

Russia Pledges Turkey Aid in Fight

Strikers Call on Government to Take Over Plant

CIO Charges Harvill Aircraft Diecasters Break Off Negotiations for Settlement of Dispute

(By The Associated Press)
CIO strikers at the Harvill Aircraft Diecasting corporation asked the government yesterday to take over its Los Angeles plant while those at the Aluminum Company of America plant at Edgewater voted to end their 10-day walkout. The Aluminum company strikers accepted a recommendation by Sidney Hillman, OPM director, to return to work on vital supplies for the aircraft industry pending settlement of their overtime and wage dispute.

WALKOUT THREAT AT BOEING PLANT

One Worker Goes to Hospital, Three to Jail After Factional Fight

SEATTLE, March 22 (AP)—Strike threats were voiced by union officials at the Boeing aircraft plant here today after police broke up a fist fight that sent one Boeing aircraft company mechanic to a hospital and sent three temporarily to jail. All were members of the aeronautical mechanics union, which is bitter factional fight into flatulence as a crew came off shift at plant No. 1, where clipper planes are built—early today.

CAMPAIGN BRINGS OUT NEW CHARGES

Ex-Mayor Opponent Issues Counter-Statement to Koehler Circular

With Lem A. Chapin, candidate for Twin Falls mayor, issuing a counter-statement to charges made in the circular distributed throughout the city over the signature of Mayor Joe Koehler, a denial of other statements made by the dodger was last night issued by a deputy registrar.

SALESMAN LOSES \$50,000 IN JEWELS

Officers Search for Two Men and Missing Sample

BALT LAKE CITY, March 22 (AP)—Joseph P. Weistold, New York City jewelry salesman, today reported the loss of two sample cases containing diamonds, emeralds and platinum jewelry he valued at more than \$50,000.

FLASHES of LIFE

One More Chance

EVANSVILLE, Ind.—Snyder Car, Evansville, Indiana 49 years and former chief, under rules must return to Evansville to be eligible for the job. But he doesn't want to. "I'm a 70-year-old man," says he, "but I want a city that can..."

Family Affair

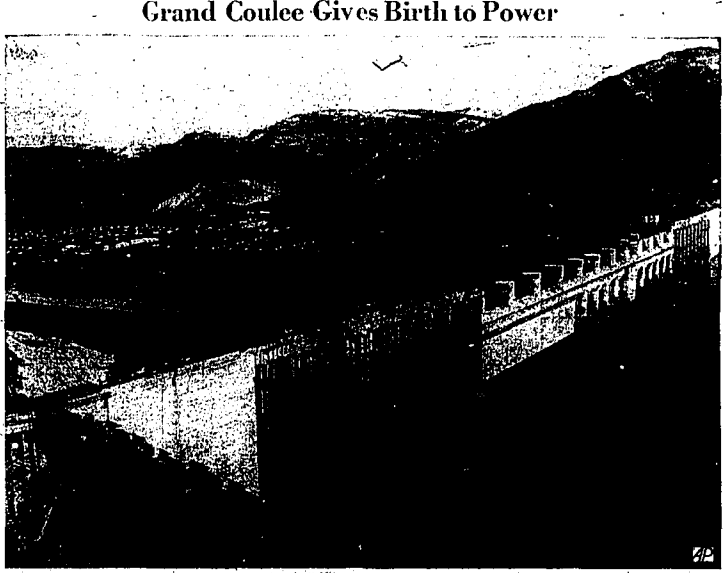

NEW BRITAIN, Conn.—When Miss Edythe Lenore Padden and Arthur H. Nelson marry, the officiating pastor will be the Rev. Carl J. Freedren, the bride's father, and the Rev. Edward E. Nelson, the bridegroom's father.

That's How

ARKANSAS CITY, Kas.—D. L. Taylor drove his automobile over an iron bar. The bar hit the bar at the gasoline tank and punctured it. The engine ignited, the gasoline, exploded.

Rolled Up

MCNOLLY GROVE, Kas.—Unable to understand the commotion over the line from a filling station, the telephone operator dialed Police Chief Chauncey Brown on the run.

DEMANDS FOR MORE ELECTRICAL POWER to answer federal program needs have stepped up the program at Grand Coulee dam (above) in Washington state that the dam started to furnish power yesterday, when two 10,000-kilowatt station power generators were cut into the Bonneville transmission line. Grand Coulee now is contributing kilowatt hours to Pacific Northwest needs and the new John C. Fager Commission of the U. S. Bureau of Reclamation, is going into two years ahead of schedule. Grand Coulee on the Columbia river in Washington state was started in 1933, is 550 feet high and 4,300 feet long. It contains 112,500,000 cubic yards of concrete, is believed the largest structure ever constructed by man.

Grand Coulee Begins Generation of Power

Simple Ceremony Marks Start of Operations at Huge Columbia River Plant

(By The Associated Press)
GRAND COULEE, Wash., March 22.—Grand Coulee dam, a gargantuan in concrete which has been seven years and 142,224,000 man-hours building, today began returning all that energy in the form of electric power.

BRITAIN TO GET U. S. FREIGHTERS

Maritime Officials Planning to Divert Ships from Intercoastal Service

WASHINGTON, March 22 (AP)—Maritime officials today announced they will divert 113 freighters in the intercoastal service to the defense of the United States.

Halifax Talks on Post-War World

NEW YORK, March 22 (AP)—Lord Halifax, British ambassador here, today spoke at a luncheon in honor of the British and the post-war world at a banquet of the Pilgrimage of the United States.

U. S. Sends Flour to France

WASHINGTON, March 22 (AP)—The United States announced today it would send \$1,000,000 worth of flour to the short-rationed people of unoccupied France as a gift, and the state department announced that the flour would be sent to the French government.

Film Star Does Army Uniform

LOS ANGELES, March 22 (AP)—Movie star James Stewart is in the army now. The winner of the 1940 film picture, academy award for best male acting dropped his film star attire and took on the look of a soldier.

The United States and Mexico for a common defense front against foreign aggression. Previously a joint defense pact was entered into by the United States and Canada, so that the defense of the continent from North America. Negotiations with Mexico are not yet concluded, but military, naval and air force experts of both countries are at work on cooperative plans, of which it is presumed that the United States will be the beneficiary.

It is from such bases in Mexico and elsewhere that the United States must be prepared to resist any attempt to close the Panama canal. Conferences with important South American countries are expected to follow soon, and they will take place after North American solidarity is assured. The Republic of Panama already has granted sites for air and anti-aircraft bases.

United States relations with Mexico were apparently improved by the visit of Henry Wallace, then vice president-elect, at the inauguration December 1 of President Cárdenas. There are issues in controversy between the two countries, notably those growing out of the expropriation of foreign oil properties, and the American demand for the return of the Panama canal. The principal claim already has been settled and the administration at Washington is hopeful of a long era of good feeling between the two republics.

Other Points of View

U-BOAT HUMOR. Reports that German submarines are in, or headed toward, waters near the Atlantic coast should cause surprise. The United States is not a belligerent and should not make some counter move against our all-out participation in the war. We cannot expect to enter the war until we have been attacked.

Humility Given, Sincerely Accepted. Andrew Mellon's gift to the nation, the National Artillery in Washington, D. C., has been commensurate the donor, even though it is a \$15,000,000 edifice. As President Roosevelt said in dedicating it: "We are not so naive as to attack the United States with a gun."

CCCAD DEFENSE. By providing a large reservoir of trained man power from the CCC, the Army is providing a reserve force, the civilian conservation corps is playing a major part in the national defense program. Since the formation of the CCC, over 20 million youths from families on relief rolls, 400,000 of these youngsters were undernourished, underclothed, and undereducated. They were physically improved, their morale, spurred their patriotism and given them technical training in useful trades.

