

DISCLOSURES IN DEFENSE TALK HINTED

Minnesota's Farmer-Labor
Senator Declares Coun-
try Would Be 'Shocked'
By Secret Conversations

(By The Associated Press)

WA-SHINGTON, March 1.—The senator hinted a secret conversation today that the nation would be "shocked" to learn what President Roosevelt secretly told a Senate committee about defense and foreign policy.

The statement was made by Senator Lundeen (FL-Minn.) in the midst of a heated debate on an amendment under which the declaration of war to be fought on foreign soil would be submitted to a referendum of the people. The pro-war, defense-oriented amendment, for which the house was reviled yesterday in the senate, was made.

Secretary Hull reiterated his opposition to the amendment, and an amendment was introduced by Senator Lundeen to remove the word "foreign" from the bill.

For Fighting Planes

2. The Senate Appropriations Committee approved a sum of \$100,000,000 for the war department in the fiscal year beginning next July, and \$100,000,000 for 784 fighting planes, a part of the administration's rearmament program.

3. To the surprise of some members of Congress, Senator Lundeen, Rep. Alvin E. H. Arnold, chief of the army air corps, had told the house committee that at present the U.S. had 1,000 flying planes in actual service.

4. Testimony before the appropriations committee, submitted during the debate, showed that the army has developed civilian gas masks to be produced at a cost of \$125 each.

5. Senator Charles D. (D-Minn.) demanded that the United States follow the lead of Great Britain and France and recognize the German regime as a de facto government off the Latin American coast.

6. Senator George Donan (D-Wash.) proposed that for each nation supply this country with armaments necessary to war against Germany, and pay upon their debts to the United States.

Gum Dispute Revived

The dispute over the navy's proposed purchase of 100,000 bushels of gum established on the island of Guam was revived by a decision of the Senate naval committee to conduct a hearing on the naval air base bill, which includes an item for that project.

7. The dispute, which had been adjourned last fall, was re-opened by the Senate naval committee, and the bill was referred to the Senate committee on armed services.

8. Yesterday and the day before, however, the Senate turned quickly to foreign affairs, with a Republican senator, Austin, urging passage of the coming municipal election.

Saturday is the last day for filing nominations.

Senate Divides on Party
Lines to Approve
Note Issue

BOISE, March 1.—A \$10,000,000 treasury note issue to finance Idaho highway bureau activities was approved by the senate on strict party lines tonight.

The vote was 27 to 17, the exact number of senators in the chamber.

President Pro-Tem Thomas Heath of the Republicans said the bill was necessary because of the deficit in highway bureau funds at the beginning of the year of \$20,000,000.

Opponents charged that the bill would saddle the state with a heavy debt.

A second column, operating from Spokane, charged that the bill would result in a loss of \$10,000,000 to the state funds in addition.

This measure note issue will be refinanced at 4 per cent, it was said, "and if we don't say, \$20,000,000 in new debt will be added to the north and south of the nation," he said.

Opponents insisted that the Japanese must conduct extensive highway construction to win control of the area.

State officials, however, maintained that the Japanese had been beaten in the race for Manchuria.

Hidden Treasure

BATON ROUGE, La.—Baldwin paid a dollar for some oysters and a thousand per cent.

In fact, he paid a thousand per cent, which he said a jeweler told him was worth more than \$1,000.

Walking Speakeasy

ST. FRANCISVILLE, La.—Joseph St. S. was arrested here for being what state liquor control officers described as a "walking speakeasy." He was thoroughly then opened and his pockets searched.

Inside, it was a cake, no longer edible. It had been sent up after a night's work.

Highway Deaths Decline

CHICAGO, March 1.—Highway deaths declined in January for the 14th consecutive month, the national association of state highway departments reported yesterday.

Deaths in January totalled 2,500, in contrast to 2,540 in December, 1938, and 2,500 in January, 1937.

The rate of improvement in highway deaths totalled 1.8 per cent, while there had been a decline of 1.6 per cent in those months from 1937 to 1938.

The council listed three points in the January total as reflecting the need for continued aggressive action by state highway departments.

1. The percentage of improve-

ment in traffic fatalities in the mountain states, North central and South central states, reduced 1.6 per cent.

2. The decrease in traffic fatalities in the West, Northeast and South central states averaged 1.7 per cent, whereas the average decline between those two

Spanish Republican Capital Threatened With Rebellion Leader Informed Reign of Terror Reported

(By The Associated Press)
MADRID, Spain, March 1.—The U.S. 15th Generalissimo Francisco Franco's forces were accepted ready for quick action near Madrid, today, while receiving reports of a threatened rebellion in that republican capital.

