

Legislative Fight Delays Action on Liquor Control

Detweiler Charges House Member Putting on Pressure for Law's Repeal Seeks Job

(By The Associated Press) BOISE, Jan. 23.—A sharp exchange of words by two members of the legislature today interrupted untimorously consideration of an administration measure to abolish the Idaho liquor commission.

The stalemate came near the close of a prolonged debate in the place of the speaker until a house committee was named to investigate reports that have come to me that a member of this house is putting the pressure on a national liquor concern.

Representative Peck (D-Bannock) was immediately and declared. Mr. Spiker, the man he (Detweiler) is referring to is Mr. J. H. Peck, a representative of that concern in Idaho.

Mr. Peck, in an interview following the session, declared he has a position with a liquor concern but added it had gone to another person.

The unexpected development delayed consideration of a number of bills that were ready for final reading and a vote.

The representatives prior to the liquor bill (H. B. 100) were by a large majority and sent to the floor for consideration.

Among provisions which did not pass were bills which would be on tomorrow's house calendar include those abolishing the maximum number of licenses, related drivers from liability for damages.

Belief Senate Session The senate met only briefly today until it adjourned for consideration tomorrow of three legislative measures abolishing the office of the commissioner.

The upper branch did pass a bill, S. 218, by Senators Talbot (Continued on Page 2, Column 1)

Potato Improvement Exhibit Comes to Twin Falls Today

Typical of exhibits awaiting farmers and others interested in potato production in Twin Falls today are these displays photographed during yesterday's gathering at Jerome, Augmenting the displays, provided by the Union Pacific rail-

road and the Amacoda Sales company, is appearance of agricultural specialists through cooperation of the University of Idaho college of agriculture extension service. At left, J. W. Jarvis, agricultural agent of the railroad, is shown viewing

a model of a storage cellar; while in the center is a display illustrating many products which may be made from potatoes. The other picture shows the illuminated exhibit on soil fertility and fertilizers. Opening of the exhibit is set for 9 a. m.

today in Twin Falls, and speakers will appear, starting at 10 a. m. Luncheon will be served at noon, followed by additional speeches and viewing of the exhibits. (News Photos and Engravings.)

IDAHO ROAD FOR DEFENSE URGED

Outlet Sought for Development of Mineral Resources

WASHINGTON, Jan. 23 (AP)—The defense commission has before it a proposal that it construct a railroad or heavy-duty highway into central Idaho so that recently discovered vast bodies of apatite and other ores might be made available for the nation's rearmament program.

The proposal was presented Wednesday by Congressman White (D-Idaho) and Carl Brown of McCall, Idaho Democratic national committee chairman, to Ralph Bunton, defense commission transportation center, who said it would be given "careful consideration."

Congressman White said the federal bureau of mines recently acknowledged the presence of a vast body of antimony, an important defense metal, near Blaine, Valley county, Idaho, a small settlement in a primitive area that also is rich in other minerals.

"Sixty miles of railroad from McCall or Cascade or a heavy duty highway would furnish an answer for the transportation problem that is involved in getting the ore from Blaine to the smelter," White said.

He explained that the Bradley mining interests of 8th Francisco already have begun operation of an antimony mine at Stibnite, employing approximately 70 men.

But moving the ore over trails is impossible at times and very costly, he added.

White, a mining man himself, said antimony now is being imported in large amounts from Bolivia and China.

Dog Must Pay Inheritance Tax

PASADENA, Calif., Jan. 23 (AP)—Even a dog must pay inheritance tax.

But the question of how much, William F. Duggett, jr., state inheritance tax appraiser, told the Pasadena bar association, presented a problem in the case of Li Chung Chang.

This was a 4-year-old Chihuahua dog left \$10 a month for life by the late Judge Edgar J. Gray.

Duggett said he figured that the first year of a dog's life was equal to 10 years of a human life, and that each succeeding canine year was equal to eight of a human life. Therefore Li Chung Chang had an expectancy of five more years.

In that time the dog would receive \$600. His tax, Duggett said, was approximately \$30.