THE CITIZEN WILL REMEMBER. As Governor Clark enters the last of the bills, the citizen will remember that the citizen's part played by the Republican minority in the legislature should not be overlooked by the citizenry of the state. Binding together firm and honest on the economy pledges that were plain in its campaign platform, the Republican minority in the legislature is the greatest force in the legislature in turning the budgetary situation aside from the orgy of spending indicated in the budget. It is the citizen who must remember in the session if there was necessary for the Republicans to make a choice. They could go along with the majority, or they could stand alone. It is the citizen who must remember that the Republican minority in the legislature is the greatest force in the legislature in turning the budgetary situation aside from the orgy of spending indicated in the budget.

Breakfast Food

At the club one night a doctor, an architect, and a politician were talking over the breakfast table. The politician was the most ancient. At length, each strove to clinch the honor for his profession with these words: Doctor—Ever was made from Adam's rib? That surely involved a surgical job. Politician—Before that order was brought out of chaos, that was an architect's job. Doctor—But how about that chaos? Didn't anyone make it? Politician—When war becomes ice, queried teacher, "What important change takes place?" Change in price, sir, promptly replied the young modernist.

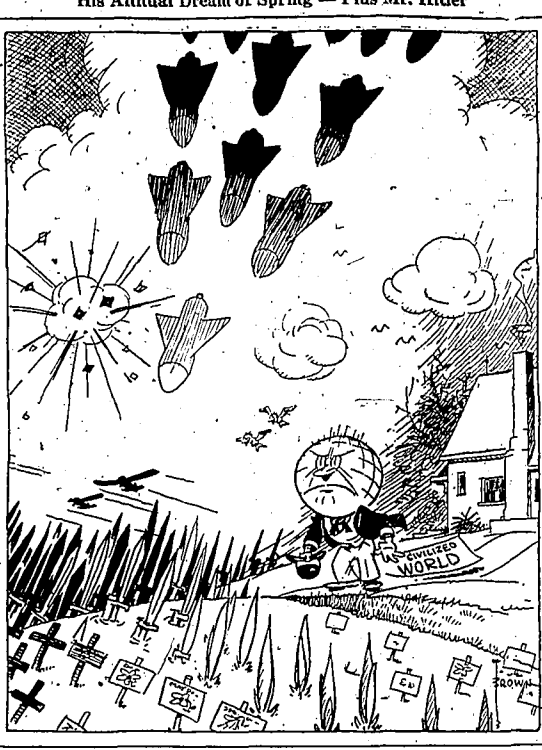

FOOD FOR ARMY

Centralization of authority is taking everything in its sweep, including the chow the boys in the military services will eat. A plan is being set up whereby the army will direct the buying on a national scale. Each buying office will be in charge of an officer assisted by a marketing specialist. A "field ration" system will replace the "garri-bon" system under which the army post got a definite sum of money for food which it could spend as it pleased. The new program will give all camps the same menu. These menus will be planned far in advance so the purchasing offices may plan their food supplies a long time ahead.

MORE "FIRST THINGS FIRST"

In line with President Roosevelt's admonition that in the event of emergency Americans must do "first things first," it is revealed that an understanding has been reached by

His Annual Dream of Spring — Plus Mr. Hitler

National Whirligig

WASHINGTON. That German warships are operating in the neutrality zone, had all the earmarks of a dress rehearsal for the American convoys, a supply ship, a British liner, the inside chronology story as the main character in the capital set on Saturday night, before the White House correspondents and officials in the affected areas were departing on the program.

SKIMP. American manufacturers are scratching their heads over seeming inconsistencies in the three embassied nations' handling of the industrial control over war materials—The United States, England and Canada.

SPILLED. The British warship that German warships are operating in the neutrality zone, had all the earmarks of a dress rehearsal for the American convoys, a supply ship, a British liner, the inside chronology story as the main character in the capital set on Saturday night, before the White House correspondents and officials in the affected areas were departing on the program.

WITH INTEREST

There's bound to be a lot of fun going out to a theater—referring, of course, to the club by that name.

PREPARE FOR THE SHOCK

As a special service for those who must travel strictly under the new plan of endeavor, Night Editor offers this handy business directory of existing conditions:

- Auto lubrication—dirty slick. Parachute testing—good to the last drop. Mattress making—soft. Police work—arresting. Mummies manufacture—booming. Plumbing—a pipe. Farming—plenty of fresh air. Baking business—some loafing. Mortuary operation—dead. Bakery business—some loafing. Clothing store—a wearing type of work. Insurance selling—plenty of prospects. Photography—developing. Book binding—voluntarism. Street cleaning—picking up. Salesmanship—depends on whether you get the breaks. Fly-tipping—must have the right connections.

ONE AT A TIME

Night Editor thought it was entitled to be a little bit of a trouble maker, but he was wrong.

POLITICIAN WINS

At the club one night a doctor, an architect, and a politician were talking over the breakfast table. The politician was the most ancient. At length, each strove to clinch the honor for his profession with these words: Doctor—Ever was made from Adam's rib? That surely involved a surgical job.

POPULAR FAVORITE

It struck Jimmie Rodgers odd at first, although he didn't have to admit it sounds entirely probable.

IDAHO PAYS FOR LACK OF INTEREST IN GOVERNMENT

By C. A. BOTTOLFSEN

Two years as chief executive of Idaho taught me many things about the people of this state. I have learned to learn before. I felt that I was generally well acquainted with the people of this state. I have learned to learn before. I felt that I was generally well acquainted with the people of this state.

Government is something in which few people interest themselves. Were it not for the fact that the government has to be run, the average citizen would have better government. The average taxpayer is a glutton for punishment.

I accepted my election in November 1938 as an endorsement of the things I advocated during the campaign. I specifically promised the people the bill of government.

Politics, money and propaganda do more to sway elections in this country than any other factor. Politicians are never idle. They are comparable to caecilians in their habits.

Unless in American industry manufacturing defense articles, unless in the United States, unless in the United States, unless in the United States, unless in the United States.

Prospects for the sale of hay held over the winter by Twin Falls county are being investigated by the county board.

MURDER CHARGED TO HITCHHIKER

Utah Coroner's Jury Finds Salesman's Death 'Felonious'

CELESTINE CITY, Utah, March 27 (AP)—Donald Lawson Condit was charged with first degree murder here today after a coroner's jury described the death of Harold Arthur Thorne as 'felonious.'

Thorne's body was found yesterday hidden under a brush pile just east of the Salt Lake City police officers headquarters.

Plains Back-Talk—Meantime, Dalton planned to back-track along the highway where Condit, a hitchhiker, was seen to travel from Los Angeles after leaving a job in Salt Lake City.

Enter Hospital—Admittance to the Twin Falls county general hospital yesterday included Mrs. Jack Fredrickson, Master Letoy Maguire, Mrs. H. J. Newman, Mrs. Forest Tom, Harry Peterson and Mrs. L. W. Kloppenburg of Twin Falls.

BREVITES

Parents of Son—Mr. and Mrs. L. W. Kloppenburg of Twin Falls are the parents of a son born late last night at the Twin Falls county general hospital maternity home.

Parents of Girl—Mr. and Mrs. Jack Fredrickson of Twin Falls are the parents of a daughter born early last night at the Twin Falls county general hospital maternity home.

At Farm Meeting—J. M. Dayley of Mountain, president of the Idaho State Farm Bureau federation, is in Pocatello to attend a meeting of the Idaho directors of the organization.

