about."

At the same time, police and restraining officers on the site what they will be subjected to," he said.

He said the rookies were being prevented from the meeting with the veterans by use of previously unscheduled work sessions.

"Yesterday they showed them the Chargers highlights of 1973," he said. "You have a better chance to start with the Chargers if you don't mention the 1973 season."

After the closed meeting, the Chargers' management allowed the newcomers to walk into the stadium entrance to talk informally with veteran players.

The rookies and veterans broke into groups for conversation and eating; but there was no indication of concerted action or decisions being made. Afterwards, the rookies went to the drill field.

WFL team better than CFL Champ

MARION, Ala. (UPI)—The Birmingham Americans of the World Football League have yet to play a game, but Coach Jack Gatt says they already are better than the CFL champs.

The American League football team he coached last year, the Gotta, who piloted the Ottawa Rough Riders to the Grey Cup title in 1972, believes the Americans will be one of the better ones among the 12 teams in the new league and most players agree with that assessment.

The Americans will start pro veterans in all four backfield positions and at three offensive line positions when they open their 20-game schedule Wednesday night against the Oakland California Stars in Birmingham's 70,000-seat Legion Field.

While Birmingham will have one of the most experienced rosters in the league, the defense could present problems with eight rookies likely to start.

"We're a better team right now than the Oakland Stars," Gatt said. "I think the Americans training camp here. We have good personnel, this year we'll be better than the poorer NFL teams. Next year we'll be competitive with most of the NFL clubs. By 1976, we'll be competitive with anybody."

George Mira, a well-traveled 10-year veteran of the NFL and the CFL, quarters back the American League is backed by two rookies, Dennis Durrin of Louisiana Tech and Matthew Reed of Grambling.

Charlie Hancock, who played eight seasons in the NFL and four in the CFL, is a six-year veteran, and the leading running back. Dennis Hanning, a five-year pro, is the flanker.

Seventeen veteran center-block will start at center and Joe Odomini and Paul Costa, both eight-year players, will be at right guard and right tackle, respectively.

Linebackers will be a mix of what will be at tight end and will be three line positions will go to rookies—split end Alfred Jenkins of Morris Brown, Trent Williams of Wake Forest and left tackle Bob Wolfe of Nebraska.

Birdie drops

HELPING his birdie putt into the hole, Ed Sneed, Columbus Ohio continued his assault on the hole lead in the Greater Milwaukee Open (UPI).

Pearson edges Petty for win

DAYTONA BEACH, Fla. (UPI)—Roaring into the final laps of the Firecracker 400, David Pearson took his 100th completely off the throttle of his 'Aerary' allowing a starved Richard Petty, who was riding high on his fall, to slingshot past into the lead.

The maneuver apparently saved Petty's life. He's a N.C. racing millionaire. "It's just not like David to do a trick like that," said an angry Petty after the race.

"But the trick succeeded and Pearson rode Petty's bumper into the final turn, cut to the inside and passed Petty's slower Dodge just 1,000 yards from the finish line to finish in fourth place, followed by Ronnie Peterson, an international speedway Thursday.

"He usually drives a safer, safer race than that," Petty said. "I don't know what he would have run into him, that's how close it was. Even if he had blown an engine, he would have thrown up his hands and said, 'I know what was happening.'"

Pearson and Petty sparred verbally in the post-race news conference, Petty claiming that the trick endangered both drivers' lives and Pearson maintaining that he had no choice but to do to win.

"I let him go by," said Pearson. "I knew if he was running second I could draft him."

Pearson recalled how Petty tried to cut him off in the last 1,000 yards, forcing Pearson almost into the infield grass as the Sportsman 500 driver shot past Petty to win by three-quarters of a car length.

"I thought he was going in the pits," said Pearson. "If he had stayed in he would have won in a fight beside him."

Pearson picked up \$18,100 for his 27th superspeedway victory on the Grand National tour for NASCAR. His win broke the record of three victories at the July 4th race held by the late Glenn "Fireball" Roberts, who died 10 years ago.