OIL OPERATOR TO DRILL IN IDAHO

Twin-Falls Location Mentioned in Plans for Test Wells

LOS ANGELES, Jan. 23 (AP)—Daniel W. Mellon, California oil operator, said today he expects to begin drilling oil and natural gas test wells on one of three locations in Idaho by June and on one or two others before the end of the year.

Mellon said he has properties near Payette, Caldwell, Emmett, Twin Falls and Fossil. During the past year, he said, he has had a petro-

leum engineer checking Idaho's possibilities as an oil and gas producer.

"After extended inspection, we are favorably impressed with the state's natural gas reserves, and find indications that oil may be produced," Mellon said.

The oilman forecast that the present trend to federal control of the oil industry in the interest of conserving petroleum resources will bring restrictions within two years or less on the exploration of improved oil.

Mellon said he mentioned the Sun Oil Company of California and banked the public financing in 1929 whereby the company was enabled to drill rich wells. He also organized, he said, the Columbia Leasing and Development Company in 1923 and the Empire Lease and Royalty Company in 1926.

Most of the capital for the Idaho enterprise, Mellon said, will come from California, although the petroleum state may contribute a part.

Mellon plans to return the end of this week to Idaho, from which he came here recently to buy machinery.

SAMPA LEGION POST HOST TO CONVENTION

NASDAQ Idaho, Jan. 23 (AP)—Sam- p's American Legion post will be host to a third (containing Idaho)

district convention in the Legion

chateau here Saturday, Jan. 25. It was announced tonight by Committee Chairman W. B. Anderson.

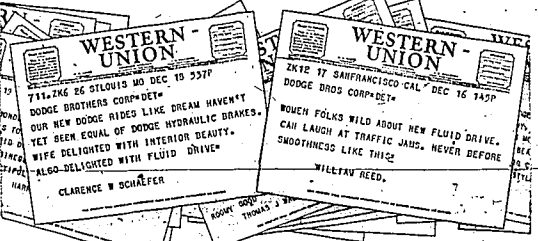

Harry Christy of Lewiston, department commander, will be principal speaker and Homer Hudson, man-

ager of the U. S. Veterans' administration hospital in Boise, will be toastmaster.

Dr. L. E. Jewell of Meridian, district commander, will preside over the business meeting.

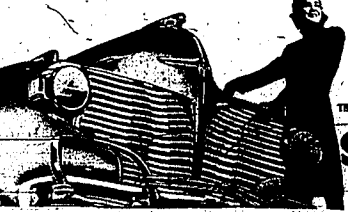

Hot Off the Wires Came the Answers

We asked 5,000 Dodge buyers to wire what they like most about their New 1941 Dodge. Below are some typical replies.

Read how owners hail Fluid Drive* and other features of 1941 Dodge

JUST listen to this telegram from Des Moines, Iowa... "New-Dodge so easy to handle it almost drives itself... wonderful good-looking inside and out... those deep, pillowy cushions simply grand for relaxing on long drives."

And how they went wild about Dodge Fluid Drive! "For example, this telegram from Los Angeles... "Everybody here delighted with Fluid Drive... most wonderful thing ever in traffic... reduces driving effort to almost nothing."

With Fluid Drive, you shift gears or not, just as you wish. And there is nothing new to learn. Get the whole exciting story in a demonstration at your Dodge dealer's.

FEDERAL STATE COMPACT: A bill that President Roosevelt vetoed last year will be introduced in the present session of congress.

Mr. Roosevelt's veto was based on the ground that the bill would curtail the power of the federal government.

The new bill is intended "to afford added protection to the states against federal control."

There is a parallel precedent for what the British are doing here in the fact that they have had both an ambassador and a minister in Spain.

Representative Woodrum suggests the creation of a joint committee of the senate and house to consider in detail the various ways in which non-defense items of expenditure can be reduced or eliminated at Washington.

Under emergency conditions, emergency methods should be employed where necessary or desirable. The Woodrum idea is entirely practicable even though it may involve a considerable amount of money.

Leaders of the industry have shown a willingness to cooperate with the government, to help eliminate bottlenecks, to aid in the manufacture of other defense equipment and to finance the necessary plant expansion.

