## RELIEF DEMAND SOARS AS COLD SWEEPS NATION

Thousands of Families Storm Charity Agencies in East And Middle West

## LAKES SHIPPING HALTED

Alaskan Winds Send Mercury Tumbling to Sub-Zero Frigid Levels

By United Press

A bitter cold wave buffeted two-thirds of the United States today. Airplane travel was halted in the Midwest and east, and railroads reported that, even trains were slowed by a wind which at times reached a 60-mile-an-hour velocity.

Public conditions were reported by charity organizations as thousands of families, tempted by recent spring-like weather to delay requests for fuel, stormed relief agencies with pleas for coal and clothing.

The temperature drop over an area more than 2,000 miles square was spectacular in its suddenness. Sweeping down from the interior of Alaska, and then striking the northwest, the wind brought the mercury from 44 degrees above zero yesterday in Chicago to exactly zero 12 hours later, and below zero this morning.

Only a few hours later the gale struck eastern states. Telephone poles were blown down in Ohio as the temperature fell.

Snow squalls struck Detroit and in Michigan, the upper peninsula, the temperature was 18 below.

Small ice storms, and a moderate temperature drop in 15 hours typical of reports throughout the typical.

Government weather observers said that the cold would not last, but the probably moderating slightly by tomorrow.

## JURY CONVINCTS EX-DRY 'CLEUTH'

Nationally Prominent Trial Concludes; Sentence Comes Today

By JACK BOWLER

DENVER, Colo., Jan. 29 (U.P.)—Henry Dierks, former federal dry agent, today was found guilty of voluntary manslaughter in connection with the death of Fred Smith, 20.

Dierks, 35, was sentenced to serve from one to eight years in federal prison.

Smith allegedly was killed by a blow from the butt of the agent's gun as Dierks sought to arrest him last year after the arrest of a few ounces of wine.

In reporting the verdict to Judge J. Foster Stone, federal district court, the jury had deliberated most of four days before reaching an agreement.

Stone recommended the mercy of the court.

Sentence today Judge Synnes announced Dierks would be sentenced at 4:30 p. m. today.

It was expected the former dry agent probably would receive the minimum sentence, one year in federal penitentiary, due to the lenient recommendation of the court.

Smith died in 1931 the day after he had been arrested by Dierks on a charge of illegal possession of four ounces of wine. His death allegedly resulted from a blow from the butt of the agent's gun.

The death came after he had lain in jail overnight without medical attention, following the arrest.

It was testified at the trial (Continued on Page 5, Column 3)

Officials Assert Only First Ransom Note to Family Was Genuine

The principal change in the bill was the senate amendment to limit the gold plan to a three-year limitation on stabilization fund operations. Speaker Hiram said the senate amendment was acceptable to President Roosevelt.

Chairman Somers of the college state was not present. Rep. MacFadden, Rep. P. A. opponent of the bill, sought to extend the debate but was defeated. The other chamber, when Somers had completed his explanation, Mr. Farnsworth said:

## WILL ROGERS SAYS:

NEW YORK, N. Y.,—Well, visited the senate today, and renewed many pleasant acquaintances. They are a fine bunch of fellows, and they take into consideration the amount of things the people say to them. They are not other in there, they come out and are good fellows.

The pleasure of sitting by Mrs. Alice Longworth in the senate gallery when the gold bill was passed, Alice, due to the Roosevelt tradition, took it right on the chin and smiled. She sincerely believed that no president ever carried the faith of so many people as this distant relative.

Years,

Will Rogers.

Rev. High Point, pastor of the First Methodist church here, announced the meeting. The state pardon board has approved, according to William J. J. Taylor.

Indiana Fights Move For Taking Gang To Wisconsin

TUCSON, Ariz., Jan. 29 (U.P.)—John Dillinger, called the midwest's No. 1 public enemy, and three henchmen will be returned to Indiana as soon as the federal indictment papers are signed, County Attorney Clarence Houston said today.