Named Instructor—Lieutenant Jerry Norman Crowley, Jr., son of Mr. and Mrs. P. N. Crowley, has received his appointment as an instructor at Randolph field, according to word received here.

Weekend Guest—Miss LaPere Moore, member of the faculty at the State School for the Deaf and Blind at Coalinga, is a weekend guest at the home of Mr. and Mrs. T. F. Warner. She will return to Coalinga tomorrow.

Receives Promotion—George B. Bennett has been promoted to the rank of first lieutenant at Camp Murray, according to word received here. Lieutenant Bennett is with the 11th ordnance company at Las Vegas.

Enter Hospital—Admittance to the Twin Falls county general hospital yesterday included Mrs. Jack Fredrickson, Master Letoy Maguire, Mrs. H. J. Newman, Mrs. Forest Tom, Harry Peterson and Mrs. L. W. Kloppenburg of Twin Falls.

Library Tells New Book List

New books added to the shelves at the Twin Falls public library were listed yesterday by officials of the library. The new books include: 'The Boy Who Lived Only Two Minutes After Being Shot' by A. G. Sabin; 'The Case of the Mysterious Death' by Condit; 'The Case of the Mysterious Death' by Condit; 'The Case of the Mysterious Death' by Condit.

Donald Rousby, service station attendant here, came to Dalton today with a story about a man who stopped for gasoline Thursday night and used his washroom. The man's story was that he was a hitchhiker and was being beaten by a man with a large rock.

Condit was caught at Salt Lake City when he ran a traffic light and smashed his car while trying to elude officers.

Unlike other South American nations, Argentina and Uruguay are supported solely by persons of European descent.

STABBING FATAL IN FAMILY ROW

Lovellon Husband Slays Mother-in-law, Gashes Wife and Babe

CHICAGO, March 27 (AP)—A love-lorn husband today slayed his mother-in-law and stabbed his pretty young wife and infant son, Police Chief Joseph P. Flinn of suburban Evanston said, during a quarrel over an obstetrician's divorce.

The chief reported that William Mortimer Evans, 25, confessed and attributed the slaying to his wife's plans to divorce.

Evans, who had been separated from his wife for two weeks, went to her home with his mother this morning. In his statement, he said he had been drinking.

His mother and her mother got into an argument and his mother called the police. I went after her and pulled the telephone from the wall.

Then I stabbed the baby again and again. I stabbed my wife several times and then I ran into the street and tried to take my own life.

German Forecasts Complete Victory

MUNICH, Germany, March 27 (AP)—Foreign Minister Joachim von Ribbentrop at a reception to Dr. Leopold De Heer, Hungarian foreign minister, last night repeated German assertions that the reich will win a complete victory this year.

Utah Cantaloupe Output Doubles

OGDEN, March 27 (AP)—The cantaloupe growing industry which long has flourished quietly on the sand-ridge areas of Riverside, Fairmont and Joy, will enter big-time competition in earnest this year.

Crucially Charged In Man's Petition

PRELIMINARY divorce proceedings were filed today in Salt Lake City by Fred R. Lee against Mrs. Lillian Lee, alleging she 'knew A. H. and scratched him' so that he refrained from marrying her.

Three Hundred Camp Fire Girls To Participate in Grand Council

Twin Falls Rotary club, setting a new precedent for service in Twin Falls, is sponsoring a grand council fire for the Twin Falls council of Camp Fire Girls, the event to be held at the high school gymnasium next Thursday evening at 7:30 o'clock. Approximately three hundred Camp Fire Girls from Buhl, Jerome, Kimberly, Filer, Shoshone, Fairfield and Twin Falls will take part in the ceremonies.

Education committee of the Rotary club, including C. R. Newell, Grant Thomas and Bert Sweet, headed by Roy W. Clark, is working with the Camp Fire Girls committee in assisting and cooperating wherever possible. The Rev. Mr. Clark is also a member of the Twin Falls council of Camp Fire Girls.

In General Chairmen Ralph Plink is chairman of the ushers and Edward Rogel is in general charge of arrangements. "Treasurer Trail of Camp Fire," the theme for the 1941 birthday project which has received commendation from several outstanding persons, will be the theme of the council fire ceremony.

The event next Thursday evening is the only Camp Fire event during which it is open to the public. A new feature will be the choral readings by groups of Camp Fire Girls, accompanying the lighting of the "Resonance Trail" which is in charge of the Jerome Camp Fire Girls.

"The Invocation, "Antiphonal Prayer," by Dr. Marshall Gould will be given.

Wendell O.E.S. Fetes Officials

WENDELL, March 22 — Star of the West chapter, O.E.S., held a meeting and business session last Wednesday evening, preceded by a dinner for husbands of members and guests from several neighboring chapters. Nearly 150 were served at the dinner.

Mrs. Eva Anderson was chairman in charge of the dinner and Mrs. Lillian Barton, worthy grand associate conductress of the Idaho grand chapter, Mrs. Helen Beem, worthy grand officer of the same group, Mrs. Marian Vincent, worthy matron of Filer chapter, Mrs. Eva Smith, worthy matron of Jerome chapter, and Louis Anderson, worthy president of the grand chapter.

Seventeen past matrons and five past patrons of Star of the West chapter were present and honored with corsages and lapel flowers. Guests were present from Gooding, Pocatello and Jerome, the latter chapter being represented by 35 members.

A special ceremonial was held for past matrons and patrons and Mrs. Don Schellert presented a program presented with a Bible by the Past Matron's club of Wendell.

Green and Gold Ball Arranged at Gooding. GOODING, March 22—Miss Lois Dixon was crowned queen of the Green and Gold ball held recently at the Legion hall. Her attendants were Miss Noyame Butler and Mrs. Frances Bishop. The ball was sponsored by the M. I. A. of the L.D.S. church.

A special ceremony was carried out in the decoration, with a throne of gold arranged before a garden back. The Green and Gold ball held recently at the Legion hall. Her attendants were Miss Noyame Butler and Mrs. Frances Bishop.

A group of dance numbers was presented by the Green and Gold ball held recently at the Legion hall. Her attendants were Miss Noyame Butler and Mrs. Frances Bishop.

State R.N.A. Convention Plans For April Near Completion

Plans for the state convention of Royal Neighbors of America, to be held in Twin Falls-April 15 and 16, are progressing rapidly. It was reported at the meeting of the Twin Falls R.N.A. last Friday evening at the Old Fellows hall.

Decorations plans were discussed by Mrs. W. J. Hollenbeck. The convention banquet, to be served by the local hotel, will be served on Monday morning, April 16, at 10 o'clock. Mrs. Edith Watkins, was a general convention chairman.

A program and box social arranged last week by the Supreme Foreword Woodman circle for members and their friends, was held at the Old Fellows hall with Mrs. Ida Bell Pendrey and Mrs. Alice Kieffer in charge of the program.

Mrs. Pendrey gave the opening ode and Preston Henman gave a thrilling solo, "The Doll Dance," followed by piano solos by Carrie McElfish, including "In The Forest," and "Nepolian Dance."

Home Dale Hays gave vocal solos, including "The Blind Flower" and "Beautiful Dreamer." Miss Don Von Allen gave a reading, "My Brother Will," and Mrs. Pendrey read "Peaceful Valley."

Mrs. Von Allen presented an acoustic number and Mrs. Charles Leichter played accordion selections. Miss Edith Watkins presented a vocal solo and Mrs. Mary Stewart, assisted by Mrs. Mable Young, Mrs. Leola Oshorn and Mrs. Ruth Witterlund.