These reports said Madrid authorities feared trouble from elements that were demanding bread or surrender; that the entire Madrid front was in "a state of demoralization" and that anarchist Communists had started a "reign of terror."

Nationalist Spain, however, half

an "invincible military aristocrat who was carefully laying the groundwork for a forced intervention in Spain," said Justice Alfredo Ruiz-Gimenez, president of the Constitutional Court.

The court, which has been investigating the Spanish civil war, issued a report yesterday.

News reports said in large

particulars of the Spanish

position in international politics.

MADRID, March 1.—An official announcement was made yesterday that Diaz Martin, Minister of War, had assumed his duties as head of the public government of Spain.

Police said probably 200 persons were blown to bits and mangled to death.

The war office said only ten were missing and that they were killed trying to get the death toll.

Many victims apparently had been incinerated.

The war office said 472 per-

sons were injured.

It said that 800 houses were destroyed, 1,000 families evicted, 1,000 families displaced and 100 damaged, leaving 8,133 persons homeless.

It was announced that a worker's compensation bill had been passed by the legislature.

The disaster, unprecedented for its size in Japan's industrial history, was attributed to the Azores typhoon.

Because of the hour of the explosion, it was believed a majority of the dead and injured were women.

HOOP TEAMS AND FANS FLOCK TO SHOSHONE

1938 Champions Meet Carey in Tourney Opener

Eight Quintets Ready
To Begin Scramble
For 'B' Title

By MAC P. JOHNSON

SHOSHONE, March 1—Residents and businessmen, especially those who operate cafes and hotels, retired early tonight in an effort to shake off tension created by the nearness of Shoshone's premier sporting event—the Class B district basketball tournament.

The day before the meet, noon-hour city will be swarming with activity as 80 basketballers, eight coaches and hundreds of fans begin a three-day residence.

For tomorrow at 2 p.m. Glenn Perry comes, 100 miles from Los Angeles, to open the first round of 15th place.

But the 20th are little struck.

Ralph Morgan, Art Glavin, and Eddie Goodman, high-ranking center and forward, respectively, of the South Side sub-district champions.

"So it looks like a red-hot topsy-turvy affair," "Eight teams that fought through keen non-district competition to reach this tournament will go to Lovelton for the second class B meet March 16, 17 and 18."

And you can bet that the type of basketball played will be the kind that delighted youth—enough to travel for the state title.

Only Shoshone, Glenn Perry and Kimberly, are back this year.

Twin Falls News and Idaho Eye reported that the two sub-district basketballs respectively to players named on the first and second all-conference teams.

Here's the way H. F. Williamson, Shoshone superintendent of schools and tournament manager, has the meet set off in Thursday's final round:

"Class 1—3 p.m., Carey (Wood River);

"Class 2—3 p.m., Abbot—Adrian, Cassia runner-up; Kimberly (South Side runner-up);

"Class 3—3 p.m., Hagerman (Western runner-up) vs. Murray (South Side champion);

"Class 4—3 p.m., Shoshone (North Side champion); vs. Paul (Mini-Cassia champion).

Horse From Widener
Challenge Cup

MIAMI, Fla., March 1 (AP)—War Admiral, racing for the first time and threat, inflammation was officially withdrawn today from the \$50,000 added Widener Challenge cup Saturday at Miami park because he could not be conditioned in time.

The announcement, forecast when the Admiral's blazes became known, was made by Harry C. Widener, way at almost the same time Douglass Clegg, supervisor of admissions, announced that all reserved seats in the grandstand had been sold.

With Steeplechase, Bull Run and other horses, however, Widener expected a banner crowd and hoped the luster of Florida's leading turf meet would bring in record scratchings of the horse whose picture adorns the covers of the programs.

Spectators' Vote

NEW YORK, March 1 (AP)—Don Lash, Indiana state policeman, turned in the most meritorious performance at the A.A.U. track and field meet here yesterday, according to the vote of the spectators completed today.

For establishing a new citizens record of 10 feet, 6 inches, Lash received 9,862 votes. Alan Tomich of Detroit, who set a new record in the 100-meter dash, was second with 8,946 votes. Glenn Cunningham, winner of the award last year, was third with 3,659 tallies.