The road to unity: When President Roosevelt recently declared that the administration has no intention of relaxing restrictions on the manufacture of munitions, the kind of unity that America needs under present conditions.

The medical profession has generally opposed any and all efforts to force collectivism on it. The president's renunciation thus will have the effect of quieting what had the earmarks of a rather serious professional rebellion.

Carried into the wider fields of business and industry, this principle of renunciation of governmental action would have a still more wholesome effect. What the country needs is a sustained period of confidence-breeding.

Other Points of View

EVER BEEN TO TOLUO?: Did you ever know anyone who's been to Toluo? Sounds like the name of a small East Indian colony, something that ought to be in the United States.

Our point is that the United States today, in its defense effort, is depending completely upon American sources for the great mass of production.

Methods of producing-toluo from coke were developed for peacetime use in the making of dyes and in the manufacture of other strategic materials.

Where's toluo? Industry has the answer. And the fact points again to an old truth—that in peace or in war, industry is performing a vital service.

PROFESSIONAL CRIMINALS: These and change, which, according to the copybook writer, are the criminal records and the intelligence files of 1,185 native-born prisoners released between 1924 and 1928.

There is something for parole authorities everywhere to ponder in the criminal records and the intelligence files of 1,185 native-born prisoners released between 1924 and 1928.

Senator Wagner's Riding Academy

National Whirligig

WASHINGTON By Ray Tucker. CHILDS: Citizenship has come to the United States, even though we have not it—except in a technical sense.

It is understood that Army Secretary Stimson will come along with the same pleasant injection within a few days. For a while his address concerned such activities as the more temperate men were called. Now it is disclosed that a \$10-year man attached to the national defense commission has been named.

It is difficult to object to—or refuse to abide by—these requests. There are questions about credit to be considered or budgeted in these times, despite the contention of some officials that it might be well to let Mr. Hitler know of his coming to him if and when. But the mere suggestion of the need for citizenship or inhumanity, which the blood of Washington correspondents who went through the hat war on the journalistic front.

ALARM: Although they won't admit it publicly, numerous New Deal high-ups now advocate a declaration of war on the German Reich by the president. The idea has been rejected temporarily, but it is still under consideration.

THE public benefit, according to proponents, would be the possible lead. It would, in their opinion, enable the government to take a stronger attitude toward capital and labor to impose production and transportation priorities, to put an end to the kind of labor problems which would enable Mr. Roosevelt to provide aid to the "democratic" without underlying the delay line in the Senate by the Capitol Hill.

EASY: Federal Works Administrator John Carmody recently got a letter from the president. The president served to lighten the dull, drab hours he brings in while planning the work of the nation's construction of sewers and canals.

DOWN: The two baby members of the cabinet apparently entertain no opinions of themselves. Some months ago the two men—Commerce Secretary Hoover and Postmaster General Frank Potter—met in the president's office. The usual thing happened. The two men—Hoover and Potter—met in the president's office. The usual thing happened. The two men—Hoover and Potter—met in the president's office. The usual thing happened.

TO BE CONTINUED: The morning after the other morning about how thoughtful Joe Donahue was to send a card back to the man who had written him in California.

WAGNER: Having wonderful time. Yesterday they received another card from Los Angeles. It read: "Having a wonderful time with you were there."

WAGNER: Having wonderful time. Yesterday they received another card from Los Angeles. It read: "Having a wonderful time with you were there."

Huge Project's Value as a Defense Measure Questioned

NEW YORK WHIRLIGIG. By S. Burson Heath. The drive to put across a program of huge scale in the development of the International Rapids section has now been gathered up in the hands of the government through three elections. Now, in the face of a national defense measure, it is being proposed to put across Roosevelt had his Panama canal. Franklin wants one on the St. Lawrence.

Both as to power and as to navigation there are wide divergences of opinion among the various party sections. The current which would be generated would be extremely low cost—far in the woods. Experts believe that by the time it reached centers of population and cities, it would be as much as electricity generated by the turbines. Experts reply that the community industries to whom power is crucial would be built up on the basis of the utilization of this power.

