

## FRIENDS GRILLED IN KIDNAP PROBE

Hauptmann Acquaintances Put Under Quiz; Sharp Spoon Is Suspected

(Continued from Page One) persons found, Juhler declined to comment on suggestions that Hauptmann had sharpened the spoon in contemplation of suicide.

2. Announcement that a psychiatrist and a doctor would examine Hauptmann tomorrow, the first indication that the defense might plan to have him plea. Hauptmann's lawyer declined to comment further, however.

3. Announcement by defense counsel that, in answer to written questions, Hauptmann had said he never saw the Lindbergh baby either dead or alive; that he was innocent of all charges and that he had never seen the ransom intermediary, Dr. Condon, until confronted by him after his arrest.

**Cell Ransacked**

The spoon was found to be missing and Hauptmann's cell was ransacked throughout the jail. There is a plunger lock part missing in the cell. Part of the spoon was found in the lavatory drain and in the washboard drain.

The spoon was broken into four parts when found. The bowl of the spoon had been flattened out and sharpened. It was in two parts. The handle, also in two parts, had been bent into a hook.

Juhler would not discuss either the possibility of suicide or a jail break attempt.

**24-Hour Guard**

However, it was announced that Hauptmann henceforth would eat with plain plates and utensils. He also was moved to another cell and a 24-hour guard was placed over him.

One report quoted a jailer as saying the prisoner appeared to be in a mood which would make suicide likely. He seldom talks, seldom eats for anything and spends most of his time pacing his cell or just standing and staring at the floor.

**REVERSE ORDER**

**NEW YORK**, Sept. 28 (UPI)—After spending two hours at the Bronx county jail, Mrs. Anna Hauptmann was told she could not see her husband today and was sent away. No reason was given, but later District Attorney Samuel Polley ordered that she be given permission to see him at any time.

Hauptmann continued his "silence of tactics indifference in

his 8 by 12 foot cell on the second floor. He passes his time padding up and down or sitting on his cot, reading. He has asked for nothing in jail. He ignored Sheriff John J. Hinde, when the latter bid him good-bye.

**Follow prisoners at the jail, most of them petty offenders, are annoyed by his silence. Sometimes they jeer at him, shouting, "We'll take care of you, Hauptmann."**

But the prisoner never pays any attention.

## ELKS START ON YEAR'S PROGRAM

Rasmussen Names Committee Members for Activities Of 1934-35

With the naming of committee for the different activities of the Elk's Lodge for the ensuing year, John O. Hauptmann, exalted ruler of the Twin Falls Lodge at the regular meeting last night launched the membership upon a definite program of work.

A membership dinner will precede the regular meeting next Thursday evening, at which time matters of importance to the lodge will be discussed in detail. Reservations for the dinner are in charge of the secretary, H. E. Delos, and all Elks are requested to let the secretary know in advance if they plan on attending.

Indicating the past exalted rulers of the lodge, of whom there were six, present at last night's meeting, G. C. Johnson, chairman of the Elk's Lodge, turned over the gavel to the man who, though they had passed through the chair and were considered as having their place still open of their time and talents to the organization.

## DEATH SUMMONS BURLEY WOMAN

**BUTLER**, Sept. 28 (Special)—Mrs. Freda Mabeline Rich, 31, wife of James Rich, died early this morning at the home of her parents, Mr. and Mrs. Bill Bowles, east of Burley. Death followed an a tenured illness.

Mr. Rich was born March 30, 1903, at Hooper, Utah. She has taught school in Owyhee, Idaho, for the past eight years, but was married this spring to Edward Rich.

Mr. Bowles, her father, is a member of the local highway district board and one of the well-known leaders of the community.

She is survived by her parents; her husband; and the following brothers and sisters: J. D. Bowles, Burley; J. R. Bowles, Oakley; Mabel A. Bowles, Burley; Mrs. Neva A. Bowles, San Francisco; Miss Ida Bowles, Burley; and three half-sisters.

Services will be held in the church schools.

Interment will be in the cemetery.

Funeral services will be held at 10 a.m. Saturday.

