

Britain Blasts Huge French Warship

Revolt Looms in Mexico as Fraud At Polls Probed

Almazan Followers Threaten Action; Ballots Count Set Thursday As 100 Estimated Killed

(By The Associated Press)
JUAZAR, Chih. Mexico, July 8.—A blunt threat of revolt against the government was made here today by supporters of General Juan Almazan, presidential candidate in Sunday's turbulent Mexican national elections, as elaborate plans were developed to probe charges of fraud at the polls.

Almazan, trailing 5-1 behind General Avila Camacho, was estimated to have received about 8,127 votes in the state of Chihuahua, Camacho 22,477.

Thousands of Almazan "bumph print" bulletins were being prepared tonight for forwarding to Mexico City to register the total of 1,000 votes conceded Almazan. The bulletins also set out the names of the 1,000 voters who were estimated to be in the state of Chihuahua.

"It is better to fight for what is right than to be held behind the back of the Avila Camacho," Almazan's bulletins estimated here.

Both General Camacho, Almazan's opponent, and General Almazan, leader of the rebellion, were expected to be in Mexico City tonight, but the official result will not be announced by Congress until September 15, when the election was to be held.

Police officials in Mexico City, official tabulation of dead and injured in violent fighting, were reported to have been about 100.

Five other towns heard from today reported an additional 13 killed.

Mexico City newspapers printed death lists ranging from 20 to 27. Reports of the wounded ranged in the hundreds.

Many other provinces were yet to be heard from.

General Almazan said his reports indicated "100 or more" lives had been lost, and other political quarters and private sources agreed that this figure would be correct.

According to the Mexican electoral law the party which gets representative to the voting place first organizes and takes charge of the election. Ballots to control polling stations led to much of the fighting.

Two American students seriously injured in the fighting were reported to have been taken to the United States.

Edward J. Malley, Jr., of Phoenix, who was near death with a bullet wound in the chest, was taken to the hospital, and Leonard Durno, 18, of Union City, N. J., was taken to a local hospital.

British Aboard French Battleship

THIS FIGURE sent by cable from London to New York, shown according to the English caption, British sailors aboard a French battleship in a southern port. Note the French frigate still flying.

U. S. Fleet Commander at White House Conference

Admiral's Visit Linked with Rearmament Program; Shift from Hawaii Rumored

(By The Associated Press)
WASHINGTON, July 8.—Admiral J. O. Richardson, commander of the fleet, arrived in the capital today for a conference with President Roosevelt, who was expected to call for expenditure of \$5,000,000,000.

What purpose had brought the navy's flagging force to the White House was not disclosed.

Mr. Richardson's visit was linked with the rearmament program, which was expected to be discussed with him by the president.

Since the collapse of France, there has been increasing speculation that the fleet might return to the west coast to be nearer to the Panama canal, or perhaps be transferred to the Atlantic.

These projects, together with the navy's request, were given over during the day at a White House conference attended by Louis Johnson, acting navy secretary, and Harold Smith, budget director.

It was indicated afterward that the president's message recommending the new program probably would go to Congress tomorrow.

There was a possibility, however, that the fleet might be sent to the Pacific to assist in the rearmament program.

Mr. Richardson's visit was also linked with the rearmament program, which was expected to be discussed with him by the president.

England, Germany Speed Up Air War

French Reported Heading to Sea

NEW YORK, July 9 (Tuesday).—A broadcast in English on the wave front of the German radio station DDF, pulled up by NBC, said today that all French warships which were being offloaded at Casablanca, Morocco, were being taken to the Atlantic for operations against the British merchant marine.

It said "Italian sources" as the main source of the information.

FRANCE REVAMPS REPUBLICAN RULE

Marshall Plan Indicated Nazi Choice for Executive Post

OPINION.—July 8.—The French republicans, the fringe of the republican movement, are expected to make a move for a new National Assembly, headed by the republican leader, Marshal Lyautey, who is expected to be the main source of the information.

