OFFICIAL COUNTY NEWSPAPER

2 AVIATORS DIE AS MAIL PLANE HITS MOUNTAIN

Wreckage Found By Searchers Tells Grim Tale of Fog Horror

FORCED LANDING FAILS

Pilot and Befuddled Man Are Victims

BURBANK, Cal., May 5 (UPI)—Pilots Arthur Starbuck and C. E. Parmales, of the Pacific Air Transport Co., were killed in their plane, bound from San Diego to Los Angeles, crashed into the side of a mountain near here about midnight last night.

The wreckage, which was first sighted by a man flying in the United States, who came down to look for the missing plane, was found on the steep canyon wall two miles from Glendale. Time of the crash was set at about midnight, since the plane had been en route since 11:30 p. m. when it was believed the pilot was flying alone, since the plane did not catch fire when it crashed into the mountain.

Starbuck's body was found in the cockpit at the controls. He had been crushed by the impact of the fall, which was about 40 feet from the wreckage. It was not known if he was thrown clear or if the impact of the fall knew a crash could not be avoided.

The parachutes of both fliers were strapped unopened to their backs.

Watchers at the airport heard the sound of a plane crashing at the time the fog at the airport met the time it was due to land. It was assumed to be Starbuck, since he had been flying alone and it was believed that the fog prevented Starbuck from finding his way to the airport.

Flight Fall To Aid

Additional lights were turned on, but did not fit the situation. It was decided to make an emergency landing and the plane apparently crashed on a wide radio of the road for about 15 minutes. Then the plane exploded.

Starbuck was one of the most prominent pilots on the Pacific Coast. He was president of Pacific Air Transport, a subsidiary of Boeing Air Lines for several years. He had more than 8,000 hours in the air.

According to officials, Starbuck had but one other crash during his career. His accident and the plane apparently exploded without causation, though a piece of metal was found in the cockpit camera hundred yards away.

COMMERCE CHIEFS ASK WORLD MEET TO RIGHT SILVER

Chinese Lead in Requesting Chamber Delegates for Early Parley

PRODUCERS IN ACCORD

See Move As Greatest Aid In Depression Fight

WASHINGTON, May 6 (UPI)—The international chamber of commerce was urged by Chinese delegates today to go ahead with an international silver conference.

The Chinese delegation stated that abolition of the price of silver would soon bring the world depression to an end.

A proposal was presented by Pan Yew-ko, president, Tsingtao corporation, Shanghai and New York, and Kuo C. Li, president, Shanghai corporation, to the chamber on behalf of the Chinese national committee of the chamber, of which he was a member.

President Hoover has been approached by a Senate resolution to support the Chinese proposal and the support of American silver producers.

Following the collapse of silver, the purchasing power of na-

KIWANIS PLAN 1931-32 SERVICE WORK FOR CLUBS

Yankee Community Program On Schedule for Next 12 Months

MIAMI, May 6 (UPI)—The value of service Kiwanis clubs in the United States and Canada, and the extent of the social service work they have performed, was explained here today at the 16th annual convention of Kiwanis International.

Community and welfare activities have been completed during the past year, declared Raymond M. Tamm, president of Kiwanis, president of the organization.

Kiwanis has "more value than mere gathering together," said Tamm, adding that the strong position of the organization is due to the practical assistance to communities and individuals.

Urban Rural Relations

To better the relationship between city and country, Kiwanis clubs throughout the country, club delegates were urged to club clinics, sponsor stock and grain contests, exhibition meetings, and the like.

Ernest E. Gehring, Wisconsin, S. D., chairman of the international committee on agriculture, suggested that clubs in agricultural communities fill their membership.

CLEVELAND FACES GREATEST TESTS IN EASTERN PLAY

Indians Toppling League But Have Hardest Fixes to Conquer

YANKS AGAIN IN SECOND

National Leaders Continue Winning Streaks

NEW YORK, May 6 (UPI)—The championship aspirations of the Cleveland Indians, American Legion leaders, will be put to a severe test during the ensuing fortnight.

After two more sectional contests against the St. Louis Browns, the Clevelanders must play three to take a two-game lead over the Yankees, but this record is disengaged in many quarters because the Indians' concentration has been limited to the reputedly "weak sisters" of the League—Chicago, St. Louis and Boston.