This would involve the construction of factories, of housing, of transportation and communication systems. It would require the transporting of thousands of tons of material. SLASH IN SUGAR PLANTING QUOTA

Agriculture Department Announces Apportionment for 1941

WASHINGTON, Jan. 23 (AP)—The agriculture department announced today an apportionment of the 1941 sugar beet planting allotment of 820,000 acres.

National allotment is about 16 per cent below the 975,000 acres planted last year and about 1 per cent below the average planting for the 1928-40 period.

Officials explained that the reduction was made necessary under provisions of sugar control legislation because "excess" stocks of beet sugar had accumulated.

The formula used in apportioning the national allotment was by officials to be substantially the same as that used in 1930, the only other year since sugar control legislation in which restrictive acreage allotments were applied.

The formula gave consideration to "past production" and "ability to produce." Past production for each district was measured in terms of its largest average planted acreage for any consecutive five-year period from three to 10 years and ending with 1930. Ability to produce was measured by the acreage planted in 1928, 1929 and 1930. The two factors were given equal weight in the formula.

Officials said a slight "reduction" from results of the application of the formula was made to prevent few districts with exceptionally consistent records of sugar beet plantings from obtaining reductions greater than the national average.

Districts consist of the best production territories of best sugar factories.

The district acreage allotment included:

- Idaho, John Adams, Canyon, Gen. Owyhee, Payette and Washington counties, 1,530.
- Oregon, Umatilla, Wheeler, Madras, Lincoln, and Twin Falls counties, 1,130.
- Canada, and Blinnock counties, 10,745.
- Wyoming, Fremont and Carbon counties, 6,882.
- Bingham and Power counties, 1,210.
- Montana, Hill, Cascade, Judith, Park, Petroleum, and Yellowstone counties, 5,831.
- Utah, Garfield and Kane counties, 3,275.
- Franklin county, 623.

Kiwanians Observe Anniversary Here

PAST PRESIDENTS received special recognition during yesterday's 25th anniversary observance of the Twin Falls Kiwanis club, and this photo shows former leaders of the service organization at the gathering. Appearing left to right are: (seated) Roy Washington, Ralph Smith, F. W. Merrill, E. J. Ostrander, first presidents; Frank L. Stephens, standing; J. W. Gilbert, J. P. Dewar, J. R. White, C. A. Robinson, charter members; Wilbur S. Hill, Alvin Casey, Dr. F. P. Meates, charter member and H. H. Hrdstrom (New Photo and Engraving).

CURB PROPOSED FOR LOAN SHARK

Idaho House Leader Seeks Problems to Be Met by Legislature

BOISE, Jan. 23 (AP)—Representative Arnold Williams, Madison county Democrat and majority leader in the Idaho house of representatives, said today he would recommend legislation to combat loan sharks and installment buyers.

Some such "loan sharks," he said, "collect as much as 240 per cent from their victims. The need of legislative control has long been recognized."

Williams said other problems to be met by the legislature include: "the installment for loans to the state; the return of the schools of the state; the need of legislative funds to match federal appropriations for highways; the need of dependent children; measures to place upon foreign corporations and others profiting from Idaho business their share of the tax burden by income taxes and inheritance taxes and gift taxes."

Buhl Faculty Member Named

Government Not in Market for Idaho Potatoes to Feed Livestock

BOISE, Jan. 23—Leonard Lett, graduate of Buhl high school with the class of 1930, has been named to complete the term of the late M. S. (Mack) Wheeler, who died at a recent Jerome-Buhl basketball game, as a member of the Buhl high school faculty.

He will teach physics and algebra, and probably will act as coach during the spring sports season.

Mr. Lett, who was outstanding in both football and basketball during his student days at Buhl high school, attended the College of Idaho, where he earned his bachelor's degree.

He was basketball coach at Emmett high school for two years, and was also assistant coach in football and basketball at that time.

Mr. Lett then returned to Idaho to coach his father's high school basketball at that time.

Mr. Lett then returned to Idaho to coach his father's high school basketball at that time.

