(Continued from Page One)  
certified two more arrests were made.

The Lehigh mills, employing 600, have operated throughout the strike with only 200 idle.

Shattered Windows

Women workers entering the plant today were heckled by pickets massed outside. Then the pickets began throwing stones and shattered mill windows.

National guardsmen and state police intervened and observed the mob with tear gas.

Soon afterward Gov. Louis J. Brann, at Augusta, issued statement, calling on the cities and towns of the state to organize "an arm in public to maintain order and protect the lives of citizens and property in their respective communities."

**TROOPS REPEL WOMEN**

ATLANTA, Ga., Sept. 19 (UPI)—Ten arrests were made today when national guardsmen repulsed a march of 225 young women pickets who came here from Biddleboro for the closing of the Lewisburg bakery and dye works.

All of the picked were employed by the Pepperell mills at Biddleboro, which closed yesterday. The Lewisburg bakery is a Pepperell branch.

**Intimidate Workers**

Arriving here in a motorcade in the blemishery's 2,000 employees going to work, the young women began what authorities charged was an attempt to intimidate the workers.

The 10 arrested had been identified by workers, police said, as intimidators.

Gumshaws sent here by Gov. Louis J. Brann last week to inquire whence had established a "deadline" around the blemishery. When the young women crossed this they were driven back and dispersed.

**NEW HAMPSHIRE VIOLENCE**

MUNICIPAL N.Y., Sept. 19 (UPI)—Two hundred strikers and 25 police clashed in hand-to-hand battle at the Suncook mills today in New Hampshire's first strike riot since the national walkout got under way.

Most of the strikers came here from Manchester, site of the huge Amoskeag textile plant, in an effort to force closing of the local mill, which reopened Monday after a three-week shutdown.

A thousand of the plant employees 800 but only 40 reported for work Monday, 20 yesterday, and three today.

After the pickets had been dispersed the plant was closed and the three workers still on the job went home un molested.

**CLASSES SELECT COUNCIL CHOICES**

Representatives of the student council were elected today by members of the high school classes. They are Jim Sinclair and Harry Taber, senior class; Woody Head, junior class; Helen Black, sophomore class; Virginia Kerlin, freshman class.

The scepter of the "king" of the ball leaders was given to Miss Bettye Magel yesterday. Her "dukes" and Miss Theron Hartley, Miss Ruth Hartley, and Ed Lloyd, sophomores, who will represent them are Grant Sawyer, Richard Hart, Allen Donaldson, Douglass Salmon, Glenn Dossert, Norris Stettler and Helen Sevren. This group will aid in promoting pep among the students during interscholastic contests. Their first performance will be at the Twin Falls football game Sept. 28.

Congress secretaries also chosen at election were: Mrs. Lillian Moyer, senior; Daley Diane Thomas, junior; Mary K. Smith, sophomore; Milner Dunn, freshman.

**Seen Today**

Claude ("Heat Merchant") Detweiler sporting a new type of hair dress as the result of one of his practical jokes doing a boomerang. Convincing members of the Junior Chamber that the president, secretary, and chairman of the

local club would be to the women of Twin Falls without their mustaches, Detweiler numbered support to re-lyric and office of each department with an electric razor which he produced at the close of last night's Junior Chamber meeting. The victims, seeing an opportunity, phaled upon the membership's sentiment with the suggestion that Detweiler's appearance might be vastly improved with a modern haircut performed with the "heat blaster." Despite his protests, the three dismasted members took turns in giving the heat merchant a tour of town. Before going to the barbershop early this morning he looked like a Russian victim with a "soup bowl haircut." Today his hat was at least two sizes too large.

**Visits Here**

Mrs. Mary Peters Flodberg, state treasurer of Business and Professional Women's clubs, was an overnight visitor here. She is en route to her home at Troy after a trip to Pocatello and Downey. She was a guest of Mrs. DeWitt Osborn and other members of the local club.

Members of the Evening Times are invited to contribute brief news items to this department by letter to the editor of the paper by telephone. The number is 38.

**Leaves for School**

Ruth Osgood has left for Moscow, where she will enter the University of Idaho.

**Resumes Studies**

Miss Katherine McCoy has returned to Washington State college, Pullman, to resume her studies.

**To Attend School**

Wayne Hobson plans to leave tomorrow for Provo, Utah, where he will attend Brigham Young university.

**Relocation Visit**

Mr. and Mrs. Theodore Windisch, Greeley, Colo., uncle and aunt of Mrs. G. P. Duvall, are guests of Judge and Mrs. Duvall at their home on Ninth avenue east.