These twelve birthdays in March were seated at a single table centered with a birthday cake. Honorees were Mrs. Mable Young, Mrs. Leola Oshorn, Mrs. Ruth Witterlund, Mrs. Mary Stewart, Mrs. Mable Young, Mrs. Leola Oshorn, Mrs. Ruth Witterlund, Mrs. Mary Stewart, Mrs. Mable Young, Mrs. Leola Oshorn, Mrs. Ruth Witterlund, Mrs. Mary Stewart.

A special guest at the meeting was Mrs. Mary Herriman of Caldwell formerly of Alaska. She was invited to her home with her son and daughter-in-law, Mr. and Mrs. Louis Herriman. She is visiting Mrs. C. E. Allen and Mrs. Leola Dees in Twin Falls for a few days.

Mrs. Anna of Glenns Ferry gave a reading. A one-act play, "Lovely Meeting," was followed by a trumpet solo by Howard Bruns of King Hill and a piano solo by Mrs. Bruns. Mrs. Arnold Stevens and Ruth Stevens gave a Negro dialogue and the Binging Mothers presented, "America, the Beautiful." Tosses were given by Bishop Emerson Pagnier, Bishop Porter and James Allen and closing prayer was given by Mrs. Elizabeth Gurly.

Group singing of "America" opened the program, followed by prayer by Bishop Porter of Glenns Ferry and a welcome to "Grandma and Grandpa" by the Binging Mothers. Mrs. Lizzie Ellen extended the address of welcome. Budd Griffith and John Macey, accompanied by Mrs. Macey, played a trumpet duet.

Mrs. Carlson, other honoree at the dinner party, is associated with the York Products company and left yesterday for St. Louis, where he will conduct one of a series of conventions. He came to Twin Falls from San Francisco.

Other guests were Mr. and Mrs. Lee Leichter, Mr. and Mrs. Michael Throckmorton and children of Twin Falls, Mr. and Mrs. Clarence Bonnell of Rupert and Mr. and Mrs. Marvin Carlson and family of Buhl.

helped her with her quilt, after which a social hour and refreshments were enjoyed by the group. A surprise feature of the afternoon was the handkerchief shower that had been arranged by Mrs. Burnett and members of the class for Mrs. Paul Cline, who is going to Tulsa, Okla., to make her home. Mr. Cline is now in Twin, and Mrs. Cline plans to join him there soon.

Banquet Arranged by Filer Relief Society

PHILIP, March 22—Eighty people assembled a banquet given by the Filer L.D.S. Relief society for their families last Monday evening and honoring the ninety-ninth birthday of Mrs. Lillian Barton.

The banquet was served at 7:30 o'clock, decorated with sweet pastries and beverages. Mrs. Glora Hansen was toastmaster. Address of welcome was given by Mrs. Tony Darlington, president of the society.

Mrs. Lillian Barton read a history of the society. Mrs. Aften Hunt, state president, revealed the organization as the oldest, largest and wealthiest group in the world.

The reception planned for the evening of April fifteenth will be open to the public. A communication from Mrs. Kate Knight of Gooding, state orator, will be read at the April convention, was read.

Reminiscer of the evening was given by Mrs. Mable Young, Mrs. Leola Oshorn and Mrs. Ruth Witterlund. These twelve birthdays in March were seated at a single table centered with a birthday cake. Honorees were Mrs. Mable Young, Mrs. Leola Oshorn, Mrs. Ruth Witterlund, Mrs. Mary Stewart, Mrs. Mable Young, Mrs. Leola Oshorn, Mrs. Ruth Witterlund, Mrs. Mary Stewart.

BURLEY AND SHOSHONE TAKE STATE TITLES

Bobcats Chalk Up 32 to 27 Victory; Lincoln County Five Trims American Falls, 38-26

Upsets Mark Three-Day Meet

BOISE, March 22 (AP)—Burley in class A and Shoshone in class B tonight claimed two 1941 state high school basketball championships for south central Idaho.

In the final games of the three-day state tournament at Boise high school gymnasium, Burley dumped the touted Pocatello Indians 32-27 in the class A division and Shoshone took the powerful American Falls Beavers into camp 27-26.

Victors for the two champion teams met in a third meeting featured with upsets.

Underdogs from the start, Burley won the first and second games and had to turn back Twin Falls high school 27-26 in the third in a special district play off to win the state.

Even then the Bobcats were merely the runners-up to their district champion, Pocatello.

(Oakley) dropped its opening tournament game to St. Maries, 27-26.

The new A division champions won their first tournament game in a 32-27 victory over Pocatello, 30-29, to gain the finals.

Pocatello, on the other hand, took Idaho Falls, 32-22, and St. Maries, 42-39.

In American Falls favored Shoshone, the new class B champion, was recognized as a good contender by other two-point margin upset, Lewiston, 30-28, and then taking 29-24, American Falls had some tough battles, but turned back Orofino 20-22 and eliminated a strong Mountain Home team 36-27.

Burley captured a major share of the upsets for the tournament. Both Boise and Lewiston were picked by many observers as likely stumbling blocks for the Cassia county aggregation.

Lewiston opening round defeat of Nampa, 29-22, was another mild surprise.

Well-Earned Victory Burley's big and fast Bobcats took a lead from their smaller Shoshone brother's book at the high school gym to go to the class A title in a well-earned victory over Pocatello.

In the long run it was a big second quarter that turned the trick for the Bobcats just as it had Shoshone. During that period the Bobcats dumped nine points through the hoop while Pocatello could only hit for six.

But the Bobcats, unlike Shoshone, didn't falter in the third quarter. They kept right on bumping. At the end of the third quarter they had built up a 22-13 lead and at the end of the third period it stood 28-20 for Burley.

Pocatello tried hard, and hard, throughout the third and fourth but a combination of Burley's aggressiveness was a little too much. The Bobcats seemed content to let the Indians come up just so they can hit the two Burley players of the evening, Joey Acaturri and Clardy Roberts would open up. Occasionally Harold Seels pitched in to join in the long run it was the formation.

Joey Jensen, Pocatello guard, gave everything he had in the front court and for a larger share of the time the boys couldn't work the ball through the Burley zone.

Bobcats Show Ahead After a first quarter which wound up 8 to 6 for Burley Jensen tied the score with a long jump shot. But Roberts hit a free throw and Jones connected with a hooker and Burley's scoring parade was on.

Idaho's Basketball Champions

BURLEY AND SHOSHONE today reign as champions of Idaho high school basketball as the result of sensational performance at the state tournament in Boise. Burley, runner-up to Oakley in the district tourney here, captured the class A crown by trimming Pocatello 32-27. Front row, left to right: Ralph Bradshaw, Kenneth Carter, Merrill Robinson, Fred Klink, Gordon Roberts, Mark Wood, Back row: Coach Robin Rudge, Hurst, Harold Seels, Joey Acaturri, Keith Jones, Jay Jensen, A. Klink, Bertley (manager).

THE SHOSHONE INDIANS topped American Falls, 38 to 26, to take the state class B championship. Front row, left to right: Barrett Jones, Arthur Cannon, John Belta, Robert McCain, William Washburn, Back row: Coach L. T. Delphin, Manager E. W. Thompson, Norman Winter, Jack Murphy, Joe Anderson, Coach L. T. Delphin.

in two points to give the Indians a lead.

From that time on Shoshone was ahead and dumped in 20 points.

Winter scored a free throw, then shot a field goal from the side. Cannon poured one through from the middle and the count stood at 15-0 for Shoshone. The Indians weren't ready to quit at that point however.

McCain faked Phoenix off balance and dumped in 20 points.