Petty won \$10,324 for second place, the third straight year he has broken the runner-up at this race which has never won. But Petty has won four

Philadelphia stops New York to snap 8 game losing streak

NEW YORK (UPI)—Wayne Twitchell stranded eight Mets runners in pitching a five-hitter as the Philadelphia Phillies snapped an eight-game losing streak with a 6-2 victory after New York won the opener of a holiday doubleheader at Shea Stadium.

The Phillies jumped on starter Jay Sadecki, 4-3, for two runs in the first inning of the nightcap. Duff Cash opened his game with a single to left and scored on Larry Bowa's triple to right field. After a walk to Mike Schmidt, Bill Robinson fell deep to center to score Bowa. Sadecki got out of the inning without further damage despite the first of two doubles by Mike Anderson as he picked Schmidt off second.

The Mets scored once in the fourth as Glenn Davis extended his season's longest hitting streak to 11. Jones was forced by John Milner, who took second on a balk and scored when Ron Hodges hit a ground ball to second base.

Two wild pitches by Sadecki helped the Phillies add another run in the fifth. In the eighth inning, Bob Miller relieved Sadecki and gave up three runs on four hits.

Twitchell started the upturn with a single, Cash singled to left and Bowa's long single led the way. Sadecki struck out pitcher for two runs and Bowa scored when Robinson grounded out.

Jones, who had two hits and drove in four runs, also had a double in the fifth. The left fielder has had 19 hits in his last 45 at-bats, raising his average from .258 to .294.

Philadelphia stops New York to snap 8 game losing streak

During this streak, he has driven in 14 runs.

John Madlock struck out five batters in trying his best in the opener. He went all the way, speeing 10 hits, five of them in the first five innings.

John Milner homered for the Mets in a 13th of the season.

Houston beats Atlanta 4-3

ATLANTA (UPI)—Cesar Cedeno drove in all of Houston's runs with a three-run homer and a game-winning double Thursday as the Astros beat the Atlanta Braves, 4-3, in 10 innings.

Cedeno's 18th homer of the season came in the eighth inning to give the Astros a 3-2 lead, but the Braves tied the score in the bottom of the ninth when Ralph Garr led off with a double and scored two outs later from third when Darrell Evans beat out an infield hit.

Edgar Riso tied the game, getting the Astros in front again after Roger Metzger led off the 10th with a single, the Astro right fielder rifled the ball against the retired fence, scoring Metzger all the way from first.

Dodgers rally by Cincinnati

CINCINNATI (UPI)—The Los Angeles Dodgers rallied for two runs in the top of the ninth inning on doubles by Steve Garvey and Willie Crawford and a single by Bill Russell to beat the Cincinnati Reds 3-2 Thursday and give Mike Marshall his 11th victory against three losses.

Marshall, who took over for starter Andy Messersmith after seven innings, was making his 54th appearance of the season, and "Big" in the Dodgers' last 15 games. He was in trouble in the ninth, conceding a leadoff single by Dave Concepcion and a one-out walk to Phil Gagliano, but he struck out Pete Rose and Ken Griffey to end the game.

The loss, his fifth of the season against six victories, went to Pedro Borbon, who pitched the last two innings for the Reds.

The Dodger victory, their third in the four game series, boosted their lead to 9-3, games over Cincinnati in the National League West.

Cards drop 3-2 game to Chicago

ST. LOUIS (UPI)—Steve Stone did not relieve Oscar Gamble's 14-inning performance to seven hits Thursday and the Chicago Cubs got all their runs in the fourth inning to score a 3-2 victory over the Cardinals.

Stone, a loser to the Cards in his only two previous decisions against them in his National League career, scattered the hits in six separate innings. The only Cardinal earned run came in the third when losing pitcher John Curtis walked advanced on Blake McBride's single and scored on a ground out. Stone's season record now 3-2.

The Cardinals added an unearned run in the sixth when Jose Cruz reached base on an error by Joe Harris. After Tim Lincecum scored Cruz on a single by Ken Reitz, Zamora entered the game, and two men on base in the eighth and got Reitz in the first pitch. Infield fly rule ended the inning. Zamora registered his fourth save since joining the Cubs two weeks ago.