**Application for Permit**

Clark E. Smith, 320 Main avenue south, has applied to the city for a permit to construct a 6x10 foot building on lot 5 in block 105. The improvement will cost \$20.

**Hot Place for Meeting**

Protests count rooms have been designated on the meeting place for the New Deal club Friday at 8 p.m., officers state. The session will be given over to membership matters.

**Leading Lamb**

Harvey S. Hale, county extension agent, is at Hurler and Eller today loading lumber for the first load. Additional numbers will be loaded in Twin Falls tomorrow.

**Small Visits Here**

L. A. Small, Helena, Mont., is visiting friends and relatives in this locality. Small, a former Eller resident, is manager of a hardware store at the Montana state capital.

**Perrine Returns**

J. H. Perrine has returned from a trip to Boise, and yesterday transacted business in Twin Falls. He has been engaged in looking after the Blue Lakes ranch fruit crop for the past several weeks.

**Fusse Driving Charge**

Pat Conroy has been charged in a complaint sworn to by John W. Mackay with having operated a motor vehicle while under the influence of intoxicating liquor and was to be brought before Justice H. M. Holler today.

**Charged Cruelty**

On charges of cruelty and non-support, Mrs. Eva Ross, Harmon, has commenced suit in district court, seeking a divorce from her husband. The couple are parents of two children. Edward Babcock, Twin Falls, attorney for the plaintiff.

**Enter Colorado University**

Charles Ellinger, son of Mr. and Mrs. J. O. Ellinger, residing south of this city, left the first of the week for Boulder, Colo., where he will enter the University of Colorado. He will take pre-medical course. He is a graduate of the Twin Falls high school and had last attended the College of Idaho at Caldwell.

**Two Speak At Rotary**

Ray Agee gave a talk on the constitution in harmony with "constitution week" now being observed, and Coach Harry Powers outlined Twin Falls high school's football prospects at the regular luncheon noon luncheon of Rotary club at the Park hotel today. Charles Shidley led community singing, which was accompanied by Mrs. J. E. Hodget.

**At the Hospital**

Mrs. G. E. Hart, Filer, E. L. O'Connor, Kimberly, Ralph Edwards, Twin Falls, surgical patients, and Vincent Hermode, Twin Falls, medical patients, have entered the hospital. Dianesdale, including John Pheuer, Mrs. H. G. Dillman, Filer, Mrs. Esther Wright, Twin Falls, and Mrs. Anna Pennington, Kimberly, after operations and Mrs. Elton Ellinger and baby boy, Twin Falls.

**State Papers Filed**

Application for appointment of Chloe Bleiburn as administrator of the estate of the late Martin E. Carr, has been filed in probate court by J. B. Carr, husband of the deceased. Mrs. Carr died Sept. 6. Hearing on the petition has been set for Oct. 1, at 10 a.m. Property is estimated to have a value of \$360,000.

Other papers filed in probate court by the deceased, filed according to the application, filed by Elton and Willis Moffatt, Boise, attorneys for the petitioner.

**Woman Captures Coveted Bridge Trophy**

NEW YORK, Sept. 19 (UPI)—Miss Edith Murdoch took precedence over Mrs. Elly Culbertson in the American Bridge League's listing of master points today by virtue of her victory in the individual competition, a championship match under handicap. The others are General Motors, Chrysler and Ford.

**IRON FIREMAN AUTOMATIC**

The first woman to receive the country's most coveted bridge prize, Miss Murdoch defeated D. Jay Becker, of Philadelphia, by half a point in a tournament where match points were figured in the hundreds. Her score was 384.

Her point listing increased 30 points yesterday to a total of 384. Mrs. Culbertson has 36 points.

**3RD PARTY MOVE****LEFT IN DOUBT****Wisconsin Vote Falls to Give Clear Omens on Success Of Split Effort**

(Continued from Page One) nomination without opposition. John Chapman, former editor, won the Republican nomination also without opposition.

**G. O. P. Runs Third**

Here the Progressives, again without a candidate, ran slightly behind the Democratic total with the Republicans in third place.

Stoessel, candidate, few with opposition, polled a far smaller total than the three leading parties.

The Wisconsin primary had been closely watched for evidence of a possible spread of the third party movement to other states.

**WISCONSIN VOTE LAUDS NEW DEAL****Governor Ears Renomination On Basis of Support for Roosevelt**

MILWAUKEE, Sept. 19 (UPI)—Gov. A. G. Schimdtzman was renominated by the Democratic party in the Wisconsin primary in which a new Progressive party was baptized at the polls.

Returning today indicated the Progressive party, a trial balloon for a new national alignment of Laborites, failed to receive sufficient support to give it a firm foothold.

