AS WE PREDICTED

the big oil corporations have finally brought their prices down where they belonged in the first place. Inasmuch as there has been no recent reduction in wholesale gasoline prices, this certainly proves our point that the oil corporations have tried to get an exorbitant price from their product.

AND STILL WE SAY

YOU STAY WITH US

WE'LL STAY WITH YOU

We still sell first-quality, crystal-clear, easy-starting, long-mileage gasoline, guaranteed to give entire satisfaction.

AND NOW A WORD ABOUT OUR BANK

At a citizens meeting last night, very definite steps were taken to assure us of a good sound bank.