## Boys' Clubs Will Fete New Members Tonight

Zu Zim and Sigma Delta Psi clubs are entertaining this evening at joint dance in the Elks' hall to honor the boys they have recently elected to membership. Dancing is to start at 9 p. m., and the Rhythm Kings will furnish music. Elmer Mallon, president of Sigma Delta Psi, and Emil Benson, president of Zu Zim, assisted by committees from their clubs have been in general charge of arrangements.

patrons and patrons will be Alvin Casey, Zu Zim sponsor, and Mrs. Casey; R. F. Mallon, Sigma Delta Psi sponsor, and Mrs. Mallon; Harry Eaton, Rod Knights sponsor, and Mrs. Eaton; Mrs. R. L. Roberts and Mrs. J. M. Wallace, Tric-S sponsors, and Mr. Roberts and Dr. Wallace; Mrs. W. Orr Chapman and Mrs. Bruce Johnson, McT-sponsors, and Mr. Chapman and Mr. Johnson.

**Chin Colors Used**

Members of both clubs will appear prominently in the fall decorations, which are to feature purple and white, Zu Zim colors, and purple and red, Sigma Delta Psi colors. During intermission Elmer Mallon will act as master-of-ceremonies to introduce pledges of both groups.

Sigma Delta Psi new members are: Morris Empay, Ronald Mallon, Wendell Ahlinquist, Vey Garnett, and Lampi Hewlett. Danny Rognan and Albert Jones.

New members of Zu Zim club are: Frank Carpenter, Richard Harder, Donald Harder, Bob Miller, Roland Hutchison, Richard Olsen, Francis Perrino, Miller Dunn, Henry Mayes, Graham Brown, Paul Harder and Dick Beatty.

**Dinner Came First**

Each of the clubs will entertain the new members at a stag dinner preceding the dance. Zu Zim will honor its initiates at a 7:30 o'clock stag dinner at Wray's cafe, Old and new members of Sigma Delta Psi will hold a 6:30 o'clock stag dinner at the home of Charlton Holland. Short speeches by the honor guests will make up an informal program.

**TEACHERS, P.T.A. OFFICERS HOLD DINNER**

Touched and efficient officers of the Bishop Parrot Teacher Association met at the home of Mrs. John Bush last evening for a meeting in the form of a pot-luck dinner.

Mrs. R. L. Reed, chairman, said that the object of this year's work is to secure a Parent-Teacher Association membership in every home registered in the district.

The meeting was in charge of Mrs. A. C. Hollingshead, state president of churchmen, teacher association of and members in the P.T.A. work given by Mrs. Roy Evans, the state vice president, and Mrs. W. P. Haney, council chairman, guests. Mrs. June Kirkman, magazine chairman, read an editorial from the P.T.A. magazine, which the state president, Mrs. John Hayes, had written.

At a short business meeting Mrs. John Cochran was elected treasurer to take the place of Mrs. H. C. Hayes, who resigned, and Mrs. Ray Kimball was selected as chairman of the room mothers.

**CATHOLIC WOMEN'S LEAGUE MUSICAL PROGRAM**

Catholic Women's League held a largely attended meeting last evening at the home of Mrs. Joseph Wagner, president. Mrs. George Thomas, Mrs. Victor Stroback and Mrs. Harry O'Halloran were hostesses.

Elmer Bellomy played piano, and Mrs. Carl Chinn and "To the Rides" Singers, Miss Nell Kinney, accompanied by Mrs. Nella Ostrom, played "Two Guitars" and "Rondine" as violin solos. Mrs. Ostrom sang "Danny Boy," to a violin accompaniment.

Table appointments and refreshments, served buffet style during the social hour, carried out the club colors of yellow and white.

**QU VIVE BRIDGE CLUB**

Mr. C. H. Dalessier entertained members of Qu Vive bridge club at her home yesterday afternoon. Mrs. A. S. Gilbert was club guest. High score prize went to Mrs. Carl Weaver and Mrs. Hugh McMillian won second high score favor. Refreshments were served.

## COURSE PLANNED IN DRESSMAKING

Free Class Will Be Open to Applicants Not Enrolled In School

A class in dressmaking, open to anyone over 16 who is not enrolled in school, will be organized in the home economics room of the high school at 3:30 p. m. Monday. Mrs. L. V. Morgan, who will be in charge, announced that all instruction will be free.

The course is sponsored and supervised by the state department of vocational education. Four other cities in the state, Boise, Nampa, Pocatello and Kellogg, offer this work. A similar class was conducted here last spring.