The new party, led by the two落选的 brothers, Senator Robert M. La Follette, Jr., and former Gov. Philip P. La Follette, appeared likely to poll a few more than the 20,000 signatures obtained to give it birth earlier this year.

**New Deal Vindicated**

Supporters of the New Deal, however, claimed a reaffirmation of its popularity as a result of heavy voting.

Senators, who told the voters he was "proud to be a rubber stamp" for President Roosevelt, won over two opponents.

Other winners were uncertain, but Howard T. Green appeared to have received the Republican nomination for governor.

Stephen has been in the senate 11 years and the home 11 years. The one plank in his platform said: "I'll stand by the President—but not by him."

Appointed to the Senate by the Buhl minister, Justice Frank Murphy, and re-elected, easily beaten Buhl D. Stephen, conservative incumbent, in yesterday's runoff election for the Democratic senatorial nomination.

# GIANTS DIVIDE WITH REDS, FAIL TO GAIN ON IDLE ST. LOUIS

## ROWE SHUTS OUT NEW YORK YANKS

Detroit Stretches Margin to Seven and Half Games in American Race

**N**EW YORK, Sept. 19 (UPI)—Speaking of hard luck pitchers, consider the curse of Freddy Fitzsimmons of the faltering New York Giants and "Buck" Newsom of the St. Louis Browns.

Poor Freddy has pitched 31 consecutive innings without getting the support of a single run from his Giant mates. And unlucky "Buck" stopped out yesterday, pitched a meager-one-hitter game while his opponents allowed 10, yet "Buck" was the losing pitcher, 2 to 1.

### Hafey Breaks Tie

Fitzsimmons pitched the opener between the Giants and Cardinals, Reds against Tommy Foxx. He allowed six hits against Foxx's seven, but the Red Sox won 2-0, after Chick Hafey broke a scoreless tie by smashing out a homer in the 10th with Jim Bottomley aboard. However, the Giants won the nightcap, 4-2, by virtue of Mel Ott's fifth homer in the fourth and three Giants runs in the sixth. This even break prevented the Giants from gaining ground in the National League pennant race while the Cardinals were idle. The split left the Giants still three and a half games ahead of St. Louis. And the New Yorkers must win nine of the 10 games left on their schedule to clinch the pennant if the Cards win their remaining 14 games.

### Cards Ruled Out

In the National league, wet grounds at Boston caused postponement of the Cardinals-Braves contest.

The Cubs and Phillips split a twin bill, Chicago winning the opener, 7-3, with Don Hurst leading the Cubs' 12-hit attack, but the Phils took the nightcap, 8-1, when Phil Collins limited the Cubs to five hits. Brooklyn downed the Braves 6-4, hammering out 17 hits off three Pittsburgh pitchers.

### Rowe Beats Yanks

Detroit stretched its American League lead to seven and a half games over the Yankees by beating New York, 2-0, behind Schoolboy Rowe's six-hit pitching for his 24th victory. Hank Greenberg won the game with a homer in the fourth.

Cleveland took two games from Washington, 4-5, in the first when Earl Averill's single in the 12th drove in the winning run, and 8-7 in the nightcap, when the Indians outlasted the Senators, 13 to 8.

Connie Mack's Athletics blanked the White Sox, 6-0, behind Dickey's six-hit flinging, while the A's made 12 safeties off Kennedy and Thiel, including Thiel's home run with one aboard as part of a five-run rally in the eighth.

## ROSS ASKS FOR RETURN BATTLE

**B**arney says he "Won't Cry" Over Decision That Cost Welter Title

**C**HLICAGO, Sept. 19 (UPI)—A good sport in defeat, Barney Ross, lightweight champion, who lost his welterweight title to Jimmy McLaughlin, New York, Monday night, said today all he wanted was a return bout with McLaughlin to prove he was a victim of a "bad decision."

Ross returned last night from the east in a plane to observe the Jewish holiday, Yom Kippur.

"I think I was the victim of a bad decision," said Ross, "but I won't cry about it. All I want is a return bout." I gave Jimmy a return bout—quid pro quo—and I think he should be equally considerate to me. Chicago is the logical place for the next bout."

## Frisco's Dons Ready to Upset Coast 'Big-Shots'

BY RONALD WAGONER

SAN FRANCISCO, Sept. 19 (UPI)—With a line which will not go to any on the Pacific coast and now backfield threats to spark an attack, the University of San Francisco this year throws pre-season snare into the camp of opponents.

Mighty Stanford, Oregon State, San Fran, and the Don's have reason to be wary.