RAIDERS CUT OFF PASSENGER LINES

Ship Service Between England and New York Cancelled

NEW YORK, Jan. 23 (AP)—AAB-Boeing planes, leaving far out to sea, today were being driven in a steady line toward the coast and several raider attacks have cut off British passenger ship service between England and New York, reliable marine circles said today.

This service was the last marine link for British travelers coming to the United States as other marine lines up along the Atlantic coast have been cut off by the Atlantic.

At the same time shippers said British passenger ships on the Pacific had been sharply curtailed following the loss of the liner Lusitania to a German submarine in the Atlantic in 1915.

The liner Lusitania was sunk on May 7, 1915, by a German submarine in the Atlantic.

Assessors Advise Tax on Cigars

BOISE, Jan. 23 (AP)—Concluding a four-day annual conference, Idaho assessors today advised recommendations for a tax on cigars to be levied on the state for the first time since the state's independence.

The assessors also recommended that the state should have a tax on cigars to be levied on the state for the first time since the state's independence.

Democratic Party To Raise \$75,000

WASHINGTON, Jan. 23 (AP)—Democratic party leaders had agreed today on details of a drive to raise \$750,000 through heated Jackson rallies in 1931.

The party has a deficit of more than \$100,000 and kept the organization going for another year.

In former years, the Washington dinner club at her home last Thursday afternoon. Plans were made for the club's birthday party to be held at the P. G. Stanford home near Carey Feb. 6.

Couple Honored—Mrs. Lauren Simpson, Mrs. Rex Dix and Mrs. Harold Harris were honored at a post-gradual shower at the W. O. Patterson home in Carey last Wednesday afternoon for Mr. and Mrs. Alton Patterson, who were recently married in Butte, Mont.

Guest of Honor—Mrs. Myrtle Baird, widow of the late of honor at the high school gymnasium last Tuesday evening and "date club" ladies were awarded to Billie Hoakes and Ascher Cooke. Boyd Baird received his own shoe badge. Jack Dunham, a Star Scout, received merit badges for cooking and pioneering. Roy Scott officers here are Wilford Patterson, Scoutmaster, Jack Severe, assistant Scoutmaster, Jack Dunham, Scoutmaster, and Jimmie Baird, scoutmaster. Patrol leaders are Earl Baird, David Davis and Dennis Farnworth.

Return Here—Mr. and Mrs. John Alton and daughter Margaret, who moved back to Carey from Rupert last Friday. Mr. Alton has been employed in Rupert for the past three months.

Birth Announced—Mr. and Mrs. John Harris are the parents of a daughter born Jan. 15 at the L.D.B. hospital in Idaho Falls. Mrs. Harris was formerly Dorothy McGlochin and is the daughter of Mr. and Mrs. Forrest McGlochin of Tulara.

Spud Diversion Plan Rejected

WASHINGTON, Jan. 23 (AP)—The shipping marketing administration rejected today a proposal that it purchase 12,000,000 to 15,000,000 bushels of western potatoes for use as livestock feed in an effort to stabilize prices.

Senator Clark (D-Idaho) said that an appeal would be taken tomorrow to the Secretary of Agriculture, Michael C. Gardiner.

A representative of the marketing administration said present plans called for purchase by the administration of approximately 60,000 bushels of potatoes in western states during February, March and April for distribution to the needy.

GRANGERS AT ALBION Install New Staff

ALBION, Jan. 23—Installation ceremonies were conducted last Tuesday evening at the Grange hall for the newly elected officers of the Albion Grange.

Donny Harris, retiring master, was installing officer with Mrs. Florence Mahoney as installing marshal.

Mrs. J. H. Chubb, retiring master, was installing officer with Mrs. J. H. Chubb.

The following officers were installed: master, Donny Harris; secretary, Mrs. J. V. Chubb; lecturer, Mrs. Carrie Mahoney; steward, Mrs. J. V. Chubb; assistant steward, Curtis Mahoney; lady assistant steward, Mrs. J. V. Chubb; chaplain, Mrs. J. V. Chubb; secretary, Walter Amende; treasurer, Lela Sears; gatekeeper, Roy Harris; Pomona, Rose Prior; Flora, Inez Jolley; and Cora, Louise Miller.