The first three Chicago batters in the fourth scored for all of the Cubs' runs. Jose Cardenal walked, Bill Madock singled, Andy Thornton doubled, Steve Weaver singled and Thornton scored on a forceout.

Curtis, facing the Cubs for the first time, lost his fourth game in the last five decisions and saw his record drop to 4-3.

Sneed continues lead after 36 at Milwaukee

MILWAUKEE, Wis. (UPI)—Ed Sneed continued his assault on par with a flock of birdies Thursday to increase his lead to three strokes after two rounds in the Greater Milwaukee Open.

Sneed, 29, fired a five-under-par 67 which, along with his first round 66, put him at 133 or 11 under par. Tommy Aaron shot his second successive 69 for a 136 total and cut Sam Smitko also had a 68 to put him at 141.

Bob Zander was alone at 139 while Lee Trevino, Dave Hill, Chuck Courtney and Curtis Sifford were bunched at 140 two under par in the 7,000-yard Puckaway Country Club course.

Sneed, who has won only one tournament in his six years on the pro tour—the Kaiser International last year—entered the second round with a two-stroke lead over Sifford and Aaron.

He wasted no time attacking par, scoring birdies four of his first five holes, beginning with a long 30-foot putt on the first green and sinking a 30-foot putt on the second.

In all, Sneed failed seven birdies and missed seven par putts but he did play as well as he did a day earlier.

Yesterday I was close to the hole nearly every time, but today I had to keep making crucial putts," he said. "This is the lowest score I ever had after the first two rounds of a tournament."

Sneed said a golfer has to "think about victory" when you're leading a tournament, but he's just trying to think about tomorrow. I've got the confidence to win.

Race officials called it a draw and awarded \$6,000 to Aaron, and \$5,000 to Baker, who is returning to NASCAR racing after a long hiatus.

Bobby Isaac of Catawba, N.C., topped a 10-hole place followed by Ronnie Peterson, a international speedway Thursday.

David Sisco, Nashville, Tenn., and Cecil Gordon, Harsco, N.C. All five drove Chevrolet. Dominic Allison of Daytona Beach, Bobby's younger brother, had to withdraw his Chevrolet from the race after 125 miles when his engine overheated.

Birdie drops

HELPING his birdie putt into the hole, Ed Sneed, Columbus Ohio continued his assault on the hole lead in the Greater Milwaukee Open (UPI).

Pearson edges Petty for win

DAYTONA BEACH, Fla. (UPI)—Roaring into the final laps of the Firecracker 400, David Pearson took his 100th completely off the throttle of his 'Aerary' allowing a starved Richard Petty, who was riding high on his fall, to slingshot past into the lead.

The maneuver apparently saved Petty's life. He's a N.C. racing millionaire. "It's just not like David to do a trick like that," said an angry Petty after the race.

"But the trick succeeded and Pearson rode Petty's bumper into the final turn, cut to the inside and passed Petty's slower Dodge just 1,000 yards from the finish line to finish in fourth place, followed by Ronnie Peterson, an international speedway Thursday.

"He usually drives a safer, safer race than that," Petty said. "I don't know what he would have run into him, that's how close it was. Even if he had blown an engine, he would have thrown up his hands and said, 'I know what was happening.'"

Pearson and Petty sparred verbally in the post-race news conference, Petty claiming that the trick endangered both drivers' lives and Pearson maintaining that he had no choice but to do to win.

"I let him go by," said Pearson. "I knew if he was running second I could draft him."

Pearson recalled how Petty tried to cut him off in the last 1,000 yards, forcing Pearson almost into the infield grass as the Sportsman 500 driver shot past Petty to win by three-quarters of a car length.

"I thought he was going in the pits," said Pearson. "If he had stayed in he would have won in a fight beside him."

Pearson picked up \$18,100 for his 27th superspeedway victory on the Grand National tour for NASCAR. His win broke the record of three victories at the July 4th race held by the late Glenn "Fireball" Roberts, who died 10 years ago.

Petty won \$10,324 for second place, the third straight year he has broken the runner-up at this race which has never won. But Petty has won four
