Close Friends of Vice President Disclose Purpose To Urge His Candidacy Regardless of Roosevelt

By WILLIAM E. ARDREY WASHINGTON, June 3 (AP)—Close friends of Vice President Garner disclosed today that he has decided to seek the presidential nomination at the 1940 Democratic convention even if the president should be a candidate.

Garner was said to be convinced that his name should go before the convention, regardless of the strength of any opposing aspirant for the nomination, and that consequently he had approved efforts of supporters to line up convention delegates in his behalf.

WPA Gets None Of Graduates

McCLAVE, Colo., June 3 (AP)—A year ago 12 McClave high school seniors made this sardonic graduation challenge to the future.

"WPA, here we come!" The WPA's got none of them yet.

And there still is in McClave high school what youthful Superintendent Milton H. Andrus likes to call "humorous appreciation of realities."

"The WPA's got none of them yet," the graduates said.

PROBE NAMED A FEDERAL LABOR BOARD

Congressional Investigation Inevitable Unless Amendments Come To Vote, President's Friends Declare

By DONALD A. YOUNG WASHINGTON, June 3 (AP)—President Roosevelt has been stoutly supported by his closest congressional friends that unless congress gets a chance to vote on Wagner labor act amendments this session, a house investigation of the national labor relations board is inevitable.

This became known today as innumerable house members started a quiet campaign to obtain support for an investigation resolution which Representative Cox (D-Ga.) has introduced.

Cox said he would ask the rules committee to approve his resolution unless the labor committee reports amendments in time for action this fall.

Support Predicted

Some Democrats expressed the opinion today that the resolution would certainly be adopted, if brought to the floor, a resolution to create a special committee to inquire into the board's activities during the summer and fall report back Jan. 1.

The inquiry would look into qualifications of the three board members and the arguments that the law should be amended.

It was being removed to the hospital from his home, 265 North Avenue north, following a heart attack.

Ninety-eight Men Trapped in British Submarine

This was the scene from the air as rescuers clambered about the fall of the sunken submarine Thetis just before a storm tide swept the jutting stern under the water of Liverpool bay and impeded efforts to rescue 98 men imprisoned in the undersea craft. British naval experts had hoped to cut a hole in the Thetis stern to supply the imprisoned men with fresh air, then enlarge the hole to permit them to escape. The admiralty last night gave them up for dead.—The picture was sent by wire to London and by cable to New York.

MANHUNT GUILTY OF CONSPIRACY

Resigned Federal Judge Convicted; Faces Maximum Term of Two Years

NEW YORK, June 3 (AP)—Martin T. Stanton, resigned senior judge of the federal circuit court who admitted that his numerous corporations received thousands of dollars in "loans" from himself before his resignation, tonight was convicted of conspiracy to obstruct justice. He faces a maximum penalty of two years in prison and a \$10,000 fine.

His case was called unprecedented in the 60 years of American jurisprudence by Federal Judge Calvin Chesnut of Maryland, who presided at the trial.

Manton, who was appointed to the federal bench by President Wilson, and presided over 2500 cases, resigned last January after District Attorney Thomas Dewey accused him, in a letter to the house judiciary committee, of accepting \$100,000 from Trans World.

Manton was disclosed to have important or controlling interests in a half dozen corporations, raising the total value of his holdings to \$1,000,000.

Japanese Block Neutrals' Efforts to Leave Hankow

American Vice Consul Among Those Prevented by Army From Boarding Out-Bound Steamers

HANKOW, China, June 3 (AP)—The Japanese army tonight blocked efforts of neutrals to leave this important occupied city for Shanghai aboard two British Yangtze river steamers.

The army was adamant, despite special permission granted by Japanese naval officials to the neutrals to leave aboard the steamers which brought supplies here for units of the British Yangtze patrol.

The army's stand was alleged to have been in retaliation for the recent action of two American gunboats in taking a group of neutrals including Soviet, Russian embassy officials, to Shanghai.

A large number of neutrals have been endeavoring in vain to leave Hankow but the Japanese have objected although Japanese consuls help have been running regularly between here and Shanghai carrying Japanese.

These consuls have to leave include the American vice consul and nationals of France, Germany, Russia and Italy.

SHANGHAI, June 3 (AP)—Japanese dispatches from northwestern Manchoukuo today indicated that the Japanese government had indicated 20,000 evacuees during the past 10 days in western Hupeh province.

However, Chinese reports of ground victories in that area apparently directed him to the police station where Detective B. O. Hoagland and T. B. Burbridge went to investigate.

They finally located the tourist camp and Morrison and started to drive away.

"Just a minute," called out Morrison. "We've got to go back to the station. I forgot my hat."

RESCUE HOPE VANISHES FOR TRAPPED MEN

Admiralty Gives Up for Dead 98 Victims in Thetis; New Record Death Toll For Submarine Tragedy

By The Associated Press BIRMINGHAM, England, June 3 (AP)—Hope vanished tonight for 98 men at the bottom of the Irish sea in the sunken British submarine Thetis.

The greatest number ever to perish in an undersea disaster.

The admiralty gave the men up for dead nearly 15 hours after the air supply was calculated to have been exhausted behind the Thetis' hull, steel walls.

Admiralty officials acknowledged that slow seepage of water into the submarine's batteries probably had formed chlorine gas and that the fumes had suffocated the men.

A British medical expert said that if they died from chlorine gas poisoning, the men probably met a painless and easy death.

Chlorine gas fumes, in a confined space like the interior of a submarine, would cause early asphyxiation, immediately preceded by loss of consciousness.

The British navy's official report said that it would be impossible to raise her before next Tuesday.

"Then we will make for shallow water, probably on the coast of the Thetis' builders' said."

OGDEN MAYOR'S ACT STIRS ROW

Commissioners Hit Carnival Permit for City Park

OGDEN, June 3 (AP)—There will be a hot time in Ogden Monday at 4 p. m. when the Ogden city commission meets, judging from reports Saturday night to the announcement of Mayor Peery that he "exceeded his power" and granted permission to Monte Young, Ogden city park, when he was informed of Mayor Peery's action.