Gene Mahoney is the newly elected member of the executive committee. He was appointed reporter for The Idaho Granger.

F. E. Butler, vice-president of the state planning board, gave an interesting talk.

Bingham Opposes Potato Tax Hike

BLACKFOOT, Jan. 23 (AP)—Bingham county potato growers voted against an increase in the potato ad valorem tax at a meeting held last night by Frank Westfall of Aberdeen, chairman of the Bingham County Potato Growers' association, but agreed to favor retention of the present one-half cent assessment.

Approximately 100 growers attended the meeting.

P.T.A. Founder's Program Planned

GOODING, Jan. 23—Gooding Parent-Teacher association met Monday evening in the junior high school gymnasium.

Mrs. F. E. Barrett opened the discussion on "Aims and Ideals of P.T.A." with a short talk.

Plans were made for Populizer's day program to be held at the next regular meeting. It was announced that Mrs. Julia Harrison, family life consultant, will be in Gooding and hold classes Jan. 30 to Feb. 21.

Staff Installed by Clarendon Grange

BURLEY, Jan. 23—New officers of the Clarendon Grange were installed at a recent meeting of the Grange here. Roy LeBar, Mrs. LeBar and Walter Erickson of the West End Grange and Mr. and Mrs. Kenneth Strader conducted installation ceremonies, which were presided by a covered dish dinner. Refreshments were placed for 50 persons.

Russell Helwig was installed as master of the Grange for the coming year with other officers being overseer, John Goehner, lecturer, Mrs. H. E. Bligood, steward, Kate West, Felice, assistant steward, Roy Helwig, chaplain, Mrs. Mable Taylor, secretary-treasurer, P. O. Reddy, gatekeeper, Charles Gaskill, lady assistant steward, Irene Hansen, Cora, Mrs. Lewis Freymiller, Pomona, Mrs. Frank Pelant, Flora, Mrs. Bert Wolfe.

KIWANIS VIEWS YEAR'S RECORD

Record of Service Told During Anniversary Event Here

Twin Falls Kiwanis yesterday participated in a luncheon meeting and program marking the 26th anniversary of founding of Kiwanis International with the "birthdays" of the local organization.

Highlights of the program included honoring of charter members and vice presidents, presentation of a birthday cake from Dr. A. Kalkosky, public relations, governor's review of the year's achievements and musical selections.

Reynolds Directed
With H. H. Heidstrom, past lieutenant governor, as program chairman, the section opened with singing of "America" and "God Save the King" under direction of Mrs. C. Heidstrom.

Mr. Heidstrom presented a review of Kiwanis history, including the method of operation and objectives. Secretary V. N. Terry reviewed the accomplishments of the year, stressing particularly the club's activities in community service.

In aiding underprivileged children, the club conducted the milk project, which has become a permanent part of its program.

The project has two divisions— for children who can afford to pay for the milk and underprivileged children who are in the lower income bracket and receive the milk free.

During 1940, the Twin Falls club worked through the public schools distributed about 19,000 bottles of milk. In 1941, the club has distributed more than 10,000 bottles were paid for by youngsters who were able, while 8,600 bottles were paid for through the Kiwanis club.

Mr. Terry said, "The club has been fortunate in receiving additional funds for school welfare and for the needy. This need arises to provide clothing for extremely needy students in the schools. The club has for several years recognized the need for work clothes for underprivileged children."

Other efforts to aid youth include sponsorship of a Boy Scout troop and cooperation with the public schools in a safety education program.

In the field of citizenship activities and public affairs the club has also taken a leading role. It provides transportation for a number of elderly people to attend the Golden Wedding movie party given by Mayor Joe Koehler, arranged a candidate for queen in the Miss City parade and acted as a sponsor of the Boy Scouts annual camp.

Last summer the club sent an underprivileged lad to the Pacific Lakes camp under direction of the Salvation Army, cooperated with the Camp Fire Girls in their downtown sale, conducted the Kiwanis nook project and aided in vocational training at the high school.

Past presidents were introduced by Roy Washburn, charter member of Alvin Cheney and new members by R. J. Vallion.