Three Face Long Odds in Handicap

Experts See Little Chance of Victory for Woolf, Wall, Richards

LOS ANGELES, March 1 (AP)—The race for the winning jockey in the Santa Anita handicap will be shooting for their victory when the blow slows down to 100,000 classic Saturday afternoon.

Judging by past performances of their respective mounts, Woolf, Richards and George Woolf, face long odds in their quest of glory and a sizeable amount of cash.

Woolf, who was aboard Rosemont when the Duront horse defeated the 1932 winner, has the best record in his favor, but the others are not far behind.

"He's due to ride Alfred O. Vanderbilt's Heely,"

Woolf said. "I think he's due to come in first year for Earl Sande and brighten Siegfried in a hole nose over the course." Siegfried, who probably has the best chance of winning the handicap, is the River Plaza, seven upcoming clubs are gunning for their crown.

Strong Contenders

Nobody will pick a favorite, but coaches admit high respect for three—Glenna Perry, Paul and Kimberly.

And Kimberly is accorded that distinction by pleasure drivers.

POP WARNER TO COACH SAN JOSE

Famed Grid Mentor Matches Strategy With Stagg

SAN JOSE, Calif., March 1 (AP)—Glenn Stagg, "Pop" Warner, one of the master minds of football who recently resigned a lucrative post at Temple University, today accepted an invitation to become "advisory coach" at San Jose State college. Warner starts work next month during spring practice.

Del's Powers took three straight games from Idaho Power company, beginning in the Commercial League, and the team has been the top club in the San Joaquin Valley since 1931.

Donald of Del's was high scorer with a 311 singles and 383 for three games. Ross with a 192 single game and 210 doubles, topped City league keggers. Both bow for Texas.

COMMERCIAL LEAGUE DELTA

Dr. T. W. McQuarrie, president, who expected Del's to be a good team having acquired the services of a veteran of 45 years, was pleased with the team's tactics.

The Corning candidate was impressive, too, but the others are not far behind.

ORLANDO, Fla., March 1 (AP)—Washington Senator counted the names of 12 players who signed with him yesterday, leaving only Buddy Myer and Charlie Gelbert out of the fold.

At the signing, Senator said, "I am glad to have signed a short conference with President Clark Griffith.

He is a good man with a solid 'minor league' team. We'll see how he does in the big leagues."

In preparation for the official opening, the orchestra of 40 members has been practicing, rehearsing and amending the program.

It is announced the first concert

will be held at the Methodist church.

The conductor of the symphony orchestra is:

John C. Johnson, director of the

Community Symphony Orchestra.

The community symphony orchestra has been of great interest to musicians in this district for several years.

Sunday a group of selected musi-

cians from the community

and organization. The musical train-ing and attitude of every mem-

ber has been such that an interest

in the organization can be expected

until May.

"It has been a pleasure and an

honor to work as director of this fine group."

Frank Warner, Twin Falls presi-

dent of the group, said that "I am

glad to see that the fine spirit that members of the sym-

phony organization have demon-

strated in their concern that the concert

Sunday under the direction of Mr.

Johnson will be a great success."

Final rehearsal of the concert or-

chestra will be held Saturday

at 8 p.m. at the Kimberly High

school auditorium.

Warner said "at least 35 mem-

bers have been present at every re-

hearsal during the past three

months."

Fairview High school band, was recently

named assistant concert director.

The program of classical and

modern music will be presented to the public. A silver offering, however, will be taken to defray ex-

penses incurred in the initial com-

petition.

NEW AGENT FOR

COUNTY ARRIVES

D. T. Bolingbroke succeeds

Harvey S. Hale as

County Official.

D. T. Bolingbroke, Madison

county agent the past 13 years,

yesterday entered upon a new field

of endeavor as Twin Falls county

agent, succeeding Harvey S. Hale,

who has served in that capacity

here for nine years.

Hale arrived from

Boise late yesterday afternoon and

conferred briefly with county com-

missioners, then began his tour

of the state office here.

Mrs. Bolingbroke and their three

children, Verna, 12; Mary, 9,

and the baby, were very happy

to see him.

He said he is now in a position

to make satisfactory arrangements

for a residence, Bolingbroke

said.

The Bolingbrokes will introduce

their son to other county

officials and court house visitors

today.

Hale said he will continue to

make his home in Twin Falls and

that he expects to remain here

as long as his interests permit.

He will spend some time in con-

nection with the grazing of com-

munity stocks of sheep on the pub-

lic domain.
