JANUARY CLEARANCE SALE

The Idaho Department Store's Comprehensive Dry Goods Section, meaning all the splendid silks and piece goods, our noted hosiery department, underwear, blankets and ladies furnishings. Everything reduced except contract goods and Mr. MacMullen and force await you in the carmine glow of the Red Tags. Extra sales people, splendid displays, and special arrangements throughout should make your purchasing satisfactory, expeditions and pleasing. Twin Falls Empire people have done your shopping for us the past year, and now we must clear the tables and shelves for the new stocks of 1931. It pleases us to have you make our store your headquarters. You all are most welcome.

"THE FEATURE SALE OF SOUTHERN IDAHO"

We congratulate ourselves on the splendid business this store did in 1930. A year of uncertainty in about every section of the United States except in our great and glorious Twin Falls Empire, the land of sunshine and a perfect water right, the home of scientific agriculturists, the domain of diversification which spells substantial incomes and a contented country side. This store is happy in being identified with a wonderful country such as this, and we trust that the unceasing efforts which we make, to know you people personally, to provide a pleasant headquarters for you, to save you money on your family budget, to provide excellent assortments of merchandise in order to give you a good selection, to provide high grade community service, as well as merchandising and to be at all times, what you would expect a store like ours to be. We trust these efforts meet with your approval. The word "sale" is used by us only twice each year. That is when we give our Semi-Annual Clearing Sales. In providing complete stocks for you to select from, we have quantities of high grade merchandise left when the season is closing and in order to clear the shelves and tables for the New Spring Stocks we hold this sale. You know what they have been before, and you know what this will be now. Our buyers are on their way to the big markets, Spring merchandise will soon commence to arrive. So join us as we dispense the last of the high grade winter goods. Sale starts Jan. 9th and closes Jan. 24th, and will be punctuated by several extra special events. Read every page and every item carefully. Every thing reduced except contract merchandise.