Murphy hit the basket's eye from the corner. Acaturri's jump in a rebound of Albrecht's shot to make it 21-0 and just before the halftime gun sounded McCain scored 15-0 for the Indians.

From then on Shoshone did not let American Falls get any closer than within 10 points. By the middle of the third quarter, when American Falls appeared to be rattled, the Redskins began to boom again and to match the heavier basket for basket.

Hollywood Wins AAU Hoop Title

the most valuable player award to freckling Albrecht.

The Phillips 66 Oilers of Bartlesville, Okla., defeated national champion, Oakland, Calif., Athens club five, 49-30, to win third place.

By LOUDON KELLY DENVER, March 22 (AP)—Glenn Frank Lubin powered his Hollywood Twentieth century team to the national, A. U., basketball championship tonight, overwhelming Angelo Clark's Los Angeles and San Francisco Olympic club team 47-34 after a packed crowd of 1,000.

It was the first championship for the six-foot-six-inch Lubin in eight national tournaments. He is the first player to compete with national champions of America and Europe. He coached Lithuania's team to the European crown two years ago.

The 250-pound former University of California at Los Angeles former, now a Los Angeles law student, flipped 20 points through the netting that was tight only in the first half and the first six minutes of the second period.

Lubin, one-time Stanford ace and darling of the tournament crowd here, was a salient figure in a losing cause, making 15 points, a large hole was cut in the slender Italian's tight shut-out—case a blistering shot, he limped painfully in the waning minutes.

Despite this handicap, Ange, as the motes call him, was sufficiently dangerous on the firing line to win the tournament scoring championship with 32 points. He was given

Greg Rice Breaks Two-Mile Record

South Bend Runner Better Own Accepted Mark for Distance

CHICAGO, March 22 (AP)—Little Greg Rice, the human dynamo from Notre Dame and one of the greatest race runners in the American track has ever seen tonight ran the fastest indoor two-mile race record in the fifth annual Chicago relay.

The South Bend mile was timed in eight minutes, 51.1 seconds, bettering his own accepted record for the distance as well as his previous low time for the event recorded just a few weeks ago in an eastern indoor meet.

He hit the finish about 20 yards ahead of Ed Trail, Des Moines, Ia., who was timed slightly at near record time. Joe McClellan of New York was third.

Rice's accepted mark for the two-mile, which he now has won in 19 straight starts, was eight minutes, 52.2 seconds, set last year. Recently he ran the distance in eight minutes, 52.4 seconds, and his spurring for recognition of that performance.

His 8:51.1 time was also better than the two mile outdoor record of 8:56, held by Niklos Szabo, of Hungary, who set the mark in 1937.

Twin Falls Manager Receives Contracts; Box Seats on Sale

With the start of the Cowboys' spring training season only two weeks away, Manager Andy Harrington today had added four players—two catchers and two outfielders—to his list of candidates for places on the 1941 squad.

Another reminder of the baseball season's approach was the announcement by Carl Anderson, business manager, that the Twin Falls club has already started to sell box seats at Jaycee park.

Fifty boxes equipped with from four to six comfortable seats will be held for the entire home season, the manager said. Although remodeling of the stands has not yet been started, fans desiring the season seats may now select the spot they prefer from the business manager's chart of the new layout. Adoption of the box plan here brought to life the number of Pioneer league parks with such facilities, Anderson said.

Three of four sign-ups for the four new Cowboy acquisitions, three signed contracts, while the other member of the quartet asked that he be given a tryout at camp before making a commitment.

The four were recommended by Ted Kerr, 26, San Diego-Catcher, six feet tall, weighs 170 pounds. In organized baseball two years, starting with Salem of W-I league where he hit .330. Obtained by Oden and optioned to Lenoire club of Tharred league. Recalled by Oden team and of 1940 season. Batting average .287.

Endorsed by Tobin, Mosoff Slaved contracts were received from two rookies and one veteran: Earl Kuper, 20, of Shanaway, Wash.—Catcher and outfielder. Six feet, one inch tall, weighs 185 pounds. Bats left, throws right. Played in Tacoma City league. Should go far in organized ball, according to Frank Tobin. Also recommended by Jim Mosoff.

Fred Hebert, 22, Tacoma—Outfielder. Six feet, three inches; weighs 160 pounds. Bats and throws right. Highly recommended by Mosoff, especially by his speed and fine throwing arm.

Tom Kerr, 26, San Diego-Catcher. Six feet tall, weighs 170 pounds. In organized baseball two years, starting with Salem of W-I league where he hit .330. Obtained by Oden and optioned to Lenoire club of Tharred league. Recalled by Oden team and of 1940 season. Batting average .287.

Wickman is classified as a rookie outfielder who will report at Oden camp on March 23. He has an honorable mention was given to the following:

Class A—Bob Williams, Lewiston; Jacob La Rue, Pocatello; Monroe Rogers, Oakley; Gordon Roberts, Burley; Harold Biter, Nampa; Walter Johnson and Wayne Rental, St. Maries.

Class B—John Belta and Bob McCain, both of Shoshone; Dennis Johns, Spirit Lake; Ray Kerfoot, Wilder; and Martin Aloia, Mountain Home.

State All-Star Teams Selected

BOISE, March 22 (AP)—Burley's championship Bobcats placed two men on the state all-star team, the high school basketball team selected by Leo Russell, sports editor of the Idaho Daily Statesman, and a group of coaches, at the conclusion of tonight's state tournament play.

In the class B division, American Falls, runner-up to Shoshone for the state championship, won two berths on the honorary five.

Russell and the men selected were designated as in pictures which it lends out on the same basis as books.

The first-class A five was listed as:

(1) Owens, Lewiston; Jay Jensen, Pocatello; Harold Seels and Joey Acaturri, both of Burley; Dick Street, Maries.

Class B all-stars named are: Norwood Twentieth century, Jack Phoenix and John Evans, both of American Falls; Charlie Billa, Oden; and Tom Mentelka, Mountain Home. Honorable mention was given to the following:

Class A—Bob Williams, Lewiston; Jacob La Rue, Pocatello; Monroe Rogers, Oakley; Gordon Roberts, Burley; Harold Biter, Nampa; Walter Johnson and Wayne Rental, St. Maries.

Class B—John Belta and Bob McCain, both of Shoshone; Dennis Johns, Spirit Lake; Ray Kerfoot, Wilder; and Martin Aloia, Mountain Home.

PFEIFER WINS SLALOM RACE AT SUN VALLEY

Engen Maintains Lead in National Four-Way Meet

Head of Ski School Streaks Down Zig-Zag Course Twice for Aggregate Time of 126 Seconds

By PHILIP HEARING
SUN VALLEY, Idaho, March 22 (AP)—Twisting through a quarter-mile lane of flags snuggled in Bald mountain's Christmas bowl, Friedl Pfeifer of Sun Valley, Idaho, snatched slalom race today and with it the fifth annual Harriman cup championship.

The Sun Valley ski school chief, an old hand at the sharp, darting turns through the bamboo poles, coursed the acute-runged path in a combined time of 126 seconds for the two runs, 61.4 on the first and 64.4 on the second.

Left far behind was last year's open and amateur Harriman cup title Dick Durran, the former Dartmouth college captain now teaching skiing at Salt Lake City. He finished 10th in the two-way competition and 18th in the slalom.

Pfeifer, runner-up last year, combined second place in yesterday's downhill race with his slalom victory for a weighted total in both events of 223 points, the smallest number winning.

Stefried Engel of Sun Valley, downhill winner last year, covered the twin runs in 130.6 seconds. The combined performance was good for 225 points and second place in the cup competition.

