Twin Falls Rates Extra Legislator Under New Census

Attorney General's Opinion Indicates Idaho Lower House Will Have Five More Members

(By The Associated Press)
BOISE, July 26.—The lower house of the Idaho legislature will have five more members in 1941, an informal opinion by D. W. Thomas, assistant attorney general, indicated today.

Increased population of five Idaho counties, as shown in the 1940 census, will boost the number of state representatives from 59 to 64, under the law allowing each county one representative for each 10,000 of population or major portion of 10,000.

Thomas said that, upon request for information by W. L. Brewster, Bonnyville city clerk, he had found "good legal authority" for taking the preliminary count of the 1940 census as official for apportionment purposes rather than the 1930 census.

Four counties affected are Ada, which would have five representatives instead of four, Twin Falls and Curlew, which would have four, Bonnyville three and Bonner two.

The certification Idaho law requires the secretary of state to make to the county auditor, on or before July 1, has been secured, Thomas said.

The law directs the secretary of state to use the last official U. S. census. At that time there were no figures for 1940. The question will return to the counties in 1941.

Question for Courts
Thomas said it was inevitable that the five counties affected could change the ballot without their consent, he said.

Several courts have held that for practical purposes the preliminary count is final, he said.

It is probable that sufficient population they are entitled to compensation representation and to deprive them of it.

The question is whether or not the preliminary count, as given out by district supervisors, is official. Several courts have held it is.

Ballot Printed
If action by the five counties, the option will take at least one county, Ada, to print a new set of ballots, Thomas said.

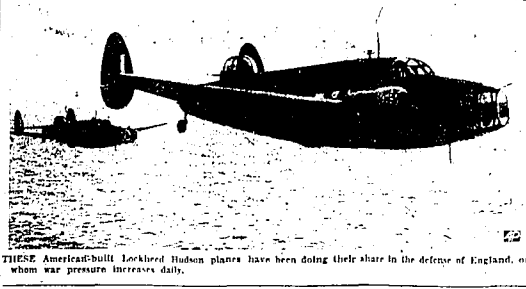

The first set already has gone to press.

The letters' population in July 1940 was 10,000 in Idaho Falls, 10,000 in Twin Falls, 10,000 in Curlew, 10,000 in Bonnyville, 10,000 in Bonner.

With 14,000, Twin Falls will have only three representatives.

The new apportionment, if made, would increase the number of the 34 southern counties over the 10 northern counties from the previous Congress.

Defense Commission Tells of Contract Awards of Nearly Two Billion Dollars in Eight Weeks

(By The Associated Press)
WASHINGTON, July 26.—Preparations to put five "dormant" shipyards to work and speed the production of warplanes and munitions of all kinds were disclosed today by William S. Knudsen, in a guardedly optimistic report on the pace of the industrial phase of the defense drive.

The defense commission's chief of industrial production said that in the eight weeks since President Roosevelt created the commission, the army and navy contracts totaling \$1,728,195,928 had been cleared.

"We can be confident of a production machine capable of producing a modern arm of 2,000,000 men," Knudsen said in an initial "progress report."

Hitler Drafts New Germans Strike For Boundaries For First Time Off Rumania Ireland

(By The Associated Press)
BERLIN, July 26.—Fuehrer Adolf Hitler put thinking today's tonight on a Danubian organization plan deemed certain to involve further dismemberment of Rumania.

During the afternoon the Fuehrer conferred with Rumanian Premier Ion Gheorgiu and Foreign Minister Mihail Manoilescu for two and a half hours in his mountain retreat above Berchtesgaden.

The Rumanians already had conferred at length with Foreign Minister Joseph von Ribbentrop at Salzburg and it was taken for granted they had agreed to make certain territorial concessions to Hitler.

At any event it seemed certain that Rumania would have to relinquish further territory to Hitler's demands.

Certain to lose the construction of Europe's conflict.

Meanwhile, Germany's position as "neutral" in Rumania was threatened by the conclusion of a far-reaching trade agreement with Turkey.

BALLOT CONTESTS HINGE ON RULING

New Census Basis Would Assume Nominations for All Entries

Primary election contests for state representative nominations on both Republican and Democratic tickets will be eliminated if the 1940 census basis is adopted for determining the number of house members to elect in the primary election.

The new enumeration, indicating Twin Falls county has a population of 20,000, would give the county four state representatives instead of three as heretofore.

Four Republicans and two Democrats have filed for state representative nominations and their names appear on the primary election ballot that now are being printed.

