RUSSIA SEEN IN STRONG POSITION

Soviet Deems Both Frontiers Secure With Armistice in Far East

MOSCOW, Sept. 18 (AP)—Soviet Russia, having made "peace" first with Germany and then Japan, cautiously watched the war in Europe tonight convinced that her position strategically was greatly improved.

along the disputed 1,000-mile frontier between the Soviet Union and Japan, and Japanese-dominated Manchuria was viewed in Soviet circles as a threat to the Soviet frontier sale.

Failure of Japanese Ambassador Shigenori Togo to appear in Tokyo last Friday on Premier-Foreign Minister's orders, it was reported, was taken to indicate all details for the cessation of hostilities had been worked out.

Diplomatic sources speculated whether the next step would be a formal Japanese declaration of truce pact like the one Russia and Germany signed Aug. 23.

It was pointed out, however, that such a pact would be a blow to the British position in eastern Asia and would mean the end of the threat of the United States.

"Opinion was expressed in London that Japan's intentions, if she had free hand in the east, would be to take advantage of the war in France's troubled affairs. There was no comment from British government.

Soviet sources did not expect action to be taken until the war in Europe was over.

It was pointed out several points remained to be settled — including the status of the Japanese in Manchuria.

YANKS CLIMB TO FOURTH CONSECUTIVE TITLE

Rookie Marius Russo and Mates Win Over Tigers; Reds Wallop Giants, 6-1

New Yorkers Capture Fifth Championship Since Joe McCarthy Took Over Managership in 1931

NEW YORK, Sept. 17 (AP)—The American league pennant race was definitely settled today with the New York Yankees leading the Detroit Tigers 8 to 5 and clinching their fourth consecutive championship.

Actually it made no difference if they won or lost, because the second place Boston Red Sox were defeated by Cleveland to automatically fade out of the race.

But the Yankees wanted no repetition of last year's windup when they were handed the flag September 18 while losing a doubleheader to the hapless St. Louis Browns.

They took full advantage of 11 hits and three Detroit errors with Robert (Red) Rolfe hitting a triple behind loaded bases and a double with two runners in scoring position to set up the decision in the seventh and eighth innings. These were Rolfe's 200 and 201 hits of the year.

Rookie Marius Russo, the southpaw who came up this summer from Newark worked the route for his seventh victory and sixth in a row. The only run scored after the seven innings came on Hank Greenberg's 25th home run with one on in the third, taking away a temporary lead New York gained on Joe Di Maggio's 28th home run in the second.

The Yankees have won now 11 American league championships, six for the late Miller Huggins and five since Joe McCarthy took over the managership in 1931. The record of their pennant seasons under McCarthy follows:

| Year | W. | L. | Pct. | Margin |
|------|-----|----|------|--------|
| 1932 | 107 | 47 | .695 | 10 1/2 |
| 1933 | 102 | 57 | .643 | 19 1/2 |
| 1934 | 102 | 62 | .622 | 13 |
| 1935 | 99 | 54 | .647 | 19 1/2 |

Standings today:
 American League:
 New York, 99-41, .707
 Detroit, 87-53, .622
 Cleveland, 77-61, .558
 Boston, 71-67, .514
 Philadelphia, 51-88, .367

World Championship Games to Open in Yankee Stadium
 BY CHARLES DUNKLEY
 CHICAGO, Sept. 16 (AP)—The 1939 World Series between the New York Yankees and the champions of the National League, the Cincinnati Reds, or maybe the St. Louis Cardinals, or possibly the Chicago Cubs, will open in Yankee stadium Oct. 4.

The first two games will be played in the Yankee stadium and from New York the World Series contenders will move to Cincinnati, St. Louis, or Chicago, to play on Oct. 7th, 8th, and 9th.

Oct. 10th will be an open date to permit the teams to travel. Should a sixth and seventh game be necessary, the teams will travel on Oct. 11th, remaining in New York the next day.

The World Series schedule was drawn up, the price of admission determined and the list of eligible players issued at a meeting today presided over by Kenesaw Mountain Landis, commissioner of baseball.

Those in attendance were: Edward Barrow, president of the Yankees; Charles McManus, superintendent of Yankee stadium; Charles Weber, vice president of the Cubs; Walter Wallington, president of the Cardinals; Warren Giles, general manager of the Reds; Fred Frick, president of the National League; and William Harridge, president of the American League.

Landis said the series will not be uniform because of tax regulations. In New York and Chicago the prices would range from \$2.50 for a box seat to \$1.10 for a bleacher seat, with general admission at \$1.00 and reserved seats at \$1.50.

In Cincinnati, where there is both a state and federal tax, the prices would be \$2.50 for a box seat, \$1.50 for a grand stand seat, \$1.00 for a general admission seat, and 50c for a bleacher seat.

