## Outings--Large and Small-- Are Popular-Sunday Pastime

Outings, arranged by larger groups, reached a new high Sunday, with smaller picnics appropriating all available tables, benches and camp stoves at the numerous picnic spots at Shoshone falls, up Rock creek canyon, in Shoshone basin and at the naturatorium of this section. The sixty families who attended the Nat. Pacific Boosters' club picnic at Nat. Soc. Park had such a good time that they planned the second Sunday in July as the date for annual outings of the future.

## Camera Club Has Gala Outing at Banbury Plunge

Banbury naturatorium was the destination of seventy-five members of the M. S. and S. club and their families. Morning club members and their families and several out-of-town guests attended the annual picnic Sunday at the home of Mr. and Mrs. Albert Putscher. Country club members, however, their husbands and families with a polo-kick luncheon at the home of Mr. and Mrs. Frank Winsler, near Burroughs.

Independent picnic crew, near Fairview springs in Shoshone basin, was the destination of fifty employees of Detweiler Bros. Inc. for their third annual July picnic.

There were no dull moments for the U. P. picknickers, who lunched from 10 to 11 at the home of Mrs. B. and Mrs. W. P. Blais and Twin Falls, from the time they left from the local depot, at 10. The picnic was held at the cafeteria lunch and ice cream and cake were served at 1:30 o'clock in the evening at 401-400-Park.

"Corky" Carlson, member of the Twin Falls U. P. Boosters, put on a variety act in the afternoon, and brought to merit a "performer" award later in the afternoon. His was the first and only act of the evening following the elaborate picnic dinner, served at a long table arranged down the center of the picnic grove.

First event on the athletic schedule was a baseball game between the home team and the men's team, captained by Robert Dickson, proving themselves twice in the evening. The winner was in charge of Mr. James Hiltman. The score was 6 to 3 for the home team.

At 9 o'clock the picnic was reached by members of Bob Commins' team of Twin Falls, and the team led by Claude Dick of Burley. The team was a side picking team, and Bob Commins played two games, tying each.

In the women's horseback-riding contest, Mrs. Ross Cropp and Mrs. M. P. Ocheltree led to Mrs. Ben Link and Mrs. David Moon. Following the 1:30 o'clock picnic, aquatic sports were featured with Clarence Kyles winning first place in a swimming race for Farmer, second, and Paul Pheasant third in the fancy diving. Mrs. J. J. Farmer won the 100 yard pool race, second, and Carl Johnson, third. Mrs. Evelyn Norris won first in the girls' 50-yard dash; Dixie Hinshaw, second; and Virginia Commons, third. After two hours in the pool, races were conducted with Griggs Shannon winning the fat man race and W. J. Hazzard of Burley placing second. Carl Johnson was first in the men's free-for-all.

General chairman of arrangements for the successful event was Frank G. Kieffner, president of the local club. Donations were arranged for transportation. Mrs. R. E. Commons, Mrs. F. G. Kieffner and Andy Ashbach were the driver committee, and Fred Farmer, local agent, and Fay Hamm, planned the entertaining and sports events.

Next social meeting of the Twin Falls U. P. Boosters' club will be a steak fry, the date to be determined.
