Roosevelt Hails Declaration for Military Draft

Executive Asks Congress for Authority to Release U. S. Army Guns to Allies

(By The Associated Press)
WASHINGTON, June 7.—President Roosevelt applauded a newspaper editorial demanding compulsory military training for the United States today, while his aides joined with Henry Ford in a preliminary move toward possible mass production of warplanes on a gigantic scale.

In addition, Mr. Roosevelt asked congress for specific authority to turn old United States army guns back to manufacturers, a procedure expected to place them quickly in the hands of beleaguered French and British soldiers. Fifty army planes are already following such a route to the allies.

Highly placed persons said tonight that the administration plans to release, at least more than 500 million dollars worth of surplus military equipment, and various other models, and the 50 planes already disposed of.

HOUSE VOTES FOR NEW LABOR BOARD

Two-to-One Vote Approves Sweeping Changes in Wagner Act

WASHINGTON, June 7 (AP).—By a vote of exactly two to one, the House today passed a series of amendments to create a new, three-man National Labor Relations board and make sweeping changes in its present procedure.

The same coalition of Republicans and Democrats which had held the upper hand for three days of preliminary fighting rolled up a 238 to 120 vote for the revisions, despite the fact that all factions agreed that the bill would upend a precedent in the Senate.

The amendments were virtually the same as those approved by a majority of the five-man committee headed by Representative Robert Wagner and the labor board since last December.

Besides abolishing the position now held by labor board members, the new board will be composed of three members, one from each of the two major parties and one from the labor union movement.

Mr. Roosevelt was asked for comment on editorial proposals today in the New York Times emphasizing compulsory military training, a newspaper which had never believed in the wisdom of such a policy in the past.

The time has come when in the interest of self-protection, the American people should at once adopt a national system of universal compulsory military training, said the editorial.

Mr. Roosevelt's reply was that the time has not yet come when the American people should at once adopt a national system of universal compulsory military training, said the editorial.

HEARING SET ON MURDER CHARGE

Death Bullets Recovered in Autopsy of Body of Mrs. Betty Sellers

With performing of an autopsy last night upon the body of Mrs. Betty Sellers, 19, for whose death her husband, Donald Sellers, 22, was charged with murder, the scene is set for a preliminary hearing demanded by Sellers when charged with the crime.

The autopsy, performed by Dr. James W. Clegg, chief of the county health department, was held at the home of Mrs. Sellers, 19, for whose death her husband, Donald Sellers, 22, was charged with murder.

FLASHES OF LIFE

Suspect
COLUMBIAN, Ohio.—A local "flash" column talk has made one man suspect even himself.

Department of Justice officials here said that a man reported himself to them because he had made mistakes in the past and was now afraid they might be misinterpreted.

Two at a Time
PITTSBURGH.—A panhandler divided up two patrolmen in plain clothes and muttered "Nuts to you" as he ran for a big laugh.

Arrested for violating a city ordinance, he was standing quietly, awaiting the arrival of the patrolman when another man approached and asked, "Could you spare a cigarette for a cup of coffee in jail."

They both got 10 days in jail.

Wake's Over
PITTSBURGH.—The boys in the backroom held a three-hour wake for ex-lavender keeper Chief McElroy, who died last night.

They called the McElroy residence "The McElroy home."

"How did Mr. McElroy meet his death?" asked an astonished friend.

The boys in the backroom went home.

FLOOD INUNDATES NEBRASKA HOMES

Electric Power Cut Off as Full Force of Waters Hits Town

WAUNETA, Neb., June 7 (AP).—More than 100 homes and the business district of this southwest Nebraska town were under water tonight as it felt the full force of flood waters surging down Frenchman creek.

This was the hardest hit town thus far in the Republican river valley, where the river has drunk up the land, its rain-swollen tributaries poured into it, leaving flooded towns and crumbling dams in its wake.

The light and water plant was inundated, cutting off electric power and endangering the city's drinking water source. Some homes were moved off their foundations, and extensive damage occurred to business houses.

Firemen worked all night evacuating residents in the flooded section.

British Tanks Meet Advance

LONDON, June 7 (AP).—The official "recessional" correspondent with the British expeditionary force on the Somme front reported that British tanks were being used in a new tactic to meet the German advance.

Several of the tanks captured a detachment of German infantry in the early morning.

He described the British as "holding a magnificent position" and "heavy odds" but added that "the British tanks" were "being used in a new tactic" to meet the German advance.

GERMAN BOMBER BURNS IN BRITAIN

Nazi Raider Machine-Guns Houses of Southeast Port Town

LONDON, June 8 (Saturday AP).—German air raiders, in the third successive night of attacks on England, reared over eight counties last Friday night, one circling low to machine-gun the houses of a southeast port town while another crashed and burned in East Suffolk.