Class enrollment is to be limited to 15.

**Suburban Churches**

"*TRAVEL MY VAN*" began with 100th services at the Knoll Baptist church at 11 a. m. Sunday. Plans are being formulated for Mr. Van Engelen to stay here for some time.

**HANSEN COMMUNITY**  
Editor L. White, minister.

10 a. m. Regular morning worship with sermon by the pastor. Special music. The public is cordially invited.

11 a. m. Sunday school with Superintendent Harvey Fornwart in charge.

7:30 p. m. Epworth league devotional service. The young folks of the community are urged to attend.

Sunday evening, Oct. 7th the local lodges will attend a union league service to be held in the Murrough church with the local lodges providing the program.

**MURTAUGH COMMUNITY**  
Editor L. White, minister.

10 a. m. Sunday school with William Lindau in charge.

11:30 a. m. Regular morning worship with a sermon by the pastor. Special music by the large choir, under the direction of Mrs. Church.

7:30 p. m. Epworth league devotional service. Topic "How to Read the Bible." Leader, Mrs. Perry Kleinert.

Sunday evening Oct. 7th the local lodges will entertain the young folks of the Hansen Community church following the devotional service which will be conducted by the Hansen league. Remember the Country store to be given by the Club All the 5th and 6th.

**BIG EVICTION ORDER Makes 800 Move**

CLEVELAND (UPI)—The biggest eviction order on record here is going into effect in 800 families in an attempt to move off the site on which the federal government is going to build a \$3,000,000 housing project.

Federal court gave families five weeks in which to move. The site, eight blocks long and one wide, in dotted principally with old shacks. Most of the persons in the area said they would like to move back when the project is completed.

**Women Reorganize For Winter Work**

MURTAUGH, Sept. 28 (Special) — The Relief Society ward conference was held at the Later Day Saints church, Sunday evening. Those who took part in the program were Mrs. Fathay Perkins, Grant Bates, Mrs. Thora Bates, Mrs. Mae Perkins, Mrs. Genevieve Moyes, Mrs. Ruthine Mae Hanan, Margarette Perkins, Miss Virginia Lee, Miss June Tolman, Bishop Albert, Twin Falls, and Albert Egbert.

The Relief society was reorganized and the officers for the coming year are: president, Mrs. Mae Perkins; first counsellor, Mrs. Edith Bates; second counsellor, Mrs. Mata Taylor; secretary and treasurer, Mrs. Genevieve Moyes; assistant secretary, Mrs. Minnie Moyes; chorister, Elmer Tolman; Organist, H. E. T.; sacristy, Mrs. T. Patterson; library, Mrs. Minnie Pickett and Miss Marguerette Perkins; and social service, Mrs. Fathay Perkins.

Sacrament meeting will be held at 7:30 p. m. instead of 8 p. m. from now on.

patterns for street and house

dresses, blouses, skirts, lingerie

aprons, cloths... all the essentials

of a smart outfit for matron,

madam or belle. FIFTEEN CENTS

BOOK FIFTEEN CENTS. BOOK

AND PATTERN TOGETHER

TWENTY-FIVE CENTS.

## OHIO WILL LAUD 1ST WHITE CHILD

Ceremony Planned to Honor Memory of Baby Born in July, 1773

GNADEHUTTEN, O. (UPI)—A group of Ohioans will assemble on the banks of the Tuscarawas river here today to commemorate an event which occurred 161 years ago in the deepest obscurity of a frontier wilderness—the birth of the first white child in Ohio.

Discovery of the name and the birthplace is the result of hours and years of searching through history and yellowed records.

**Simple Ceremony**

The simple ceremony which will mark the end of the search has been arranged by the Ohio Society Daughters of American Revolution.

They have provided a bronze tablet, bearing the name of Ohio's first white baby, John Lewis Roth.

The child was born July 4, 1773,

in a mission house where his father, the Rev. John Roth, was a mission.

Dr. Harlow Lindley, librarian of the Ohio State Archaeological Society, will deliver the address dedicating the tablet to the birth of John Lewis Roth.

The child was born July 4, 1773,

in a mission house where his father, the Rev. John Roth, was a mission.

Dr. Harlow Lindley, librarian of the Ohio State Archaeological Society, will deliver the address dedicating the tablet to the birth of John Lewis Roth.