Almost every Don game saw from three to six tumbles. Yet Stanford pulled out a 20 to 13 victory only by a last minute finger-tip pass to Monk Moreland. The USC Marauders put up 100 yards to the Don's 100.

Al Lopez, Brooklyn catcher, is the third man on board. He has been chosen five times, that neuron. Mickey Cochrane got plenty of credit to George Goslin for helping the younger members of the Tigers.

George Goslin, who has played on three championship teams, deserved much of the credit for developing Jo-jo White.

Cochrane was about to give up on him, but Goslin inspired the youngster who showed his worth by kept in action.

Using 1933 Ball?

Many National league lettermen claim that the magnates have tossed in a few of the 1933 baseballs recently, explaining the reason for more tight games in the last few weeks.

The Red Sox will play to almost 50,000 paid customers at Fenway park this season.

Harry Heilmann, former Detroit star, may be picked to broadcast last night's doubleheader, which will be called all league night with the field name announced shortly by Fred Steiner, president of the Team Ball service, after in case of a players absence, his teammate will take his place.

Using 1933 Ball?

Many National league lettermen claim that the magnates have tossed in a few of the 1933 baseballs recently, explaining the reason for more tight games in the last few weeks.

The Red Sox will play to almost 50,000 paid customers at Fenway park this season.

Harry Heilmann, former Detroit star, may be picked to broadcast last night's doubleheader, which will be called all league night with the field name announced shortly by Fred Steiner, president of the Team Ball service, after in case of a players absence, his teammate will take his place.

Al Lopez, Brooklyn catcher, is the third man on board. He has been chosen five times, that neuron.

Mickey Cochrane got plenty of credit to George Goslin for helping the younger members of the Tigers.

George Goslin, who has played on three championship teams, deserved much of the credit for developing Jo-jo White.

Cochrane was about to give up on him, but Goslin inspired the youngster who showed his worth by kept in action.

THE HIGHWAY MENACE

Deaths from auto accidents in this county are occurring with increasing frequency.

Despite the warnings, and the terrible lessons which each tragedy teaches, the toll goes on.

It is true that many of these accidents seem to be unavoidable, but the truth remains that for the most part, carelessness, either on the part of drivers or of pedestrians, is wholly at fault.

The desire for too much speed is at the base of most accidents. Why people are in such a hurry, and where they are going at such haste is beyond the imagination of many of those who lived in the days of horses and buggies.

In Twin Falls, it seems that Addison avenue is to be made a speedway. The newly-surfaced street tempts the careless, with the result that trucks and cars are to be seen daily speeding at a break-neck pace without regard for the lives or limbs of the many school children en route to and from Washington school and Lincoln school.

Traffic officers will do well to curb this brazen violation of the law within the incorporation. Some examples in punishment should be made. Let the courts take the licenses away from a few of the incorrigibles, inflict some heavy fines, or even issue some jail sentences. This protection is needed if for nothing more than to protect the lives of careless drivers themselves.

This county, with its miles of good roads, has a reputation also of contributing more than its share of traffic accidents to the mounting toll. Not only is life involved, but property too, for the damage to cars resulting from collisions, turn-overs and side-wheepings is no small figure.

Surely with the fine highways and streets which abound, the number of accidents can be reduced through a combination of education, law enforcement and public opinion asserting itself.

Recently a donkey fell out of a truck and choked on its halter. Would the elephant have done the same thing?

UP TO THE FARMERS

Chester C. Davis, administrator for the AAA, says that future crop control schemes will depend on the wishes of the farmers themselves.

Corn belt farmers will be asked to take part in a referendum, to say what they want to do about their 1935 corn crop. Similar referenda will be taken among other farmers regarding other phases of the AAA program; and if the farmers wish to give up the whole crop control plan, they will be able to say so, and the government will listen to them.

It is doubtful if any man is wise enough to predict, at present, just how the farmers will vote; and that is precisely what makes the taking of these referenda a wise move. In the long run, no agricultural plan can succeed if it does not have the support of a majority of the farmers. To find out exactly how the farmers feel about the present program is a very sensible move.

If California becomes the land of milk and honey, Mr. Sinclair, won't there be a lot of flies?

SCIENCE ADVANCES TO DEATH!

It is not entirely without significance that the first bit of news from the annual meeting of the American Chemical Society, at Cleveland, was announcement of a discovery of an exceptionally poisonous new gas.

This gas, according to Dr. George H. Cady, research chemist, is a fluorine compound somewhat like phosgene gas. It produces death if inhaled; furthermore, a blanket of it in a trench would explode, with disastrous results, if its temperature were raised slightly. All in all, it looks like a very neat little addition to the chemical warfare unit's arsenal.

