## CANAL BOARD'S MEMBERS MEET TO RE-ORGANIZE

All Five Directors Re-Elected  
At Tuesday's Session  
Here

GORDON LEADS IN  
TOTAL VOTES CAST

All Officers Re-Elected To Po-  
sitions Held In Past  
Year

The members of the board of  
directors of the Twin Falls Canal  
company, re-elected by vote of  
the stockholders, at Tuesday's an-  
nual meeting, met at the company's  
offices Wednesday to re-organized  
for the year's work.

All officers of last year were re-  
elected, including Peter J. Draper,  
designated as president; Gordon, secretary;  
N. V. Sharp, treasurer; W. R. West,  
re-appointed as manager; and the committee  
of nine of district 3, a position he  
has held for several years.

No action on appointment of  
new manager was taken yesterday  
Wednesday afternoon, and it ap-  
peared likely this would not be ac-  
complished.

There was a slight debate which  
was concluded at 8 p. m. in which  
the following votes:

J. F. Cordele, Twin Falls 165,233.39  
N. V. Sharp, Plover 144,474.62  
W. R. West, Twin Falls 116,622.13  
W. C. Biggs, Castleford 113,577.00

Boone Received Votes

F. C. Boone, Twin Falls, received  
146,657 votes, despite the fact  
that he was not nominated; and his  
high expense account, on the day of  
the election, was the day of his  
victory.

He received 1,000 more votes than  
any other candidate.

He was elected without  
any action on Koenig's suggestion  
being taken and without any  
move being made for his election.

He was elected by the committee  
as has been the custom in the

3 resolutions adopted.

The members of the resolution  
committee, who had presented the pro-  
posed 3 set of fire regulations,  
all of which were adopted, con-  
sisted of W. F. Alworth, chair-  
man; H. G. Glaser, John W. Hard-  
in, D. E. Koenig, Lake V. Soper,  
C. R. Reitke, A. E. Kitz, and  
Oliver W. Johnson.

HAWAIIANS WANT  
DRASTIC CHANGES

Sweeping Reforms To Prevent  
Sex Crimes Asked By  
Populace

HONOLULU, Jan. 13 (UPI)—  
Hawaii's territorial government  
enacted by the "honor" murder  
of a young man, Jimmie Lee, was  
today told to take the brunt of  
revolutionary changes  
demanded by an aroused populace  
today.

A whole new structure of state  
government, from a special  
session of the Island Legislative  
Body ordered by Governor Law-  
rence J. Judson. Sweeping reforms  
of the "Pacific Paradise" to pre-  
vent further outrages against  
men.

Governor Judson acted on the  
recommendations of the committee  
of the Territorial legislature.

Dr. Graham Lusk, Cornell  
says "Moderate Use Is  
Not Harmful."

Hillbilly Arrangement of  
Leases, Taxes, and  
of Domestic Developments in the  
Highlands and Slavery of Red-  
shanked Gibbons

Washington, Jan. 13 (UPI)—  
Prohibition was widely deplored by  
Dr. Graham Lusk, of the Cornell  
University medical center, New  
York, in a speech before the meeting  
of the four prominent societies of  
the city yesterday.

Lusk predicted before the com-  
mittee to let the world at the re-  
ception that the bill would not be  
immediately into the law, which  
may radically affect the protec-  
tion of the four citizens now  
working in the Amazon basin.

They are Fred Grace, Portie-  
ette, 40, widely known New York  
and Washington socials; obstruc-  
tive; his son-in-law, and E. J. Lord,  
and Albert O. Jones, 67, oilated  
men.

## THREE LEAGUERS REFUSE TO TAKE SALARY SLASHES

Terry, Ferrell and Wilson-Arc  
Classed Among Holdouts  
of 1952 Season

**NEW YORK**, Jan. 13 (UPI)—Although the baseball holdout season is not considered officially over, three players have signed new, untested contracts and threaten to spend the rest of his life fishing in Hockomock, three major league clubs have been refused.