# FLAG CHASE DEADLOCKED IF ST. LOUIS TRIMS REDS TODAY

## CARDS CAN RISE TO TIE IN RACE.

Both Giants Opposing Teams Determined to Produce Pendant Upsets

ST. LOUIS, Sept. 28 (UPI)—Management of the St. Louis Cardinals announced today that the Dean brothers, Jerome (Dizzy) and Paul (Duffy) will pitch the last three games against the Cincinnati Reds. Dizzy to-day, Duffy tomorrow. Dizzy Sunday, in the plan.

NEW YORK, Sept. 28 (UPI)—The St. Louis Cardinals can deadlock the title New York Giants today in their skirmish for the National pennant, but in the afternoon the fallow Cincinnati Reds.

Yesterday's 8-5 victory over the Reds in the opener of their final four-game series left the Cards a half-game behind Bill Terry's world-champions who started two days of rest.

If the Cards beat the Reds again today, while the Giants are idle, the standing for both New York and St. Louis will be

With Last Pet.

98 58 .416

Tied for the top, each club then would try to break out of the deadlock as the Giants wound up the season with two games against Brooklyn, and the Cards finished two contests with Cincinnati.

No Ending Up.

Peculiarly, both the Giants and Cards are finishing against clubs which hope each loss in the pennant fight. Miss Chapman, one of the best friends of Bill Terry's closest friends, he and his Reds will battle to the hot end against St. Louis. In order that the Giants may win, Terry brought Dresen up from Nashville in the closing stages of the 1933 pennant chase for third base insurance and saw to it that Dresen got a cut of the world series swing. Charley hasn't forgotten.

But Charley Stegner and his Brooklyn Dodgers have the Giants in trouble. Metropolitan rivals for years, in fact, Bill Terry whitened the broach this spring by inquiring recently of Brooklyn writers, "Are the Dodgers still in the league?" The Dodgers are out for blood.

Errors Help.

Added by Gordon Slade, Cincinnati's shortstop, the Cards are first in the division with 11 errors in 10 games, while the Reds are at 10.

But the Cards have 11 errors.

"Alphabet meat juice, gravy, gravy," says Dickey, shortstop (Cincinnati). Panama hats are made from these leaves. A town in Marabu produced.

Only three other games were played in the morning. Chicago beat Philadelphia 4-2. Boston downed the Phillips 7-2.

In the American league, the tall and Chicago White Sox crushed Detroit's pennant winners, 11-9.

NEBRASKA STILL

BIG SIX WORRY

Oklahoma Mentor Sees Close Race With Cornhuskers Slightly in Van

By LEWIS HARDIGRE

Coach, University of Oklahoma NORMAN, Okla.—There are six schools in the Big Six, and strange as it may seem, students, alumnus, and followers of each expect a winner. If, of course, this is impossible, the situation would play a single round robin against each other and each meet several powerful non-conference entries.

However, the fact that the aquatics are better balanced than ordinarily means that Big Six racers and fans should not have to settle for a tie right down to the wire. The material at Nebraska, Kansas State, Kansas, Oklahoma, Texas, and Missouri is more equal than never, but it has been in several.

Favorable Nebraska.

Nebraska sharpen up the band to beat us now. The Cornhuskers lost most of their starting men, retain a fine array of juniors and sophomores who obtained much valuable experience in nearly every game in 1933, due to the fact that the Lincoln machine's starstruck rolled up an early lead.

The quality of Duke's aquatics is excellent, but they are very high. One may expect strong Nebraska teams for the next two or three campaigns. Any engagement the Cornhuskers may lose this year may be charged to lack of seniority.

Rudy Dusek Pins Gino Garibaldi

CAMPDEN, N.Y., Sept. 28 (UPI)—Rudy Dusek, Omaha, defeated Gino Garibaldi, Italy, Eddie Dusek, Omaha, and Dr. Carl Sarpola, Glen Lyon, Pa., drew; Scotty McDonald, Boston, threw Ernie Stevens, Chicago.