"We will stop the carnival from occupying the park," Mr. Saunders declared Saturday. "Mayor Peery cannot put anything like that. He has no business to do it. He came to the city commission as President of Pioneer days, and asked the permission, and now he is asking me to renew attacks on Monday."

### HITCH DEVELOPS IN HALE APPEAL

#### Former County Agent's Petition May Follow Court to North

BOISE, June 3 (AP)—Efforts to obtain the state supreme court delay in the trial of Harvey E. Hale, former Twin Falls county agent charged with embezzlement, lacked today immediate results. Mr. Chapman, Twin Falls attorney for Hale, filed with the court an application for a stay of the trial scheduled to begin in district court at Twin Falls June 12. He asked a delay until after the supreme court hears an appeal from a district court ruling denying Hale freedom on a writ of habeas corpus. Only one of the five supreme court justices, William M. Morgan, was here today and he explained that one justice does not have power to act on such an application. Other justices were en route to north Idaho for terms of conference last week at Lewiston and Coeur d'Alene. "It is possible," Judge Morgan said, "the application may be taken up while the court is in the north. Justices will not return to the capital until June 12."

### CENTRAL IDAHO ROUTE SIGHTED

#### Public Works Commissioner Suggests Extension of Wyoming Road

BOISE, June 3 (AP)—Extension of U. S. highway 16 west from Worland, Wyo. where it now ends, through Yellowstone park and central Idaho was proposed today by H. R. Flint, acting Idaho commissioner of public works. He made his suggestion after receiving from the highway commission of South Dakota a proposal that the road be routed through Yellowstone state park, thence south through eastern Idaho to Utah and on to San Francisco. "We are proposing," Flint said, "that west of Yellowstone park the highway be routed through the Craters of the Moon national monument, to Sun Valley road and connect with U. S. highway 30 at Mountain Home. It then could follow highway 30 to the coast. He said he was transmitting his alternative proposal to the South Dakota highway commission and to the American Society of State Highway officials.

### Mrs. Williams To Address PEO

Mrs. E. B. Williams of Twin Falls will be one of the featured speakers at the state convention of the P.E.O. scheduled June 4-6 at Sun Valley. She will address the delegates at the convention banquet Tuesday evening on the subject, "Early Ketchum Days," when mining rather than skiing, was the paramount interest.

She is probably one of the best dressed women in this section on picturesque days, coming to Ketchum in 1881, when she assisted her husband, the late E. B. Williams, in operating the Williams hotel on the site now occupied by the Casino in Ketchum.

Convention hostess will be Chapter V, Shoshone, and delegates will be housed at the Chautauque Inn and convention sessions will be held at the opera house.

The three local chapters of P.E.O. will be well represented at the convention with delegations to be headed by the three chapter presidents, Mrs. Keyton Green, chapter A1; Mrs. J. S. Diffeufarler, chapter A2; and Miss Jessie Fraser, chapter D.

### Hostesses Preside at Pink and Blue Event

Mrs. Weldon Clark and Mrs. Lawrence Hall were co-hostesses at a delectable luncheon and "pink and blue" shower honoring Mrs. Merritt Smith Friday afternoon. Sixteen guests found their places at quarter tables, two covered with pink cloths and two covered with blue. The tables were appointed in crystalline placed on white paper lace doilies.

Each cover was made of miniature pink and blue parasols, tied with small white fiber ribbons and attached to rose-colored place cards with pink cellophane bows. Roses in bud vases completed the table settings.

Many attractive gifts were discovered by the honoree beneath an elaborate paragon of two shades of pink, trimmed with sprays of real roses, which covered a large convertible in the dining room.

A cradle-shaped deep sapphire blue crystal bowl, filled with pink roses and dainty blue flowers in deep blue, formed the especially interesting focal arrangement on the table. It is no heirloom of Mrs. Clark, having been in the family for several generations.

Divertissements of the afternoon were a series of games appropriate to the occasion.

### Jerome to Hear Elijer-Lecturer

JEROME, June 3—Members of the senior Chamber of Commerce may have the privilege of hearing the famed transport pilot, Colonel Roger Q. Williams, at a fall meeting. It was announced this week by Secretary Ward C. Howard.

The famous pilot is made available through the courtesy of the Reader's Digest association, and appears on many such programs in speak on aviation and sky courtesy flights all at no cost to members.

Colonel Williams made the trans-Atlantic flight from New York to Rome 16 years ago and his service as an aviator for 28 years. He has been through the army, has been a stunt flier, test pilot, instructor, mail pilot, is a designer, writer and manufacturer, and has flown more than 1,400,000 miles. He has taken up more than 62,000 passengers and has taught more than 700 students to fly.

The President is allowed \$23,000 a year for travel and entertaining expenses.

### Couple Forced to Delay Wedding

SAN FRANCISCO, June 3 (AP)—The big draw drew slowly from the pool, one by one, and what was it the pool water about "to part is to die a little?"

Shirley Colin had gone to Los Angeles harbor to bid her fiance to her fiance, Martin Bromberg of Hollywood, off for Manila on a business trip. That was Monday.

Today Miss Colin reached here by plane, just an hour before sailing time from San Francisco.

She and Bromberg said they would be married at sea by the captain of the President Cleveland. Officials regretfully shook their heads. Sea capitanes nowadays don't marry passengers. A missionary among the voyagers wasn't sure about his qualifications outside his home territory. A consular official declined because he was uncertain.

So Miss Colin engaged the only Honolulu quarters on the liner, and she and Bromberg will marry in Honolulu.

**BE ACTIVE AND ALIVE! LIVE! LIVE! LIVE!**

**ANEMIA**

The "Anemia" person must have the required amount of red blood cells containing the proper amount of hemoglobin (iron and oxygen) and these can only be healthy in many other respects.

The first symptom of Anemia is weakness and a general feeling of weariness, without apparent reason. A trained physician can diagnose between several kinds of Anemia and prescribe for their treatment.

In some cases of Anemia there is a lack of red blood cells; in others, plenty of cells, but a lack of hemoglobin in them. In other cases the blood analysis shows something vitally wrong with the blood-making machinery of the body, or presence in the blood of some destructive poison.

If you suspect Anemia consult your physician and follow his treatment. If you have some infection, such as bad teeth, rheumatoid hemorrhoids, such proper advice, because infection pouring into the blood is one source of Anemia.

