TWO LINES PASS THROUGH RENO'S DIVORCE MARKET

One Person Gets Decrees
The Other Applies For
Marriage Licenses

MAJORITY TRY AGAIN

County Clerk Shows Few Stay
Single After "Cure"

RENO, Nev., (UPI)—Two lines of people "fall in" at the county office in Reno's courthouse daily.

The line on the right leads to the marriage license offices, while on the left the parties of action at law where the divorcees get their "diplomas."

Divorcees, however, have avoided ever those two lines by having their cases heard instinctively, to which line each person belongs.

25 Years Service

Alfred D. Young has been the nation's divorcee counselor for nearly 25 years, the number of local residents who take their places in the line on the right after a divorcee has always been few.

Exact figures are unavailable, but most frequently change hands from 100 to 150 persons a day for the "cure." The number probably does not average three per month.

The divorcee counselor reveals that a great many local girls march up to the line with men whom they have divorced for a divorce, but for some reason, few local men marry divorcees.

Reno, for the most part, is where the divorcee counselor, the population, and the divorce rate, one set scarcely knowing but the other.

A New Wave

The local divorcee does not begrudge the divorcee her good line and her new "status," for she and her husband are in the city night life. The ministry of Reno has never waged any campaign against the divorcee, however.

The large church population of any city in its size in the United States, according to actual statistics, is prepared by a national church organization.

DUTCH OPERETTA PLEASURES HEARERS

SILHOUETTE, Mar. 30 (Special)—

The Dutch school orchestra of Holland was delightfully presented at the Lincoln school auditorium Thursday evening. Miss Alice Mink, director, and her troupe carried the jingling feminine parts and Beverly Nelson and Percy Driggs did a creditable job in their roles. The spacious stage was beautifully decorated with a miniature Dutch windmill and house and trees in all colors. Miss Ethel Pendock and Miss Dorothy Mink performed a dance, representing Dutch girls. Miss Alice Mink and Nadine Tucker was director and was assisted by Miss Margaret Binn and Miss Ruth McGuire. Miss Dorothy Whiteman, piano, played company.

The orchestra, consisting entirely of women, will be back in Shoshone April 4. Women and alternates from eight counties will compete and the winners will be chosen April 10. They will compete in the state contest at Pocatello April 16. Kent Gage, of Idaho Falls, and John M. Stoll of Silsbee will represent Shoshone County in the district contest.

A new cream station opened for business in Shoshone Saturday. The name of the concern is the Nelson-Hicks Cream Station and is operated by Mr. and Mrs. Fred Hicks, building just back of the Bill hospital.

The condition of Judge E. O. Stickler, physician, has been so poor he has been seriously ill at the Bill hospital for the past week, is still in the hospital.

His Junior Bridge club met at the home of Mrs. Eddie Gruss Thursday evening. Due to his poor health he has not been able to attend the club meetings.

Mrs. Gladys Anderson, seventh grade teacher in the Shoshone schools, has come to Shoshone on account of illness last week.

Mr. Fred Gwin acted as substitute during her absence.

COLLEGE ACTOR TOO REALISTIC IN FIGHT TO SAVE MINER'S GOLD

MANHATTAN, Kan., Mar. 30 much when the villain appeared and stole the miners' gold.

UPI—A little less realism will go into future stage appearances of "The Gold Diggers," a musical comedy by a score of mafis, struck the struggling theatergoer on the head.

Cast for the production in the

neighboring "Gold Diggers," presented at the college, was told he

was suffering from a slight con-

fusion, Boston—complaints

of the play, Boston—

CONVICTS WORK TO GET DEGREES AT SAN QUENTIN

Prison Experiment in Study
Lins Proves Big Success
Among Inmates

REGULAR CREDITS GIVEN

Education Covers Studies from
1st Grade

SACRAMENTO, (UPI)—An experiment in prison education, in which inmates are permitted to state colleges or universities, to obtain their degrees, is being carried on at San Quentin State Prison.

The plan was evolved by Vinton Korten, state superintendent of institutions, and Dr. H. L. Shuler, educational director, at San Quentin.

"Of more than 5,000 inmates at the state prison, about 3,000 are enrolled in various educational classes," said Korten. "This represents an increase of 301 per cent in the past year."

BEST ACCOMPLISHMENTS

"Some of the recent accomplishments as a direct result of the educational program follow:

"One—Extending the length of the day from 9 a.m. to 5 p.m. without giving up any more rights for study.

"Two—Regular credits given to those who attend the University of California, thus afford to have paroled to it picked men who will do their part at the same time they are qualifying for degrees.

"Three—A plan has been arranged whereby persons interested in teaching can be licensed to be graded and licensed as teachers by the state department of education, in order that the inmates may be able to teach the regular standards.

"Four—A system of responsibility and respect, certain freedom and opportunity given to the men in the prison who come for instruction, has come to be one of the greatest assets of the institution, thus having been discovered. To this end, a system of grading and grouping is rapidly being perfected.

THE ACTIVITIES

Educational activities are divided as follows:

Elementary—Consisting of lower-grade group studies, studies—grade, memory, instruction for illiterates in subjects generally included in the second year of high school.

Conventional—Covering subjects such as Spanish, French, German, advanced English, general history, philosophy, foreign trade and economics, psychology, etc.

Vocational—Classes in practical farming, dairy farming, vegetable and fruit growing, market gardening with marketing, etc.

The University of California offers an extension course to inmates, with the exception of two courses in Spanish, all. University extension papers are graded by university extension.

(Approximately 50 per cent of the men in the women's prison are carrying on studies in the educational department.)

THERE WAS NO EXPLOSION HERE, CALIFORNIA, and no truck explosion containing a box of dynamite crashed into a milk truck, breaking lots of bottles and spilling milk over the highway, and the drivers were shaky after the accident.

Time Table

Schedules of passenger trains

and motor coaches passing through Twin Falls daily are as follows:

OREGON SHORT LINE

Effective February 16

Eastbound

No. 44, Monday to Friday, 7:10 a.m.

Westbound

No. 45, Monday to Friday, 6:05 p.m.

Southbound

Daily except Sunday

No. 35, to and from 1:30 p.m.

Northbound

No. 36, from Weiser, 1:25 p.m.

TRINITY RAILROAD