## G.O.P. ATTACKS NEW DEAL COST

Republican Senatorial And Congressional Body Hits Expenditures

**WASHINGTON.** Sept. 26 (UPI) — The Republican senatorial and congressional committee charged today that the Roosevelt administration was going into the red at the rate of \$7,500 a minute. "sprayed another way," said the committee "during the fiscal year ending June 30, 1934, the New Deal spent \$228 for every \$1 collected from any source whatever." The committee pointed out that the public debt on Aug. 21 stood at the end of the year and an increase of \$5,000,000,000 under President Roosevelt's watch. Referring to the resignation of Budget Director Louis Douglas as "a most disturbing feature," the committee declared: "It is no secret that was virtually forced out of the President's official family because of the refusal of the President to stand back of him in his fight to make some effort toward balancing the federal budget."

## DROP NRA SETUP, GLASS SUGGESTS

Abandonment Would Be Boon To Nation, Senate Banking Expert Asserts

**NEW YORK.** Sept. 28 (UPI) — It would be a good thing if the national recovery act were repealed, Senator Carter Glass, D., Va., member of the senate banking and currency committee, said today when he returned from a European trip.

He declined to amplify his statement, explaining "Now, I have said something and I did not want to say anything."

The senator said the two things he noticed especially during his travels were the break in United States government bonds and the baseball situation.

"I am highly elated over the fact that Detroit—my team—won the pennant," he said.

"He refused to elaborate upon his reference to government bonds."

A reporter remarked that cotton and tobacco farmers appeared to be particularly prosperous and were making money.

"You mean getting money," Glass replied.

## TWO OF ESCAPED CONVICTS TAKEN

Second Pair Believed Located After Escape of Seven Tubercular Men

**MCALESTER,** Okla., Sept. 28 (UPI) — Spotty reception of the seven tubercular convicts who tunneled out of the state penitentiary was in prospect today as two men were returned to the walls and two more were believed located.

Jack Cappa, 28, and Tony Coffey, the latter in critical condition, were captured by Grady Anderson, prison dog "Sergeant," as they tried to board a Rock Island railway freight train at Idabel, east of McAlester.

They were "badly worn out," prison officials said, and Coffey was suffering from exposure. Warden S. E. Brown and Vern Brothman, 30; Jack Barry, 33, and J. L. Crowley, 31, among those sought, would die soon "unless they received care and shelter quickly."

## H. S. Classes Pick Officers for 1934

**RUPERT.** Sept. 28 (Special) Classes in the Rupert high school chose their officers in full.

Senior class president, Royce Klemmer; vice-president, Ann Lee Rue; secretary and treasurer, Clair Mead; yell queen, Marjorie McQuain; yell king, Floyd Broadhead; class advisor, Miss Elmer Young. Junior class president, Robert Roscorans; vice-president, Myrl Perry; secretary and treasurer, Virginia Judah; yell king, Paul McCay; yell queen, Lavonda Kirk; class advisor, Mrs. Ruth Phillips. Sophomore class president, Robert Murphy; vice-president, Weston Hawkins; secretary and treasurer, Mary Trathen; yell queen, Esther Koller; yell king, Glenn Toten; class advisor, Margaret Scholer.

Freshman class president, George Redford; vice-president, Jack Taylor; secretary and treasurer, Mary Rose; yell queen, Ruth Lou Rose; yell king, Donald Linsley; class advisor, Miss Dorothy Mae Gatty.

The total enrollment of the Rupert schools to date is twelve hundred and fifty-six pupils. The first and second grades are still being cared for in relays, but upon the completion of the new building, they will be given full time service.

The total enrollment of the schools of the city exclusive of the High and Pioneer schools is 922 pupils.

The pupils did not yet begin school at the completion of the new building, which it is hoped will be occupied

## REAL AND IMAGINED SUSPECTS

One of the most remarkable coincidences of the Lindbergh kidnapping is the resemblance of Bruno Hauptmann, indicted suspect, to the kidnapper kidnapper whose likeness was drawn by a Washington artist from descriptions furnished by Dr. John (Gatfee) Condon and Joseph Perone, cab driver, the only persons known to have been in touch with the culprits. The artist's sketches and pictures of Hauptmann in similar poses are shown above for comparison.

## EXPRESS CHARGE GETS REDUCTION

### "Mustard Plasters" May Aid Fire Area

**MISSOULA,** Mont. (UPI) — "Mustard plaster" may be applied to fire-swept areas of Montana forest lands to prevent soil erosion.

The practice of planting mustard seeds in burned-over areas has proven highly efficient in checking soil erosion in California.