These three are Bill Terry, New York Giant first baseman; Ryk Ferrell, who catches for the Al Davis' Indians—former Indians manager now of the St. Louis Cardinals.

Terry's refusal to accept the Giants' terms came just a few days ago. He has been refusing to fall in line ever since he began his major league career in 1925. The Giants' offer was \$12,000, while Terry demanded \$15,000.

It will be remembered last year

when Terry held out if he wanted to. We have Sam Leslie, as good or better player than Terry, to take his place. The Indians' offer was \$12,000, approved—that Terry could hold out under each arm and still show Leslie quite fit for things.

Terry received \$22,000 last season. The contract he returned unsigned to the Giants recently called for a salary of approximately \$10,000.

Wilson-Arc's whole contract with the Cardinals last year was \$12,000, "retired," unearned. In a \$15,000 contract offered him for his services during 1952, by the Cardinals, Wilson-Arc refused.

A Wilson-Arc approached him for 15 percent, which might be too much even for him to consider.

Ferrell, one of the younger catchers in the game, has held out but has come out in no uncertain terms with the statement that he will not accept the contract offered him by the Indians.

The Indians offered a salary re-

ported of \$2,000 as re-

ported.

**DUCEY AND GIBSON  
SIGNED FOR MATCH**

One of the custodians, later in another column, in this match bout of the card to be staged Wednesday, January 20, at the Legion Memorial hall here, was

signed to the card by the promoters. The visitor will be Foot Gibson, 140-pound Idaho Falls' featherweight boxer, who has come out in no uncertain terms with the statement that he will not accept the contract offered him by the Indians.

In the curtain-raiser Curran, Bout, Len Miller, Twin Falls, will meet Royce Westfall, also of Twin Falls.

"And I'd like for you boys in the orchestra to give me a few more laughs at today's matinee," can'tcha?

## BATTALINO WILL DEFEND TITLE IN CINCINNATI RING

Champion Due To Exchange Punches With Freddie Miller Jan. 25

**CHICAGO**, Jan. 13 (UPI)—Christopher (Batt) Battalino of Hartford, Conn., will defend his 125-pound weight title against Freddie Miller, Cincinnati bantam, in Cincinnati Jan. 25. Pete Kelly, Battalino's manager, says Battalino will be in Chicago early Saturday morning. Battalino came to Chicago to meet Earl Mastro, but Mastro refused. Battalino appealed to the referee, who said Battalino had adopted it, the season.

Mastro, who is from the Chicago stadium No.

1951, was in New York Saturday night to make the featherweight limit of 125 pounds for a proposed title bout with Lou Feldman, who has been suspended by the commission with drew Battalino as champion. Battalino claims an injured knee caused him to drop to 125 pounds.

He is expected to return to the ring

in three weeks, but Battalino, who has won 290,000 native trout ranging from two to four inches in size. There is also a \$10,000 cash prize for the best trout and \$17,500 in cash for trout over 20 inches at the hatchery, the report showed.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

Holloway trout 75,000, five inches long, in Spring creek, near Durley; 10,000, 10 inches long, in Middle Eastern tributary to the Middle River; Eastern brook trout 10,000 in Upper Rock creek; 30,000 in Cherry, Devil and House creeks; 10,000 in Sloughhouse House creek; 10,000 in Middle Fork of the Salmon; 20,000 in East Fork of the Salmon River; 20,000 in Casida creek, near Burley, and 18,000 at Idaho.

Trout planted during the past year were reported as follows:

# A-Page of Current News Events in Pictures

## RASKOB OFFERS "HOME RULE" PLAN

Having urged his party to adopt a "home rule" plan providing for supply, swept through the Pennsylvania railroad shops in Altoona, Pa. Five buildings were wrecked and fifteen locomotives were destroyed.