Boston is the only weak club in the eastern group, and it is interesting to note that half of his wins have come over the Yankees since second place was won by the Indians.

Cleveland is the least popular club in the present race, having been the dark horse teams of the race. Cleveland has won game after game to take a two-game lead over the Yankees, but this record is disengaged in many quarters because the Indians' concentration has been limited to the reputedly "weak sisters" of the League—Chicago, St. Louis and Boston.

PORTLAND TEAM CROWDING ANGELS FOR LEAGUE LEAD

Beavers Move Out of Tie By Shutout Win Over Seattle Indians

By UNITED PRESS

Leaders in the Coast League race moved with the Los Angeles Angels last night, but a narrow margin separated them from the second place Portland Beavers and the third place Sacramento Solers.

The day's results were featured by a 6 to 1 victory of the San Francisco Seals over the Redwood Stars, while the film city men out of the first division made fifth place. Seattle Indians were held to a tie with the Solers with a winner in the eighth, although Sacramento tried hard to get the stars to drop out.

The closest game was 12-11, however, which resulted in a 6 to 3 victory for Oakland over Sacramento. The Senators scored in the ninth to win the contest after three players had gone down before the Oaks could win.

The Angels in another night game were held to a 3-3 tie with the Red Sox.

Portland eliminated its fifth and placed eleventh with the Senators by defeating the Seattle Indians, while the Angels and the Indians worked for the winners, who had only four hits.

HIS BUSINESS IS DROPPING OFF

One hundred and eighty parachute jumps, one from a height of 16,000 feet, make up the record of the famous parachutist, George Kibell (Klein), director of the parachute school at the Valley Stream, Long Island, Naval Reserve aviation base. The picture shows the parachute jumping champion holding the chute still balanced out after a recent jump.

MAY BAER LOSES TO JOHNNY RISKO

CLEVELAND, May 6 (UPI)—Johnny Baer, the Cleveland rubber man, bowed back into the circle of ranking heavyweight contenders when he lost his title last night over Max Baer, young California boxer.

Max Baer, 30, with a record of 36 wins and 11 losses, Risko returned to his home lot to completely upset the reckoning of experts who said he was "strong."

Risko in his first fight of his career to date outside the Pacific coast bid.

He showed great drive to win the bout, and with a ringing body blow, Risko's blow was strong.

Their record was 16-10-1 for Baer and 11-11-1 for Risco.

Sage of Sunbeam Dam Reveals Fishing Dope

By Harton Lightfoot

SUNBEAM DAM, Special Correspondent to Evening Times:

May 6—Streets agitation regarding

the fish situation at Sunbeam dam

is beginning to bring action.

Last week the dam was visited

by Roy E. Russell of the U. S.

Bureau of Fisheries at Seattle, and

Chas. H. Thompson, manager of

the Salmon hatchery conducted

the dam by the bureau.

The dam offers peculiar obstacles

to the fisherman, especially

in the early part of the season

when the dam does not run over,

thus making the type of ladders

used in the hatchery

and especially during the summer

when the run of sockeye salmon occurs.

Red Fish Protected

The Bureau is especially interested

in the sockeye because of

the fact that it is a poor fisher

and a slow grower.

They are offered protection

from the hatchery

and the Bureau is

also giving the hatchery

the same protection

as the chinook salmon.

Insurance Organizations Aid Modern H

Home Owner Must Have Protection

The home owner who is interested in modernizing his house will find a varied number of insurance companies who aid him in solving his problems.

Not only the lumber companies, the plumbing shops, the electrical contractors, the telephone and electrical supply houses, but also the insurance organizations have a service they can render. Usually the insurance companies are not considered as being interested in the Home Modernizing Movement, but nothing could be further from the truth, as there is a definite place in the program.

Guard Against Fire

The increased value of the property due to the modernization of the house, as well as the increase in the amount of insurance placed on the dwelling necessary, insurance protection and the wise owner to make certain that his investment is adequately covered against fire.

The thoughtful owner carries plenty of fire insurance not only on the building itself but also on the household goods within.

Life Insurance Important.

Life insurance is another form of protection that is rarely considered when modernizing, yet it

is a factor in improving real estate.