These advisers also forecast the re-election of President Albert Lebrun to make way for a new National Assembly government under Marshal Lyautey, who is expected to be the main source of the information.

As described in the French press, the French republicans are expected to make a move for a new National Assembly, headed by the republican leader, Marshal Lyautey, who is expected to be the main source of the information.

The French press described the new constitution as "a new French Republic, headed by the republican leader, Marshal Lyautey, who is expected to be the main source of the information."

Meanwhile, a French spokesman in Vienna was quoted as saying that the French republicans are expected to make a move for a new National Assembly, headed by the republican leader, Marshal Lyautey, who is expected to be the main source of the information.

PORTLAND, Ore., July 8 (AP).—The latest fire situation in the Pacific Northwest remained essentially unchanged today but forestry men said in effect they were waiting for a change.

Forests were under fire, controlled fires filled the air with embers and the weather continued dry and warm.

A total of 1400 men re-established defense lines today around the southern Mount Hood Ore. national forest fire which jumped barricades yesterday. They cut a wide swath through the forest.

All logging operations east of the Cascade mountains were down on order of Washington State Forestry Department. The United States Forest Service said today that the fire was under control.

London Gets Hint of British Purpose to Carry War To Reich

(By The Associated Press)
LONDON, July 9 (Tuesday).—British sources today claimed a "successful" action by the British fleet to keep the French fleet from attacking the British battleship, the 25,000-ton Richelieu, launched at Brest but still not completed for service with the fleet.

There was no indication of the scope of the engagement, nor whether it was connected with the loss of the 1,760-ton battleship destroyer Winchester, which was sunk by a submarine yesterday.

The action against the Richelieu—presumably sunk, seized or damaged—was said to have taken place early yesterday.

A more detailed account of the action was expected later today. The Richelieu was the nearest completed of France's newest class of four-masted ships built to date.

Meanwhile, bombs battered British troops in the battle of the air, and it was estimated that 1,500-2,000 fighting men were killed in the battle.

The British continued to claim that the Richelieu was still in the water, and that it was being used as a target for the British fleet.

As far as the possibility that the Richelieu was still in the water, and that it was being used as a target for the British fleet.

FLASHES of LIFE

Mixing Key

DETROIT—Receiving hospital attaches are still seeking the key to this mystery.

A woman telephoned to report in a quivering voice that she had swallowed a key and when asked to describe the key, she said it was a key to a house.

"But I can't do that," came the reply. "It was the key to my automobile."

Treasure Trove

LOS ANGELES—O. W. Haines, chairman of the Los Angeles County Board of Supervisors, today announced that he had discovered a treasure trove of gold coins.

He said he had found the treasure while working on a project for the county board.

CARDINALS BEAT COWBOYS 9 TO 5

Pocatteo Scores Five Runs in Last Two Frames for Victory

W. C. Pocatteo, pitcher for the Cardinals, today pitched a perfect game, beating the Cowboys 9 to 5 in a game that was a real slugfest.

Pocatteo's Cardinals, trailing 5-4 going into the eighth inning, chased five runs across the plate in the last two frames to trim the last.

Two American students seriously injured in the fighting were reported to have been taken to the United States.

Edward J. Malley, Jr., of Phoenix, who was near death with a bullet wound in the chest, was taken to the hospital, and Leonard Durno, 18, of Union City, N. J., was taken to a local hospital.

Both General Camacho, Almazan's opponent, and General Almazan, leader of the rebellion, were expected to be in Mexico City tonight, but the official result will not be announced by Congress until September 15, when the election was to be held.

Police officials in Mexico City, official tabulation of dead and injured in violent fighting, were reported to have been about 100.

Mines Extended Around Panama

CRISTOBAL, Canal Zone, July 8 (AP)—An extension of the life mine field, owned by the United States at both terminals of the Panama canal zone was reported today.

Canal zone authorities are taking steps to extend the mine field to the safety of American shipping bound toward the canal. Broadcasts are being made to the public.

