Committee Slashes \$150,000,000 Relief Fund to \$100,000,000

Economy Bloc Prepares for Fight on Floor
of House to Trim President's Request

(By The Associated Press)

WASHINGTON, March 29.—The \$150,000,000 additional relief appropriation requested for this year by President Roosevelt was cut to \$100,000,000 today by the house appropriations committee, and the economy bloc prepared for a floor fight to hold it down to the latter figure.

The measure will come up for debate in the chamber tomorrow. A group of city congressmen laid plans tonight for an effort to stop the \$50,000,000 cut. Whether the measure will pass "in doubt," the economists, looking back to some successes this session, expressed confidence they would again be victorious. Majority leaders, however, said they expected little victory for their side, were obviously unhappy.

Farm Bloc Altered

For they had, it was generally conceded, allowed members who had lost votes, by their tactics in connection with a proposed \$250,000,000 appropriation for charity payments to pensioners, to which the house rejected yesterday.

Striving to build up a coalition of farm and city congressmen, the economy bloc and the full \$100,000,000 relief appropriation, they tried to exact specific pledges from the rural congressmen to support the bill. In the city bloc they voted against the party appropriation—41 to 39—by 43 votes. The farm group was obviously unhappy.

At the White House, meanwhile, Rep. Sabath (D-Ill.), after a conference with the president, quoted him as saying that "a great deal more was needed—but that if a lesser sum were appropriated, the WPA would have to stretch it out and do the best we can."

In approving the \$100,000,000 appropriation the appropriations committee asserted that it was following the recommendation of the Senate inquiry probably would justify it. And that WPA, with this additional \$50,000,000, could "still do a great deal more." The committee, however, could not be sure, it was told, that Roosevelt would not have enough to spare.

Political Shift

The committee was highly critical of WPA, charging excessive administrative costs and specifically objecting to a recent expenditure of \$200,000 for the erection of a WPA administration building in the New York World's Fair.

Behind the committee's decision of today, lay the mechanics of a political shift.

Rep. John E. Davis (D-N.C.) asked that \$25,000,000 be appropriated to keep WPA going from Feb. 1 to June 1. He had introduced the bill July 1 with the house leading the way. Congress cut \$150,000,000 from this figure. The president immediately approved an additional appropriation of \$150,000,000, the amount that had been lopped off.

SIX CONVICTED IN WPA TRIALS

Day's Verdicts Bring Total
Guilty in New Mexico
to Eight

SANTA FE, N.M., March 29.—The federal court jury today convicted Reuben R. Gale, Lordsburg WPA foreman, of aiding and abetting the government in its efforts to falsify the number of convictions obtained by the government today in its drive against politics in New Mexico.

The jury, deliberating less than two hours, acquitted Gale of another indictment charging diversion of public funds.

Verdicts of guilty had been returned earlier today in the case of five more county defendants charged with conspiracy to nominate the party's political machine and with evading political tribute from WPA workers.

Gale's conviction brought to eight the number found guilty since 23 persons were indicted last October.

John H. Clegg, defense attorney, postponed sentencing until today of Mayor Samuel Klein of Las Cruces, "With the exception of WPA," he said, "he has done a good job."

He also delayed sentence of a man 24 yet to go on trial, including 10 to be retried on political conspiracy charges as a result of a previous hung jury.

CUBS SELL 'RIP' COLLINS TO LOS ANGELES

Cash Deal for Colorful Player Surprises Fans

Chicago—Decides to Keep Glen Russell at First Base

(By the Associated Press) — LOS ANGELES, March 29.—James (Ripper) Collins, veteran first baseman sold by the Chicago Cubs today to the Los Angeles Angels of the Pacific Coast League in a deal that surprised local baseball followers as "much as it strengthened the Los Angeles club."

President David B. Fleming of Los Angeles said he had "no idea" what the amount was not divulged.

The colorful Ripperman, a member of the St. Louis Cardinals—Chicago Cubs team two years ago, and the Cubs' first base man, Phil Cavarretta, have been battling for the regular first base job. Russell, 33, has been with the Cardinals since he was regarded as a promising recruit but hardly likely to edge either Collins or Cavarretta out of the picture.

Collins, 34, will go and keep the 34-year-old Collins go and keep the younger Russell.

Collins, who has played in three All-Star games, was traded to the Angels for Tom Johnson, a reserve in 143 games for the Cubs last year, is scheduled to join the Los Angeles club tomorrow, probably.

Fleming and his wife set together on a salary figure. Tomorrow is his 34th birthday.

Collins, 34, is the Angels' top player.

In 1938, it is not so good a fielder as Collins—but proved a mainstay of the Los Angeles pennant-winning team.

Collins, 34, is the Angels' top player. On the Los Angeles club, the Ripper went to Chicago at the close of the 1938 season in a deal that cost Leon Young \$10,000, and he became manager for Collins and Leroy Par-

man, whose home is in Rochester, N. Y., is popular with Los Angeles fans and the deal was welcomed by the fans.