CINCINNATI, Sept. 16 (AP)—Bucky Walters scattered five hits today and earned his 20th victory of the season as the Cincinnati Reds cruised to a 6-1 victory over the New York Yankees in celebration of the 25th anniversary of the date they clinched their only National league pennant.

But St. Louis Suburban Cardinals hunk onto the chase 3 1/2 games behind by beating the Boston Reds, 5-1.

The Reds got eight of their ten hits and all their runs in the first three innings before Jim Linn relieved Harry Gumbert and hand-cuffed the leaders with time relief pitching.

Tennis Sensation and Riggs Clash for Title

New Coach, New Players at Buhl

Leishman to Start Mound Ace Against Champion Cowboy Club

Eddie Leishman, manager of the Spokane Indians, said Saturday night he probably would start his mound ace, Ira Gerber, against the Twin Falls Cowboys in the first game of a post-season series.

Leishman, who managed the local team before he took over as Indian pitcher in mid-season, said he planned to "take no chances" against the Pioneer league champion.

Spokane, which finished fourth in the Western International league standings, was knocked out of the playoffs Friday night by Tacoma.

One more game—an afternoon meeting with the Pocatello Cardinals—and the Cowboys will be on their way.

After the final contest of the Pioneer season, which starts at 2:30 p.m. today, the Cowboy crew will ship final farewells, hop aboard the train Monday morning and begin the long trek.

What will they do to Bill Urich's Tribe? That's the question many fans are asking.

Nobody knows, of course, but two things are certain. (1) The Cowboys men business and will be playing for keeps. (2) Manager Charley Wry and his crew are confident they can take the Indians.

Bob Kinnaman, the screwball specialist who gave Pocatello the works in the pennant-clincher Friday night, may draw the opening mound assignment, but that all depends on the condition of the pitching staff when it warms up for the initial clash Wednesday night at Pocatello.

The best "three-out-of-five" series will find the Cowpunks playing in the role of the "home" club, battling after Eddie Leishman's Western International League. Receipts go to the Spokane milk fund.

Clasher Ken Myers will not make his first farewells hop aboard the train in California, instead, while the following make up the Spokane-bound legation: Manager Charley Wry, Mr. and Mrs. Bill DeCarlo, Mr. and Mrs. Ernie Bishop, Mr. and Mrs. Henry Reid, Clyde (Corky) Carlson.

Rabb and Jim Longhurst, shifty-thipped lads who prefer knife-like throws to power smashes.

Fastest man on the team, Rabb was out of action last year because of a knee ailment, but physicians say he's now in shape.

The schedule: Oct. 7, Missouri at Columbus; Oct. 14, Northwesters at Columbus; Oct. 21, Minnietons at Minneapolis; Oct. 28, Cornbells at Chicago; Nov. 18, Illinois at Columbus; Nov. 25, Michigan at Ann Arbor.

VAN HORN BEATS JACK BROMWICH

Los Angeles Youth Favored to Take Net Crown

BY GAYLE TALBOT
 FOREST HILLS, N. Y., Sept. 16 (AP)—Welly Van Horn, the ball-busting kid from Los Angeles, and Bobby Riggs, Wimbledon champion and Davis cup star, won their semi-final matches at Forest Hills today and will clash tomorrow for the national tennis championship.

Van Horn, 19-year-old, unseeded outsider of the tournament, produced a rout of his last-ditch rival to defeat Jack Bromwich, the double-handed Australian champion, 2-6, 6-4, 6-4, 6-6. As the score indicated, it was a thriller, full of fire and excitement.

The real rummy Riggs had no trouble at all annihilating Joe Hunt, the Annapolis midshipman, 6-1, 6-2, 6-4, 6-1. The ease of his victory established him a favorite over the youngster he faces tomorrow, no matter how hard the crowd might be rooting for the underdog boy.

Two long-time California rivals, Althea Starke and Helen Jacobs, reached the women's final. Althea, the defending champion, scarcely got a warm up in turning back Virginia Wollastone of San Francisco, 6-0, 6-1, and Helen disposed of Kay Blenheim of England, 7-4, 6-0.

Van Horn was the day's big noise, as he was yesterday in beating Wayne Cahoon. There is little doubt in anybody's mind that he will be the champion Sunday.

Joe Blumenthal of Brooklyn said he had seen enough of Van Horn to last him a life-time. "Two years from now," he said wearily, "I wouldn't even want to be in the same part of town with him."

SUSPENDED AGAIN
 CINCINNATI, Sept. 16 (AP)—Burdette Wollastone, the New York Giants' Phil Beta Kappa second baseman, was suspended again today for "breaking training rules."

He was suspended last August 16 for "violation of club rules," which is later became known as "missing practice for practice."

Finns Determined To Hold Olympics

HELSINKI, Sept. 16 (AP)—Finns are clinging to their determination to hold the 1940 Olympics "war or no war," Matti Järvinen, world champion javelin thrower, said today.

Meanwhile the city of Helsinki is going ahead building permanent structures designed for Olympic use.