Your Doctor may be able to help you overcome this "half-alive" state and again enjoy real health and a full, active life.

### HUGHES CENTER OF SPECULATION

#### Rumors Heard that One or More of Justices Might Retire

WASHINGTON, June 3 (AP)—The supreme court closes on Monday another historic session in which two new men have taken place on the high bench—but the general complexion of the court has remained largely unchanged.

The new men—one of them being one of the youngest justices in 127 years—followed, in general, the legal philosophy of their predecessors, so the "liberal-conservative" alignment of the court was not affected.

The court's trial work comes to a close, rumors are heard that one or more of the present members might retire, thus enabling President Roosevelt to appoint a majority. None of the justices has given any indication he intended to leave the bench.

Eligible to Retire

Principal speculation centers on Chief Justice Charles Evans Hughes, 72; Justice James C. McHugh, 71; and Justice Felix Frankfurter, 72. Each is eligible to retire at full pay.

For the first time since he was appointed in 1930, Chief Justice Hughes was absent on account of illness a part of this term. He contracted the grippe on March 4 and did not sit on the court again until April 17.

The two new justices, bringing to four the appointees of Mr. Roosevelt on the high bench, are:

Felix Frankfurter, Harvard law professor and adviser of President Roosevelt, succeeding Benjamin N. Cardozo, who died last July.

William O. Douglas, 38-year-old chairman of the securities commission and former law professor at Yale and Columbia, taking the place of Louis D. Brandeis, who retired February 12 at the age of 82.

Only two justices described by the Roosevelt administration as "conservative" remain on the bench. They are McHugh and Butler, both Democrats.

Administration Retires

Based on the list of administration veterans this term are decisive holding that:

The federal government can tax salaries of state employees and the states can tax salaries of federal employees.

Provisions of the 1933 agricultural adjustment act limiting the acreage of major farm products to be placed on the market are constitutional.

A group of private utility companies have no legal right to challenge constitutionality of the government's Tennessee Valley authority power program.

The Roosevelt administration sustained defeats in rulings on:

The sit-down strike is a "judicially prohibited" without shadow of legal right and employers need not have to reinstate workmen who participate in such activity.

Prior membership in the Communist party of the United States is not a sufficient reason for deporting an alien from this country.

The national labor relations board both won and lost in a decision involving the Consolidated Edison Company of New York, Inc., which operates in only one state but which sells its product to other concerns engaged in interstate commerce.

After holding that the board had jurisdiction over such a company, the court ruled that it has not exceeded its authority in ordering abrogation of collective bargaining contracts between the company and an American Federation of Labor affiliate.

### Postponement of Inquiry Disappoints Wall Streeters

#### NEW YORK WHIRLWIG

Disappointment of the investment banking phase of the "multi-national" inquiry, originally scheduled for last week, has stirred plenty of caustic comment in financial New York.

A number of leading investment bankers had been subpoenaed to come to Washington and explain to the temporary national economic committee why so much private capital is idle. The boys were all set to tell the committee plenty about the effects of New Deal policies when they were suddenly notified that the party was off. The quiet, this was a lovely opportunity to be provocative witnesses. They felt they had a right to be heard and they intended to make the most of it. Embittered Wall Streeters remark that Washington can "take it out" but evidently can't "take it."

Insiders understand there was a sharp difference of opinion between C. G. D. Jacques, Frank and Leon Hegler about the wisdom of the postponement. Henderson is said to have wanted to go ahead regardless, while Frank figured discretion was the better part of valiant valor. This disagreement between brother New Dealers may have repercussions inside the S. E. C.

### Before Stern Went Under

THE fate of 90 men aboard the sunken British submarine Thetis in Liverpool bay near Birkenhead, England, was more precarious when a storm tide swept the projecting stern under water and impeded efforts of rescuers to supply the men with fresh air. In this picture, sent by wire to London and by cable to New York, rescuers are shown on the fall of the submarine before it went down.

### Woes of SUGAR INDUSTRY TOLD

#### Independent Processor Asks 'Fir Administration' of Legislation

PRESTON, Idaho, June 3 (AP)—A "fir" administration of the sugar act so that domestic industry will be "encouraged and not penalized" is the demand being made by the American sugar industry "needs above anything else."

"Until we get decent administration of the present sugar act," said Thomas Heath, general manager of the Franklin County Sugar company, "increased beet acreage will not help, as we are having trouble with the beet crop and with the increase in prices equal to production cost."

Tom Mueck Sugar

"Recent factory expansion has resulted in 100 much sugar in the markets, cheap and wet. Idaho sugar cannot be marketed at a profit without actual cash loss, at present prices."

Heath, who is Republican state chairman, made his observations in a letter to L. P. Parsons, state chairman of Commerce secretary, who reacted to the state congressional delegation to work for increased sugar beet acreage allowances for the first three months of 1939.

Heath listed prices per pound retail prices of sugar in the United States for each month of 1938, with the preceding tax until 1934 when it was abolished, as follows:

1924-25, 1928, 7.20; 1929, 6.00; 1930, 1932, 7.10; 1933, 6.00; 1934, 6.20; 1935, 5.70; 1936, 5.10; 1937, 1938, 4.90; 1939, 5.40; average for the first three months of 1939, 5.10.

"The prices show that the price paid for sugar by the consumer today is lower than it has been at any time (except 1932), and, the prices during the past few years include a processing or excise tax of .53¢ cent; per 100 pounds," Heath declared.

Key to Expansion

"No company could afford to build new beet factories at present sugar prices. Sugar prices increased by 1 cent per pound would result in expanding the domestic industry, which the secretary of agriculture is sworn to prevent."

"Increased price of sugar would result in higher prices to beet growers, more acres in beet, and less acres in competitive crops. It would create more work in Idaho for the beet growers, the factory workers, railroads, coal mines, cotton mills, etc."

Ford-built V-8 cylinder cars made a clean sweep of all prizes. The average speed of the winning car was 70.30 miles per hour.

• BUENOS AIRES — April — The Argentines held a race that was a race—the South American Grand Prix. 4515 miles, much of it over steep and tortuous Andean mountain roads. 69 cars were entered, including all leading low-price American makes. The race was won by a Ford V-8 and 10 of the 28 cars which finished were Fords.