COLORS ABOUND "Wakaja" Dedicated To Glass Advisors

Nowadays the kitchen is becoming one of the most cheerful rooms of the house. Color has been introduced to livens the floors, the walls, and the draperies.

Usually the kitchen was the unattractive drab-looking workroom. The living room, bedroom and dining room were all cheerfully decked out but the kitchen remained the drab, unattractive room.

Now color has been introduced in kitchens—ranges are decorated in gay, vivacious colors. And great attention is given to window treatments, the curtains being carried through the room. The walls may be tinted a happy shade of pink or blue, and the draperies chosen to meet the taste.

Modern is fast becoming the favorite hour for the kitchen. It is a military, being arranged in a dirt simplicity; the floor is covered with linoleum, the walls are painted in a single color, the ceiling is white, the lighting fixture is simple, the windows are arched, the door is plain.

Chef John Duly gives the following staff: Assistant editor, Carolyn Club; business manager, Mrs. W. E. Nuttall; advertising manager, William Merrick; other editors, Ruth Jackson, Phoebe Jackson, Leonard Shuler, Lester Hunt, and Robert Brackett.

Family Reunion Called To Greet Illinois Guests

ANOTHERDAY, May 6 (Special) Mr. and Mrs. E. L. Nelson and children, Bill and Carol Ann, Chicago, arrived by motor Sunday morning at the home of W. H. Skinner and family. Other members of Mr. Skinner's family who gathered at his home were his wife, Mrs. Mabel; Mr. and Mrs. C. Hallway, son Hobey; Mr. and Mrs. Owen Crawford and son, Donald; Mr. and Mrs. W. H. and Mrs. Tom J. Skinner, and family; Wohl and Mr. and Mrs. E. Skinner and family; two other children, Mrs. E. Skinner and her son, Mr. O. E. Nugent, Parma, and Dale Skinner, Payette.

Mrs. Skinner's mother died in Hitler Wednesday, Thursday and Friday where she had charge of the state seventh and eighth grade students. Students from Amsterdam school taking the tests, included, eighth-grade student, and Stephen Foster and Anthony Hardman, eighth grade. Foster took their herd of cattle to summer pastures this week, located at the Sheahone, one mile west of town.

ANOTHER BEAUTY In

A good supply of canvas dams will save you a lot of time during the busy irrigating season. Get the new low prices on our canvas—you will be surprised at the saving we offer. We can saw your dams for you and also furnish the rods in any lengths that you require.

When you buy your canvas don't fail to examine our Heart-treated canvas. It is the best.

CLEVELAND FACES GREATEST TESTS IN EASTERN PLAY

Indians Topping League But Have Hardest Fees to Conquer

YANKS AGAIN IN SECOND

National Leaders Continue Winning Streaks

NEW YORK. May 6 (UPI)—The championship aspirations of the Cleveland Indians, current American League leaders, will be put to the test during the ensuing fortnight.

After two more meetings against the Boston Red Sox, the Indians have started running in the present race, having won 14 games and lost six to the four eastern clubs of the league in 14 games while the Yankees, who had been leading New York, Club rated first, second and third respectively in previous meetings. Their inter-sectional play will furnish the first accurate indication of the Indians' "have start."

Cleveland and New York, runner-up in the previous race, have been the best teams in the present race. Cleveland has won 12 games and lost six to the two-game lead over the Yankees, but the Indians are also strong in many quarters because the Indians' competition has been limited to the rapidly-wrecked sister cities of Chicago, St. Louis and Detroit.

Boston, the only weak club in the eastern group, and the last of the ten victories which have given the Yankees second place have been won over the Red Sox.

Increase Lead

Cleveland increased its lead yesterday by defeating St. Louis 11 to 6 and hopes to add two more wins over the Red Sox and four straight from Boston before meeting Washington, Philadelphia and New York in that order.

New York returned to second place by defeating Washington 9 to 8. This was the first Yankee victory in six starts against the Senators.

The World Champion Philadelphia Athletics, who had been in seventh place when George Earnshaw turned in a six hit performance and defeated Boston 10 to 1, had their record improved to 10.

Danish Bush's Chicago White Sox played to a respectable half for the first time in nine starts, but were beaten on 11 runs by Detroit 7 to 3.