That is to be delivered to the county auditor office in time to start issuance of absentee voting cards last Monday.

Republican candidates are C. L. Buemann and H. C. Reineke, candidates for reelection.

Democratic candidates are W. J. Morgan and J. E. Thompson.

Candidates for state representative nominations on the Democratic ticket are Mrs. Frankie K. Alworth, E. F. Prater, J. E. Roberts and Olin T. Thompson.

DISGUISED RAIDER ATTACKS BRITISH

Nazi Vessel Sinks Unsuspecting Cargo Carriers With Help of Swedish Flag

NEW YORK, July 26 (AP)—The seizure of the crew of one of two British ships sunk by a German raider in the North Atlantic today was the first in a series of attacks on British shipping by a new type of raider, the so-called "wolf" raider, which is a fast, sleek, and well-armed vessel.

Chief Helmut Brummen of the Norwegian freighter left a quiet crew member of the British freighter, Davidson, 6,433 tons, saying that the raider came alongside the transport, carrying cargo carriers with the help of the Swedish flag and then blew them out of the water with its 4-inch gun.

The British sailor said the raider had the name "Narvik" painted on its bow and that it had 10 to 15, 4-inch guns in the vicinity of the British ship. The raider was a small, sleek, and well-armed vessel, and it was the first of its kind.

The Germans took the crew aboard, sank the British ship, and three days later sighted the 5,228-ton King John, which had 21 crew members from the United States Navy and the British Royal Navy.

The King John surrendered after she was wrecked with hand tank and water. The ship was wrecked on the beach of the island of St. Barthelmy, and the 25 crew members were taken aboard the raider.

SCORES KILLED IN CHILE SIDES

Sandy Hillsides, Loosened by Rain, Tumble Down on Settlements

ANTOPAGASTA, Chile, July 26 (AP)—Sandy hillsides loosened by heavy rains came tumbling down on settlements in Chile's north today, killing scores of people and causing damage in the region, causing more than a hundred deaths.

A survey showed that the death toll was at least 100, with many more missing. The rains had caused landslides in the region, causing more than a hundred deaths.

Damage was estimated at more than 100,000 pesos (about \$4,000,000).

Railroads were covered with rocks or washed out, communication lines were broken, and many people were killed.

La Decadencia, the largest copper mine operated with Chilean capital, was nearly destroyed, with damage estimated at \$1,000,000.

Large stocks of nitrate, piled in fields or at docks awaiting shipment, were lost.

Hundreds of persons lost their homes.

DEDICATION AT BUHL DRAWS 800

Impressive Ceremonies Mark Opening of New Post Office

BUHL, July 26.—About 800 people thronged the new Buhl federal building this afternoon, as the doors were thrown open to the public, and numbers of the post office staff escorted visitors through the cool, spacious lobby, with its 322 lockers, the postmaster's room, the large work room, vault and loading platform, on the ground floor, as well as the basement rooms.

Two of the five service windows were in use, for the distribution of 100 books of undirected stamps given away by the Chamber of Commerce, and one for the sale of commemorative stamps.

A special celebratory stamp was used for inscribing letters mailed today, as a souvenir of the date, this being the 165th anniversary of the founding of the United States post office, as well as the dedication date of Buhl's post office.

An impressive program was presented at 3 p. m., at the entrance of the post office, with Mayor C. G. Voelker, Postmaster L. P. Runyon, Postmaster J. B. Doda, Postmaster J. E. Jones, master of Twin Falls county Pomona Grange, J. E. Polaris, retired rural mail carrier, and Robert A. Miller, engineer in charge of building, having places of honor on the entrance steps.

The Buhl band played patriotic numbers, and also accompanied the singing of "America," "God Bless America," and "Gloria." Led by Mrs. E. B. Johnson and Harold Parker, Mayor Voelker, as master of ceremonies, expressed his appreciation for the men whose efforts resulted in Buhl's federal building of which every citizen is proud.

A flag raising ceremony was carried out by a group of boys, with Billy Finkle raising the flag to the top of the new flagpole on the lawn. The pledge of allegiance was led by Scout Billy Woodruff.

History of Post Office
Postmaster Runyon read telegram of congratulation from Postmaster General James A. Farley and Fourth Assistant Postmaster General Walter Meyer. He gave a history of the Buhl post office, prior to 1906, when it was served by a mail route operating out of Shoshone, delivering mail to river settlements.