Engen Defends 4-Way Title
All that seems to matter in consideration of the fortunes of Alf Engen of Sun Valley, who has returned to his home course for the primary purpose of defending the national four-way combined championships he won at Seattle a year ago.

It does not actually, however, for with the four-event tournament now three-fourths over, Engen is comfortably in the lead.

His third place in the cross-country race, fifth in the downhill and a fourth in today's slalom comprise a better general performance over at this stage than that of any other rival.

Sunday the most decisive with the jumping, in which the Sun Valley rider is admittedly predominant.

Also scheduled tomorrow is the slalom event of the women's Harriman cup competition, postponed today because of snow conditions.

In the bid to retain his all-around championship, Engen faces at least a half-dozen potentially strong challengers.

Collects 281 Points
His own combined points total to date is 281. Then, in order, come Leon Goodman, Sun Valley, 258.5; Gordon Wirth, Salt Lake City, 254.5; Harry Melton, 305; Arthur Springs, Colo., 254; David Bradley, Madison, Wis., 248.5; Cliff Goodenough of Portland, Ore., the cross-country winner, 247.7; Kaare Engen, McColl, Idaho, 242.

Bert Irwin, Princeton, B. C., 241.8; Hjalmar Iversen, Portland, 240.2; Hugh Bauer, Seattle, 238; and Roger Bering, Jr., Salt Lake City, 235.2.

Goodman, Bradley, Wirth, Goodenough and Bering are expected to push Alf Engen in the jumping.

Third in two-event Harriman cup competition with 228 points was Olga Behrman, Princeton, Calif., technology student, who ran the slalom second to Pfeifer in a combined time of 128 seconds.

Engen was fourth in the Harriman cup at 241. Others among the leaders were: Fred Imler, Sun Valley, fourth, 238; Bill Robinson, Vancouver, B. C., and John Blatt, Stanford University, tied for ninth, 247; Don Amick, Seattle, 12th, 254; Don Goodman, McColl, 15th, 255; Wren, 14th, 252; Bering, 18th, 251.

Engen also was fourth in the slalom alone, his combined time 132.2 seconds. Blatt was fifth, 137.2; Wren ninth, 144.8; Robinson tenth, 146.4; Bauer 15th, 151.8; Amick 14th, 152.4; Leon Goodman 15th, 157.4; Iversen 16th, 160.

Bert Irwin, Princeton, B. C., 19th, 152.3; Kaare Engen, 22nd, 185.4; Rodegaard 24th, 192; Bill Wirth,

Look-in on Light Heavies

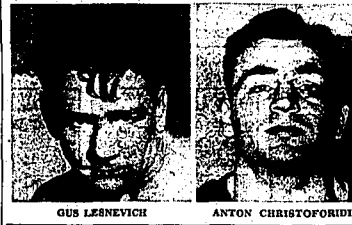

(By Feature Service)
When Billy Conn, outwired the light heavyweight ranks in an exhibition at least—the situation seemed ripe for one of boxing's typical interlocker scrambles of claims and counter-claims to his throne. But an elimination program worked out by N.B.A. and New York boxing officials promises to provide the solution. Conn is still official champion although he has been inactive in light heavy ranks since slugging for a Joe Louis fight in June. Meanwhile the elimination schedule is under way, with Jimmy Webb, hard-hitting St. Louis youngster, already in the "final round" by virtue of a knock-out over Tommy Tucker in New York recently. The winner of a fight May 2 between Gus Lenevich and Anton Christoforidis will meet Webb, and Conn is expected to hand his crown over to the victor of that final battle. Here are the principals.

BILLY CONN

ANTON CHRISTOFORIDIS

the course and the new club house that has been erected will make the Nampa layout one of the most up-to-date in the state.

Frank Kovacs To Volunteer

OAKLAND, Calif., March 22 (AP)—Tennis funman Frank Kovacs, who brought the national tennis trophy home a few days ago, says he intends to volunteer for a year's service in the army immediately after the U. S. outdoor championship this summer.

The statement brought wide grin at the Berkeley Tennis club, inasmuch as Kovacs has built up wide-spread reputation through his clowning antics.

Directors. Von Elm said, lauded the choice of Nampa for the tournament and pointed out that renovation of

Jimmy Johnston Converts Ordinary Fighters Into Rip-Snorting Terrors

DETROIT, March 22 (AP)—

Ever since the first walked down the fistic pile, Joe Louis' "peckish" rival has been a little man in a derby who would have trouble even getting up to the lightweight limit, and who can only talk a good fight.

Up to now, of course, Jimmy Johnston hasn't come out from under his iron lid to swap punches with the heavyweight champion. But the little man has done something to a couple of fellows to change them from just ordinary fighters into rip-snorting terrors when they spot Joe.

These two—Bob Factor and Lucie Abe Simon last night—have lasted a total of 24 rounds with the Bomber in three fights.

Last night Simon gave Joe enough headgear before being stopped in 13 rounds to call Promoter Mike Jacobs to make a rematch for May 18 in New York.

Surprise Everybody
So amazing was the showing of Simon, who didn't figure to go more than three rounds in anybody's book, that one was suggested Johnston's fighters be given a saliva test in the future after each trip out against Louis to determine the little man's treatment.

Abe had nothing except a big chest full of heart and a left hand that did La Consa on Joe's face most of the evening. Although forced four times for 12 full rounds he weathered the Bomber's choicest collection of blows and was only about two rounds away from being sent on points when Referee Sam Hennessey stopped the show.

Joe himself looked tired in the tenth round and probably felt the \$10,000 he received for the 10th defense of his championship wasn't worth what he had to go through for it. Abe's paycheck was for \$4,711.10—27 1/2 per cent of the net gate of \$47,300.

Circle to Joe's Fight
Johnston really believes he knows how to whip the Bomber. It's his

do it last night, it appears, were that he had a right hand which was strictly traveling under false pretenses, and that after successfully ending to Joe's right for 12 rounds, he ran out of gas in the 13th.

The only reason Simon couldn't

Welter Champion Books Two Fights

DETROIT, March 22 (AP)—Welterweight Champion Fritzie Zivic announced here today he has two fights scheduled and a third one is being planned for the next six weeks.

Bouts of which he is certain, Zivic said, are the non-title 10-round match with Dick Demary April 4 in Minneapolis and another 10-round fight May 8 in Los Angeles with Baby Arizmendi.

Promoter Tom Gallery of Los Angeles said the Arizmendi fight would be for the title.

Temporarily scheduled, Zivic said, is a non-title 10-round bout with Mike Kaplan April 18 at Boston.

T.C.U. Appoints New Hoop Coach

PORT WORTH, Tex., March 22 (AP)—Herbert R. "Hut" McQuillen, Texas A. & M. basketball coach and scout for Aggie football teams, today became T.C.U. basketball coach at Christian university, succeeding Mike Bumblebee, who will devote his entire time to the Pros' football line.

McQuillen came as a surprise since it was generally believed the choice lay between Texas Wesleyan college skipper Gus Miller and Forest C. Twogood, resigned Idaho coach.

State Golf Meet Slated at Nampa

Eddie Harper, Jr., to Defend Title; Jerome Man Heads Association

BOISE, March 22 (AP)—Eddie Harper, Jr., of Portland, Ore., will defend his fourth defense of his state amateur golf title over the Nampa golf course in Nampa June 29 in a three-day tournament. Fred Von Elm, secretary of the Idaho State Golf association, said today.

Von Elm said state directors decided this year to throw the field open to out-of-state amateurs. The move was made in an effort to put the tournament on a larger scale and gain more income.