• CALIFORNIA — January — The annual Gilmore-Yosemite Economy Run was conducted under the worst conditions in years. 314 miles over two mountain ranges (4000 and 6000 feet elevation) with rain all the way and snow the last 40 miles! Nearly half the entries, including the leading low-price cars, failed to finish within the time limit. But performance figures recorded by Motor Age show that the 85-hp. Ford V-8 delivered the best gasoline mileage in its class! The Mercury 8 was also best in its class.

## Yanks' Great Catcher Tops American League Batters

### GULDAHL MOST FAVORED GOLF KING SINCE JONES

### Champion 6-1 Choice To Capture Third Straight Title

**By DILLON GRAHAM**  
**PILLADELPHIA, June 3 (AP)—**Not since Bob Jones was at his peak has a golfer gone on to the top in the National Open golf championship as pronounced a favorite on the bookmaker's list as Ralph Guldahl will be in the 1939 tournament starting here Thursday.

Guldahl, two-time winner, is a golfer to watch in his third straight championship. The betting fraternity recalls that Jones was once as low as 4-1 but on no other occasion has a player been rated so highly. Tom Watson of Augusta, Ga., who has been making book on major tournaments for years, says he never previously picked a player over odds 12-1. Guldahl was 12-1 a year ago when he won at Denver.

The other favorites are Sam Snead, 1-1 and Henry Picard at 10-1. Watson also has place show and fourth position odds as follows: Guldahl 6-4-2-1; Snead 8-4-2-1; Picard 10-4-2-1.

## Oakland Triumphs Over Los Angeles

### 'Ripper' Collins Blasts Out Thirteenth, Fourteenth Home Runs

**LOS ANGELES, June 3 (AP)—**Jimmy Collins blasted out his 13th and 14th homers of the season today but Los Angeles went down to defeat, 4 to 2, in Oakland in a Pacific coast league game today.

### World Champion New Yorkers Make Raid on Individual and Team Honors; McQuinn Falls to Sixth Place

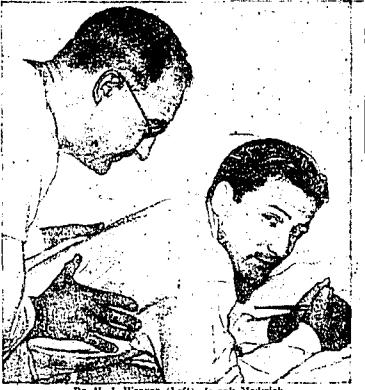

**CHICAGO, June 3 (AP)—**The New York Yankees, not satisfied with a runaway flag race, now are making a raid on individual and team honors in the American League. A week ago the Yanks, despite an impressive won-lost record, led only in team fielding and had only one individual leader—Red Ruffing, ace pitcher.

### World Champion New Yorkers Sweep Three-Game Series

**NEW YORK, June 3 (AP)—**The New York Yankees were hailed today for their capped hitting heights today as they swept a 3 to 2 victory over Cleveland Indians nevertheless to sweep their three-game series.

## ST. LOUIS CARDINALS HAVE UNUSUAL TRAINER

Dr. H. J. Weaver (left), Joseph Medwick (right) and the Cardinals.

**ST. LOUIS, June 3 (AP)—**The Cardinals may have lost most of the devilish ball players that made the old "Cardinals" famous, but they still have one man in the organization who has no peer.

He is Dr. H. J. Weaver, unquestionably the most distinctive trainer in major-league baseball.

Dr. Weaver is an unusual person in several respects.

Formerly an osteopath in general practice, he gets up his work many years ago when Branch Rickey remembered him as an old school mate and invited him to make a trip with the team.

Dr. Weaver has been making such trips ever since.

Nothing or nobody keeps Doc Weaver from doing whatever he wants to do and he bought one.

He wanted a motor boat a couple years ago and he bought one. It was a 1927 Buick.

## Buhl Opens Home Baseball Season

### S.C.I. League Teams Play on City's Improved Diamond

**DULY, June 3 (AP)—**The local home baseball season officially opens Sunday as the Buhl team plays the first game of their first S.C.I. league game of the year on the new park.

The Buhl Junior Chamber of Commerce is sponsoring the local team, and in addition has made many improvements on the city owned baseball park.

The stands have been completely repaired with new pedestrian entrances as well as automobile ramps. The entire park was reseeded to blue grass last year, with a water sprinkling system being installed.

The project, according to Jayce President Crispin, is completed except for painting, which will be done immediately.

The park will accommodate 4,000 fans.

The new field has been put in shape for Sunday's game, and while the perfect, represents a big improvement over the park last year.

With the return of college baseball players for the opening season, Manager Dunlop expects to place a strengthened lineup on the field for the first game.

With the backing of the Buhl Junior Chamber of Commerce, a large crowd is expected to attend the opening game which will get underway at 2:30 p. m.

## Bees 4, Reds 3

**BOSTON, June 3 (AP)—**The seventh-place Boston Bees, beaten seven straight times by the Cincinnati Reds, turned the tables on the National League leaders today and whipped them, 4 to 3, in a temporary hit the services of pitcher Jim Turner.

The Bees' hurler took a hard line drive from Ival Goodman full in the face in the sixth inning, suffering a broken nose and a badly-swollen right cheek.

# SCHULMERICH ANNEXES BATTING LEADERSHIP

## Botelho, Carlson Trailing Closely In Pioneer Loop

**Four Cowboys Among League's Top 10 Hitters**

POCATELLO, June 3. (P)—In a week of declining batting averages, Wes Schulmerich of Twin Falls boosted his mark by six points to take over the official batting leadership of the Pioneer league with an average of .428. Trailing closely were Ed Botelho of Salt Lake City and Corky Carlson of Twin Falls with marks of .421 and .409. Only other average over .300 in the class is Ezra Myers, Salt Lake, .405.

Of the first 10 batters in the Pioneer loop four were Twin Falls players—Schulmerich, Carlson, McNamane and Helton.

The figure were exclusive of a Twin Falls-Ogden game played May 27, the official report of which was received too late for inclusion.