The Corps of Engineers is taking steps to extend the mine field to the safety of American shipping bound toward the canal. Broadcasts are being made to the public.

Woman Credited With Saving 30 Lives With Transfusions

SALT LAKE CITY, July 8 (AP).—A telephone call from Portland, Ore., interrupted Mrs. Rose L. McCallin's life today and she was taken to the hospital.

Mrs. McCallin, known as the "woman with the golden blood," has given blood transfusions to 30 persons in the past five years and is credited with saving the lives of more than 30 persons.

Germans Charge Britain Seeks French Aid in West Indies

BERLIN, July 9 (Tuesday).—The Deutsche Diplomatische-Politik (German Diplomatic Policy) today charged that Britain seeks French aid in the West Indies.

The German press today charged that Britain seeks French aid in the West Indies. The German press today charged that Britain seeks French aid in the West Indies.

gold bar of heaven. It must interest him greatly. For he is the man who prophesied in the air long before the airplane had been invented, proving perhaps the "psychic" quality of poets.

In "The Celestial Heli," he wrote of the young dreamer who "looked into the future far and human eye could see—saw the vision of the world and all the wonder that would be; saw the heavens filled with shouting, and there raining a shower of light from the nation's airy navies grappling in the central blue."

But he also saw hope. For this celestial slaughter went on "till the war-drums throbbed no longer, and the battle flags were furled in the Parliament of Man, the Federation of the World." Many of us hoped for this time; shall we really get it when this horror ends?

Other Points of View

FLAG OF OUR COUNTRY

A few weeks ago, Americans celebrated Flag day. It is an occasion that has been duly observed ever since 1890, but we doubt whether, in the 43 years of its existence, the day has taken on a deeper meaning than it did this time. Events in Europe have brought about a new awakening of our national consciousness. Inevitably, therefore, the flag has again attained its true position as a symbol of American life.

It is only natural in these troubled times that the average citizen of this country should pay particular reverence to the nation's flag. But it would be wise to remember that the flag is not only a symbol of our country, but also a symbol of our ideals. It is a symbol of the principles of liberty, justice, and equality under the law.

Local opinion in grammar may have its good points. The late was raised in Boston, where one of the members of the school board proposed that a general order to teachers be issued requiring them to instruct their pupils in the principles of the American flag.

Just the same, there may be communities with less attachment than Boston to correct English who find it difficult to teach the children the principles of the American flag. In such cases, the school board may be impeded to fearlessly present the children to the much and as often as they please their duty.

Boise Gets Pioneer Loop All-Star Tilt

Directors' Slate 4 YANKS ON ALL-STAR TEAM

Contest August 5, Announce Voting

Down But Still Far From Out

Baseball Fans Will Select Players for Game

All-star game of the Pioneer league will be held in Boise on August 5, with northern members of the league battling it out with southern clubs. Hugh Pace, cowboy business manager, announced here last night following a meeting of league directors.

Five players will be selected from each team in the league to participate in the contest, he said. Players will be chosen by balloting conducted through newspapers, with fans voting for outstanding and popular players on each club.

The first of the volatile right-hander to select himself from the proceedings was laughed off by persons who have heard him top off before.

Hurling Choice

Angers Newsom

ST. LOUIS, July 8 (AP)—Duck Newsom, winner of 12 consecutive games for the Detroit Tigers, expected today when he landed in St. Louis to be named to start for the American league in tomorrow's All-Star game.

"With my record I don't have to be a relief pitcher for anyone," he shouted. "I've been named to four All-Star games and never even came in as a reliever. But they can let some other guy work the whole nine innings for all I care. How would you like that?"

The third of the volatile right-hander to select himself from the proceedings was laughed off by persons who have heard him top off before.

Probe of Thomas

Fight Concluded

Boxer Refuses to Support Charges of 'Fixed' Matches

CHICAGO, July 8 (AP)—The Illinois state athletic commission closed its books today on the Harry Thomas boxing case, with a decision that charges by the former heavyweight boxer "were not substantiated."