The raiders first flew to the south, then returned, heading toward the coast, and then they swooped back north.

Explosions heard in Norfolk, where the alarm lasted about an hour, compared with five minutes in Durham, where the explosions were heard in the distance.

Anti-aircraft guns blazed on the Essex coast.

There were no immediate reports of damage.

Britain's own air force, meanwhile, was bearing the brunt of the attack, with the British fighters attacking the German bombers.

CIRCUS TENT COLLAPSES
PORT HURON, Mich., June 7 (AP)—A circus became a carnage as a tent struck the collapse of a tent during an electrical storm today. Two persons required first aid.

The circus, which had attracted an audience of 300, mostly children, was in the process of being dismantled.

During 1940 the domestic American circus can be expected to increase their aggregate net revenue by 20 to 25 per cent over 1939.

Grand Championship of Golf Tighens Up as Wind, Rain and Big Crowd Hamper Famous Players

By OATIE TALBOT

CANTERBURY, GOLF CLUB, Cleveland, June 7 (AP)—Wind, rain and tournament fever played a little too much for Sam Snead today, and the boy from the mountain country fell back into a three-way tie with Lawson Little and Horton Smith with 141 at the half-way stage of the national open golf championship.

Those 67 in yesterday's opening round broke all open records, was the big show today and he did his best. A tremendous crowd followed his every stroke and nearly made it impossible for him to play several holes. A sudden, violent windstorm struck him on the fourth hole, and at the short 17th he took a disastrous five to finish with a 74, ten strokes over par.

Thus the grand championship of golf tightened up like a kettle drum. Little, playing around early in the storm blew up, shot himself a brilliant 60 to catch Horton Smith, who was handicapped by a 65. The elements had subsided, produced a 72 even par to make it a tie at 141.

Frank Walsh, the veteran, who still winks away blue circles, attacked the early bird, but he was out of himself in the second round at 141. Ben Hogan and Sam Snead, who had been tied at 141, were out of the tournament. The other elements had subsided, produced a 72 even par to make it a tie at 141.

Among this select group, if matters run true to form, will be found a winner when the final, bird-breaking 36 holes have been played tomorrow. Sixty-five players will play 133 or better for the first two rounds qualified for the final, but it is extremely doubtful if more than 14 will catch the leaders.

Cantebury was much harder to play than on the first round. Out of the 68 by Walsh and Little, the only exception were 70s by Ben Hogan and Sam Snead.

Many of the stars scored high and such "name" stars as Walter Hoge, Jimmy Thomson, Ben Ward, Jimmy Demaret, Clayton Heffner and Johnny Claborn failed to qualify for the final 36.

Ray Arthur Quits Job After Talking Razzing in Twin Falls

POCAHELLO, June 7 (AP)—Jack Harkness, president of the major baseball league, announced tonight that Ray Arthur, a league umpire, had resigned with the explanation the job was "not to his liking."

The resignation, submitted today, was effective immediately. Harkness said Walter Woodward, director of internal affairs and coach of the University of California, southern branch, had agreed to substitute for Arthur during the remainder of the season.

Twin Falls. Appointment of a permanent successor will be made later, Woodward left Twin Falls immediately.

League followers recalled that during the period of Arthur's protest he had been the frequent target of part of the spectators, both on the part of players and spectators.

Arthur quit the umpiring profession after having been razzed during the final game of the Twin Falls-Pocatello series.

Idaho, W.S.C. to Train New Pilots

MOSCOW, Idaho, June 7 (AP)—Authorization for training 110 student pilots this summer was received today by the University of Idaho and Washington State college, which co-operate during the 1930-31 season.

The civil aeronautics authority authorized the training of 110 student pilots to the state college, with training to start on June 15 and end Sept. 15.

The allotment increased to nearly 200 the number of pilots to be trained this summer—at inland—empire schools.

State Obtains 5,000 Small Mouth Bass

After months of effort the state fish and game department has finally succeeded in obtaining a shipment of small mouth bass, over 5,000, from the Department of Fish and Game, Washington, D. C.

Described as a "stream fish," they are much smaller than the large mouth species. 5,000 small mouth bass will be received here Sunday or Monday from a federal hatchery at Mammoth Springs, Arkansas. They will be placed in a pond at the Blue Lake ranch where they will be raised until the warm water fish hatchery is completed on the new fish and game project at Hagerman.

Morris and Perrine said that difficulty in obtaining the shipment was due to the fact that many other states are launching warm water fish planting programs, and the fish hatcheries are producing small mouth bass.