First division clubs made a

surge in expectedly important meetings yesterday, but the Brooklyn 8 to 0 Chicago trouncing Cleveland to 10 to 6 was the most important. Philadelphia 5 to 3.

Fred Fitzsimmons shut out the Brooklyn Robins with three hits to one, but the visitors were beaten by the home team.

Wes Schmidt, who had given Boston its victory over Philadelphia, the costly Jason Coates, now had the Red Sox trailing 1 to 0 and were in the whaling run in the ninth with a triple.

LYNCHING FEARED

(Continued From Page One)

Dobie said: "The negro confessed immediately that he was innocent and was ungrateful." The sheriff said the slaying was in revenge for a whipping while Washington had been in jail for the killing of his housekeeper, because he had stolen a gun belonging to the bank president.

When the mob was forming the sheriff barricaded the crowd pleading with them that violence should not take place and telling them that justice will take its course."

The sheriff, with 300 men and boys, got through the crowd and said it was impossible for him to stop them leaving town.

National Farm

(Continued From Page One)

cial. Much of the energy of this organization is directed towards the welfare of the agriculture of this country.

"Our increasing success has

resulted in an alliance among other groups who are interested in the welfare of agriculture.

In the face of this

situation, it behoves the organization to work with other agricultural organizations to get together."

In stressing the importance of the meeting, O'Neal pointed out that "the farm is the basic factor in our economy and our cooperative marketing has been lifted from a local activity to a national plane, it has offered a definite solution to our agricultural problem."

TEACHERS HONORED AT TWIN CITY

May 6 (UPI)—Mrs.

Maria Gault, principal of the

High School, and Mrs. John

McGinnis, the school's "best

teacher," were

earnestly entertained at a

several-day luncheon in

Virginia, Idaho, at the

home of their parents, Mr. and

Mr. Charles Hart, Twin Falls.

BEAVERS MOVE OUT OF THE SHUTOUT WIN OVER SEATTLE INDIANS

By UNITED PRESS

Leaders in the Coast League race remained with the Los Angeles Angels today, but only a narrow margin separated them from the second place Portland Beavers and the third place Sacramento Senators.

Two games were featured in the day to a victory of the San Francisco Seals over the Hollywood Stars, while the Portland Beavers and the Angels split the division into fifth place. Kersey made the winning run for the Seals with a home run, the eighth consecutive, to give the Seals a chance to same lane to save the game, for the stars by clutching the game for the Wrigley men.

The longest game was a 12-inning night affair which resulted in a 4 to 3 victory for Portland. The Angels, who had won the title in 1929, were held scoreless in the contest, went three more innings before the Angels tried to score. In the ninth, the Angels, who had been held scoreless in the first nine contests, need out the Mission Indians 4 to 3. Four hits and an error by the Indians gave the game to the Wrigley men.

Portland eliminated out of its series with the Angels with the final place with the Seattle Indians 10 to 2. Paseday and the Angels, who had been held scoreless in the first four hits, worked for the winners, allowing only four hits.

WRESTLING RESULTS

By UNITED PRESS

SAN FRANCISCO—Joe Maleski, 198, Illinois, defeated Freddie Meyers, 198, Illinois, twice fall out in three.

HIS BUSINESS IS DROPPING OFF

MAX BAER LOSES TO JOHNNY RISKO

CLEVELAND, May 5 (UPI)—Johnny Risko, the Cleveland boxer, has dropped to the bottom of the ranking of ranking heavyweight today through his 10-round victory last night over Max Baer, last night over Max Baer.

Mauled in defeat all winter, Risko has been unable to win a bout since his last victory, according to the record books. Completely upset the reckoning of experts who had said he was "through."

Risko was flushed one of the best fighters of his career to decisively outwit the Pacific coast boxer.

He abandoned Risko's drives to the stomach and evaded with striking head blows, thereby saving himself from being beaten for his defeat. He was obviously the superior fighter but he was unable to deliver his punches to move the body of the rubber man had built up. Risko weighed in at 195 and Baer at 206.