On January 18, 1906, a post office was established at Buhl, with special service from Twin Falls. When the mail was brought from Twin Falls by Jack Hiney, October 3, 1906, A. L. Buhl was appointed as Buhl's first postmaster, and served until 1911. Following him were V. Blaes, Mrs. C. V. Blaes, C. G. A. Divilbiss, E. D. Kendrick, Avery G. Constant, Roy W. Banbury, R. E. Cox, and since October 1, 1924, L. P. Runyon.

J. B. Doda spoke of the growth of the post office from a census of 1,880 in 1900, to 2,440 in 1940, and from post offices existing in 1907 to 1940, to 4,700, to 12,447 in 1939, saying that Buhl was entitled to a federal building, and that the \$80,000 was appropriated for that purpose, in charge of the federal administration of the building agency. He gave details of the building program from the time the bids were submitted by R. E. Cox, in October, 1939, until the completion of the building.

Grange Appreciation
Erie Jones, master of Pomona Grange, expressed, in behalf of the United Grangers of Magic Valley, appreciation for the federal building. He said that forty years ago in a Grange hall in Indiana, the Grange members decided that farmers should have rural mail delivery, and that they were instrumental in securing that service for people living in rural districts. The Grange was also responsible for securing parcel post service, and has always been behind every worthwhile project.

After the singing of "Auld Lang Syne" by the audience, led by Harold Parker, with Merle Peterson as the piano, Rev. J. A. Howard offered the benediction. The public address system furnished by R. E. Cox, brought the program clearly to the throng surrounding the post office building.

Scholten Rites

Held in Garden

The garden at her home in Twin Falls was the scene of final services for Mrs. Edna E. Scholten, at 7 p. m. yesterday, with Rev. E. L. White of the First Methodist church officiating.

Piper Easton Star members conducted services at the graveside in the Piner Old Fellows cemetery where interment was directed by the White mortuary.

Music was by Mrs. E. A. Bern and Mrs. Marie Ollman, singing "In the Garden."

Paliberrers were Richard Howard, Kimberly, Lewis Hinch, Jack Hame, and Donald Porter, Piner; and Paul McCombs and Lowell Porter, Twin Falls.

SHANGHAI OPENED TO JAPANESE TROOPS

Foreign Fears Rise of Multi- plication of Unpleasant Incidents

SHANGHAI, July 27 (Saturday).—Japanese military authorities declared today the foreign areas of Shanghai "in bounds" to Japanese soldiers on leave, arousing foreign fears of a multiplication of the unpleasant incidents which have disturbed Japanese-American relations in recent weeks.

Simultaneously it was reported from Tientsin that Japanese restrictions virtually have lifted the activities of American residents in north China. This report coincided with the action of the Japanese in permitting their service men on liberty to have free range of the Shanghai foreign concessions was a matter, although foreign quarters consider that the Japanese had a right to do so. Hereafter the foreign area, with the exception of Japanese occupied Hongkong, have been out of bounds for the soldiers.

The Central China Daily News, organ of Wang Ching-wei, head of the puppet Chinese government set up by the Japanese at Nanking, said Mayor Pu Siao-chen had asked the American consulate there to direct "without delay" six American newspapermen recently ordered banished from the city. He gave details of the American consulate there to direct the six were "wicked visitors to China" who are conspiring with the Japanese in an attempt to overthrow the Nanking government.

In addition to the free-out of American business in north China, the United States radio station in the British concession in Tientsin was ordered closed yesterday by the British, under Japanese pressure.

August Meeting In Pines Slated

The annual "meeting in the pines" in Shoshone basin for members of all churches of southern Idaho has been set for Saturday and Sunday, August 10 and 11, officials announced last evening. Guest speaker this year will come from Glenn Ferry.

A camp fire meeting Saturday evening, principally for young people, will open the weekend services. Sunday morning, sunrise services will be held with Rev. E. D. Davis, former pastor at Holliester and now of Bliss, in charge of the service.

Admission school services will be held at 10:30 o'clock with Lee Carey of the Church of God in charge as superintendent. Teachers will be selected from all the churches represented.

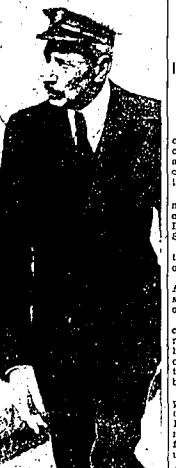

A picnic dinner will be served at noon and the speaking program will begin at 2 o'clock.

Services at the camp will be arranged by foresters of the basin, with an outdoor amphitheater formed of logs and a stump for a pulpit. Water has been piped to the site.