The decision ended a long investigation by the commission, begun after Thomas, who had been published in the Chicago Tribune Oct. 30, 1932, that he had met Max Baer, president, and Lou Glickman, business manager for Idaho Falls; Eddie Mulliken, president of the Idaho Falls boxing club; and Ed McCarty, manager of the Idaho Falls boxing club, to discuss the possibility of a fight between Thomas and Glickman.

Thomas, who had been published in the Chicago Tribune Oct. 30, 1932, that he had met Max Baer, president, and Lou Glickman, business manager for Idaho Falls; Eddie Mulliken, president of the Idaho Falls boxing club; and Ed McCarty, manager of the Idaho Falls boxing club, to discuss the possibility of a fight between Thomas and Glickman.

Gooding, Eden

Top SCI League

Ellis Shawyer Wins Game Over Buhl With 11th-Inning Hit

Eden and Gooding are tied today for the lead of the SCI league as a result of a 15 to 5 whipping handed Gooding by Shawyer in the eighth inning game, Buhl beat Murtugha 5 to 3.

The Idaho Falls team came in an 11th inning rally after the visiting Buhl club already had broken a tie in the top of the eighth when a run scored on a home run by Shawyer, who had been hit by a double in the seventh.

Shawyer, gave up only five hits while his opponent, Dick Atkins, was hit for only six hits. Buhl, who was hit by a double in the seventh, was hit by a double in the seventh.

Ed Harper Wins

Amateur Tourney

Nampa Selected for Site of Tournament in 1941

SUN VALLEY, Idaho, July 8 (AP)—Fiddle Harper, Jr., of Pocatello can take the Idaho amateur golf trophy home on the part of the Idaho Golf Association today.

Harper won permanent possession of the Bobo Statesman trophy by a 10 to 18 score in the final round of the state meet.

Ed Harper, Jr., retiring president of the state association, presented the award to his son and announced that the 1941 tournament will be held on the Broadmoor course at Nampa.

Here is Dope

On All-Stars

ST. LOUIS, July 8 (AP)—Pacta and figure on tomorrow's first annual all-star major league baseball game.

The 12:30 p. m. (M.S.T.) game, which will be played at 8 p. m. Wednesday.

Players: Sportsman's park.

Expected attendance: 32,000 (officially).

Previous All-Star records: American league won five, National league two.

Managers: Joe Cronin of Boston Red Sox for American league; William McKechnie of Cincinnati, for National.

Probable pitchers—Walter (11-4) or Derringer (10-7) for American league; Ruffing (7-0) for National.

Probable catchers—Nolan Ryan (11-4) for American league; Boudreau (10-7) for National.

Probable first basemen—Dwight Gooden (11-4) for American league; Boudreau (10-7) for National.

Probable second basemen—Dwight Gooden (11-4) for American league; Boudreau (10-7) for National.

Probable third basemen—Dwight Gooden (11-4) for American league; Boudreau (10-7) for National.

Probable shortstops—Dwight Gooden (11-4) for American league; Boudreau (10-7) for National.

Probable left fielders—Dwight Gooden (11-4) for American league; Boudreau (10-7) for National.

Probable right fielders—Dwight Gooden (11-4) for American league; Boudreau (10-7) for National.

WOMEN SHOTMAKERS TO OPEN TOURNEY TODAY

Mrs. Rose Alquist Defending 1939 Title

IDAHO FALLS, July 8 (AP)—The first of the women's shotmaking tournament, which will be held today, will be the 1939 title match between Mrs. Rose Alquist and Mrs. M. J. Williams.

The tournament, which will be held today, will be the 1939 title match between Mrs. Rose Alquist and Mrs. M. J. Williams.

Crack Shotmakers Ready for Tourney Opening at Minneapolis

MINNEAPOLIS, July 8 (AP)—A crack field of more than 100 men, women and children, including Marvin Ward of Spokane, Wash., the national champion, start a six-day tour today under the title of the 4th western amateur golf tournament.