Thus we have another scientific triumph—whose chief result will be to make it a little easier for us to help wipe the human race off of the earth. The future is dark indeed, unless we can learn to use the discoveries of science for constructive ends.

JET DIPLOMATS PROTEST

It is not exactly surprising that a number of foreign governments have issued protests against the revelations that have been made before the Senate investigations committee. Witnesses have shown how statesmen worked hand in glove with munitions firms, how highly placed politicians in various lands took bribes, and how very exalted personages were not above playing the game for the armaments makers.

The protests, then, are only natural; but they are not, after all, any skin off the hides of the Senate investigators.

The American people want to know all they can about the devious ins and outs of this rather shocking traffic. The senators are doing a fine job of finding out for them. If the revelations pain important people, at home or abroad—well, that's just too bad.

# RELIEF EXPENSE UNDER SCRUTINY

HISTORIC  
OF TWIN FALLS  
CITY & COUNTY

As Cleared from Files of The Times

5 NEW TEACHERS  
LISTED ON STAFF

Murtough School Has Larger Program for Current Term

15 Years Ago

M. A. Thometz, Twin Falls left yesterday for Boise, where he will be superintendent of the state fair.

In the three intervening years, Mr. Thometz has been fair superintendent.

Under the leadership of Lee A. Blackmer, former director of the fair, the "Old" Christian church, Salt Lake City, an organization of administrative friends, criticized the administration's financial expenditures for human relief.

Relief costs are high and probably will go higher. Total figures reported so far was \$126,000,000 last May. May be divided between federal, state and local governments.

Political Reasons

Private criticism heard here has largely on political considerations, but the administration has not been becoming alarmed at mounting relief costs. There is complaint that in some southern states cotton pickers and other laborers got temporary jobs for fear they will be unable to repay government relief statute.

A general and illuminating summary of political viewpoint was made available to the United Press in the course of the recent 10th anniversary of the influential Democratic senator, and his unfavorable political development of the moment included:

1. Fear Tax Hoot.

2. Widespread clamor of the possibility that federal funds may be used to feed strike.

3. NRA difficulties, principally the disputes arising from the labor laws over wages, rights.

4. The cost of human relief.

Favorable to Democrats, or favorable political conditions included:

1. AAA farm relief.

2. Operation of the Christian Conservation Corp.

3. Development of various federal credit programs through the Home Owners' Loan Corporation, the RFC, Housing Administration, etc.

Uncertainty over relief costs was aggravated by the recent reports of Diamond E. Hiebing, secretary of the executive council.

In 18 months to June, 1934, the federal, state and local expenditure aggregated \$1,338,665,000. May, 1934, high month for reported, showed almost \$7,000,000 persons on the relief rolls. High point in the inflationary period.

Money Wasted

Relief reports are being scrutinized to discover what becomes of the money. A Texas relief committee recently showed administrative costs in one country exceeding the sum given the needy.

Example: Bonneville county, actual relief \$375, administrative expenses \$542; Lava County, \$1,314, \$1,314.

The fact that some relief recipients arrive to collect in various places. These are pin pricks and not necessarily typical nor even important. But they will figure in the impending dispute, much of which will take place secretly in President Roosevelt's effort to re-negotiate doubtful congressional legislation.

Johnson attended the state committee's prioritized hearing here and submitted the proposal as a bill of non-resolution. He exhibited letter from Frank J. Longwood, Los Angeles, giving details of proposed California exports but was excused from naming the individual purchasers.

Possibility of oil being stored for military purposes was suggested by Capt. J. F. Lucy, Dallas. No announcement of the ultimate export was made.

At the first regular meeting of the Gooding school board since the election of the new trustee, Dr. J. H. Cromwell and A. E. Thompson were sworn in. William Pyle was selected as chairman; J. W. Clouser, vice-chairman; C. E. Admann, treasurer, and F. H. Thomas, clerk.

Dopet, A. H. A. Whittom reported the cattle during August of 1933 on 37,000 carloads of produce and livestock which included four car of wheat, 13 car of potatoes, seven car of livestock, one car of honey, eight car of seed and eight car of hay.

Miss Frances Wenstrom left Saturday morning for Decatur, Ill., to visit relatives.

Miss Lucy Wolfenden left Wednesday for Corvallis, Ore., where she will reside with her brother, Dr. J. W. Wolfenden.

Miss Wolfenden was accompanied by Michael Aronson.

Minidoka Students

Members of the Democratic central committee of Gooding county decided to hold up decision on the postmaster appointment at Gooding until after the November election at a meeting held last week in the postmaster's office.