## TICKLISH BUSINESS

No radio bed-time stories or lullabies are needed to send Mr. Allister off to slumberland and still the dangerous shuddering of his trolley car to jolt him awake. Above: Henry Cooper, the eccentric wire-tapping expert, who will sleep alone while an awed crowd looks on from a safe distance at Miami Beach, Fla.

## NEW WORLD GLIDER RECORD SET

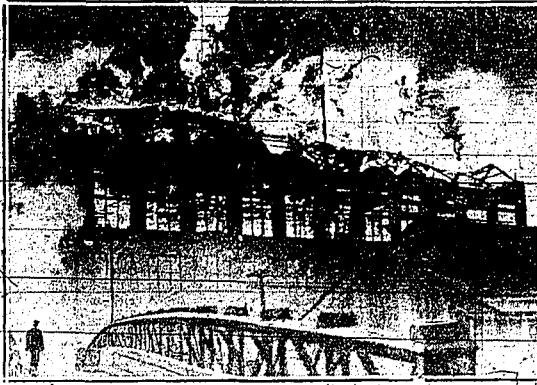

Searing for 21 hours, 34 minutes, 15 seconds in the braces above Galt Island, Lake Michigan, Lt. George A. Cockey, Jr., Illinois State police, and his two officers, set a world's record for gliders recently. Above, the gillie Night Hawk in flight; below, Lt. Cockey.

## POLA LEAVES HOSPITAL

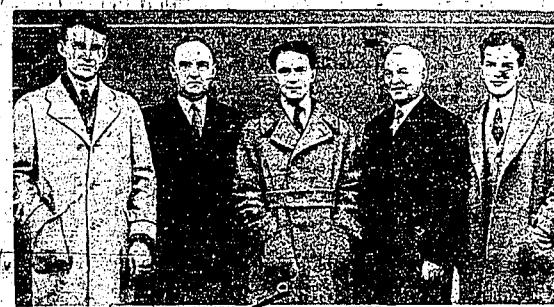

Actress Pola Negri, shown above, leaves a southern California hospital for her home following a recent operation. For a time she was in a critical condition.

## HOW FLAMES RAVAGED RAILROAD SHOPS

This spectacular fire raged headway when firemen found themselves hand-tooled by a few water hoses.

## THEY SET 35,000-MILE DEBATE RECORD

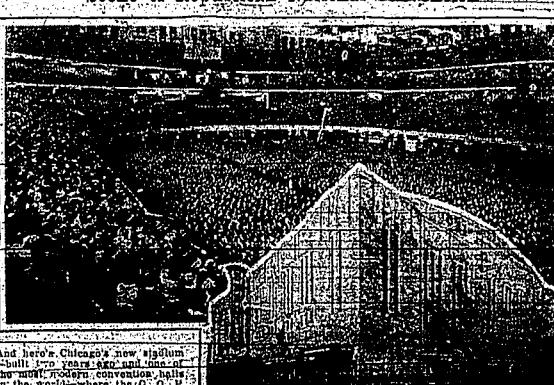

An 85,000-mile trip through Australia, New Zealand, Africa, Britain, Japan, India, China, the Philippines, China, Japan, Hawaii, etc., in which debates were held with native colleges, has just been completed by a University of Oregon debating team. They lost only five arguments. Photo above: Oregonians being greeted at the N.Y. K. Hing Asiana Maru at San Francisco by Gov. Julius L. Meier of Oregon and Mayor Angelo Rossi of San Francisco. Left to right: George A. Pfaff, Gov. Meier, Robert C. Miller, Mayor Rossi and Davis Wilson.

## ONE FALLS IN LOVE, KIDNAP GANG CAUGHT

Because one of its members fell in love with the pretty wife of one of its victims, Chicago detectives believe they have broken up the kidnap ring responsible for many of the kidnaps in that city during the past year. Guy Saenger, a confessed member of the ring, fell in love with Mrs. George Gecht, shown at the left, wife of Dr. Max Gecht, and made a date with her after her husband had paid his ransom. When he called to tell all about it, the police were there too. He implicated the six men shown above. Left to right, standing, they are Guy Saenger, Ward Stuyvesant, a former mayor, state's attorney at Chicago, and Albert Russell. Seated, Edward Pinen, William Thomas and Oscar Martin.

