

THREE RECORDS ARE SHATTERED AT TRACK MEET

Marks In Steeplechase, Relay And One-Mile Walk... Are Broken

NEW YORK (UPI) — Three new world records were set in one night in the records books today with the annual National A. A. U. indoor track and field championships at Madison Square Garden.

The records were in the 2-mile steeplechase, the one-mile walk, and the 1½ miles medley relay.

John Veneke, Portland, Oregon, set the steeplechase mark of 9:46.8.

Michael Jevors, veteran New York high jumper, set a new national record of 6' 7 1/2 inches.

Speculators of N. Y. U. won the medley in 7:29.2.

The promoted third annual indoor track and field competition was won by George Venek, Boyertown, Pa., who twice this season broke the world's record for the mile, apparently friendless from competition, a runner who could never stop him a meter. Only three men, including Venek, faced the barrier.

Another potential thrill, the high jump, resulted in a mere 6' 7 victory for George Spitz, New York University, who at 6' 8 1/4 inches, is higher than any other man in the world.

National A. A. U. indoor track and field champions, with the marks they made last night are:

Jimmy Durey and Guy Nelson will meet again in the Legion sponsored fight card at the Legion Auditorium, 11th Street, on Saturday evening, arranged by the Legion boxing committee.

These boys met at the last Legion card to fight to a draw.

Both fighters are good boxers and neither was ever of what the other could do. Jimmy probably wanted two rounds finding out and then went to the draw.

Sam is going to the draw here to the best of his ability.

He has been training hard in the remaining rounds.