Hitters appeared to be getting a grip on the situation as Ed Owens of Pocatello snared the leadership in games of May 21 to 25 and boosted his mark of wins to five and one loss. Second in the list was Wes Dearden of Ogden with four wins and one loss.

Batting averages included: Hughes of Ogden, .396; Arlett, Salt Lake, .390; Catanzar, Twin Falls, .385; Trower, Salt Lake, .374; Robello, Pocatello, .351; Behrman, Pocatello, .349; Burnett, Pocatello, .345; Hjort, Pocatello and Sherman, Boise, .333; McMillan, Lewiston, .329; Miller, Lewiston, .323; Harrington, Boise, .322; Larreau, Salt Lake, .319; Gomez, Boise, .315; Love, Boise, .311; Wilson, Lewiston, .303; Pedraza, Boise, .302; Carlson, Pocatello, .300, and Dress, Ogden, .297.

## Idaho Mentor Coaches W.S.C. In Dizzy Game

PULLMAN, Wash., June 2. (P)—University of Idaho defeated Washington State college, 7-6, in a dizzy baseball game played here today before Coaker alumni.

While firecrackers popped, Forrest Twoogood of Idaho coached Washington State and Coach Bailey of the Cougars directed the Vandals. In fact the two mentors did all of the pitching and catching for two innings and most of the hitting another.

During the serious moments, Dick Emerson, Washington State second baseman, hit two home runs.

# Johnstown Races to Easy Victory in Belmont Stakes

ABOVE: WHO GOT HURT WORST?—Max Baer (left) and Lou Nova (right) were a couple of pretty battered up young men when they met in New York the day after their heavyweight fight in the Yankee stadium which Nova won by a technical knockout. Baer spotted a pair of shiners and a badly cut mouth, while Nova wore a bandage around his head to protect his left ear. Lending a sympathetic ear is former Champion Jimmy Braddock.

LEFT: NOVA DUCKED HERE—In this second round mixup, Max Baer had Lou Nova ducking to avoid a battering punch. But, in the eleventh round, Max forgot to duck (or couldn't) and Lou caught up with him to nail Max for a technical knockout.

## 'BIG JOHN' WINS BY FIVE LENGTHS

### William Woodward's Outclass Rivals On Fast Track

BY SID FEDER

NEW YORK, June 3. (P)—Tall, dark and handsome Johnstown just about cleared up any lingering doubt to his right as champion of the three-year-olds today by galloping home a five-lengths winner in the 71st running of the classic Belmont Stakes.

Adding this semi-annual test of endurance and speed to his previous conquest in the Withers mile, the Kentucky derby, the Wood Memorial and the Preakness, William Woodward's whiffling race away from a field of five others.

Starting from the rail he kept on top and made every pole a winning one as he covered the long run in 2 minutes, 29 3/5 seconds, just one second off the track record, set by Wm. Armitage in winning the lake two years ago.

Without the hindrance of heavy coming, such as that which prevented him in his earlier career, his only defeat in seven three-year-old starts—"Big John" was the whole show. Jack Johnson, who had to do the little more than hold on.

Coming into the stretch Johnstown had time to turn his head to see what was doing behind him. It was plenty for A. C. Bowditch, trainer, and Mr. H. C. Philip, jockey. The latter Johnstown's entry made, were battling it out head to head for the place position.

Relay, a consistent brown son of Drayton, was down by half a length, with the Knight third and the Earl Sande-trained Healer Brown a length farther back in fourth place.

With a lightning fast track and heavy, warm weather, there were few among the 20,000 spectators who could see anything but Johnstown as a crowd. The three-year-old "Mr. Big" was backed for down in the betting, starting up at 1 to 1, and "out and out" for place and show. He was 7-1 for place.

The victory in this time-honored \$25,000 added stake was worth \$37,420 to Woodward's owner, bringing the winning for Johnstown's boy to \$156,065 for his two-season racing career.

## THE STATE SAYS YOU MUST!

Every Idaho motorist should familiarize himself with the provisions of the Financial Responsibility Law. This became effective May 2, 1939 and appears in the statutes as House Bill 1074-L-2 of 1939.

In brief, this law provides that any resident automobile owner who fails to satisfy within thirty days any final judgment given as the result of personal injury or property damage caused by an automobile accident will have his operator's or chauffeur's license and registration certificate suspended until such judgment is satisfied or a stated and acceptable proof of his financial responsibility for future accidents.

Non-residents as well as residents must conform to the requirements of this law insofar as their registration or operation of motor vehicles in Idaho is concerned.

### How to Meet Conditions of This Law

There are three ways in which an automobile owner or operator can prove his financial responsibility: (1) By depositing \$11,000 in cash or collateral with the State Treasurer; (2) By filing an approved surety bond in the amount of \$11,000; (3) By showing evidence that a "Motor Vehicle Liability Policy" is carried which provides insurance to an amount of at least \$2,000-\$10,000 for personal injuries to others and to an amount of at least \$1,000 for damage to the property of others.

Non-residents as well as residents must conform to the requirements of this law insofar as their registration or operation of motor vehicles in Idaho is concerned.

Idaho and Montana Marksmen Tie for Lead in State Tournament

WALLACE, Idaho, June 3. (P)—Shooting in a difficult, varying wind, the 10th annual Idaho and Montana marksmen tie for lead in the state tournament today, with clean sweeps of 100 birds each.

In the class B event H. Hooper, of the Wallace-Kellogg club held the lead with 85. D. W. Patrick of Spokane led in the hold top place in class A with a 95.

Clinton Zion, 15-year-old Lewiston shooter, finished his conquest of the class D race with a 65 score.

The tournament will be concluded tomorrow.

## Cooper Reduces Guldahl's Lead

'Light-Horse' Harry Drives Ahead in Round-Robin Golf Tournament

BY BILL DOLL

NEW YORK, June 3. (P)—Two men who together could fit into his shadow over-shadowed national open champion Ralph Guldahl today as one went flying by him and the other came nipping at his heels in the third day of the \$25,000 round-robin golf tournament.