The tournament, which will be held today, will be the 1939 title match between Mrs. Rose Alquist and Mrs. M. J. Williams.

Jacobs Seeking Women's Title

Star Shares Limelight as Tourney Reaches Quarter-Finals

PHILADELPHIA, July 8 (AP)—Helen Jacobs, who won the Wimbledon title today, is expected to be a contender for the 1940 title in the women's tennis tournament, which will be held today.

The tournament, which will be held today, will be the 1939 title match between Mrs. Rose Alquist and Mrs. M. J. Williams.

Baseball Fans Will Select Players for Game

All-star game of the Pioneer league will be held in Boise on August 5, with northern members of the league battling it out with southern clubs. Hugh Pace, cowboy business manager, announced here last night following a meeting of league directors.

Five players will be selected from each team in the league to participate in the contest, he said. Players will be chosen by balloting conducted through newspapers, with fans voting for outstanding and popular players on each club.

ALLIQUOI BASEBALL CO. Tony Lombardi, cowboy catcher, a broken leg, the great American sport, had plenty of plunger for him. Lombardi, who was injured Saturday night in the game against Boise, had this smile for the Twin Falls News photographer from his bed at the Twin Falls county general hospital yesterday as he read a baseball magazine. (News Photo and Engraving.)

Cowboys Get Slugger, Hurler in Ogden Deal

Canavan and Wake Traded for Hughes

The Twin Falls Cowboys today just traded Tommy Canavan, first baseman, and Dick Wake, second baseman, to the Ogden club for a slugger, Pete Hughes, pitcher.

The deal was made in an effort to bolster the faltering Twin Falls Cowboys. Hughes is regarded as the most dangerous slugger in the Pioneer league, said Pace. Hitting has been the weakest point of the team.

Canavan, a flashy first baseman, and Wake, an outfielder, were two of the best hitters on the Cowboy squad. They were traded for Hughes, a pitcher, who is expected to be a contender for the 1940 title in the women's tennis tournament, which will be held today.

STOCKS INACTIVE IN SLOW TRADING

Market Activity Hits Lowest Point During Past 20 Years

Markets At A Glance
NEW YORK, July 8.—Stocks were inactive in slow trading today, with activity at its lowest point in 20 years. The market was hit by a sharp decline in the price of wheat, which fell to a new low of 1.15 cents per bushel. This decline was caused by a report that the government had purchased 100,000 bushels of wheat for the navy. The market also was affected by a report that the government had purchased 100,000 bushels of wheat for the navy. The market also was affected by a report that the government had purchased 100,000 bushels of wheat for the navy.

By FREDERICK GARDNER
NEW YORK, July 8.—Stocks were inactive in slow trading today, with activity at its lowest point in 20 years. The market was hit by a sharp decline in the price of wheat, which fell to a new low of 1.15 cents per bushel. This decline was caused by a report that the government had purchased 100,000 bushels of wheat for the navy. The market also was affected by a report that the government had purchased 100,000 bushels of wheat for the navy.

At the close fractional declines outnumbered advances a trifling but significant in the department of wheat. The Associated Press average of 60 futures was 1.14 1/2 at 4:15. The market was hit by a sharp decline in the price of wheat, which fell to a new low of 1.15 cents per bushel. This decline was caused by a report that the government had purchased 100,000 bushels of wheat for the navy.

Business developments continued more encouraging than yesterday, but the market was hit by a sharp decline in the price of wheat, which fell to a new low of 1.15 cents per bushel. This decline was caused by a report that the government had purchased 100,000 bushels of wheat for the navy. The market also was affected by a report that the government had purchased 100,000 bushels of wheat for the navy.

