ALBION TO STAGE ITS HOMECOMING

International Theme Will Be Stressed in Football, Tea, Dinner and Dance

ALBION, Oct. 5 (Special) — This year at the annual homecoming, Oct. 10, the Albion state normal "will go international," according to Miss Irene Buckley, chairman of the homecoming committee.

Although "homecoming day" is Saturday, festivities will actually begin Friday evening when each house will have a reception committee on hand to greet guests. A contest and pep rally, led by Clifford Mulklin and the cheer leaders will be held around the limited bonfire on the northwest athletic field.

Although "homecoming day" is Saturday, festivities will actually begin Friday evening when each house will have a reception committee on hand to greet guests. A contest and pep rally, led by Clifford Mulklin and the cheer leaders will be held around the limited bonfire on the northwest athletic field.

The highlight of the day will be the football game with the Montana School of Mines, Butte, at 2 p. m. Just before the game 100 girls-dressed-in-gala attire, representing every nation, will dance national folk-dances on the football field, accompanied by the college pep band. Colorful morning pictures will be taken of this. A surprise stunt will be presented between halves and the prize will be awarded the group having the "best homecoming sign." E. J. Powers, sponsor of the local International Helianthus club.

The traditional W. A. A. tea will be served from 2 to 5 p. m. by groups representing Scandinavian, Spanish, Chinese and Russian people with costumes and food appropriate to each of the nations. National songs will be sung by Lena Ayler and Ruth Melton. Burley, between halves at the W. A. A. tea.

At 8 p. m. dinner will be served in the dining room under direction of Miss Harriet E. Trutz, with waiters and waitresses attired in costumes of the various nations. A dance at 10:30 p. m. in the athletic gymnasium given by the "I" club will conclude the day's entertainment.

Termites Attack the Corner Stone

Farmers Request Later Vacation

HAPPERT, Oct. 5 (Special) — Returns from the questionnaire sent out this week by Paul school authorities show that farmers of the Paul district are in favor of the annual "agud vacation" beginning Oct. 8 as originally planned rather than a week earlier as had recently been considered.

School officials believed that because of the early frosts this year the peak of the harvest would come earlier than usual. School had been slated to open for the harvest vacation Friday, Oct. 6, of care to head for the official testing-stations for "O. K." stock.

Termites came in it was evident that potato and beet growers felt that the harvest would be most rushing at the end of the next week.

TRIBUTE IS PAID JOHN W. HARDIN

Double Service Marks Close of Long Career of Prominent County Orchardist

Two impressive services today in paying final tribute to John Wesley Hardin, Kimberley, prominent orchardist on the tract since 1910, closed his career. Mr. Hardin died Friday at his home after being ill two weeks.

Funeral services were held at the family home and later largely attended services were held at the Kimberley Methodist church. Rev. E. L. White, Methodist minister, officiated at both. At the church services James Reynolds sang "Glorious Home," from "The New World Symphony" by Dvorak and the Old Huguenot Cross" also was sung. Pallbearers were L. L. Millon, L. A. Thomas, W. T. Corbin, W. H. Spruce, Kimberley, and William Baker and Dr. William F. Flester, Twin Falls. Interment in Twin Falls cemetery was directed by the White mortuary.

BOISE ACCIDENT KILLS YOUTH, 19

BOISE, Idaho, Oct. 5 (Special) — Willard Sullivan, 18, Boise, died at St. Alphonsus hospital early today from injuries suffered Sunday in an automobile wreck that injured two other persons.

Young Sullivan died from a fractured skull. His brother, Harley Sullivan, and Mrs. Arnel Sullivan, both of Boise, were partially injured. They will recover. According to Mrs. Brown, the three were riding down a grade near Shafter park, 11 miles north of Boise, when the car hit loose gravel and went into a spin. Mrs. Brown and Willard were thrown from the car which rolled over the boy and plucked down a steep grade into a canyon. Harley remained in the car throughout the plunge.

Elect LANDON

... and help STOP the DESTRUCTION of Idaho's Farm Market

The following figures, which were taken from the Government's Records, prove conclusively that the New Deal Reciprocal Trade Agreements are DESTROYING the American FARMERS' MARKET.

DURING 1935, the total value of agricultural products imported and sold in the United States was **\$1,391,099,397**

To have produced these products in the United States would have required the cultivation of 38,469,936 acres of American farm land.

To cultivate that area and to have processed the products which are produced for sale would have provided jobs for 3,741,029 persons.

In the First Six Months of 1936 WE BOUGHT from Foreign Countries—

- 6,536,000 HOGS — and sold only 161.
- 280,103 CATTLE — and sold only 1,078.
- 4,680,000 POUNDS OF BUTTER — and sold only 454,000 pounds.
- 5,662,000 BUSHELS OF CORN — and sold only 354,000 bushels.
- 19,806,000 BUSHELS OF WHEAT — and sold only 144,000 bushels.

Idaho is essentially an agricultural state. Its prosperity depends upon the success of agriculture. Consequently when the hard acre thrown down on tariffs, when foreign farmers supply the American market, Idaho suffers along with the rest of the nation.

What will become of Idaho Farmers and all Idaho business if that matter, if the present program continues?

It is time to stop this vicious practice. It is time to act and act decisively.

... we have an **IRON FIREMAN** message for **YOU**

Iron Fireman automatic coal burners are successfully selling furnaces and boilers in many countries of the world. You find them in small homes and large apartment buildings; in schools and hospitals; in large office buildings and factories; in fact, wherever there is a firing job to do.

We have letters from owners which attest to the economy, convenience and efficiency of Iron Fireman automatic coal firing over other types that they have used. Whether the model is for a small home or a large industrial plant, Iron Fireman automatic coal burners can be arranged.

There is an Iron Fireman for the job. Iron Fireman self-firing coal burners use the improved small size of coal. They burn clean, smokeless, and burn more economically than they did before. They burn more than the larger, more expensive types.

Let us give you an estimate on the cost of installing an Iron Fireman self-firing coal burner in your furnace or boiler. We will gladly make a firing survey of your heating system and show you how we can save power plant without charge. If the time to buy is a price you will lower in Iron Fireman automatic coal burners. Come, see our automatic burners can be arranged.