Attendance last year passed the 200 mark and is expected to be even larger this year. Everyone is invited to attend.

Manufactured in the northern part of White Mountain, Idaho, these are marketed principally in Alkman.

Buhl Man Loses Plane in Blaze

BUHL, July 26.—The motor is all that remains of a new Thorjornsen airplane owned by R. E. Buhl, following a fire Thursday night at the airport northwest of Buhl which consumed the ship.

The blaze occurred after Mr. Love and Wayne Gosselin had wheeled the plane out of the hangar to work on it and were striking matches with which to light a small lighted gas-line in the ground, which in turn set the plane afire. All that could be saved was the motor.

Mr. Love has been taking flying instruction and soloed for the first time last July 4.

AUTOGIRO TAKES OFF VERTICALLY

Manufacturers Demonstrate Plane That Rises With- out Runway

WILLOW GROVE, Pa., July 26 (AP).—An airplane that needs no runway for take-off was demonstrated successfully today by the Autogiro company, pioneer American rotor plane manufacturer.

The product of five years' development, the new machine was hailed by Harold P. Maclean, president of the company, as a plane "completely independent of ground obstacles or size" for its take-off and landing.

Pfeiffer said the new ship needs space only one-third the size of a conventional airplane field for its landing and take-off. "Rotor" planes, he said, need a field approximately one-fourth as large as a regular air field.

The "jump take-off," the new feature of the plane enabled it to take off vertically for approximately 100 feet, then take a normal climb in angle for the further ascent. In today's demonstration, the ship literally jumped into the air, clearing by more than five feet, attached to poles 18 feet high, before moving forward.

The "jump take-off," he explained, because of operating the rotor or overhead blades to about 200 rotations per minute—50 per cent more than the normal speed—while the blades are in a horizontal position. The pilot, by automatic hydraulic control, then reverses the blades to a half vertical or "hinge" position and simultaneously shifts the full engine power to the rotor in a momentary climb to shift the rotor in an automatic manner.

This simultaneous ascending and accumulation of the "lift" permits the rotor blades, Pfeiffer said, to clear the ship to shoot into the air.

Recently Wedded Pair Honored At Gala Surprise Housewarming

Over fifty friends of Mr. and Mrs. Merle Leonard of Piler, recently wedded couple, accorded them a gala surprise housewarming party Thursday evening at their home west of Piler. Before her marriage, Mrs. Leonard was Miss Lenore Diebolt.

The affair was arranged by the entire group of guests and came as a delightful surprise to the honorees. A lawn supper opened the evening's festivities.

Highlights of the evening's entertainment was a mock wedding, staged by a cast composed entirely of men. Edwin Creed was cast in the role of the bride with Oscar Kias as "her" bridegroom. John Leinen presided as the priest at the ceremony.

"Bridesmaids" were Morris Kias, Wilbur McKray and Frank Gies. The wedding march was played on the old family organ by Mrs. Oscar Kias.

Irish jig
Mrs. Margaret Cameron danced an Irish jig and Mrs. H. C. McKray, accompanied by Mrs. Oscar Kias, played a violin solo.

Other guests were Mrs. Annau, Mr. and Mrs. George Earlhardt and family, Mr. and Mrs. Herman Edick and family, Mr. and Mrs. Edwin Creed, Mrs. Gail Simon and Mary Simon, Mr. and Mrs. John Leinen and son.

Mr. and Mrs. Morris Kias and family, Mr. and Mrs. Joe Greenwood, Mr. and Mrs. Oscar Kias and family, Mr. and Mrs. Theodore Gockner and family, Mr. and Mrs. Howard McKray and family, Glen Leonard and Carl Leonard.

Group singing of "Come, Come Ye Saints" and "The Church is Our Home" by Mrs. Jane Gardner, will conclude the program.

Winners of a contest conducted by members of the Opportunity class of the Christian church were entertained yesterday by the members of the Evening Guild at a picnic at the home of Mrs. Howard Piller on Second avenue.

Pin pong and varied fortune telling games formed the entertainment for members of the Evening Guild at a picnic at the home of Mrs. Howard Piller on Second avenue.

Various games, stunts, impromptu singing and other numbers entertained the group during the evening. Refreshments were served by the ladies at the conclusion of the picnic.

Twenty-five couples were in attendance.