The 5,000 fish to be received here will form the state's hatchling stock. When they become two years old, they will be sent to the Blue Lake hatchery, where they will be raised until the warm water fish hatchery is completed on the new fish and game project at Hagerman.

Manager Ray Blades Fired Outright by Sam Bradon

ST. LOUIS, June 7 (AP)—Blades, having been one of the great pitchers of baseball last year, was fired outright today as manager of the failing St. Louis Cardinals.

He was replaced by Billy Southworth, successor manager of the Rochester club of the International League. In a sudden shakeup aimed at getting the Cardinals back into the national league race.

Picked by the experts as almost a "cinder" pitcher, Southworth took over the job of manager. He had been a player for the Cardinals for many years.

In making the unexpected move, Southworth said he would take charge of the team Monday. St. Louis, which had been in the lead for the first time in years, was now in a desperate struggle to stay in the league.

Pitcher's Appeal Denied by Landis

Commissioner Rules Chicago Cubs Within Rights in Suspending Bryant

CHICAGO, June 7 (AP)—Kenesaw Mountain Landis, commissioner of baseball, denied today an appeal of Chicago's suspension of pitcher Phil Cuzzi.

"The club is within its rights in suspending the player until he gets into good form," Landis said in his ruling.

The evidence presented, Landis said, showed that Cuzzi had been in poor form for some time.

No evidence was presented, Landis said, that Bryant's trouble might have been caused by any other factor.

Landis said that Bryant's trouble might have been caused by any other factor.

For three days people came back for the second fill and said, "Pratt is the sweetest running gas we have ever tried." Claude Pratt didn't make anybody's word; he went personally and investigated the oil field and plant, and then went to service stations and found out what their results were in selling this wonderful gasoline.

One service station in Billings, Montana told me that his trade had doubled since featuring Resolute.

claim they get from one to three miles more on each gallon of gasoline." And he told me that he guaranteed it to give more mileage or would refund their money. He said he hadn't had to refund a penny yet. The purity of this gasoline is something worth while. It is so near sulphur free that the sulphur content is not even mentioned in the analysis. FIFTH COLUMN HAT BY CHAMBER MOVE

Twin Falls Body Requests Legislation Outlawing Un-American Groups

Joining other civic, patriotic, trade and service groups in a movement against un-American activities in the United States, the Twin Falls Chamber of Commerce has requested legislation to prohibit the registration of un-American groups in this country.

The action was taken during yesterday's session of the chamber's executive committee and members when a resolution was adopted at the suggestion of Gus P. Backman, executive director of the chamber, which has also adopted the proposal. An accompanying report was made that all member groups of the Chamber of States Association also take similar action.

Copies of the resolution will be sent to Idaho senators and congressmen with the request that it receive favorable consideration.

The resolution specifically acknowledges the fact that "un-American groups" are being organized in this country for the purpose of subverting the American government, and that such groups are being organized in this country for the purpose of subverting the American government, and that such groups are being organized in this country for the purpose of subverting the American government.

The resolution concludes by indicating that, as good Americans, we are jealous of our civil liberties, but with the horrible example which has been presented to us by the activities of subversive groups in the European continent, surely we are entitled to have from exercising these liberties, those who would impose the adoption of a foreign system, a policy which would not only deprive us of our civil liberties, but every form of liberty."

Man, Four Women Sue for Divorces

One man and four women started divorce suits in district court in Twin Falls yesterday.

Alleging cruelty, Wilbur E. Cammack, 38, of this city, sued Madeline Cammack, whom he married at Gooding last Feb. 17, left a month later with another man, and is presently selling her for disavowal with her marriage. Hayburn and Hayburn are the attorneys.

Clarice Taber sued for divorce from Walter Taber, alleging lack of support. They were married at West Plains, Mo., Sept. 21, 1932.

Doris M. Jennings, 24, of this city, sued for divorce from George Jennings, 24, of this city, alleging lack of support and for confirmation of a property settlement. The marriage took place at Elkton, Nev., May 1, 1935.

Mrs. Velma Ashford, mother of three children, a girl, 7, and two boys, 5 and 3, sued for divorce from Ed Ashford, alleging extreme cruelty. She asked for \$25 a month for the children's support. The marriage took place at Tazewell, Va., July 30, 1931.

Attorney for the three women petitioners is W. L. Dunn of Twin Falls.

The body rests at the Burley funeral home, pending arrangements.

Youth Arrested On Check Count

Because an employee of a Twin Falls department store became suspicious when Paul Spoonmore, 26, attempted to cash a \$15 check there early yesterday afternoon, the young man, who gave Bristol, Okla., as his home, is being held in the Twin Falls city jail charged with forgery.