SAGE OF SUNBEAM DAM REVEALS FISHING DOPE

By HUSTON LIGHTFOOT

SUNBEAM DAM, (Special Correspondence to Evening Times)

May 6—Recent agitation regarding the fish situation at Sunbeam dam is being recognized in one of Idaho's most popular fishing areas.

Last week the dam was visited by a legislative committee of the state legislature by hikers and inspected by Morris, N. B. Gilroy and J. R. Russell of the State Game Commission.

The anglers who fished the dam are being recognized in one of Idaho's most popular fishing areas.

Insurance Organizations Aid Modern Home

Home Owner Must Have Protection

The home owner who is interested in modern improvements will find a varied number of insurance situations waiting to aid him in solving his problems.

Not all the insurance companies, the plumbing shops, the exterior decorators, dealerships and the like are interested in the insurance organizations, but their services can render. Usually the insurance companies are not connected with the Home Modernizing Movement, but nevertheless they have a definite place in the program.

Guard Against Fire

The thought of fire is one of the primary due to the modernizing of the home makes an increase in the amount of insurance placed on the dwelling. The insurance companies protect and the wise owner is going to make certain that his investment is adequately covered against fire.

The thoughtful owner carries plenty of fire "floats," not only on the dwelling itself but also on the household goods within.

Life Insurance Important

Life insurance is another form of protection that is rarely considered when modernizing, yet it is

plays a very important part in modern improvements.

Since the owner of the property when making a loan to cover the cost of modernizing assumes additional risk, he is entitled to have certain protection that the loan will be paid in event of his death.

Life insurance may be secured which will meet the needs of the property owner will be applied on the outstanding loan.

It is important to make certain that the financing of the property is insured. Although death may claim the owner, the property may still be available and uninhampered by obligations.

Various types of policies are available and the agent can always be carefully explained by local insurance agents who are experienced in writing policies of this sort.

Loan Features

Many insurance organizations are entitled to law enforcement officials participating. In this way they enable the home owner to finance a loan on his property.

There are many ways in which money can be obtained in addition to the banks or building and loan associations which are often called on for loans for improving real estate.

"Wakaja" Dedicated To Class Advisors

Nowadays the kitchen is becoming one of the most popular rooms of the house. Color has been introduced to liven the walls and the gas ready for distribution this week.

"Wakaja" was chosen, first looking room of the house. The living room, bedroom and bathroom were all completely decorated by the students, remained drab and uninteresting.

New color has been introduced, the publication will contain 500 photographs divided into a number of color schemes. Colors and patterns form the basis of color schemes; colors, orange and black. Walls are covered through the room.

Decorations this year, students have dedicated the book to Mrs. Lois Ruby and Mrs. Clara Walton, class advisors and annual ad-

ministrators for the kitchen.

It is sanitary, being armed with a dirt-resisting lacquer, which prevents dust and germs from getting at the food.

Chief John Daly gives the following advice: Assistant editor, Henry Hartfield; assistant business manager, William Merle; art editor, Charles Strode; sports editor, Lenore Stinger; Twin Falls; Mr. and Mrs. Ralph Skinner and family, Idaho Falls; Mr. and Mrs. J. E. and Mrs. C. L. Johnson; two children not able to be present were Mrs. O. E. Nugent, Parma, and Phil Johnson.

Mr. Dale Kunkel was in Hollister Wednesday, Thursday and Friday where she had charge of the examinations held at the school.

Students from Amsterdam school, the University of Idaho, and State Skating and Charlotte, Homedale, seven graders and Stephen Passer and Anthony Hardman, all Kunkel girls, took their field of battle to Juniper, capturing this week's title in the Showboat basketball tournament.

Another reunion was held at the

Amsterdam school on Saturday.

Mr. and Mrs. E. L. Nelson and

children, Billie, Carol Ann,

and baby, were at the home of their father, W. R. Skinner and family. Other members of Mr. Skinner's family who gathered for the reunion Saturday were Mr. and Mrs. R. C. Holloway, son, Billie, and Mrs. and Mr. Otto Lester, son, Lester, and Leslie Skinner, Twin Falls; Mr. and Mrs. Ralph Skinner and family, Idaho Falls; Mr. and Mrs. J. E. and Mrs. C. L. Johnson; two children not able to be present were Mrs. O. E. Nugent, Parma, and Phil Johnson.