Texas Visitor Honored at Smart Breakfast by Mrs. W. O. Smith

Complimenting her sister, Mrs. Richard Keys of Amarillo, Tex., who is visiting here this week, Mrs. W. O. Smith entertained at a charmingly arranged 10 o'clock breakfast yesterday morning at the home of Mrs. A. C. Victor, Dr. and Mrs.

Keys have been here a week and plan to leave next Tuesday for the home of Mrs. E. H. Hinton, sister of Mrs. Keys and Mrs. Smith, who is a guest at the home.

Guests found their places at one long table, centered with a striking arrangement of summer blossoms. Place cards were in keeping with the summer motif.

Following the breakfast, the party went to the home of Mrs. Smith, 123 North avenue north, for the remainder of the morning.

Mrs. Hinton played a number of piano selections, including several of her own compositions.

An amusing contest was won by Mrs. Victor.

Mrs. Smith presented a guest prize to her sister.

Only agency in America aiding this work is the United States Committee for the Care of European Children, whose chairman is Marshall Field, with offices in New York City.

A previous letter had been received by the committee, with a view to the adoption of a child, and the British government scheme has now been abandoned, according to Mollie Fowler-Douglas, mother of "Lettie, from London," appearing in a recent issue of the New Yorker.

What are some of the questions asked a sponsor?

A sponsor is asked his or her occupation; approximate annual income; number of members of household; number and character of children; citizenship and nationality of adopted child; and whether there are any other children in the family.

A "potential parent" is also asked for a written description of home environment; facilities for a child in the home; likewise school facilities.

Sponsors applying through the A. A. W. are also asked whether they are prepared to provide the cost of transportation from port of entry, and whether they will provide for the child at the port of entry, until they are willing to cooperate with their sponsor.

Spouses applying through the A. A. W. are also asked whether they are prepared to provide the cost of transportation from port of entry, and whether they will provide for the child at the port of entry, until they are willing to cooperate with their sponsor.

COLORADO TO MICHIGAN
NONSTOP IN AMBULANCE

PUEBLO, Colo. (AP)—It was more than an ordinary ambulance ride that Mrs. Marie Thomas of Chicago experienced after she stepped into the vehicle here. She traveled 1,300 miles to Grand Rapids, Mich., with a stop.

Mrs. Thomas had become ill while visiting a sister in Pueblo and physicians had told her she would have to travel by ambulance if she wanted to go to Grand Rapids.

LOUIS DEFENDS TITLE AGAINST BILLY CONN

Promoter Signs Young Boxer for 15-Round Battle

Light-heavy Champ Must Win Over Pastor First

PITTSBURGH, July 26 (AP)—The Post-Gazette said tonight promoter Mike Jacobs has signed Billy Conn, the light-heavyweight boxing champion, to meet Joe Louis in a 15-round bout in New York next September for the heavyweight championship.

Johnny Ray, Conn's manager, confirmed the agreement in a telephone conversation with Harvey Boye, sports editor of the paper and Pennsylvania boxing commissioner.

The only possible objection would be a setback to Conn at the hands of Bob Pastor, whom he meets in New York August 12.

So confident were Ray and Jacobs that Conn would beat Pastor, that all preliminary details were ironed out at a conference.

Today, the news paper said.

FAVORED STOCKS MOVE FORWARD

Average of 60 Issues Holds
Net Advance of One-
Tenth of Point

Markets At A Glance

NEW YORK, July 26.—Selected stocks enjoyed a post-rally in today's market as Wall Street exhibited a little more optimism for business prospects and less nervousness over the European situation.

Gains for steel, auto, railroads and specialties ran to a point or so in the forenoon but were substantially reduced or cancelled in many cases at the close.

Volume of 22 1/2 million shares, while nothing to write home about from the standpoint of brokers, was the largest of the week and compared with 24,000 the day before.

The Associated Press average of 60 issues, which is a fair index of the market, was up 1/10 of a point at 41.4. The weekly market stake was also up 1/10 of a point.

Although many traders continued to ponder pending new foreign developments and clarification of tax problems, the political picture was not as dark as it had been.

On top of this, bondholders have been attracted to the numerous offerings of new issues, particularly the new Chrysler and Bethlehem issues, which continued to attract industrial buyers.

The Chicago market was up 1/10 of a point, while the New York market was up 1/10 of a point.

A drop in the stock market was expected in the morning, but the market was up 1/10 of a point.

Always Growing Up

HOLLYWOOD—Are the movies growing up? Yes, but it's a slow process. It's been going on for years.

You can't take it from "The Grapes of Wrath" although that picture alone was equivalent to a book.