Light-horse Harry Cooper cut the points of Guldahl's lead by beating him and Tony Fenna, a 1 up apiece, in the morning round while Guldahl was finishing all over. In the afternoon, Cooper piled up nine more points against Craig Wood and John Revolta. Guldahl, stacking against the hottest scoring streak the tourney has had so far finished four down to Denny Snel and 2 up on Paul Runyan for a net loss of two.

That combination of events raised Cooper's point score to plus 12; lowered Guldahl's to 1, and Wiles Sney into third place with a plus 17 score.

Sney made the most remarkable recovery, starting the day far down the list of 18 contenders with a minus 6 rating. Sney carved out a three-under-par 87, cut off the course record, to win 15 holes from Revolta and Jimmy Thomson. Then he came back after lunch to put a 68 and finish a 4 up each on Guldahl and Runyan. Sney thus earned 23 points.

Sney, who won last year in Cincinnati, took a delectable tumble. The

## Women Golfers Stage Tourney

RUHL, June 3.—It was indeed day, the "Great Ladies" tournament today. Women of Jerome and Gooding clubs were guests of Ruhl women at a tournament that began in the morning and ended with a picnic luncheon.

Mrs. Ellison of Jerome and Mrs. Vandegrift of Gooding won golf balls offered as prizes for the day's best scores.

Mrs. Jack Tingey and Mrs. Mae Cox were in charge of the tournament and luncheon.

The following players participated in the tourney:

Jerome—Miss Josie Handy, Mrs. Jerry Ellis, Mrs. Edna, Mrs. Thompson, Mrs. McManhan, Mrs. Jefferson, Mrs. Thorup, Mrs. Ovensen, Mrs. Sinclair, Mrs. Wysterloh, Mrs. Gansbels.

Gooding—Mrs. Crow, Mrs. Watson, Mrs. Craig, Mrs. Vandegrift, Mrs. Beard, Mrs. Lynn, Mrs. Miller, Mrs. Huddelson, Mrs. Cecil, Mrs. Roby, Mrs. Buhl, Mrs. Van, Mrs. Shields, Mrs. Wilkinson, Mrs. Almquist, Mrs. Prichick, Mrs. Pickwick, Mrs. E. Collier, Mrs. Laine, Mrs. Tingey, Mrs. Cox, Mrs. Trecker, Mrs. Ripley.

## Blow Fatal to California Boxer

SAN DIEGO, Calif., June 3. (P)—Lou Gomez, Los Angeles boxer, died tonight from the effects of a blow to the solar plexus, Deputy Coroner A. E. Quillier reported.

Gomez was dropped in the second round of a preliminary bout by Tilt Thompson, Los Angeles Negro.

The California variety served notice on the rest of the country's crew rating fraternity long before two months ago when it defeated Washington by nearly seven lengths to win the annual Pacific coast regatta. The time of 14 minutes 48 1/10 seconds was the fastest ever for any for western three-mile crews.

## 'De Big Bum is Afraid,' Says Tony Galento

NEW YORK, June 3. (P)—Fifteen expected at the formal contract signing for the June 28 heavyweight title fight between Champ Louis and Tony Galento. But Galento failed to show today when the question of moving the fight to some city other than New York was not discussed at a meeting of the New York state athletic commission.

Mike Jacobs, promoter of the fight, had indicated he might take the fight to Philadelphia or another city since the Lou Nova-Max Baer fight Thursday night drew a small crowd. Galento and his manager, Joe Jacobs, always have wanted it in Philadelphia.

but John Rosborough, one of the champion's managers, said they wouldn't consider any place but New York.

The commission eased matters somewhat by granting Joe Jacobs a second license after turning him down several times in the past. Joe also applied for a messenger's license but no action was taken on it.

The contract was signed by Galento, Julian Black, agent for Louis and John J. Phelan, chairman of the commission. Louis, who opened his training camp at Pompano Lakes today, was not present.

"Gives de big bum is 'afraid," said Galento. "He didn't show up."

## California Crew Heads for East

'Ky' Elbright Leads Coast Oarsmen to National Regatta

BY RUSS NEWLAND

BERKELEY, Calif., June 3. (P)—A slender, little fellow, be-speckled, unobtrusive and a face half hidden under a battered hat, hustled a bunch of muscled athletes aboard a unorthodox—train today. University of California's varsity of eastern rowing circles was under way.

The slightly built chap with the floppy headpiece was Carroll "Ky" Elbright. He looked more like the type some folks picture a college professor than one of most famed ponches of eight-oared rowing in the world.

He's the only American who ever coached two Olympic college crews to the Olympic championships, the winning California shells of 1928 and 1932.

This year he has rounded up his greatest varsity crew since the 1932 Olympics were admitted. The oarsmen will set sail on the Hudson in a few days already have been established as favorites in the east to win the national intercollegiate rowing trophy at Poughkeepsie, June 17.

## C. of C. Groups Sell Tickets for Benefit

Ten members from the Twin Falls Junior Chamber of Commerce and a similar number from the senior Chamber of Commerce will gather with other local residents at Wray's cafe at 8 p. m. Monday for a breakfast to inaugurate a day of intensive ticket sales for the Craig T. Bracken benefit baseball game.

Bull's baseball team from the South Central Idaho League will tangle with the Twin Falls Cowboys of the Pioneer league here at 8:30 p. m. Monday with all proceeds from the game going to the widow and children of the slain Twin Falls police officer.

Harry Sheehan, who is making arrangements for the breakfast, cautioned fans and friends of Bracken not to confuse the Bull-Twin Falls benefit game with the centennial tilt between South Central Idaho league all-stars and the

## Duo Theme Chosen for Girls' Conference at Sun Valley

"Effective citizenship and knowing one's community" is the combined theme of the conference to be held July 8 to 15 in the northwest affiliated with the Y. W. C. A. Delegates from the Magic-Y and Four-L clubs of Twin Falls will be sent to the conference.

Leaders and a tentative program have been announced with the aim of the conference, to clarify thinking and stimulate individual growth along the lines of the theme. Study of the local community and the role girls can play will be used as a basis for achieving the aim.

Local clubs are considering study outlines, "Know Your Own Community," sent by the area council, in preparation for the coming season.

Tentative arrangements include a lecture, discussion and interest groups for the morning program, afternoon free for recreation, and evening programs to be determined by the girls during the conference.