At the close of the session was John Goldard, Uppland.

Shoshone Leads On Draft List

ROSE, Jan. 23 (AP)— Shoshone county will furnish the largest amount of draft-eligible men—of any of Idaho's 46 local boards—under the February quota of 770.

Col. Norman Adkins, executive officer, announced tentative distribution of the call begins today.

Thirty-five men each are to be sent from Twin Falls board No. 1, Boise city and Bonanza. Goals will supply 200; Gooding, Jerome and Minidoka, 15 each; Lincoln 10.

WOOLMEN PLEDGE AID FOR DEFENSE

National Association Convention Condemns Labor Relations Act

SPOKANE, Jan. 23 (AP)—The National Woolgrowers association, concluded its three-day annual convention today, rejected all offers and adopted resolutions condemning the Wagner labor relations law and pledging the sheep industry's cooperation in the country's preparedness program.

The executive committee selected Salt Lake City as the 1942 convention city.

Officers re-elected were: C. H. Wardlaw of Del Rio, Tex., president; F. A. Edgewood of Red Bluff, Calif., honorary president; Sylvan Pauly, Deer Lake, Mont., secretary; W. H. Wells, Washburn, Wis., treasurer; R. C. Rich of Idaho, Idaho, was elected as a second honorary president.

The auxiliary elected Mrs. Ralph T. Thompson and Mrs. Harold Conn, both of Heppner, president and secretary-treasurer, respectively.

The resolution pleading support for the defense program charged "obtain political industry, that expense of an important part of our agricultural industry, the resolution."

It added the sheep industry "is staving its full share of advances to the nation's defense program."

Other resolutions:

Divorce Suit Now Row Over Trailer

A divorce suit developed into a dispute over ownership of a trailer house when the case was brought to trial before Judge James W. Proctor in district court in Twin Falls yesterday.

Oliver E. Smallwood of Kimberly, suing for divorce from Virgil R. Smallwood, claims an interest in the trailer house which was defendant's property. Ivan Smallwood, alleged he bought last September for \$150.

The petition for divorce on grounds of cruelty is not acted by Virgil R. Smallwood, but his brother, J. H. Smallwood, testified yesterday that he had been Smallwood's common law wife since 1927.

The attorney is Earl E. Walker of Twin Falls. Ivan Smallwood being represented by Frank L. Steinhilber and J. H. Bonafant of Twin Falls.

Chicago's Mayor Likes Gift Spuds
A gift of 60 pounds of Idaho potatoes from Joe P. Marshall, Twin Falls potato grower and member of the Idaho sporting commission, to Edward J. Kelly, nationally known politician, brought more than an acknowledgment.

Expressing thanks for the spuds, weighing about two pounds each, the Chicago mayor said, "I have never seen or eaten such good ones."

Several other gifts were sent by Mr. Marshall, including a shipment to the Lions club of Bismarck, N. D.

Conference for L. D. S. Planned

Quarterly conference for the L. D. S. Presbytery will be held this week. All persons interested in welfare program, and church members will attend a meeting at 7:30 p. m. Saturday.

Sunday at 9 a. m. in the pre-liturgical session for Methodist and American Presbyterian members will meet and public sessions are planned for 10:30 a. m. and 2 p. m.

A number of the general committee of welfare work will be present Saturday evening and Sunday, and the conference will also be attended by one of the general authorities of the church.

Church members are requested to be present, and the public is invited.

SALT LAKE CITY, Jan. 23 (AP)—George Albert Smith and Sirinam A. Stevens will represent general authorities of the Latter-day Saints church at a quarterly state conference at Twin Falls, Idaho, Saturday and Sunday.

FORD BUILT CARS SCORE ECONOMY VICTORY

1941 GILMORE-GRAND CANYON RUN

3 FIRSTS AND SECOND
plus
FIRST AND SECOND IN SWEEPSTAKES

Example: All the big 80 h.p. Ford averaged 21.05 miles per gallon. And Ford's big 80 h.p. Ford averaged 21.05 miles per gallon. And Ford's big 80 h.p. Ford averaged 21.05 miles per gallon. And Ford's big 80 h.p. Ford averaged 21.05 miles per gallon.