He also said Tom Gamble, Jerome, was named to replace Gus Morris of Boise as president of the state association. Morris moved to Minneapolis recently.

Harper, contender for the title for the past several years, retained the Idaho Daily Statesman cup last year but another trophy will be offered to holders this year by the Statesman. The amateur meet is expected to include several former state champions including Bill Raynone, Caldwell, tournament winner in 1939.

Others, after playing qualifying rounds, will be better in final and first round losers will go into consolation brackets. Events announced earlier meet will participate in at least two days of the three-day meet.

Directors. Von Elm said, lauded the choice of Nampa for the tournament and pointed out that renovation of

24th, 184.2; Bert Mortenson, Seattle, 31th, 221.4.

Bill Redlin, crack youngster after the University of Washington, who fell on the downhill yesterday, also failed to finish the slalom.

DWORSHAK ASKS WAR OBJECTIVES

Idaho Congressman Points to Question in Minds of People

WASHINGTON, March 22 (AP)—There is little to indicate what objectives this country may have in mind following a military victory, in the opinion of Rep. Dworshak (R-Idaho).
The president has called on Americans for an all-out effort until a total victory has been won against the Axis powers, said Dworshak, himself a machine-gun operator on the western front during the World war, in remarks in the Congressional Record.
"This national program will involve sacrifices on the part of every person," he stated, "to preserve liberties and fundamental rights to which he pledged every national chief executive."
There is little doubt that the chief executive, under the provisions of the lend-lease bill, will receive wholehearted support, although there is little to indicate what objectives may be in mind following a military victory," Dworshak continued.
"And what about Britain fighting for? Both the president and Prime Minister Churchill have declared the object is to crush Hitlerism. But that still doesn't answer the question in the minds of Americans."

'Aviary Murder' Mystery Solved

SAN FRANCISCO, March 22 (AP)—A rat with the blood lust paid with his life today and the "aviary murder" mystery was solved.
Birds in the tightly enclosed "aviary" at the zoo, which contained many birds, parrots and pigeons—had been disappearing. Several birds were missing. The zookeepers were puzzled as to how a thief could enter the cage.
Today near the base of the aviary fountain, a keeper saw a hole in the ground. He turned a water hose and a big rat leaped out.
Spading of the runway and nest, after the rat had been killed, disclosed feathers and bones of many birds.
The fountain is turned off at night, and keepers deduced that the rat used the overflow pipe to enter the aviary.

Shipping Reported Trapped in Canal

NEW YORK, March 22 (AP)—The Red Sea blockade remains in effect, report that a German aerial observer had found "about 60,000 tons of clothing immobilized in the Suez canal between Port Said and Suez."
The Germans for some weeks now have claimed that Suez canal traffic had been paralyzed by ships sunk in the channel. The "Horn" broadcast claimed the German observer as saying that two wrecks were in the canal.
The broadcast was picked up by CBS.

GOODING

Club Elects—Gooding dance club met Tuesday evening at the Legion hall and elected officers for the coming year. Mrs. Clarence King, president, and Mrs. Martin Wiswell, secretary. Chairman of this dance was Mrs. Clarence King, assisted by Mesdames E. E. Ormstedt, John Vain, George Harris, Lawrence Van Riper, R. L. Law and Marie Williams. Another dance will be held in April.
E. F. W. Dinner—E. F. W. met Monday evening at the home of Mrs. Laura Lucke for a potluck dinner. Dorothy Bylander was assistant hostess.
W. C. T. U. Meet—Members of the W. C. T. U. met Thursday afternoon at the home of Mrs. A. E. Thompson, with Mrs. Victoria Roberts in charge of devotional. Mrs. W. C. Webb, Mrs. J. W. Proctor and Mrs. Hilda Johnson have papers and short talks.
A. E. N. A. Meet—Mrs. Kale Knight, state orator; Mrs. Ingeborg Hutchinson, orator of the Gooding camp and past orator of the district; Mrs. Dulcia Blakely, Mrs. Mary Solomon, Mrs. Laura Hawkins and Mrs. Flossie Elmore, represented the Gooding camp of the Oregon Neighbors at the joint meeting of two southern Idaho districts held in Buhl recently.
W. B. C. B. Meet—General meeting of W. B. C. B. of the district church was held in the church parlors Wednesday afternoon. Mrs. W. C. Carson presided at the business session. Hostesses were Mrs. W. A. Handogger, Mrs. W. W. Carson and Mrs. Alice Gooding.

Rupert Declam Entrants Named

RUPERT, March 22—Ten students were chosen last Monday and Tuesday evenings at the high school auditorium to represent the district high school in the declamatory contest to be held in Pocatello.
Those chosen were: Jean Schoenhaus, humorous; "The Wedding"; Bonnie Burnside, essay; "Mary White"; Beth Schuchman, dramatic; "Anna Christie"; James Brockie, original oratory; "Our American Century"; Frank Brody, memorized oratory; "The Alibi"; Myra Ann Sawyer, poetry; "My Last Duchess"; Beate Frenck, extemporaneous oration.
A one-act drama, "The Other One," will be presented by Robert Batch, Wayne Pass, and Charles Orason.
Winners at the district contest at Pocatello will enter the state contest at Pocatello, will accompany the group.

Buhl Rotary Club at Hagerman Meet

BUHL, March 22—Buhl Rotarians went to Hagerman Wednesday evening for their annual business meeting. The business men of the neighborhood, seventy-four Rotarians and guests, were present. The program was prepared by the women of Hagerman. Albert Orsig of Hagerman, introduced the speaker, the Hon. L. Thompson, president of the Buhl Rotary, presided at the dinner.
The program was in charge of the Hagerman women, and each number introduced by the Rev. Dallas McNeil of Wendell. A comic act, "Who Gets the Car," was given by a number of young people of the Methodist church.
Following dinner, the annual "cake walk" was observed, and a substantial fund realized on the cakes for the improvement of the Hagerman Methodist church.

Ceremony at Home of Bride's Parents at Hagerman Unites Pair

HAGERMAN, March 22—Miss Doris Brown, daughter of Mr. and Mrs. O. G. Brown, became the bride of Russell Boyer, a lovely ceremony performed at the home of her parents last Monday evening at 7 o'clock with Bishop Emerson Patmore officiating.
For her wedding, the bride wore a floor-length white chiffon dress with a corsage of pale blue flowers. Her bridesmaids were Miss Velma Brown, who wore a floor-length dress of old rose taffeta. Her bridesmaids were her brother, Donald Boyer. He is the son of Mr. and Mrs. Emerson Boyer.
Early friends and relatives attended the ceremony.
Mrs. Boyer is a member of the junior class at Hagerman high school and plans to complete the school year. Mr. Boyer received his schooling in Hagerman.
The couple will reside at the Howard Clifford ranch.
Light tanks being manufactured for the United States army have about 17,000 separate parts.

YAKIMA FIGHTS SPUD RATE CUT

Idaho Governor Urges Need for Granted Reduction to Market Crop

BOISE, March 22 (AP)—Protests from Yakima, Wash., potato growers "and other interests" against a reduction in freight rates on shipments of Idaho potatoes to Pacific coast markets were termed "unfair" by Governor Clark today.
In a telegram to Chairman Joseph B. Eastman of the Interstate Commerce commission, the Idaho chief executive pointed out that his state has a "tremendous surplus" of potatoes.
"Without a major industry in this state, the reductions which will become effective March 20 would dispose of some of this huge surplus."
The governor added it was "our understanding that interests in Yakima, Wash., have urged the commission requesting suspension of proposed reductions in freight rates, due to the fact that they have the same recourse Idaho has, namely of requesting detailed orders, decreases, why do they not request their carriers have similar reductions? I plead with you not to permit the suspension of the proposed reductions."
The Union Pacific railroad has published reduced rates, effective March 20 on Idaho potatoes of from six to 10 cents per hundredweight for shipments to Los Angeles and other California cities served by the carrier, and to Portland, Tacoma, Seattle and other points.
"The reduction was requested by the governor, a special committee of the Idaho house of representatives and the Idaho public utilities commission, who met with rail officials here in mid-February."