Dr. John Anderson, of the College of Saint-Valley, will lead the group on international relations and religion. Music will be directed by Mrs. Eugene Gagner, Boise, and dramatics will be in charge of Miss Gladys Larson, of Teton, Wash.

George F. Vauls, of Olympia, Wash., an attorney, ex-legislator and chairman of the northwest planning council, will be the lecturer. Miss Vera Harris of Miss Helen Olfors, Seattle, Wash., will lead the industrial occupation group.

Conference executive will be Miss Helen Becker, of the west, north-west and southwest regions at the national board, New York City, will be another Y.W.C.A. official attending.

## Elaine Dudley, John Stevens to Wed at Home

Wedding vows for Miss Elaine Dudley, daughter of Mr. and Mrs. C. C. Dudley of Twin Falls, and John Stevens, son of Mr. and Mrs. Charles Stevens, will be exchanged at 10 o'clock in the morning before an improvised altar in front of a large window in their own home at 614 Fourth avenue here. Rev. H. G. McCullister, Methodist minister, will officiate.

Miss Catherine Dudley, sister of the bride-elect, will be the maid-of-honor, and Al Bye, of Twin Falls, will be the best man.

Peonies and geraniums will be used to establish the motif in the decorations.

Immediately following the ceremony, which will be witnessed by relatives and close friends of the bride couple, Miss Dudley's parents will entertain at a wedding breakfast at their home, 502 Blue Lakes boulevard.

The couple plans to leave following the breakfast for California where they will visit the exposition in San Francisco and a sister of Mr. Stevens in Los Angeles.

Miss Dudley is a graduate of Twin Falls high school and of the University of Idaho, southern branch, at Pocatello. She taught school at Curry the past year.

Mr. Stevens was a student at Idaho college in St. Louis, Missouri, the past year.

She has chosen for her wedding gown a princess style, fashioned of white net and lace, to be worn over white satin. Slit puffed sleeves and a shaped neck are features of the floor-length gown with which she will wear a corsage of flowers in her hair.

Attending Miss Dudley as matron of honor will be her sister, Mrs. Victor Warner, Jr. of Salt Lake City, Utah.

Immediately following the ceremony, the bride and bridegroom will be guests of honor at a formal wedding reception arranged by Mrs. Dudley at the Gamma Phi house.

Mr. Stevens graduated from the University of Idaho at Moscow at mid-term, and is now employed in Boise. His parents reside in Coconia.

STOCK MARKET POINTS UPWARD

Steels and Motors Advance as Shares End Week on Cheerful Note

Markets At A Glance

NEW YORK, June 3 (AP)—The stock market today ended a rather active week on a moderately cheerful note.

While price changes were small throughout the day, steel, motor, and rubber stocks generally pointed upward.

With numerous traders reporting a decline in the volume of business, the day's turnover was the smallest since May 13.

The Associated Press average of 60 stocks was up 1/4 of a point at 47.3, but on the week showed a net decline of 1/2.

The day's news budget was lacking in particularly stimulating material.

Stocks emerging behind modest plus signs today included U. S. Steel, Bethlehem, and Republic.

Ward, Anderson, N. Y. Central, Pennsylvania Electric, American Kodak and Zenith Radio.

Bonds were about steady and commodities, slightly advanced.

Higher in the curb were American Gramophone, Bell Telephone, Electric Bond and Share, and Humble Oil.

Carriers Corporation dropped a slight fraction, turnover of 30,000 shares compared with 63,000 a week ago.

Board Advised to Meet Week Days

BOISE, June 3 (AP)—Attorney General J. W. Taylor ruled today there was no statutory prohibition against Sunday meetings for the state fish and game commission.

He made his ruling for State Game Director Harold H. Harvey, who requested the opinion.

"I found there is no prohibition against the commissioners working on Sunday because their duties are of a ministerial nature and differ from those of judicial officers, who may not work on Sunday," Taylor said.

"However I urged that the commissioners do not meet on Sundays."

The commission has held several of its sessions recently on Sundays.

# WORK PROCEEDS ON CREEK SPAN

## Pole Line Bridge Will Be Completed Ahead of Schedule

Pole line bridge across Rock creek canyon two miles south of U. S. highway 20, between Twin Falls and Filer will probably be completed in five to six weeks, Dan J. Cavannah contractor said last night.

However, the bridge probably will not be opened to traffic at an approximate \$200 cost of approaches must yet be constructed, he said.

Engineers of the state highway department are now considering proposals to build the bridge. A difficult problem faces the engineer as the east side of the canyon is a steep rock face. A "cut" on the west side of the canyon will solve the problem for one approach. Cavannah's contract sets August 22 as the deadline for completion of the bridge but he says he can expect to be finished by mid-July as far as the bridge is concerned.

Last at erection work of the bridge will be completed Monday. One-half of the 16,000 rivets in the span have been driven with the balance to be rammed into position within two weeks.

Painting and flooring of the span follows. Oil work will be placed on top of the flooring by the state highway department. The contractor has 24 men on the project.

# Services at Buhl For War Veteran

BUHL, June 3.—Funeral services will be held here Monday afternoon for Frederick Hohbakh, World war veteran and Buhl district farmer who died Friday morning at the veterans' hospital in Boise following an eight weeks' illness of a heart ailment.

Services will be held at 2 p. m. Monday at the Buhl church officiating Bishop E. B. Johnson of the L. D. B. church officiating. Burial will be in the Buhl cemetery.

Mr. Hohbakh is survived by his wife, Eleanor Hohbakh, and daughter, came to Buhl from Centerville, Utah, in 1932.

He leaves one brother and one sister in Pennsylvania. He was born in England, Dec. 4, 1874.

# Judges Selected For Pep Parades

Judges, three Twin Falls women, have been selected for the children's two pep parades which begin at 10 a. m. Monday, signaling the opening of the local market and play grounds for the summer season.

Miss Verma Richards, director of the WPA recreation program, in Twin Falls, and Mrs. G. A. Gates, Mrs. George Bühler and Mrs. Rose North would serve as judges.

They will decide the four children who will receive awards for outstanding costumes.

Parades will form at City park with children from Harmon park parading into the northeastern neighborhood and children from Drury park parading into the northwest section of the city.