GAS CONFISCATED FOR TAX NEGLECT

State Tax Commissioner Tells of Action Following Local Investigation

Confiscation by the state of a large quantity of gasoline for non-payment of the Idaho tax is announced by Byron DeBorchett, state tax commissioner. The action followed investigation in Twin Falls which disclosed that the gasoline had been brought into Idaho by one of the smaller Montana retailers, and the retailer was held securities on file.

DeBorchett was conducted by officials of the state highway department and the state tax commissioner.

Although the retailer was to collect the tax from retail dealers, no remittance had been made to the state, according to the official, who pointed out that, names were withheld and no prosecution was warranted because the incident seems to have resulted from neglect, rather than criminal intent. A \$100 penalty, in addition to about \$900, was collected from the local agent, however.

"Publicity is being given as a warning not only to retailers, but also to dealers, that it is no question that, under our laws, both are responsible," said Mr. DeBorchett.

ADVISORY GROUP OUTLINES NEEDS

Requests Reviewed for Reclamation Survey Construction

Requests for federal and state funds for reclamation investigations, surveys and construction, were outlined by members of the governor's 25-man advisory committee on reclamation during its session at the Regerman hotel here Saturday.

Besides discussing and preparing need for reclamation, the committee, which met jointly with the state reclamation board, heard of operations in drainage basins and discussions by various officials.

Asked of the U. S. government to \$134,000 for investigation and survey work and \$745,000 for construction during the 1941-42 fiscal year, while \$100,000 from the state for material for federal funds for investigation purposes is also asked.

In setting forth needs for investigation, the committee listed the Snake River at \$200,000; upper Snake River and tributaries, \$20,000; southern tributaries of the Snake river, \$5,000; and Bruneau project, \$10,000.

Other needs presented included \$40,000 in the Mountain Home and Southwest-Idaho section, \$50,000; the river, \$5,000; Salmon river, \$10,000; Lewiston orchards, \$2,000; as well as \$4,000 for the Bradburn prairie and \$10,000 for Bear river and Salt Lake basin.

The construction phase of the recommendations included \$100,000 for the Snake River reservoir program on Snake river; \$200,000 to be used in the so-called Anderson dam development on the Boise and \$200,000 for the Cascade reservoir on the Payette river.

Commissioner James Spafford, Boise, who is committee secretary, and President N. V. Shary, Boise, of the Idaho Reclamation association, expressed opposition to the house resolution in congress which would enable the president to create national recreation areas on lands that are unoccupied and unimproved.

Reports were offered by various members during the session at which Lynn Cardman, Idaho Falls, presided as chairman.

Filer Resident To Final Rest

Funeral services for Harry Munster, Filer resident who died Thursday, were conducted at the Reynolds funeral home Sunday afternoon, with Rev. G. L. L. of the Presbyterian church officiating.

Burial was in the Filer I.O.O.F. cemetery.

Munster was by Mrs. Mildred Dawson, accompanied by Patricia Smith, nee, "Auntie" With Mr. and "Nearer My God to Thee."

Palbearers were Joe Edwards, John Edwards, Harry Shank, Roy Bell, Henry Peterson and Bill Morehead.

Jamboree Planned For Girl Scouts

HANSEN, July 8.—Twenty Girl Scouts gathered at the home of their leader, Mrs. Clyde Walker, Friday to make plans for the summer camp, the site of which as yet has not been chosen.

An invitation from the Gooding and Wendell troops to join with them in the summer outing is under consideration by the local group.

A "last minute" meeting, too, was held at 12 o'clock, at which the Hansen family park with all mothers urged to attend and aid in final arrangements. About thirty girls, including camp mothers, are looking forward to the jamboree.

Following the meeting, which closed with serving of refreshments by Virginia and Dorothy Walker, the troop spent a joyous hour at swimming.

Charge Follows Two-Car Crash

As result of an early-morning crash Sunday, Harold Bonnell, route four, Twin Falls, was yesterday charged with driving a motor vehicle without a license and with driving recklessly.