Mr. Robert Morris Wendell, vice-chairman, presented:

At the first regular meeting of the Gooding school board since the election of the new trustee, Dr. J. H. Cromwell and A. E. Thompson were sworn in. William Pyle was selected as chairman; J. W. Clouser, vice-chairman; C. E. Admann, treasurer, and F. H. Thomas, clerk.

Minidoka 4-H Clubs Will Stage Exhibit

RUPERT, Sept. 19 (Special)—

Former club will hold fair at the Emerson school Saturday, Sept. 22. Canning and clothing exhibits will be included as well as gifts and sharing of livestock.

The fair will be held at noon by the members of the 4-H clubs.

The demonstration and a craft show will be held in the afternoon.

Meat consumers will suffice.

Report any complaints of price gouging to the home economics division, bureau of agriculture.

(To Be Continued)

HANSEN

At the regular Council meeting held Thursday at the church constitution and committee due were read and Mrs. La Course and Mrs. A. R. Scott were selected to receive the constitution. Mrs. W. H. Sampson was selected as head of committee for reworking the constitution. The new constitution will be effective Jan. 1, 1935.

The tobacco industry in one of the largest in the nation, it employs 80,000 workers at its peak. Introduction of labor-saving machinery has gone farther in manufacturing tobacco than in almost any other industry. A new machine put out on the market can turn out 2,000 cigarettes a minute.

PRICES

Another thing about the drought: Prices of foods have gone much too high. There is no shortage at all for two-thirds of the foods we Americans eat.

For most of the remaining foods, the probable shortage will be from 5 to 10 per cent.

Only a few foods will show a reduction of 10 to 20 per cent.

If you buy canned fruit, canned vegetables or sugar, you need not worry. The drought has not touched supplies of these foods.

Meat consumers will suffice.

Report any complaints of price gouging to the home economics division, bureau of agriculture.

The fair will be held at noon by the members of the 4-H clubs.

The demonstration and a craft show will be held in the afternoon.

AUXILIARY SPONSORS  
SECOND BRIDGE LUNCHEON  
Members of American Legion auxiliary entertained at a second bridge luncheon in the auxiliary room of the Legion Memorial hall today. The three tables were handsomely appointed with crystalware, three in green three in clear. Bowls of harmonizing roses centered each table. Bank of America, Melton, dilated actors and other fall flowers adorned the colorful luncheon.

The players, who were seated at both contract and auction bridge.

Hostesses of the day were Mrs. Fred Clark, Mrs. J. H. Blandford, Mrs. John Harvey, Mrs. Lewis Leopold, Mrs. J. H. Turner, Mrs. J. H. Nelson, Mrs. J. E. Warner, Mrs. J. H. Winterholer, Mrs. H. A. Bell, Mrs. A. H. Clayton, Mrs. J. H. Hodgin, and Mrs. John Bulach.

Prize winners at a similar dinner yesterday were Mrs. Mr. R. A. Putton and Mrs. Ora Cryder, for high scores at both pro-

gramme and plotting contract.

\* \* \*

DINNER OPENS

YEAR FOR P. E. O.

At 6:30 o'clock dinner served by members of the first division preceded the first fall meeting of Chapter D. P. E. O. Blandford, host, opened the meeting of Mrs. C. M. McLean, president of North Avenue north, Mrs. Leo L. Worth was announced as chairman of the program, Mrs. J. H. Grant presided at the business meeting. At cards played later in the evening, Mrs. Harry Benolt received high score prize and Miss Jean Sweetley low score favor.

M. J. A. HOLDS

OPENING SOCIAL

The Mutual Improvement association of the Latter Day Saints church held its opening social last evening in the Tabernacle. Dancing formed the principal diversion, and Glen Bates' Night Hawkl furnished music. Mrs. Agnes Blew and F. A. Babbel were in charge of arrangements. The social preceded the regular opening of the Mutual work next Thursday evening. Two hundred persons attended.

\* \* \*

CLASS TO HOLD

MAIORI HAANCH DINNER

Young Married People's class of the Christian church will be holding their annual "back to school day" party yesterday at the home of Mrs. Arthur Gordon. Twenty members, buried in short gingham and bib aprons attended "class." Each brought a lunch box, contents of which were spread at "recess." Mrs. Marvin Mayo, program leader and teacher, conducted lessons in geography and English. Mrs. M. O. Kuykendall gave a reading and Mrs. R. P. Douglass sang "School Days." Mrs. Lionel Dean also gave a reading.

Mrs. Ida Threlkeld, president, conducted the business session.

