# IT'S CALLED JUNK MAIL FOR A REASON

First the wad of bothersome paper must be extracted from the mailbox. Then it gets unceremoniously dumped in the trashcan, often without even a second glance.

It's called junk mail and nobody ever reads it.

That's too bad. Because the same message in a newspaper could have fed the imagination. Stimulated a response. And prompted a purchase. Newspaper readers actually look forward to advertising, that's why they're willing to pay for it.

Your ad dollars can work harder and go farther. Call us at (208) 733-0931 and we'll make your message part of a medium that's actually welcome in people's homes.