## Scene of Republican National Convention

And here's Chicago's new "glittering" hall, built two years ago and one of the most modern convention halls in the world, where the G.O.P. will meet in June. It seats 35,000 and is only a seven minutes' drive from the heart of Chicago.

## FOUND DEAD IN PLANE CRASH

Miss Ruth Stauffer, left, of St. Louis and Mrs. Debie Stauffer, found dead in the wreckage of their plane near Nevilleton, Pa., were the only survivors of a flight which had been made in vain for days. They planned a flight to Hopkins Airfield from New York, to be made in the

## AIR-MINDED BANK BANDIT CAUGHT

Devilie Burdette, diminutive University sophomore Sophie Okla, youth, well-known as the "grease monkey" at Grand, Okla., bank, accepted a handful of paper money, jumped into his auto and drove 12 miles to catch a passenger plane at Shawnee, Okla. When the plane landed at Port Smith, Ark., the sheriff was there to meet him. Burdette, who also appeared above holding the money he recovered from the youth before him,

## HEIRESS ON TRIAL FOR MURDER

Helen Joy Morgan, 27-year-old heiress, is on trial for murder at Elko, Nev., charged with the slaying of her wealthy garage mechanic, George W. Clegg. She is shown above in the courtroom, in court in the center, above, with her attorney, C. J. Lynch, and his mother, Mrs. Carrie E. Morgan, in the courtroom.

## GROWS A NERVE

Dr. George C. Shattock, above, whose electrical experiments at the Annapolis Naval Hospital led to his resignation last year, had taken his own life with a tube of cocaine received from his doctor's verdict. When he resigned, Annapolis officials told how the young man had established remote control lighting systems of Bancroft Hall. Bryan is shown in the inset.

## MIDDLE FOUND DEAD

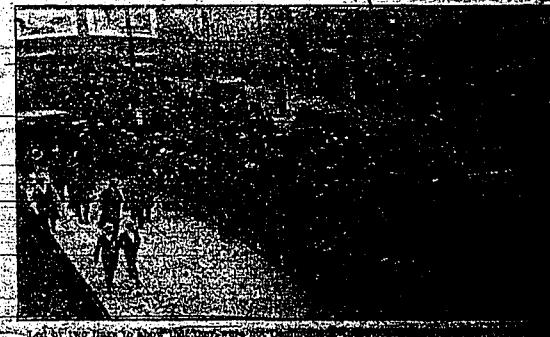

Found dead in bed at his home in Baltimore, 19-year-old John A. Czygan, above, whose electrical experiments at the Annapolis Naval Hospital led to his resignation last year, had taken his own life with a tube of cocaine received from his doctor's verdict. When he resigned, Annapolis officials told how the young man had established remote control lighting systems of Bancroft Hall. Bryan is shown in the inset.

## BRYAN FLAYS WINKLER "DEAL"

Governor Charles W. Bryan of Nebraska has bitterly criticized action of state officials there which resulted in the recovery of much of all of the loot in the \$4,000,000 robbery of a Lincoln, Neb., bank in 1929. In the picture above are Alexander James, chief investigator for Chicago's "Secret Six"; Mrs. Bryan, and Governor Bryan, in the inset.

## MARCH ON WASHINGTON ORGANIZED BY PRIEST

Marchers, including Cardinal Patrick J. Hayes, of New York, and other church leaders, marched on Washington yesterday to demand that the federal government do more to combat unemployment. The marchers, led by Cardinal Hayes, left the White House and headed down Constitution Avenue.