Twin Falls police officers will escort the parades.

# Scouters Will Talk Leadership

At the Boy Scout district organization meeting Monday evening at 7:30 p. m., leadership training in camp for Scoutmasters and Scouters, who later in the summer will be in charge of the camping trips of numerous Boy Scout troops, will occupy those attending. The meeting will be held at the L. D. S. tabernacle.

E. E. Joslin, prominently identified with Boy Scout activities in both the district and the Snake river area for a number of years, will attend the meeting — his final one as a member of the executive board of the Snake river area council.

He served as secretary of the Boy Scout district organization for 10 years; was chairman of the district for two years, and for the past two years has been on the Snake river area council executive board.

Mr. Joslin, who has been associated with the Idaho Power company auditing department, in this division for a number of years, has been transferred to Boise by that company.

# Cinderella Shop Will Close Doors

Close out sale will start Tuesday at 9 a. m. at Hindley's Cinderella Shop, 147 Main avenue west, Mrs. J. L. Frye, manager, announced yesterday.

The shop will be closed all day Monday to permit clerks to mark down prices on women's apparel and shoes, exclusive merchandise handled since first.

"C. Hadley, who owns a large number of similar women's apparel shops, has decided to liquidate several of his stores to devote his time to other interests," said Mrs. Frye.

Mr. Hadley resides in Vancouver, Washington.

The store has operated in Twin Falls for 12 years.

Some of merchandise will continue until the present stock has been cleared, the manager stated.

# VALUATIONS IN IDAHO DECLINE

## Tax Commissioner Traces Downward Trend Since 1929

BOISE, June 3.—Idaho's board of equalization is confronted with a decade-long downward trend in valuation of taxable property, its secretary, Tax Commissioner Byron Defenbach, declared today.

He said a study of records from 1929 to 1937 disclosed that average valuation declined more than 20 per cent, or approximately \$100,000,000 then turned up slightly in 1938.

"This decrease in valuation is spread quite evenly all over the state although over all the northwest," he said.

"This same situation also is quite general over all the northwest states."

Transferring of equalization board records from the state auditor's office to that of the tax commissioner, as required by the 1937 legislature, now is underway in preparation for the board's annual meeting August 14.

Defenbach said records of years prior to 1923 would be stored in basement vaults while more recent ones would be indexed and filed in his office.

His annual session the board checks valuations submitted by county assessors and determines valuations to be placed upon public utilities.

# Charges Dropped In Boise Slaying

BOISE, June 3.—Manufacturer charged against Lee Little, one-time Idaho Falls rodeo performer, were dismissed today by Justice of the Peace T. M. Roberts upon motion of Prosecuting Attorney Kenneth O'Leary said in his motion he believed there was not sufficient evidence to obtain a conviction.

Little was charged with manslaughter after Ralph Curry of Parma died from injuries received in a beer hall brawl here.

Later L. G. (Pete) Carter, formerly of Filer, was arrested and charged with second-degree murder in connection with Curry's death. He has been bound over to district court for trial on that charge.

After moving to dismiss the manslaughter charge against Little, O'Leary obtained an order from Probate Judge John Jackson holding Little as a material witness for the state in the case against Carter. Bond was fixed at \$500 which Little provided.

# Twin Falls Woman Succumbs at Home

A resident of Twin Falls for the past four years, Mrs. Margaret Blair, 52, died Saturday morning at her home, three-fourths mile east on Addison avenue.

She was born March 2, 1887, in Ohio.

J. C. Blair, Twin Falls, her husband, and the following sons and daughters live in Montana, survivors: Mrs. Leona Rex, Mrs. Margaret Kelly, Mrs. Ernest McLaughlin, Mrs. M. J. Miller, Clyde, Minister, William Minister and Mrs. Mabel MacKey.

Funeral arrangements are pending. The body is at the Twin Falls mortuary.

# Liquor Store Tax Decision Awaited

BOISE, June 3.—The state liquor board passed up today a decision on the question of whether it must pay state chain store tax on the 118 stores and dispensaries it operates.

A. M. Greenfield of Boise, chairman, said the board would defer action until a ruling was received from the office of Attorney General J. V. Taylor.

A few days ago State Tax Commissioner Byron Defenbach said he was studying the question. If applied, the tax would amount to \$450,000 annually.

The effect would be, Defenbach said, to remove that amount from net profits of the liquor board, which are divided among the state's counties and municipalities—and place it in the state school income fund.

Greenfield said mostly routine matters occupied the board today at the session which he said probably would last another day or two.

# Find "Normalizer" For Babies in Vitamin B

Scientists Prevent Colic, Improve Growth with Natural Cereal Vitamin

Recently a distinguished medical authority made a remarkable statement about babies—that lack of Vitamin B in the diet caused much of the constipation, colic, and other digestive troubles of children under one year.

His statement was supported by studies at one of the large state universities which showed that Natural Vitamin B Complex, when added to the formula tends to promote the normal growth of young babies. The studies also show that Vitamin B helps to ward off stomach and intestinal difficulty.

Natural Vitamin B, as provided in Wheatamin Extract, is pure and safe to use. Merely add a teaspoonful to the baby's diet formula—your child and your baby becomes happier, more contented, brighter and sturdier! Ask for WHEATAMIN, the Natural Vitamin B preparation extracted from pure food cereals, Sav-More Drug Stores.—Adv.

# Idaho's first permanent settlement was the little community of Franklin, founded in the Bear River Valley in 1860.

That first bitter winter, settlers walked 110 miles to Salt Lake for supplies. But the spirit of neighborliness carried these pioneers through. Each member of the community worked for the group, as well as-for-himself. Together, they survived.

That spirit of neighborliness has made Idaho what it is today. The thread of it runs through the history of every business and industry in the state.

Back in 1916, south Idaho's electric service was in its infancy. A group of pioneers, realizing that this territory must have adequate electric service, founded the Idaho Power Company. They staked their savings on their faith in the future of the territory, and built for the needs of their neighbors of tomorrow.

Their faith has been justified. Today Idaho Power's customers enjoy electric rates among the lowest in the nation, service that is second to none in America. And electric service is still planned with the needs of tomorrow in mind.