The same comparison would exist in case you had no production and no exhibition. The situation was sky-high. NEW TAX LEVIES SET FOR COUNTY

Commissioners Fix Basis for Figuring Assessments

Twin Falls county property owners 1940 tax bills payable next December will be figured on the basis of levies that county commissioners fixed or approved yesterday.

To meet a \$175,000 tax bill, the commissioners levied a tax of 65 cents on each \$100 valuation, and to meet a \$126,579 general school tax bill, fixed by the state board of education, the commissioners levied a tax of 50 cents on each \$100 valuation.

County tax last year called for a levy of 20 cents, and general school tax, 50 cents.

State tax this year for school, relief and bond redemption, no tax being levied for the state's general operating expenses.

Other county tax levies were set by the commissioners yesterday as follows:

- Current expense, 25 cents as against 40 cents last year; agricultural fair, two cents (same as last year); poor fund, 20 cents as against 25 cents last year; and hospital equipment, seven cents.

Hospital equipment tax was levied under provisions of a new law.

County levies

County tax levies which commissioners were responsible total 65 cents this year as against 77 cents last year.

Approved by county commissioners were tax levies of cities and villages, highway districts, independent school districts, except Hollister district—and common school districts.

Commissioners took no action on a \$20 levy proposed by Hollister district trustees, because of pending litigation in which a holder of the district's bonds demands a levy sufficient to meet bond redemption requirements.

Levies for this year as compared with those for last year are as follows:

ARMS EMBARGO REPEL DEBATED

Pros and Cons of Argument Reviewed as Congress Prepares to Meet

WASHINGTON, Sept. 16 (AP)—Here are some of the pros and cons of the argument over repeal of the arms embargo provision of the neutrality act which congress will consider in the extraordinary session starting Tuesday.

By FREDERICK GARDNER

The administration: The embargo is a hazardous departure from the principle of international law which recognizes the right of belligerents to trade with neutrals. The opposition: Repeal the embargo would give the United States a powerful voice in the world. The administration: The present embargo is a necessary measure to prevent the United States from becoming a party to the conflict.

Dictator Nations Profit in Russo-Japanese 'Armistice'

By EDWARD E. BOMAR
Associated Press Staff Writer

The reported Russo-Japanese "armistice" may represent a diplomatic victory for Germany approaching the Nazi conquest of Poland in its bearing on the course of the European war.

This new development in the diplomatic struggle paralleling the actual fighting in Europe overweighs the continued surge of German legions through Poland and the incalculable western front fighting.

If it is followed by a formal non-aggression compact, the Soviet-Japanese truce may well mean the complete domination of the far east—at the expense of China, Great Britain and France.

Japan, which has Russian peace removed, can withdraw from 200,000 to 500,000 troops from Manchuria to China, consolidate gains there, set up a firm puppet government and, at leisure, eliminate colonial influence and trade rivalry.

As to the fighting in Europe, it appears that it may be a long time before Germany, despite the speed of her occupation of Poland, will be able to hurt the bulk of her eastern army against the French and British in the west.

The complete subjugation of a people fighting desperately against overwhelming odds, and the uncertainties that remain despite the Soviet-Nazi pact, will, by all indications, require the continued presence of a conqueror's army in Poland.

Germany's interest, Berlin diplomats have been trying ever since the bombshell Nazi-Soviet pact of Aug. 24 to soothe Japanese dis-

pleasure and effect a reconciliation between Tokyo and Moscow.

"Real politics" could argue convincingly that:

1. Russia, in the far east, stands to gain by clinching her hold on Outer Mongolia, and pacifically occupying instead of merely dominating such Chinese border territory as the province of Sinkiang.

2. In Europe, the Soviets are in a position to regain without war at least a portion of the Czarist territory that was lost in the formation of modern Poland.

3. Japan, with the Russian peace removed, can withdraw from 200,000 to 500,000 troops from Manchuria to China, consolidate gains there, set up a firm puppet government and, at leisure, eliminate colonial influence and trade rivalry.

Farewell Arranged for LDS Missionary

BURLEY, Sept. 16—Honoring Mayo Smith, who will leave Sunday evening to fill a mission for the L. D. S. church, a party was given at the first ward church Friday evening. About 100 persons were present.

A program was presented, the first number being a piano solo by Miss Cleavie Gomer followed by a reading by Mrs. Lucina Smith, mother of Mr. Smith.

Joseph P. Payne sang a song, Mrs. Cleavie Whithead gave a reading and a talk was given by Wilford Rogers of Oakley. Mrs. Debra Hawks and sister, Mrs. Gladys Hansen sang a duet after which remarks were made by Bishop Earl G. Colver.

Dancing concluded the entertainment.

Mr. Smith previously had intended to fill a mission in Germany but at the outbreak of war plans were changed and he will be sent elsewhere, presumably somewhere in the United States. For some time past Mr. Smith has attended the Utah Agricultural college at Logan, Utah.