## RADIO ADVERTISING TALKS

THE government of Argentina seems to have devised a rule to govern radio broadcasting that might be worth a little serious consideration in the northern half of the new world.

Briefly, the rule is that advertising talks on commercial broadcasting programs must not exceed 100 words in length hereafter. The Buenos Aires newspaper, La Prensa, remarks that this ruling came because so many programs had become long mercantile discourses interspersed with short items of general interest.

Is this a rule that would work well in the United States? The average radio fan, knowing little and caring less about any legal objections that might be interposed, is probably more than ready to reply with an emphatic "Yes!"

## \$700,000,000 FOR SHIPS?

PATRIOTIC Americans who believe in seeing their country's defense properly maintained, and who also have a due regard for the state of the federal treasury, will have to do some earnest and protracted thinking during the next month or so. The new naval bill recently introduced by Congressman Carl Vinson, embodying the plans of the navy's general board, is cause in point.

This bill seeks the expenditure of \$700,000,000 on naval construction, involving 120 new ships. The program is not quite as stupendous as it sounds, as most of the proposed ships would simply replace obsolescent tonnage; indeed, it would be easy to defend it as a moderate and sensible plan for maintaining the navy at its proper strength.

But the present is a very bad time for proposing \$700,000,000 worth of naval construction. The federal deficit has got to be reduced, first to the best interest of the nation, to put the national needs ahead of those of the treasury?

## TWIN FALLS CANAL COMPANY

A FAIR of conservatively conducted and security permeated the meeting of the Twin Falls Canal company stockholders Tuesday, that reflected great credit on the representative people of this project and this county.

The financial statement revealed that the surplus account of the company had increased last year from \$375,598 to \$387,740; that there had been received last year in maintenance accounts \$265,502; and that there were less delinquencies in 1931 than is customary.

In addition the directors were able to reduce the annual maintenance charge this year to \$1 an acre for the 203,568 acres on the project, a charge which is the lowest since 1916.

Other heartening facts included the statement by the assistant secretary, that already there had been paid in \$3200 for 1932 maintenance charges, months in advance of the final due date.

The report of the general manager that there was this season the best prospects for water of any year in the past four, with the average depth of snow on the watershed 80 inches, cannot help but be encouraging, despite the fact that this project has been held 100 per cent water delivery.

That the stockholders were apparently entirely satisfied with the management of the present directors, as attested by the reelection of the entire board, most of the members of which have served for years, was an expression of trust and fidelity that augurs well for the administration of the business of the huge concern in 1932.

And to cap the climax—the stockholders, given the opportunity to vote themselves a 10 per cent discount for payment of maintenance before April 1, turned the matter down, as they did the other clause in the same resolution, which would have permitted delivery of water on that date without the necessity of first paying the maintenance charges.

Some twenty-eight hundred individual stockholders make up the membership of the Twin Falls Canal company, which has successfully functioned as the largest cooperative enterprise in the state for twenty-three years.

Having at its head a group of directors in whom repose the trust and confidence of its membership, as its general manager, John W. Iron, who has literally grown up with the company and is considered an indispensable asset to the successful conduct of its affairs, and other officials and employees of invaluable worth, it is reassuring to see so large and so important an enterprise as the Twin Falls Canal company continue to succeed in a year of trial and tribulation to the agricultural region which it ministers.

Certainly this constitutes an example of mutual cooperation and successful management in which the whole community can take pride, instilling us, it does confidence in the future of the main resource of this region, which is agriculture, and giving assurance that its chief asset, irrigation water is in competent hands and is being put to beneficial use in the manner conceived years ago by the fathers of the tract and the founders of the system.

# MURRAY BEGINS HIS CAMPAIGN FOR PRESIDENT

*Alfred Murray*, Bull Plans Extensive Drive For White House

By W. W. COPELAND  
Tulsa Press Staff Correspondent  
OKLAHOMA CITY, (UPI)—  
Years ago, when he was a delegate to the convention of Oklahoma, William Henry (Alfred) Murray has carried on an ambitious campaign to get his party to vote him in as the White House candidate.