\* \* \*

LOCAL DEGREE STAFF

INVITED TO COUNCIL

Primrose Rebekah Lodge met in their new home, coming in the Old Fellowship hall. During the business meeting the president read an invitation to the Twin Falls lodge degree staff to put on initiation work for the Council lodge in November. Mrs. Lionel Dean, chairman of the hope chest committee, reported that work on it is almost completed, and that it will be displayed sometime before it is to be given away during the Christmas holidays. Mrs. Corene McMillan, formerly a member of the lodge at Percy, Ill., was admitted into membership.

After the business meeting, Mrs. S. Wattling, program leader, arranged several tables of bridge. Mrs. W. O. Watts received high score prize and Mrs. Jennie Rhinehart low score prize.

Approximately 4000 variation of the rose have been produced to date.

## CALDWELL OPENS CLASS SCHEDULE

CALDWELL, Sept. 10 (Special)

With the completion and formalized incorporation of last year's class opening the College of Idaho's forty-fourth session got underway Monday morning.

At the end of the regular registration days 330 students had enrolled for college work, Miss Berna Staunenberg, registrar, reported. This compares with a high figure of 394 a year ago but in above the 322 mark at the same time two years ago.

For a cigarette to be milder and taste better it must be made of mild, ripe Turkish and home-grown tobaccos.

### STILL ON "OUTS"

At Lenox, They Refuse Picture  
Pone Until Joseph Schenck  
Sits Between

(Copyright, 1934, English Press)  
HOLLYWOOD, Sept. 10 (AP)—

Douglas Fairbanks and Mary Pickford appear to be "still" names since there is no sign of a reconciliation. At least, they're giving the public a hint that Hollywood's most publicized romance in on the mend.

Yesterday at a directors' meeting of the United Artists Co., they denigrated at posing for photographs. Not until the cameras began to preyed upon them, M. Schenck, president, is at between them—would they finally agree to be "still" names again? They smiled and spoke, but it was only a perfunctory word or two that passed between them.

Charlie Chaplin revealed in Long

awarded silent comedy, tentatively entitled "Commonwealth," would go into production later this week.

Upon its completion, he will direct a talkie but he won't appear in it, he said.

Douglas Fairbanks is finding here something of a national idol on her first trip to his native Mexico in several years.

She left by plane for Mexico City yesterday with her husband, Cedric Gibbons, film art director. At every airport, crowds turned out to greet her, according to United Press dispatches from the southern republic. The trip is in the nature of a vacation for the actress and her husband.

One of Eddie Cantor's jokes compelled Hazel Forbes, wealthy young actress, to cry today that she is the bride of David Rubinstein.

Appearing together at the premiere of "A Midsummer Night's Dream," Miss Forbes and Rubinstein were announced over the loudspeakers by John Dolan, master of ceremonies, as "Mr. and Mrs. David Rubinstein."

Eddie Cantor put John Boles up to it as a joke," Miss Forbes said. "It was a good joke to everybody except Mr. Rubinstein and myself."

Not Efficient Remedy, Say  
Rosenblatt in Condemning  
Move for Curb

CINCINNATI, Sept. 10 (AP)—

A popular screen hero of yesterday who was to finish his marriage when Norman Kerr, 43, was divorced by Mrs. Helen Mary Kuhner, 34.

Kerry, whose real name is Kuhner, was accused by being "drunk three

or four times a week and once

struck his wife. They were married Nov. 2, 1932. Mrs. Kuhner did not respond allusively.

An automobile which overturned on a highway near Monticello, Mont., on Aug. 8 was driven negligently, Mary A. Dupre, 22, style double for Marlene Dietrich, charged today in a \$25,000 damage suit against Albert and Marie Roth.

Mrs. Dupre claimed to have been a passenger when the machine reportedly driven by Roth, over-

turned.

Rosenblatt spoke before the 12th annual convention of the National Association of Broadcasters.

He praised labor for its co-operation in making enforcement codes effective, saying that the broadcasting field had simplified its problem before creation of NRA. He urged the common problem through the association membership.

Adoption of a code, the administrator said, is not the end of an efficient industry.

Interment was in the Rupert cemetery beside her husband, On-CD COX, whose death occurred five weeks ago.

Dr. Royanger, East Specialist,  
Penney Clinic, Photo 333-L—Adv.

a good cigarette gives you  
a lot of pleasure

... just about every cigarette smoker knows  
that—but here are some other facts to keep in mind...

For a cigarette to be milder and taste better it must be  
made of mild, ripe Turkish and home-grown tobaccos.

We wish you could go into the factories and see  
Chesterfield made. The mild ripe tobacco is cut in  
long even threads—then packed into the cigarette so  
as to make Chesterfield draw right and burn evenly.

A good cigarette can give you a lot of pleasure, and we  
would like for you to try Chesterfield.