Close second in 41 to a 6-cylinder car with over 100 h.p. in 40-and in 39, too. That's economy! Before you buy, get all three volume offers in 20 to 200 miles per gallon. Remember—see us get the facts on economy... and get the facts on highway, on ride, on trade-in... and you'll get a Ford.

Both cars BEATING ALL-TIME ECONOMY RECORD.

Winners of the previous sweepstakes award was the Lincoln Custom V-12 equipped with dual carburetors. Use to make complete sweepstakes winner—the Lincoln Zephyr V-12—selected after previous performance record. More than 1000 people tried to win this distinctive V-12 as distinguished as its performance. Please for a demonstration—today!

What if we've led their divisions in all recent Gilmore economy runs. And the V-type engine that powered all four cars is the world's record-holder on land, sea, and in the air for performance.

Here's what these records mean to you—in your everyday driving. They mean you can get better performance for less money than in any other comparable car.

Come to a Ford V-12 or a Gilmore Run leader. You'll find in the Ford Lincoln has the most car money, can buy. And you'll get a top appraisal on your present car, too.

Magic of Spring
ALLEN EPPES

YESTERDAY: Fred's Polly, which is the banking...
"Are you going to practice in your home town?" Polly asked Doctor McNeill.
"I haven't quite decided yet," Warren replied.

"I don't suppose Margo has had time yet to work to you about Peter," David's young cousin said.
"Did you see the man," Warren said, who mentioned it last night.
"Let's see," said David. Warren said he seemed to have taken quite a fancy to the boy.

"I don't suppose Margo has had time yet to work to you about Peter," David's young cousin said.
"Did you see the man," Warren said, who mentioned it last night.
"Let's see," said David. Warren said he seemed to have taken quite a fancy to the boy.

**PROGRAM SLATED
IN DAIRY EVENT**

Large Attendance for
Annual Meeting
Foreseen

Program plans for the 19th annual meeting of the Twin Falls County Dairymen's association are moving forward. O. F. Hooper, manager of the local plant, announced last night in previewing features of the event.

The meeting will be held at 10 a. m. in the Methodist church, Twin Falls, starting at 10 a. m. With C. C. Walker, Harrison, presiding, one of the principal speakers of the day will be Ivan H. Conduary, state extension dairymen, and other speakers will be announced at a later date.

The five-year term of Carl A. Hendler, both expires and that vacancy will be filled at the meeting. Annual reports upon expenditures for the year will also be presented.

Manager Hooper said that preliminary remarks indicate that attendance this year will be larger than ever before because of increased interest in cooperative marketing and in dairying. Attendance last year numbered about 600 people.

**Globe Trotter
To Speak Here**

Coming at a time when the eyes of the world are turned upon the men he will discuss the appearance of Cornelius Vanderbilt, Jr., globe-trotter and writer, will attract special interest during Monday evening's Twin Falls Town Hall gathering.

**Appeal Filed in
Beer Sale Case**

JEROME, Jan. 23 — O. E. Anderson and H. H. Cooke, Twin Falls, have filed notice of appeal from conviction for allegedly selling beer without a license. A six month recommended leniency when it comes to the verdict.

Hearing the case was Probate Judge William G. Constock. Judge Constock assessed the two men a fine of \$25 each and court costs.

IDAHO DEPARTMENT STORE

Attend the Potato Exhibit and Program — Legion Hall, Friday

"If It Isn't Right, Bring It Back"

Ladies — The Event You Have Been Waiting For
—STARTS FRIDAY—
IN THE READY-TO-WEAR DEPT.

The Big Semi-Annual Factory Special of Fine NELLY DON DRESSES

A Personal Visit and Factory Cooperation Makes These Big Savings Possible.

On the way to the eastern market Mrs. Turner, the manager of our Ladies' Ready-to-Wear Department, stopped in at the factory in Kansas City to obtain these wonderful values and when we say wonderful values we mean just that, because in our opinion they are even better than anything we have ever offered in our previous Nelly Don specials.

January 17 to 25
**IDAHO POTATO