With a slogan of "Bread, Butter, Bloom and Beans" and a definite stand on the prohibition question, he will present his platform to the delegates at the annual meeting of the American Legion in Washington, D. C., Jan. 18, was the only one scheduled, but six associates fell in line to go to New York City.

"It may not please the extremists on either side of the prohibition question, but it's surely the right thing," Murray said.

Although he would not disclose the stand he has taken, he generally has viewed the question from a liberal standpoint. Averaging his opinions, however, he has attacked the prohibition law for its violation of the sanctity of the home.

Murray, a candidate

Murray, a candidate, has decided his candidacy for the presidency, although he frequently has been mentioned as Democratic timber. He unhesitatingly made clear, however, that he would not run for the vice-presidency, or enter the senatorial race against Elton Thomas, Democrat.

The liberal politician has started an educational drive in Oklahoma to control the delegates to the Democratic national convention. He was selected the speaker at a recent meeting of the state tax program in a special election.

Murray carried 25 out of 77 counties in his election, winning the largest number of Democratic votes.

He was doubtful whom Murray would support for the presidential nomination.

On the Oklahoma delegation, he declared he would support Baker in the event of a tie; if not, he had no desire for another candidate.

He had expanded his program in 10 states, mailing more than a score of speeches outside his own state since his return from the convention. He has two addresses in Illinois, two in Texas, two in Nebraska, two in Kansas, three in Missouri and one each in California, Louisiana, Mississippi and North Carolina.

This morning, Friday, Jan. 15, in Marshalltown, Iowa, will be his fourth appearance in that state.

He will speak at the Hotel

for the second time in the city history.

**TRAINMEN AGREE TO 10 PER CENT WAGE REDUCTION**

(Continued From Page One)

The locomotive engineers soon in the field, the railroad workers, who have agreed to meet Daniel Willard of the I. & G. and eight more railroad presidents, it will not be "enough" of will they will be compelled to battle with the capitalistic interests, other heads of the union will be contending amicably with the owners of railroads on problems which will affect the interests of both sides.

"The crux of the matter is that the railroads are hard-pressed to meet their three charges," says Willard. "They are doing the best they can. Likewise have been hit by the depression, thus about half a million of them are out of work, and those which was demanded has been provided. The workers will take a 10 per cent cut in their salaries for one year, and the trainmen, who have agreed to meet Willard, will do the same. They will now total of \$20,000,000 to increase employment."

"Busines will have to pick up so that more trains can be run and more trains will be required. But the railroads will be rearing immediately thousands of workers to replace their run-down equipment and tracks."

A mathematical formula to calculate schedules to determine just how much money a person needs to support his family has been developed by the National Academy of Sciences, by Prof. George H. Cowell of Yale University.

In 1929 the United States government movie houses sold \$1,500,000,000 worth of admission tickets.

## BILL GIVEN SUPPORT

## GRUESOME FIND MADE IN CELLAR

Bones Resembling Those of a Child Are Uncovered In Cincinnati

CINCINNATI, Jan. 13 (UPI)—Remains of a child were found in the mucky cellar where Charles Hirschfeld, 35, left the body of Marian McLean, 46, after her attack and before he turned himself in to responsible those of a child.

General hospital physicians who examined the bones before sending them to the coroner announced, however, they were part of a human skeleton.

Hirschfeld appeared to have committed suicide, the coroner said.

"They emphasized, however, that they were not experts at such identification work and found shortly after a circuit court returned an indictment charging first degree murder against Hirschfeld, he attacked and killed the child."

Hirschfeld once had access to an other cellars, police said, and it is believed he had secreted them there. It is not known whether he had any children.

Although he would not disclose the stand he has taken, he generally has viewed the question from a liberal standpoint. Averaging his opinions, however, he has attacked the prohibition law for its violation of the sanctity of the home.