## Hagerman

Bam Johnson Inn and the Hagerman hotel to Men George Woodhead, Woodhead will be taken by Mr. Woodhead Monday.

The innkeeper work under the Hagerman Inn will be handled by the superintendence of Men J. V. Thompson, who has been engaged to take care of the inn.

About 1,800 cans of fruit and vegetables such as beans, corn, tomatoes, peaches and prunes. This work has given six women 16 hours work five days a week.

Mrs. Jack Woodhead, Mrs. Thompson and Alice Burdette left Holbrook, Arizona, yesterday morning.

Woodhead will enter Good County, Montana, for a month, and

return to Hagerman.

Woodhead is a member of the

Legion Memorial hall, and J. E.

Marion State Normal school for the senior year.

Mrs. Marion and Mr. Burdette will visit relatives.

A son, Ralph, was born Sept. 11,

to Mr. and Mrs. L. E. Ryden.

## LIBERT SELECTED IN LEGION DRIVE

Named Membership Chairman  
To Direct New Campaign  
For Enrollments

Appointment of Ed Libert, an membership chairman for Twin Falls American Legion Post, was announced today by J. H. Blundford, newly elected commander. He said that a plan which would follow this year in gathering enrollments, would be to choose 25 members on the committee, and assign each member eight or 10 prospects to solicit.

Paul H. Taylor, Ralph E. Leight, and Guy Hendrickson have been reelected by Commandant Blundford as members of the building committee in charge of the Legion Memorial hall, and J. E.

Marion State Normal school for the senior year.

Mrs. Marion and Mr. Burdette will visit relatives.

A son, Ralph, was born Sept. 11,

to Mr. and Mrs. L. E. Ryden.

## Bertha E. Campbell's Ready-to-Wear

Wool Dresses in a variety of style and price, are now being shown.

## CALDWELL OPENS CLASS SCHEDULE

CALDWELL, Sept. 10 (Special)

With the completion and formalized incorporation of last year's class opening the College of Idaho's forty-fourth session got underway Monday morning.

At the end of the regular regis-

stration days 330 students had enrolled for college work, Miss Berna Staunenberg, registrar, reported.

This compares with a high figure of 394 a year ago but in above the 322 mark at the same time two years ago.

For a cigarette to be milder and taste better it must be made of mild, ripe Turkish and home-grown tobaccos.

We wish you could go into the factories and see Chesterfield made. The mild ripe tobacco is cut in long even threads—then packed into the cigarette so

as to make Chesterfield draw right and burn evenly.

A good cigarette can give you a lot of pleasure, and we

would like for you to try Chesterfield.

the cigarette that's MILD  
the cigarette that

TASTES BETTER

Chesterfield

## Marian Martin Pattern

GIRLS FROCK JUST SO!

Complete, Diagrammed Marian  
Martin Sew Chart Included

PATTERN 0100

While a school girl may be a natural kind of person to dress, her clothes must be first of all simple, then trim and comfortable. Young girls like to look well, so bring over in the front to the inverted pleats fanning out at the bottom, every detail of this dress is youthful and attractive. Many mothers would be suitable for it.

Send FIFTEEN CENTS in coins  
or stamps (coins preferred) for  
each MARIAN MARTIN pat-  
tern. Be sure to write plainly your  
NAME, ADDRESS, the STYLE  
NUMBER and SIZE of each pat-  
tern.

A beautiful complete collection  
of Summer Clothes is shown in  
the NEW-SUMMER EDITION of  
the MARIAN MARTIN PAT-  
TERNS BOOK. This book will help  
you plan a stunning vacation  
wardrobe. Clever beach ensembles,

## THE CURIOUS WORLD

By William Ferguson

1934 BY NEA SERVICE INC.

WASHINGTON MONUMENT... AS IT MIGHT HAVE BEEN!

AFTER THE MONUMENT

HAD STOOD UNFINISHED

FOR MANY YEARS, MOTIONS

WERE MADE THAT IT BE LEFT

AT THE HEIGHT OF 150 FEET,

AND THAT A FIRE BE KEPT

BURNING ATOP THE SHAFT

THROUGHOUT THE

CENTURIES TO COME.

9-19

THE SHORTEST KNOWN WAR IN HISTORY WAS THAT DECLARED BY THE SULTAN OF ZANZIBAR AGAINST GREAT BRITAIN! IT LASTED BUT FORTY MINUTES.

The cornerstone of the Washington monument was laid in 1848, but after building a height of 180 feet, funds ran out. In 1878 Congress provided for the completion of the shaft, and in 1888 work was resumed. The monument was finished in 1884. It stands 555 feet high.