In S. Oregon here may decide to follow the California program to launch a speedy reforestation program, according to advice from Washington.

The Smithsonian Institution in Washington was founded by an Englishman, James Smithson, who bequeathed his entire fortune for that purpose.

Reductions were also announced between politics Idaho and politics in Oregon and Washington.

## GIVE SEX FACTS, MINISTERS TOLD

New Jersey Pastors Requested To Advise Prospective Wedding Couples

**ATLANTIC CITY,** N. J., Sept. 28 (UPI) — The New Jersey Methodist Episcopal church social service commission today urged pastors to instruct prospective brides and grooms in all aspects of marriage, including "all the available information on sex relationships since we realize that physical indulgence is a real culprit for a large proportion of divorces."

The commission's report, result of 18 months study, was presented to the annual meeting of the New Jersey district in convention.

Defend Divorce Case

"We deplore the fact that the case of divorce in Nevada and other states and the great amount of publicity attending the breakdown in divorce, of some prominent families tends to give the appearance of lightness and irreverence to marriage and family life," the report says.

"We urge that Methodist Episcopal ministers before agreeing to perform any marriage ceremony make sure that the candidates for whom should be a holy state of matrimony are adequately instructed in the various relationships and possibilities of marriage."

The report was presented by the Rev. E. M. Conover, of New York, secretary of the commission.

## Grange Wants U.S. To Supervise Arms

**BUHL,** Sept. 28 (Special) — A resolution to the effect that the federal government should control manufacture and sale of arms and munitions was the main topic for discussion at the regular meeting of the Buhr grange Tuesday evening. A vote in favor of the resolution was adopted.

The annual Hooper meeting will be Sept. 29 at the city hall at which time visitors and those interested in grange work are invited to attend.

Turning the program over to Supt. M. C. Van Patten described his trip to the teachers' institute in Chicago this summer. A vocal election was given by Jackie Hamm. Refreshments and a social hour followed the regular meeting. On Oct. 10 the annual election of officers will be held.

## THIS CURIOUS WORLD

By William Ferguson

**THE EARTH**  
HAS A LAND SURFACE OF ABOUT 57,600,000 SQUARE MILES SURROUNDED BY 16,300 MILES OF COASTLINE!

© 1954 BY NEA SERVICE, INC.

The great auk could fly, in the early days of their history, but their habits changed so that flying was no longer necessary in their struggle for existence, and their wings became useless. Then man invaded their homeland in the far north. Thousands were slain daily, and on June 3, 1844, the two last survivors were killed.

SIDES GLANDS

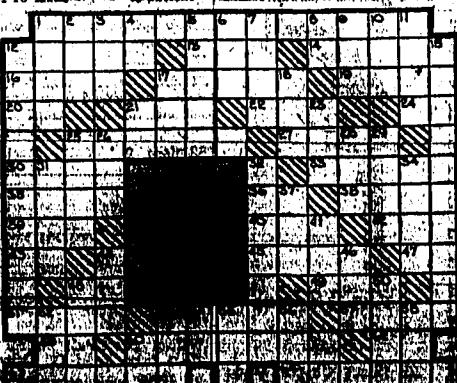

By George Clark

"When I wrote them that I thought 'n family reunion' would be fine, if we held it at one of their homes this time, they just dropped the whole idea."

## BRITISH AVIATOR WILL SEEK MARK

Kingsford Smith Plans Effort  
For Double-Record in Big  
Melbourne Race

MELBOURNE, Sept. 26.—Sir Charles Kingsford Smith, the Australian air ace, will try to make a double job of the England-Australian speed record between now and the end of October.

Not content with matching himself against some of the world's best pilots in the London-Melbourne race, he is getting out to make the record for a flight in the reverse direction, just as a muleteer does before the race begins. The east-west record he is hoping to smash in his Lockheed Altair machine is the 8 days, 20 hours one set up by James A. Mollison in 1931.

**Special Plane**

Kingsford Smith bought the Lockheed Altair specially for the London-Melbourne race. It is mainly to test the efficiency of the plane and the system of controls in the race that he is planning the flight from Melbourne to London.

The machine in which Mollison established the present Australia-England record three years ago was a small Gipsy Moth, with a cruising speed of less than 100 miles an hour and a range of approximately 2,000 miles. The speed and range of Kingsford Smith's plane will be almost double that of Mollison's.