Idaho Woman Held On Slaying Charge

SANDPOINT, Idaho, March 22 (AP)—Jean Mann, 45, charged with manslaughter in connection with the fatal shooting of her estranged husband, Ted Mann, is being held for district court trial today after a preliminary hearing before Justice A. K. Bowden.
Prosecutor Glenn Handelin filed a charge of first degree murder after the shooting, in which Mann was killed as he entered a store in Sandpoint.
Probate Judge Francis J. Long dismissed the charge on grounds of insufficient evidence and Handelin filed the manslaughter complaint. Justice Bowden ruled there was sufficient evidence to warrant the district court trial.

Idaho Gets New Type of Vaccine

BOISE, March 22 (AP)—A new type of Rocky Mountain spotted fever vaccine made from chick embryo is expected to be received at the state bacteriology laboratory within the next few days. L. O. Peterson, state bacteriologist, said today.
Until recently the vaccine was made from serum taken from ground-squirrel-infected ticks.
Under the chick embryo method, the spotted fever virus is spread on the membrane of half-hatched eggs, incubated a few days for further growth, removed and made into a serum.
The vaccine will be made available to the public through physicians.
It is being made at the United States department of health laboratory in Hamilton, Mont.

4-H Club Council Organized at Eden

JEROME, March 22—A reorganization meeting of the 4-H club council of Eden, Idaho, was held Thursday evening at the Eden Grange hall.
Roy C. Galloway was elected president, and Mrs. John Schlaw of Eden was elected vice-president. Other officers named were E. W. Bieman, Hazelton, secretary, and Mrs. Berne Head, and Edith Ringold, members of the executive committee.
Also in attendance were Mr. and Mrs. G. E. Dicker, Claude Dicker, Dixon area; Mrs. E. C. Montgomery, who was in charge of the meeting; county extension agent, Eugene W. Whitman; Mrs. Claude Brook, Keith Blum, Hazelton; Mrs. Carl Knifous and Shirley Kallgren, Eden; Miss Eleanor Schwab, Eden.

PAUL

Leave for Coast—Mr. and Mrs. Ted Meyer left Tuesday for California, where they expect to make their home.
To San Francisco—Mr. and Mrs. Bud Bruce, left Monday for San Francisco to make their home. They joined Mrs. Bruce's husband in San Francisco, where he had gone last Saturday with a carload of fat lambs.
Return—Mr. and Mrs. C. U. Sanford returned Saturday from California, where they had been visiting the past few months, called there by the serious illness of the infant baby of their son, Ray Sanford, who they report is well again. They also visited at the home of another son, Wilma Sanford and family, Oakland, Calif.
Hedge Club—Contract bridge club met Thursday afternoon at the home of Mrs. Tex Galante.
Honorary—Mrs. Ray Clark entertained the eighth grade of the Paul school Wednesday evening at the home, honoring her son, Lawrence, at a birthday party, with eleven class members present.
Conclude Visit—Miss Winnifred Coon and her brother, LaVerne, returned Friday after visiting relatives and friends in Northwaka and spending some time in Spanish Fork, Utah, with their parents, Mr. and Mrs. Everett Coon.

IDAHOAN PREDICTS AGE PENSION LAW

Congressman White Expects Early Action on Unified Payments

WASHINGTON, March 22 (AP)—Representative White (D-Idaho) believes that congress will enact legislation during the present session to provide a "unified federal old-age pension" for all citizens who have reached a specified age.
He said the age may be fixed at 60 years.
White made his prediction after meeting of the house steering committee in charge of the Townsend old age pension bill, on which hearings will be held soon by the ways and means committee.
The main question now before the steering committee is whether any amount shall be included as the maximum that may be paid to any beneficiary, said White.
Some members of the steering committee want \$100 as the maximum and others would remove the limit entirely and propose to let the maximum that may be paid be available from the tax that is proposed to be imposed for that purpose.
It has been decided, White said, to revise the bill to provide that any federal grants or pensions received from other sources shall be deducted from payments made to any person eligible for the old age pension.

Hoops Low Bidder On Heyburn Road

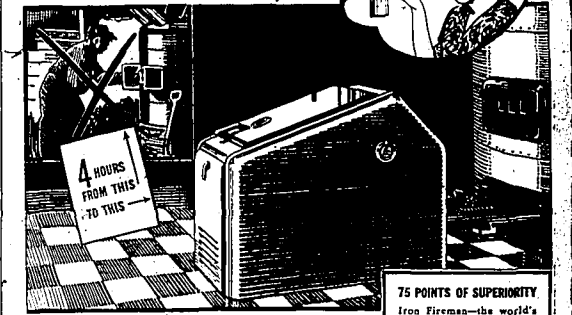

PAUL, March 22—The Hoops Construction company of Twin Falls will gravel and oil five miles in the Heyburn-Paul highway district, their bid of \$128,000 being the lowest bid received. The filling and graveling include a strip three miles south from the Washington school to the Emerson school, and two miles east to connect with the Burley-Paul road.
Work on the project will probably start early in June, according to T. E. Clark of Paul, secretary of the Heyburn-Paul highway district.

MOTION PICTURE WAITS ON ACTOR WITH MEASLES

HOLLYWOOD, March 22 (AP)—Production of motion picture is going to be halted for a month because an actor has measles.
Laird Creager, 300 pounds of athletic flesh, is the victim.
Twentieth Century studio said the picture, "Blood and Sand," can continue only until next Wednesday without Creager.

Famous Trails into the Wilderness

First into the unknown wilderness of the mountain country went the daring explorers. They and the earliest settlers found their way over a trackless wilderness. Later, as small settlements were formed, trails were developed greatly simplifying that primitive travel. Certain trail names stand out in our memories, bringing up visions of glamour and romance—the Santa Fe Trail, the Oregon Trail, and the Overland Trail.

The early settlements springing up in the mountains needed supplies, as their entire effort was devoted to the production of gold.

Everything they needed for food, clothing, their necessities and pleasures, even their mining tools, had to be brought from the East. As a result, a large freight business grew up between the Missouri River and the mining camps in the mountains.

Thousands of oxen, mules, and horses were used to draw the wagon trains. Shipment was slow. But the pioneer transportation men of those days not only made life more comfortable, life would not have been possible without them.

Today these frontier settlements have become modern cities and towns; the counterparts of the early trails are the gleaming telephone lines stretching over plains, mountains, and deserts, and uniting almost anyone, anywhere, almost instantaneously.

Business and industry which have grown apace from modest beginnings find the telephone among their most important tools.

TRUMAN T. GREENHALGH

Independent Candidate for COUNCILMAN

In announcing my candidacy for councilman, I should like to explain that I am not obligated to any class or group. For that reason I can and will work for the general betterment of Twin Falls and its people. I am not motivated by any special interest or group. I do believe, however, that Twin Falls needs a change in the make-up of its council—a belief which I believe will be shared by many. I shall do my best to serve our city well, and your support will be greatly appreciated. Remember, you must be registered before you can vote in the city election April 1st.