TUCSON, Ariz., Jan. 29 (U.P.)—A bitter fight between Wisconsin and Indiana authorities over the custody of John Dillinger and his gang of desperados impended today. The leader and his three imprisoned henchmen were offered a chance of life imprisonment in Wisconsin to escape possible death sentences in the Hoosier state.

Moving to block Indiana from extradition, the midwestern authorities, from Kalamazoo, Mich., to Chicago, Ill., are fighting a legal battle to keep the gang in Indiana. The gang, which was charged with robbing the American Trust and Savings bank of Tucson, Ariz., and the First National bank of Chicago, Ill., was captured by police in Chicago, Ill., on Jan. 27.

## DALADIER HEADS FRENCH CABINET

Former Premier Accepts Bid To Lead Government in Face of Orisis

PARIS, Jan. 29 (U.P.)—Former Premier Raymond Daladier accepted President Lebrun's invitation to form a new French government today.

Daladier's acceptance of the post, involving a grave task of political reconstruction in the face of the greatest national crisis since the war, came as a surprise to many politicians.

The former premier was called to the presidential palace at 12 p. m. after his resignation had refused a perfunctory offer of the premiership. When he went to the Elysee, he was announced that his mission was purely one of "political consultation."

Less than an hour afterward he had been commissioned to build a new government on the wreckage of the late Chautemps cabinet, which disintegrated under the pressure of the political crisis.

# CHICAGO BEARS TROUNCE PACIFIC COAST ALL-STARS

## PRO TOUR ENDS WITH 23-0 FRAY

Champions Offer Invulnerable Defense, Fast Offense In Decisive Win

LOS ANGELES, Jan. 29 (AP).—The Chicago Bears, national professional football champions, prepared to clinch today's victory by winding up their post-season barnstorming tour with a decisive 23 to 0 victory over an all-star eleven before 30,000 fans at Wrigley field here.

Making it three in a row for their west coast visit, the Bears put up an invulnerable defense while their backfield luminaries were tearing jagged holes in the all-stars' forward wall in the first and final quarters.

A pass from Sisk to Hewitt, a blocked punt by Hewitt behind the all-star goal line and a yarded run by Battles gave the Bears their three touchdowns. All three prior to conversion netted extra points and the two additional points came from a defensive man falling on the ball behind the all-star goal line for a safety.

Sisk's scoring pass to Hewitt was the first play of the game. Forty yards from his opponents' goal, Sisk punted and Hewitt punted 20 yards to score.

## Vancouver Jumper Takes Ski Crown

## ROSENBLUM ON CARD FOR WEEK

Lightweight Champion Fights Joe Knight in Titular Bout Thursday

NEW YORK, Jan. 29 (AP).—Light heavyweight champion Maxie Rosenbloom, the N.B.A. featherweight light, Freddie Miller, and former lightweight champion Tony Canzone will act this week, featuring the national boxing schedule.

Rosenbloom is a 6-to-5 favorite to retain his title against Young Joe Knight of Georgia in a 15-round bout at Miami, Fla., Thursday night. Knight has plenty of evidence, however, because of his excellent showing against Maxie in a 10-round match about 30 months ago.

Miller, the Cincinnati southpaw, tackles Frankie "Kid" Coveille of Brooklyn at the Brooklyn arena, New York, on an all-time 10-round Wednesday night, and Canezoni meets Cleo Leitchell of Italy in their postponed 12-round contest at Madison Square Garden, New York, Friday night. The winner will challenge Barney Ross for the lightweight crown.

## MILERS TO SEEK INDOOR RECORDS

Vencke and Cunningham Will Resume Track Feud in Millrose Games

NEW YORK, Jan. 29 (AP).—The American indoor mile record will be resumed in dead earnest Saturday night when Glenn Cunningham and Gene Vencke revive their 1923 head-to-head feud in the Wamannaker mile at Madison Square Garden.