The accident occurred at the intersection of Fifth street and Third avenue north shortly after 1 a. m. Sunday, and Bonnell's car spun through 100 feet over the curb, and a front porch at 511 Third avenue north. Driver of the other machine was Glen Coot, Twin Falls, according to the report of Twin Falls police.

Damage to Bonnell's car was set at about \$250; while that to the other car was estimated at \$75. No one was injured.

DEATH COMES TO PIONEER MATRON

Mrs. Harry P. Berger, Twin Falls, Passes While on California Visit

Mrs. Harry P. Berger, Twin Falls pioneer, died early Sunday at the home of her daughter, Mrs. B. E. Carlson, at Los Angeles, where she had gone to visit July 5.

The body will be returned to Twin Falls for funeral services and burial, being received by the White mortuary.

Pneumonia, a stroke while she was on the Pacific coast visit, Mrs. Berger had been critically ill, and her husband and a daughter, Mrs. Paul R. Taber, had gone to Los Angeles last week after her condition had become even more serious.

Born at Carson City, Nev., Mrs. Berger came to Twin Falls with Mr. Berger, pioneer butcher, in 1895, and both had lived here since that time. Going to Los Angeles to visit the daughter July 5, with Mr. and Mrs. Taber, she had stayed there after Mr. and Mrs. Taber returned to Twin Falls.

Besides her husband and the two daughters, she is survived by a brother, J. R. Berger, Portland, Ore.

Truck Overtakes In Freak Crash

Total damage was estimated at about \$100 yesterday afternoon by investigating officials as result of a wreck which occurred shortly before 10 a. m. Monday a mile west of Kimberly on the Sugar factory road.

Although a Twin Falls highway district truck was the heaviest of the two vehicles involved, it was overturned and thrown into the ditch;

while principal damage to the other machine, a light 1939 sedan, was confined to the front end.

The truck, driven by Matt Toppin, 41, route 3, Twin Falls, and the sedan, driven by Elmer Phillips, 20, 222 Walnut street, Twin Falls, came together at the intersection of the county road and a side road.

Rear wheels of the truck rolled over the front of the other machine, overturning the highway district vehicle and throwing it into the ditch. The other car landed nearby, Toppin was scratched and bruised, but

Phillips, Twin Falls Canal company watchman, was uninjured.

The gravel truck was traveling south, while the other machine was traveling north.

Investigating the accident were State Police Officer Lynn L. Hand and Deputy Sheriff Ed Hall.

Since post holes cannot be dug in loose sand, North Carolina inspectors took a small charge of dynamite, placed the pole in position and fired the charge, the pole dropping into place.

The two young men are Thomas M. Kendrick, 24, a graduate of Albion Normal school, and Delbert Harriet, 24, son of Mr. and Mrs. Earl H. Harriet, Twin Falls. They left yesterday for the district recruiting station at Salt Lake City for final acceptance, after which they will go to San Diego, Calif., for the training period, which precedes service at sea.

Two Enlist Here For Naval Duty

Two additional recruits in the Twin Falls navy recruiting station's enlistment campaign under the present propaganda program were announced yesterday afternoon by M. D. Davis, officer in charge of the station in the postoffice building.

The two young men are Thomas M. Kendrick, 24, a graduate of

Albion Normal school, and Delbert Harriet, 24, son of Mr. and Mrs. Earl H. Harriet, Twin Falls. They left yesterday for the district recruiting station at Salt Lake City for final acceptance, after which they will go to San Diego, Calif., for the training period, which precedes service at sea.

HANSEN

California Visit—Shirley Haynes, daughter of Mr. and Mrs. William Haynes, left Saturday for Los Angeles, with Mr. and Mrs. Ed Bremer, who were visiting friends here and

in Eden. She will spend the summer with Mr. and Mrs. John Harriet, former residents of Kimberly and friends of the Haynes family.

Visit Parents—Mr. and Mrs. W. R. Minshall and children are spending several weeks with Mrs. Minshall's parents at Emmet, Wash., and his parents at Moscow.