The check was offered in payment for a \$12.50 worth of merchandise. Spoonmore requested the difference in cash. The employee, E. W. Still, became suspicious and called police who arrested Spoonmore at the store.

Written on aidelity National bank of Piler blank, the check is payable to Roy Williams by Fred E. Wilson, and the name "Roy Williams" is written on the back as an apparent endorsement.

CARPENTER HEADS COMMUNITY CHEST

Twin Falls Association Elects New Staff; Pro-Rates Fund

Twin Falls Community Chest association members last night elected Ralph W. Carpenter, president, and elected a new staff of officers. The association, which has been operating since 1935, is a non-profit organization for the purpose of raising funds for the community chest.

Other officers elected were: E. C. Wagoner, vice president; Mrs. Dorothy Hildrich, secretary; and W. H. Hildrich, treasurer.

Mr. Pink was elected a vice president, and in turn he expressed appreciation for cooperation shown during his term of office.

Members approved the plan to take \$500 of the reserve and donate it to the community chest for the last quarter. The fund 75 per cent has already been allowed for the first three quarters. The nominating committee, which reported, is headed by Claude Hildrich.

Alternates Gain CAA Preference

Credit for ground school work completed this spring by alternates in the non-collared flight training program of the civil aeronautics authority will be given should they desire to seek training next year, according to word received here by instructor Jack Wain from Wiley H. Wright, senior private flying school.

Awarding of this credit will be official upon recommendation from the institution. The official also points out that alternates who completed the ground school satisfactorily and did not get to fly, should be chosen to head the list for next year's flight program.

Commenting upon the enlarged program of next year, Wright pointed out that he is not aware of any applications made in reference to the president's proposed training of 25,000 pilots through the CAA, beginning July 1.

LAMBS BRING \$11 ON OWA MARKET

Magic Valley Shipments Continue to Command Top Prices

Magic Valley lambs, shipped through the Twin Falls Chamber of Commerce, continued to command top prices on the livestock market when they sold for \$11 per hundredweight at Sioux City, Ia., according to County Agent D. T. Hildrich.

This shipment consisted of 125 head of lambs, which was only topped for the season by yesterday's shipment of 125 head. Although both shipments consisted primarily of lambs, they also included some ewes.

The lambs were shipped to the market via the Great Northern Railway, and were loaded on the train at 12:25 p.m. The shipment was taken out at 8:30 p.m. and arrived at Sioux City at 11:30 p.m. The shipment weighed 115,500 pounds.

The ewes which left yesterday will go to Denver and Sioux City, with some of the stock possibly going to Omaha.

Solons Work For Military Highway

To train with U.S. 30 from Twin Falls to Missoula, Mont., the military highway as part of U.S. military highway north and south No. 1, Senator D. North Clark has requested a complete report from the department upon the matter, according to a committee report received by the Twin Falls Chamber of Commerce.

After pointing out that he has requested the designation of the highway's only unimproved link, Senator Clark adds: "Frankly, I admit that I am puzzled as to why the highway in question has not been designated as part of military highway No. 1 in the first place."

Also communicating with the chamber upon the designation problem is Senator John Thomas, who asked upon the designation, and the chamber has agreed to supply the requested information to the department.

Grangers Prepare For Exhibit Work

A varied program and business plan marked by plans for appointment of a Twin Falls county fair committee, came before the Mountain View Grange meeting Wednesday night at the Grange hall.

Arrangement of the committee will come at the next session of the organization.

Also on the program was a discussion of mill levy by Ben Ollinger, a "trial highway" study by Ben Ollinger, a "trial highway" study by Ben Ollinger, a "trial highway" study by Ben Ollinger.

BAISCH ELECTED LIONS CLUB HEAD

Plans for Future Events Before Group's Election Session

Election of officers and plans for organization events occupied Twin Falls Lions club members during yesterday's luncheon meeting at the Fort hotel.

Elected president was Harry Baisch, Twin Falls automobile dealer, and other officers are: Bob Green, first vice-president; Dr. O. T. Lake, second vice-president; Ed Pugh, full treasurer; Allen Young, assistant treasurer; Donald Graves, secretary; Ernest F. Schiller, treasurer; Wilbur Beck and Stanley Phillips, two-year directors; Ben Ollinger, one-year director.

The fourth quarterly meeting of the club will be held next Monday night at the Park hotel, and will be held at the same time.

Plans for the district convention to be held at Pocatello, June 21 and 22 were outlined by Allen Young, convention committee chairman. A representation of 10 members from Twin Falls is anticipated.

Plans are also being formulated for a "chickadee" to be held at the Twin Falls park soon to raise funds for the organization's program of child eye clinic cooperation.

Man Gets Divorce On Cruelty Charge