## BELGIUM GUARDS FORTS' SECRETS

**Alleged German Spies Seized  
For Espionage on New  
Frontier Guns**

BRUSSELS, Sept. 26.—Belgium is guarding the secrets of her new frontier fortifications with watchful eyes.

Two alleged German spies—a brother and sister—have been arrested.

It is claimed that they were aided by two Belgians, who also were arrested. The object of their alleged spying mainly concerns a new type of rapid-fire machine gun, which is intended to be used in hundreds of small, concrete dug-outs along the eastern frontier.

**Front Unprotected**

Prior to 1914, the eastern frontier itself was comparatively unprotected. The big forts at Liège and Namur, which were easily taken from the border, The River Meuse, considered an important defense line against invasion, also is distant from the frontier.

The forts on the hills surrounding the two towns have, with the exception of Joncine, been rebuilt, and considerably improved by the addition of the latest defense invasions.

Liège, which commands three valleys, originally was chosen as the main defensive point for that reason.

**Last War**

The last war, however, wiped the majority of the Belgian War Ministry that a defense of the country based solely on the Meuse line was far from adequate. So it was decided to add to the old fortifications.

At the very frontier, new fortified buildings have been constructed. They are placed clearly near the main roads and contain guns of medium caliber as well as machine guns.

In addition to the new forts and concrete dug-outs on the eastern border, the city of Antwerp has been re-fortified, and as a part of the new system defense has been provided for the ancient town of Ghent, in the northwestern section of the country.

## Murtaugh

Mrs. Ernest Browning entertained the Pioneer bridge club at her home recently. Mrs. L. T. Patterson won high score prize and Mrs. Oliver Johnson second high prize. Refreshments were served. Members who attended were Mrs. Mrs. W. N. McConnel, Mrs. E. C. Collier, Mrs. F. J. Falvey, Mrs. Gandy and the hostess Guests were Mrs. L. T. Patterson and Mrs. Harold Stapleton.

Mrs. Lloyd Davis gave a birthday dinner Sunday for her son, Johnny. Guests were Jack and Bill Noh, Doran, Donald and Muriel Bronson, and Lloyd Hawlin. Games were played during the afternoon. A number of birthday presents were received.

To discuss the highway which will be constructed over the Hansen butte, a meeting was held at the high school auditorium Saturday night. The men of the Chamber of Commerce from Twin Falls were present.

## Church Will Offer Passion Play Film

A moving picture presentation of the Passion Play will be shown at the local Methodist Episcopal Church Wednesday evening, Oct. 1. It was announced by E. L. Kelly, church representative of an organization which has charge of the production of the picture, and which has filmed entirely in the Twin Falls area, it stated.

## Tidbits Are Favored Over Sweets for Parties

(By NEA Service)  
One brilliant New York housewife, famous for her ability to make everyone have a good time, says that acidly-sweet refreshments will ruin any party. She advises women to serve huge platters of hors d'oeuvres instead of thickly coated salads or fruit salads, and she thinks that those so-called fruit salads are just as good without the use of fruit juice with cold drinks.

There are few necessary do-it-yourselfs that you must have on hand if your hors d'oeuvres are to be successful. First of all, you need crisp salad greens. Wash the lettuce hours before you need it, wrap in a moist linen towel and put in the do-it-yourself to chill. To the same with parley. See that you have plenty of fresh lemons, but don't cut them up until time to serve.

Some Ideas:

Remember that sandwiches and smoked salmon on toast squares are liked by nearly everyone.

If you want to add a touch of luxury to your party, put caviar on crackers or in hollowed-out

boiled eggs and serve with slices of lemon. Radishes, cut to resemble flowers, are decorative as well as tasty. Small cucumbers, sliced length-wise and garnished with green pepper rings, provide a colorful touch.

An Innovation.

Thin sausages, stuck on toothpicks, are quite hearty and perfectly delicious. And cold fresh shrimp, also on toothpicks, grouped around a small glass bowl of tartar sauce are an innovation to be proud of. A bowl of cream, crisp vegetables, a slice of bread, may be added to the idea.

Cuts from a game line run to a device that looks like an inverted

(From Hotel McAlpin, New York.)

### Builds Automatic Soap Bubble Pipe

ASHTAHULA, Okla.—F. W. Stump likes to watch soap bubbles, but he doesn't like to puff and pant to blow them. So for \$2 he rigged up a gadget in his back yard for "gas-bubble making."