This Wamannaker classic feature of the Millrose games will be the first of a series of four big indoor races in which Cunningham, Kurt Hahn, and Vencke, tall athletes from Pennsylvania, will oppose each other.

Expect New Mark Secretary Dan Ferris of the A. A. U., believes that Vencke would make 4:10 for the indoor mile will be lowered before the season is over. He figures this mark, peculiarly American, will be shaved down somewhat in proportion to the universal outdoor standard which foreign runners trimmed to 4:07.6 in the last couple of years.

Vencke and Cunningham will compete in the Wamannaker mile, the half mile, of the Boston A. A. meet; the Baxter mile of the New York A. C. games, and in the so-called Olympic mile of the National A. A. U. championships.

## Banlathen Dangerous

If they fail to make an impression on the record in the first two events, they may be forced to do so in their third meeting, the Banlathen mile, when they are certain to be pressed. If not beaten, by Bill Banlathen of Princeton, he is the chap who forced Jack Zischel of New Zealand to hit "sensational" 4:17.6 outdoor mark last summer.

Banlathen also will compete in the national 1,500 meter championship. Banlathen holds the world indoor record of 4:53.4 for this, and the chances are excellent that this mark will be improved.

## PROUD PAPA

LOS ANGELES, Jan. 29 (AP).—Tommy Paul of Buffalo, former featherweight champion, was a father for the third time when his wife presented him with a six-pound daughter in Queen Mary hospital yesterday. Mother and daughter were reported doing splendidly today.

Paul has been in Los Angeles several months, bowling over some of the coast's foremost featherweights.

## Man Who Found Tunney Turns to Bar-Tending

By HENRY McLEMOIR: NEW YORK, Jan. 29 (AP).—Putting the sports aside here and there:

Bob Grier, former "Wide Sox" pitcher who was banished from baseball for life in the 1919 scandal, now is a paymaster at a Ford plant in his town, and Vencke, tall athlete from Pennsylvania, will oppose each other.

Glenn Davidson, one-time Oklahoma university mile star, hitchhiked his way to run in the Millrose mile at Madison Square Garden Saturday night.

## IT'S NEW JOB

Glenn Davidson, one-time Oklahoma university mile star, hitchhiked his way to run in the Millrose mile at Madison Square Garden Saturday night.

Maxie Rosenbloom, light-heavy champion, plans to fight two more years and then turn to the "stage," where he believes "has dancing and crowd work and panic all concerned."

Bill Petrolle thinks Barney Ross will defeat Jimmy McLarnin if that match is made.

But, who has fought Ross twice and McLarnin three or four times, says the lightweight champion is much too fast for the Vancouver Irishman.

Tracy Speaker now is general sales manager for a Cleveland delicatessen, who knows a thing or two about baseball, likes Molly Brown and has a thing to say about all time, with Grove and Cochran in the No. 2 spot.

## Her Einstein and Roosevelt Decide They Like Boats

WASHINGTON, Jan. 29 (Special).—President Roosevelt and Professor Albert Einstein have found something in common boats, not the theory of relativity.

He and Mrs. Einstein were guests at the White House, the noted German showed all the enthusiasm of a boy when the President took him to the executive offices to see the collection of scientific prints.

Through Mrs. Einstein, who acted as an interpreter, the President learned that the principal diversion of her husband was boating and sailing.

## The First 30 Days are the hardest

HERE January is almost gone and if one of your resolutions was to operate in the New Year on a family budget plan, you have already experienced many of the temptations to abandon it. Indeed, the first 30 days are the hardest for budgeters!

It takes courage and patience and careful planning to live by the budget. There's no question about that! And one of the most vital essentials is careful buying.

The first principle of careful buying is daily study of the advertisements in your newspaper. Within its columns the trade of the world parades before your door, in those moments when you are considering your own needs, at the time you can balance your desires and your resources. You can make comparisons—pause, consider, decide at your own convenience!

Nothing can be more helpful to you in making your dollars go farthest than the opportunities and economies revealed to you through the advertisements in this newspaper.
