Athletics Hold Five Tilt Advantage Over Second Place Solons

GIANTS DROP TO THIRD

Yanks Beat Indians Five to One

NEW YORK, June 8 (UPI)—The St. Louis Cardinals are gradually piling up a lead in the 1931 National League season race that promises to become as large as the margin of leadership in the Philadelphia Athletics have built up in the American circuit.

The Cardinals, who waited until the last few days of the season before they clinched the 1930 National championship, today enjoyed a four game lead over their nearest rivals, the Chicago Cubs. In the American League, the Athletics hold a five count advantage over the Washington Senators.

The Cardinals split a doubleheader with Brooklyn yesterday, losing the first game 6 to 4 and winning the second 9 to 0. Chicago gained sole possession of second place by winning from the Giants 8 to 4. New York was tied with the Cubs previous to the Boston and Cincinnati split a twin bill, the Reds winning the opener 2 to 2 and dropping the second game 12 to 0.

Philadelphia retained its margin of leadership in the American League by defeating Detroit 12 to 2. The Tigers got 12 hits off Maloney but could do nothing in the pitcher and had 19 men left on base.

Washington made its two straight over Clinch 8 to 1. Lefty Gomez pitched the New York Yankees to a 5 to 1 decision over the Cleveland Indians. The Boston Red Sox won their second in a row from St. Louis, 6 to 3.

BRUINS SCORE 7 IN SIXTH INNING TO BEAT OAKLEY

Errors Aid Twin Falls' Win In Sunday's Inland League Game

Taking advantage of a combination of well-spaced hits and a group of fielding errors to bring in seven runs in one inning, the Twin Falls Braves trounced the Oakley club, 7 to 4, in the final league game played on the Twin Falls diamond Sunday.

The ability which distinguished the majority of players who had been enrolled in colleges, necessitated a stronger front than in previous games, and but for the one disastrous timing mistake for which the Braves were lions and thick for Twin Falls, and harvest and hit for Oakley.

MAX SCHMELING SHOWS BIG GAIN IN FIGHT STYLE

Braucher Recounts Attack Being Developed For Stripling

HAS MIGHTY WALLOP

Writer Believes Clumpion Is Fighting Fool

BY WILLIAM BRUCHER
N. E. A. Sports Writer

There has been great improvement in the style of Max Schmeling since the night I saw Sharkey hit him. I saw Schmeling fight three weeks ago. The other day I watched him hit three opponents in a row. He was fighting a slow, heavy, with a good deal of time ahead of him in the ring. He was fighting a slow, heavy, with a good deal of time ahead of him in the ring.

He was not then down to fighting level. He was fighting a slow, heavy, with a good deal of time ahead of him in the ring. He was fighting a slow, heavy, with a good deal of time ahead of him in the ring.

Countering
One of the points I noticed about the German was his ability to counter-punch in advance of his opponent's attack. He was fairly hard smacks on the chin, but he secured two solid successes for every poke he took. He was not giving anything he had, but there was authority behind his blows.

Schmeling moves rapidly. He is light on his feet. Max Schmeling has improved him as a boxer. He gave me an impression of agility that I did not think Stripling will want to come in on close with. He can hit like an engine with a punch that does not travel far.

He uses a good left to the body bringing in the right in one-two style. He uses his best left brought up some unending appreciation against the chin of Tony Halbock. He was very good. I do not think Stripling will want to come in on close with him. He can hit like an engine with a punch that does not travel far.

It is not easy to discuss a man like Schmeling as a fighter. He is in his fifth decade, who is still looking for a place to sock, taking punches of the way, but with plenty to give. His experience has improved him as a boxer. He gave me an impression of agility that I did not think Stripling will want to come in on close with. He can hit like an engine with a punch that does not travel far.

Beavers and Missions Win; On Advantage to 3 1/2 Games

Doubleheader that would put next week's series firmly in favor of the Portland Beavers and Mission fields in second and third places today, their victories cutting down the lead of the Hollywood stars.

The Stars, dividing a doubleheader with Sacramento featured by seven home runs, were checked and a half game ahead of the Beavers when the Stars' catcher, Fred Schatz, ran the 100-yard dash in 25.5 seconds, equalling the world's record. He is expected to enter Stanford next fall. He is 6 feet high, weighs 160 pounds and has an exceptional long stride.

Hallahan's Pitching Wins For Cardinals
ST. LOUIS, June 8 (UPI)—Vesper's Jerry Hill Hallahan of the St. Louis Cardinals won the first game of a doubleheader against the Oakland A's, 7 to 6, in an 11-inning marathon that was thrilling in the closing minutes of the contest.

St. Louis' Blue Jay Repair DUFOUR, N. Y. (UPI)—Among the 200 St. Louis Cardinals who have returned from the training camp are those prohibiting horse drinking on Sunday. The city is holding the parking of bicycles within five feet of a street intersection, and deterring the practice of hitching horses on public streets.

Great Britain and Germany have indicated two new methods of international communication to Berlin and Cologne, on account of increasing telephone traffic and declining air mail.

GOOD PRICE SEEN FOR TURKEY SALE

Export Advises Growers To Point to Thanksgiving Trade

SALT LAKE CITY, June 8 (Special)—Idaho turkey producers should prepare to market the greatest possible amount of birds at Thanksgiving, for indications point to good prices for turkeys for the early trade, said Herbert Byers, assistant manager of the Northwest Turkey Growers' association, upon his return to Salt Lake.

Mr. Byers returned from a month's trip during which he surveyed turkey prospects and conditions in seven northwest states, including Oregon, California, Nevada, Idaho, Utah, Wyoming and Colorado.

Stocks in storage and western hatchery reports indicate that the supply may fall short of demand at Thanksgiving as those producers who have eagerly placed on market should receive the highest prices of the year the local turkey expert reports.