Cuts from a game line run to a

smoking pipe. This is filled with nine pounds of water, one pound of castile soap, eight ounces of glycerine. The specific gravity of the gas being less than half that of air, forces the massed bubbles upward. They rise by dozens, all sizes, and are brilliant in sunlight.

Nebraska has more river mileage than any other state.

The watermelon is native to

### "Home Grown"

DETROIT, Sept. 26.—The University of Detroit football team will be organized next week, at the high school building convening at 7:30 p. m. each day, with Mrs. Winifred Mitchell in command.

Players also will be given a mid-term examination—three months to determine their fitness.

With all the reduction in maximum flying hours per month is significant, since there is an entirely opposite trend in various European countries to increase flying hours of first pilots on scheduled air lines.

He added, however, that the change in maximum hours was made in the interest of public safety and not because of labor and personnel problems.

## AIR PILOT RULES MADE STRINGENT

Transport Fliers Given 1,000  
Hour Annual Limit Under  
New Provisions

WASHINGTON, Sept. 26.—A thousand hours per year has been set by the commerce department as the maximum to be flown by first pilots on scheduled air transport routes.

Following a conference with representatives of scheduled airline operators, air line pilots and the Aero Medical association, Eugene L. Vidal, director of air commerce, announced regulations governing the length of time first pilots may fly on transport routes.

**Months Limited**

Under the regulations, pilots may fly 100 hours per month, but not for more than four consecutive months. The average was set at 83 hours per month. Old regulations permitted 110 hours.

Pilots also will be given a mid-term examination—three months to determine their fitness.

In the past, they were examined every six months.

With all the reduction in maximum flying hours per month is significant, since there is an entirely opposite trend in various European countries to increase flying hours of first pilots on scheduled air lines.

He added, however, that the change in maximum hours was made in the interest of public safety and not because of labor and personnel problems.

## RUPERT

District Governor Dick Polacella, made his official visit to the Rupert Rotary club Wednesday, giving an exposition of rotary principles in an after-dinner speech. He also mentioned his visit to the Rotary convention in Denver.

Business and Professional Women's club held its first meeting of the season at the home of the president, Mrs. Nona Lewis. Miss

Charm Kirkpatrick, chairman of state legislation, from the Alton State Normal school, spoke on the one-year objective of the B. P. W. Mrs. Mary O'Donnell reported on the state convention held the past summer. Mrs. Nunn, Chicago, daughter of Mr. and Mrs. R. P. McGaugh, sang two solo. She was accompanied by Mrs. Edna Sinclair.

Thirty-five were present, one visitor, Miss Taft, Alton State Normal school, being among the number.

Mrs. Paul French, Mrs. Osgood, Miss Mamie Hall and Mrs. Neva Evelyn were the committee in charge of the program and refreshments.

An IERA commercial class will be organized next week, at the high school building convening at 7:30 p. m. each day, with Mrs. Winifred Mitchell in command.

Pilots also will be given a mid-term examination—three months to determine their fitness.

In the past, they were examined every six months.

An IERA commercial class will be organized next week, at the high school building convening at 7:30 p. m. each day. The various national organizations in each country will be invited to send delegations to the meeting of the IERA, taking a short course in training for the special type of work to be done in the school.

Only those of adult age who are on the IERA rolls of the county will be eligible for this work.

## VIEWS CALENDAR CHANGE AS SURE

Reform Association's Leader  
Certain That World Will  
Capitulate

VIENNA, Sept. 26.—Alice Achells, of New York and president of the World Calendar Reform association, is confident the world soon will junk its cumbersome and antiquated calendar.

Visiting Vienna on a trip through Europe to whip up enthusiasm for the reform calendar, Alice Achells informed her husband

she had been long enough to tell the press she thought both America and Europe are beginning to comb around too our side.

Miss Achells doesn't expect her twelve-month perpetual calendar to be universally adopted tomorrow, but she sees signs of encouragement.

The League of Nations, she said, is doing yeoman work to get the nations together on this subject.

The various national organizations in each country will be invited to send delegations to the meeting of the IERA, taking a short course in training for the special type of work to be done in the school.

Only those of adult age who are on the IERA rolls of the county will be eligible for this work.
